Senator Graham offered the following resolution, which was read and adopted:

#### SENATE RESOLUTION NO. 1964

Whereas, the members of the Missouri Senate feel it is altogether fitting and proper to pause from time to time to recognize individuals and organizations that have contributed to the welfare of this great state and its citizens or distinguished themselves through significant personal achievement; and

Whereas, the members now pause to recognize the University of Missouri Tigers Football Team, which brought honor to its school and its state on January 1, 2008, when the team won the Cotton Bowl in Dallas, Texas, defeating the 24th-ranked Arkansas Razorbacks with a score of 38-7; and

Whereas, this victory was the Tigers’ first New Year’s Day bowl victory since 1966, and it capped what was in many respects the most successful season in Mizzou history, despite playing the nation’s 13th most difficult schedule; and

Whereas, the Tigers went 12-2 during the 2007 regular season, and their twelve wins were the most ever in a single season, and the team won the Big 12 North Division with a league record of 7-1, and the regular season was capped off by a nationally televised win over arch-rival Kansas at Arrowhead Stadium in Kansas City, and the Tigers won with a score of 36-28, after which the Tigers were ranked Number One in the country; and

Whereas, Mizzou’s victories over Illinois and Kansas made Missouri the only team heading into the bowl season to defeat two BCS Bowl combatants; and

Whereas, Tiger players and coaches also garnered individual accolades, including quarterback Chase Daniel, who is Mizzou’s first-ever Heisman Trophy finalist, finishing fourth in the final vote, and the team had two consensus first-team All-Americans in 2007, the first time two players received such an honor in the same season, and those players were tight end Martin Rucker and wide receiver/kick returner Jeremy Maclin; and

Whereas, Tigers coach Gary Pinkel was a finalist for the Bear Bryant National Coach of the Year Award, among many other awards, and assistant head coach Dave Christensen was named National Offensive Coordinator of the Year by Rivals.com:

Now, Therefore, Be It Resolved that we, the members of the Missouri Senate, Ninety-fourth General Assembly, applaud the University of Missouri Tigers Football Team and their stellar performance on New Year’s Day, with our best wishes for each player, assistant coaches, and head coach for continued success in the future; and

Be It Further Resolved that the Secretary of the Senate be instructed to prepare a properly inscribed copy of this resolution for the University of Missouri Football Tigers.

### CONCURRENT RESOLUTIONS

Senators Shoemyer, Lager, Ridgeway, Goodman, Purgason, Barnitz, Mayer, Clemens, Nodler, Scott, Kennedy, Stouffer, Engler, Griesheimer and Bartle offered the following concurrent resolution:

#### SENATE CONCURRENT RESOLUTION NO. 35

WHEREAS, horse processing is the most tightly regulated of any animal harvest, and the horse is the only animal that has its transportation to processing regulated. If horse processing plants are forced to close and export options are eliminated, the Horse Welfare Coalition estimates that 90,000 to 100,000 unwanted horses annually would be exposed to potential abandonment and neglect; and

WHEREAS, the 90,000 to 100,000 additional unwanted horses each year would compete for adoption with the 32,000 wild horses that United States taxpayers are already paying \$40 million to shelter and feed; and

WHEREAS, the nation's inadequate, overburdened, and unregulated horse rescue and adoption facilities cannot handle the influx of the approximately 60,000 or more additional horses each year that would result from a harvesting ban, according to the Congressional Research Service; and

WHEREAS, many zoo animal diets rely on equine protein because it mimics what the animal would receive in the wild. Veterinarians and animal nutritionists say it is the healthiest diet for big cats and rare birds. If legislation shuts down horse processing facilities, the only source for this meat that is inspected by the U.S. Department of Agriculture (USDA) will be eliminated:

NOW THEREFORE BE IT RESOLVED that the members of the Missouri Senate, Ninety-Fourth General Assembly, Second Regular Session, the House of Representatives concurring therein, hereby urge the United States Congress to strongly support the continuation of horse processing in the United States and to offer incentives that help create horse processing plants throughout the United States, such as state-inspected horse harvest for export; and

BE IT FURTHER RESOLVED that the members of the Missouri General Assembly strongly encourage Congress to support new horse processing facilities and the continuation of existing facilities on both the state and national level; and

BE IT FURTHER RESOLVED that the members of the Missouri General Assembly urge Congress to oppose S. 311 and H.R. 503 of the 110th Congress and strongly support the transportation and processing of horses in the United States and internationally; and

BE IT FURTHER RESOLVED that the members of the Missouri General Assembly support the location of USDA-approved horse processing facilities on state, tribal, or private lands under mutually-acceptable and market-driven land leases and, if necessary, a mutually-acceptable assignment of revenues that meet the needs of all parties involved with the facility; and
