“302.291. 1. The director, having good cause to believe that an operator is incompetent or unqualified to retain his or her license, after giving ten days’ notice in writing by certified mail directed to such person’s present known address, may require the person to submit to an examination as prescribed by the director. Upon conclusion of the examination, the director may allow the person to retain his or her license, may suspend, deny or revoke the person’s license, or may issue the person a license subject to restrictions as provided in section 302.301. If an examination indicates a condition that potentially impairs safe driving, the director, in addition to action with respect to the license, may require the person to submit to further periodic examinations. The refusal or neglect of the person to submit to an examination within thirty days after the date of such notice shall be grounds for suspension, denial or revocation of the person’s license by the director, an associate circuit or circuit court. Notice of any suspension, denial, revocation or other restriction shall be provided by certified mail. As used in this section, the term “denial” means the act of not licensing a person who is currently suspended, revoked or otherwise not licensed to operate a motor vehicle. Denial may also include the act of withdrawing a previously issued license.

2. The examination provided for in subsection 1 of this section may include, but is not limited to, a written test and tests of driving skills, vision, highway sign recognition and, if appropriate, a physical and/or mental examination as provided in section 302.173.

3. The director shall have good cause to believe that an operator is incompetent or unqualified to retain such person’s license on the basis of, but not limited to, a report by:

(1) Any certified peace officer;

(2) Any physician, physical therapist or occupational therapist licensed pursuant to chapter 334; any chiropractic physician licensed pursuant to chapter 331; any registered nurse licensed pursuant to chapter 335; any psychologist, social worker or professional counselor licensed pursuant to chapter 337; any optometrist licensed pursuant to chapter 336; **any emergency medical technician licensed pursuant to chapter 190**; or

(3) Any member of the operator’s family within three degrees of consanguinity, or the operator’s spouse, who has reached the age of eighteen, except that no person may report the same family member pursuant to this section more than one time during a twelve-month period. The report must state that the person reasonably and in good faith believes the driver cannot safely operate a motor vehicle and must be based upon personal observation or physical evidence which shall be described in the report, or the report shall be based upon an investigation by a law enforcement officer. The report shall be a written declaration in the form prescribed by the department of revenue and shall contain the name, address, telephone number, and signature of the person making the report.

4. Any physician, physical therapist or occupational therapist licensed pursuant to chapter 334, any chiropractor licensed pursuant to chapter 331, any registered nurse licensed pursuant to chapter 335, any psychologist, social worker or professional counselor licensed pursuant to chapter 337, or any optometrist licensed pursuant to chapter 336, **or any emergency medical technician licensed pursuant to chapter 190** may report to the department any patient diagnosed or assessed as having a disorder or condition that may prevent such person from safely operating a motor vehicle. Such report shall state the diagnosis or

assessment and whether the condition is permanent or temporary. The existence of a physician-patient relationship shall not prevent the making of a report by such medical professionals.

5. Any person who makes a report in good faith pursuant to this section shall be immune from any civil liability that otherwise might result from making the report. Notwithstanding the provisions of chapter 610 to the contrary, all reports made and all medical records reviewed and maintained by the department of revenue pursuant to this section shall be kept confidential except upon order of a court of competent jurisdiction or in a review of the director's action pursuant to section 302.311.

6. The department of revenue shall keep records and statistics of reports made and actions taken against driver's licenses pursuant to this section.

7. The department of revenue shall, in consultation with the medical advisory board established by section 302.292, develop a standardized form and provide guidelines for the reporting of cases and for the examination of drivers pursuant to this section. The guidelines shall be published and adopted as required for rules and regulations pursuant to chapter 536. The department of revenue shall also adopt rules and regulations as necessary to carry out the other provisions of this section. The director of revenue shall provide health care professionals and law enforcement officers with information about the procedures authorized in this section. The guidelines and regulations implementing this section shall be in compliance with the federal Americans with Disabilities Act of 1990.

8. Any person who knowingly violates a confidentiality provision of this section or who knowingly permits or encourages the unauthorized use of a report or reporting person's name in violation of this section shall be guilty of a class A misdemeanor and shall be liable for damages which proximately result.

9. Any person who intentionally files a false report pursuant to this section shall be guilty of a class A misdemeanor and shall be liable for damages which proximately result.

10. All appeals of license revocations, suspensions, denials and restrictions shall be made as required pursuant to section 302.311 within thirty days after the receipt of the notice of revocation, suspension, denial or restriction.

11. Any individual whose condition is temporary in nature as reported pursuant to the provisions of subsection 4 of this section shall have the right to petition the director of the department of revenue for total or partial reinstatement of his or her license. Such request shall be made on a form prescribed by the department of revenue and accompanied by a statement from a health care provider with the same or similar license as the health care provider who made the initial report resulting in the limitation or loss of the driver's license. Such petition shall be decided by the director of the department of revenue within thirty days of receipt of the petition. Such decision by the director is appealable pursuant to subsection 10 of this section.”; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

determine Missouri taxable income for the tax year in which such deduction is claimed;

(2) “Made in America”, manufactured or produced within the United States of America or, if premanufactured, having a fair market value at least seventy percent of which results from domestic labor and materials;

(3) “Storm shelter”, an above-ground safe room or an in-ground shelter in this state in the taxpayer’s primary residence or on the taxpayer’s real property that protects from injury or death caused by dangerous and extreme windstorms, that is in compliance with the requirements established in the Federal Emergency Management Agency’s Publication 320 or its successor publication in effect at the time the storm shelter was completed, and that is made in America;

(4) “Taxpayer”, any individual who is a resident of this state and who is subject to the income tax imposed in this chapter.

2. In addition to all deductions listed in this chapter, for all taxable years beginning on or after January 1, 2014, a taxpayer shall be allowed a deduction for the costs incurred in constructing or installing a storm shelter. The deduction amount shall be equal to the lesser of the full amount of the costs incurred in constructing the storm shelter or two thousand five hundred dollars. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly under chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2013, shall be invalid and void.

(1) That portion of taxes, penalties and interest levied upon each taxable lot, block, tract, or parcel of real property which is attributable to the initial equalized assessed value of each such taxable lot, block, tract, or parcel of real property in the area selected for the redevelopment project shall be allocated to and, when collected, shall be paid by the county collector to the respective affected taxing districts in the manner required by law in the absence of the adoption of tax increment allocation financing;

(2) (a) Payments in lieu of taxes attributable to the increase in the current equalized assessed valuation

of each taxable lot, block, tract, or parcel of real property in the area selected for the redevelopment project and any applicable penalty and interest over and above the initial equalized assessed value of each such unit of property in the area selected for the redevelopment project shall be allocated to and, when collected, shall be paid to the municipal treasurer who shall deposit such payment in lieu of taxes into a special fund called the "Special Allocation Fund" of the municipality for the purpose of paying redevelopment costs and obligations incurred in the payment thereof. Payments in lieu of taxes which are due and owing shall constitute a lien against the real estate of the redevelopment project from which they are derived and shall be collected in the same manner as the real property tax, including the assessment of penalties and interest where applicable. The municipality may, in the ordinance, pledge the funds in the special allocation fund for the payment of such costs and obligations and provide for the collection of payments in lieu of taxes, the lien of which may be foreclosed in the same manner as a special assessment lien as provided in section 88.861. No part of the current equalized assessed valuation of each lot, block, tract, or parcel of property in the area selected for the redevelopment project attributable to any increase above the total initial equalized assessed value of such properties shall be used in calculating the general state school aid formula provided for in section 163.031 until such time as all redevelopment costs have been paid as provided for in this section and section 99.850;

(b) Notwithstanding any provisions of this section to the contrary, for purposes of determining the limitation on indebtedness of local government pursuant to article VI, section 26(b) of the Missouri Constitution, the current equalized assessed value of the property in an area selected for redevelopment attributable to the increase above the total initial equalized assessed valuation shall be included in the value of taxable tangible property as shown on the last completed assessment for state or county purposes;

(c) The county assessor shall include the current assessed value of all property within the taxing district in the aggregate valuation of assessed property entered upon the assessor's book and verified pursuant to section 137.245, and such value shall be utilized for the purpose of the debt limitation on local government pursuant to article VI, section 26(b) of the Missouri Constitution;

(3) For purposes of this section, "levies upon taxable real property in such redevelopment project by taxing districts" shall not include the blind pension fund tax levied under the authority of article III, section 38(b) of the Missouri Constitution, or the merchants' and manufacturers' inventory replacement tax levied under the authority of subsection 2 of section 6 of article X of the Missouri Constitution, except in redevelopment project areas in which tax increment financing has been adopted by ordinance pursuant to a plan approved by vote of the governing body of the municipality taken after August 13, 1982, and before January 1, 1998.

2. In addition to the payments in lieu of taxes described in subdivision (2) of subsection 1 of this section, for redevelopment plans and projects adopted or redevelopment projects approved by ordinance after July 12, 1990, and prior to August 31, 1991, fifty percent of the total additional revenue from taxes, penalties and interest imposed by the municipality, or other taxing districts, which are generated by economic activities within the area of the redevelopment project over the amount of such taxes generated by economic activities within the area of the redevelopment project in the calendar year prior to the adoption of the redevelopment project by ordinance, while tax increment financing remains in effect, but excluding taxes imposed on sales or charges for sleeping rooms paid by transient guests of hotels and motels, taxes levied pursuant to section 70.500, licenses, fees or special assessments other than payments in lieu of taxes and any penalty and interest thereon, or, effective January 1, 1998, taxes levied pursuant to section 94.660, for the purpose of public transportation, shall be allocated to, and paid by the local political subdivision

collecting officer to the treasurer or other designated financial officer of the municipality, who shall deposit such funds in a separate segregated account within the special allocation fund. Any provision of an agreement, contract or covenant entered into prior to July 12, 1990, between a municipality and any other political subdivision which provides for an appropriation of other municipal revenues to the special allocation fund shall be and remain enforceable.

3. In addition to the payments in lieu of taxes described in subdivision (2) of subsection 1 of this section, for redevelopment plans and projects adopted or redevelopment projects approved by ordinance after August 31, 1991, fifty percent of the total additional revenue from taxes, penalties and interest which are imposed by the municipality or other taxing districts, and which are generated by economic activities within the area of the redevelopment project over the amount of such taxes generated by economic activities within the area of the redevelopment project in the calendar year prior to the adoption of the redevelopment project by ordinance, while tax increment financing remains in effect, but excluding personal property taxes, taxes imposed on sales or charges for sleeping rooms paid by transient guests of hotels and motels, taxes levied pursuant to section 70.500, taxes levied for the purpose of public transportation pursuant to section 94.660, licenses, fees or special assessments other than payments in lieu of taxes and penalties and interest thereon, [or] any sales tax imposed by a county with a charter form of government and with more than six hundred thousand but fewer than seven hundred thousand inhabitants, for the purpose of sports stadium improvement or levied by such county under section 238.410 for the purpose of the county transit authority operating transportation facilities, **or for redevelopment plans and projects adopted or redevelopment projects approved by ordinance after August 28, 2013, taxes imposed on sales under section 650.399 for the purpose of emergency communication systems**, shall be allocated to, and paid by the local political subdivision collecting officer to the treasurer or other designated financial officer of the municipality, who shall deposit such funds in a separate segregated account within the special allocation fund.

4. Beginning January 1, 1998, for redevelopment plans and projects adopted or redevelopment projects approved by ordinance and which have complied with subsections 4 to 12 of this section, in addition to the payments in lieu of taxes and economic activity taxes described in subsections 1, 2 and 3 of this section, up to fifty percent of the new state revenues, as defined in subsection 8 of this section, estimated for the businesses within the project area and identified by the municipality in the application required by subsection 10 of this section, over and above the amount of such taxes reported by businesses within the project area as identified by the municipality in their application prior to the approval of the redevelopment project by ordinance, while tax increment financing remains in effect, may be available for appropriation by the general assembly as provided in subsection 10 of this section to the department of economic development supplemental tax increment financing fund, from the general revenue fund, for distribution to the treasurer or other designated financial officer of the municipality with approved plans or projects.

5. The treasurer or other designated financial officer of the municipality with approved plans or projects shall deposit such funds in a separate segregated account within the special allocation fund established pursuant to section 99.805.

6. No transfer from the general revenue fund to the Missouri supplemental tax increment financing fund shall be made unless an appropriation is made from the general revenue fund for that purpose. No municipality shall commit any state revenues prior to an appropriation being made for that project. For all redevelopment plans or projects adopted or approved after December 23, 1997, appropriations from the new state revenues shall not be distributed from the Missouri supplemental tax increment financing fund into the special allocation fund unless the municipality's redevelopment plan ensures that one hundred percent

of payments in lieu of taxes and fifty percent of economic activity taxes generated by the project shall be used for eligible redevelopment project costs while tax increment financing remains in effect. This account shall be separate from the account into which payments in lieu of taxes are deposited, and separate from the account into which economic activity taxes are deposited.

7. In order for the redevelopment plan or project to be eligible to receive the revenue described in subsection 4 of this section, the municipality shall comply with the requirements of subsection 10 of this section prior to the time the project or plan is adopted or approved by ordinance. The director of the department of economic development and the commissioner of the office of administration may waive the requirement that the municipality's application be submitted prior to the redevelopment plan's or project's adoption or the redevelopment plan's or project's approval by ordinance.

In no event shall the incremental increase include any amounts attributable to retail sales unless the municipality or authority has proven to the Missouri development finance board and the department of economic development and such entities have made a finding that the sales tax increment attributable to retail sales is from new sources which did not exist in the state during the baseline year. (1) The director of the department of economic development or his or her designee and the commissioner of the office of administration or his or her designee have approved a tax increment financing application made by the municipality for the appropriation of the new state revenues. The municipality shall include in the application the following items in addition to the items in section 99.810:

(a) The tax increment financing district or redevelopment area, including the businesses identified within the redevelopment area;

commissioner of the office of administration or his or her designee shall issue a certificate of approval. The department of economic development may request the appropriation following application approval;

(3) The appropriation shall be either a portion of the estimate of the incremental increase in the general revenue portion of state sales tax revenues in the redevelopment area or a portion of the estimate of the state income tax withheld by the employer on behalf of new employees who fill new jobs created in the redevelopment area as indicated in the municipality's application, approved by the director of the department of economic development or his or her designee and the commissioner of the office of administration or his or her designee. “99.845. 1. A municipality, either at the time a redevelopment project is approved or, in the event a municipality has undertaken acts establishing a redevelopment plan and redevelopment project and has designated a redevelopment area after the passage and approval of sections 99.800 to 99.865 but prior to August 13, 1982, which acts are in conformance with the procedures of sections 99.800 to 99.865, may adopt tax increment allocation financing by passing an ordinance providing that after the total equalized assessed valuation of the taxable real property in a redevelopment project exceeds the certified total initial equalized assessed valuation of the taxable real property in the redevelopment project, the ad valorem taxes, and payments in lieu of taxes, if any, arising from the levies upon taxable real property in such redevelopment project by taxing districts and tax rates determined in the manner provided in subsection 2 of section 99.855 each year after the effective date of the ordinance until redevelopment costs have been paid shall be divided as follows:

(1) That portion of taxes, penalties and interest levied upon each taxable lot, block, tract, or parcel of real property which is attributable to the initial equalized assessed value of each such taxable lot, block, tract, or parcel of real property in the area selected for the redevelopment project shall be allocated to and, when collected, shall be paid by the county collector to the respective affected taxing districts in the manner required by law in the absence of the adoption of tax increment allocation financing;

(2) (a) Payments in lieu of taxes attributable to the increase in the current equalized assessed valuation of each taxable lot, block, tract, or parcel of real property in the area selected for the redevelopment project and any applicable penalty and interest over and above the initial equalized assessed value of each such unit of property in the area selected for the redevelopment project shall be allocated to and, when collected, shall be paid to the municipal treasurer who shall deposit such payment in lieu of taxes into a special fund called the “Special Allocation Fund” of the municipality for the purpose of paying redevelopment costs and obligations incurred in the payment thereof. Payments in lieu of taxes which are due and owing shall constitute a lien against the real estate of the redevelopment project from which they are derived and shall be collected in the same manner as the real property tax, including the assessment of penalties and interest where applicable, **except that if a political subdivision increases its rate of property taxation after the adoption of the redevelopment project said additional taxation revenues shall not be considered to be payment in lieu of taxes subject to capture under this section.** The municipality may, in the ordinance, pledge the funds in the special allocation fund for the payment of such costs and obligations and provide for the collection of payments in lieu of taxes, the lien of which may be foreclosed in the same manner as a special assessment lien as provided in section 88.861. No part of the current equalized assessed valuation of each lot, block, tract, or parcel of property in the area selected for the redevelopment project attributable to any increase above the total initial equalized assessed value of such properties shall be used in calculating the general state school aid formula provided for in section 163.031 until such time as all redevelopment costs have been paid as provided for in this section and section 99.850;

(b) Notwithstanding any provisions of this section to the contrary, for purposes of determining the limitation on indebtedness of local government pursuant to article VI, section 26(b) of the Missouri Constitution, the current equalized assessed value of the property in an area selected for redevelopment attributable to the increase above the total initial equalized assessed valuation shall be included in the value of taxable tangible property as shown on the last completed assessment for state or county purposes;

(c) The county assessor shall include the current assessed value of all property within the taxing district in the aggregate valuation of assessed property entered upon the assessor's book and verified pursuant to section 137.245, and such value shall be utilized for the purpose of the debt limitation on local government pursuant to article VI, section 26(b) of the Missouri Constitution;

(3) For purposes of this section, "levies upon taxable real property in such redevelopment project by taxing districts" shall not include the blind pension fund tax levied under the authority of article III, section 38(b) of the Missouri Constitution, or the merchants' and manufacturers' inventory replacement tax levied under the authority of subsection 2 of section 6 of article X of the Missouri Constitution, except in redevelopment project areas in which tax increment financing has been adopted by ordinance pursuant to a plan approved by vote of the governing body of the municipality taken after August 13, 1982, and before January 1, 1998.

2. In addition to the payments in lieu of taxes described in subdivision (2) of subsection 1 of this section, for redevelopment plans and projects adopted or redevelopment projects approved by ordinance after July 12, 1990, and prior to August 31, 1991, fifty percent of the total additional revenue from taxes, penalties and interest imposed by the municipality, or other taxing districts, which are generated by economic activities within the area of the redevelopment project over the amount of such taxes generated by economic activities within the area of the redevelopment project in the calendar year prior to the adoption of the redevelopment project by ordinance, while tax increment financing remains in effect, but excluding taxes imposed on sales or charges for sleeping rooms paid by transient guests of hotels and motels, taxes levied pursuant to section 70.500, licenses, fees or special assessments other than payments in lieu of taxes and any penalty and interest thereon, or, effective January 1, 1998, taxes levied pursuant to section 94.660, for the purpose of public transportation, shall be allocated to, and paid by the local political subdivision collecting officer to the treasurer or other designated financial officer of the municipality, who shall deposit such funds in a separate segregated account within the special allocation fund. Any provision of an agreement, contract or covenant entered into prior to July 12, 1990, between a municipality and any other political subdivision which provides for an appropriation of other municipal revenues to the special allocation fund shall be and remain enforceable.

3. In addition to the payments in lieu of taxes described in subdivision (2) of subsection 1 of this section, for redevelopment plans and projects adopted or redevelopment projects approved by ordinance after August 31, 1991, fifty percent of the total additional revenue from taxes, penalties and interest which are imposed by the municipality or other taxing districts, and which are generated by economic activities within the area of the redevelopment project over the amount of such taxes generated by economic activities within the area of the redevelopment project in the calendar year prior to the adoption of the redevelopment project by ordinance, while tax increment financing remains in effect, but excluding personal property taxes, taxes imposed on sales or charges for sleeping rooms paid by transient guests of hotels and motels, taxes levied pursuant to section 70.500, taxes levied for the purpose of public transportation pursuant to section 94.660, licenses, fees or special assessments other than payments in lieu of taxes and penalties and interest thereon, or any sales tax imposed by a county with a charter form of government and with more than six hundred

thousand but fewer than seven hundred thousand inhabitants, for the purpose of sports stadium improvement or levied by such county under section 238.410 for the purpose of the county transit authority operating transportation facilities, shall be allocated to, and paid by the local political subdivision collecting officer to the treasurer or other designated financial officer of the municipality, who shall deposit such funds in a separate segregated account within the special allocation fund.

4. Beginning January 1, 1998, for redevelopment plans and projects adopted or redevelopment projects approved by ordinance and which have complied with subsections 4 to 12 of this section, in addition to the payments in lieu of taxes and economic activity taxes described in subsections 1, 2 and 3 of this section, up to fifty percent of the new state revenues, as defined in subsection 8 of this section, estimated for the businesses within the project area and identified by the municipality in the application required by subsection 10 of this section, over and above the amount of such taxes reported by businesses within the project area as identified by the municipality in their application prior to the approval of the redevelopment project by ordinance, while tax increment financing remains in effect, may be available for appropriation by the general assembly as provided in subsection 10 of this section to the department of economic development supplemental tax increment financing fund, from the general revenue fund, for distribution to the treasurer or other designated financial officer of the municipality with approved plans or projects.

5. The treasurer or other designated financial officer of the municipality with approved plans or projects shall deposit such funds in a separate segregated account within the special allocation fund established pursuant to section 99.805.

6. No transfer from the general revenue fund to the Missouri supplemental tax increment financing fund shall be made unless an appropriation is made from the general revenue fund for that purpose. No municipality shall commit any state revenues prior to an appropriation being made for that project. For all redevelopment plans or projects adopted or approved after December 23, 1997, appropriations from the new state revenues shall not be distributed from the Missouri supplemental tax increment financing fund into the special allocation fund unless the municipality's redevelopment plan ensures that one hundred percent of payments in lieu of taxes and fifty percent of economic activity taxes generated by the project shall be used for eligible redevelopment project costs while tax increment financing remains in effect. This account shall be separate from the account into which payments in lieu of taxes are deposited, and separate from the account into which economic activity taxes are deposited.

7. In order for the redevelopment plan or project to be eligible to receive the revenue described in subsection 4 of this section, the municipality shall comply with the requirements of subsection 10 of this section prior to the time the project or plan is adopted or approved by ordinance. The director of the department of economic development and the commissioner of the office of administration may waive the requirement that the municipality's application be submitted prior to the redevelopment plan's or project's adoption or the redevelopment plan's or project's approval by ordinance.

In no event shall the incremental increase include any amounts attributable to retail sales unless the municipality or authority has proven to the Missouri development finance board and the department of economic development and such entities have

made a finding that the sales tax increment attributable to retail sales is from new sources which did not exist in the state during the baseline year. (2) Was a historic hotel located in a county of the first classification without a charter form of government with a population according to the most recent federal decennial census in excess of one hundred fifty thousand and containing a portion of a city with a population according to the most recent federal decennial census in excess of three hundred fifty thousand.

10. The initial appropriation of up to fifty percent of the new state revenues authorized pursuant to subsections 4 and 5 of this section shall not be made to or distributed by the department of economic development to a municipality until all of the following conditions have been satisfied:

(1) The director of the department of economic development or his or her designee and the commissioner of the office of administration or his or her designee have approved a tax increment financing application made by the municipality for the appropriation of the new state revenues. The municipality shall include in the application the following items in addition to the items in section 99.810:

The isolated or occasional sale of tangible personal property, service, substance, or thing, by a person not engaged in such business, does not constitute engaging in business within the meaning of sections 144.010 to 144.525 unless the total amount of the gross receipts from such sales, exclusive of receipts from the sale of tangible personal property by persons which property is sold in the course of the partial or complete liquidation of a household, farm or nonbusiness enterprise, exceeds three thousand dollars in any calendar year. In determining any tax due under sections 144.010 to 144.525 on the gross receipts, charges incident to the extension of credit shall be specifically exempted. For the purposes of sections 144.010 to 144.525 the total amount of the sale price above mentioned shall be deemed to be the amount received. It shall also include the lease or rental consideration where the right to continuous possession or use of any article of tangible personal property is granted under a lease or contract and such transfer of possession would be taxable if outright sale were made and, in such cases, the same shall be taxable as if outright sale were made and considered as a sale of such article, and the tax shall be computed and paid by the lessee upon the rentals paid;

(5) “Livestock”, cattle, calves, sheep, swine, ratite birds, including but not limited to, ostrich and emu, aquatic products as defined in section 277.024, llamas, alpaca, buffalo, elk documented as obtained from a legal source and not from the wild, goats, horses, other equine, or rabbits raised in confinement for human consumption;

(10) “Sale” or “sales” includes installment and credit sales, and the exchange of properties as well as the sale thereof for money, every closed transaction constituting a sale, and means any transfer, exchange or barter, conditional or otherwise, in any manner or by any means whatsoever, of tangible personal property for valuable consideration and the rendering, furnishing or selling for a valuable consideration any of the substances, things and services herein designated and defined as taxable under the terms of sections 144.010 to 144.525;

(11) “Sale at retail” means any transfer made by any person engaged in business as defined herein of the ownership of, or title to, tangible personal property to the purchaser, for use or consumption and not for resale in any form as tangible personal property, for a valuable consideration; except that, for the purposes of sections 144.010 to 144.525 and the tax imposed thereby: (i) purchases of tangible personal property made by duly licensed physicians, dentists, optometrists and veterinarians and used in the practice of their professions shall be deemed to be purchases for use or consumption and not for resale; and (ii) the selling of computer printouts, computer output or microfilm or microfiche and computer-assisted photo compositions to a purchaser to enable the purchaser to obtain for his or her own use the desired information contained in such computer printouts, computer output on microfilm or microfiche and computer-assisted photo compositions shall be considered as the sale of a service and not as the sale of tangible personal property. 144.018. 1. Notwithstanding any other provision of law to the contrary, except as provided under subsection 2 or 3 of this section, when a purchase of tangible personal property or service subject to tax is made for the purpose of resale, such purchase shall be either exempt or excluded under this chapter if the subsequent sale is:

(1) Subject to a tax in this or any other state;

(2) For resale;

(3) Excluded from tax under this chapter;

(4) Subject to tax but exempt under this chapter; or

(5) Exempt from the sales tax laws of another state, if the subsequent sale is in such other state.

The purchase of tangible personal property by a taxpayer shall not be deemed to be for resale if such

property is used or consumed by the taxpayer in providing a service on which tax is not imposed by subsection 1 of section 144.020, except purchases made in fulfillment of any obligation under a defense contract with the United States government.

2. For purposes of subdivision (2) of subsection 1 of section 144.020, a place of amusement, entertainment or recreation, [including] **which shall only include games or athletic events, dance, theater, orchestra and other performing arts productions, commercial sports, spectator sports, gambling, racetracks, arcades, theme and amusement parks, water parks, circuses, carnivals, festivals, air shows, museums, marinas, motion picture theaters, and other commercial tourist attractions**, shall remit tax on the amount paid for admissions or seating accommodations, or fees paid to, or in such place of amusement, entertainment or recreation. If the sale of such admissions or seating accommodations is exempt or excluded from payment of sales and use taxes, the provisions of this subsection shall not require the place of amusement, entertainment, or recreation to remit tax on that sale.

3. For purposes of subdivision (6) of subsection 1 of section 144.020, a hotel, motel, tavern, inn, restaurant, eating house, drugstore, dining car, tourist cabin, tourist camp, or other place in which rooms, meals, or drinks are regularly served to the public shall remit tax on the amount of sales or charges for all rooms, meals, and drinks furnished at such hotel, motel, tavern, inn, restaurant, eating house, drugstore, dining car, tourist cabin, tourist camp, or other place in which rooms, meals, or drinks are regularly served to the public. Any subsequent sale of such rooms, meals, or drinks shall not be subject to tax if the initial sale was an arms length transaction for fair market value with an unaffiliated entity. If the sale of such rooms, meals, or drinks is exempt or excluded from payment of sales and use taxes, the provisions of this subsection shall not require the hotel, motel, tavern, inn, restaurant, eating house, drugstore, dining car, tourist cabin, tourist camp, or other place in which rooms, meals, or drinks are regularly served to the public to remit tax on that sale.

4. The provisions of this section are intended to reject and abrogate earlier case law interpretations of the state's sales and use tax law with regard to sales for resale as extended in *Music City Centre Management, LLC v. Director of Revenue*, 295 S.W.3d 465, (Mo. 2009) and *ICC Management, Inc. v. Director of Revenue*, 290 S.W.3d 699, (Mo. 2009). The provisions of this section are intended to clarify the exemption or exclusion of purchases for resale from sales and use taxes as originally enacted in this chapter.

HOUSE AMENDMENT NO. 10

Amend House Committee Substitute for Senate Bill No. 24, Page 29, Section 143.145, Line 78, by inserting after all of said section and line the following:

“143.451. 1. Missouri taxable income of a corporation shall include all income derived from sources within this state.

2. A corporation described in subdivision (1) of subsection 1 of section 143.441 shall include in its Missouri taxable income all income from sources within this state, including that from the transaction of business in this state and that from the transaction of business partly done in this state and partly done in another state or states. However:

(1) Where income results from a transaction partially in this state and partially in another state or states, and income and deductions of the portion in the state cannot be segregated, then such portions of income and deductions shall be allocated in this state and the other state or states as will distribute to this state a portion based upon the portion of the transaction in this state and the portion in such other state or states.

(2) The taxpayer may elect to compute the portion of income from all sources in this state in the following manner, **or the manner set forth in subdivision (3) of this subsection:**

(a) The income from all sources shall be determined as provided, excluding therefrom the figures for the operation of any bridge connecting this state with another state.

(b) The amount of sales which are transactions wholly in this state shall be added to one-half of the amount of sales which are transactions partly within this state and partly without this state, and the amount thus obtained shall be divided by the total sales or in cases where sales do not express the volume of business, the amount of business transacted wholly in this state shall be added to one-half of the amount of business transacted partly in this state and partly outside this state and the amount thus obtained shall be divided by the total amount of business transacted, and the net income shall be multiplied by the fraction thus obtained, to determine the proportion of income to be used to arrive at the amount of Missouri taxable income. The investment or reinvestment of its own funds, or sale of any such investment or reinvestment, shall not be considered as sales or other business transacted for the determination of said fraction.

[(3)] **(c)** For the purposes of this [section] **subdivision**, a transaction involving the sale of tangible property is:

[(a)] **a.** “Wholly in this state” if both the seller’s shipping point and the purchaser’s destination point are in this state;

[(b)] **b.** “Partly within this state and partly without this state” if the seller’s shipping point is in this state and the purchaser’s destination point is outside this state, or the seller’s shipping point is outside this state and the purchaser’s destination point is in this state;

[(c)] **c.** Not “wholly in this state” or not “partly within this state and partly without this state” only if both the seller’s shipping point and the purchaser’s destination point are outside this state[;].

(d) For purposes of this subdivision:

a. The purchaser’s destination point shall be determined without regard to the FOB point or other conditions of the sale[.] ; and

b. The seller’s shipping point is determined without regard to the location of the seller’s principle office or place of business.

(3) The taxpayer may elect to compute the portion of income from all sources in this state in the following manner:

(a) The income from all sources shall be determined as provided, excluding therefrom the figures for the operation of any bridge connecting this state with another state;

(b) The amount of sales which are transactions in this state shall be divided by the total sales, and the net income shall be multiplied by the fraction thus obtained, to determine the proportion of income to be used to arrive at the amount of Missouri taxable income. The investment or reinvestment of its own funds, or sale of any such investment or reinvestment, shall not be considered as sales or other business transacted for the determination of said fraction;

(c) For the purposes of this subdivision, a transaction involving the sale of tangible property is:

a. “In this state” if the purchaser’s destination point is in this state;

b. Not “in this state” if the purchaser’s destination point is outside this state;

(d) For purposes of this subdivision, the purchaser’s destination point shall be determined without regard to the FOB point or other conditions of the sale and shall not be in this state if the purchaser received the tangible personal property from the seller in this state for delivery to the purchaser’s location outside this state.

