Reverend Carl Gauck offered the following prayer:

“It is honorable for us, to have produced the first legislature who had the courage to declare, that the reason of man may be trusted with the formation of his own opinion.” (Thomas Jefferson)

We praise and give You thanks, O Lord, for Your Word which serves as our road map to direct us upon life’s highways and byways and wisdom to declare what must be said. We thank You for the freedom we enjoy that is enhanced by Your guiding hand in the way we deal with others, especially those who work so tirelessly for us. And we thank You for time to spend with our families and the love we experience and express there. In Your Holy Name we pray. Amen.

MESSAGES FROM THE HOUSE

The following messages were received from the House of Representatives through its Chief Clerk:

Mr. President: I am instructed by the House of Representatives to inform the Senate that the House has taken up and adopted **HCR 10**.

HOUSE CONCURRENT RESOLUTION NO. 10

Whereas, today 40 million credit cardholders are exposed to the risk of fraud by data thieves; and

Whereas, in 2005, a credit card processing company, CardSystems Solutions, improperly retained masses of data in vulnerable files and data thieves moved in, resulting in approximately 200,000 credit card accounts being reported stolen; and

Whereas, other incidents in 2005 included CitiFinancial disclosing that unencrypted computer tapes for 3.9 million customers were lost by a package deliverer and ChoicePoint, the nation's largest broker of personal information were the target of thieves who were easily able to buy the data of 145,000 consumers; and

Whereas, in the hands of thieves, consumer data becomes liquid assets and must be guarded as such by companies; and

Whereas, with California's passage of a law requiring notice to affected consumers, the entire nation became aware that consumers' assets and identities are increasingly at risk of fraud because of the remarkable success of data thieves

Whereas, several pieces of legislation have been introduced in the United States Congress, including a bill proposing a national requirement for consumer notification with civil penalties for negligent companies, and a comprehensive bill to begin regulating data merchants by requiring registration with the Federal Trade Commission and to impose stronger safeguards, stop the easy access to Social Security numbers, and help identity theft victims regain their fiscal balance:

Now, therefore, be it resolved that the members of the House of Representatives of the Ninety-third General Assembly, Second

Regular Session, the Senate concurring therein, hereby urge the United States Congress to adopt a comprehensive federal law that protects consumer information from data thieves; and

Be it further resolved that the Chief Clerk of the Missouri House of Representatives be instructed to prepare a properly inscribed copy of this resolution for each member of the Missouri Congressional Delegation.

In which the concurrence of the Senate is respectfully requested.

Also,

Mr. President: I am instructed by the House of Representatives to inform the Senate that the House has taken up and adopted **HCR 37**.

HOUSE CONCURRENT RESOLUTION NO. 37

Whereas, Chamois, Missouri, is a community located along the Missouri River in northern Osage County which has no means to cross the river except by way of bridges located approximately 45 miles to the west and 30 miles to the east; and

Whereas, the people who live in Chamois incur increasingly high costs using present routes in order to reach destinations on the north side of the Missouri River for employment, recreation, and business; and

Whereas, people who live on the north side of the Missouri River are equally restricted from accessing destinations on the south side of the Missouri River, respectively; and

Whereas, locating a ferryboat on the Missouri River at Chamois would allow residents on both sides to cross the River, reducing travel times and travel costs, provide a safer route, and conserve fuel; and

Whereas, locating a ferryboat at Chamois would establish the only reported ferry on the Missouri River and would thereby promote tourism on both sides of the River by attracting more visitors to the area and creating a driving destination for tourists visiting such communities as Hermann, Fulton, and Jefferson City; and

Whereas, locating a ferryboat at Chamois would likewise give residents on the south side of the River access to the Katy Trail located on the north side of the River; and

Whereas, numerous organizations have endorsed the ferryboat at Chamois, including but not limited to the Hermann Area Chamber of Commerce, the Fulton Area Chamber of Commerce, the county commissions for Osage and Callaway counties, the City of Mokane, the City of Chamois, and the Missouri Division of Tourism; and

Whereas, the promoters of the ferryboat at Chamois have requested federal and state funding for the project:

Now, therefore, be it resolved that the members of the House

of Representatives of the Ninety-third General Assembly, Second Regular Session, the Senate concurring therein, hereby express support for the Chamois ferryboat and urge the Missouri Department of Economic Development and the Missouri Department of Transportation, along with other state agencies, to assist in securing moneys for locating of the ferryboat; and

Be it further resolved that the Chief Clerk of the Missouri House of Representatives be instructed to prepare properly inscribed copies of this resolution for Governor Matt Blunt, Gregory A. Steinhoff, the Director of the Department of Economic Development, and Peter Rahn, the Director of the Missouri Department of Transportation.

In which the concurrence of the Senate is respectfully requested.

Also,

Mr. President: I am instructed by the House of Representatives to inform the Senate that the House has taken up and adopted **HCR 18**.

HOUSE CONCURRENT RESOLUTION NO. 18

Whereas, the Commercial Motor Vehicle Safety Act of 1986 was signed into law with the goal to improve highway safety by ensuring that drivers of large trucks and buses are qualified to operate those vehicles and to remove unsafe and unqualified drivers from the highways; and

Whereas, the federal Act retained a State's right to issue a driver's license, but established minimum national standards which States must meet when licensing commercial motor vehicle drivers; and

Whereas, the federal Act corrected the situation that existed prior to 1986 by making it illegal to hold more than one license and by requiring States to adopt testing and licensing standards for truck and bus drivers to check a person's ability to operate the type of vehicle the driver plans to operate; and

Whereas, since April 1, 1992, drivers have been required to have a commercial driver's license (CDL) in order to drive a commercial motor vehicle. The Federal Highway Administration (FHWA) issued standards for testing and licensing of commercial motor vehicle drivers which require States to issue CDLs to their commercial motor vehicle drivers only after the driver passes knowledge and skills tests administered by the State related to the type of vehicle to be operated; and

Whereas, drivers need CDLs if they are in interstate, intrastate, or foreign commerce and drive a vehicle that meets the federal definition of a commercial motor vehicle; and

Whereas, States develop their own tests which must be at least as stringent as the federal standards; and

Whereas, this restriction does not prohibit States from

allowing a person 18 years of age to qualify for a CDL, because it is limited to intrastate operation only. Such a restriction prohibits a person between the ages of 18 and 21 with a CDL from the interstate operation of a commercial motor vehicle; and

Whereas, the establishment of a controlled pilot program by the Federal Motor Carrier Safety Administration (FMCSA) lowering the federal minimum age for commercial motor vehicle drivers in interstate commerce from 21 to 18, which would include behind the wheel training, mentoring, and an evaluation component, would be the first step in advancing the program while still promoting highway safety; and

Whereas, a FMCSA controlled pilot program for 18 to 21 year-olds has the potential of relieving a severe commercial motor vehicle driver shortage in the States and Nation, and creating excellent career opportunities:

Now, therefore, be it resolved that the members of the House of Representatives of the Ninety-third General Assembly, Second Regular Session, the Senate concurring therein, hereby urge the Federal Motor Carrier Safety Administration to establish a controlled pilot program to evaluate the potential of lowering the age requirements for interstate commercial motor carrier drivers from 21 to 18 years of age; and

Be it further resolved that the Chief Clerk of the Missouri House of Representatives be instructed to prepare a properly inscribed copy of this resolution for the Administrator of the Federal Motor Carrier Safety Administration, Annette M. Sandberg, and each member of the Missouri Congressional Delegation.

In which the concurrence of the Senate is respectfully requested.
