

Journal of the Senate

SECOND REGULAR SESSION

TWENTY-EIGHTH DAY—THURSDAY, FEBRUARY 25, 2010

The Senate met pursuant to adjournment.

President Kinder in the Chair.

Reverend Carl Gauck offered the following prayer:

“Therefore my heart is glad, and my soul rejoices; my body also rest secure.” (Psalm 16:9)

Lord God, as we finish up here and head home we are thankful that You have given us that special “homing instinct” that calls us back to family and home. You beckon us to be at home with You. So may we so live that we always feel at home with the people You have given us to love and with You our God. In Your Holy Name we pray. Amen.

The Pledge of Allegiance to the Flag was recited.

A quorum being established, the Senate proceeded with its business.

The Journal of the previous day was read and approved.

Senator Engler announced that photographers with Bass Pro Shops Communications were given permission to take pictures and video in the Senate Chamber today.

RESOLUTIONS

Senator Champion offered Senate Resolution No. 1708, regarding Jeff Collins, Springfield, which was adopted.

Senator Champion offered Senate Resolution No. 1709, regarding Olympic Gold Medalist Shawn Johnson, which was adopted.

Senator Pearce offered Senate Resolution No. 1710, regarding Judy Collins, which was adopted.

Senator Pearce offered Senate Resolution No. 1711, regarding Warrensburg Police Officer John H. Harrington, which was adopted.

Senator Schmitt offered Senate Resolution No. 1712, regarding John P. “JP” Payne, Fenton, which was adopted.

Senator Nodler offered the following resolution, which was read and adopted:

SENATE RESOLUTION NO. 1713

Whereas, the members of the Missouri Senate hold in high esteem those Show-Me State residents who bring glory and honor to themselves and to this great state through the excellence of their achievements in their chosen fields of endeavor; and

Whereas, Jamie McMurray, a native of Joplin, Missouri, has attained considerable distinction as a race car driver who has competed in the NASCAR Sprint Cup Series and the NASCAR RE/MAX Challenge Series; and

Whereas, Jamie McMurray enhanced his already impressive record of accomplishment when he raced to victory while driving for Earnhardt Ganassi Racing, on February 14, 2010, in the No. 1 Bass Pro Shops Chevrolet, around the 2.5-mile Daytona International Speedway in the 52nd Daytona 500, the biggest, richest, and most prestigious NASCAR-racing event in America; and

Whereas, the 2003 NASCAR Winston Cup Rookie of the Year, Jamie McMurray is in his eighth consecutive year driving in the NASCAR Sprint Cup Series; and

Whereas, Jamie McMurray won the Pepsi 400 at Daytona in 2007, the Infineon Pole in 2007, three Top-Five Finishes in 2007, nine Top-Ten Finishes in 2007, three Top-Five Finishes in 2006, ten Top-Ten Finishes in 2005, three nationwide series races in 2004, the Raybestos Rookie of the Year Award in 2003, First Pole at Homestead-Miami Speedway in 2003, thirteen Top-Ten Finishes in 2003, and he took first place in only his second start at the 2002 fall Cup race at Lowe’s Motor Speedway and set a new NASCAR modern-era record by becoming the quickest driver to win a Cup race; and

Whereas, Jamie McMurray has endeared himself to his hometown fans through his many acts of charity and by remaining humble despite his international celebrity:

Now, Therefore, Be It Resolved that we, the members of the Missouri Senate, Ninety-fifth General Assembly, join to applaud the personal and professional accomplishments garnered thus far in the life and work of Jamie McMurray and to convey to him this legislative body’s most heartfelt congratulations upon winning the 52nd running of the Daytona 500; and

Be It Further Resolved that the Secretary of the Senate be instructed to prepare a properly inscribed copy of this resolution for presentation to Jamie McMurray of Joplin, Missouri.

Jamie McMurray assumed the dais and addressed the members of the body.

The President assumed the Chair.