(4) For purposes of this subsection, the following words shall, unless the context otherwise requires, have the following meaning:

(a) “Administration services” include, but are not limited to, clerical, fund or shareholder accounting, participant record keeping, transfer agency, bookkeeping, data processing, custodial, internal auditing, legal and tax services performed for an investment company;

(b) “Affiliate”, the meaning as set forth in 15 U.S.C. Section 80a-2(a)(3)(C), as may be amended from time to time;

(c) “Distribution services” include, but are not limited to, the services of advertising, servicing, marketing, underwriting or selling shares of an investment company, but, in the case of advertising, servicing or marketing shares, only where such service is performed by a person who is, or in the case of a closed end company, was, either engaged in the services of underwriting or selling investment company shares or affiliated with a person that is engaged in the service of underwriting or selling investment company shares. In the case of an open end company, such service of underwriting or selling shares must be performed pursuant to a contract entered into pursuant to 15 U.S.C. Section 80a-15(b), as from time to time amended;

(d) “Investment company”, any person registered under the federal Investment Company Act of 1940, as amended from time to time, (the act) or a company which would be required to register as an investment company under the act except that such person is exempt to such registration pursuant to Section 80a-3(c)(1) of the act;

(e) “Investment funds service corporation” includes any corporation or S corporation doing business in the state which derives more than fifty percent of its gross income in the ordinary course of business from the provision directly or indirectly of management, distribution or administration services to or on behalf of an investment company or from trustees, sponsors and participants of employee benefit plans which have accounts in an investment company. An investment funds service corporation shall include any corporation or S corporation providing management services as an investment advisory firm registered under Section 203 of the Investment Advisors Act of 1940, as amended from time to time, regardless of the percentage

of gross revenues consisting of fees from management services provided to or on behalf of an investment company;

(f) "Management services" include but are not limited to, the rendering of investment advice directly or indirectly to an investment company making determinations as to when sales and purchases of securities are to be made on behalf of the investment company, or the selling or purchasing of securities constituting assets of an investment company, and related activities, but only where such activity or activities are performed:

a. Pursuant to a contract with the investment company entered into pursuant to 15 U.S.C. Section 80a-15(a), as from time to time amended;

b. For a person that has entered into such contract with the investment company; or

c. For a person that is affiliated with a person that has entered into such contract with an investment company;

(g) "Qualifying sales", gross income derived from the provision directly or indirectly of management, distribution or administration services to or on behalf of an investment company or from trustees, sponsors and participants of employee benefit plans which have accounts in an investment company. For purposes of this section, gross income is defined as that amount of income earned from qualifying sources without deduction of expenses related to the generation of such income;

(h) "Residence", presumptively the fund shareholder's mailing address on the records of the investment company. If, however, the investment company or the investment funds service corporation has actual knowledge that the fund shareholder's primary residence or principal place of business is different than the fund shareholder's mailing address such presumption shall not control. To the extent an investment funds service corporation does not have access to the records of the investment company, the investment funds service corporation may employ reasonable methods to determine the investment company fund shareholder's residence.

(5) Notwithstanding other provisions of law to the contrary, qualifying sales of an investment funds service corporation, or S corporation, shall be considered wholly in this state only to the extent that the fund shareholders of the investment companies, to which the investment funds service corporation, or S corporation, provide services, are resided in this state. Wholly in this state qualifying sales of an investment funds service corporation, or S corporation, shall be determined as follows:

(a) By multiplying the investment funds service corporation's total dollar amount of qualifying sales from services provided to each investment company by a fraction, the numerator of which shall be the average of the number of shares owned by the investment company's fund shareholders resided in this state at the beginning of and at the end of the investment company's taxable year that ends with or within the investment funds service corporation's taxable year, and the denominator of which shall be the average of the number of shares owned by the investment company's fund shareholders everywhere at the beginning of and at the end of the investment company's taxable year that ends with or within the investment funds service corporation's taxable year;

(b) A separate computation shall be made to determine the wholly in this state qualifying sales from each investment company. The qualifying sales for each investment company shall be multiplied by the respective percentage of each fund, as calculated pursuant to paragraph (a) of this subdivision. The product of this equation shall result in the wholly in this state qualifying sales. The qualifying sales for each

investment company which are not wholly in this state will be considered wholly without this state;

(c) To the extent an investment funds service corporation has sales which are not qualifying sales, those nonqualified sales shall be apportioned to this state based on the methodology utilized by the investment funds service corporation without regard to this subdivision.

3. Any corporation described in subdivision (1) of subsection 1 of section 143.441 organized in this state or granted a permit to operate in this state for the transportation or care of passengers shall report its gross earnings within the state on intrastate business and shall also report its gross earnings on all interstate business done in this state which report shall be subject to inquiry for the purpose of determining the amount of income to be included in Missouri taxable income. The previous sentence shall not apply to a railroad.

4. A corporation described in subdivision (2) of subsection 1 of section 143.441 shall include in its Missouri taxable income all income arising from all sources in this state and all income from each transportation service wholly within this state, from each service where the only lines of such corporation used are those in this state, and such proportion of revenue from each service where the facilities of such corporation in this state and in another state or states are used, as the mileage used over the lines of such corporation in the state shall bear to the total mileage used over the lines of such corporation. The taxpayer may elect to compute the portion of income from all sources within this state in the following manner:

(1) The income from all sources shall be determined as provided;

(2) The amount of investment of such corporation on December thirty-first of each year in this state in fixed transportation facilities, real estate and improvements, plus the value on December thirty-first of each year of any fixed transportation facilities, real estate and improvements in this state leased from any other railroad shall be divided by the sum of the total amount of investment of such corporation on December thirty-first of each year in fixed transportation facilities, real estate and improvements, plus the value on December thirty-first of each year, of any fixed transportation facilities, real estate and improvements leased from any other railroad. Where any fixed transportation facilities, real estate or improvements are leased by more than one railroad, such portion of the value shall be used by each railroad as the rental paid by each shall bear to the rental paid by all lessees. The income shall be multiplied by the fraction thus obtained to determine the proportion to be used to arrive at the amount of Missouri taxable income.

5. A corporation described in subdivision (3) of subsection 1 of section 143.441 shall include in its Missouri taxable income one-half of the net income from the operation of a bridge between this and another state. If any such bridge is owned or operated by a railroad corporation or corporations, or by a corporation owning a railroad corporation using such bridge, then the figures for operation of such bridge may be included in the return of such railroad or railroads; or if such bridge is owned or operated by any other corporation which may now or hereafter be required to file an income tax return, one-half of the income or loss to such corporation from such bridge may be included in such return by adding or subtracting same to or from another net income or loss shown by the return.

6. A corporation described in subdivision (4) of subsection 1 of section 143.441 shall include in its Missouri taxable income all income arising from all sources within this state. Income shall include revenue from each telephonic or telegraphic service rendered wholly within this state; from each service rendered for which the only facilities of such corporation used are those in this state; and from each service rendered over the facilities of such corporation in this state and in other state or states, such proportion of such revenue as the mileage involved in this state shall bear to the total mileage involved over the lines of said company in all states. The taxpayer may elect to compute the portion of income from all sources within this

state in the following manner:

(1) The income from all sources shall be determined as provided;

(2) The amount of investment of such corporation on December thirty-first of each year in this state in telephonic or telegraphic facilities, real estate and improvements thereon, shall be divided by the amount of the total investment of such corporation on December thirty-first of each year in telephonic or telegraphic facilities, real estate and improvements. The income of the taxpayer shall be multiplied by fraction thus obtained to determine the proportion to be used to arrive at the amount of Missouri taxable income.

7. From the income determined in subsections 2, 3, 4, 5 and 6 of this section to be from all sources within this state shall be deducted such of the deductions for expenses in determining Missouri taxable income as were incurred in this state to produce such income and all losses actually sustained in this state in the business of the corporation.

8. If a corporation derives only part of its income from sources within Missouri, its Missouri taxable income shall only reflect the effect of the following listed deductions to the extent applicable to Missouri. The deductions are: (a) its deduction for federal income taxes pursuant to section 143.171, and (b) the effect on Missouri taxable income of the deduction for net operating loss allowed by Section 172 of the Internal Revenue Code. The extent applicable to Missouri shall be determined by multiplying the amount that would otherwise affect Missouri taxable income by the ratio for the year of the Missouri taxable income of the corporation for the year divided by the Missouri taxable income for the year as though the corporation had derived all of its income from sources within Missouri. For the purpose of the preceding sentence, Missouri taxable income shall not reflect the listed deductions.

9. Any investment funds service corporation organized as a corporation or S corporation which has any shareholders resided in this state shall be subject to Missouri income tax as provided in this chapter.”; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

[(19)] (20) “Supplier”, a person who sells or leases gambling equipment and gambling supplies to any licensee.

2. In addition to the games of skill [referred to in subdivision (14) of] **defined in** subsection 1 of this section, the commission may approve other games of skill upon receiving a petition requesting approval of a gambling game from any applicant or licensee. The commission may set the matter for hearing by serving the applicant or licensee with written notice of the time and place of the hearing not less than five days prior to the date of the hearing and posting a public notice at each commission office. The commission shall require the applicant or licensee to pay the cost of placing a notice in a newspaper of general circulation in the applicant’s or licensee’s home dock city or county. The burden of proof that the gambling game is a game of skill is at all times on the petitioner. The petitioner shall have the affirmative responsibility of establishing his or her case by a preponderance of evidence including:

(1) Is it in the best interest of gaming to allow the game; and

(2) Is the gambling game a game of chance or a game of skill?

All testimony shall be given under oath or affirmation. Any citizen of this state shall have the opportunity to testify on the merits of the petition. The commission may subpoena witnesses to offer expert testimony. Upon conclusion of the hearing, the commission shall evaluate the record of the hearing and issue written findings of fact that shall be based exclusively on the evidence and on matters officially noticed. The commission shall then render a written decision on the merits which shall contain findings of fact, conclusions of law and a final commission order. The final commission order shall be within thirty days of the hearing. Copies of the final commission order shall be served on the petitioner by certified or overnight express mail, postage prepaid, or by personal delivery.

313.812. 1. The commission may issue licenses pursuant to subsection 1 of section 313.807 when it is satisfied that the applicant has complied with all rules and regulations, including an update of all information provided to the commission in the licensee’s initial application. The commission shall decide the number, location and type of excursion gambling boat in a city or county under subsection 10 of this section. The license shall set forth the name of the licensee, the type of license granted, the place where the excursion gambling boat will operate and dock, including the docking of an excursion gambling boat which is continuously docked, and other information the commission deems appropriate. The commission shall have the ultimate responsibility of deciding the number, location, and type of excursion gambling boats

licensed in a city or county; however, any city or county which has complied with the provisions of subsection 10 of this section shall submit to the commission a plan outlining the following:

- (1) The recommended number of licensed excursion gambling boats operating in such city or county;
- (2) The recommended licensee or licensees operating in such city or county;
- (3) The community's economic development or impact and affirmative action plan concerning minorities' and women's ownership, contracting and employment for the waterfront development;
- (4) The city or county proposed sharing of revenue with any other municipality;
- (5) Any other information such city or county deems necessary; and
- (6) Any other information the commission may determine is necessary.

The commission shall provide for due dates for receiving such plan from the city or county.

2. A license to operate an excursion gambling boat shall only be granted to an applicant upon the express conditions that:

(1) The applicant shall not, by a lease, contract, understanding, or arrangement of any kind, grant, assign, or turn over to a person the operation of an excursion gambling boat licensed under this section or of the system of wagering described in section 313.817. This section does not prohibit a management contract with a person licensed by the commission; and

(2) The applicant shall not in any manner permit a person other than the licensee and the management licensee to have a share, percentage, or proportion of the money received for admissions to the excursion gambling boat.

3. The commission shall require, as a condition of granting a license, that an applicant operate an excursion gambling boat which, as nearly as practicable, resembles or is a part of Missouri's or the home dock city's or county's riverboat history.

4. The commission shall encourage through its rules and regulations the use of Missouri resources, goods and services in the operation of any excursion gambling boat.

5. The excursion gambling boat shall provide for nongaming areas, food service and a Missouri theme gift shop. The amount of space used for gaming shall be determined in accordance with all rules and regulations of the commission and the United States Coast Guard safety regulations.

6. A license to operate gambling games or to operate an excursion gambling boat shall not be granted unless the applicant has, through clear and convincing evidence, demonstrated financial responsibility sufficient to meet adequately the requirements of the proposed enterprise. 7. Each applicant shall establish by clear and convincing evidence its fitness to be licensed. Without limitation, the commission may deny a license based solely on the fact that there is evidence that any of the following apply:

(1) The applicant has been suspended from operating an excursion gambling boat or a game of chance or gambling operation in another jurisdiction by a board or commission of that jurisdiction;

(2) The applicant is not the true owner of the enterprise proposed;

(3) The applicant is not the sole owner, and other persons have ownership in the enterprise, which fact has not been disclosed;

(4) The applicant is a corporation that is not publicly traded and ten percent or more of the stock of the corporation is subject to a contract or option to purchase at any time during the period for which the license is to be issued unless the contract or option was disclosed to the commission and the commission approved the sale or transfer during the period of the license;

(5) The applicant has knowingly made a false statement of a material fact to the commission; or

(6) The applicant has failed to meet a valid, bona fide monetary obligation in connection with an excursion gambling boat.

8. A license shall not be granted if the applicant has not established [his] **the applicant's** good repute and moral character or if the applicant has pled guilty to, or has been convicted of, a felony. No licensee shall employ or contract with any person who has pled guilty to, or has been convicted of, a felony to perform any duties directly connected with the licensee's privileges under a license granted pursuant to this section, except that employees performing nongaming related occupations as determined by the commission shall be exempt from the requirements of this subsection.

9. **Except as provided in section 313.817**, a licensee shall not lend to any person money or any other thing of value for the purpose of permitting that person to wager on any gambling game authorized by law. This does not prohibit credit card or debit card transactions or cashing of checks. Any check cashed, **other than a credit instrument**, must be deposited within twenty-four hours. **Except for any credit instrument**, the commission may require licensees to verify a sufficient account balance exists before cashing any check. Any licensee who violates the provisions of this subsection shall be subject to an administrative penalty of five thousand dollars for each violation. Such administrative penalties shall be assessed and collected by the commission.

10. Gambling excursions including the operation of gambling games on an excursion gambling boat which is not continuously docked shall be allowed only on the Mississippi River and the Missouri River. No license to conduct gambling games on an excursion gambling boat in a city or county shall be issued unless and until the qualified voters of the city or county approve such activities pursuant to this subsection. The question shall be submitted to the qualified voters of the city or county at a general, primary or special election upon the motion of the governing body of the city or county or upon the petition of fifteen percent of the qualified voters of the city or county determined on the basis of the number of votes cast for governor in the city or county at the last election held prior to the filing of the petition. The question shall be submitted in substantially the following form:

Shall the City (County) of allow the licensing of excursion gambling boats or floating facilities as now or hereafter provided by Missouri gaming law in the city (county)?

☐ YES

☐ NO

If a majority of the votes cast on the question by the qualified voters voting thereon are in favor of the question, then the commission may license excursion gambling boats in that city or county and such boats may operate on the Mississippi River and the Missouri River. If a majority of the votes cast on the question by the qualified voters voting thereon are opposed to the question, then the commission shall not license such excursion gambling boats in such city or county unless and until the question is again submitted to and approved by a majority of the qualified voters of the city or county at a later election. Excursion gambling boats may only dock in a city or unincorporated area of a county which approves licensing of such excursion gambling boats pursuant to this subsection, but gambling operations may be conducted at any point on the

Mississippi River or the Missouri River during an excursion. Those cities and counties which have approved by election pursuant to this subsection, except those cities or counties which have subsequently rejected by election, the licensing of any type of excursion gambling boats in the city or county prior to April 6, 1994, are exempt from any local election requirement of this section as such previous election shall have the same effect as if held after May 20, 1994.

11. If a docking fee is charged by a city or a county, a licensee operating an excursion gambling boat shall pay the docking fee prior to the start of the excursion season.

12. Any licensee shall not be delinquent in the payment of property taxes or other taxes or fees or in the payment of any other contractual obligation or debt due or owed to the state or a political subdivision of the state.

13. An excursion gambling boat licensed by the state shall meet all of the requirements of chapter 306 and is subject to an inspection of its sanitary facilities to protect the environment and water quality by the commission or its designee before a license to operate an excursion gambling boat is issued by the commission. Licensed excursion gambling boats shall also be subject to such inspections during the period of the license as may be deemed necessary by the commission. The cost of such inspections shall be paid by the licensee.

14. A holder of any license shall be subject to imposition of penalties, suspension or revocation of such license, or if the person is an applicant for licensure, the denial of the application, for any act or failure to act by himself or his agents or employees, that is injurious to the public health, safety, morals, good order and general welfare of the people of the state of Missouri, or that would discredit or tend to discredit the Missouri gaming industry or the state of Missouri unless the licensee proves by clear and convincing evidence that it is not guilty of such action. The commission shall take appropriate action against any licensee who violates the law or the rules and regulations of the commission. Without limiting other provisions of this subsection, the following acts or omissions may be grounds for such discipline:

(1) Failing to comply with or make provision for compliance with sections 313.800 to 313.850, the rules and regulations of the commission or any federal, state or local law or regulation;

(2) Failing to comply with any rule, order or ruling of the commission or its agents pertaining to gaming;

(3) Receiving goods or services from a person or business entity who does not hold a supplier's license but who is required to hold such license by the provisions of sections 313.800 to 313.850 or the rules and regulations of the commission;

(4) Being suspended or ruled ineligible or having a license revoked or suspended in any state of gaming jurisdiction;

(5) Associating with, either socially or in business affairs, or employing persons of notorious or unsavory reputation or who have extensive police records, or who have failed to cooperate with any officially constituted investigatory or administrative body and would adversely affect public confidence and trust in gaming;

(6) Employing in any gambling games' operation or any excursion gambling boat operation, any person known to have been found guilty of cheating or using any improper device in connection with any gambling game;

(7) Use of fraud, deception, misrepresentation or bribery in securing any permit or license issued

pursuant to sections 313.800 to 313.850;

(8) Obtaining or attempting to obtain any fee, charge, or other compensation by fraud, deception, or misrepresentation;

(9) Incompetence, misconduct, gross negligence, fraud, misrepresentation or dishonesty in the performance of the functions or duties regulated by sections 313.800 to 313.850.

313.817. 1. Except as permitted in this section, the licensee licensed to operate gambling games shall permit no form of wagering on gambling games.

2. The licensee may receive wagers only from a person present on a licensed excursion gambling boat.

3. Wagering shall not be conducted with money or other negotiable currency. The licensee shall exchange the money **or credit instrument** of each wagerer for electronic or physical tokens, chips, or other forms of credit to be wagered on the gambling games. The licensee shall exchange the tokens, chips, or other forms of wagering credit for money at the request of the wagerer.

4. A person under twenty-one years of age shall not make a wager on an excursion gambling boat and shall not be allowed in the area of the excursion boat where gambling is being conducted; provided that employees of the licensed operator of the excursion gambling boat who have attained eighteen years of age shall be permitted in the area in which gambling is being conducted when performing employment-related duties, except that no one under twenty-one years of age may be employed as a dealer or accept a wager on an excursion gambling boat. The governing body of a home dock city or county may restrict the age of entrance onto an excursion gambling boat by passage of a local ordinance.

5. In order to help protect patrons from invasion of privacy and the possibility of identity theft, patrons shall not be required to provide fingerprints, retinal scans, biometric forms of identification, any type of patron-tracking cards, or other types of identification prior to being permitted to enter the area where gambling is being conducted on an excursion gambling boat or to make a wager, except that, for purposes of establishing that a patron is at least twenty-one years of age as provided in subsection 4 above, a licensee operating an excursion gambling boat shall be authorized to request such patron to provide a valid state or federal photo identification or a valid passport. This section shall not prohibit enforcement of identification requirements that are required by federal law. This section shall not prohibit enforcement of any Missouri statute requiring identification of patrons for reasons other than being permitted to enter the area of an excursion gambling boat where gambling is being conducted or to make a wager.

6. A licensee shall only allow wagering and conduct gambling games at the times allowed by the commission.

7. It shall be unlawful for a person to present false identification to a licensee or a gaming agent in order to gain entrance to an excursion gambling boat, cash a check or verify that such person is legally entitled to be present on the excursion gambling boat. Any person who violates the provisions of this subsection shall be guilty of a class B misdemeanor for the first offense and a class A misdemeanor for second and subsequent offenses.

8. Credit instruments executed on or after August 28, 2013, are valid contracts creating debt that is enforceable by legal process. A licensee may accept credit instruments from a qualified person in exchange for chips, tokens, or electronic tokens that can be wagered on gambling games at the licensee's excursion gambling boat. For the purposes of this subsection, "qualified person" means a

person who has completed a credit application provided by the licensee and who is determined by the licensee, after performing a credit check and applying usual standards to establish creditworthiness, to qualify for a line of credit of at least five thousand dollars. Once the licensee makes the determination that a person is a qualified person, additional credit checks are not required. Approval to accept a credit instrument from a qualified person shall be made by the holder of an occupational license. A licensee may accept multiple credit instruments from the same person to consolidate or redeem a previous credit instrument. A lost or destroyed credit instrument shall remain valid and enforceable if the party seeking enforcement can prove its existence and terms. Any person who violates this subsection is subject only to the penalties provided in section 313.812. The commission shall have no authority to determine the validity or enforceability of a credit instrument or the enforceability of the debt that the credit instrument represents. Failure to comply with any regulation promulgated by the commission shall not impact the validity or enforceability of the credit instrument or the debt that the credit instrument represents.

313.830. 1. A person is guilty of a class D felony for any of the following:

(1) Operating a gambling excursion where wagering is used or to be used without a license issued by the commission;

(2) Operating a gambling excursion where wagering is permitted other than in the manner specified by section 313.817; or

(2) Making or attempting to make a wager while on an excursion gambling boat when such person is under the age of twenty-one years; or

(3) Aiding a person who is under the age of twenty-one in entering an excursion gambling boat or in making or attempting to make a wager while on an excursion gambling boat. 3. A person wagering or accepting a wager at any location outside the excursion gambling boat is in violation of section 572.040.

4. A person commits a class D felony and, in addition, shall be barred for life from excursion gambling boats under the jurisdiction of the commission, if the person:

(1) Offers, promises, or gives anything of value or benefit to a person who is connected with an excursion gambling boat operator including, but not limited to, an officer or employee of a licensee or holder of an occupational license pursuant to an agreement or arrangement or with the intent that the promise or thing of value or benefit will influence the actions of the person to whom the offer, promise, or gift was made in order to affect or attempt to affect the outcome of a gambling game, or to influence official action of a member of the commission;

(2) Solicits or knowingly accepts or receives a promise of anything of value or benefit while the person is connected with an excursion gambling boat including, but not limited to, an officer or employee of a licensee, or holder of an occupational license, pursuant to an understanding or arrangement or with the intent

(3) Uses a device to assist in any of the following:

(a) In projecting the outcome of the game;

(b) In keeping track of the cards played;

(7) Alters or misrepresents the outcome of a gambling game on which wagers have been made after the outcome is made sure but before it is revealed to the players;

(8) Places a bet after acquiring knowledge, not available to all players, of the outcome of the gambling game which is the subject of the bet or to aid a person in acquiring the knowledge for the purpose of placing a bet contingent on that outcome;

(9) Claims, collects, or takes, or attempts to claim, collect, or take, money or anything of value in or from the gambling games, with intent to defraud, without having made a wager contingent on winning a gambling game, or claims, collects, or takes an amount of money or thing of value of greater value than the amount won;

(15) Knowingly makes a false statement of any material fact to the commission, its agents or employees.

5. The possession of one or more of the devices described in subdivision (3), (5), (13) or (14) of subsection 4 of this section permits a rebuttable inference that the possessor intended to use the devices for cheating.

6. Except for wagers on gambling games or exchanges for money **or a credit instrument** as provided in section 313.817, or as payment for food or beverages on the excursion gambling boat, a licensee who exchanges tokens, chips, or other forms of credit to be used on gambling games for anything of value commits a class B misdemeanor.

7. If the commission determines that reasonable grounds to believe that a violation of sections 313.800 to 313.850 has occurred or is occurring which is a criminal offense, the commission shall refer such matter to both the state attorney general and the prosecuting attorney or circuit attorney having jurisdiction. The state attorney general and the prosecuting attorney or circuit attorney with such jurisdiction shall have concurrent jurisdiction to commence actions for violations of sections 313.800 to 313.850 where such violations have occurred.

HOUSE AMENDMENT NO. 12

by inserting after all of said section the following:

“32.070. 1. This act shall be known and may be cited as the “Streamlined Sales and Use Tax Agreement Act”.

2. The director of the department of revenue shall enter into the streamlined sales and use tax agreement with one or more states to simplify and modernize sales and use tax administration in order to substantially reduce the burden of tax compliance for all sellers and for all types of commerce. In furtherance of the streamlined sales and use tax agreement, the director of the department of revenue may act jointly with other states that are members of the streamlined sales and use tax agreement to establish standards for certification of a certified service provider and certified automated system and establish performance standards for multistate sellers.

3. In the first year after any federal legislation requiring vendors to collect sales and use tax uniformly on sales in all states has been adopted and in which the amount of state sales and use tax revenue collected under such federal legislation exceeds the amount of such revenues collected in the immediately preceding year by at least two hundred million dollars, the highest rate of the tax imposed on the Missouri taxable income of residents under chapter 143 shall be decreased from six percent to five and one half percent. The director of the department of revenue shall notify the revisor of statutes when such federal legislation is adopted and becomes effective in all states.

4. The director of the department of revenue may take other action reasonably required to implement the provisions set forth in the streamlined sales and use tax administration act, including, but not limited to, the promulgation of rules and the joint procurement, with other member states, of goods and services in furtherance of the streamlined sales and use tax agreement.

5. For the purposes of representing the state as a member of the agreement and, if necessary,

amending the agreement, the state shall be represented by three delegates, one of whom shall be appointed by the governor, one shall be a member of the general assembly appointed by mutual agreement of the president pro tem of the senate and the speaker of the house of representatives, with the director of the department of revenue or the director's designee as the third delegate. The delegates shall recommend to the committees responsible for reviewing tax issues in the senate and the house of representatives each year any amendment of state statutes required to be substantially in compliance with the agreement. Such delegates shall make a written report by the fifteenth day of January each year regarding the status of the agreement.

6. The department of revenue shall promulgate rules necessary to implement the provisions of the streamlined sales and use tax agreement.

32.086. Notwithstanding any other provision of law, for all local sales and use taxes collected by the department and remitted to a political jurisdiction or taxing district, the department shall remit one percent of the amount collected to the general revenue fund to offset the cost of collection, unless a greater amount is specified in the local sales and use tax law. The department shall not commingle the remaining amounts collected with general revenues and shall remit the remaining amounts collected to the political jurisdiction or taxing district less any credits for erroneous payments, overpayments, and dishonored checks.

32.087. 1. Within ten days after the adoption of any ordinance or order in favor of adoption of any local sales tax authorized under the local sales tax law by the voters of a taxing entity, the governing body or official of such taxing entity shall forward to the director of revenue by United States registered mail or certified mail a certified copy of the ordinance or order. The ordinance or order shall reflect the effective date thereof.

2. Any local sales tax so adopted shall become effective on the first day of the second calendar quarter after the director of revenue receives notice of adoption of the local sales tax, except as provided in subsection [18] **17** of this section.

3. Every retailer within the jurisdiction of one or more taxing entities which has imposed one or more local sales taxes under the local sales tax law shall add all taxes so imposed along with the tax imposed by the sales tax law of the state of Missouri to the sale price and, when added, the combined tax shall constitute a part of the price, and shall be a debt of the purchaser to the retailer until paid, and shall be recoverable at law in the same manner as the purchase price. The combined rate of the state sales tax and all local sales taxes shall be the sum of the rates, multiplying the combined rate times the amount of the sale.

4. [The brackets required to be established by the director of revenue under the provisions of section 144.285 shall be based upon the sum of the combined rate of the state sales tax and all local sales taxes imposed under the provisions of the local sales tax law.

5.] The ordinance or order imposing a local sales tax under the local sales tax law shall impose upon all sellers a tax for the privilege of engaging in the business of selling tangible personal property or rendering taxable services at retail to the extent and in the manner provided in sections 144.010 to 144.525, and the rules and regulations of the director of revenue issued pursuant thereto; except that the rate of the tax shall be the sum of the combined rate of the state sales tax or state highway use tax and all local sales taxes imposed under the provisions of the local sales tax law.

[6.] **5.** On and after the effective date of any local sales tax imposed under the provisions of the local

sales tax law, the director of revenue shall perform all functions incident to the administration, collection, enforcement, and operation of the tax, and the director of revenue shall collect in addition to the sales tax for the state of Missouri all additional local sales taxes authorized under the authority of the local sales tax law. All local sales taxes imposed under the local sales tax law together with all taxes imposed under the sales tax law of the state of Missouri shall be collected together and reported upon such forms and under such administrative rules and regulations as may be prescribed by the director of revenue.

[7.] **6.** All applicable provisions contained in sections 144.010 to 144.525 governing the state sales tax and section 32.057, the uniform confidentiality provision, shall apply to the collection of any local sales tax imposed under the local sales tax law except as modified by the local sales tax law.

[8.] **7.** All exemptions granted to agencies of government, organizations, persons and to the sale of certain articles and items of tangible personal property and taxable services under the provisions of sections 144.010 to 144.525, as these sections now read and as they may hereafter be amended, it being the intent of this general assembly to ensure that the same sales tax exemptions granted from the state sales tax law also be granted under the local sales tax law, are hereby made applicable to the imposition and collection of all local sales taxes imposed under the local sales tax law.

[9.] **8.** The same sales tax permit, exemption certificate and retail certificate required by sections 144.010 to 144.525 for the administration and collection of the state sales tax shall satisfy the requirements of the local sales tax law, and no additional permit or exemption certificate or retail certificate shall be required; except that the director of revenue may prescribe a form of exemption certificate for an exemption from any local sales tax imposed by the local sales tax law.

[10.] **9.** All discounts allowed the retailer under the provisions of the state sales tax law for the collection of and for payment of taxes under the provisions of the state sales tax law are hereby allowed and made applicable to any local sales tax collected under the provisions of the local sales tax law.

[11.] **10.** The penalties provided in section 32.057 and sections 144.010 to 144.525 for a violation of the provisions of those sections are hereby made applicable to violations of the provisions of the local sales tax law.

[12. (1)] **11.** For the purposes of any local sales tax imposed by an ordinance or order under the local sales tax law, all sales[, except the sale of motor vehicles, trailers, boats, and outboard motors, shall be deemed to be consummated at the place of business of the retailer unless the tangible personal property sold is delivered by the retailer or his agent to an out-of-state destination. In the event a retailer has more than one place of business in this state which participates in the sale, the sale shall be deemed to be consummated at the place of business of the retailer where the initial order for the tangible personal property is taken, even though the order must be forwarded elsewhere for acceptance, approval of credit, shipment or billing. A sale by a retailer's agent or employee shall be deemed to be consummated at the place of business from which he works.

(2) For the purposes of any local sales tax imposed by an ordinance or order under the local sales tax law, all sales of motor vehicles, trailers, boats, and outboard motors shall be deemed to be consummated at the residence of the purchaser and not at the place of business of the retailer, or the place of business from which the retailer's agent or employee works.

(3) For the purposes of any local tax imposed by an ordinance or under the local sales tax law on charges for mobile telecommunications services, all taxes of mobile telecommunications service shall be imposed

as provided in the Mobile Telecommunications Sourcing Act, 4 U.S.C. Sections 116 through 124, as amended] **shall be sourced as provided by sections 144.040 to 144.043.**

[13.] **12.** Local sales taxes imposed pursuant to the local sales tax law on the purchase and sale of motor vehicles, trailers, boats, and outboard motors shall not be collected and remitted by the seller, but shall be collected by the director of revenue at the time application is made for a certificate of title, if the address of the applicant is within a taxing entity imposing a local sales tax under the local sales tax law.

[14.] **13.** The director of revenue and any of [his] **the director's** deputies, assistants and employees who have any duties or responsibilities in connection with the collection, deposit, transfer, transmittal, disbursement, safekeeping, accounting, or recording of funds which come into the hands of the director of revenue under the provisions of the local sales tax law shall enter a surety bond or bonds payable to any and all taxing entities in whose behalf such funds have been collected under the local sales tax law in the amount of one hundred thousand dollars for each such tax; but the director of revenue may enter into a blanket bond covering [himself] **the director** and all such deputies, assistants and employees. The cost of any premium for such bonds shall be paid by the director of revenue from the share of the collections under the sales tax law retained by the director of revenue for the benefit of the state.

[15.] **14.** The director of revenue shall annually report on [his] **the director's** management of each trust fund which is created under the local sales tax law and administration of each local sales tax imposed under the local sales tax law. [He] **The director** shall provide each taxing entity imposing one or more local sales taxes authorized by the local sales tax law with a detailed accounting of the source of all funds received by [him] **the director** for the taxing entity. Notwithstanding any other provisions of law, the state auditor shall annually audit each trust fund. A copy of the director's report and annual audit shall be forwarded to each taxing entity imposing one or more local sales taxes.

[16.] **15.** Within the boundaries of any taxing entity where one or more local sales taxes have been imposed, if any person is delinquent in the payment of the amount required to be paid by [him] **such person** under the local sales tax law or in the event a determination has been made against [him] **such person** for taxes and penalty under the local sales tax law, the limitation for bringing suit for the collection of the delinquent tax and penalty shall be the same as that provided in sections 144.010 to 144.525. Where the director of revenue has determined that suit must be filed against any person for the collection of delinquent taxes due the state under the state sales tax law, and where such person is also delinquent in payment of taxes under the local sales tax law, the director of revenue shall notify the taxing entity in the event any person fails or refuses to pay the amount of any local sales tax due so that appropriate action may be taken by the taxing entity.

