35 2. [The] **All election authority costs associated with the**
36 **implementation of the photo identification requirements of this section**
37 **shall be reimbursed from the general revenue of this state by an**
38 **appropriation for that purpose. If there is no appropriation of state**
39 **funds, then election authorities shall not enforce the photo**

41 3. **Each** election authority shall post a clear and conspicuous notice at
42 each polling place informing each voter who appears at the polling place without
43 a form of personal identification that satisfies the requirements of [subsection 1
44 of] this section that the voter may return to the polling place with a proper form
45 of personal identification and vote a regular ballot after election judges have
46 verified the voter's identity and eligibility under [subsection 1 of] this section. In
47 addition to such posting, the election judges **at each polling place** may also
48 inform such voters by written or oral communication of such information posted
49 in the notice. Voters who return to the polling place during the uniform polling
50 hours established by section 115.407 with a current and valid form of personal
51 identification shall be given priority in any voting lines.

52 [3.] 4. An individual who appears at a polling place without **a form of**
53 **personal** identification [in the form] described in [subsection 1 of] this section
54 and who is otherwise qualified to vote at that polling place may execute an

55 affidavit averring that the voter is the person listed in the precinct register [and
56 that the voter], does not possess a form of **personal** identification specified in
57 this section and is unable to obtain a current and valid form of personal

64 (3) A sincerely held religious belief against the forms of personal
65 identification described in [subsection 1 of] this section; or

66 [(3)] (4) The voter being born on or before January 1, 1941.

67 Upon executing such affidavit, the individual may cast a provisional
68 ballot. Such provisional ballot shall be counted, provided the election authority
69 verifies the identity of the individual by comparing that individual's signature to
70 the signature on file with the election authority and determines that the
71 individual was eligible to cast a ballot at the polling place where the ballot was
72 cast.

73 [4.] 5. The affidavit to be used for voting under subsection 3 of this
74 section shall be substantially in the following form:

75 "State of

76 County of

77 I do solemnly swear (or affirm) that my name is; that I
78 reside at; and that I am the person listed in the

95 [5.] 6. A voter shall be allowed to cast a provisional ballot under section
96 115.430 even if the election judges cannot establish the voter's identity **and**
97 **eligibility** under [subsection 1 of] this section. The election judges shall make
98 a notation on the provisional ballot envelope to indicate that the voter's identity
99 was not verified. The provisional ballot cast by such voter shall not be counted
100 unless:

101 (1) The voter returns to the polling place during the uniform polling hours
102 established by section 115.407 and provides a form of personal identification that
103 allows the election judges to verify the voter's identity as provided in [subsection
104 1 of] this section; and

105 (2) The provisional ballot otherwise qualifies to be counted under section
106 115.430.

107 [6.] 7. The [secretary of state] **election authority** shall provide advance
108 notice of the personal identification requirements of [subsection 1 of] this section

111 section[. Such advance notice shall include, at a minimum, the use of
112 advertisements and public service announcements in print, broadcast television,
113 radio, and cable television media, as well as the posting of information on the
114 opening pages of the official state Internet websites of the secretary of state and
115 governor] **to be included in the notice required under sections 115.127**
116 **and 115.129.**

117 [7.] 8. The provisions of section 136.055 and section 302.181
118 notwithstanding, **the state shall provide at least one such form of the**
119 **personal identification required to vote at no cost to any otherwise**
120 **qualified voter who does not already possess such identification and**
121 **who desires the identification in order to vote.** Any applicant who
122 requests a nondriver's license with a photograph or digital image for the purpose
123 of voting shall not be required to pay a fee if the applicant executes an affidavit
124 averring that the applicant does not have any other form of [photographic]
125 personal identification that meets the requirements of [subsection 1 of] this