Senators Champion and Nodler offered the following resolution, which was read and adopted:

SENATE RESOLUTION NO. 1714

Whereas, the members of the Missouri Senate feel it is altogether right and proper to pause from time to time to recognize outstanding Missourians who have distinguished themselves as business leaders and community leaders; and

Whereas, the members now pause to recognize John L. Morris, the owner and founder of Bass Pro Shops, also known as Outdoor World, a privately held sports equipment and outdoor recreation goods store headquartered in Springfield, Missouri; and

Whereas, enormously successful, Bass Pro Shops annually grosses an estimated \$1.9 billion in sales in fifty-four large retail stores in the United States, one in Vaughan, Ontario, Canada, and one near Calgary, Alberta, Canada; and

Whereas, John Morris began his career in sporting goods with a fishing section in the back of a Brown Derby liquor store owned by his father, located in Springfield on the road to Table Rock Lake and Branson, Missouri; and

Whereas, the small fishing department sold homemade bait and worms, proving so popular that many people wanted the opportunity to buy these when they had returned home, and thus began the Bass Pro Shops catalog first mailed in 1974, which soon became the world's largest mail order sporting goods store; and

Whereas, in November 2001, the state of Missouri made use of Outdoor World's popularity as a tourist destination and opened the Wonders of Wildlife museum next door to the store in Springfield; and

Whereas, Bass Pro Shops and John Morris have had a longtime interest in NASCAR racing, as Bass Pro Shops has sponsored such racers as Dale Earnhardt, Kerry Earnhardt, Martin Truex Jr., and most recently Jamie McMurray; and

Whereas, Jamie McMurray raced to victory while driving for Earnhardt Ganassi Racing, on February 14, 2010, in the No. 1 Bass Pro Shops Chevrolet, around the 2.5-mile Daytona International Speedway in the 52nd Daytona 500, the biggest, richest, and most prestigious NASCAR-racing event in America:

Now, Therefore, Be It Resolved that we, the members of the Missouri Senate, Ninety-fifth General Assembly, extend our most sincere admiration to John Morris on his colossal commercial success and his on-going support of NASCAR racing; and

Be It Further Resolved that the Secretary of the Senate be instructed to prepare a properly inscribed copy of this resolution for presentation to John L. Morris as a measure of our esteem.

Senator Bray offered Senate Resolution No. 1715, regarding Robyn Boling, which was adopted.

Senator Vogel offered Senate Resolution No. 1716, regarding Mary Wade, Jefferson City, which was adopted.

Senator Mayer assumed the Chair.

CONCURRENT RESOLUTIONS

Senator Shoemyer offered the following concurrent resolution:

SENATE CONCURRENT RESOLUTION NO. 50

WHEREAS, Spartan Light Metal Products has been an industry leader in magnesium custom die castings for the past 4 decades with the company being owned and operated as a family business since 1961 and employing over 600 people; and

WHEREAS, Spartan Light Metal Products provides die cast products from magnesium alloys that reduce weight and improve performance of products at competitive costs; and

WHEREAS, magnesium die castings, such as Spartan Light Metal Products, are being greatly harmed by the tariffs (731-TA-1071 and 731-TA-1072) that have been placed on imported magnesium alloys by the United States International Trade Commission; these tariffs allow the nation's lone magnesium producer to set whatever price it chooses for raw magnesium, driving many die cast companies out of business; and

WHEREAS, the tariffs have created an advantage for foreign competitors, who can purchase magnesium at globally-competitive prices and export finished products to U.S. markets free of penalties; and this practice replaces U.S. manufacturing jobs and could lead to bankruptcy for the industry; and

WHEREAS, the tariffs have also placed U.S. car manufacturers at a cost and weight disadvantage against foreign carmakers in meeting Corporate Average Fuel Economy requirements; and as a result, about 60% of Spartan Light Metal Products' magnesium business for 2011 is disappearing at a time when the demand for magnesium products is growing:

NOW THEREFORE BE IT RESOLVED that the members of the Missouri Senate, Ninety-fifth General Assembly, Second Regular Session, the House of Representatives concurring therein, hereby urge the United States President and Congress to find a creative solution to protect the nation's lone magnesium producer without destroying the United States magnesium die casting industry; and

BE IT FURTHER RESOLVED that the members further urge the United States President and Congress to lift U.S. tariffs 731-TA-1071 and 731-TA-1072 on die cast magnesium alloys from China and Russia or create a fair market by placing a similar tariff on imported assemblies and products made from die cast magnesium alloys; and

BE IT FURTHER RESOLVED that the Secretary of the Missouri Senate be instructed to prepare properly inscribed copies of this resolution for the President of the United States and the members of the Missouri congressional delegation.