[17.] **16.** Where property is seized by the director of revenue under the provisions of any law authorizing seizure of the property of a taxpayer who is delinquent in payment of the tax imposed by the state sales tax law, and where such taxpayer is also delinquent in payment of any tax imposed by the local sales tax law, the director of revenue shall permit the taxing entity to join in any sale of property to pay the delinquent taxes and penalties due the state and to the taxing entity under the local sales tax law. The proceeds from such sale shall first be applied to all sums due the state, and the remainder, if any, shall be applied to all sums due such taxing entity.

[18.] **17.** If a local sales tax has been in effect for at least one year under the provisions of the local sales tax law and voters approve reimposition of the same local sales tax at the same rate at an election as provided for in the local sales tax law prior to the date such tax is due to expire, the tax so reimposed shall

become effective the first day of the first calendar quarter after the director receives a certified copy of the ordinance, order or resolution accompanied by a map clearly showing the boundaries thereof and the results of such election, provided that such ordinance, order or resolution and all necessary accompanying materials are received by the director at least thirty days prior to the expiration of such tax. Any administrative cost or expense incurred by the state as a result of the provisions of this subsection shall be paid by the city or county reimposing such tax.

18. If the boundaries of a city in which a sales tax or use tax has been imposed shall thereafter be changed or altered, the city clerk shall forward to the director of revenue by United States registered mail or certified mail a certified copy of the ordinance adding or detaching territory from the city within ten days of adoption of the ordinance. The ordinance shall reflect the effective date of the ordinance and shall be accompanied by a map of the city clearly showing the territory added or detached from the city boundaries. Upon receipt of the ordinance and map, the tax imposed under the local sales tax law or local use tax law shall be effective in the added territory or abolished in the detached territory on the first day of a calendar quarter after one hundred twenty days' notice to sellers.

19. Any change to any local sales tax or local use tax boundary or rate shall be effective on the first day of a calendar quarter after one hundred twenty days' notice to sellers.”; and

Further amend said bill, Page 3, Section 64.196, Line 5, by inserting after all of said section the following:

“66.620. 1. All county sales taxes collected by the director of revenue under sections 66.600 to 66.630 on behalf of any county[, less one percent for cost of collection which shall be deposited in the state's general revenue fund after payment of premiums for surety bonds as provided in section 32.087,] shall be deposited in a special trust fund, which is hereby created, to be known as the “County Sales Tax Trust Fund”. [The moneys in the county sales tax trust fund shall not be deemed to be state funds and shall not be commingled with any funds of the state.] The director of revenue shall keep accurate records of the amount of money in the trust fund which was collected in each county imposing a county sales tax, and the records shall be open to the inspection of officers of the county and the public. Not later than the tenth day of each month, the director of revenue shall distribute all moneys deposited in the trust fund during the preceding month to the county which levied the tax; such funds shall be deposited with the county treasurer of the county and all expenditures of funds arising from the county sales tax trust fund shall be by an appropriation act to be enacted by the legislative council of the county, and to the cities, towns and villages located wholly or partly within the county which levied the tax in the manner as set forth in sections 66.600 to 66.630.

2. In any county not adopting an additional sales tax and alternate distribution system as provided in section 67.581, for the purposes of distributing the county sales tax, the county shall be divided into two groups, “Group A” and “Group B”. Group A shall consist of all cities, towns and villages which are located wholly or partly within the county which levied the tax and which had a city sales tax in effect under the provisions of sections 94.500 to 94.550 on the day prior to the adoption of the county sales tax ordinance, except that beginning January 1, 1980, group A shall consist of all cities, towns and villages which are located wholly or partly within the county which levied the tax and which had a city sales tax approved by the voters of such city under the provisions of sections 94.500 to 94.550 on the day prior to the effective date of the county sales tax. For the purposes of determining the location of consummation of sales for distribution of funds to cities, towns and villages in group A, the boundaries of any such city, town or

village shall be the boundary of that city, town or village as it existed on March 19, 1984. Group B shall consist of all cities, towns and villages which are located wholly or partly within the county which levied the tax and which did not have a city sales tax in effect under the provisions of sections 94.500 to 94.550 on the day prior to the adoption of the county sales tax ordinance, and shall also include all unincorporated areas of the county which levied the tax; except that, beginning January 1, 1980, group B shall consist of all cities, towns and villages which are located wholly or partly within the county which levied the tax and which did not have a city sales tax approved by the voters of such city under the provisions of sections 94.500 to 94.550 on the day prior to the effective date of the county sales tax and shall also include all unincorporated areas of the county which levied the tax.

3. Until January 1, 1994, the director of revenue shall distribute to the cities, towns and villages in group A the taxes based on the location in which the sales were deemed consummated under section 66.630 and subsection 12 of section 32.087. Except for distribution governed by section 66.630, after deducting the distribution to the cities, towns and villages in group A, the director of revenue shall distribute the remaining funds in the county sales tax trust fund to the cities, towns and villages and the county in group B as follows: To the county which levied the tax, a percentage of the distributable revenue equal to the percentage ratio that the population of the unincorporated areas of the county bears to the total population of group B; and to each city, town or village in group B located wholly within the taxing county, a percentage of the distributable revenue equal to the percentage ratio that the population of such city, town or village bears to the total population of group B; and to each city, town or village located partly within the taxing county, a percentage of the distributable revenue equal to the percentage ratio that the population of that part of the city, town or village located within the taxing county bears to the total population of group B.

4. From and after January 1, 1994, the director of revenue shall distribute to the cities, towns and villages in group A a portion of the taxes based on the location in which the sales were deemed consummated under section 66.630 and subsection 12 of section 32.087 in accordance with the formula described in this subsection. After deducting the distribution to the cities, towns and villages in group A, the director of revenue shall distribute funds in the county sales tax trust fund to the cities, towns and villages and the county in group B as follows: To the county which levied the tax, ten percent multiplied by the percentage of the population of unincorporated county which has been annexed or incorporated since April 1, 1993, multiplied by the total of all sales tax revenues countywide, and a percentage of the remaining distributable revenue equal to the percentage ratio that the population of unincorporated areas of the county bears to the total population of group B; and to each city, town or village in group B located wholly within the taxing county, a percentage of the remaining distributable revenue equal to the percentage ratio that the population of such city, town or village bears to the total population of group B; and to each city, town or village located partly within the taxing county, a percentage of the remaining distributable revenue equal to the percentage ratio that the population of that part of the city, town or village located within the taxing county bears to the total population of group B.

5. (1) For purposes of administering the distribution formula of subsection 4 of this section, the revenues arising each year from sales occurring within each group A city, town or village shall be distributed as follows: Until such revenues reach the adjusted county average, as hereinafter defined, there shall be distributed to the city, town or village all of such revenues reduced by the percentage which is equal to ten percent multiplied by the percentage of the population of unincorporated county which has been annexed or incorporated after April 1, 1993; and once revenues exceed the adjusted county average, total revenues shall be shared in accordance with the redistribution formula as defined in this subsection.

(2) For purposes of this subsection, the “adjusted county average” is the per capita countywide average of all sales tax distributions during the prior calendar year reduced by the percentage which is equal to ten percent multiplied by the percentage of the population of unincorporated county which has been annexed or incorporated after April 1, 1993; the “redistribution formula” is as follows: During 1994, each group A city, town and village shall receive that portion of the revenues arising from sales occurring within the municipality that remains after deducting therefrom an amount equal to the cumulative sales tax revenues arising from sales within the municipality multiplied by the percentage which is the sum of ten percent multiplied by the percentage of the population of unincorporated county which has been annexed or incorporated after April 1, 1993, and the percentage, if greater than zero, equal to the product of 8.5 multiplied by the logarithm (to base 10) of the product of 0.035 multiplied by the total of cumulative per capita sales taxes arising from sales within the municipality less the adjusted county average. During 1995, each group A city, town and village shall receive that portion of the revenues arising from sales occurring within the municipality that remains after deducting therefrom an amount equal to the cumulative sales tax revenues arising from sales within the municipality multiplied by the percentage which is the sum of ten percent multiplied by the percentage of the population of unincorporated county which has been annexed or incorporated after April 1, 1993, and the percentage, if greater than zero, equal to the product of seventeen multiplied by the logarithm (to base 10) of the product of 0.035 multiplied by the total of cumulative per capita sales taxes arising from sales within the municipality less the adjusted county average. From January 1, 1996, until January 1, 2000, each group A city, town and village shall receive that portion of the revenues arising from sales occurring within the municipality that remains after deducting therefrom an amount equal to the cumulative sales tax revenues arising from sales within the municipality multiplied by the percentage which is the sum of ten percent multiplied by the percentage of the population of unincorporated county which has been annexed or incorporated after April 1, 1993, and the percentage, if greater than zero, equal to the product of 25.5 multiplied by the logarithm (to base 10) of the product of 0.035 multiplied by the total of cumulative per capita sales taxes arising from sales within the municipality less the adjusted county average. From and after January 1, 2000, the distribution formula covering the period from January 1, 1996, until January 1, 2000, shall continue to apply, except that the percentage computed for sales arising within the municipalities shall be not less than 7.5 percent for municipalities within which sales tax revenues exceed the adjusted county average, nor less than 12.5 percent for municipalities within which sales tax revenues exceed the adjusted county average by at least twenty-five percent.

(3) For purposes of applying the redistribution formula to a municipality which is partly within the county levying the tax, the distribution shall be calculated alternately for the municipality as a whole, except that the factor for annexed portion of the county shall not be applied to the portion of the municipality which is not within the county levying the tax, and for the portion of the municipality within the county levying the tax. Whichever calculation results in the larger distribution to the municipality shall be used.

(4) Notwithstanding any other provision of this section, the fifty percent of additional sales taxes as described in section 99.845 arising from economic activities within the area of a redevelopment project established after July 12, 1990, pursuant to sections 99.800 to 99.865, while tax increment financing remains in effect shall be deducted from all calculations of countywide sales taxes, shall be distributed directly to the municipality involved, and shall be disregarded in calculating the amounts distributed or distributable to the municipality. Further, any agreement, contract or covenant entered into prior to July 12, 1990, between a municipality and any other political subdivision which provides for an appropriation of incremental sales tax revenues to the special allocation fund of a tax increment financing project while tax

increment financing remains in effect shall continue to be in full force and effect and the sales taxes so appropriated shall be deducted from all calculations of countywide sales taxes, shall be distributed directly to the municipality involved, and shall be disregarded in calculating the amounts distributed or distributable to the municipality. In addition, and notwithstanding any other provision of this chapter to the contrary, economic development funds shall be distributed in full to the municipality in which the sales producing them were deemed consummated. Additionally, economic development funds shall be deducted from all calculations of countywide sales taxes and shall be disregarded in calculating the amounts distributed or distributable to the municipality. As used in this subdivision, the term "economic development funds" means the amount of sales tax revenue generated in any fiscal year by projects authorized pursuant to chapter 99 or chapter 100 in connection with which such sales tax revenue was pledged as security for, or was guaranteed by a developer to be sufficient to pay, outstanding obligations under any agreement authorized by chapter 100, entered into or adopted prior to September 1, 1993, between a municipality and another public body. The cumulative amount of economic development funds allowed under this provision shall not exceed the total amount necessary to amortize the obligations involved.

6. If the qualified voters of any city, town or village vote to change or alter its boundaries by annexing any unincorporated territory included in group B or if the qualified voters of one or more city, town or village in group A and the qualified voters of one or more city, town or village in group B vote to consolidate, the area annexed or the area consolidated which had been a part of group B shall remain a part of group B after annexation or consolidation. After the effective date of the annexation or consolidation, the annexing or consolidated city, town or village shall receive a percentage of the group B distributable revenue equal to the percentage ratio that the population of the annexed or consolidated area bears to the total population of group B and such annexed area shall not be classified as unincorporated area for determination of the percentage allocable to the county. If the qualified voters of any two or more cities, towns or villages in group A each vote to consolidate such cities, towns or villages, then such consolidated cities, towns or villages shall remain a part of group A. For the purpose of sections 66.600 to 66.630, population shall be as determined by the last federal decennial census or the latest census that determines the total population of the county and all political subdivisions therein. For the purpose of calculating the adjustment based on the percentage of unincorporated county population which is annexed after April 1, 1993, the accumulated percentage immediately before each census shall be used as the new percentage base after such census. After any annexation, incorporation or other municipal boundary change affecting the unincorporated area of the county, the chief elected official of the county shall certify the new population of the unincorporated area of the county and the percentage of the population which has been annexed or incorporated since April 1, 1993, to the director of revenue. After the adoption of the county sales tax ordinance, any city, town or village in group A may by adoption of an ordinance by its governing body cease to be a part of group A and become a part of group B. Within ten days after the adoption of the ordinance transferring the city, town or village from one group to the other, the clerk of the transferring city, town or village shall forward to the director of revenue, by registered mail, a certified copy of the ordinance. Distribution to such city as a part of its former group shall cease and as a part of its new group shall begin on the first day of January of the year following notification to the director of revenue, provided such notification is received by the director of revenue on or before the first day of July of the year in which the transferring ordinance is adopted. If such notification is received by the director of revenue after the first day of July of the year in which the transferring ordinance is adopted, then distribution to such city as a part of its former group shall cease and as a part of its new group shall begin the first day of July of the year following such notification to the director of revenue. Once a group A city, town or village becomes a part

of group B, such city may not transfer back to group A.

7. If any city, town or village shall hereafter change or alter its boundaries, the city clerk of the municipality shall forward to the director of revenue, by registered mail, a certified copy of the ordinance adding or detaching territory from the municipality. The ordinance shall reflect the effective date thereof, and shall be accompanied by a map of the municipality clearly showing the territory added thereto or detached therefrom. Upon receipt of the ordinance and map, the tax imposed by sections 66.600 to 66.630 shall be redistributed and allocated in accordance with the provisions of this section on the effective date of the change of the municipal boundary so that the proper percentage of group B distributable revenue is allocated to the municipality in proportion to any annexed territory. If any area of the unincorporated county elects to incorporate subsequent to the effective date of the county sales tax as set forth in sections 66.600 to 66.630, the newly incorporated municipality shall remain a part of group B. The city clerk of such newly incorporated municipality shall forward to the director of revenue, by registered mail, a certified copy of the incorporation election returns and a map of the municipality clearly showing the boundaries thereof. The certified copy of the incorporation election returns shall reflect the effective date of the incorporation. Upon receipt of the incorporation election returns and map, the tax imposed by sections 66.600 to 66.630 shall be distributed and allocated in accordance with the provisions of this section on the effective date of the incorporation.

8. The director of revenue may authorize the state treasurer to make refunds from the amounts in the trust fund and credited to any county for erroneous payments and overpayments made, and may redeem dishonored checks and drafts deposited to the credit of such counties. If any county abolishes the tax, the county shall notify the director of revenue of the action at least ninety days prior to the effective date of the repeal and the director of revenue may order retention in the trust fund, for a period of one year, of two percent of the amount collected after receipt of such notice to cover possible refunds or overpayment of the tax and to redeem dishonored checks and drafts deposited to the credit of such accounts. After one year has elapsed after the effective date of abolition of the tax in such county, the director of revenue shall remit the balance in the account to the county and close the account of that county. The director of revenue shall notify each county of each instance of any amount refunded or any check redeemed from receipts due the county.

9. Except as modified in sections 66.600 to 66.630, all provisions of sections 32.085 and 32.087 shall apply to the tax imposed under sections 66.600 to 66.630.”; and

Further amend said bill, Page 4, Section 67.281, Line 17, by inserting after all of said section the following:

“67.395. 1. All sales taxes collected by the director of revenue under sections 67.391 to 67.395 on behalf of any county[, less one percent for cost of collection which shall be deposited in the state’s general revenue fund after payment of premiums for surety bonds as provided in section 32.087] shall be deposited with the state treasurer in a special trust fund, which is hereby created, to be known as the “County AntiDrug Sales Tax Trust Fund”. [The moneys in the county antidrug sales tax trust fund shall not be deemed to be state funds and shall not be commingled with any funds of the state.] The director of revenue shall keep accurate records of the amount of money in the trust fund which was collected in each county imposing a sales tax under sections 67.391 to 67.395, and the records shall be open to the inspection of officers of the county and the public. Not later than the tenth day of each month, the director of revenue shall distribute all moneys deposited in the trust fund during the preceding month to the county which levied the tax. Such funds shall

be deposited with the county treasurer of each such county, and all expenditures of funds arising from the county antidrug sales tax trust fund shall be by an appropriation act to be enacted by the governing body of each such county.

2. The director of revenue may authorize the state treasurer to make refunds from the amounts in the trust fund and credited to any county for erroneous payments and overpayments made, and may redeem dishonored checks and drafts deposited to the credit of such counties. If any county abolishes the tax, the county shall notify the director of revenue of the action at least ninety days prior to the effective date of the repeal and the director of revenue may order retention in the trust fund, for a period of one year, of two percent of the amount collected after receipt of such notice to cover possible refunds or overpayment of the tax and to redeem dishonored checks and drafts deposited to the credit of such accounts. After one year has elapsed after the effective date of abolition of the tax in such county, the director of revenue shall authorize the state treasurer to remit the balance in the account to the county and close the account of that county. The director of revenue shall notify each county of each instance of any amount refunded or any check redeemed from receipts due the county.

3. Except as modified in sections 67.391 to 67.395, all provisions of sections 32.085 [and] **to** 32.087 shall apply to the tax imposed under sections 67.391 to 67.395.

67.525. 1. All county sales taxes collected by the director of revenue under sections 67.500 to 67.545 on behalf of any county[, less one percent for cost of collection, which shall be deposited in the state's general revenue fund after payment of premiums for surety bonds as provided in section 32.087,] shall be deposited with the state treasurer in a county sales tax trust fund, which fund shall be separate and apart from the county sales tax trust fund established by section 66.620. [The moneys in such county sales tax trust fund shall not be deemed to be state funds and shall not be commingled with any funds of the state.] The director of revenue shall keep accurate records of the amount of money in the trust fund which was collected in each county imposing a county sales tax, and the records shall be open to the inspection of officers of the county and to the public. Not later than the tenth day of each month the director of revenue shall distribute all moneys deposited in the trust fund during the preceding month by distributing to the county treasurer, or such other officer as may be designated by the county ordinance or order, of each county imposing the tax authorized by sections 67.500 to 67.545, the sum due the county as certified by the director of revenue.

2. The director of revenue may authorize the state treasurer to make refunds from the amounts in the trust fund and credited to any county for erroneous payments and overpayments made, and may redeem dishonored checks and drafts deposited to the credit of such counties. If any county abolishes the tax, the county shall notify the director of revenue of the action at least ninety days prior to the effective date of the repeal, and the director of revenue may order retention in the trust fund, for a period of one year, of two percent of the amount collected after receipt of such notice to cover possible refunds or overpayment of the tax and to redeem dishonored checks and drafts deposited to the credit of such accounts. After one year has elapsed after the effective date of abolition of the tax in such county, the director of revenue shall authorize the state treasurer to remit the balance in the account to the county and close the account of that county. The director of revenue shall notify each county of each instance of any amount refunded or any check redeemed from receipts due the county.

3. Except as modified in sections 67.500 to 67.545, all provisions of sections 32.085 [and] **to** 32.087 shall apply to the tax imposed under sections 67.500 to 67.545.

67.571. 1. The governing body of any county of the first classification with a population of more than eighty-two thousand inhabitants and less than ninety thousand inhabitants may, in addition to any tourism sales tax imposed pursuant to sections 67.671 to 67.685, by a majority vote, impose a sales tax for the funding of museums and festivals. For purposes of this section, the term “funding of museums and festivals” shall mean:

(1) Funding of museums operating in the county, which are registered with the United States Internal Revenue Service as a 501(C)(3) corporation and which are considered by the board to be tourism attractions; and

(2) Funding of organizations that are registered as 501(C)(3) corporations which promote cultural heritage tourism including festivals and the arts.

2. Any question submitted to the voters of such county to establish a sales tax pursuant to this section shall be submitted in substantially the following form:

Shall the county of (insert the name of the county) impose a sales tax of (insert rate of percent) percent to be used to fund (museums, cultural heritage, festivals) in certain areas of the county?

☐ YES

☐ NO

3. If a majority of the votes cast on the proposal by the qualified voters voting thereon are in favor of the proposal, and the tax takes effect pursuant to this section, the museums and festivals board appointed pursuant to subsection 5 of this section shall determine in what manner the tax revenue moneys will be expended, and disbursements of these moneys shall be made strictly in accordance with directions of the board which are consistent with the provisions of sections 67.571 to 67.577. Expenditures of these tax moneys may be made for the employment of personnel selected by the board to assist in carrying out the duties of the board, and the board is expressly authorized to employ such personnel. Expenditures of these tax moneys may be made directly to corporations pursuant to subsection 1 of this section. No such tax revenue moneys shall be disbursed to or on behalf of any corporation, organization or entity that is not duly registered with the Internal Revenue Service as a 501(C)(3) organization.

4. Any sales tax imposed pursuant to this section shall be imposed at a rate not to exceed two-tenths of one percent on receipts from the sale of certain tangible personal property or taxable services within the county pursuant to sections 67.571 to 67.577.

5. The governing body of any county which imposes a sales tax pursuant to this section may establish a museums and festivals board for the purpose of expending funds collected from any sales tax submitted and approved by the county’s voters pursuant to this section. The board shall be comprised of six members who are appointed by the governing body of the county from a list of candidates supplied by the chair of each of the two major political parties of the county. The board shall be comprised of three members from each of the two political parties. Members shall serve for three-year terms, but of the members first appointed, one shall be appointed for a term of one year, two shall be appointed for a term of two years, and two shall be appointed for a term of three years. Each member shall be a resident of the county from which he or she is appointed. The members of the board shall not receive compensation for service on the board, but shall be reimbursed from the tax revenue money for any reasonable and necessary expenses incurred in service on the board.

6. In the area of each county in which a sales tax has been imposed in the manner provided by sections 67.571 to 67.577, every retailer within such area shall add the tax imposed by the provisions of sections

67.571 to 67.577 to his sale price, and this tax shall be a debt of the purchaser to the retailer until paid, and shall be recoverable at law in the same manner as the purchase price.

7. In counties imposing a tax under the provisions of sections 67.571 to 67.577, in order to permit sellers required to collect and report the sales tax to collect the amount required to be reported and remitted, but not to change the requirements of reporting or remitting the tax, or to serve as a levy of the tax, and in order to avoid fractions of pennies, the governing body may authorize the use of a bracket system similar to that authorized by the provisions of section 144.285, and notwithstanding the provisions of that section, this new bracket system shall be used where this tax is imposed and shall apply to all taxable transactions.

8. Except as modified in this section, all provisions of sections 32.085 to 32.087 shall apply to the tax imposed under this section.

67.576. 1. The following provisions shall govern the collection of the tax imposed by the provisions of sections 67.571 to 67.577:

(1) All applicable provisions contained in sections 144.010 to 144.510 governing the state sales tax and section 32.057, the uniform confidentiality provision, shall apply to the collection of the tax imposed by the provisions of sections 67.571 to 67.577;

(2) All exemptions granted to agencies of government, organizations, and persons under the provisions of sections 144.010 to 144.510 are hereby made applicable to the imposition and collection of the tax imposed by sections 67.571 to 67.577.

2. The same sales tax permit, exemption certificate and retail certificate required by sections 144.010 to 144.510 for the administration and collection of the state sales tax shall satisfy the requirements of sections 67.571 to 67.577, and no additional permit or exemption certificate or retail certificate shall be required; except that, the director of revenue may prescribe a form of exemption certificate for an exemption from the tax imposed by sections 67.571 to 67.577.

3. All discounts allowed the retailer pursuant to the provisions of the state sales tax law for the collection of and for payment of taxes pursuant to that act are hereby allowed and made applicable to any taxes collected pursuant to the provisions of sections 67.571 to 67.577.

4. The penalties provided in section 32.057 and sections 144.010 to 144.510 for a violation of those acts are hereby made applicable to violations of the provisions of sections 67.571 to 67.577.

5. [For the purposes of the sales tax imposed by an order pursuant to sections 67.571 to 67.577, all retail sales shall be deemed to be consummated at the place of business of the retailer] **Except as provided in sections 67.571 to 67.577, all provisions of sections 32.085 to 32.087 shall apply to the tax imposed under sections 67.571 to 67.577.**

67.578. 1. The governing authority of any county of the third classification without a township form of government and with more than sixteen thousand four hundred but less than sixteen thousand five hundred inhabitants may impose a sales tax in an amount not to exceed one-fifth of one percent on all retail sales made in the county which are subject to taxation pursuant to sections 144.010 to 144.525, to be used solely for the funding of museums. For purposes of this section, the term "museums" means museums operating in the county, which are registered with the United States Internal Revenue Service as a 501(c)(3) corporation and which are considered by the board to be a tourism attraction. The tax authorized by this section shall be in addition to any and all other sales taxes allowed by law, except that no sales tax shall be

imposed pursuant to this section unless the governing authority submits to the voters of the county, at a county or state general, primary, or special election, a proposal to authorize the governing authority to impose the tax.

2. The ballot of submission shall contain, but need not be limited to, the following language:

Shall the county of (insert the name of the county) impose a sales tax of (insert rate of percent) percent for the funding of museums? “Museums” means museums operating in the county, which are registered with the United States Internal Revenue Service as a 501(c)(3) corporation and which are considered by the museum board to be a tourism attraction.

☐ YES

☐ NO

If you are in favor of the question, place an “X” in the box opposite “YES”. If you are opposed to the question, place an “X” in the box opposite “NO”. If a majority of the votes cast on the proposal by the qualified voters voting thereon are in favor of the proposal, then the sales tax shall become effective on the first day of the second calendar quarter after the director of revenue receives notice of the adoption of the tax. If the proposal receives less than the required majority of votes, then the governing authority shall have no power to impose the tax unless and until the governing authority has again submitted another proposal to authorize the governing authority to impose the sales tax authorized by this section and such proposal is approved by the required majority of the qualified voters voting thereon.

3. On or after the effective date of the tax, the director of revenue shall be responsible for the administration, collection, enforcement, and operation of the tax, and sections 32.085 [and] **to** 32.087 shall apply. The director may retain an amount not to exceed one percent for deposit in the general revenue fund to offset the costs of collection. In order to permit sellers required to collect and report the sales tax to collect the amount required to be reported and remitted, but not to change the requirements of reporting or remitting the tax, or to serve as a levy of the tax, and in order to avoid fractions of pennies, the governing authority may authorize the use of a bracket system similar to that authorized in section 144.285, and notwithstanding the provisions of that section, this new bracket system shall be used where this tax is imposed and shall apply to all taxable transactions. Beginning with the effective date of the tax, every retailer in the county shall add the sales tax to the sale price, and this tax shall be a debt of the purchaser to the retailer until paid, and shall be recoverable at law in the same manner as the purchase price. For purposes of this section, all retail sales shall be deemed to be consummated at the place of business of the retailer.

4. All applicable provisions in sections 144.010 to 144.525 governing the state sales tax, and section 32.057, the uniform confidentiality provision, shall apply to the collection of the tax, and all exemptions granted to agencies of government, organizations, and persons pursuant to sections 144.010 to 144.525 are hereby made applicable to the imposition and collection of the tax. The same sales tax permit, exemption certificate, and retail certificate required by sections 144.010 to 144.525 for the administration and collection of the state sales tax shall satisfy the requirements of this section, and no additional permit or exemption certificate or retail certificate shall be required; except that, the director of revenue may prescribe a form of exemption certificate for an exemption from the tax. All discounts allowed the retailer pursuant to the state sales tax law for the collection of and for payment of taxes are hereby allowed and made applicable to the tax. The penalties for violations provided in section 32.057 and sections 144.010 to 144.525 are hereby made applicable to violations of this section. If any person is delinquent in the payment of the amount required to be paid pursuant to this section, or in the event a determination has been made

against the person for taxes and penalty pursuant to this section, the limitation for bringing suit for the collection of the delinquent tax and penalty shall be the same as that provided in sections 144.010 to 144.525.

5. The governing authority may authorize any museum board already existing in the county, or may establish a museum board, to expend revenue collected pursuant to this section. In the event that no museum board already exists, the board established pursuant to this section shall consist of six members who are appointed by the governing authority from a list of candidates supplied by the chair of each of the two major political parties of the county, with three members from each of the two parties. Members shall serve for three-year terms, but of the members first appointed, [one] **two** shall be appointed for a term of one year, two shall be appointed for a term of two years, and two shall be appointed for a term of three years. Each member shall be a resident of the county. The members shall not receive compensation for service on the board, but shall be reimbursed from the revenues collected pursuant to this section for any reasonable and necessary expenses incurred in service on the board. The board shall determine in what manner the revenues will be expended, and disbursements of these moneys shall be made strictly in accordance with this section. Expenditures may be made for the employment of personnel selected by the board to assist in carrying out the duties of the board, and the board is expressly authorized to employ such personnel.

6. The governing authority may submit the question of repeal of the tax to the voters at any county or state general, primary, or special election. The ballot of submission shall contain, but need not be limited to, the following language:

Shall the county of (insert name of county) repeal the sales tax of (insert rate of percent) percent for the funding of museums?

☐ YES

☐ NO

If you are in favor of the question, place an "X" in the box opposite "YES".

If you are opposed to the question, place an "X" in the box opposite "NO". [If a majority of the votes cast on the proposal are in favor of repeal, that repeal shall become effective on December thirty-first of the calendar year in which the repeal was approved.]

67.581. 1. In addition to the sales tax permitted by sections 66.600 to 66.630, any county of the first class having a charter form of government and having a population of nine hundred thousand or more may impose an additional countywide sales tax upon approval by a vote of the qualified voters of the county. The proposal may be submitted to the voters by the governing body of the county and shall be submitted to the voters at the next general election upon petitions signed by a number of qualified voters residing in the county equal to at least eight percent of the votes cast in the county in the next preceding gubernatorial election filed with the governing body of the county. The submission shall include the levying of a sales tax at a rate of not to exceed two hundred seventy-five one-thousandths of one percent on the receipts from the sale at retail of all tangible personal property or taxable services within the county which are also taxable under the provisions of sections 66.600 to 66.630, and shall provide for the distribution of the proceeds in the manner provided in either subsection 4 or subsection 5 of this section. If either of the alternative distribution systems as provided in subsection 4 or subsection 5 of this section is approved by the voters, then the alternative system of distribution may not be submitted to the voters for at least three years from the date of such voter approval.

2. The ballot of submission shall contain, but is not limited to, the following language:

Shall the County of levy an additional sales tax at the rate of (insert rate) and distribute the proceeds in the manner provided in (insert proper reference) (subsection 4)(subsection 5) of section 67.581, RSMo?

☐ YES

☐ NO

If a majority of the votes cast on the proposal by the qualified voters voting thereon are in favor of the proposal, the additional sales tax shall be levied and collected and the proceeds from the additional tax shall be distributed as provided in either subsection 4 or subsection 5 of this section. If a majority of the votes cast by the qualified voters voting thereon are opposed to the proposal, then the governing body of the county shall have no power to impose the additional sales tax authorized by this section unless and until a proposal for the levy of such tax is submitted to and approved by the voters of the county.

3. The provisions of sections 66.600 to 66.630 and sections 32.085 [and] **to** 32.087, except to the extent otherwise provided in this section, shall govern the levy, collection, distribution and other procedures related to an additional sales tax imposed pursuant to this section.

4. In any county adopting an additional sales tax pursuant to the provisions of this section, and selecting the method of distribution provided in this subsection, the proceeds from the sales tax imposed pursuant to this section, less one percent collection cost, shall be distributed first to those municipalities that did not receive during the preceding calendar year ninety-five percent of the amount the municipality would have received by multiplying the population of the municipality by the average per capita sales tax receipt for such county in an amount which will bring each municipality receipt of sales tax moneys up to ninety-five percent of the average per capita receipts from the proceeds of the sales tax imposed pursuant to sections 66.600 to 66.630. Any remainder of the money received from the sales tax imposed pursuant to this section shall be distributed to all municipalities on the ratio that the population of each municipality bears to the total population of the county. The average per capita sales tax distribution shall be calculated by dividing the sum of the total sales tax revenue derived from the tax imposed pursuant to sections 66.600 to 66.630 by the total population of the county. Population of each municipality, of the unincorporated area of the county, and the total population of the county shall be determined on the basis of the most recent federal decennial census. For the purposes of this subsection, any city, town, village or the unincorporated area of the county shall be considered a municipality.

5. In any county adopting an additional sales tax pursuant to the provisions of this section and selecting the method of distribution provided in this subsection, the proceeds from the sales tax imposed pursuant to this section, less one percent collection cost, shall be distributed to all cities, towns and villages, and the unincorporated areas of the county in group B and to such cities, towns and villages in group A as necessary so that no city, town, or village in group A receives from the combined proceeds of both the sales tax imposed pursuant to this section and the sales tax imposed pursuant to sections 66.600 to 66.630, less than the per capita amount received by the cities, towns and villages and the unincorporated area of the county in group B receives from the total proceeds from both sales taxes.