126 section. The state of Missouri shall pay the legally required fees for any such
 127 applicant. The director shall design an affidavit to be used for this
 128 purpose. [However, any disabled or elderly person otherwise competent to vote
 129 shall be issued a nondriver's license photo identification through a mobile
 130 processing system operated by the Missouri department of revenue upon request
 131 if the individual is physically unable to otherwise obtain a nondriver's license
 132 photo identification. The department of revenue shall make nondriver's license
 133 photo identifications available through its mobile processing system only at
 134 facilities licensed under chapter 198 and other public places accessible to and
 135 frequented by disabled and elderly persons. The department shall provide
 136 advance notice of the times and places when the mobile processing system will be
 137 available. At least nine mobile units housed under the office of administration
 138 shall remain available for dispatch upon the request of the department of revenue
 139 to fulfill the requirements of this section.] The total cost associated with
 140 nondriver's license photo identification under this subsection shall be borne by
 141 the state of Missouri from funds appropriated to the department of revenue for
 142 that specific purpose. The department of revenue and a local election authority
 143 may enter into a contract that allows the local election authority to assist the
 144 department in issuing nondriver's license photo identifications.

145 [8.] 9. The director of the department of revenue shall, by January first
 146 of each year, prepare and deliver to each member of the general assembly a report
 147 documenting the number of individuals who have requested and received a
 148 nondriver's license photo identification for the purposes of voting under this
 149 section. The report shall also include the number of persons requesting a
 150 nondriver's license for purposes of voting under this section, but not receiving
 151 such license, and the reason for the denial of the nondriver's license.

152 [9.] 10. The precinct register shall serve as the voter identification
 153 certificate. The following form shall be printed at the top of each page of the
 154 precinct register:

166 provisions of this section.

167 [11.] 12. Any rule or portion of a rule, as that term is defined in section
168 536.010, that is created under the authority delegated in this section shall
169 become effective only if it complies with and is subject to all of the provisions of
170 chapter 536 and, if applicable, section 536.028. This section and chapter 536 are
171 nonseverable and if any of the powers vested with the general assembly pursuant
172 to chapter 536 to review, to delay the effective date or to disapprove and annul
173 a rule are subsequently held unconstitutional, then the grant of rulemaking
174 authority and any rule proposed or adopted after August 28, 2002, shall be
175 invalid and void.

176 [12.] 13. If any voter is unable to sign his name at the appropriate place
177 on the certificate or computer printout, an election judge shall print the name and
178 address of the voter in the appropriate place on the precinct register, the voter
179 shall make his mark in lieu of signature, and the voter's mark shall be witnessed
180 by the signature of an election judge.

181 [13. For any election held on or before November 1, 2008, an individual
182 who appears at a polling place without identification in the form described in
183 subsection 1 of this section, and who is otherwise qualified to vote at that polling
184 place, may cast a provisional ballot after:

185 (1) Executing an affidavit which is also signed by two supervising election
186 judges, one from each major political party, who attest that they have personal
187 knowledge of the identity of the voter, provided that the two supervising election
188 judges who sign an affidavit under this subdivision shall not be involved or
189 participate in the verification of the voter's eligibility by the election authority
190 after the provisional ballot is cast; or

191 (2) (a) Executing an affidavit affirming his or her identity; and

192 (b) Presenting a form of identification from the following list:

196 thereof;

197 c. Identification issued by an institution of higher education, including a

198 university, college, vocational and technical school, located within the state of

200 d. A copy of a current utility bill, bank statement, government check,
201 paycheck, or other government document that contains the name and address of
202 the voter; or

203 e. Driver's license or state identification card issued by another
204 state. Such provisional ballot shall be entitled to be counted, provided the
205 election authority verifies the identity of the individual by comparing that
206 individual's signature to the current signature on file with the election authority
207 and determines that the individual was otherwise eligible to cast a ballot at the
208 polling place where the ballot was cast.