Senator Stouffer offered the following concurrent resolution:

SENATE CONCURRENT RESOLUTION NO. 51

WHEREAS, the State of Missouri contains 553 miles of the Missouri River, which borders 23 Missouri counties and over 50 Missouri communities, making it one of the State's greatest natural resources; and

WHEREAS, the General Assembly recognizes that eighteen power plants, which have the capacity to generate over 11,000 megawatts of electricity, draw cooling water from the lower Missouri River basin; and

WHEREAS, over half of Missouri citizens get their drinking water from the Missouri River and its alluvium, and the State of Missouri has constructed infrastructure to support water supply in the lower Missouri River with the understanding that reliable navigation flows would be maintained in the future; and

WHEREAS, Missouri is the origin or destination for over one-half of all commercial tonnage shipments on the Missouri River, with the Port of St. Louis, just downstream from where the Missouri enters the Mississippi River, being one of the largest inland ports in the United States; and

WHEREAS, the Missouri River is a vital link in the State of Missouri's total transportation system and the General Assembly wishes to maximize this valuable asset in order to move freight and to support our state's economy; and

WHEREAS, barge transport allows for significant economic benefits and cost savings, since one barge can transport the same amount of freight as 16 rail cars or 70 trucks; and

WHEREAS, river transportation is the most environmentally friendly form of transporting goods and commodities, creating almost no noise pollution and emitting 35 to 60 percent fewer pollutants than either trucks or trains; and

WHEREAS, barges are also the most fuel efficient method of freight transport; barges can move one ton of cargo 576 miles per gallon of fuel, compared to 413 miles per gallon of fuel for rail cars and only 155 miles per gallon of fuel for trucks; and

WHEREAS, the General Assembly recognizes that the State of Missouri is investing more of its resources to develop and improve public ports as intermodal connectors in the state, including those on the Missouri River; and

WHEREAS, in the Flood Control Act of 1944, as amended, the United States Congress authorized the construction of the Missouri River Mainstem Reservoir System for the federal purposes of flood control and navigation, with other authorized purposes including irrigation, power, water supply, water quality and recreation; and

WHEREAS, the June 4, 2003 and August 16, 2005 decisions of the United States Court of Appeals of the Eighth Circuit confirmed that navigation and flood control are the two dominant functions of the Flood Control Act of 1944; and

WHEREAS, the Missouri River is operated in accordance with the updated Missouri River Master Water Control Manual, which contains the management plan for the River and was adopted by the United States Army Corps of Engineers in 2004; and

WHEREAS, the Missouri General Assembly recognizes that the United States Army Corps of Engineers utilized extensive public processes to complete the 2004 Missouri River Master Water Control Manual and worked to balance the needs and desires of many competing stakeholder groups in establishing the Manual's navigation guidelines; and

WHEREAS, the 2004 Missouri River Master Water Control Manual was finalized after 15 years of debate and litigation and after the expenditure of over \$35 million in federal funds; and

WHEREAS, the 2004 Missouri River Master Water Control Manual reduced the length of the navigation season, shifting a large amount of water away from navigation and other downstream uses of the Missouri River to benefit upstream uses, such as reservoir recreation; and

WHEREAS, despite the opposition of Missouri's congressional delegation, the Omnibus Appropriations Act of 2009 authorized the United States Army Corps of Engineers to conduct the Missouri River Authorized Purposes Study at a total cost of \$25,000,000, which will review the original authorized purposes from the Flood Control Act of 1944 and will determine if changes to those purposes and existing Federal water resources infrastructure may be warranted; and

WHEREAS, the United States Army Corps of Engineers began conducting the Missouri River Authorized Purposes Study in October of 2009; and

WHEREAS, the scope of the Missouri River Authorized Purposes Study, as defined by the United States Army Corps of Engineers, exceeds the scope of the Congressional authority for the study, in that the Corps intends to develop recommendations and alternatives to the authorized purposes that Congress did not request; and

WHEREAS, federal taxpayers' dollars should not be wasted to develop recommendations and alternatives that Congress did not authorize; and

WHEREAS, the Consolidated Appropriations Act of 2010 authorized the United States Department of Transportation to conduct an independent and comprehensive study and analysis at a total cost of \$2,000,000 to supplement the Missouri River Authorized Purposes Study and to develop a comprehensive understanding of the full value of river flow support to users in the Mississippi and Missouri Rivers; and

WHEREAS, the Consolidated Appropriations Act of 2010 also authorized the Missouri Department of Transportation to conduct a Missouri River Freight Corridor Study at a total cost of \$900,000, which will examine how to increase freight tonnage moved on the Missouri River, long-term development opportunities along the Missouri River corridor and ways to better use Missouri waterways to relieve infrastructure stress and congestion; and

WHEREAS, at times the Missouri River provides over sixty percent of the water in the Mississippi River that passes St. Louis; and