6. The governing body of any county which is imposing a sales tax under the provisions of sections 66.600 to 66.630 may on its own motion and shall, upon petitions filed with the governing body of the county signed by a number of qualified voters residing in the county equal to at least eight percent of the votes cast in the county at the next preceding gubernatorial election, submit to the qualified voters of the county a proposal to change the method of distribution of sales tax proceeds from the manner provided in subsection 2 of section 66.620 to the method provided in this subsection. The ballot of submission shall be

in substantially the following form:

Shall the proceeds from the county sales tax be distributed among the county of and the various cities, towns and villages therein in the manner provided in subdivisions (1) and (2) of subsection 6 of section 67.581, RSMo, in lieu of the present manner of distribution?

☐ YES

☐ NO

If a majority of the votes cast on the proposal by the qualified voters of the county voting thereon are in favor of the proposal, the sales tax imposed by the county under the provisions of sections 66.600 to 66.630 shall be distributed in the manner provided in this subsection and not in the manner provided in subsection 2 of section 66.620. If a majority of the votes cast by the qualified voters of the county voting thereon are opposed to the proposal, then the governing body of the county shall have no power to order the proceeds from the sales tax imposed pursuant to the provisions of sections 66.600 to 66.630 in the manner provided in this subsection in lieu of the method provided in subsection 2 of section 66.620, unless and until a proposal authorizing such method of distribution is submitted to and approved by the voters of the county. If the voters approve the change in the method of distribution of the sales tax proceeds in the manner provided in this subsection, the county clerk of the county shall notify the director of revenue of the change in the method of distribution within ten days after adoption of the proposal and shall inform the director of the effective date of the change in the method of distribution, which shall be on the first day of the third calendar quarter after the director of revenue receives notice. After the effective date of the change in the manner of distribution, the director of revenue shall distribute the proceeds of the sales tax imposed by such county under the provisions of sections 66.600 to 66.630 in the manner provided in this subsection in lieu of the manner of distribution provided in subsection 2 of section 66.620. The proceeds of the sales tax imposed under the provisions of sections 66.600 to 66.630 in any county which elects to have the proceeds distributed in the manner provided in this subsection shall be distributed in the following manner:

(1) The proceeds from the sales taxes shall be distributed to the cities, towns and villages in group A and to the cities, towns and villages, and the county in group B as defined in section 66.620 in the manner provided in subsection 2 of section 66.620, until an amount equal to the total amount distributed under section 66.620, for the twelve-month period immediately preceding the effective date of the tax levied pursuant to the provisions of this section has been distributed;

(2) All moneys received in excess of the total amount distributed under section 66.620 for the twelve-month period immediately preceding the effective date of the tax levied pursuant to the provisions of this section shall be distributed to all cities, towns and villages and to the county on the basis that the population of each city, town or village, and in the case of the county the basis that the population of the unincorporated area of the county, bears to the total population of the county. The average per capita sales tax distribution shall be calculated by dividing the sum of the remaining amount of the total sales tax revenues by the total population of the county. Population of each city, town or village, of the unincorporated area of the county, and the total population of the county shall be determined on the basis of the most recent federal decennial census.

7. No municipality incorporated after the adoption of the tax authorized by this section shall be included as other than part of the unincorporated area of the county nor receive any share of either the proceeds from the tax levied pursuant to the provisions of this section or the tax levied pursuant to the provisions of sections 66.600 to 66.630 unless, at the time of incorporation, such municipality had a population of ten thousand or more.

8. The county sales tax imposed pursuant to this section on the purchase and sale of motor vehicles shall not be collected and remitted by the seller, but shall be collected by the director of revenue at the time application is made for a certificate of title, if the address of the applicant is within the county imposing the additional sales tax. [The amounts so collected, less one percent collection cost, shall be deposited in the county sales tax trust fund to be distributed in accordance with section 66.620. The purchase or sale of motor vehicles shall be deemed to be consummated at the address of the applicant for a certificate of title.]

9. No tax shall be imposed pursuant to this section for the purpose of funding in whole or in part the construction, operation or maintenance of a sports stadium, field house, indoor or outdoor recreational facility, center, playing field, parking facility or anything incidental or necessary to a complex suitable for any type of professional sport, either upon, above or below the ground.

10. The director of revenue may authorize the state treasurer to make refunds from the amounts in the trust fund and credited to any county for erroneous payments and overpayments made, and may redeem dishonored checks and drafts deposited to the credit of such counties. If any county abolishes the tax, the county shall notify the director of revenue of the action at least ninety days prior to the effective date of the repeal and the director of revenue may order retention in the trust fund, for a period of one year, of two percent of the amount collected after receipt of such notice to cover possible refunds or overpayment of the tax and to redeem dishonored checks and drafts deposited to the credit of such accounts. After one year has elapsed after the effective date of abolition of the tax in such county, the director of revenue shall remit the balance in the account to the county and close the account of that county. The director of revenue shall notify each county of each instance of any amount refunded or any check redeemed from receipts due the county.

The tax authorized by this section shall be in addition to any and all other sales taxes allowed by law, except that no ordinance or order imposing a sales tax under the provisions of this section shall be effective unless the governing body of the county submits to the voters of the county, at a county or state general, primary or special election, a proposal to authorize the governing body of the county to impose a tax.

2. The ballot of submission shall contain, but need not be limited to, the following language:

[13.] 14. Once the sales tax authorized by this section is abolished or terminated by any means, all funds remaining in the trust fund shall be used solely for the purposes approved in the ballot question authorizing the sales tax. The sales tax shall not be abolished or terminated while the district has any financing or other obligations outstanding; provided that any new financing, debt, or other obligation or any restructuring or refinancing of an existing debt or obligation incurred more than ten years after voter approval of the sales tax provided in this section or more than ten years after any voter-approved extension thereof shall not cause the extension of the sales tax provided in this section or cause the final maturity of any financing or other obligations outstanding to be extended. Any funds in the trust fund which are not needed for current expenditures may be invested by the district in the securities described in subdivisions (1) to (12) of subsection 1 of section 30.270 or repurchase agreements secured by such securities. If the district abolishes

the sales tax, the district shall notify the director of revenue of the action at least ninety days before the effective date of the repeal, and the director of revenue may order retention in the trust fund, for a period of one year, of two percent of the amount collected after receipt of such notice to cover possible refunds or overpayment of the sales tax and to redeem dishonored checks and drafts deposited to the credit of such accounts. After one year has elapsed after the effective date of abolition of the sales tax in the district, the director of revenue shall remit the balance in the account to the district and close the account of the district. The director of revenue shall notify the district of each instance of any amount refunded or any check redeemed from receipts due the district.

[14.] **15.** In the event that the district is dissolved or terminated by any means, the governing bodies of the counties in the district shall appoint a person to act as trustee for the district so dissolved or terminated. Before beginning the discharge of duties, the trustee shall take and subscribe an oath to faithfully discharge the duties of the office, and shall give bond with sufficient security, approved by the governing bodies of the counties, to the use of the dissolved or terminated district, for the faithful discharge of duties. The trustee shall have and exercise all powers necessary to liquidate the district, and upon satisfaction of all remaining obligations of the district, shall pay over to the county treasurer of each county in the district and take receipt for all remaining moneys in amounts based on the ratio the levy of each county bears to the total levy for the district in the previous three years or since the establishment of the district, whichever time period is shorter. Upon payment to the county treasurers, the trustee shall deliver to the clerk of the governing body of any county in the district all books, papers, records, and deeds belonging to the dissolved district.

67.2030. 1. The governing authority of any city of the fourth classification with more than one thousand six hundred but less than one thousand seven hundred inhabitants and located in any county of the first classification with more than seventy-three thousand seven hundred but less than seventy-three thousand eight hundred inhabitants is hereby authorized to impose, by ordinance or order, a sales tax in the amount not to exceed one-half of one percent on all retail sales made in such city which are subject to taxation pursuant to sections 144.010 to 144.525 for the promotion of tourism in such city. The tax authorized by this section shall be in addition to any and all other sales taxes allowed by law, except that no ordinance or order imposing a sales tax pursuant to this section shall be effective unless the governing authority of the city submits to the qualified voters of the city, at any municipal or state general, primary, or special election, a proposal to authorize the governing authority of the city to impose a tax.

2. The ballot of submission shall be in substantially the following form:

Shall the city of (city's name) impose a citywide sales tax of (insert amount) for the purpose of promoting tourism in the city?

☐ YES

☐ NO

If you are in favor of the question, place an "X" in the box opposite "YES". If you are opposed to the question, place an "X" in the box opposite "NO".

If a majority of the votes cast on the proposal by the qualified voters voting thereon are in favor of the proposal, then the ordinance or order and any amendments thereto shall be in effect [on the first day of the first calendar quarter immediately following notification to the director of the department of revenue of the election approving the proposal] **as provided by section 32.087**. If a proposal receives less than the required majority, then the governing authority of the city shall have no power to impose the sales tax unless and until the governing authority of the city has submitted another proposal to authorize the imposition of the sales tax authorized by this section and such proposal is approved by the required majority of the qualified

voters voting thereon. However, in no event shall a proposal pursuant to this section be submitted to the voters sooner than twelve months from the date of the last proposal pursuant to this section.

3. [On and after the effective date of any tax authorized in this section, the city may adopt one of the two following provisions for the collection and administration of the tax:

(1) The city may adopt rules and regulations for the internal collection of such tax by the city officers usually responsible for collection and administration of city taxes; or

(2) The city may enter into an agreement with the director of revenue of the state of Missouri for the purpose of collecting the tax authorized in this section. In the event any city enters into an agreement with the director of revenue of the state of Missouri for the collection of the tax authorized in this section, the director of revenue shall perform all functions incident to the administration, collection, enforcement, and operation of such tax, and the director of revenue shall collect the additional tax authorized in this section. The tax authorized in this section shall be collected and reported upon such forms and under such administrative rules and regulations as may be prescribed by the director of revenue, and the director of revenue shall retain an amount not to exceed one percent for cost of collection.

4. If a tax is imposed by a city pursuant to this section, the city may collect a penalty of one percent and interest not to exceed two percent per month on unpaid taxes which shall be considered delinquent thirty days after the last day of each quarter] **After the effective date of any tax imposed under the provisions of this section, the director of revenue shall perform all functions incident to the administration, collection, enforcement, and operation of the tax and collect, in addition to the sales tax for the state of Missouri, the additional tax authorized under the authority of this section. The tax imposed under this section and the tax imposed under the sales tax law of the state of Missouri shall be collected together and reported upon such forms and under such administrative rules and regulations as may be prescribed by the director of revenue.**

[5.] 4. (1) The governing authority of any city that has adopted any sales tax pursuant to this section shall, upon filing of a petition calling for the repeal of such sales tax signed by at least ten percent of the qualified voters in the city, submit the question of repeal of the sales tax to the qualified voters at any primary or general election. The ballot of submission shall be in substantially the following form:

Shall (insert name of city) repeal the sales tax of (insert rate of percent) percent for tourism purposes now in effect in (insert name of city)?

☐ YES

☐ NO

If you are in favor of the question, place an “X” in the box opposite “YES”. If you are opposed to the question, place an “X” in the box opposite “NO”.

If a majority of the votes cast on the proposal are in favor of repeal, that repeal shall become effective on December thirty-first of the calendar year in which such repeal was approved. **If the city or county abolishes the tax, the city or county shall notify the director of revenue of the action at least one hundred twenty days prior to the effective date of the repeal.**

(2) Once the tax is repealed as provided in this section, all funds remaining in any trust fund or account established to receive revenues generated by the tax shall be used solely for the original stated purpose of the tax. Any funds which are not needed for current expenditures may be invested by the governing authority in accordance with applicable laws relating to the investment of other city funds.

(3) The governing authority of a city repealing a tax pursuant to this section shall notify the director of

revenue of the action at least forty-five days before the effective date of the repeal and the director of revenue may order retention in any trust fund created in the state treasury associated with the tax, for a period of one year, of two percent of the amount collected after receipt of such notice to cover refunds or overpayment of the tax and to redeem dishonored checks and drafts deposited to the credit of such accounts. After one year has elapsed after the effective date of repeal of the tax in the city, the director of revenue shall remit the balance in the trust fund to the city and close the account of that city. The director of revenue shall notify each city of each instance of any amount refunded or any check redeemed from receipts due the city.

(4) In the event that the repeal of a sales tax pursuant to this section dissolves or terminates a taxing district, the governing authority of the city shall appoint a person to act as trustee for the district so dissolved or terminated. Before beginning the discharge of duties, the trustee shall take and subscribe an oath to faithfully discharge the duties of the office, and shall give bond with sufficient security, approved by the governing authority of the city, to the use of the dissolved or terminated district, for the faithful discharge of duties. The trustee shall have and exercise all powers necessary to liquidate the district, and upon satisfaction of all remaining obligations of the district, shall pay over to the city treasurer or the equivalent official and take receipt for all remaining moneys. Upon payment to the city treasurer, the trustee shall deliver to the clerk of the governing authority of the city all books, papers, records, and deeds belonging to the dissolved district.

[6.] 5. Except as modified in this section, all provisions of sections 32.085 [and] to 32.087 shall apply to the tax imposed pursuant to this section.

67.2525. 1. Each member of the board of directors shall have the following qualifications:

(1) As to those subdistricts in which there are registered voters, a resident registered voter in the subdistrict that he or she represents, or be a property owner or, as to those subdistricts in which there are not registered voters who are residents, a property owner or representative of a property owner in the subdistrict he or she represents;

(2) Be at least twenty-one years of age and a registered voter in the district.

2. The district shall be subdivided into at least five but not more than fifteen subdistricts, which shall be represented by one representative on the district board of directors. All board members shall have terms of four years, including the initial board of directors. All members shall take office upon being appointed and shall remain in office until a successor is appointed by the mayor or chairman of the municipality in which the district is located, or elected by the property owners in those subdistricts without registered voters.

3. For those subdistricts which contain one or more registered voters, the mayor or chairman of the city, town, or village shall, with the consent of the governing body, appoint a registered voter residing in the subdistrict to the board of directors.

4. For those subdistricts which contain no registered voters, the property owners who collectively own one or more parcels of real estate comprising more than half of the land situated in each subdistrict shall meet and shall elect a representative to serve upon the board of directors. The clerk of the city, town, or village in which the petition was filed shall, unless waived in writing by all property owners in the subdistrict, give notice by causing publication to be made once a week for two consecutive weeks in a newspaper of general circulation in the county, the last publication of which shall be at least ten days before the day of the meeting required by this section, to call a meeting of the owners of real property within the subdistrict at a day and hour specified in a public place in the city, town, or village in which the petition was

filed for the purpose of electing members of the board of directors.

5. The property owners, when assembled, shall organize by the election of a temporary chairman and secretary of the meeting who shall conduct the election. An election shall be conducted for each subdistrict, with the eligible property owners voting in that subdistrict. At the election, each acre of real property within the subdistrict shall represent one share, and each owner, including corporations and other entities, may have one vote in person or for every acre of real property owned by such person within the subdistrict. Each voter which is not an individual shall determine how to cast its vote as provided for in its articles of incorporation, articles of organization, articles of partnership, bylaws, or other document which sets forth an appropriate mechanism for the determination of the entity's vote. If a voter has no such mechanism, then its vote shall be cast as determined by a majority of the persons who run the day-to-day affairs of the voter. The results of the meeting shall be certified by the temporary chairman and secretary to the municipal clerk if the district is established by a municipality described in this section, or to the circuit clerk if the district is established by a circuit court.

6. Successor boards shall be appointed or elected, depending upon the presence or absence of resident registered voters, by the mayor or chairman of a city, town, or village described in this section, or the property owners as set forth above; provided, however, that elections held by the property owners after the initial board is elected shall be certified to the municipal clerk of the city, town, or village where the district is located and the board of directors of the district.

7. Should a vacancy occur on the board of directors, the mayor or chairman of the city, town, or village if there are registered voters within the subdistrict, or a majority of the owners of real property in a subdistrict if there are not registered voters in the subdistrict, shall have the authority to appoint or elect, as set forth in this section, an interim director to complete any unexpired term of a director caused by resignation or disqualification.

8. The board shall possess and exercise all of the district's legislative and executive powers, including:

(1) The power to fund, promote and provide educational, civic, musical, theatrical, cultural, concerts, lecture series, and related or similar entertainment events or activities, and fund, promote, plan, design, construct, improve, maintain, and operate public improvements, transportation projects, and related facilities within the district;

(2) The power to accept and disburse tax or other revenue collected in the district; and

(3) The power to receive property by gift or otherwise.

9. Within thirty days after the selection of the initial directors, the board shall meet. At its first meeting and annually thereafter the board shall elect a chairman from its members.

10. The board shall appoint an executive director, district secretary, treasurer, and such other officers or employees as it deems necessary.

11. At the first meeting, the board, by resolution, shall define the first and subsequent fiscal years of the district, and shall adopt a corporate seal.

12. A simple majority of the board shall constitute a quorum. If a quorum exists, a majority of those voting shall have the authority to act in the name of the board, and approve any board resolution.

13. At the first meeting, the board, by resolution, shall receive the certification of the election regarding the sales tax, and may impose the sales tax in all subdistricts approving the imposing sales tax. In those

subdistricts that approve the sales tax, the sales tax shall become effective [on the first day of the first calendar quarter immediately following the action by the district board of directors imposing the tax] **as provided by section 32.087.**

14. Each director shall devote such time to the duties of the office as the faithful discharge thereof may require and be reimbursed for his or her actual expenditures in the performance of his or her duties on behalf of the district. Directors may be compensated, but such compensation shall not exceed one hundred dollars per month.

15. In addition to all other powers granted by sections 67.2500 to 67.2530, the district shall have the following general powers:

(1) To sue and be sued in its own name, and to receive service of process, which shall be served upon the district secretary;

(2) To fix compensation of its employees and contractors;

(3) To enter into contracts, franchises, and agreements with any person or entity, public or private, affecting the affairs of the district, including contracts with any municipality, district, or state, or the United States, and any of their agencies, political subdivisions, or instrumentalities, for the funding, including without limitation, interest rate exchange or swap agreements, planning, development, construction, acquisition, maintenance, or operation of a district facility or to assist in such activity;

(4) To acquire, develop, construct, equip, transfer, donate, lease, exchange, mortgage, and encumber real and personal property in furtherance of district purposes;

(5) To collect and disburse funds for its activities;

(6) To collect taxes and other revenues;

(7) To borrow money and incur indebtedness and evidence the same by certificates, notes, bonds, debentures, or refunding of any such obligations for the purpose of paying all or any part of the cost of land, construction, development, or equipping of any facilities or operations of the district;

(8) To own or lease real or personal property for use in connection with the exercise of powers pursuant to this subsection;

(9) To provide for the election or appointment of officers, including a chairman, treasurer, and secretary. Officers shall not be required to be residents of the district, and one officer may hold more than one office;

(10) To hire and retain agents, employees, engineers, and attorneys;

(11) To enter into entertainment contracts binding the district and artists, agencies, or performers, management contracts, contracts relating to the booking of entertainment and the sale of tickets, and all other contracts which relate to the purposes of the district;

(12) To contract with a local government, a corporation, partnership, or individual regarding funding, promotion, planning, designing, constructing, improving, maintaining, or operating a project or to assist in such activity;

(13) To contract for transfer to a city, town, or village such district facilities and improvements free of cost or encumbrance on such terms set forth by contract;

(14) To exercise such other powers necessary or convenient for the district to accomplish its purposes which are not inconsistent with its express powers.

16. A district may at any time authorize or issue notes, bonds, or other obligations for any of its powers or purposes. Such notes, bonds, or other obligations:

(1) Shall be in such amounts as deemed necessary by the district, including costs of issuance thereof;

(2) Shall be payable out of all or any portion of the revenues or other assets of the district;

(3) May be secured by any property of the district which may be pledged, assigned, mortgaged, or otherwise encumbered for payment;

(4) Shall be authorized by resolution of the district, and if issued by the district, shall bear such date or dates, and shall mature at such time or times, but not in excess of forty years, as the resolution shall specify;

(5) Shall be in such denomination, bear interest at such rates, be in such form, be issued as current interest bonds, compound interest bonds, variable rate bonds, convertible bonds, or zero coupon bonds, be issued in such manner, be payable in such place or places and subject to redemption as such resolution may provide; and

(6) May be sold at either public or private sale, at such interest rates, and at such price or prices as the district shall determine.

The provisions of this subsection are applicable to the district notwithstanding the provisions of section 108.170.

67.2530. 1. Any note, bond, or other indebtedness of the district may be refunded at any time by the district by issuing refunding bonds in such amount as the district may deem necessary. Such bonds shall be subject to and shall have the benefit of the foregoing provisions regarding notes, bonds, and other obligations. Without limiting the generality of the foregoing, refunding bonds may include amounts necessary to finance any premium, unpaid interest, and costs of issuance in connection with the refunding bonds. Any such refunding may be effected whether the bonds to be refunded then shall have matured or thereafter shall mature, either by sale of the refunding bonds and the application of the proceeds thereof to the payment of the obligations being refunded or the exchange of the refunding bonds for the obligations being refunded with the consent of the holders of the obligations being refunded.

2. Notes, bonds, or other indebtedness of the district shall be exclusively the responsibility of the district payable solely out of the district funds and property and shall not constitute a debt or liability of the state of Missouri or any agency or political subdivision of the state. Any notes, bonds, or other indebtedness of the district shall state on their face that they are not obligations of the state of Missouri or any agency or political subdivision thereof other than the district.

3. Any district may by resolution impose a district sales tax of up to one-half of one percent on all retail sales made in such district that are subject to taxation pursuant to the provisions of sections 144.010 to 144.525. Upon voter approval, and receiving the necessary certifications from the governing body of the municipality in which the district is located, or from the circuit court if the district was formed by the circuit court, the board of directors shall have the power to impose a sales tax at its first meeting, or any meeting thereafter. Voter approval of the question of the imposing sales tax shall be in accordance with section 67.2520. [The sales tax shall become effective in those subdistricts that approve the sales tax on the first day of the first calendar quarter immediately following the passage of a resolution by the board of directors imposing the sales tax.

4. In each district in which a sales tax has been imposed in the manner provided by this section, every retailer shall add the tax imposed by the district pursuant to this section to the retailer's sale price, and when

so added, such tax shall constitute a part of the price, shall be a debt of the purchaser to the retailer until paid, and shall be recoverable at law in the same manner as the purchase price.

5. In order to permit sellers required to collect and report the sales tax authorized by this section to collect the amount required to be reported and remitted, but not to change the requirements of reporting or remitting tax or to serve as a levy of the tax, and in order to avoid fractions of pennies, the district may establish appropriate brackets which shall be used in the district imposing a tax pursuant to this section in lieu of those brackets provided in section 144.285.

6.] 4. All revenue received by a district from the sales tax authorized by this section shall be deposited in a special trust fund and shall be used solely for the purposes of the district. Any funds in such special trust fund which are not needed for the district's current expenditures may be invested by the district board of directors in accordance with applicable laws relating to the investment of other district funds.

[7.] 5. The sales tax may be imposed at a rate of up to one-half of one percent on the receipts from the sale at retail of all tangible personal property or taxable services at retail within the district adopting such tax, if such property and services are subject to taxation by the state of Missouri pursuant to the provisions of sections 144.010 to 144.525. Any district sales tax imposed pursuant to this section shall be imposed at a rate that shall be uniform throughout the subdistricts approving the sales tax.

[8. The resolution imposing the sales tax pursuant to this section shall impose upon all sellers a tax for the privilege of engaging in the business of selling tangible personal property or rendering taxable services at retail to the extent and in the manner provided in sections 144.010 to 144.525 and the rules and regulations of the director of revenue issued pursuant thereto; except that the rate of the tax shall be the rate imposed by the resolution as the sales tax and the tax shall be reported and returned to and collected by the district.

9. (1) On and after the effective date of any sales tax imposed pursuant to this section, the district shall perform all functions incident to the administration, collection, enforcement, and operation of the tax. The sales tax imposed pursuant to this section shall be collected and reported upon such forms and under such administrative rules and regulations as may be prescribed by the district.

(2)] 6. After the effective date of any tax imposed under the provisions of this section, the director of revenue shall perform all functions incident to the administration, collection, enforcement, and operation of the tax and collect, in addition to the sales tax for the state of Missouri, the additional tax authorized under the authority of this section. The tax imposed under this section and the tax imposed under the sales tax law of the state of Missouri shall be collected together and reported upon such forms and under such administrative rules and regulations as may be prescribed by the director of revenue.

7. All [such] sales taxes [collected by the district] shall be deposited by the district in a special fund to be expended for the purposes authorized in this section. The district shall keep accurate records of the amount of money which was collected pursuant to this section, and the records shall be open to the inspection of officers of each district and the general public.

[(3) The district may contract with the municipality that the district is within for the municipality to collect any revenue received by the district and, after deducting the cost of such collection, but not to exceed one percent of the total amount collected, deposit such revenue in a special trust account. Such revenue and interest may be applied by the municipality to expenses, costs, or debt service of the district at the direction of the district as set forth in a contract between the municipality and the district.

10. (1) All applicable provisions contained in sections 144.010 to 144.525 governing the state sales tax, sections 32.085 and 32.087, and section 32.057, the uniform confidentiality provision, shall apply to the collection of the tax imposed by this section, except as modified in this section.

(2) All exemptions granted to agencies of government, organizations, persons, and to the sale of certain articles and items of tangible personal property and taxable services pursuant to the provisions of sections 144.010 to 144.525 are hereby made applicable to the imposition and collection of the tax imposed by this section.

(3) The same sales tax permit, exemption certificate, and retail certificate required by sections 144.010 to 144.525 for the administration and collection of the state sales tax shall satisfy the requirements of this section, and no additional permit or exemption certificate or retail certificate shall be required; except that the district may prescribe a form of exemption certificate for an exemption from the tax imposed by this section.

(4) All discounts allowed the retailer pursuant to the provisions of the state sales tax laws for the collection of and for payment of taxes pursuant to such laws are hereby allowed and made applicable to any taxes collected pursuant to the provisions of this section.

(5) The penalties provided in section 32.057 and sections 144.010 to 144.525 for violation of those sections are hereby made applicable to violations of this section.

(6) For the purpose of a sales tax imposed by a resolution pursuant to this section, all retail sales shall be deemed to be consummated at the place of business of the retailer unless the tangible personal property sold is delivered by the retailer or the retailer's agent to an out-of-state destination or to a common carrier for delivery to an out-of-state destination. In the event a retailer has more than one place of business in this state which participates in the sale, the sale shall be deemed to be consummated at the place of business of the retailer where the initial order for the tangible personal property is taken, even though the order must be forwarded elsewhere for acceptance, approval of credit, shipment, or billing.

A sale by a retailer's employee shall be deemed to be consummated at the place of business from which the employee works.

(7)] **8.** Subsequent to the initial approval by the voters and implementation of a sales tax in the district, the rate of the sales tax may be increased, but not to exceed a rate of one-half of one percent on retail sales as provided in this subsection. The election shall be conducted in accordance with section 67.2520; provided, however, that the district board of directors may place the question of the increase of the sales tax before the voters of the district by resolution, and the municipal clerk of the city, town, or village which originally conducted the incorporation of the district, or the circuit clerk of the court which originally conducted the incorporation of the district, shall conduct the subsequent election. In subsequent elections, the election judges shall certify the election results to the district board of directors. The ballot of submission shall be in substantially the following form:

Shall (name of district) increase the (insert amount) percent district sales tax now in effect to..... (insert amount) in the (name of district)?

☐ YES

☐ NO

If you are in favor of the question, place an "X" in the box opposite "YES". If you are opposed to the question, place an "X" in the box opposite "NO".

If a majority of the votes cast on the proposal by the qualified voters of the district voting thereon are in

favor of the increase, the increase shall become effective [December thirty-first of the calendar year in which such increase was approved] **as provided by section 32.087.**

[11.] **9.** (1) There shall not be any election as provided for in this section while the district has any financing or other obligations outstanding.

(2) The board, when presented with a petition signed by at least one-third of the registered voters in a district that voted in the last gubernatorial election, or signed by at least two-thirds of property owners of the district, calling for an election to dissolve and repeal the tax shall submit the question to the voters using the same procedure by which the imposing tax was voted. The ballot of submission shall be in substantially the following form:

Shall (name of district) dissolve and repeal the (insert amount) percent district sales tax now in effect in the (name of district)?

☐ YES

☐ NO

If you are in favor of the question, place an "X" in the box opposite "YES". If you are opposed to the question, place an "X" in the box opposite "NO".

Such subsequent elections for the repeal of the sales tax shall be conducted in accordance with section 67.2520; provided, however, that the district board of directors may place the question of the repeal of the sales tax before the voters of the district, and the municipal clerk of the city, town, or village which originally conducted the incorporation of the district, or the circuit clerk of the court which originally conducted the incorporation of the district, shall conduct the subsequent election. In subsequent elections the election judges shall certify the election results to the district board of directors.

(3) If a majority of the votes cast on the proposal by the qualified voters of the district voting thereon are in favor of repeal, that repeal shall become effective December thirty-first of the calendar year in which such repeal was approved or after the repayment of the district's indebtedness, whichever occurs later. **If the district abolishes the tax, the district shall notify the director of revenue of the action at least one hundred twenty days prior to the effective date of the repeal.**

[12.] **10.** (1) At such time as the board of directors of the district determines that further operation of the district is not in the best interests of the inhabitants of the district, and that the district should dissolve, the board shall submit for a vote in an election held throughout the district the question of whether the district should be abolished. The question shall be submitted in substantially the following form:

Shall the theater, cultural arts, and entertainment district be abolished?

☐ YES

☐ NO

If you are in favor of the question, place an "X" in the box opposite "YES". If you are opposed to the question, place an "X" in the box opposite "NO".

(2) The district board shall not propose the question to abolish the district while there are outstanding claims or causes of action pending against the district, while the district liabilities exceed its assets, while indebtedness of the district is outstanding, or while the district is insolvent, in receivership or under the jurisdiction of the bankruptcy court.

Prior to submitting the question to abolish the district to a vote of the entire district, the state auditor shall audit the district to determine the financial status of the district, and whether the district may be abolished pursuant to law. The vote on the abolition of the district shall be conducted by the municipal clerk of the

city, town, or village in which the district is located. The procedure shall be the same as in section 67.2520, except that the question shall be determined by the qualified voters of the entire district. No individual subdistrict may be abolished, except at such time as the district is abolished.

(3) While the district still exists, it shall continue to accrue all revenues to which it is entitled at law.

(4) Upon receipt by the board of directors of the district of the certification by the city, town, or village in which the district is located that the majority of those voting within the entire district have voted to abolish the district, and if the state auditor has determined that the district's financial condition is such that it may be abolished pursuant to law, then the board of directors of the district shall:

(a) Sell any remaining district real or personal property it wishes, and then transfer the proceeds and any other real or personal property owned by the district to the city, town, or village in which the district is located, including revenues due and owing the district, for its further use and disposition;

(b) Terminate the employment of any remaining district employees, and otherwise conclude its affairs;

(c) At a public meeting of the district, declare by a resolution of the board of directors passed by a majority vote that the district has been abolished effective that date;

(d) Cause copies of that resolution under seal to be filed with the secretary of state and the city, town, or village in which the district is located. Upon the completion of the final act specified in this subsection, the legal existence of the district shall cease.

(5) The legal existence of the district shall not cease for a period of two years after voter approval of the abolition.

11. Except as provided in this section, all provisions of sections 32.085 to 32.087 shall apply to the tax imposed under this section.”; and

Further amend said bill, Page 26, Section 92.387, Line 2, by inserting after all of said section the following:

“94.578. 1. In addition to the sales tax authorized in section 94.577, the governing body of any home rule city with more than one hundred fifty-one thousand five hundred but less than one hundred fifty-one thousand six hundred inhabitants is hereby authorized to impose, by order or ordinance, a sales tax on all retail sales made within the city which are subject to sales tax under chapter 144. The tax authorized in this section may be imposed at a rate of one-eighth, one-fourth, three-eighths, or one-half of one percent, but shall not exceed one-half of one percent, shall not be imposed for longer than three years, and shall be imposed solely for the purpose of funding the construction, operation, and maintenance of capital improvements in the city's center city. The governing body may issue bonds for the funding of such capital improvements, which will be retired by the revenues received from the sales tax authorized by this section. The order or ordinance shall not become effective unless the governing body of the city submits to the voters residing within the city at a state or municipal general, primary, or special election a proposal to authorize the governing body of the city to impose a tax under this section. For purposes of this subsection, an “affiliated person” means any person that is a member of the same “controlled group of corporations” as defined in Section 1563(a) of the Internal Revenue Code of 1986, as amended, as the vendor or any other entity that, notwithstanding its form of organization, bears the same ownership relationship to the vendor as a corporation that is a member of the same “controlled group of corporations” as defined in Section 1563(a) of the Internal Revenue Code, as amended.

144.040. 1. (1) All retail sales in Missouri, excluding leases and rentals, of tangible personal property or digital goods shall be sourced to the location where the order is received by the seller.

