

Journal of the Senate

FIRST REGULAR SESSION

TWENTY-THIRD DAY—TUESDAY, FEBRUARY 13, 2007

The Senate met pursuant to adjournment.

President Kinder in the Chair.

Senator Scott offered the following prayer:

“The steps of a good man are ordered by the Lord, and he delights in his way. Though he fall, he shall not be utterly cast down; for the Lord upholds him with his hand.” (Psalm 37:23, 24)

Lord, we are grateful today for the many blessings You have given us.

Blessings of health, blessings of being able to participate in public service, even blessings of a beautiful snowy day.

We ask for Your wisdom today as we work to solve complicated issues. We ask that You would bless those who work in this building to make the operation run smoothly and that You bless our families at home whose work and responsibilities are increased in our absence. We pray especially that You will uphold us with Your hand.

For everything You have done for us we thank You in The Name of Our Lord Jesus. Amen.

The Pledge of Allegiance to the Flag was recited.

A quorum being established, the Senate proceeded with its business.

CONCURRENT RESOLUTIONS

Senators Barnitz, Callahan, Shoemyer, Purgason, Rupp, Green, Griesheimer, Engler and Loudon offered the following concurrent resolution:

SENATE CONCURRENT RESOLUTION NO. 15

Whereas, President George W. Bush established the Security and Prosperity Partnership (SPP) of North America, with the nations of Mexico and Canada on March 23, 2005; and

Whereas, a television reporter asked President Bush on March 23, 2005, whether in light of the European Union, the SPP was a step towards continental integration and he responded, "...So that the vision that you asked about in your question as to what kind of union might there be, I see one based upon free trade, that would then entail commitment to markets and democracy, transparency, rule of law..."; and

Whereas, the gradual creation of such a North American Union from a merger of the United States, Mexico, and Canada would be a direct threat to the Constitution and national independence of the United States, and imply an eventual end to national borders within North America; and

Whereas, a White House news release confirmed the continuing existence of the SPP and its "ongoing process of cooperation" on March 31, 2006; and

Whereas, Congressman Ron Paul has written that a key to the SPP plan is an extensive new NAFTA superhighway: "[U]nder this new 'partnership', a massive highway is being planned to stretch from Canada to Mexico, through the state of Texas."; and

Whereas, this trilateral partnership to develop a North American Union has never been presented to Congress as an agreement or treaty, and has had virtually no congressional oversight; and

Whereas, state and local governments throughout the United States would be negatively impacted by the SPP/North American Union process, such as the "open borders" vision of the SPP, eminent domain takings of private property along the planned superhighways, and increased law enforcement problems along those same superhighways:

Now, therefore, be it resolved that the members of the Senate of the Ninety-fourth General Assembly, First Regular Session, the House of Representatives concurring therein, hereby urge and petition the Congress of the United States to use all of its efforts, energies, and diligence to withdraw the United States from any further participation in the Security and Prosperity Partnership of North America and any other bilateral or multilateral activity, however named, which seeks to advance, authorize, fund, or in any way promote the creation of any structure to accomplish any form of a North American Union as herein described; and

Be it further resolved that the Secretary of the Missouri Senate be instructed to prepare properly inscribed copies of this resolution for each member of the Missouri Congressional delegation.

Senator Scott offered the following concurrent resolution:

SENATE CONCURRENT RESOLUTION NO. 16

WHEREAS, we recognize that Missouri is comprised of many hard-working, tax-paying, lawfully present immigrants who embody values shared by their Missouri neighbors; and

WHEREAS, lawfully present immigrants contribute positively to the rich cultural heritage of this nation and state; and

WHEREAS, since illegal immigrants are in violation of federal law through their mere presence in this country, other benefits conferred under federal law including the distribution of compensation through our country's social programs should not befall such individuals; and

WHEREAS, we recognize that the Social Security program is becoming increasingly depleted financially and that extending benefits to illegal immigrants will have a deleterious effect on the ability of the system to pay beneficiaries who have contributed to the system through years of gainful and legal employment:

NOW THEREFORE BE IT RESOLVED that the members of the Missouri Senate, Ninety-Fourth General Assembly, First Regular Session, the House of Representatives concurring therein, hereby call on Congress for a unified voice in opposing legislation or any other agreement that proposes to extend Social Security benefits to illegal immigrants who are not lawfully present in the United States and in so being, stand in violation of federal law; and

BE IT FURTHER RESOLVED that the Secretary of the Missouri Senate be instructed to prepare properly inscribed copies of this resolution for the President of the United States and the members of the Missouri Congressional Delegation.