209 14. The affidavit to be used for voting under subsection 13 of this section
210 shall be substantially in the following form:

211 "State of

223 15. The provisions of subsections 1 to 5 and 8 to 14 of this section shall

224 become effective August 28, 2006, and this subsection shall expire September 1,

6 (1) A voter claiming to be properly registered in the jurisdiction of the
7 election authority and eligible to vote in an election, but whose eligibility at that
8 precinct cannot be immediately established upon examination of the precinct

9 register, shall be entitled to vote a provisional ballot after providing a form of
10 personal identification required pursuant to section 115.427 or upon executing an
11 affidavit under section 115.427, or may vote at a central polling place as
12 established in section 115.115 where the voter may vote his or her appropriate
13 ballot for his or her precinct of residence upon verification of eligibility or vote a
14 provisional ballot if eligibility cannot be determined. The provisional ballot
15 provided to a voter under this section shall be the ballot provided to a resident
16 of the voter's precinct determined by reference to the affidavit provided for in this
17 section. If the voter declares that the voter is eligible to vote and the election
18 authority determines that the voter is eligible to vote at another polling place, the
19 voter shall be directed to the correct polling place or a central polling place as
20 established by the election authority pursuant to subsection 5 of section 115.115.
21 If the voter refuses to go to the correct polling place or a central polling place, the
22 voter shall be permitted to vote a provisional ballot at the incorrect polling place,
23 but such ballot shall not be counted if the voter was not eligible to vote at that
24 polling place.

25 (2) The following steps shall be taken to establish a voter's eligibility to
26 vote at a polling place:

27 (a) The election judge shall examine the precinct register as provided in
28 section 115.425. If the voter is registered and eligible to vote at the polling place,
29 the voter shall receive a regular ballot;

30 (b) If the voter's eligibility cannot be immediately established by
31 examining the precinct register, the election judge shall contact the election
32 authority. If the election authority cannot immediately establish that the voter
33 is registered and eligible to vote at the polling place upon examination of the
34 Missouri voter registration system, or if the election judge is unable to make
35 contact with the election authority immediately, the voter shall be notified that
36 the voter is entitled to a provisional ballot.

37 (3) The voter shall have the duty to appear and vote at the correct polling
38 place. If an election judge determines that the voter is not eligible to vote at the
39 polling place at which a voter presents himself or herself, and if the voter appears
40 to be eligible to vote at another polling place, the voter shall be informed that he
41 or she may cast a provisional ballot at the current polling place or may travel to
42 the correct polling place or a central polling place, as established by the election
43 authority under subsection 5 of section 115.115, where the voter may cast a
44 regular ballot or provisional ballot if the voter's eligibility still cannot be

45 determined. Provisional ballots cast at a polling place shall be counted only if the
46 voter was eligible to vote at such polling place as provided in subsection 5 of this
47 section.

48 (4) For a voter requesting an absentee ballot in person, such voter shall
49 be entitled to cast a provisional ballot when the voter's eligibility cannot be
50 immediately established upon examination of the precinct registers or the
51 Missouri voter registration system.

52 (5) Prior to accepting any provisional ballot at the polling place, the
53 election judges shall determine that the information provided on the provisional
54 ballot envelope by the provisional voter is consistent with the identification
55 provided by such person under section 115.427.

56 [3.] 2. (1) No person shall be entitled to receive a provisional ballot until
57 such person has completed a provisional ballot affidavit on the provisional ballot
58 envelope.

59 (2) The secretary of state shall produce appropriate sizes of provisional
60 ballot envelopes and distribute them to each election authority according to their
61 tabulating system. All provisional ballot envelopes shall be printed on a
62 distinguishable color of paper that is different from the color of the regular
63 ballot. The provisional ballot envelope shall be in the form required by
64 subsection 4 of this section. All provisional ballots shall be marked with a
65 conspicuous stamp or other distinguishing mark that makes them readily
66 distinguishable from the regular ballots.

67 (3) Once voted, the provisional ballot shall be placed and sealed in a
68 provisional ballot envelope.