(2) This subsection shall apply only if:

(a) The location where receipt of the product by the purchaser occurs is determined in accordance with subsection 2 of this section; and

(b) At the time the order is received, the record keeping system of the seller used to calculate the proper amount of sales or use tax to be imposed captures the location where the order is received.

(3) When the sale is sourced under this section to the location where the order is received by the seller, only the sales tax for the location where the order is received by the seller may be levied. No additional sales or use tax based on the location where the product is delivered to the purchaser may be levied on that sale. The purchaser shall not be entitled to any refund if the combined state and local rate or rates at the location where the product is received by the purchaser is lower than the rate where the order is received by the seller.

(4) A purchaser shall have no additional liability to the state for tax, penalty or interest on a sale for which the purchaser remits tax to the seller in the amount invoiced by the seller if such invoice amount is calculated at either the rate applicable to the location where receipt by the purchaser occurs or at the rate applicable to the location where the order is received by the seller. A purchaser may rely on a written representation by the seller as to the location where the order for such sale was received by the seller. When the purchaser does not have a written representation by the seller as to the location where the order for such sale was received by the seller, the purchaser may use a location indicated by a business address for the seller that is available from the business records of the purchaser that are maintained in the ordinary course of the purchaser's business to determine the rate applicable to the location where the order was received.

(5) The location where the order is received by or on behalf of the seller means the physical location of a seller or third party such as an established outlet, office location or automated order receipt system operated by or on behalf of the seller where an order is initially received by or on behalf of the seller and not where the order may be subsequently accepted, completed or fulfilled. An order is received when all of the information from the purchaser necessary to the determination whether the order can be accepted has been received by or on behalf of the seller. The location from which a product is shipped shall not be used in determining the location where the order is received by the seller.

(6) When taxable services are sold with tangible personal property or digital products pursuant to a single contract or in the same transaction, are billed on the same billing statement or statements, and, because of the application of this section, would be sourced to different jurisdictions, this subsection shall apply to determine the source for tax.

2. Except as provided in subsection 7 of this section, when the location where the order is received by the seller and the location where the receipt of the product by the purchaser (or the purchaser's donee, designated as such by the purchaser) occurs are in different states, the retail sale, excluding lease or rental, of a product shall be sourced as follows:

(1) When the product is received by the purchaser at a business location of the seller, the sale shall be sourced to such business location;

(2) When the product is not received by the purchaser at a business location of the seller, the sale shall be sourced to the location where receipt by the purchaser (or the purchaser's donee, designated as such by the purchaser) occurs, including the location indicated by instructions for delivery to the purchaser or donee, known to the seller;

(3) When subdivisions (1) and (2) of this subsection do not apply, the sale shall be sourced to the location indicated by an address for the purchaser that is available from the business records of the seller that are maintained in the ordinary course of the seller's business when use of this address does not constitute bad faith;

(4) When subdivisions (1), (2), and (3) of this subsection do not apply, the sale shall be sourced to the location indicated by an address for the purchaser obtained during the consummation of the sale, including the address of a purchaser's payment instrument, if no other address is available, when use of this address does not constitute bad faith;

(5) When none of the previous rules of subdivisions (1), (2), (3), and (4) of this subsection do not apply, including the circumstances in which the seller is without sufficient information to apply the previous rules, then the location will be determined by the address from which tangible personal property was shipped, from which the digital good or computer software delivered electronically was first available for transmission from the seller, or from which the service was provided (disregarding for these purposes any location that merely provided the digital transfer of the product sold).

3. Notwithstanding subsections 1 and 2 of this section, all sales of motor vehicles, trailers, semitrailers, watercraft and aircraft that do not qualify as transportation equipment shall be sourced to the address of the owner thereof.

4. The lease or rental of tangible personal property, other than property identified in subsection 2 or 3 of this section or transactions regulated under sections 407.660 to 407.665, shall be sourced as follows:

(1) For a lease or rental that requires recurring periodic payments, the first periodic payment is sourced the same as a retail sale in accordance with the provisions of subsection 1 of this section. Periodic payments made subsequent to the first payment are sourced to the primary property location for each period covered by the payment. The primary property location shall be as indicated by an address for the property provided by the lessee that is available to the lessor from its records maintained in the ordinary course of business, when use of this address does not constitute bad faith. The property location shall not be altered by intermittent use at different locations, such as use of business property that accompanies employees on business trips and service calls;

(2) For a lease or rental that does not require recurring periodic payments, the payment is sourced the same as a retail sale in accordance with the provisions of subsection 1 of this section;

(3) This subsection does not affect the imposition or computation of sales or use tax on leases or rentals based on a lump sum or accelerated basis, or on the acquisition of property for lease.

5. The lease or rental of motor vehicles, trailers, semitrailers, or aircraft that do not qualify as transportation equipment, as defined in section 144.010, shall be sourced as follows:

(1) For a lease or rental that requires recurring periodic payments, each periodic payment is sourced to the primary property location. The primary property location shall be as indicated by an address for the property provided by the lessee that is available to the lessor from its records maintained in the ordinary course of business, when use of such address does not constitute bad faith. Such location shall not be altered by intermittent use at different locations;

(2) For a lease or rental that does not require recurring periodic payments, the payment is sourced the same as a retail sale in accordance with the provisions of subsection 1 of this section;

(3) This subsection does not affect the imposition or computation of sales or use tax on leases or rentals based on a lump sum or accelerated basis, or on the acquisition of property for lease.

6. The retail sale, including lease or rental, of transportation equipment shall be sourced the same as a retail sale in accordance with the provisions of subsection 1 of this section, notwithstanding the exclusion of lease or rental in subsection 1 of this section.

7. (1) The retail sale of a product shall be sourced in accordance with this section. The provisions of this section shall apply regardless of the characterization of a product as tangible personal property, a digital good, or a service. The provisions of this section shall only apply to determine a seller's obligation to pay or collect and remit sales or use tax with respect to the seller's retail sale of a product. The provisions of this subsection shall not affect the obligation of a purchaser or lessee to remit tax on the use of the product to the taxing jurisdictions of that use.

(2) This section shall not apply to sales or use taxes levied on the following:

(a) Retail sales or transfers of watercraft, modular homes, manufactured homes, or mobile homes; and

The purchaser shall source the sale to the jurisdictions to which the advertising and promotional direct mail is to be delivered to the recipients and shall report and pay any applicable tax due.

(3) If the purchaser provides the seller information showing the jurisdictions to which the advertising and promotional direct mail is to be delivered to recipients, the seller shall source the sale to the jurisdictions to which the advertising and promotional direct mail is to be delivered and shall collect and remit the applicable tax. In the absence of bad faith, the seller is relieved of any further obligation to collect any additional tax on the sale of advertising and promotional direct mail where the seller has sourced the sale according to the delivery information provided by the purchaser.

(4) If the purchaser does not provide the seller with any of the items listed in paragraph (a), (b) or (c) of subdivision (1) of subsection 1 of this section, the sale shall be sourced according to subdivision (5) of subsection 2 of section 144.040. The state to which the advertising and promotional direct mail is delivered may disallow credit for tax paid on sales sourced under this subdivision.

(5) Notwithstanding section 144.040, this subsection shall apply to sales of advertising and promotional direct mail.

company approved by the director of revenue may pay the tax due on any motor vehicle, trailer, boat, or outboard motor as required in section 144.020 at the time of registration thereof or in lieu thereof may pay a sales tax as provided in sections 144.010, 144.020, 144.070 and 144.440. A sales tax shall be charged to and paid by a leasing company which does not exercise the option of paying in accordance with section 144.020, on the amount charged for each rental or lease agreement while the motor vehicle, trailer, boat, or outboard motor is domiciled in this state. Any motor vehicle, trailer, boat, or outboard motor which is leased as the result of a contract executed in this state shall be presumed to be domiciled in this state.

[6.] **5.** Any corporation may have one or more of its divisions separately apply to the director of revenue for authorization to operate as a leasing company, provided that the corporation:

(1) Has filed a written consent with the director authorizing any of its divisions to apply for such authority;

(2) Is authorized to do business in Missouri;

(3) Has agreed to treat any sale of a motor vehicle, trailer, boat, or outboard motor from one of its divisions to another of its divisions as a sale at retail;

(4) Has registered under the fictitious name provisions of sections 417.200 to 417.230 each of its divisions doing business in Missouri as a leasing company; and

(5) Operates each of its divisions on a basis separate from each of its other divisions. However, when the transfer of a motor vehicle, trailer, boat or outboard motor occurs within a corporation which holds a license to operate as a motor vehicle or boat dealer pursuant to sections 301.550 to 301.573 the provisions in subdivision (3) of this subsection shall not apply.

[7.] **6.** If the owner of any motor vehicle, trailer, boat, or outboard motor desires to charge and collect sales tax as provided in this section, the owner shall make application to the director of revenue for a permit to operate as a motor vehicle, trailer, boat, or outboard motor leasing company. The director of revenue shall promulgate rules and regulations determining the qualifications of such a company, and the method of collection and reporting of sales tax charged and collected. Such regulations shall apply only to owners of motor vehicles, trailers, boats, or outboard motors, electing to qualify as motor vehicle, trailer, boat, or outboard motor leasing companies under the provisions of subsection 5 of this section, and no motor vehicle renting or leasing, trailer renting or leasing, or boat or outboard motor renting or leasing company can come under sections 144.010, 144.020, 144.070 and 144.440 unless all motor vehicles, trailers, boats, and outboard motors held for renting and leasing are included.

[8.] **7.** Beginning July 1, 2010, any motor vehicle dealer licensed under section 301.560 engaged in the business of selling motor vehicles or trailers may apply to the director of revenue for authority to collect and remit the sales tax required under this section on all motor vehicles sold by the motor vehicle dealer. A motor vehicle dealer receiving authority to collect and remit the tax is subject to all provisions under sections 144.010 to 144.525. Any motor vehicle dealer authorized to collect and remit sales taxes on motor vehicles under this subsection shall be entitled to deduct and retain an amount equal to two percent of the motor vehicle sales tax pursuant to section 144.140. Any amount of the tax collected under this subsection that is retained by a motor vehicle dealer pursuant to section 144.140 shall not constitute state revenue. In no event shall revenues from the general revenue fund or any other state fund be utilized to compensate motor vehicle dealers for their role in collecting and remitting sales taxes on motor vehicles. In the event this subsection or any portion thereof is held to violate article IV, section 30(b) of the Missouri Constitution, no motor vehicle dealer shall be authorized to collect and remit sales taxes on motor vehicles under this

section. No motor vehicle dealer shall seek compensation from the state of Missouri or its agencies if a court of competent jurisdiction declares that the retention of two percent of the motor vehicle sales tax is unconstitutional and orders the return of such revenues.

144.080. 1. Every person receiving any payment or consideration upon the sale of property or rendering of service, subject to the tax imposed by the provisions of sections 144.010 to 144.525, is exercising the taxable privilege of selling the property or rendering the service at retail and is subject to the tax levied in section 144.020. The person shall be responsible not only for the collection of the amount of the tax imposed on the sale or service to the extent possible under the provisions of section 144.285, but shall, on or before the last day of the month following each calendar quarterly period of three months, file a return with the director of revenue showing the person's gross receipts and the amount of tax levied in section 144.020 for the preceding quarter, and shall remit to the director of revenue, with the return, the taxes levied in section 144.020, except as provided in subsections 2 and 3 of this section. The director of revenue may promulgate rules or regulations changing the filing and payment requirements of sellers, but shall not require any seller to file and pay more frequently than required in this section.

2. [Where the aggregate amount levied and imposed upon a seller by section 144.020 is in excess of two hundred and fifty dollars for either the first or second month of a calendar quarter, the seller shall file a return and pay such aggregate amount for such months to the director of revenue by the twentieth day of the succeeding month.

3.] Where the aggregate amount levied and imposed upon a seller by section 144.020 is less than forty-five dollars in a calendar quarter, the director of revenue shall by regulation permit the seller to file a return for a calendar year. The return shall be filed and the taxes paid on or before January thirty-first of the succeeding year.

[4.] 3. The seller of any property or person rendering any service, subject to the tax imposed by sections 144.010 to 144.525, shall collect the tax from the purchaser of such property or the recipient of the service to the extent possible under the provisions of section 144.285, but the seller's inability to collect any part or all of the tax does not relieve the seller of the obligation to pay to the state the tax imposed by section 144.020; except that the collection of the tax imposed by sections 144.010 to 144.525 on motor vehicles and trailers shall be made as provided in sections 144.070 and 144.440.

[5.] 4. It shall be unlawful for any person to advertise or hold out or state to the public or to any customer directly or indirectly that the tax or any part thereof imposed by sections 144.010 to 144.525, and required to be collected by the person, will be assumed or absorbed by the person, or that it will not be separately stated and added to the selling price of the property sold or service rendered, or if added, that it or any part thereof will be refunded. Any person violating any of the provisions of this section shall be guilty of a misdemeanor.

144.082. 1. The director shall participate in an online registration system that will allow sellers to register in this state and other member states.

2. By registering, the seller agrees to collect and remit sales and use taxes for all taxable sales into this state as well as the other member states, including member states joining after the seller's registration. Withdrawal or revocation of this state from the agreement shall not relieve a seller of its responsibility to remit taxes previously or subsequently collected on behalf of this state.

3. If the seller has a requirement to register prior to registering under the agreement, such seller shall obtain a retail sales license under section 144.083 and register under section 144.650.

4. Registration with the central registration system and the collection of sales and use taxes in this state shall not be used as a factor in determining whether the seller has nexus with this state for any tax at any time.

144.083. 1. The director of revenue shall require all persons who are responsible for the collection of taxes under the provisions of section 144.080 to procure a retail sales license at no cost to the licensee which shall be prominently displayed at the licensee's place of business, and the license is valid until revoked by the director or surrendered by the person to whom issued when sales are discontinued. The director shall issue the retail sales license within ten working days following the receipt of a properly completed application. Any person applying for a retail sales license or reinstatement of a revoked sales tax license who owes any tax under sections 144.010 to 144.510 or sections 143.191 to 143.261 must pay the amount due plus interest and penalties before the department may issue the applicant a license or reinstate the revoked license. All persons beginning business subsequent to August 13, 1986, and who are required to collect the sales tax shall secure a retail sales license prior to making sales at retail. Such license may, after ten days' notice, be revoked by the director of revenue only in the event the licensee shall be in default for a period of sixty days in the payment of any taxes levied under section 144.020 or sections 143.191 to 143.261. Notwithstanding the provisions of section 32.057 in the event of revocation, the director of revenue may publish the status of the business account including the date of revocation in a manner as determined by the director.

2. The possession of a retail sales license and a statement from the department of revenue that the licensee owes no tax due under sections 144.010 to 144.510 or sections 143.191 to 143.261 shall be a prerequisite to the issuance or renewal of any city or county occupation license or any state license which is required for conducting any business where goods are sold at retail. The date of issuance on the statement that the licensee owes no tax due shall be no more than ninety days before the date of submission for application or renewal of the local license. The revocation of a retailer's license by the director shall render the occupational license or the state license null and void.

3. No person responsible for the collection of taxes under section 144.080 shall make sales at retail unless such person is the holder of a valid retail sales license. After all appeals have been exhausted, the director of revenue may notify the county or city law enforcement agency representing the area in which the former licensee's business is located that the retail sales license of such person has been revoked, and that any county or city occupation license of such person is also revoked. The county or city may enforce the provisions of this section, and may prohibit further sales at retail by such person.

4. In addition to the provisions of subsection 2 of this section, beginning January 1, 2009, the possession of a statement from the department of revenue stating no tax is due under sections 143.191 to 143.265 or sections 144.010 to 144.510 shall also be a prerequisite to the issuance or renewal of any city or county occupation license or any state license required for conducting any business where goods are sold at retail. The statement of no tax due shall be dated no longer than ninety days before the date of submission for application or renewal of the city or county license.

[5. Notwithstanding any law or rule to the contrary, sales tax shall only apply to the sale price paid by the final purchaser and not to any off-invoice discounts or other pricing discounts or mechanisms negotiated between manufacturers, wholesalers, and retailers.]

144.084. 1. The director shall promulgate rules and regulations for remittance of returns. Such rules shall:

- (1) Allow for electronic payments by all remitters by both ACH credit and ACH debit;**
- (2) Provide an alternative method for making “same day” payments if an electronic funds transfer fails;**
- (3) Provide that if a due date falls on a legal banking holiday in the state, the taxes shall be due on the next succeeding business day; and**
- (4) Require that any data that accompanies a remittance be formatted using uniform tax type and payment type codes approved by the streamlined sales and use tax governing board.**

2. All model 1, model 2, and model 3 sellers shall file returns electronically. Any model 1, model 2, or model 3 seller shall submit its sales and use tax returns in a simplified format approved by the director at such times as may be prescribed by the director.

144.100. 1. Every person making any taxable sales of property or service, except transactions provided for in sections 144.070 and 144.440, individually or by duly authorized officer or agent, shall make and file a written return with the director of revenue in such manner as he may prescribe.

2. The returns shall be on blanks designed and furnished by the director of the department of revenue and shall be filed at the times provided in sections 144.080 and 144.090. The returns shall [show the amount of gross receipts from sales of taxable property and services by the person and the amount of tax due thereon by that person during and for the period covered by the return] **state:**

- (1) The name and address of the retailer;**
- (2) The total amount of gross sales of all tangible personal property and taxable services rendered by the retailer during the period for which the return is made;**
- (3) The total amount received during the period for which the return is made on charge and time sales of tangible personal property made and taxable services rendered prior to the period for which the return is made;**
- (4) Deductions allowed by law from such total amount of gross sales and from total amount received during the period for which the return is made on such charge and time sales;**
- (5) Receipts during the period for which the return is made from the total amount of sales of tangible personal property and taxable services rendered during such period in the course of such business, after deductions allowed by law have been made;**
- (6) Receipts during the period for which the return is made from charge and time sales of tangible personal property made and taxable services rendered prior to such period in the course of such business, after deductions allowed by law have been made;**
- (7) Gross receipts during the period for which the return is made from sales of tangible personal property and taxable services rendered in the course of such business upon the basis of which the tax is imposed; and**
- (8) Such other pertinent information as the director may require.**

3. In making such return, the retailer shall determine the market value of any consideration, other than money, received in connection with the sale of any tangible personal property in the course of the business and shall include such value in the return. Such value shall be subject to review and revision by the director as hereinafter provided. Refunds made by a retailer during the period for

which the return is made on account of tangible personal property returned to the retailer shall be allowed as a deduction under subdivision (4) of subsection 2 of this section in case the retailer has included the receipts from such sale in a return made by such retailer and paid taxes on such sale. The retailer shall, at the time of making such return, pay to the director the amount of tax owed, except as otherwise provided in this section. The director may extend the time for making returns and paying the tax required by this section for any period not to exceed sixty days under such rules and regulations as the director of revenue may prescribe.

4. The director shall only require a single tax return for each taxing period and such return shall include only the taxing jurisdictions in which the seller makes sales within the state. With each return, the person shall remit to the director of revenue the full amount of the tax due.

[3.] **5.** In case of charge and time sales the gross receipts thereof shall be included as sales in the returns as and when payments are received by the person, without any deduction therefrom whatsoever.

[4.] **6.** If an error or omission is discovered in a return or a change be necessary to show the true facts, the error may be corrected, the omission supplied, or the change made in the return next filed with the director for the filing period immediately following the filing period in which the error was made or the omission occurred, as prescribed by law, except that no refund under this chapter shall be allowed for any amount of tax paid by a seller which is based upon charges incident to credit card discounts. Any other omission or error must be corrected by filing an amended return for the erroneously reported period if the amount of tax is less than that originally reported, or an additional return if the amount of tax is greater than that originally reported. An additional return shall be deemed filed on the date the envelope in which it is mailed is postmarked or the date it is received by the director, whichever is earlier. Any payment of tax, interest, penalty or additions to tax shall be deemed filed on the date the envelope containing the payment is postmarked or the date the payment is received by the director, whichever is earlier. If a refund or credit results from the filing of an amended return, no refund or credit shall be allowed unless an application for refund or credit is properly completed and submitted to the director pursuant to section 144.190.

[5.] **7.** The amount of gross receipts from sales and the amount of tax due returned by the person, as well as all matters contained in the return, is subject to review and revision in the manner herein provided for the correction of the returns.

44.104. 1. A seller shall be allowed a deduction from taxable sales for bad debts attributable to taxable sales of such seller that have become uncollectable. Any deduction taken that is attributed to bad debts shall not include interest.

2. The amount of the bad debt deduction shall be calculated pursuant to 26 U.S.C. Section 166(b), as amended, except that such amount shall be adjusted to exclude financing charges or interest, sales, or use taxes charged on the purchase price, uncollectable amounts on property that remain in the possession of the seller until the full purchase price is paid, and expenses incurred in attempting to collect any debt or repossessed property.

3. Bad debts may be deducted on the return for the period during which the bad debt is written off as uncollectable in the seller's books and records and is eligible to be deducted for federal income tax purposes. For purposes of this subsection, a seller who is not required to file federal income tax returns may deduct a bad debt on a return filed for the period in which the bad debt is written off as uncollectable in the seller's books and records and would be eligible for a bad debt deduction for federal income tax purposes if the seller was required to file a federal income tax return.

4. If a deduction is taken for a bad debt and the debt is subsequently collected in whole or in part, the tax on the amount so collected shall be paid and reported on the return filed for the period in which the collection is made.

5. When the amount of bad debt exceeds the amount of taxable sales for the period during which the bad debt is written off, a refund claim may be filed by the seller within the applicable statute of limitations for refund claim; however, the statute of limitations shall be measured from the due date of the return on which the bad debt could first be claimed.

6. Where filing responsibilities have been assumed by a certified service provider, such service provider may claim, on behalf of the seller, any bad debt allowance provided by this section. The certified service provider shall credit or refund the full amount of any bad debt allowance or refund received to the seller.

7. For the purposes of reporting a payment received on a previously claimed bad debt, any payments made on a debt or account shall first be applied proportionally to the taxable price of the property or service and the sales tax thereon, and secondly to interest, service charges, and any other charges.

8. In situations where the books and records of the seller, or certified service provider on behalf of the seller, claiming the bad debt allowance support an allocation of the bad debts among the member states, such an allocation shall be permitted.

144.105. 1. The state shall review software submitted to the streamlined sales and use tax governing board for certification as a certified automated system (CAS) under Section 501 of the streamlined sales and use tax agreement. Such review shall include a review to determine that the program adequately classifies the state's product-based exemptions. Upon completion of the review, the state shall certify to the governing board its acceptance of the classifications made by the system. The state shall relieve a certified service provider (CSP) or model 2 seller from liability to this state and its local jurisdictions for failure to collect sales or use taxes resulting from the CSP or model 2 seller's reliance on the certification provided by the state.

2. The streamlined sales and use tax governing board and this state shall not be responsible for classification of an item or transaction with the product-based exemptions. The relief from liability provided in this section shall not be available for a CSP or model 2 seller that has incorrectly classified an item or transaction into a product-based exemption certified by this state. This subsection shall apply to the individual listing of items or transactions within a product definition approved by the governing board or the state.

3. If the state determines that an item or transaction is incorrectly classified as to its taxability, it shall notify the CSP or model 2 seller of the incorrect classification. The CSP or model 2 seller shall have ten days to revise the classification after receipt of notice from the state of the determination. Upon expiration of the ten days, such CSP or model 2 seller shall be liable for failure to collect the correct amount of sales or use taxes due and owing to the state.

144.123. 1. The director shall provide and maintain a database that describes boundary changes for all taxing jurisdictions and the effective dates of such changes for sales and use tax purposes.

2. The director shall provide and maintain a database of all sales and use tax rates for all taxing jurisdictions. For the identification of counties and cities, codes corresponding to the rates shall be provided according to Federal Information Processing Standards (FIPS) as developed by the National

Institute of Standards and Technology. For the identification of all other jurisdictions, codes corresponding to the rates shall be in a format determined by the director.

3. The director shall provide and maintain a database that assigns each five- and nine-digit zip code to the proper rates and taxing jurisdictions. The lowest combined tax rate imposed in the zip code area shall apply if the area includes more than one tax rate in any level of taxing jurisdiction. If a nine-digit zip code designation is not available for a street address, or if a seller or a certified service provider (CSP) is unable to determine the nine-digit zip code designation applicable to a purchase after exercising due diligence to determine the designation, the seller or CSP may apply the rate for the five-digit zip code area. For purposes of this section, there shall be a rebuttable presumption that a seller or CSP has exercised due diligence if the seller has attempted to determine the nine-digit zip code designation by utilizing software approved by the secretary that makes this designation from the street address and the five-digit zip code applicable to a purchase.

4. The director may provide address-based boundary database records for assigning taxing jurisdictions and associated rates which shall be in addition to the requirements of subsection 3 of this section. The database records shall be in the same approved format as the database records required under subsection 3 of this section and shall meet the requirements developed under the federal Mobile Telecommunications Sourcing Act, 4 U.S.C. Section 119(a), as amended. If the director develops address-based assignment database records under the agreement, sellers that register under the agreement shall be required to use such database. A seller or CSP shall use such database records in place of the five- and nine-digit zip code database records provided for in subsection 3 of this section. If a seller or CSP is unable to determine the applicable rate and jurisdiction using an address-based database record after exercising due diligence, the seller or CSP may apply the nine-digit zip code designation applicable to a purchase. If a nine-digit zip code designation is not available for a street address or if a seller or CSP is unable to determine the nine-digit zip code designation applicable to a purchase after exercising due diligence to determine the designation, the seller or CSP may apply the rate for the five-digit zip code area. For the purposes of this section, there shall be a rebuttable presumption that a seller or CSP has exercised due diligence if the seller or CSP has attempted to determine the tax rate and jurisdiction by utilizing software approved by the director and makes the assignment from the address and zip code information applicable to the purchase. If the director has met the requirements of subsection 3 of this section, the director may also elect to certify vendor provided address-based databases for assigning tax rates and jurisdictions. The databases shall be in the same approved format as the database records under this section and meet the requirements developed under the federal Mobile Telecommunications Sourcing Act, 4 U.S.C. Section 119(a), as amended. If the director certifies a vendor address-based database, a seller or CSP may use such database in place of the database provided for in this subsection.

5. The electronic databases provided for in subsections 1, 2, 3, and 4 of this section shall be in downloadable format as determined by the director. The databases may be directly provided by the director or provided by a vendor as designated by the director. A database provided by a vendor as designated by the director shall be applicable and subject to the provisions of section 144.1031 and this section. The databases shall be provided at no cost to the user of the database. The provisions of subsections 3 and 4 of this section shall not apply when the purchased product is received by the purchaser at the business location of the seller.

6. No seller or CSP shall be liable for reliance upon erroneous data provided by the director on

tax rates, boundaries, or taxing jurisdiction assignments.

144.124. 1. The director shall complete a taxability matrix. The state's entries in the matrix shall be provided and maintained by the director in a database that is in a downloadable format.

2. The director shall provide reasonable notice of changes in the taxability of the products or services listed in the taxability matrix.

3. A seller or certified service provider (CSP) shall be relieved from liability to this state or any local taxing jurisdiction for having charged and collected the incorrect amount of state or local sales or use tax resulting from such seller's or CSP's reliance upon erroneous data provided by the director in the taxability matrix.

144.125. 1. (1) Amnesty shall be granted for uncollected or unpaid sales or use tax to a seller who registers to pay or to collect and remit applicable sales or use tax on sales made to purchasers in this state in accordance with the terms of the agreement, provided that the seller was not so registered in this state in the twelve-month period preceding the effective date of this state's participation in the agreement.

(2) Amnesty shall preclude assessment for uncollected or unpaid sales or use tax together with penalty or interest for sales made during the period the seller was not registered in this state, provided registration occurs within twelve months of the effective date of this state's participation in the agreement.

(3) Amnesty shall be provided if this state joins the agreement after the seller has registered.

2. Amnesty shall not be available to a seller with respect to any matter or matters for which the seller received notice of the commencement of an audit and which audit is not yet finally resolved including any related administrative and judicial processes. The amnesty shall not be available for sales or use taxes already paid or remitted to this state or to taxes collected by the seller.

3. Amnesty provided under this section shall be fully effective, absent the seller's fraud or intentional misrepresentation of a material fact, as long as the seller continues registration and payment or collection and remittance of applicable sales or use taxes for a period of at least thirty-six months. The statute of limitations applicable to asserting a tax liability during this thirty-six month period shall be tolled.

4. Amnesty provided under this section shall be applicable only to sales or use taxes due from a seller in its capacity as a seller and not to sales or use taxes due from a seller in its capacity as a purchaser.

5. The provisions of this section shall become effective as of the date that the state joins and becomes a member state of the agreement.

144.140. 1. From every remittance to the director of revenue made on or before the date when the same becomes due, the person required to remit the same shall be entitled to deduct and retain an amount equal to two percent thereof.

2. If the director of the department of revenue enters into the streamlined sales and use tax agreement under section 32.070, the director shall provide a monetary allowance from the taxes collected to each of the following:

(1) A certified service provider, in accordance with the agreement and under the terms of the

contract signed with the provider, provided that such allowance shall not exceed two percent of the amount collected;

(2) Any vendor registered under the agreement that selects a certified automated system to perform part of its sales or use tax functions;

(3) Any vendor registered under the agreement that uses a proprietary system to calculate taxes due and has entered into a performance agreement with states that are members to the streamlined sales and use tax agreement.

3. The monetary allowance provided for vendors in subdivision (2) or (3) of subsection 2 of this section shall be in an amount equal to two percent of the taxes collected.

4. Any vendor receiving an allowance under subsection 2 of this section shall not be entitled simultaneously to deduct the allowance provided for in subsection 1 of this section.

144.210. 1. The burden of proving that a sale of tangible personal property, services, substances or things was not a sale at retail shall be upon the person who made the sale, except that with respect to sales, services, or transactions provided for in section 144.070. [The seller shall obtain and maintain exemption certificates signed by the purchaser or his agent as evidence for any exempt sales claimed; provided, however, that before any administrative tribunal of this state, a seller may prove that sale is exempt from tax under this chapter in accordance with proof admissible under the applicable rules of evidence; except that when a purchaser has purchased tangible personal property or services sales tax free under a claim of exemption which is found to be improper, the director of revenue may collect the proper amount of tax, interest, additions to tax and penalty from the purchaser directly. Any tax, interest, additions to tax or penalty collected by the director from the purchaser shall be credited against the amount otherwise due from the seller on the purchases or sales where the exemption was claimed.]

2. If the director of revenue is not satisfied with the return and payment of the tax made by any person, he is hereby authorized and empowered to make an additional assessment of tax due from such person, based upon the facts contained in the return or upon any information within his possession or that shall come into his possession.

3. The director of revenue shall give to the person written notice of such additional or revised assessment by certified or registered mail to the person at his or its last known address.

144.212. 1. In addition to all other provisions of law provided for exemptions, when an exemption is claimed by a purchaser:

(1) The seller shall obtain identifying information of the purchaser and the reason for claiming a tax exemption at the time of the purchase;

(2) A purchaser shall not be required to provide a signature to claim an exemption from tax unless a paper exemption certificate is used;

(3) The seller shall use the standard form for claiming an exemption electronically prescribed by the director of the department of revenue and acceptable to the streamlined sales and use tax governing board;

(4) The seller shall obtain the same information for proof of a claimed exemption regardless of the medium in which the transaction occurred;

(5) The seller shall maintain proper records of exempt transactions and provide such records to

the director of the department of revenue or the director's designee upon request;

(6) In the case of drop shipment sales, a third-party vendor, such as a drop shipper, may claim a resale exemption based on an exemption certificate provided by its customer or any other acceptable information available to the third-party vendor evidencing qualification for a resale exemption, regardless of whether the customer is registered to collect and remit sales and use tax in the state where the sale is sourced.

2. Sellers that comply with the requirements of this section shall be relieved from collecting and remitting tax otherwise applicable if it is determined that the purchaser improperly claimed an exemption and such purchaser shall be liable for the nonpayment of tax. Relief from liability provided under this section shall not apply to a seller who fraudulently fails to collect tax; to a seller who solicits purchasers to participate in the unlawful claim of an exemption; to a seller who accepts an exemption certificate when the purchaser claims an entity-based exemption when the subject of the transaction sought to be covered by the exemption certificate is actually received by the purchaser at a location operated by the seller and the state in which that location resides provides an exemption certificate that clearly and affirmatively indicates that the claimed exemption is not available in such state; or to a seller who accepts an exemption certificate claiming multiple points of use for tangible personal property other than computer software for which an exemption claiming multiple points of use not available in such state.

(1) A seller shall be relieved from collecting and remitting tax otherwise applicable if the seller obtains a fully completed exemption certificate or captures the relevant data elements required under the agreement within ninety days subsequent to the date of sale.

(2) If a seller fails to obtain an exemption certificate or all relevant data elements as provided in this section, the seller may, within one hundred twenty days subsequent to a request for substantiation by the director of the department of revenue or the director's designee, either prove that the transaction was not subject to tax by other means or obtain a fully completed exemption certificate from the purchaser, taken in good faith.