WHEREAS, if the navigability of the Mississippi River is negatively impacted between the confluence of the Missouri and Mississippi Rivers and the confluence of the Ohio and Mississippi Rivers, barges would no longer be able to travel from the far northern portions of the Mississippi River to the Gulf of Mexico, which would devastate the barge industry, the agricultural industry and the transportation system as a whole; and

WHEREAS, it is imperative that the Missouri River Authorized Purposes Study consider Mississippi River navigation when evaluating if changes to the authorized purposes are warranted:

NOW THEREFORE BE IT RESOLVED that the members of the Missouri Senate, Ninety-fifth General Assembly, Second Regular Session, the House of Representatives concurring therein, hereby express their continued opposition to the Missouri River Authorized Purposes Study; and

BE IT FURTHER RESOLVED that the members hereby express their opposition to the alteration of the Missouri River's primary purposes of navigation and flood control; and

BE IT FURTHER RESOLVED that the members hereby urge the Missouri's congressional delegation to actively oppose funding the Missouri River Authorized Purposes Study in future fiscal years; and

BE IT FURTHER RESOLVED that the members hereby urge the United States Army Corps of Engineers to narrow the scope of the Missouri River Authorized Purposes Study to make it consistent with Congressional authority; and

BE IT FURTHER RESOLVED that the members hereby urge the United States Army Corps of Engineers to include Mississippi River navigation in any evaluation of the authorized purposes under the Missouri River Authorized Purposes Study; and

BE IT FURTHER RESOLVED that the Secretary of the Missouri Senate be instructed to prepare properly inscribed copies of this resolution for the United States Army Corps of Engineers and the members of the Missouri congressional delegation.

Senator Lager offered the following concurrent resolution:

SENATE CONCURRENT RESOLUTION NO. 52

WHEREAS, the Missouri State government is an institution that is empowered by the will and consent of the people of Missouri; and

WHEREAS, the elected and appointed officials of the state of Missouri must recognize that the tax dollars expended by the state belong to the people of the state; and

WHEREAS, during the spring of 2009, for the 2008 tax year, Missouri state taxpayers did not receive their tax refunds in a timely manner; and

WHEREAS, taxpayers were told by the Department of Revenue that there were processing delays and there were not enough staff to handle requests; and

WHEREAS, however, the monies that are rightly owed back to the taxpayers, were held at length without the consent of the taxpayers to cover budget shortfalls; and

WHEREAS, many tax refunds were not completed until the late summer of 2009; and

WHEREAS, while taxpayers are held to their obligations to pay taxes on time, the state did not honor the obligation to return taxpayer money to the taxpayers in a timely fashion; and

WHEREAS, tax refunds are the result of overpayment of taxes and those overpayments do not belong to the state, but to the people:

NOW THEREFORE BE IT RESOLVED that the members of the Missouri Senate, Ninety-fifth General Assembly, Second Regular Session, the House of Representatives concurring therein, recognizes that tax refunds lawfully belong to the people and that the Governor and the Department of Revenue must ensure that income tax refunds are processed and returned in a timely manner, that the tax dollars owed to the people are not to be used under false pretenses; and

BE IT FURTHER RESOLVED that the Secretary of the Missouri Senate be instructed to prepare properly inscribed copies of this resolution for the Governor and the Director of the Department of Revenue.

REPORTS OF STANDING COMMITTEES

Senator Shields, Chairman of the Committee on Gubernatorial Appointments, submitted the following reports, reading of which was waived:

Mr. President: Your Committee on Gubernatorial Appointments, to which were referred the following appointments and reappointment, begs leave to report that it has considered the same and recommends that

the Senate do give its advice and consent to the following:

Daniel Osborn and Benjamin Lampert, Republicans, as members of the State Board of Registration for the Healing Arts;

Also,

Devorah Goldenberg, as a member of the Holocaust Education and Awareness Commission;

Also,

Teresa M. Wallace, as a member of the Child Abuse and Neglect Review Board;

Also,

Christopher E. Egbert, as a member of the Corrections Officer Certification Commission;

Also,

Kenneth Meyer, as a member of the Missouri Wine and Grape Board;

Also,

Donald Yarber, Democrat, as a member of the Missouri Public Entity Risk Management Board of Trustees;

Also,

David Zimmermann and Jack Baker, Democrats, as members of the Air Conservation Commission.

Senator Shields requested unanimous consent of the Senate to vote on the above reports in one motion. There being no objection, the request was granted.

Senator Shields moved that the committee reports be adopted, and the Senate do give its advice and consent to the above appointments and reappointment, which motion prevailed.
