Be it enacted by the General Assembly of the State of Missouri, as follows:

Section A. Chapter 8, RSMo, is amended by adding thereto one new
2 section, to be known as section 8.890, to read as follows:

8.890. Access to public land owned, managed, or funded by the
2 state of Missouri for horse and mule use shall not be denied on trails
3 and roads that are currently designated by the state as land upon
4 which horses or mules can be ridden, except that access can be denied
5 where conditions are not suitable because of public safety concerns,
6 necessary maintenance, or for reasons related to the mission of the
7 agency that owns or manages the land so long as a written statement
8 is posted at the trailhead stating the cause and estimated duration of
9 the closure. Nothing in this section shall cause horses or mules to be