3. Nothing in this section shall affect the ability of the director of the department of revenue or the director's designee to require purchasers to update exemption certificate information or to reapply with the state to claim certain exemptions.

4. Notwithstanding the provisions of subsection 2 of this section to the contrary, the director shall relieve a seller of the tax otherwise applicable if the seller obtains a blanket exemption certificate for a purchaser with which the seller has a recurring business relationship. The director shall not request from the seller renewal of blanket certificates or updates of exemption certificate information or data elements when there is a recurring business relationship between the buyer and seller. For purposes of this section, a recurring business relationship exists when a period of no more than twelve months elapses between sales transactions.

144.285. 1. [In order to permit sellers required to collect and report the sales tax to collect the amount required to be reported and remitted, but not to change the requirements of reporting or remitting tax or to serve as a levy of the tax, and in order to avoid fractions of pennies, the director of revenue shall establish brackets, showing the amounts of tax to be collected on sales of specified amounts, which shall be applicable to all taxable transactions] **When the seller is computing the amount of tax owed by the purchaser and remitted to the state:**

(1) Tax computation shall be carried to the third decimal place; and

(2) The tax shall be rounded to a whole cent using a method that rounds up to the next cent whenever the third decimal place is greater than four.

2. [In all instances where statements covering taxable purchases are rendered to the taxpayer on a monthly or other periodic basis, the amount of tax shall be determined by applying the applicable tax rate to the taxable purchases represented on the statement, rounded to the nearest whole cent, or by application of the brackets established by the director of revenue, at the option of the retail vendor] **Sellers may elect to compute the tax due on a transaction on an item or an invoice basis. The provision of this subsection may be applied to the aggregated state and local taxes.**

3. No vendor or seller shall knowingly charge or receive from a purchaser as a sales tax any sum in excess of the sums provided for in this section.

4. [A vendor may, at his option, determine the amount charged to and received from each purchaser by use of a formula which applies the applicable tax rate to each taxable purchase, rounded to the nearest whole cent. The formula shall be uniformly and consistently applied to all purchases similarly situated.

5.] Amounts which a vendor charges to and receives from the purchaser in accordance with this section shall not be includable in his gross receipts if the amounts are separately charged or stated.

[6.] **5.** If sales tax for one or more local political subdivisions is owed by a taxpayer pursuant to chapter 66, 67, 92, or 94 and that taxpayer remits less than all sales tax due for a filing period specified in section 144.080, the director of revenue shall deposit the tax remitted proportionately to each taxing jurisdiction in accordance with the percentage that each such jurisdiction's share of the tax due for the filing period bears to the total tax due from such taxpayer for such period. The unpaid balance due along with penalties and interest shall be similarly prorated among the state and all local jurisdictions for which tax was due during the filing period for which an underpayment occurs. The provisions of this subsection shall apply to all returns or remittances relating to sales made on or after January 1, 1984.

144.526. 1. This section shall be known and may be cited as the "Show Me Green Sales Tax Holiday".

2. [For purposes of this section, the following terms mean:

(2) "Energy star certified", any appliance approved by both the United States Environmental Protection Agency and the United States Department of Energy as eligible to display the energy star label, as amended from time to time.

3.] In each year beginning on or after January 1, 2009, there is hereby specifically exempted from state sales tax law all retail sales of any [energy star certified] new appliance **that is an energy star qualified product**, up to one thousand five hundred dollars per appliance, during a seven-day period beginning at 12:01 a.m. on April nineteenth and ending at midnight on April twenty-fifth.

[4. A political subdivision may allow the sales tax holiday under this section to apply to its local sales taxes by enacting an ordinance to that effect. Any such political subdivision shall notify the department of revenue not less than forty-five calendar days prior to the beginning date of the sales tax holiday occurring in that year of any such ordinance or order.

5. This section may not apply to any retailer when less than two percent of the retailer's merchandise

offered for sale qualifies for the sales tax holiday. The retailer shall offer a sales tax refund in lieu of the sales tax holiday.]

144.655. 1. Every vendor, on or before the last day of the month following each calendar quarterly period of three months, shall file with the director of revenue a return of all taxes collected for the preceding quarter in the form prescribed by the director of revenue, showing the total sales price of the tangible personal property sold by the vendor, the storage, use or consumption of which is subject to the tax levied by this law, and other information the director of revenue deems necessary. The return shall be accompanied by a remittance of the amount of the tax required to be collected by the vendor during the period covered by the return. Returns shall be signed by the vendor or the vendor's authorized agent. The director of revenue may promulgate rules or regulations changing the filing and payment requirements of vendors, but shall not require any vendor to file and pay more frequently than required in this section.

2. Where the aggregate amount of tax required to be collected by a vendor is in excess of two hundred and fifty dollars for either the first or second month of a calendar quarter, the vendor shall pay such aggregate amount for such months to the director of revenue by the twentieth day of the succeeding month. The amount so paid shall be allowed as a credit against the liability shown on the vendor's quarterly return required by this section.

3. Where the aggregate amount of tax required to be collected by a vendor is less than forty-five dollars in a calendar quarter, the director of revenue shall by regulation permit the vendor to file a return for a calendar year. The return shall be filed and the taxes paid on or before January thirty-first of the succeeding year.

4. Except as provided in subsection 5 of this section, every person purchasing tangible personal property, the storage, use or consumption of which is subject to the tax levied by sections 144.600 to 144.748, who has not paid the tax due to a vendor registered in accordance with the provisions of section 144.650, shall file with the director of revenue a return for the preceding reporting period in the form and manner that the director of revenue prescribes, showing the total sales price of the tangible property purchased during the preceding reporting period and any other information that the director of revenue deems necessary for the proper administration of sections 144.600 to 144.748. The return shall be accompanied by a remittance of the amount of the tax required by sections 144.600 to 144.748 to be paid by the person. Returns shall be signed by the person liable for the tax or such person's duly authorized agent. For purposes of this subsection, the reporting period shall be determined by the director of revenue and may be a calendar quarter or a calendar year. Annual returns and payments required by the director pursuant to this subsection shall be due on or before April fifteenth of the year for the preceding calendar year and quarterly returns and payments shall be due on or before the last day of the month following each calendar period of three months. Upon the taxpayer's request, the director may allow the filing of such returns and payments on a monthly basis. If a taxpayer elects to file a monthly return and payment, such return and payment shall be due on or before the twentieth day of the succeeding month.

5. Any person purchasing tangible personal property subject to the taxes imposed by sections 144.600 to 144.748 shall not be required to file a use tax return with the director of revenue if such purchases on which such taxes were not paid do not exceed in the aggregate two thousand dollars in any calendar year.

6. Nothing in subsection 5 of this section shall relieve a vendor of liability to collect the tax imposed pursuant to sections 144.600 to 144.748 on the total gross receipts of all sales of tangible personal property used, stored or consumed in this state and to remit all taxes collected to the director of revenue in accordance with the provisions of this section nor shall it relieve a purchaser from paying such taxes to a

vendor registered in accordance with the provisions of section 144.650.

7. Any out-of-state seller which is not legally required to register for use tax in this state but chooses to collect and remit use tax under sections 144.600 to 144.761 shall file a return for the calendar year. The return shall be filed and the taxes paid on or before January thirty-first of the succeeding year. In the event that any out-of-state seller which is not legally required to register for use tax in this state but chooses to collect and remit use tax under sections 144.600 to 144.761 has accumulated state and local use tax funds in an amount equal to one thousand dollars or more, such vendor shall file a return and remit the amount due for the month in which the accumulated state and local use tax funds equal or exceed one thousand dollars.

144.710. [From every remittance made by a vendor as required by sections 144.600 to 144.745 to the director of revenue on or before the date when the remittance becomes due, the vendor may deduct and retain an amount equal to two percent thereof.] **Sections 144.210 and 144.212, pertaining to the allowance for timely remittance of payment, are applicable to the tax levied by this law.”;** and

The tax authorized by this section shall be in addition to any and all other sales taxes allowed by law, except that no order imposing a sales tax pursuant to this section shall be effective unless the commission submits to the voters of the district, on any election date authorized in chapter 115, a proposal to authorize the commission to impose a tax.

2. The ballot of submission shall contain, but need not be limited to, the following language:

If a majority of the votes cast on the proposal by the qualified voters of the district voting thereon are in favor of the proposal, then the order and any amendment to such order shall be in effect on the first day of the second **calendar** quarter [immediately following the election approving the proposal] **after the director of revenue receives notification of adoption of the local sales tax**. If the proposal receives less than the required majority, the commission shall have no power to impose the sales tax authorized pursuant to this section unless and until the commission shall again have submitted another proposal to authorize the commission to impose the sales tax authorized by this section and such proposal is approved by the required majority of the qualified voters of the district voting on such proposal; however, in no event shall a proposal pursuant to this section be submitted to the voters sooner than twelve months from the date of the last submission of a proposal pursuant to this section.

3. All revenue received by a district from the tax authorized pursuant to this section shall be deposited

5. All sales taxes collected by the director of revenue pursuant to this section on behalf of any district, less one percent for cost of collection which shall be deposited in the state's general revenue fund after payment of premiums for surety bonds as provided in section 32.087, shall be deposited in a special trust fund, which is hereby created, to be known as the "Regional Jail District Sales Tax Trust Fund". The moneys in the regional jail district sales tax trust fund shall not be deemed to be state funds and shall not be commingled with any funds of the state. The director of revenue shall keep accurate records of the amount of money in the trust fund which was collected in each district imposing a sales tax pursuant to this section, and the records shall be open to the inspection of officers of each member county and the public. Not later than the tenth day of each month the director of revenue shall distribute all moneys deposited in the trust fund during the preceding month to the district which levied the tax. Such funds shall be deposited with the treasurer of each such district, and all expenditures of funds arising from the regional jail district sales tax trust fund shall be paid pursuant to an appropriation adopted by the commission and shall be approved by the commission. Expenditures may be made from the fund for any function authorized in the order adopted by the commission submitting the regional jail district tax to the voters.

6. If any district abolishes the tax, the commission shall notify the director of revenue of the action at least ninety days prior to the effective date of the repeal, and the director of revenue may order retention in the trust fund, for a period of one year, of two percent of the amount collected after receipt of such notice to cover possible refunds or overpayment of the tax and to redeem dishonored checks and drafts deposited to the credit of such accounts. After one year has elapsed after the effective date of abolition of the tax in such district, the director of revenue shall remit the balance in the account to the district and close the account of that district. If a majority of the votes cast on the proposal by the qualified voters voting thereon are in favor of the proposal, then the resolution and any amendments thereto shall be in effect. If a majority of the votes cast by the qualified voters voting are opposed to the proposal, then the board of directors of the transportation development district shall have no power to impose the sales tax authorized by this section unless and until the board of directors of the transportation development district shall again have submitted another proposal to authorize it to impose the sales tax pursuant to the provisions of this section and such proposal is approved by a majority of the qualified voters voting thereon.

(3) [The sales tax authorized by this section shall become effective on the first day of the second calendar quarter after the department of revenue receives notification of the tax.

(4) In each transportation development district in which a sales tax has been imposed in the manner provided by this section, every retailer shall add the tax imposed by the transportation development district pursuant to this section to the retailer's sale price, and when so added such tax shall constitute a part of the price, shall be a debt of the purchaser to the retailer until paid, and shall be recoverable at law in the same manner as the purchase price.

(5) In order to permit sellers required to collect and report the sales tax authorized by this section to collect the amount required to be reported and remitted, but not to change the requirements of reporting or remitting tax or to serve as a levy of the tax, and in order to avoid fractions of pennies, the transportation

Any transportation development district sales tax imposed pursuant to this section shall be imposed at a rate that shall be uniform throughout the district.

2. The resolution imposing the sales tax pursuant to this section shall impose upon all sellers a tax for the privilege of engaging in the business of selling tangible personal property or rendering taxable services at retail to the extent and in the manner provided in sections 144.010 to 144.525, and the rules and regulations of the director of revenue issued pursuant thereto; except that the rate of the tax shall be the rate imposed by the resolution as the sales tax and the tax shall be reported and returned to and collected by the transportation development district.

3. [On and after the effective date of any tax imposed pursuant to this section, the director of revenue shall perform all functions incident to the administration, collection, enforcement, and operation of the tax, and the director of revenue shall collect, in addition to all other sales taxes imposed by law, the additional tax authorized pursuant to this section. The tax imposed pursuant to this section and the taxes imposed pursuant to all other laws of the state of Missouri shall be collected together and reported upon such forms and pursuant to such administrative rules and regulations as may be prescribed by the director of revenue.

(2) All exemptions granted to agencies of government, organizations, persons and to the sale of certain articles and items of tangible personal property and taxable services pursuant to the provisions of sections 144.010 to 144.525 are hereby made applicable to the imposition and collection of the tax imposed by this section.

(3) The same sales tax permit, exemption certificate and retail certificate required by sections 144.010 to 144.525 for the administration and collection of the state sales tax shall satisfy the requirements of this section, and no additional permit or exemption certificate or retail certificate shall be required; except that the transportation development district may prescribe a form of exemption certificate for an exemption from the tax imposed by this section.

(4) All discounts allowed the retailer pursuant to the provisions of the state sales tax laws for the collection of and for payment of taxes pursuant to such laws are hereby allowed and made applicable to any taxes collected pursuant to the provisions of this section.

(5) The penalties provided in section 32.057 and sections 144.010 to 144.525 for violation of those sections are hereby made applicable to violations of this section.

(6) For the purpose of a sales tax imposed by a resolution pursuant to this section, all retail sales except retail sales of motor vehicles shall be deemed to be consummated at the place of business of the retailer unless the tangible personal property sold is delivered by the retailer or the retailer's agent to an out-of-state destination or to a common carrier for delivery to an out-of-state destination. In the event a retailer has more than one place of business in this state which participates in the sale, the sale shall be deemed to be consummated at the place of business of the retailer where the initial order for the tangible personal property is taken, even though the order must be forwarded elsewhere for acceptance, approval of credit, shipment or billing. The director of revenue shall keep accurate records of the amount of money which was collected pursuant to this section, and the records shall be open to the inspection of officers of each transportation development district and the general public.

[6.] 4. (1) No transportation development district imposing a sales tax pursuant to this section may repeal or amend such sales tax unless such repeal or amendment will not impair the district's ability to repay any liabilities which it has incurred, money which it has borrowed or revenue bonds, notes or other obligations which it has issued or which have been issued by the commission or any local transportation authority to finance any project or projects.

(2) Whenever the board of directors of any transportation development district in which a transportation development sales tax has been imposed in the manner provided by this section receives a petition, signed by ten percent of the qualified voters calling for an election to repeal such transportation development sales tax, the board of directors shall, if such repeal will not impair the district's ability to repay any liabilities which it has incurred, money which it has borrowed or revenue bonds, notes or other obligations which it has issued or which have been issued by the commission or any local transportation authority to finance any project or projects, submit to the qualified voters of such transportation development district a proposal to repeal the transportation development sales tax imposed pursuant to the provisions of this section. If a majority of the votes cast on the proposal by the qualified voters voting thereon are in favor of the proposal to repeal the transportation development sales tax, then the resolution imposing the transportation development sales tax, along with any amendments thereto, is repealed. If a majority of the votes cast by the qualified voters voting thereon are opposed to the proposal to repeal the transportation development sales tax, then the ordinance or resolution imposing the transportation development sales tax, along with any amendments thereto, shall remain in effect.

[7.] 5. Notwithstanding any provision of sections 99.800 to 99.865 and this section to the contrary, the sales tax imposed by a district whose project is a public mass transportation system shall not be considered economic activity taxes as such term is defined under sections 99.805 and 99.918 and shall not be subject to allocation under the provisions of subsection 3 of section 99.845, or subsection 4 of section 99.957.

6. After the effective date of any tax imposed under the provisions of this section, the director of revenue shall perform all functions incident to the administration, collection, enforcement, and operation of the tax and collect, in addition to the sales tax for the state of Missouri, the additional tax authorized under the authority of this section. The tax imposed under this section and the tax imposed under the sales tax law of the state of Missouri shall be collected together and reported upon such forms and under such administrative rules and regulations as may be prescribed by the director of revenue.

7. Except as provided in this section, all provisions of sections 32.085 to 32.087 shall apply to the tax imposed under this section.

238.410. 1. Any county transit authority established pursuant to section 238.400 may impose a sales tax of up to one percent on all retail sales made in such county which are subject to taxation under the provisions of sections 144.010 to 144.525. The tax authorized by this section shall be in addition to any and all other sales taxes allowed by law, except that no sales tax imposed under the provisions of this section shall be effective unless the governing body of the county, on behalf of the transit authority, submits to the voters of the county, at a county or state general, primary or special election, a proposal to authorize the transit authority to impose a tax.

2. The ballot of submission shall contain, but need not be limited to, the following language:

Shall the Transit Authority impose a countywide sales tax of (insert amount) in order to provide revenues for the operation of transportation facilities operated by the transit authority?

☐ YES

☐ NO

If you are in favor of the question, place an "X" in the box opposite "YES". If you are opposed to the question, place an "X" in the box opposite "NO". If a majority of the votes cast on the proposal by the qualified voters voting thereon are in favor of the proposal, then the tax shall become effective on the first day of the second calendar quarter following notification to the department of revenue of adoption of the tax. If a majority of the votes cast by the qualified voters voting are opposed to the proposal, then the transit authority shall have no power to impose the sales tax authorized by this section unless and until another proposal to authorize the transit authority to impose the sales tax authorized by this section has been submitted and such proposal is approved by a majority of the qualified voters voting thereon.

3. All revenue received by the transit authority from the tax authorized under the provisions of this section shall be deposited in a special trust fund and shall be used solely by the transit authority for construction, purchase, lease, maintenance and operation of transportation facilities located within the county for so long as the tax shall remain in effect. Any funds in such special trust fund which are not needed for current expenditures may be invested by the transit authority in accordance with applicable laws relating to the investment of county funds.

4. No transit authority imposing a sales tax pursuant to this section may repeal or amend such sales tax unless such repeal or amendment is submitted to and approved by the voters of the county in the same manner as provided in subsection 1 of this section for approval of such tax. Whenever the governing body of any county in which a sales tax has been imposed in the manner provided by this section receives a petition, signed by ten percent of the registered voters of such county voting in the last gubernatorial election, calling for an election to repeal such sales tax, the governing body shall submit to the voters of such county a proposal to repeal the sales tax imposed under the provisions of this section. If a majority of the votes cast on the proposal by the registered voters voting thereon are in favor of the proposal to repeal

The amount reported and returned to the director of revenue by the seller shall be computed on the basis of the combined rate of the tax imposed by sections 144.010 to 144.525 and the tax imposed by this section, plus any amounts imposed under other provisions of law.

6. After the effective date of any tax imposed under the provisions of this section, the director of revenue shall perform all functions incident to the administration, collection, enforcement, and operation of the tax, and the director of revenue shall collect in addition to the sales tax for the state of Missouri the additional tax authorized under the authority of this section. The tax imposed under this section and the tax imposed under the sales tax law of the state of Missouri shall be collected together and reported upon such forms and under such administrative rules and regulations as may be prescribed by the director of revenue. In order to permit sellers required to collect and report the sales tax to collect the amount required to be reported and remitted, but not to change the requirements of reporting or remitting tax or to serve as a levy of the tax, and in order to avoid fractions of pennies, the applicable provisions of section 144.285 shall apply to all taxable transactions.

7. All applicable provisions contained in sections 144.010 to 144.525 governing the state sales tax and section 32.057, the uniform confidentiality provision, shall apply to the collection of the tax imposed by this section, except as modified in this section. All exemptions granted to agencies of government, organizations, persons and to the sale of certain articles and items of tangible personal property and taxable services under the provisions of sections 144.010 to 144.525 are hereby made applicable to the imposition and collection of the tax imposed by this section. The same sales tax permit, exemption certificate and retail certificate required by sections 144.010 to 144.525 for the administration and collection of the state sales tax shall satisfy the requirements of this section, and no additional permit or exemption certificate or retail certificate shall be required; except that the director of revenue may prescribe a form of exemption certificate for an exemption from the tax imposed by this section. All discounts allowed the retailer under the provisions of the state sales tax law for the collection of and for payment of taxes under chapter 144 are hereby allowed and made applicable to any taxes collected under the provisions of this section. The penalties provided in section 32.057 and sections 144.010 to 144.525 for a violation of those sections are hereby made applicable to violations of this section.

8. [For the purposes of a sales tax imposed pursuant to this section, all retail sales shall be deemed to be consummated at the place of business of the retailer, except for tangible personal property sold which is delivered by the retailer or his agent to an out-of-state destination or to a common carrier for delivery to an out-of-state destination and except for the sale of motor vehicles, trailers, boats and outboard motors, which is provided for in subsection 12 of this section. In the event a retailer has more than one place of business in this state which participates in the sale, the sale shall be deemed to be consummated at the place of business of the retailer where the initial order for the tangible personal property is taken, even though the order must be forwarded elsewhere for acceptance, approval of credit, shipment or billing. A sale by a retailer's employee shall be deemed to be consummated at the place of business from which he works.

9.] All sales taxes collected by the director of revenue under this section on behalf of any transit

The moneys in the county transit authority sales tax trust fund shall not be deemed to be state funds and shall not be commingled with any funds of the state. The director of revenue shall keep accurate records of the amount of money in the trust fund which was collected in each transit authority imposing a sales tax under this section, and the records shall be open to the inspection of officers of the county and the public. Not later than the tenth day of each month the director of revenue shall distribute all moneys deposited in the trust fund during the preceding month to the transit authority which levied the tax.

[10.] **9.** The director of revenue may authorize the state treasurer to make refunds from the amounts in the trust fund and credited to any transit authority for erroneous payments and overpayments made, and may authorize the state treasurer to redeem dishonored checks and drafts deposited to the credit of such transit authorities. If any transit authority abolishes the tax, the transit authority shall notify the director of revenue of the action at least ninety days prior to the effective date of the repeal and the director of revenue may order retention in the trust fund, for a period of one year, of two percent of the amount collected after receipt of such notice to cover possible refunds or overpayment of the tax and to redeem dishonored checks and drafts deposited to the credit of such accounts. After one year has elapsed after the effective date of abolition of the tax in such transit authority, the director of revenue shall authorize the state treasurer to remit the balance in the account to the transit authority and close the account of that transit authority. The proceeds from such sale shall first be applied to all sums due the state, and the remainder, if any, shall be applied to all sums due such transit authority under this section.

[15. The transit authority created under the provisions of sections 238.400 to 238.412 shall notify any and all affected businesses of the change in tax rate caused by the imposition of the tax authorized by sections 238.400 to 238.412.

(a) Restricting variances between the state and local tax bases;

(8) The agreement should require each state to adopt a uniform policy for certified service providers that protects the privacy of consumers and maintains the confidentiality of tax information; and

(9) The agreement should provide for the appointment of an advisory council of private sector representatives and an advisory council of nonmember state representatives to consult with in the administration of the agreement.]]"; and

Where a party is represented in a civil action by a legal aid society or a legal services or other nonprofit organization funded in whole or substantial part by moneys appropriated by the general assembly of the state of Missouri, which has as its primary purpose the furnishing of legal services to indigent persons, **by a law school clinic which has as its primary purpose educating law students through furnishing legal services to indigent persons**, or by private counsel working on behalf of or under the auspices of such society, all costs and expenses related to the prosecution of the suit may be waived without

the necessity of a motion and court approval, provided that a determination has been made by such society or organization that such party is unable to pay the costs, fees and expenses necessary to prosecute or defend the action, and that a certification that such determination has been made is filed with the clerk of the court.”; and

Further amend said bill, Page 26, Section 559.100, Line 17, by inserting after the word “attorney.” on said line the following:

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

HOUSE AMENDMENT NO. 3

Amend House Committee Substitute for Senate Bill No. 100, Page 19, Section 478.320, Line 32, by inserting after all of said line the following:

“478.1100. 1. Sections 478.1100 to 478.1120 shall be known and may be cited as the “Veterans Treatment Intervention Act”.

2. For purposes of sections 478.1100 to 478.1120, the following terms shall mean:

(1) “Servicemember”, any person serving as a member of the United States Armed Forces on active duty or state active duty and all members of the Missouri National Guard and United States Reserve Forces;

(2) “Veteran”, any person defined as a veteran by the United States Department of Veterans Affairs or its successor agency.

478.1105. The presiding judge of any judicial circuit or a combination of circuit courts, upon agreement of the presiding judges of such circuit courts, in this state may establish a “Military Veterans and Servicemembers Court Program” under which veterans and servicemembers who suffer from a military-related mental illness, traumatic brain injury, substance abuse disorder, or psychological problem may be sentenced in a manner that appropriately addresses the severity of the mental illness, traumatic brain injury, substance abuse disorder, or psychological problem through services tailored to the individual needs of the participant. Entry into any military veterans and servicemembers court program shall be based upon the sentencing court’s assessment of the defendant’s criminal history, military service, substance abuse treatment needs, mental health treatment needs, amenability to the services of the program, the recommendation of the prosecuting attorney and the victim, if any, and the defendant’s agreement to enter the program.

478.1110. 1. Any person who is charged with a felony, other than a felony listed in subsection 2 of this section, identified as a veteran or servicemember who suffers from a military service-related mental illness, traumatic brain injury, substance abuse disorder, or psychological problem is eligible for admission into a veterans’ treatment intervention program approved by the presiding judge of the circuit upon motion of either party or the court’s own motion, except:

(1) If a defendant was previously offered admission to a veterans’ treatment intervention program at any time before trial and the defendant rejected such offer on the record, the court may deny the defendant’s admission to such a program;

(2) If a defendant previously entered a court-ordered veterans' treatment program, the court may deny the defendant's admission into the veterans' treatment program.

In order to maintain compliance with federal law, nothing in sections 478.1100 to 478.1120 shall apply to any offense committed by a holder of a commercial driver's license or any person operating a commercial motor vehicle when the offense was committed, if the provisions of sections 478.1100 to 478.1120 as applied to such offenses results in this state's failure to comply with applicable federal laws and regulations.

2. Any person charged with the following felonies, including attempt of such felonies, shall not be eligible for admission into a veterans' treatment intervention program under sections 478.1100 to 478.1120:

- (1) Murder or manslaughter under chapter 565;**
- (2) Kidnapping or false imprisonment under chapter 565;**
- (3) Aggravated assault under chapter 565;**

- (10) Water contamination under chapter 569;**
- (11) Child pornography under chapter 573;**
- (12) Treason; and**

(13) Any offense committed in another jurisdiction which would be a felony offense listed in this subsection if committed in this state.

3. (1) While enrolled in an intervention program authorized by this section, the participant shall be subject to a coordinated strategy developed by a veterans' treatment intervention team. The coordinated strategy shall be modeled after the therapeutic jurisprudence principles and key components listed in subdivision (2) of this subsection, with treatment specific to the needs of veterans and servicemembers. The coordinated strategy may include a protocol of sanctions that may be imposed upon the participant for noncompliance with program rules. The protocol of sanctions may include, but not be limited to, placement in a treatment program offered by a licensed service provider or in a jail-based treatment program. The coordinated strategy shall be provided in writing to the participant before the participant agrees to enter into a veterans' treatment intervention program or other intervention program. Any person whose charges are dismissed after successful completion of the veterans' treatment intervention program, if otherwise eligible, may have his or her arrest record of the dismissed charges expunged under chapter 610.

(2) The treatment program shall include:

- (a) Integrate alcohol and other drug treatment services with justice system case processing;**

(b) Use a nonadversarial approach in which prosecution and defense counsel promote public safety while protecting participants' due process rights;

(c) Eligible participants are identified early and promptly placed in the treatment program;

(d) The treatment program provides access to a continuum of alcohol, drug, and other related treatment and rehabilitation services;

(e) Abstinence is monitored by frequent and random testing for alcohol and other drugs;

(i) Continuing interdisciplinary education promotes effective treatment program planning, implementation, and operations;

(j) Forging partnerships among treatment programs, public agencies, and community-based organizations generates local support and enhances treatment program effectiveness.

4. At the end of the intervention period, the court shall consider the recommendation of the treatment program and the recommendation of the prosecuting attorney as to disposition of the pending charges. The court shall determine, by written finding, whether the defendant has successfully completed the intervention program. If the court finds that the defendant has not successfully completed the intervention program, the court may order the person to continue in education and treatment, which may include treatment programs offered by licensed service providers or jail-based treatment programs, or order that the charges revert to normal channels for prosecution. The court shall dismiss the charges upon a finding that the defendant has successfully completed the intervention program.

478.1115. 1. Any veteran or servicemember who suffers from a military service-related mental illness, traumatic brain injury, substance abuse disorder, or psychological problem, and who is charged with a misdemeanor is eligible for admission into a veterans' treatment intervention program approved by the presiding judge of the circuit for a period based on the program's requirements and the treatment plan for the offender, upon motion of either party or the court's own motion. However, the court may deny the defendant admission into a veterans' treatment intervention program if the defendant has previously entered a court-ordered veterans' treatment program.

2. While enrolled in an intervention program authorized by this section, the participant shall be subject to a coordinated strategy developed by a veterans' treatment intervention team. The coordinated strategy shall be modeled after the therapeutic jurisprudence principles and key components in subdivision (2) of subsection 3 of section 478.1110, with treatment specific to the needs of veterans and servicemembers. The coordinated strategy may include a protocol of sanctions that may be imposed upon the participant for noncompliance with program rules. The protocol of sanctions may include, but not be limited to, placement in a treatment program offered by a licensed service provider or in a jail-based treatment program. The coordinated strategy shall be provided in writing to the participant before the participant agrees to enter into a veterans' treatment intervention program. Any person whose charges are dismissed after successful completion of the veterans' treatment intervention program, if otherwise eligible, may have his or her arrest record of

the dismissed charges expunged under chapter 610.

3. At the end of the intervention period, the court shall consider the recommendation of the treatment program and the recommendation of the prosecuting attorney as to disposition of the pending charges. The court shall determine, by written finding, whether the defendant successfully completed the intervention program. Notwithstanding the coordinated strategy developed by a team under subdivision (2) of subsection 2 of section 478.1110 or by the veterans' treatment intervention team, if the court finds that the defendant has not successfully completed the intervention program, the court may order the person to continue in education and treatment or return the charges to the criminal docket for prosecution. The court shall dismiss the charges upon finding that the defendant has successfully completed the intervention program.

4. Any public or private entity providing a substance abuse education and treatment program under this section shall contract with the county or appropriate governmental entity. Except for services provided by the United States Department of Veterans Affairs, the terms of the contract shall include, but not be limited to, the following requirements:

- (11) Procedures for accessing criminal history records of probationers. In addition, the entity shall supply the presiding judge's office with a quarterly report summarizing the number of offenders supervised by the private entity, payment of the required contribution under supervision or rehabilitation, and the number of offenders for whom supervision or rehabilitation will be terminated. All records of the entity shall be open to inspection upon the request of the county, the court, the state auditor, and the office of administration, or agents thereof.

478.1120. For a person on probation who is a veteran or servicemember who suffers from a military service-related mental illness, traumatic brain injury, substance abuse disorder, or psychological problem, the court may, in addition to any other conditions imposed, impose a condition requiring the probationer to participate in a treatment program capable of treating the probationer's mental illness, traumatic brain injury, substance abuse disorder, or psychological problem. The court shall give preference to treatment programs for which the probationer is eligible through the United States Department of Veterans Affairs. The department of corrections is not required to spend state funds to implement this subsection.”; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

2. The licensee may receive wagers only from a person present on a licensed excursion gambling boat.

4. A person under twenty-one years of age shall not make a wager on an excursion gambling boat and shall not be allowed in the area of the excursion boat where gambling is being conducted; provided that employees of the licensed operator of the excursion gambling boat who have attained eighteen years of age shall be permitted in the area in which gambling is being conducted when performing employment-related duties, except that no one under twenty-one years of age may be employed as a dealer or accept a wager on an excursion gambling boat. The governing body of a home dock city or county may restrict the age of entrance onto an excursion gambling boat by passage of a local ordinance.

5. In order to help protect patrons from invasion of privacy and the possibility of identity theft, patrons shall not be required to provide fingerprints, retinal scans, biometric forms of identification, any type of patron-tracking cards, or other types of identification prior to being permitted to enter the area where gambling is being conducted on an excursion gambling boat or to make a wager, except that, for purposes of establishing that a patron is at least twenty-one years of age as provided in subsection 4 above, a licensee operating an excursion gambling boat shall be authorized to request such patron to provide a valid state or federal photo identification or a valid passport. This section shall not prohibit enforcement of identification requirements that are required by federal law. This section shall not prohibit enforcement of any Missouri statute requiring identification of patrons for reasons other than being permitted to enter the area of an excursion gambling boat where gambling is being conducted or to make a wager.

