3. The Commission shall meet at least once during each calendar year. Additional meetings shall be held as set forth in the Bylaws.

ARTICLE VII. RULES AND OPERATING PROCEDURES:

RULEMAKING FUNCTIONS OF THE COMMISSION AND OPTING OUT OF UNIFORM STANDARDS

1. Rulemaking Authority. The Commission shall promulgate reasonable Rules, including Uniform Standards, and Operating Procedures in order to effectively and efficiently achieve the purposes of this Compact. Notwithstanding the foregoing, in the event the Commission exercises its rulemaking authority in a manner that is beyond the scope of the purposes of this Act, or the powers granted hereunder, then such an action by the Commission shall be invalid and have no force and effect.

2. Rulemaking Procedure. Rules and Operating Procedures shall be made pursuant to a rulemaking process that conforms to the Model State Administrative Procedure Act of 1981 as amended, as may be appropriate to the operations of the Commission. Before the Commission adopts a Uniform Standard, the Commission shall give
written notice to the relevant state legislative committee(s) in each Compacting State responsible for insurance issues of its intention to adopt the Uniform Standard. The Commission in adopting a Uniform Standard shall consider fully all submitted materials and issue a concise explanation of its decision.

3. Effective Date and Opt Out of a Uniform Standard. A Uniform Standard shall become effective ninety (90) days after its promulgation by the Commission or such later date as the Commission may determine; provided, however, that a Compactin g State may opt out of a Uniform Standard as provided in this Article. "Opt out" shall be defined as any action by a Compactin g State to decline to adopt or participate in a promulgated Uniform Standard. All other Rules and Operating Procedures, and amendments thereto, shall become effective as of the date specified in each Rule, Operating Procedure or amendment.

4. Opt Out Procedure. A Compactin g State may opt out of a Uniform Standard, either by legislation or regulation duly promulgated by the Insurance Department under the Compactin g State's Administrative Procedure Act. If a Compactin g State elects to opt out of a Uniform Standard by regulation, it must (a) give written notice to the Commission no later than ten (10) business days after the Uniform Standard is promulgated, or at the time the State becomes a Compactin g State and (b) find that the Uniform Standard does not provide reasonable protections to the citizens of the State, given the conditions in the State. The Commissioner shall make specific findings of fact and conclusions of law, based on a preponderance of the evidence, detailing the conditions in the State which warrant a departure from the Uniform Standard and determining that the Uniform Standard would not reasonably protect the citizens of the State. The Commissioner must consider and balance the following factors and find that the conditions in the State and needs of the citizens of the State outweigh: (i) the intent of the legislature to participate in, and the benefits of, an interstate agreement to establish national uniform consumer protections for the Products subject to this Act; and (ii) the presumption that a Uniform Standard adopted by the Commission provides reasonable protections to consumers of the relevant Product. Notwithstanding the foregoing, a Compactin g State
may, at the time of its enactment of this Compact, prospectively opt out of all Uniform Standards involving long-term care insurance products by expressly providing for such opt out in the enacted Compact, and such an opt out shall not be treated as a material variance in the offer or acceptance of any State to participate in this Compact. Such an opt out shall be effective at the time of enactment of this Compact by the Compacting State and shall apply to all existing Uniform Standards involving long-term care insurance products and those subsequently promulgated.

5. Effect of Opt Out. If a Compacting State elects to opt out of a Uniform Standard, the Uniform Standard shall remain applicable in theCompacting State electing to opt out until such time the opt out legislation is enacted into law or the regulation opting out becomes effective. Once the opt out of a Uniform Standard by a Compacting State becomes effective as provided under the laws of that State, the Uniform Standard shall have no further force and effect in that State unless and until the legislation or regulation implementing the opt out is repealed or otherwise becomes ineffective under the laws of the State. If a Compacting State opts out of a Uniform Standard after the Uniform Standard has been made effective in that State, the opt out shall have the same prospective effect as provided under Article XIV for withdrawals.