69 [4.] 3. The provisional ballot in its envelope shall be deposited in the
70 ballot box. The provisional ballot envelope shall be completed by the voter for use
71 in determining eligibility. The provisional ballot envelope specified in this section
72 shall contain a voter's certificate which shall be in substantially the following
73 form:

79 registered to vote in County or City (if a City not within a
80 County), Missouri; that I am a qualified voter of said County (or City not within

81 a County); that I am eligible to vote at this polling place; and that I have not
82 voted in this election.

83 I understand that if the above-provided information is not correct and the
84 election authority determines that I am not registered and eligible to vote, my
85 vote will not be counted. I further understand that knowingly providing false
86 information is a violation of law and subjects me to possible criminal prosecution.

94 The voter may provide additional information to further assist the election
95 authority in determining eligibility, including the place and date the voter
96 registered to vote, if known.

97 [5.] 4. (1) Prior to counting any provisional ballot, the election authority
98 shall determine if the voter is registered and eligible to vote and if the vote was
99 properly cast. The eligibility of provisional votes shall be determined according
100 to the requirements for a voter to cast a ballot in the election as set forth in
101 sections 115.133 and 115.135. A provisional voter ballot shall not be eligible to
102 be counted until the election authority has determined that:

103 (a) The voter cast such provisional ballot at a polling place established for
104 the voter or the central polling place established by the election authority under
105 subsection 5 of section 115.115;

106 (b) The individual who cast the provisional ballot is an individual
107 registered to vote in the respective election at the polling place where the ballot
108 was cast;

109 (c) The voter did not otherwise vote in the same election by regular ballot,
110 absentee ballot, or otherwise; and

111 (d) The information on the provisional ballot envelope is found to be
112 correct, complete, and accurate.

113 (2) When the ballot boxes are delivered to the election authority from the
114 polling places, the receiving teams shall separate the provisional ballots from the
115 rest of the ballots and place the sealed provisional ballot envelopes in a separate
116 container. Teams of election authority employees or teams of election judges with

117 each team consisting of one member of each major political party shall photocopy
118 each provisional ballot envelope, such photocopy to be used by the election
119 authority to determine provisional voter eligibility. The sealed provisional ballot
120 envelopes shall be placed by the team in a sealed container and shall remain
121 therein until tabulation.

122 (3) To determine whether a provisional ballot is valid and entitled to be
123 counted, the election authority shall examine its records and verify that the
124 provisional voter is properly registered and eligible to vote in the election. If the
125 provisional voter has provided information regarding the registration agency
126 where the provisional voter registered to vote, the election authority shall make
127 an inquiry of the registration agency to determine whether the provisional voter
128 is properly registered and eligible to vote in the election.

129 (4) If the election authority determines that the provisional voter is
130 registered and eligible to vote in the election, the election authority shall provide
131 documentation verifying the voter's eligibility. Such documentation shall be
132 noted on the copy of the provisional ballot envelope and shall contain
133 substantially the following information:

134 (a) The name of the provisional voter;

135 (b) The name of the reviewer;

136 (c) The date and time; and

137 (d) A description of evidence found that supports the voter's eligibility.

138 (5) The local election authority shall record on a provisional ballot
139 acceptance/rejection list the provisional ballot identification number and a
140 notation marking it as accepted.

141 (6) If the election authority determines that the provisional voter is not
142 registered or eligible to vote in the election, the election authority shall provide
143 documentation verifying the voter's ineligibility. Such documentation shall be
144 noted on the copy of the provisional ballot envelope and shall contain
145 substantially the following information:

146 (a) The name of the provisional voter;

147 (b) The name of the reviewer;

148 (c) The date and time;

149 (d) A description of why the voter is ineligible.

150 (7) The local election authority shall record on a provisional ballot
151 acceptance/rejection list the provisional ballot identification number and notation
152 marking it as rejected.