HOUSE AMENDMENT NO. 5

Amend House Committee Substitute for Senate Bill No. 100, Page 18, Section 478.007, Lines 1-23, by deleting all of said section and lines and inserting in lieu thereof the following:

“478.007. 1. Any circuit court, or any county with a charter form of government and with more than six hundred thousand but fewer than seven hundred thousand inhabitants with a county municipal court established under section 66.010, may establish a docket or court to provide an alternative for the judicial system to dispose of cases in which a person has pleaded guilty to driving while intoxicated or driving with excessive blood alcohol content and:

(1) The person was operating a motor vehicle with at least fifteen-hundredths of one percent or more by weight of alcohol in such person’s blood; or

(2) The person has previously pleaded guilty to or has been found guilty of one or more intoxication-related traffic offenses as defined by section 577.023; or

(3) The person has two or more previous alcohol-related enforcement contacts as defined in section 302.525.

2. This docket or court shall combine judicial supervision, drug testing, continuous alcohol monitoring, substance abuse traffic offender program compliance, and treatment of DWI court participants. The court may assess any and all necessary costs for participation in DWI court against the participant. Any money received from such assessed costs by a court from a defendant shall not be considered court costs, charges, or fines. This docket or court may operate in conjunction with a drug court established pursuant to sections 478.001 to 478.006.

3. If the division of probation and parole is otherwise unavailable to assist in the judicial supervision of any person who wishes to enter a DWI court, a court-approved private probation service may be utilized by the DWI court to fill the department’s role. In such case, any and all necessary additional costs may be assessed against the participant. No person shall be rejected from participating in DWI court solely for the reason that the person does not reside in the city or county where the applicable DWI court is located but the DWI court can base acceptance into a treatment court program on its ability to adequately provide services for the person or handle the additional caseload.”; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

HOUSE AMENDMENT NO. 6

Amend House Committee Substitute for Senate Bill No. 100, Page 7, Section 443.375, Line 37, by inserting after all of said section and line the following:

“452.375. 1. As used in this chapter, unless the context clearly indicates otherwise:

(1) **“Coerce” means to force a person to act in a given manner or to compel by pressure or threat;**

(2) **“Custody” means joint legal custody, sole legal custody, joint physical custody or sole physical custody or any combination thereof;**

[(2)] (3) “Joint legal custody” means that the parents share the decision-making rights, responsibilities, and authority relating to the health, education and welfare of the child, and, unless allocated, apportioned, or decreed, the parents shall confer with one another in the exercise of decision-making rights,

responsibilities, and authority;

[(3)] (4) “Joint physical custody” means an order awarding each of the parents significant, but not necessarily equal, periods of time during which a child resides with or is under the care and supervision of each of the parents. Joint physical custody shall be shared by the parents in such a way as to assure the child of frequent, continuing and meaningful contact with both parents;

[(4)] (5) “Third-party custody” means a third party designated as a legal and physical custodian pursuant to subdivision (5) of subsection 5 of this section.

2. The court shall determine custody in accordance with the best interests of the child. The court shall consider all relevant factors including:

(1) The wishes of the child’s parents as to custody and the proposed parenting plan submitted by both parties;

(2) The needs of the child for a frequent, continuing and meaningful relationship with both parents and the ability and willingness of parents to actively perform their functions as mother and father for the needs of the child;

(3) The interaction and interrelationship of the child with parents, siblings, and any other person who may significantly affect the child’s best interests;

(4) Which parent is more likely to allow the child frequent, continuing and meaningful contact with the other parent;

(5) The child’s adjustment to the child’s home, school, and community;

(6) The mental and physical health of all individuals involved, including any history of abuse of any individuals involved. If the court finds that a pattern of domestic violence as defined in section 455.010 has occurred, and, if the court also finds that awarding custody to the abusive parent is in the best interest of the child, then the court shall enter written findings of fact and conclusions of law. Custody and visitation rights shall be ordered in a manner that best protects the child and any other child or children for whom the parent has custodial or visitation rights, and the parent or other family or household member who is the victim of domestic violence from any further harm;

(7) The intention of either parent to relocate the principal residence of the child; and

(8) The wishes of a child as to the child’s custodian. The fact that a parent sends his or her child or children to a home school, as defined in section 167.031, shall not be the sole factor that a court considers in determining custody of such child or children.

3. (1) In any court proceedings relating to custody of a child, the court shall not award custody or unsupervised visitation of a child to a parent if such parent or any person residing with such parent has been found guilty of, or pled guilty to, any of the following offenses when a child was the victim:

(a) A felony violation of section 566.030, 566.032, 566.040, 566.060, 566.062, 566.064, 566.067, 566.068, 566.070, 566.083, 566.090, 566.100, 566.111, 566.151, 566.203, 566.206, 566.209, 566.212, or 566.215;

(b) A violation of section 568.020;

(c) A violation of subdivision (2) of subsection 1 of section 568.060;

(d) A violation of section 568.065;

- (e) A violation of section 568.080;
- (f) A violation of section 568.090; or
- (g) A violation of section 568.175.

(2) For all other violations of offenses in chapters 566 and 568 not specifically listed in subdivision (1) of this subsection or for a violation of an offense committed in another state when a child is the victim that would be a violation of chapter 566 or 568 if committed in Missouri, the court may exercise its discretion in awarding custody or visitation of a child to a parent if such parent or any person residing with such parent has been found guilty of, or pled guilty to, any such offense.

4. The general assembly finds and declares that it is the public policy of this state that frequent, continuing and meaningful contact with both parents after the parents have separated or dissolved their marriage is in the best interest of the child, except for cases where the court specifically finds that such contact is not in the best interest of the child, and that it is the public policy of this state to encourage parents to participate in decisions affecting the health, education and welfare of their children, and to resolve disputes involving their children amicably through alternative dispute resolution. In order to effectuate these policies, the court shall determine the custody arrangement which will best assure both parents participate in such decisions and have frequent, continuing and meaningful contact with their children so long as it is in the best interests of the child.

5. Prior to awarding the appropriate custody arrangement in the best interest of the child, the court shall consider each of the following as follows:

(1) Joint physical and joint legal custody to both parents, which shall not be denied solely for the reason that one parent opposes a joint physical and joint legal custody award. The residence of one of the parents shall be designated as the address of the child for mailing and educational purposes;

(2) Joint physical custody with one party granted sole legal custody. The residence of one of the parents shall be designated as the address of the child for mailing and educational purposes;

(3) Joint legal custody with one party granted sole physical custody;

(4) Sole custody to either parent; or

(5) Third-party custody or visitation:

(a) When the court finds that each parent is unfit, unsuitable, or unable to be a custodian, or the welfare of the child requires, and it is in the best interests of the child, then custody, temporary custody or visitation may be awarded to any other person or persons deemed by the court to be suitable and able to provide an adequate and stable environment for the child. Before the court awards custody, temporary custody or visitation to a third person under this subdivision, the court shall make that person a party to the action;

(b) Under the provisions of this subsection, any person may petition the court to intervene as a party in interest at any time as provided by supreme court rule.

6. If the parties have not agreed to a custodial arrangement, or the court determines such arrangement is not in the best interest of the child, the court shall include a written finding in the judgment or order based on the public policy in subsection 4 of this section and each of the factors listed in subdivisions (1) to (8) of subsection 2 of this section detailing the specific relevant factors that made a particular arrangement in the best interest of the child. If a proposed custodial arrangement is rejected by the court, the court shall include a written finding in the judgment or order detailing the specific relevant factors resulting in the

rejection of such arrangement.

7. Upon a finding by the court that either parent has refused to exchange information with the other parent, which shall include but not be limited to information concerning the health, education and welfare of the child, the court shall order the parent to comply immediately and to pay the prevailing party a sum equal to the prevailing party's cost associated with obtaining the requested information, which shall include but not be limited to reasonable attorney's fees and court costs.

8. As between the parents of a child, no preference may be given to either parent in the awarding of custody because of that parent's age, sex, or financial status, nor because of the age or sex of the child.

9. Any judgment providing for custody shall include a specific written parenting plan setting forth the terms of such parenting plan arrangements specified in subsection 7 of section 452.310. Such plan may be a parenting plan submitted by the parties pursuant to section 452.310 or, in the absence thereof, a plan determined by the court, but in all cases, the custody plan approved and ordered by the court shall be in the court's discretion and shall be in the best interest of the child.

10. Unless a parent has been denied custody rights pursuant to this section or visitation rights under section 452.400, both parents shall have access to records and information pertaining to a minor child, including, but not limited to, medical, dental, and school records. If the parent without custody has been granted restricted or supervised visitation because the court has found that the parent with custody or any child has been the victim of domestic violence, as defined in section 455.010, by the parent without custody, the court may order that the reports and records made available pursuant to this subsection not include the address of the parent with custody or the child. Unless a parent has been denied custody rights pursuant to this section or visitation rights under section 452.400, any judgment of dissolution or other applicable court order shall specifically allow both parents access to such records and reports.

11. Except as otherwise precluded by state or federal law, if any individual, professional, public or private institution or organization denies access or fails to provide or disclose any and all records and information, including, but not limited to, past and present dental, medical and school records pertaining to a minor child, to either parent upon the written request of such parent, the court shall, upon its finding that the individual, professional, public or private institution or organization denied such request without good cause, order that party to comply immediately with such request and to pay to the prevailing party all costs incurred, including, but not limited to, attorney's fees and court costs associated with obtaining the requested information.

12. An award of joint custody does not preclude an award of child support pursuant to section 452.340 and applicable supreme court rules. The court shall consider the factors contained in section 452.340 and applicable supreme court rules in determining an amount reasonable or necessary for the support of the child.

13. If the court finds that domestic violence or abuse, as defined in section 455.010 has occurred, the court shall make specific findings of fact to show that the custody or visitation arrangement ordered by the court best protects the child and the parent or other family or household member who is the victim of domestic violence, as defined in section 455.010, and any other children for whom such parent has custodial or visitation rights from any further harm.

14. If the court finds that a parent of a child, while the child was unborn, attempted to coerce the mother of the child to obtain an abortion, the court may deny custody to the parent.”; and

Further amend said bill, Page 7, Section 452.400, Line 26, by inserting after all of said line the following:

“(c) The court may exercise its discretion in granting visitation to a parent not granted custody if such parent, while the child was unborn, attempted to coerce the mother of the child to obtain an abortion.”; and

Further amend said section, Page 11, Line 150, by inserting after all of said line the following:

“453.015. As used in sections 453.010 to 453.400, the following terms mean:

(1) “Coerce” means to force a person to act in a given manner or to compel by pressure or threat;

(2) “Minor” or “child”, any person who has not attained the age of eighteen years or any person in the custody of the division of family services who has not attained the age of twenty-one;

[(2)] (3) “Parent”, a birth parent or parents of a child, including the putative father of the child, as well as the husband of a birth mother at the time the child was conceived, or a parent or parents of a child by adoption. The putative father shall have no legal relationship unless he has acknowledged the child as his own by affirmatively asserting his paternity;

[(3)] (4) “Putative father”, the alleged or presumed father of a child including a person who has filed a notice of intent to claim paternity with the putative father registry established in section 192.016 and a person who has filed a voluntary acknowledgment of paternity pursuant to section 193.087; and

[(4)] (5) “Stepparent”, the spouse of a biological or adoptive parent. The term does not include the state if the child is a ward of the state. The term does not include a person whose parental rights have been terminated.”; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

2. The judge may waive the assessment of the cost in those cases where the defendant is found by the judge to be indigent and unable to pay the costs.

Such training shall be made available by the department to its contracted, licensed, certified, or funded providers.

3. The provisions of this section shall not apply to long-term care facilities licensed under chapter 198 or hospitals licensed under chapter 197.”; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

632.150. 1. A voluntary patient who has applied for his own admission may request his release either orally or in writing to the head of the mental health facility and shall be released immediately; except, that if the head of the facility determines that he is mentally disordered and, as a result, presents a likelihood of serious physical harm to himself or others, **or is gravely disabled**, the head of the facility may refuse the request for release.

2. If the request for release is refused, the mental health facility may detain the person only if a mental health coordinator, a licensed physician, a registered professional nurse designated by the facility and approved by the department, a mental health professional or a peace officer completes an application for detention for evaluation and treatment to begin the involuntary detention of the patient under this chapter.

632.155. 1. A voluntary patient who is a minor and who requests his release either orally or in writing, or whose release is requested in writing to the head of the facility by his parent, spouse, adult next of kin, or person entitled to his custody, shall be released immediately; except, that if the patient was admitted on the application of another person, his release shall be conditioned upon receiving the consent of the person applying for his admission.

2. If the head of the mental health facility determines that the minor is mentally disordered and, as a result, presents a likelihood of serious physical harm to himself or others, **or is gravely disabled**, the head of the facility may refuse the release. The mental health facility may detain the minor only if a mental health coordinator, a licensed physician, a mental health professional or a registered professional nurse designated by the facility and approved by the department completes an application for detention for evaluation and treatment to begin the involuntary detention of the minor under this chapter or, if appropriate, the minor is detained in the facility under the provisions of chapter 211.

632.300. 1. When a mental health coordinator receives information alleging that a person, as the result of a mental disorder, presents a likelihood of serious harm to himself or others, **or that the person is gravely disabled**, he shall:

- (1) Conduct an investigation;
- (2) Evaluate the allegations and the data developed by investigation; and
- (3) Evaluate the reliability and credibility of all sources of information.

2. If, as the result of personal observation or investigation, the mental health coordinator has reasonable cause to believe that such person is mentally disordered and, as a result, presents a likelihood of serious

harm to himself or others, **or that the person is gravely disabled**, the mental health coordinator may file an application with the court having probate jurisdiction pursuant to the provisions of section 632.305; provided, however, that should the mental health coordinator have reasonable cause to believe, as the result of personal observation or investigation, that the likelihood of serious harm by such person to himself or others as a result of a mental disorder is imminent unless the person is immediately taken into custody, **or the person is gravely disabled and there exists an imminent risk to the person's health or safety unless such person is immediately taken into custody**, the mental health coordinator shall request a peace officer to take or cause such person to be taken into custody and transported to a mental health facility in accordance with the provisions of subsection 3 of section 632.305.

3. If the mental health coordinator determines that involuntary commitment is not appropriate, he should inform either the person, his family or friends about those public and private agencies and courts which might be of assistance.

632.305. 1. An application for detention for evaluation and treatment may be executed by any adult person, who need not be an attorney or represented by an attorney, including the mental health coordinator, on a form provided by the court for such purpose, and must allege under oath that the applicant has reason to believe that the respondent is suffering from a mental disorder and presents a likelihood of serious harm to himself or to others, **or is gravely disabled**. The application must specify the factual information on which such belief is based and should contain the names and addresses of all persons known to the applicant who have knowledge of such facts through personal observation.

2. The filing of a written application in court by any adult person, who need not be an attorney or represented by an attorney, including the mental health coordinator, shall authorize the applicant to bring the matter before the court on an ex parte basis to determine whether the respondent should be taken into custody and transported to a mental health facility. The application may be filed in the court having probate jurisdiction in any county where the respondent may be found. If the court finds that there is probable cause, either upon testimony under oath or upon a review of affidavits, to believe that the respondent may be suffering from a mental disorder and presents a likelihood of serious harm to himself or others, **or is gravely disabled**, it shall direct a peace officer to take the respondent into custody and transport him to a mental health facility for detention for evaluation and treatment for a period not to exceed ninety-six hours unless further detention and treatment is authorized pursuant to this chapter. Nothing herein shall be construed to prohibit the court, in the exercise of its discretion, from giving the respondent an opportunity to be heard.

3. A mental health coordinator may request a peace officer to take or a peace officer may take a person into custody for detention for evaluation and treatment for a period not to exceed ninety-six hours only when such mental health coordinator or peace officer has reasonable cause to believe that such person is suffering from a mental disorder and that the likelihood of serious harm by such person to himself or others is imminent unless such person is immediately taken into custody, **or the person is gravely disabled and there exists an imminent risk to the person's health or safety unless such person is immediately taken into custody**. Upon arrival at the mental health facility, the peace officer or mental health coordinator who conveyed such person or caused him to be conveyed shall either present the application for detention for evaluation and treatment upon which the court has issued a finding of probable cause and the respondent was taken into custody or complete an application for initial detention for evaluation and treatment for a period not to exceed ninety-six hours which shall be based upon his own personal observations or investigations and shall contain the information required in subsection 1 of this section.

4. If a person presents himself or is presented by others to a mental health facility and a licensed

physician, a registered professional nurse or a mental health professional designated by the head of the facility and approved by the department for such purpose has reasonable cause to believe that the person is mentally disordered and presents an imminent likelihood of serious harm to himself or others unless he is accepted for detention, **or the person is gravely disabled and there exists an imminent risk to the person's health or safety unless such person is accepted for detention**, the licensed physician, the mental health professional or the registered professional nurse designated by the facility and approved by the department may complete an application for detention for evaluation and treatment for a period not to exceed ninety-six hours. The application shall be based on his own personal observations or investigation and shall contain the information required in subsection 1 of this section.

632.330. 1. At the expiration of the ninety-six hour period, the respondent may be detained and treated involuntarily for an additional two judicial days only if the head of the mental health facility or a mental health coordinator either has filed a petition for additional inpatient detention and treatment not to exceed twenty-one days or has filed a petition for outpatient detention and treatment for a period not to exceed one hundred eighty days.

2. Within ninety-six hours following initial detention, the head of the facility or the mental health coordinator may file or cause to be filed either a petition for a twenty-one-day inpatient involuntary detention and treatment period or a petition for outpatient detention and treatment for a period not to exceed one hundred eighty days, provided he has reasonable cause to believe that the person is mentally ill and as a result presents a likelihood of serious harm to himself or others, **or is gravely disabled**. The court shall serve the petition and list of prospective witnesses for the petitioner upon the respondent and his attorney at least twenty-four hours before the hearing. The head of the facility shall also notify the mental health coordinator if the petition is not filed by the mental health coordinator. The petition shall:

(1) Allege that the respondent, by reason of mental illness, presents a likelihood of serious harm to himself or to others, **or is gravely disabled**;

(2) Allege that the respondent is in need of continued detention and treatment either on an inpatient basis or on an outpatient basis;

(3) Allege the specific behavior of the respondent or the facts which support such conclusion;

(4) Affirm that attempts were made to provide necessary care, treatment and services in the least restrictive environment to the respondent on a voluntary basis, but either the petitioner believes that the respondent lacks the capacity to voluntarily consent to care, treatment and services or the respondent refuses to voluntarily consent to care, treatment and services such that proceeding with a petition for the respondent's civil detention in the least restrictive environment is necessary;

(5) Allege that there will be appropriate support from family, friends, case managers or others during the period of outpatient detention and treatment in the community if such commitment is sought;

(6) Specify the mental health program that is appropriate to handle the respondent's condition and that has agreed to accept the respondent;

(7) Specify the range of care, treatment and services that shall be provided to the respondent if the petition for further detention is sustained by the court;

(8) Name the entities that have agreed to fund and provide the specified interventions; and

(9) Be verified by a psychiatrist or by a licensed physician and a mental health professional who have examined the respondent.

3. The petitioner shall consider whether based on the respondent's condition and treatment history, the respondent meets the criteria in chapter 475, so that appointment of a full or limited guardian or conservator is appropriate for the court to consider, and if deemed so, the petitioner then shall proceed as specified in subsection 4 of this section.

4. If the head of the mental health facility, or his designee, or the mental health coordinator believes that the respondent, because of a mental illness or mental disorder, may be incapacitated or disabled as defined in chapter 475, the head of the mental health facility or mental health coordinator shall cause a petition to be filed pursuant to section 475.060 and section 475.061, if applicable, with the court having probate jurisdiction as determined by section 475.035. In addition, if the head of the mental health facility, his designee or the mental health coordinator believes it appropriate, he shall proceed with obtaining an order for the respondent's temporary emergency detention as provided for in section 475.355. Furthermore, the hearing on the petition filed pursuant to chapter 475 shall be conducted pursuant to the requirements of section 475.075 and other appropriate sections of chapter 475, and shall be held within two judicial days after termination of the ninety-six-hour civil detention period unless continued for good cause shown. Nothing contained in this subsection shall restrict or prohibit the head of the mental health facility, his designee or the mental health coordinator from proceeding under the appropriate provisions of this chapter if the petition for guardianship or conservatorship is denied.

632.335. 1. The petition for additional inpatient detention and treatment not to exceed twenty-one days or the petition for outpatient detention and treatment not to exceed one hundred eighty days shall be filed with the court having probate jurisdiction. At the time of filing the petition, the court clerk shall set a date and time for the hearing which shall take place within two judicial days of the filing of the petition. The clerk shall promptly notify the respondent, his attorney, the petitioner and the petitioner's attorney of the date and time for the hearing. The court shall not grant continuances except upon a showing of good and sufficient cause. If a continuance is granted, the court, in its discretion, may order the person released pending the hearing upon conditions prescribed by the court. The court may order the continued detention and treatment of the person at a mental health facility pending the continued hearing, and a copy of such order shall be furnished to the facility.

2. The hearing shall be conducted in as informal a manner as may be consistent with orderly procedure and in a physical setting not likely to have a harmful effect on the respondent. Due consideration shall be given by the court to holding a hearing at the mental health facility. The respondent shall have the following rights in addition to those specified elsewhere:

- (1) To be represented by an attorney;
- (2) To present evidence on his own behalf;
- (3) To cross-examine witnesses who testify against him;
- (4) To remain silent;
- (5) To view and copy all petitions and reports in the court file of his case;
- (6) To have the hearing open or closed to the public as he elects;
- (7) To be proceeded against according to the rules of evidence applicable to civil judicial proceedings;
- (8) A hearing before a jury if requested by the patient or his attorney.

3. The respondent shall be present at the hearing, unless the respondent's physical condition is such that

he cannot be present in the courtroom or if the court determines that the respondent's conduct in the courtroom is so disruptive that the proceedings cannot reasonably continue.

4. At the conclusion of the hearing, if the court finds, based upon clear and convincing evidence, that respondent, as the result of mental illness, presents a likelihood of serious harm to himself or to others, **or is gravely disabled**, and that a mental health program appropriate to handle the respondent's condition has agreed to accept him, the court shall order either that the respondent be detained for inpatient involuntary treatment in the least restrictive environment for a period not to exceed twenty-one days or be detained for outpatient detention and treatment under the supervision of a mental health program in the least restrictive environment for a period not to exceed one hundred eighty days.

632.337. 1. When the court has ordered up to one hundred eighty days of outpatient detention and treatment pursuant to section 632.335 or 632.350 or 632.355, and the supervisory mental health program has good cause to believe that immediate detention in a more appropriate least restrictive environment is required because the respondent presents a likelihood of serious harm, **or is gravely disabled** due to mental illness, the supervisory mental health program may direct that the respondent be detained for up to ninety-six hours at an appropriate mental health program that has agreed to accept the respondent and may authorize the sheriff to detain and transport the respondent to that mental health program. Detention for more than ninety-six hours shall be pursuant to section 632.330.

2. Evidence of detention for ninety-six-hour periods during the one hundred eighty-day outpatient detention and treatment may be considered by the court in determining additional periods of detention and treatment.

632.340. 1. Before the expiration of the twenty-one-day inpatient detention and treatment period ordered pursuant to section 632.335, the court may order the respondent to be detained and treated involuntarily for an additional period not to exceed ninety inpatient days or may order the respondent to be detained for outpatient detention and treatment for a period not to exceed one hundred eighty days; provided, that:

(1) The respondent is mentally ill and continues to present a likelihood of serious harm to himself or others, **or is gravely disabled**; and

(2) The court, after a hearing, orders the respondent detained and treated for the additional period.

2. If, within seventeen days of the court hearing described in section 632.335, the head of the mental health program or the mental health coordinator has reasonable cause to believe that the respondent is mentally ill and as a result presents a likelihood of serious harm to himself or others, **or is gravely disabled**, and believes that further detention and treatment is necessary, he shall file, or cause to be filed, with the court a petition for ninety days additional detention and treatment or a petition for outpatient detention and treatment for a period not to exceed one hundred eighty days. The court shall immediately set a date and time for a hearing on the petition, which shall take place within four judicial days of the date of the filing of the petition. The court shall serve a copy of the petition and the notice of the date and time of the hearing upon the petitioner, the respondent, and their attorneys as promptly as possible, but not later than two judicial days after the filing of the petition. The petitioner shall also file with the court, for the court to serve upon the respondent's attorney not later than two judicial days after the filing of the petition, a list of the proposed witnesses for the petitioner. The head of the mental health program shall notify the mental health coordinator if the petition is not filed by the mental health coordinator. The petition shall comply with the requirements of section 632.330, and an individualized treatment plan for the respondent shall be attached thereto.

632.350. 1. The hearing for a ninety-day inpatient detention and treatment period or for outpatient detention and treatment for a period not to exceed one hundred eighty days shall be conducted in as informal a manner as may be consistent with orderly procedure and in a physical setting not likely to have a harmful effect on the mental health of the respondent. If a jury trial is not requested, due consideration shall be given by the court to holding a hearing at the mental health program. The hearing shall be held in accordance with the provisions set forth in section 632.335. 2. The burden of proof at the hearing shall be by clear and convincing evidence and shall be upon the petitioner.

3. If the matter is tried before a jury, the jury shall determine and shall be instructed only upon the issues of whether or not the respondent is mentally ill and, as a result, presents a likelihood of serious harm to himself or others, **or is gravely disabled**. The remaining procedures for the jury trial shall be as in other civil matters.

4. The respondent shall not be required to file an answer or other responsive pleading.

5. At the conclusion of the hearing, if the court or jury finds that the respondent, as the result of mental illness, presents a likelihood of serious harm to himself or to others, **or is gravely disabled**, and the court finds that a program appropriate to handle the respondent's condition has agreed to accept him, the court shall order the respondent to be detained for involuntary treatment in the least restrictive environment for a period not to exceed ninety days or for outpatient detention and treatment under the supervision of a mental health program in the least restrictive environment for a period not to exceed one hundred eighty days.

632.355. 1. At the expiration of the ninety-day inpatient commitment period ordered by the court pursuant to section 632.350, the respondent may be detained and treated as an involuntarily inpatient for an additional period of time not to exceed one year or such lesser period of time as determined by the court or may be detained for outpatient detention and treatment for a period of time not to exceed one hundred eighty days; provided, that:

(1) The respondent is mentally ill and continues to present a likelihood of serious harm to himself or to others, **or is gravely disabled**; and

(2) The court after a hearing orders the person detained and treated for the additional period.

2. Within the ninety-day commitment period, the head of the mental health program or the mental health coordinator may file or cause to be filed, in compliance with the requirements of section 632.330, a petition for a one-year inpatient detention and treatment period or a petition for outpatient detention and treatment for a period not to exceed one hundred eighty days if he has reasonable cause to believe that the respondent is mentally ill and as a result presents a likelihood of serious harm to himself or others, **or is gravely disabled**, and that further detention and treatment is necessary pursuant to an individualized treatment plan prepared by the program and filed with the court. Procedures specified in sections 632.340, 632.345 and 632.350 shall be followed.

3. At the conclusion of the hearing, if the court or jury finds that the respondent, as the result of mental illness, presents a likelihood of serious harm to himself or others, **or is gravely disabled**, and the court finds that a program appropriate to handle the respondent's condition has agreed to accept him, the court shall order that the respondent be detained for involuntary treatment in the least restrictive environment for a period not to exceed one year or for outpatient detention and treatment under the supervision of a mental health program in the least restrictive environment for a period not to exceed one hundred eighty days.

632.375. 1. At least once every one hundred eighty days, the head of each mental health program shall

have each respondent who is detained at the program for a one-year period under this chapter examined and evaluated to determine if the respondent continues to be mentally ill, and as a result presents a likelihood of serious harm to himself or others, **or is gravely disabled**. The court, the mental health coordinator for the region, the respondent and the respondent's attorney shall be provided copies of the report of the examination and evaluation described by this section and the respondent's individualized treatment plan.

2. Upon receipt of the report, the court may, upon its own motion, or shall, upon the motion of the respondent, order a hearing to be held as to the need for continued detention and involuntary treatment. At the conclusion of the hearing, the court may order:

(1) The discharge of the respondent; or

(2) An appropriate least restrictive course of detention and involuntary treatment; or

(3) The respondent to be remanded to the mental health program for the unexpired portion of the original commitment order.

632.390. 1. The head of a mental health program shall release any person who is involuntarily detained under this chapter when, in his opinion, the person is no longer mentally ill or, although mentally ill, does not present a likelihood of serious harm to himself or others, **or is no longer gravely disabled**, even though the detention period has not expired.

2. Whenever the head of a mental health program discharges a person prior to the expiration of the detention order, he shall notify in writing the court and the mental health coordinator.

3. Whenever a respondent voluntarily admits himself and the head of a mental health program accepts the admission application submitted by respondent in good faith under section 632.105, the respondent's involuntary detention shall cease, and the head of the program shall notify, in writing, the court and the mental health coordinator.

632.430. 1. Appeals from court orders made under this chapter may be made by the respondent or by the petitioner to the appropriate appellate court pursuant to the rules of civil procedure of the supreme court of Missouri pertaining to appeals. Such appeal shall have priority on the docket of the appellate court and shall be expedited in all respects. The court shall notify the attorney general's office whenever an appeal is filed under this subsection, and the attorney general shall represent the state when it is a party to such appeal.

2. A motion to stay any order restricting an individual's liberty may be filed in either the court or the appropriate appellate court. A stay order shall not be granted in any case where the court finds that the person is so mentally ill that there is an imminent likelihood of serious physical harm to himself or others if he is not detained or treated pending appeal **or the person is gravely disabled and there exists an imminent risk to the person's health or safety if such person is not detained or treated pending appeal**. Any refusal to grant a stay by the court may be reviewed by the appropriate appellate court on motion."; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

452.400. 1. (1) A parent not granted custody of the child is entitled to reasonable visitation rights unless the court finds, after a hearing, that visitation would endanger the child's physical health or impair his or her emotional development. The court shall enter an order specifically detailing the visitation rights of the parent without physical custody rights to the child and any other children for whom such parent has custodial or visitation rights. In determining the granting of visitation rights, the court shall consider evidence of domestic violence. If the court finds that domestic violence has occurred, the court may find that granting visitation to the abusive party is in the best interests of the child.

(2) (a) The court shall not grant visitation to the parent not granted custody if such parent or any person residing with such parent has been found guilty of or pled guilty to any of the following offenses when a child was the victim:

a. A felony violation of section 566.030, 566.032, 566.040, 566.060, 566.062, 566.064, 566.067, 566.068, 566.070, 566.083, 566.090, 566.100, 566.111, 566.151, 566.203, 566.206, 566.209, 566.212, or 566.215;

c. A violation of subdivision (2) of subsection 1 of section 568.060;

d. A violation of section 568.065;

e. A violation of section 568.080;

f. A violation of section 568.090; or

g. A violation of section 568.175.

(b) For all other violations of offenses in chapters 566 and 568 not specifically listed in paragraph (a) of this subdivision or for a violation of an offense committed in another state when a child is the victim that would be a violation of chapter 566 or 568 if committed in Missouri, the court may exercise its discretion in granting visitation to a parent not granted custody if such parent or any person residing with such parent has been found guilty of, or pled guilty to, any such offense.

(3) The court shall consider the parent's history of inflicting, or tendency to inflict, physical harm, bodily injury, assault, or the fear of physical harm, bodily injury, or assault on other persons and shall grant visitation in a manner that best protects the child and the parent or other family or household member who is the victim of domestic violence, and any other children for whom the parent has custodial or visitation rights from any further harm.

(4) The court, if requested by a party, shall make specific findings of fact to show that the visitation arrangements made by the court best protect the child or the parent or other family or household member who is the victim of domestic violence, or any other child for whom the parent has custodial or visitation rights from any further harm.

2. (1) The court may modify an order granting or denying visitation rights whenever modification would serve the best interests of the child, but the court shall not restrict a parent's visitation rights unless it finds that the visitation would endanger the child's physical health or impair his or her emotional development.

(2) (a) In any proceeding modifying visitation rights, the court shall not grant unsupervised visitation to a parent if the parent or any person residing with such parent has been found guilty of or pled guilty to any of the following offenses when a child was the victim:

a. A felony violation of section 566.030, 566.032, 566.040, 566.060, 566.062, 566.064, 566.067, 566.068, 566.070, 566.083, 566.090, 566.100, 566.111, 566.151, 566.203, 566.206, 566.209, 566.212, or 566.215;

b. A violation of section 568.020;

c. A violation of subdivision (2) of subsection 1 of section 568.060;

d. A violation of section 568.065;

e. A violation of section 568.080;

f. A violation of section 568.090; or

g. A violation of section 568.175.

(b) For all other violations of offenses in chapters 566 and 568 not specifically listed in paragraph (a) of this subdivision or for a violation of an offense committed in another state when a child is the victim that would be a violation of chapter 566 or 568 if committed in Missouri, the division may exercise its discretion regarding the placement of a child taken into the custody of the state in which a parent or any person residing in the home has been found guilty of, or pled guilty to, any such offense.

(3) When a court restricts a parent's visitation rights or when a court orders supervised visitation because of allegations of abuse or domestic violence, a showing of proof of treatment and rehabilitation shall be made to the court before unsupervised visitation may be ordered. "Supervised visitation", as used in this section, is visitation which takes place in the presence of a responsible adult appointed by the court for the protection of the child.

