## MESSAGES FROM THE HOUSE

The following messages were received from the House of Representatives through its Chief Clerk:

Mr. President: I am instructed by the House of Representatives to inform the Senate that the House has taken up and passed **HCR 41**, entitled:

HOUSE CONCURRENT RESOLUTION NO. 41  
Relating to the designation of Missouri walk and bicycle to school month and day.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF MISSOURI, AS FOLLOWS:

Whereas, the health and safety of our children is of highest concern to the citizens of Missouri; and

Whereas, promoting safe and healthful walking and bicycling to school is of importance to Missouri parents and teachers, and has been shown to improve student's health and academic performance; and

Whereas, a lack of physical activity plays a leading role in rising rates of obesity, diabetes, and other health problems among children. Being able to walk or bicycle to school offers an opportunity to build healthful physical activity into a child's daily routine; and

Whereas, an important role for parents and caregivers is to

teach children about pedestrian safety and become aware of the difficulties and dangers that children face on their trip to school each day and the health and environmental risks related to physical inactivity and air pollution; and

Whereas, the number of children walking and bicycling to school has decreased dramatically in recent years, with less than 10% walking or bicycling to school now compared with 50% just 30 years ago; and

Whereas, serious injury and death of hundreds of children nationwide could be saved each year if communities take steps to make bicycle and pedestrian safety a priority; and

Whereas, the Safe Routes to Schools program is recognized nationally and internationally as being effective in solving these problems and has been successfully piloted in several Missouri communities; and

Whereas, local Safe Routes to Schools efforts combining engineering, enforcement, encouragement, and education have been shown to improve school children's health, mobility, safety, and academic performance; and

Whereas, "International Walk to School Month" in October and "International Walk to School Day" the first Wednesday in October have proven to be helpful in creating and promoting local Safe Route to Schools programs across the United States and throughout the world:

Now, therefore, be it resolved that the members of the House of Representatives of the Ninety-third General Assembly, Second Regular Session, the Senate concurring therein, hereby commend and encourages the Safe Routes to Schools program overseen at the state level by the Missouri Department of Transportation and on the local level by many individuals, agencies, and schools; and

Be it further resolved that the creation of and participation in the local Safe Routes to Schools programs in communities throughout Missouri be encouraged; and

Be it further resolved that the needed cooperation and partnership among students, parents, teachers, parent-teacher groups, community leaders, community groups, public works departments, law enforcement agencies, school districts, the Missouri Department of Transportation, and other departments and agencies of state and local government to create successful Safe Routes to Schools programs be commended and encouraged; and

Be it further resolved that October 2006 is hereby declared to be "Missouri Walk and Bicycle to School Week" and October 4, 2006, is hereby declared to be "Missouri Walk and Bicycle to School Day" in Missouri; and

Be it further resolved that this resolution be sent to the Governor for his approval or rejection pursuant to the Missouri Constitution.

In which the concurrence of the Senate is respectfully requested.

2. If each portion of a member's credited service is not covered by the same benefit program, then the member's total allowance for life shall be the total of the allowance for life determined under each applicable benefit program.

3. Each employer shall have the credited service of each of its members covered by benefit program L-1 provided for in this section unless such employer shall have elected another benefit program provided for in this section.

4. Except as otherwise provided in this subsection, each political subdivision, by majority vote of its governing body, may elect from time to time to cover its members, whose political subdivision employment is concurrently covered by federal Social Security, under one of the benefit programs provided for in this section. Each

political subdivision, by majority vote of its governing body, may elect from time to time to cover its members, whose political subdivision employment is not concurrently covered by federal Social Security, under one of the benefit programs provided for in this section. The clerk or secretary of the political subdivision shall certify the election of the benefit program to the board within ten days after such vote. The effective date of the political subdivision's benefit program is the first day of the calendar month specified by such governing body, or the first day of the calendar month next following receipt by the board of the certification of election of benefit program, or the effective date of the political subdivision becoming an employer, whichever is the latest. Such election of benefit program may be changed from time to time by such vote, but not more often than biennially. If such changed benefit program provides larger allowances than the benefit program previously in effect, then such larger benefit program **[shall] may, if the political subdivision elects as such at the time of its majority vote electing to cover its members under one of the benefit programs provided for in this section,** be applicable to the past and future employment with the employer by present and future employees, **but otherwise shall be applicable only to credited service for employment rendered on or after the effective date of such change.** If such changed benefit program provides smaller allowances than the benefit program previously in effect, then such changed benefit program shall be applicable only to credited service for employment rendered from and after the effective date of such change. After August 28, 1994, political subdivisions shall not elect coverage under benefit program LT-4, benefit program LT-5, or benefit program LT-8. After August 28, 2005, political subdivisions shall not elect coverage under benefit program L-9 or benefit program LT-10(65).