153 (8) If rejected, a photocopy of the envelope shall be made and used by the
154 election authority as a mail-in voter registration. The actual provisional ballot
155 envelope shall be kept as ballot material, and the copy of the envelope shall be
156 used by the election authority for registration record keeping.

157 [6.] 5. All provisional ballots cast by voters whose eligibility has been
158 verified as provided in this section shall be counted in accordance with the rules
159 governing ballot tabulation. Provisional ballots shall not be counted until all
160 provisional ballots are determined either eligible or ineligible and all provisional
161 ballots must be processed before the election is certified. The provisional ballot
162 shall be counted only if the election authority determines that the voter is
163 registered and eligible to vote. Provisional ballots voted in the wrong polling
164 place shall not be counted. If the voter is not registered but is qualified to
165 register for future elections, the affidavit shall be considered a mail-in application
166 to register to vote pursuant to this chapter.

167 [7.] 6. (1) After the election authority completes its review of the
168 provisional voter's eligibility under subsection 5 of this section, the election
169 authority shall deliver the provisional ballots and copies of the provisional ballot
170 envelopes that include eligibility information to bipartisan counting teams, which
171 may be the board of verification, for review and tabulation. The election
172 authority shall maintain a record of such delivery. The record shall include the
173 number of ballots delivered to each team and shall include a signed receipt from
174 two judges, one from each major political party. The election authority shall
175 provide each team with a ballot box and material necessary for tabulation.

176 (2) If the person named on the provisional ballot affidavit is found to have
177 been properly qualified and registered to cast a ballot in the election and the
178 provisional ballot otherwise qualifies to be counted under the provisions of this
179 section, the envelope shall be opened, and the ballot shall be placed in a ballot
180 box to be counted.

181 (3) If the person named on the provisional ballot affidavit is found not to
182 have been properly qualified and registered to cast a ballot in the election or if
183 the election authority is unable to determine such person's right to vote, the
184 envelope containing the provisional ballot shall not be opened, and the person's
185 vote shall not be counted. The members of the team shall follow the procedures
186 set forth in subsection 5 of this section for rejected provisional ballots.

187 (4) The votes shall be tallied and the returns made as provided in sections
188 115.447 to 115.525 for paper ballots. After the vote on all ballots assigned to a

189 team have been counted, the ballots, ballot envelopes, and copies of ballot
190 envelopes with the eligibility information provided by the election authority shall
191 be enclosed in sealed containers marked "Voted provisional ballots and ballot
192 envelopes from the election held, 20...". All rejected provisional ballots,
193 ballot envelopes, and copies of ballot envelopes with the eligibility information
194 provided by the election authority shall be enclosed in sealed containers marked
195 "Rejected provisional ballots and ballot envelopes from the election held
196, 20...". On the outside of each voted ballot and rejected ballot
197 container, each member of the team shall write their name and all such
198 containers shall be returned to the election authority. Upon receipt of the returns
199 and ballots, the election authority shall tabulate the provisional votes.

200 [8.] 7. Challengers and watchers, as provided by sections 115.105 and
201 115.107, may be present during all times that the bipartisan counting teams are
202 reviewing or counting the provisional ballots, the provisional ballot envelopes, or
203 copies of the provisional ballot envelopes that include eligibility information
204 provided by the election authority. Challengers and watchers shall be permitted
205 to observe the determination of the eligibility of all provisional ballots. The
206 election authority shall notify the county chair of each major political party of the
207 time and location when bipartisan counting teams will be reviewing or counting
208 the provisional ballots, the provisional ballot envelopes, or the copies of the
209 provisional ballot envelopes that include the eligibility information provided by
210 the election authority.

211 [9.] 8. The certificate of ballot cards shall:

- 212 (1) Reflect the number of provisional envelopes delivered; and
213 (2) Reflect the number of sealed provisional envelopes with voted ballots
214 deposited in the ballot box.