Senator Rupp offered the following concurrent resolution:

SENATE CONCURRENT RESOLUTION NO. 17

WHEREAS, the Securities and Exchange Commission has

determined that business activities in U.S.-sanctioned terrorist-sponsoring states can materially harm the share value of foreign companies that may be held in portfolio by Missouri's public retirement systems; and

WHEREAS, U.S. publicly traded companies are not allowed to do business in or with U.S. State Department-designated terrorist-sponsoring states; and

WHEREAS, Missouri's public pension systems currently invest on behalf of the citizens of Missouri in foreign publicly traded companies that may be at risk due to such ties to terrorism; and

WHEREAS, the General Assembly of the State of Missouri views state investments in foreign publicly traded companies that have business operations in or with U.S. State Department-designated terrorist-sponsoring states as putting at risk the pensions of its dedicated public employees; and

WHEREAS, the exclusion of companies with such ties to terrorism from public portfolios will help protect Missouri's public pension systems from investment losses related to such business activities and could improve the performance of these public funds; and

WHEREAS, the General Assembly of the State of Missouri finds it unconscionable for the State of Missouri to invest in companies whose business activities benefit nations that are egregious violators of human rights and known sponsors of terrorism and that, according to the U.S. government, are developing weapons of mass destruction and delivery capabilities:

NOW, THEREFORE, BE IT RESOLVED that the members of the Missouri Senate, Ninety-Fourth General Assembly, First Regular Session, the House of Representatives concurring therein, hereby calls on the public retirement funds of Missouri to immediately enact all necessary provisions and take all necessary actions to ensure that no funds of the State of Missouri are invested in entities that have direct business operations with the U.S. State Department-designated terrorist-sponsoring states; and

BE IT FURTHER RESOLVED that the Secretary of the Missouri Senate be instructed to prepare a properly inscribed copy of this resolution for the Governor.

Senators Gibbons and Coleman offered the following concurrent resolution:

SENATE CONCURRENT RESOLUTION NO. 18

WHEREAS, Section 21.760 of the Revised Statutes of Missouri provides that during the regular legislative session which convenes in an odd-numbered year, the General Assembly shall, by concurrent resolution, employ an independent certified public accountant or certified public accounting firm to conduct an audit examination of the accounts, functions, programs, and management of the State Auditor's office:

NOW THEREFORE BE IT RESOLVED that the members of the Missouri Senate, Ninety-Fourth General Assembly, First Regular Session, the House of Representatives concurring therein, hereby authorize the employment of an independent certified public accountant or certified public accounting firm pursuant to the provisions of Section 21.760; and

BE IT FURTHER RESOLVED that the audit examination be made in accordance with generally accepted auditing standards, including such reviews and inspections of books, records and other underlying data and documents as are necessary to enable the independent certified public accountant performing the audit to reach an informed opinion on the condition and performance of the accounts, functions, programs, and management of the State Auditor's Office; and

BE IT FURTHER RESOLVED that upon completion of the audit, the independent certified public accountant make a written report of his or her findings and conclusions, and supply each member of the General Assembly, the Governor, and the State Auditor with a copy of the report; and

BE IT FURTHER RESOLVED that the cost of the audit and report be paid out of the joint contingent fund of the General Assembly; and

BE IT FURTHER RESOLVED that the Commissioner of Administration bid these services, at the direction of the General Assembly, pursuant to state purchasing laws; and

BE IT FURTHER RESOLVED that the Secretary of the Missouri Senate be instructed to prepare a properly inscribed copy of this resolution for the Commissioner of Administration.
