3. For all tax years beginning on or after September 1, 1993, a corporate taxpayer shall be allowed a deduction for fifty percent of its federal income tax liability under chapter 1 of the Internal Revenue Code for the same taxable year for which the Missouri return is being filed after reduction for all credits thereon, except the credit for payments of federal estimated tax, the credit for the overpayment of any federal tax, and the credits allowed by the Internal Revenue Code by section 31 (tax withheld on wages), section 27 (tax of foreign country and United States possessions), and section 34 (tax on certain uses of gasoline, special fuels and lubricating oils).

4.