6. Stay of Uniform Standard. If a Compacting State has formally initiated the process of opting out of a Uniform Standard by regulation, and while the regulatory opt out is pending, the Compacting State may petition the Commission, at least fifteen (15) days before the effective date of the Uniform Standard, to stay the effectiveness of the Uniform Standard in that State. The Commission may grant a stay if it determines the regulatory opt out is being pursued in a reasonable manner and there is a likelihood of success. If a stay is granted or extended by the Commission, the stay or extension thereof may postpone the effective date by up to ninety (90) days, unless affirmatively extended by the Commission; provided, a stay may not be permitted to remain in effect for more than one (1) year unless the Compacting State can show extraordinary circumstances which warrant a continuance of the stay, including, but not limited to, the existence of a legal challenge which prevents the Compacting State
from opting out. A stay may be terminated by the Commission upon
notice that the rulemaking process has been terminated.

7. Not later than thirty (30) days after a Rule or Operating
Procedure is promulgated, any person may file a petition for judicial
review of the Rule or Operating Procedure; provided, that the filing of
such a petition shall not stay or otherwise prevent the Rule or
Operating Procedure from becoming effective unless the court finds
that the petitioner has a substantial likelihood of success. The court
shall give deference to the actions of the Commission consistent with
applicable law and shall not find the Rule or Operating Procedure to
be unlawful if the Rule or Operating Procedure represents a reasonable
exercise of the Commission's authority.

ARTICLE VIII. COMMISSION RECORDS AND ENFORCEMENT

1. The Commission shall promulgate Rules establishing
conditions and procedures for public inspection and copying of its
information and official records, except such information and records
involving the privacy of individuals and insurers' trade secrets. The
Commission may promulgate additional Rules under which it may make
available to federal and state agencies, including law enforcement
agencies, records and information otherwise exempt from disclosure,
and may enter into agreements with such agencies to receive or
exchange information or records subject to nondisclosure and
confidentiality provisions.

2. Except as to privileged records, data and information, the laws
of any Compacting State pertaining to confidentiality or nondisclosure
shall not relieve any Compacting State Commissioner of the duty to
disclose any relevant records, data or information to the Commission;
provided, that disclosure to the Commission shall not be deemed to
waive or otherwise affect any confidentiality requirement; and further
provided, that, except as otherwise expressly provided in this Act, the
Commission shall not be subject to the Compacting State's laws
pertaining to confidentiality and nondisclosure with respect to records,
data and information in its possession. Confidential information of the
Commission shall remain confidential after such information is
provided to any Commissioner.

3. The Commission shall monitor Compacting States for
compliance with duly adopted Bylaws, Rules, including Uniform
Standards, and Operating Procedures. The Commission shall notify any
non-complying Compacting State in writing of its noncompliance with
Commission Bylaws, Rules or Operating Procedures. If a non-
complying Compacting State fails to remedy its noncompliance within
the time specified in the notice of noncompliance, the Compacting State
shall be deemed to be in default as set forth in Article XIV.

4. The Commissioner of any State in which an Insurer is
authorized to do business, or is conducting the business of insurance,
shall continue to exercise his or her authority to oversee the market
regulation of the activities of the Insurer in accordance with the
provisions of the State's law. The Commissioner's enforcement of
compliance with the Compact is governed by the following provisions:

a. With respect to the Commissioner's market regulation of a
Product or Advertisement that is approved or certified to the
Commission, the content of the Product or Advertisement shall not
constitute a violation of the provisions, standards or requirements of
the Compact except upon a final order of the Commission, issued at the
request of a Commissioner after prior notice to the Insurer and an
opportunity for hearing before the Commission.

b. Before a Commissioner may bring an action for violation of
any provision, standard or requirement of the Compact relating to the
content of an Advertisement not approved or certified to the
Commission, the Commission, or an authorized Commission officer or
employee, must authorize the action. However, authorization pursuant
to this paragraph does not require notice to the Insurer, opportunity
for hearing or disclosure of requests for authorization or records of the
Commission's action on such requests.

ARTICLE IX. DISPUTE RESOLUTION

The Commission shall attempt, upon the request of a Member, to
resolve any disputes or other issues that are subject to this Compact
and which may arise between two or more Compacting States, or
between Compacting States and Non-compacting States, and the
Commission shall promulgate an Operating Procedure providing for
resolution of such disputes.

ARTICLE X. PRODUCT FILING AND APPROVAL

1. Insurers and Third-Party Filers seeking to have a Product
approved by the Commission shall file the Product with, and pay
applicable filing fees to, the Commission. Nothing in this Act shall be
consrued to restrict or otherwise prevent an insurer from filing its
Product with the insurance department in any State wherein the
insurer is licensed to conduct the business of insurance, and such filing
shall be subject to the laws of the States where filed.