5. Should an employer change its election of benefit program as provided in this section, the employer contributions shall be correspondingly

changed effective the same date as the benefit program change.

6. The limitation on increases in an employer's contribution provided by subsection 6 of section 70.730 shall not apply to any contribution increase resulting from an employer electing a benefit program which provides larger allowances.

7. Subject to the provisions of subsections 9 and 10 of this section, for an allowance becoming effective on September 28, 1975, or later, and beginning with the October first which is at least twelve full months after the effective date of the allowance, the amount of the allowance shall be redetermined effective each October first and such redetermined amount shall be payable for the ensuing year. Subject to the limitations stated in the next sentence, such redetermined amount shall be the amount of the allowance otherwise payable multiplied by the following percent: one hundred percent, plus two percent for each full year (excluding any fraction of a year) in the period from the effective date of the allowance to the current October first. In no event shall such redetermined amount (1) be less than the amount of the allowance otherwise payable nor (2) be more than the amount of the allowance otherwise payable multiplied by the following fraction: the numerator shall be the Consumer Price Index for the month of June immediately preceding such October first (but in no event an amount less than the denominator below) and the denominator shall be the Consumer Price Index for the month of June immediately preceding the effective date of the allowance. As used herein, "Consumer Price Index" means the Consumer Price Index for Urban Wage Earners and Clerical Workers, as determined by the United States Department of Labor and in effect January 1, 1975; provided, should such Consumer Price Index be restructured subsequent to 1974 in a manner materially changing its character, the board shall change the application of the Consumer Price Index so that as far as is practicable the 1975 intent of the use of the Consumer Price Index shall be continued. As used

herein "the amount of the allowance otherwise payable" means the amount of the allowance which would be payable without regard to these provisions redetermining allowance amounts after retirement.

8. Subject to the provisions of subsections 9 and 10 of this section, for an allowance becoming effective on September 28, 1975, or later, the maximum allowance payable under the provisions of section 70.685 shall be redetermined each October first in the same manner as an allowance is redetermined under the provisions of subsection 7 of this section.

9. (1) The system establishes reserves for the payment of future allowances to retirants and beneficiaries. Should the board determine, after consulting with the actuary, that the established reserves are more than sufficient to provide such allowances, the board may increase the annual increase rate provided for in subsections 7 and 8 of this section, as it applies to any allowance payable, but in no event shall the total of all redetermined amounts as of October first of any year be greater than one hundred four percent of the allowances which would have been payable that October first without such redeterminations; provided, as of any redetermination date the same annual increase rate shall be applied to all allowances with effective dates in the range of November first to October first of the following year. The board may extend the provisions of subsections 7 and 8 of this section to allowances which became effective before September 28, 1975; provided such an action by the board shall not increase an employer contribution rate then in effect;

(2) After August 28, 1993, the annual increase rate established by this subsection shall be a compound rate, compounded annually, and the four percent annual maximum rate shall also be a compound rate, compounded annually; provided, the use of such compounding shall not begin until October 1, 1993, and shall not affect redeterminations made prior to that date.

10. Should the board determine that the provisions of subsections 7, 8 and 9 of this section are jeopardizing the financial solvency of the system, the board shall suspend these provisions redetermining allowance amounts after retirement for such periods of time as the board deems appropriate.”; and

Amend Senate Substitute for Senate Committee Substitute for House Committee Substitute for House Bill No. 1306, Page 80, Section 104.620, Line 9 of said page, by inserting after all of said line the following:

“104.800. 1. [Except as otherwise provided by law] **Notwithstanding any other provision of law to the contrary, on or after August 28, 2006**, any person having earned creditable or credited service pursuant to the provisions of section 104.010 or section 104.1003 of the state employees' retirement system or pursuant to the provisions of the state transportation department employees' and highway patrol retirement system or having service as a statewide state elective officer or having service as a member of the general assembly or having service pursuant to the provisions of sections 287.812 to 287.855, RSMo, or having service as a judge, as defined in section 476.515, RSMo, may elect prior to retirement and not after retirement, to make a one-time transfer of credit for such service or such creditable service to or from any other retirement system or type of service specified in this section or sections 56.800 to 56.840, RSMo, for which the person has