2. The Commission shall establish appropriate filing and review
processes and procedures pursuant to Commission Rules and Operating
Procedures. Notwithstanding any provision herein to the contrary, the
Commission shall promulgate Rules to establish conditions and
procedures under which the Commission will provide public access to
Product filing information. In establishing such Rules, the Commission
shall consider the interests of the public in having access to such
information, as well as protection of personal medical and financial
information and trade secrets, that may be contained in a Product
filing or supporting information.

3. Any Product approved by the Commission may be sold or
otherwise issued in those Compacting States for which the Insurer is
legally authorized to do business.

ARTICLE XI. REVIEW OF COMMISSION DECISIONS REGARDING FILINGs

1. Not later than thirty (30) days after the Commission has given
notice of a disapproved Product or Advertisement filed with the
Commission, the Insurer or Third Party Filer whose filing was
disapproved may appeal the determination to a review panel appointed
by the Commission. The Commission shall promulgate Rules to
establish procedures for appointing such review panels and provide for
notice and hearing. An allegation that the Commission, in disapproving
a Product or Advertisement filed with the Commission, acted
arbitrarily, capriciously, or in a manner that is an abuse of discretion
or otherwise not in accordance with the law, is subject to judicial
review in accordance with Article III, Section 4.

2. The Commission shall have authority to monitor, review and
reconsider Products and Advertisement subsequent to their filing or
approval upon a finding that the product does not meet the relevant
Uniform Standard. Where appropriate, the Commission may withdraw
or modify its approval after proper notice and hearing, subject to the
appeal process in Section 1 above.

ARTICLE XII. FINANCE
1. The Commission shall pay or provide for the payment of the reasonable expenses of its establishment and organization. To fund the cost of its initial operations, the Commission may accept contributions and other forms of funding from the National Association of Insurance Commissioners, Compacting States and other sources. Contributions and other forms of funding from other sources shall be of such a nature that the independence of the Commission concerning the performance of its duties shall not be compromised.

2. The Commission shall collect a filing fee from each Insurer and Third Party Filer filing a product with the Commission to cover the cost of the operations and activities of the Commission and its staff in a total amount sufficient to cover the Commission's annual budget.

3. The Commission's budget for a fiscal year shall not be approved until it has been subject to notice and comment as set forth in Article VII of this Compact.

4. The Commission shall be exempt from all taxation in and by the Compacting States.

5. The Commission shall not pledge the credit of any Compacting State, except by and with the appropriate legal authority of that Compacting State.

6. The Commission shall keep complete and accurate accounts of all its internal receipts, including grants and donations, and disbursements of all funds under its control. The internal financial accounts of the Commission shall be subject to the accounting procedures established under its Bylaws. The financial accounts and reports including the system of internal controls and procedures of the Commission shall be audited annually by an independent certified public accountant. Upon the determination of the Commission, but no less frequently than every three (3) years, the review of the independent auditor shall include a management and performance audit of the Commission. The Commission shall make an Annual Report to the Governor and legislature of the Compacting States, which shall include a report of the independent audit. The Commission's internal accounts shall not be confidential and such materials may be shared with the Commissioner of any Compacting State upon request provided, however, that any work papers related to any internal or independent audit and any information regarding the privacy of individuals and
insurers' proprietary information, including trade secrets, shall remain confidential.

7. No Compacting State shall have any claim to or ownership of any property held by or vested in the Commission or to any Commission funds held pursuant to the provisions of this Compact.

ARTICLE XIII. COMPACTING STATES, EFFECTIVE DATE AND AMENDMENT

1. Any State is eligible to become a Compacting State.

2. The Compact shall become effective and binding upon legislative enactment of the Compact into law by two Compacting States; provided, the Commission shall become effective for purposes of adopting Uniform Standards for, reviewing, and giving approval or disapproval of, Products filed with the Commission that satisfy applicable Uniform Standards only after twenty-six (26) States are Compacting States or, alternatively, by States representing greater than forty percent (40%) of the premium volume for life insurance, annuity, disability income and long-term care insurance products, based on records of the NAIC for the prior year. Thereafter, it shall become effective and binding as to any other Compacting State upon enactment of the Compact into law by that State.

3. Amendments to the Compact may be proposed by the Commission for enactment by the Compacting States. No amendment shall become effective and binding upon the Commission and the Compacting States unless and until all Compacting States enact the amendment into law.