accumulated service or creditable service. The amount of transferred credit shall be accumulated with the amount of such creditable service or such service earned by the person in the retirement system or type of service to which the service is transferred for purposes of determining the benefits to which the person is entitled under the retirement system or type of service to which the service is transferred. The transfer of such creditable service or service shall become effective on the first day of the second month following the month in which the person files written notification of the person's election with the retirement boards affected by such service transfer. When the election to transfer creditable service or service becomes effective, the person shall thereby forfeit any claim to any benefit under the provisions of the retirement system or type of service, as the case may be, from which the service or creditable service was transferred regardless of the amount of service or creditable service previously earned in such retirement system or type of service. Any person who has transferred service pursuant to this subsection prior to August 28, 2002, and who is an employee covered by a retirement plan described in this subsection after that date, may elect to make an additional transfer of service prior to retirement if additional service would otherwise be available to be transferred except for the forfeiture of that service after the previous transfer. In no event shall the amount of service that a person shall be entitled to transfer pursuant to the provisions of this section exceed eight years.

2. In the event of the death of a member before retirement and prior to exercising transfer rights pursuant to the provisions of this section, survivorship benefits shall be computed as if such person had in fact exercised or not exercised the person's transfer rights to produce the most advantageous benefit possible.

3. Any person that has earned creditable service pursuant to the provisions governing the Missouri state employees' retirement system or pursuant to the provisions of chapter 287, RSMo,

or chapter 476, RSMo, who terminated employment prior to August 13, 1986, shall, upon application to the board of trustees of the Missouri state employees' retirement system, be made, constituted and appointed and employed by the board as a special consultant on the problems of retirement, aging and other state matters for the remainder of the person's life. Upon request of the board or the court from which the person retired, the consultant shall give opinions or be available to give opinions in writing or orally in response to such request. As compensation for such services, the consultant shall be eligible, prior to retirement, to make a one-time transfer of creditable service as provided in this section.”; and

**“288.042. 1. For purposes of this chapter, a “war on terror veteran” is a person who serves or has served in the military and to whom the following criteria apply:**

**(1) The person is or was a member of the national guard or a member of a United States armed forces reserves unit;**

**(2) The person was deployed as part of his or her military unit at any time after September 11, 2001, and such deployment caused the person to be unable to continue working for his or her employer;**

**(3) The person was employed either part time or full time before deployment; and**

**(4) The person was unemployed in his or her non-military employment either during or within thirty days after the completion of his or her deployment.**

**2. Notwithstanding any provisions of sections 288.010 to 288.500, any war on terror veteran shall be entitled to receive unemployment compensation benefits under this chapter. A war on terror veteran shall be entitled to a maximum weekly benefit of eight percent of the wages paid to the war on terror veteran during that quarter during which the war on terror veteran earned the highest amount within the five quarters during which the war on terror veteran received wages before deployment. The maximum amount of a maximum weekly benefit shall be one thousand one hundred fifty-three dollars and sixty-four cents, annually adjusted by the consumer price index.**

**3. A war on terror veteran shall be entitled to a maximum weekly benefit for twenty-six**

weeks.

4. Any employer who is found in any Missouri court or United States district court located in Missouri to have terminated, demoted, or taken an adverse employment action against a war on terror veteran due to his or her absence while deployed shall be subject to an administrative penalty as determined by the director of the Missouri division of employment security in such amount as to provide funding for this section, but in no event shall the administrative penalty exceed one hundred thousand dollars. The director shall take judicial notice of judgments in suits brought under the Uniformed Service Employment and Reemployment Rights Act (38 U.S.C. 4301). Such judgments may be considered to have a res judicata effect on the director's determination.

5. A war on terror veteran shall not be considered to have voluntarily quit his or her employment if he or she is not offered the same wages, benefits, and similar work schedule upon his or her return after deployment.

6. There is hereby created in the state treasury the “War on Terror Unemployment Compensation Fund”, which shall consist of money collected under this section. The state treasurer shall be custodian of the fund and shall approve disbursements from the fund in accordance with section 30.170 and 30.180, RSMo. Upon appropriation, money in the fund shall be used solely for the administration of this section. Notwithstanding the provisions of section 33.080, RSMo, to the contrary, any moneys remaining in the fund at the end of the biennium shall not revert to the credit of the general revenue fund. The state treasurer shall invest moneys in the fund in the same manner as other funds are invested. Any interest and money earned on such investments shall be credited to the fund.

7. The division of employment security may

**promulgate rules to enforce this section. Any rule or portion of a rule, as that term is defined in section 536.010, RSMo, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536, RSMo, and, if applicable, section 536.028, RSMo. This section and chapter 536, RSMo, are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536, RSMo, to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2006, shall be invalid and void.”; and**