3. The court shall mandate compliance with its order by all parties to the action, including parents,

children and third parties. In the event of noncompliance, the aggrieved person may file a verified motion for contempt. If custody, visitation or third-party custody is denied or interfered with by a parent or third party without good cause, the aggrieved person may file a family access motion with the court stating the specific facts which constitute a violation of the judgment of dissolution, [or] legal separation **or judgment of paternity**. The state courts administrator shall develop a simple form for pro se motions to the aggrieved person, which shall be provided to the person by the circuit clerk. Clerks, under the supervision of a circuit clerk, shall explain to aggrieved parties the procedures for filing the form. Notice of the fact that clerks will provide such assistance shall be conspicuously posted in the clerk's offices. The location of the office where the family access motion may be filed shall be conspicuously posted in the court building. The performance of duties described in this section shall not constitute the practice of law as defined in section 484.010. Such form for pro se motions shall not require the assistance of legal counsel to prepare and file. The cost of filing the motion shall be the standard court costs otherwise due for instituting a civil action in the circuit court.

4. Within five court days after the filing of the family access motion pursuant to subsection 3 of this section, the clerk of the court shall issue a summons pursuant to applicable state law, and applicable local or supreme court rules. A copy of the motion shall be personally served upon the respondent by personal process server as provided by law or by any sheriff. Such service shall be served at the earliest time and shall take priority over service in other civil actions, except those of an emergency nature or those filed pursuant to chapter 455. The motion shall contain the following statement in boldface type:

“PURSUANT TO SECTION 452.400, RSMO, YOU ARE REQUIRED TO RESPOND TO THE CIRCUIT CLERK WITHIN TEN DAYS OF THE DATE OF SERVICE. FAILURE TO RESPOND TO THE CIRCUIT CLERK MAY RESULT IN THE FOLLOWING:

- (1) **AN ORDER FOR A COMPENSATORY PERIOD OF CUSTODY, VISITATION OR THIRD-PARTY CUSTODY AT A TIME CONVENIENT FOR THE AGGRIEVED PARTY NOT LESS THAN THE PERIOD OF TIME DENIED;**
- (2) **PARTICIPATION BY THE VIOLATOR IN COUNSELING TO EDUCATE THE VIOLATOR ABOUT THE IMPORTANCE OF PROVIDING THE CHILD WITH A CONTINUING AND MEANINGFUL RELATIONSHIP WITH BOTH PARENTS;**

- (4) **REQUIRING THE VIOLATOR TO POST BOND OR SECURITY TO ENSURE FUTURE COMPLIANCE WITH THE COURT'S ORDERS;**
- (5) **ORDERING THE VIOLATOR TO PAY THE COST OF COUNSELING TO REESTABLISH**

THE PARENT-CHILD RELATIONSHIP
BETWEEN THE AGGRIEVED PARTY AND
THE CHILD; AND

- (6) A JUDGMENT IN AN AMOUNT NOT LESS THAN THE REASONABLE EXPENSES, INCLUDING ATTORNEY'S FEES AND COURT COSTS ACTUALLY INCURRED BY THE AGGRIEVED PARTY AS A RESULT OF THE DENIAL OF CUSTODY, VISITATION OR THIRD-PARTY CUSTODY.”.

5. If an alternative dispute resolution program is available pursuant to section 452.372, the clerk shall also provide information to all parties on the availability of any such services, and within fourteen days of the date of service, the court may schedule alternative dispute resolution.

6. Upon a finding by the court pursuant to a motion for a family access order or a motion for contempt that its order for custody, visitation or third-party custody has not been complied with, without good cause, the court shall order a remedy, which may include, but not be limited to:

- (1) A compensatory period of visitation, custody or third-party custody at a time convenient for the aggrieved party not less than the period of time denied;
- (2) Participation by the violator in counseling to educate the violator about the importance of providing the child with a continuing and meaningful relationship with both parents;
- (3) Assessment of a fine of up to five hundred dollars against the violator payable to the aggrieved party;
- (4) Requiring the violator to post bond or security to ensure future compliance with the court's access orders; and
- (5) Ordering the violator to pay the cost of counseling to reestablish the parent-child relationship between the aggrieved party and the child.

7. The reasonable expenses incurred as a result of denial or interference with custody or visitation, including attorney's fees and costs of a proceeding to enforce visitation rights, custody or third-party custody, shall be assessed, if requested and for good cause, against the parent or party who unreasonably denies or interferes with visitation, custody or third-party custody. In addition, the court may utilize any and all powers relating to contempt conferred on it by law or rule of the Missouri supreme court.

8. Final disposition of a motion for a family access order filed pursuant to this section shall take place not more than sixty days after the service of such motion, unless waived by the parties or determined to be in the best interest of the child. Final disposition shall not include appellate review.

9. Motions filed pursuant to this section shall not be deemed an independent civil action from the original action pursuant to which the judgment or order sought to be enforced was entered.

Such petition for termination may be filed as a count in an adoption petition.

Moneys from collected fees shall be annually transferred by the state treasurer into the fund from the state general revenue fund in the amount of no more than two percent of the amount expended for personal service by state and local government entities for judicial personnel as determined by the state courts administrator pursuant to subsection 1 of this section. Any unexpended balance remaining in the fund at the end of each biennium shall be exempt from the provisions of section 33.080 relating to the transfer of unexpended balances to the state general revenue fund, until the amount in the fund exceeds two percent of the amounts expended for personal service by state and local government for judicial personnel.

3. In addition, any moneys received by or on behalf of the state courts administrator from fees, grants, or any other sources in connection with providing training to judicial personnel shall be deposited in the fund provided, however, that moneys collected in the fund in connection with a particular purpose shall be segregated and shall not be disbursed for any other purpose.

4. 2. Any person to whom sections 589.400 to 589.425 apply shall, within three days of conviction, release from incarceration, or placement upon probation, register with the chief law enforcement official of the county or city not within a county in which such person resides unless such person has already registered in that county for the same offense. Any person to whom sections 589.400 to 589.425 apply if not currently registered in their county of residence shall register with the chief law enforcement official of such county or city not within a county within three days. The chief law enforcement official shall forward a copy of the registration form required by section 589.407 to a city, town, village, or campus law enforcement agency located within the county of the chief law enforcement official, if so requested. Such request may ask the chief law enforcement official to forward copies of all registration forms filed with such official. The chief law enforcement official may forward a copy of such registration form to any city, town, village, or campus law enforcement agency, if so requested.

3. The registration requirements of sections 589.400 through 589.425 are lifetime registration requirements unless:

(1) All offenses requiring registration are reversed, vacated or set aside;

(2) The registrant is pardoned of the offenses requiring registration;

(3) The registrant is no longer required to register and his or her name shall be removed from the registry under the provisions of subsection 6 of this section; or

(4) The registrant may petition the court for removal or exemption from the registry under subsection [7 or 8] **4, 8, or 9** of this section and the court orders the removal or exemption of such person from the registry.

4. **Any person on the sexual offender registry under subdivision (5) or (6) of subsection 1 of this section may file a petition for removal from the registry after five years have passed from the later of the date the offender was found guilty of the offense that requires registration or the date the person was released from custody for such offense. The petition may be filed in the circuit court in the county in which the person was found guilty of the offense, or, if the offense was adjudicated outside the state, the person may file a petition in the circuit court in the county in which the person resides after such person has been a resident of Missouri for at least five years prior to filing the petition. The court shall grant the petition and enter an order directing the removal of the petitioner's name and information from the sexual offender registry unless it finds that the petitioner, in this state or any other state, territory, the District of Columbia, foreign country, or federal, tribal, or military jurisdiction:**

(1) **Has been adjudicated of, or has charges pending, for failure to register;**

(2) **Has been adjudicated of, or has charges pending for, any additional offense which would require registration as a sexual offender under this section, or section 211.425, and which occurred after the date such person initially registered as a sexual offender;**

(3) **Has not successfully completed any required period of supervised release, probation, or parole;**
or

(4) If the petitioner's offense was adjudicated outside the state, such person has not been a resident of Missouri for at least five years prior to filing the petition.

If the petition was not granted solely because the petitioner had charges pending for failure to register or an additional offense that would require registration and such charges are subsequently dismissed or the petitioner is acquitted of the pending charges, the person may file a new petition at any time after the dismissal or acquittal of the pending charges. If the denial is based on a finding of guilt for an offense that would require registration under this section, or section 211.425, no successive petition shall be filed. If the denial is based on a finding of guilt for failure to register, the person may file a new petition after five years have passed from the date the person was found guilty for failure to register. If the denial is based on the petitioner not completing a required period of supervised release, probation, or parole and the petitioner subsequently completes the period of supervised release, probation, or parole, then the person may file a new petition at any time after completing such period of release, probation, or parole. If the petition is denied because the petitioner's offense was adjudicated outside the state and the petitioner has not been a resident of Missouri for at least five years prior to filing the petition, such person may file a new petition at any time after residing in the state for the required five-year period. Beginning August 28, 2013, information regarding any person whose offense was committed in Missouri, or in any other state, when such person was under eighteen years of age shall be immediately removed from the highway patrol's website created under section 43.650 and any local law enforcement website allowed under section 589.402 regardless of whether such person has a petition granted under this subsection.

5. For processing an initial sex offender registration the chief law enforcement officer of the county or city not within a county may charge the offender registering a fee of up to ten dollars.

[5.] **6.** For processing any change in registration required pursuant to section 589.414 the chief law enforcement official of the county or city not within a county may charge the person changing their registration a fee of five dollars for each change made after the initial registration.

[6.] **7.** Any person currently on the sexual offender registry for being convicted of, found guilty of, or pleading guilty or nolo contendere to committing, attempting to commit, or conspiring to commit, felonious restraint when the victim was a child and he or she was the parent or guardian of the child, nonsexual child abuse that was committed under section 568.060, or kidnapping when the victim was a child and he or she was the parent or guardian of the child shall be removed from the registry. However, such person shall remain on the sexual offender registry for any other offense for which he or she is required to register under sections 589.400 to 589.425.

[7.] **8.** Any person currently on the sexual offender registry for having been convicted of, found guilty of, or having pleaded guilty or nolo contendere to committing, attempting to commit, or conspiring to commit promoting prostitution in the second degree, promoting prostitution in the third degree, public display of explicit sexual material, statutory rape in the second degree, and no physical force or threat of physical force was used in the commission of the crime may file a petition in the civil division of the circuit court in the county in which the offender was convicted or found guilty of or pled guilty or nolo contendere to committing, attempting to commit, or conspiring to commit the offense or offenses for the removal of his or her name from the sexual offender registry after ten years have passed from the date he or she was required to register.

[8.] **9.** Effective August 28, 2009, any person on the sexual offender registry for having been convicted

of, found guilty of, or having pled guilty or nolo contendere to an offense included under subsection 1 of this section may file a petition after two years have passed from the date the offender was convicted or found guilty of or pled guilty or nolo contendere to the offense or offenses in the civil division of the circuit court in the county in which the offender was convicted or found guilty of or pled guilty or nolo contendere to the offense or offenses for removal of his or her name from the registry if such person was nineteen years of age or younger and the victim was thirteen years of age or older at the time of the offense and no physical force or threat of physical force was used in the commission of the offense, unless such person meets the qualifications of this subsection, and such person was eighteen years of age or younger at the time of the offense, and is convicted or found guilty of or pleads guilty or nolo contendere to a violation of section 566.068, 566.090, 566.093, or 566.095 when such offense is a misdemeanor, in which case, such person may immediately file a petition to remove or exempt his or her name from the registry upon his or her conviction or finding or pleading of guilty or nolo contendere to such offense.

[9.] **10.** (1) The court may grant such relief under subsection [7] **8** or [8] **9** of this section if such person demonstrates to the court that he or she has complied with the provisions of this section and is not a current or potential threat to public safety. The prosecuting attorney in the circuit court in which the petition is filed must be given notice, by the person seeking removal or exemption from the registry, of the petition to present evidence in opposition to the requested relief or may otherwise demonstrate the reasons why the petition should be denied. Failure of the person seeking removal or exemption from the registry to notify the prosecuting attorney of the petition shall result in an automatic denial of such person's petition. If the prosecuting attorney is notified of the petition he or she shall make reasonable efforts to notify the victim of the crime for which the person was required to register of the petition and the dates and times of any hearings or other proceedings in connection with that petition.

(2) If the petition is denied, such person shall wait at least twelve months before petitioning the court again. If the court finds that the petitioner is entitled to relief, which removes or exempts such person's name from the registry, a certified copy of the written findings or order shall be forwarded by the court to the chief law enforcement official having jurisdiction over the offender and to the Missouri state highway patrol in order to have such person's name removed or exempted from the registry.

[10.] **11.** Any nonresident worker or nonresident student shall register for the duration of such person's employment or attendance at any school of higher education and is not entitled to relief under the provisions of subsection [9] **10** of this section. Any registered offender from another state who has a temporary residence in this state and resides more than seven days in a twelve-month period shall register for the duration of such person's temporary residency and is not entitled to the provisions of subsection [9] **10** of this section.

[11.] **12.** Any person whose name is removed or exempted from the sexual offender registry under subsection [7] **8** or [8] **9** of this section shall no longer be required to fulfill the registration requirements of sections 589.400 to 589.425, unless such person is required to register for committing another offense after being removed from the registry.

2. (10) Any online identifiers, as defined in section 43.651, used by the person. Such online identifiers shall not be included in the general profile of an offender on the [web page] **website** and shall only be available to a member of the public by a search using the specific online identifier to determine if a match exists with a registered offender.

4. The chief law enforcement officer of any county or city not within a county may publish in any newspaper distributed in the county or city not within a county the sexual offender information provided under subsection 3 of this section for any offender residing in the county or city not within a county.

5. Beginning August 28, 2013, no offender's information whose offense was committed in the state of Missouri, or in any other state, when such offender was a juvenile shall be listed on the website. Effective August 28, 2013, any offender currently on the website who was required to register as a sex offender under section 589.400, based on an offense that occurred when such offender was a juvenile shall be immediately removed from the website. “600.062. Notwithstanding the provisions of sections 600.017 and 600.042 to the contrary, neither the director nor the commission shall have the authority to limit the availability of a district office or any division director, district defender, deputy district defender, or assistant public defender to accept cases based on a determination that the office has exceeded a caseload standard. The director, commission, any division director, district defender, deputy district defender, or assistant public defender may not refuse to provide representation required under this chapter without prior approval from a court of competent jurisdiction.

600.063. 1. Upon approval by the director or the commission, any district defender may file a motion to request a conference to discuss caseload issues involving any individual public defender or defenders, but not the entire office, with the presiding judge of any circuit court served by the district office. The motion shall state the reasons why the individual public defender or public defenders will be unable to provide effective assistance of counsel due to caseload concerns. When a motion to request a conference has been filed, the clerk of the court shall immediately provide a copy of the motion to the prosecuting or circuit attorney who serves the circuit court.

2. If the presiding judge approves the motion, a date for the conference shall be set within thirty days of the filing of the motion. The court shall provide notice of the conference date and time to the district defender and the prosecuting or circuit attorney.

3. Within thirty days of the conference, the presiding judge shall issue an order either granting or denying relief. If relief is granted, it shall be based upon a finding that the individual public defender or defenders will be unable to provide effective assistance of counsel due to caseload issues. The judge may order one or more of the following types of relief in any appropriate combination:

(1) Appoint private counsel to represent any eligible defendant pursuant to the provisions of section 600.064;

(2) Investigate the financial status of any defendant determined to be eligible for public defender representation under section 600.086 and make findings regarding the eligibility of such defendants;

(3) Determine, with the express concurrence of the prosecuting or circuit attorney, whether any cases can be disposed of without the imposition of a jail or prison sentence and allow such cases to proceed without the provision of counsel to the defendant;

(4) Modify the conditions of release ordered in any case in which the defendant is being represented by a public defender, including, but not limited to, reducing the amount of any bond required for release;

(5) Place cases on a waiting list for defender services, taking into account the seriousness of the case, the incarceration status of the defendant, and such other special circumstances as may be

brought to the attention of the court by the prosecuting or circuit attorney, the district defender, or other interested parties; and

(6) Grant continuances.

4. Upon receiving the order, the prosecuting or circuit attorney and the district defender shall have ten days to file an application for review to the appropriate appellate court. Such appeal shall be expedited by the court in every manner practicable.

5. Nothing in this section shall deny any party the right to seek any relief authorized by law nor shall any provisions of this section be construed as providing a basis for a claim for post conviction relief by a defendant.

6. The commission and the supreme court may make such rules and regulations to implement this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created by the commission under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2013, shall be invalid and void.

600.064. 1. Before a circuit court judge appoints private counsel to represent an indigent defendant, the judge shall:

(1) Investigate the defendant's financial status to verify that the defendant does not have the means to obtain counsel; and

(2) Provide each appointed lawyer, upon request, with an evidentiary hearing as to the propriety of the appointment, taking into consideration the lawyer's right to earn a livelihood and be free from involuntary servitude. If the judge determines after the hearing that the appointment will cause any undue hardship to the lawyer, the judge shall appoint another lawyer.

(3) Determine whether the private counsel to be appointed possesses the necessary experience, education, and expertise in criminal defense to provide effective assistance of counsel.

2. No judge shall require a lawyer to advance personal funds in any amount for the payment of litigation expenses to prepare a proper defense for an indigent defendant.

3. If an employee of the general assembly is appointed to represent an indigent defendant during the time period beginning January first and ending June first of each year, or whenever the general assembly is in a veto session or special session or is holding out-of-session committee hearings, the judge who made the appointment shall postpone the trial and all other proceedings of any kind or nature to a date that does not fall within such time period or appoint a different lawyer who is not an employee of the general assembly to represent the defendant.

4. Private counsel appointed to represent an indigent defendant may seek payment of litigation expenses from the public defender system. Such litigation expenses shall not include counsel fees and shall be limited to those expenses approved in advance by the director as reasonably necessary for the proper defense of the defendant.”; and

Further amend said bill, Page 14, Section C, Lines 1-6, by deleting all of said section and lines and

inserting in lieu there of the following:

“Section C. Because immediate action is necessary to protect public safety and to ensure the constitutionality of statutes regarding criminal procedure for juvenile offenders and quality of representation of indigent criminal defendants the enactment of sections 537.865, 565.020, and 600.053 of section A of this act is deemed necessary for the immediate preservation of the public health, welfare, peace, and safety, and is hereby declared to be an emergency act within the meaning of the constitution, and the enactment of sections 537.865, 565.020, and 600.053 of section A of this act shall be in full force and effect upon its passage and approval.”; and

“488.2230. 1. In addition to all other court costs for municipal ordinance violations, any home rule city with more than four hundred thousand inhabitants and located in more than one county may provide for additional court costs in an amount up to seven dollars per case for each municipal ordinance violation case, except that no such additional cost shall be collected in any proceeding involving a violation of an ordinance when the proceeding or defendant has been dismissed by the court.

2. The judge may waive the assessment of the cost in those cases where the defendant is found by the judge to be indigent and unable to pay the costs.

3. Such cost shall be calculated by the clerk and disbursed to the city at least monthly. The city shall use such additional costs exclusively to fund special mental health, drug, and veterans courts, including indigent defense and ancillary services associated with such specialized courts.”; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

HOUSE AMENDMENT NO. 6

Amend House Committee Substitute for Senate Bill No. 12, Page 4, Section 537.865, Line 6, by inserting after all of said section and line the following:

“568.040. 1. A person commits the crime of nonsupport if such person knowingly fails to provide adequate support for his or her spouse; a parent commits the crime of nonsupport if such parent knowingly fails to provide adequate support which such parent is legally obligated to provide for his or her child or stepchild who is not otherwise emancipated by operation of law.

2. For purposes of this section:

(1) “Arrearage”:

(a) The amount of money created by a failure to provide support to a child under an administrative or judicial support order; or

(b) Support to an estranged or former spouse if the judgment or order requiring payment of spousal support also requires payment of child support and such estranged or former spouse is the custodial parent; or

(c) Both paragraphs (a) and (b).

The arrearage shall reflect any retroactive support ordered under a modification, and any judgments entered by a court of competent jurisdiction or any authorized agency and any satisfactions of judgment filed by the custodial parent;

(2) “Child” means any biological or adoptive child, or any child whose paternity has been established under chapter 454, or chapter 210, or any child whose relationship to the defendant has been determined, by a court of law in a proceeding for dissolution or legal separation, to be that of child to parent;

[(2)] (3) “Good cause” means any substantial reason why the defendant is unable to provide adequate support. Good cause does not exist if the defendant purposely maintains his inability to support;

[(3)] (4) “Support” means food, clothing, lodging, and medical or surgical attention;

[(4)] (5) It shall not constitute a failure to provide medical and surgical attention, if nonmedical remedial treatment recognized and permitted under the laws of this state is provided.

3. Inability to provide support for good cause shall be an affirmative defense under this section. A person who raises such affirmative defense has the burden of proving the defense by a preponderance of the evidence.

4. The defendant shall have the burden of injecting the issues raised by subdivision (4) of subsection 2 of this section.

5. Criminal nonsupport is a class A misdemeanor, unless the total arrearage is in excess of an aggregate of twelve monthly payments due under any order of support issued by any court of competent jurisdiction or any authorized administrative agency, in which case it is a class D felony.

6. (1) If at any time a defendant convicted of criminal nonsupport **or pleads guilty to a charge of criminal nonsupport** is placed on probation or parole, there may be ordered as a condition of probation or parole that the defendant commence payment of current support as well as satisfy the arrearages. Arrearages may be satisfied first by making such lump sum payment as the defendant is capable of paying, if any, as may be shown after examination of defendant’s financial resources or assets, both real, personal, and mixed, and second by making periodic payments. Periodic payments toward satisfaction of arrears when added to current payments due [may] **shall** be in such aggregate sums as is not greater than fifty percent of the defendant’s adjusted gross income after deduction of payroll taxes, medical insurance that also covers a dependent spouse or children, and any other court- or administrative-ordered support, only.

(2) If the defendant fails to pay the [current] support and arrearages [as ordered] **under the terms of his or her probation**, the court may revoke probation or parole and then impose an appropriate sentence within the range for the class of offense that the defendant was convicted of as provided by law, unless the defendant proves good cause for the failure to pay as required under subsection 3 of this section.

(3) **After a period of not less than eight years, an individual who has pled guilty to or has been convicted of a first felony offense for criminal nonsupport under this section and who has successfully completed probation after a plea of guilt or was sentenced may petition the court for expungement of all official records all recordations of his or her arrest, plea, trial, or conviction. If the court determines after hearing that such person has not been convicted of any subsequent offense; does not have any other felony pleas of guilt, findings of guilt or convictions; is current on all child support obligations; has paid off all arrearages; and has no other criminal charges or administrative child support actions pending at the time of the hearing on the application for expungement with respect to all children subject to orders of payment of child support or that the defendant has successfully**

completed a criminal nonsupport courts program under section 478.1000, the court shall enter an order of expungement. Upon granting the order of expungement, the records and files maintained in any court proceeding in an associate or circuit division of the circuit court under this section shall be confidential and only available to the parties or by order of the court for good cause shown. The effect of such order shall be to restore such person to the status he or she occupied prior to such arrest, plea or conviction, and as if such event had never taken place. No person for whom such order has been entered shall be held thereafter under any provision of any law to be guilty of perjury or otherwise giving a false statement by reason of his or her failure to recite or acknowledge such arrest, plea, trial, conviction, or expungement in response to any inquiry made of him or her for any purpose whatsoever and no such inquiry shall be made for information relating to an expungement under this section. A person shall only be entitled to one expungement under this section. Nothing in this section shall prevent the director of the department of social services from maintaining such records as to ensure that an individual receives only one expungement under this section for the purpose of informing the proper authorities of the contents of any record maintained under this section.

7. During any period that a nonviolent defendant is incarcerated for criminal nonsupport, if the defendant is ready, willing, and able to be gainfully employed during said period of incarceration, the defendant, if he or she meets the criteria established by the department of corrections, may be placed on work release to allow the defendant to satisfy defendant's obligation to pay support. Arrearages shall be satisfied as outlined in the collection agreement.

8. Beginning August 28, 2009, every nonviolent first- and second-time offender then incarcerated for criminal nonsupport, who has not been previously placed on probation or parole for conviction of criminal nonsupport, may be considered for parole, under the conditions set forth in subsection 6 of this section, or work release, under the conditions set forth in subsection 7 of this section.

9. Beginning January 1, 1991, every prosecuting attorney in any county which has entered into a cooperative agreement with the [child support enforcement service of the] family support division [of] **within** the department of social services **regarding child support enforcement services** shall report to the division on a quarterly basis the number of charges filed and the number of convictions obtained under this section by the prosecuting attorney's office on all IV-D cases. The division shall consolidate the reported information into a statewide report by county and make the report available to the general public.

10. Persons accused of committing the offense of nonsupport of the child shall be prosecuted:

(1) In any county in which the child resided during the period of time for which the defendant is charged; or

(2) In any county in which the defendant resided during the period of time for which the defendant is charged.”; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

3. Animal neglect and abandonment is a class C misdemeanor upon first conviction and for each offense, punishable by imprisonment or a fine not to exceed five hundred dollars, or both, and a class B misdemeanor punishable by imprisonment or a fine not to exceed one thousand dollars, or both upon the second and all subsequent convictions. All fines and penalties for a first conviction of animal neglect or abandonment may be waived by the court provided that the person found guilty of animal neglect or abandonment shows that adequate, permanent remedies for the neglect or abandonment have been made. Reasonable costs incurred for the care and maintenance of neglected or abandoned animals may not be waived. This section shall not apply to the provisions of section 578.007 **or sections 272.010 to 272.370.**

4. In addition to any other penalty imposed by this section, the court may order a person found guilty of animal neglect or abandonment to pay all reasonable costs and expenses necessary for:

(2) The disposal of any dead or diseased animals within the person's custody or ownership;

(3) The reduction of resulting organic debris affecting the immediate area of the neglect or abandonment; and

(4) The avoidance or minimization of any public health risks created by the neglect or abandonment of the animals.

578.011. 1. A person is guilty of animal trespass if a person having ownership or custody of an animal knowingly fails to provide adequate control for a period equal to or exceeding twelve hours.

2. (2) Purposely or intentionally causes injury or suffering to an animal; or

(3) Having ownership or custody of an animal knowingly fails to provide adequate care [or adequate control] **which results in substantial harm to the animal.**

2. Animal abuse is a class A misdemeanor, unless the defendant has previously [plead] **pled** guilty to or has been found guilty of animal abuse or the suffering involved in subdivision (2) of subsection 1 of this section is the result of torture or mutilation, or both, consciously inflicted while the animal was alive, in which case it is a class D felony.”; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

HOUSE AMENDMENT NO. 9

“313.817. 1. Except as permitted in this section, the licensee licensed to operate gambling games shall permit no form of wagering on gambling games.

2. The licensee may receive wagers only from a person present on a licensed excursion gambling boat.

3. Wagering shall not be conducted with money or other negotiable currency. The licensee shall exchange the money of each wagerer for electronic or physical tokens, chips, or other forms of credit to be wagered on the gambling games. The licensee shall exchange the tokens, chips, or other forms of wagering credit for money at the request of the wagerer.

4. A person under twenty-one years of age shall not make a wager on an excursion gambling boat and shall not be allowed in the area of the excursion boat where gambling is being conducted; provided that employees of the licensed operator of the excursion gambling boat who have attained eighteen years of age shall be permitted in the area in which gambling is being conducted when performing employment-related duties, except that no one under twenty-one years of age may be employed as a dealer or accept a wager on an excursion gambling boat. The governing body of a home dock city or county may restrict the age of entrance onto an excursion gambling boat by passage of a local ordinance.

5. In order to help protect patrons from invasion of privacy and the possibility of identity theft, patrons shall not be required to provide fingerprints, retinal scans, biometric forms of identification, any type of patron-tracking cards, or other types of identification prior to being permitted to enter the area where gambling is being conducted on an excursion gambling boat or to make a wager, except that, for purposes of establishing that a patron is at least twenty-one years of age as provided in subsection 4 above, a licensee operating an excursion gambling boat shall be authorized to request such patron to provide a valid state or federal photo identification or a valid passport. This section shall not prohibit enforcement of identification requirements that are required by federal law. This section shall not prohibit enforcement of any Missouri statute requiring identification of patrons for reasons other than being permitted to enter the area of an excursion gambling boat where gambling is being conducted or to make a wager.

6. A licensee shall only allow wagering and conduct gambling games at the times allowed by the commission.

7. It shall be unlawful for a person **twenty-one years of age or older** to present false identification to a licensee or a gaming agent in order to gain entrance to an excursion gambling boat, cash a check or verify that such person is legally entitled to be present on the excursion gambling boat. Any person who violates the provisions of this subsection shall be guilty of a class B misdemeanor for the first offense and a class A misdemeanor for second and subsequent offenses.

8. It shall be unlawful for a person under twenty-one years of age to present false identification to a licensee or a gaming agent in order to gain entrance to an excursion gambling boat, cash a check or verify that such person is legally entitled to be present on the excursion gambling boat. Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

HOUSE AMENDMENT NO. 10

Amend House Committee Substitute for Senate Bill No. 12, Page 14, Section 600.090, Line 70, by inserting after all of said section and line the following:

“650.058. 1. Notwithstanding the sovereign immunity of the state, any individual who was found guilty of a felony in a Missouri court and was later determined to be actually innocent of such crime solely as a result of DNA profiling analysis may be paid restitution. The individual may receive an amount of fifty dollars per day for each day of postconviction incarceration for the crime for which the individual is determined to be actually innocent. The petition for the payment of said restitution shall be filed with the sentencing court. For the purposes of this section, the term “actually innocent” shall mean:

(1) The individual was convicted of a felony for which a final order of release was entered by the court;

(2) All appeals of the order of release have been exhausted;

(3) The individual was not serving any term of a sentence for any other crime concurrently with the sentence for which he or she is determined to be actually innocent, unless such individual was serving another concurrent sentence because his or her parole was revoked by a court or the board of probation and parole in connection with the crime for which the person has been exonerated; and

(4) Testing ordered under section 547.035, or testing by the order of any state or federal court, if such person was exonerated on or before August 28, 2004, or testing ordered under section 650.055, if such person was or is exonerated after August 28, 2004, demonstrates a person’s innocence of the crime for which the person is in custody.

Any individual who receives restitution under this section shall be prohibited from seeking any civil redress from the state, its departments and agencies, or any employee thereof, or any political subdivision or its employees. This section shall not be construed as a waiver of sovereign immunity for any purposes other than the restitution provided for herein. The department of corrections shall determine the aggregate amount of restitution owed during a fiscal year. If insufficient moneys are appropriated each fiscal year to pay restitution to such persons, the department shall pay each individual who has received an order awarding restitution a pro rata share of the amount appropriated. Provided sufficient moneys are appropriated to the department, the amounts owed to such individual shall be paid on June thirtieth of each subsequent fiscal year, until such time as the restitution to the individual has been paid in full. However, no individual awarded restitution under this subsection shall receive more than thirty-six thousand five hundred dollars during each fiscal year. No interest on unpaid restitution shall be awarded to the individual. No individual who has been determined by the court to be actually innocent shall be responsible for the costs of care under section 217.831.

2. If the results of the DNA testing confirm the person’s guilt, then the person filing for DNA testing under section 547.035, shall:

(1) Be liable for any reasonable costs incurred when conducting the DNA test, including but not limited to the cost of the test. Such costs shall be determined by the court and shall be included in the findings of fact and conclusions of law made by the court; and

(2) Be sanctioned under the provisions of section 217.262.

3. A petition for payment of restitution under this section may only be filed by the individual determined to be actually innocent or the individual’s legal guardian. No claim or petition for restitution under this section may be filed by the individual’s heirs or assigns. An individual’s right to receive restitution under this section is not assignable or otherwise transferrable. The state’s obligation to pay restitution under this

section shall cease upon the individual's death. Any beneficiary designation that purports to bequeath, assign, or otherwise convey the right to receive such restitution shall be void and unenforceable.

4. An individual who is determined to be actually innocent of a crime under this chapter shall automatically be granted an order of expungement from the court in which he or she pled guilty or was sentenced to expunge from all official records all recordations of his or her arrest, plea, trial or conviction. Upon granting of the order of expungement, the records and files maintained in any administrative or court proceeding in an associate or circuit division of the court shall be confidential and only available to the parties or by order of the court for good cause shown. The effect of such order shall be to restore such person to the status he or she occupied prior to such arrest, plea or conviction and as if such event had never taken place. No person as to whom such order has been entered shall be held thereafter under any provision of any law to be guilty of perjury or otherwise giving a false statement by reason of his or her failure to recite or acknowledge such arrest, plea, trial, conviction or expungement in response to any inquiry made of him or her for any purpose whatsoever and no such inquiry shall be made for information relating to an expungement under this section.

5. Any individual incarcerated as a result of a probation or parole revocation based upon a crime for which the individual is determined to be actually innocent may receive an amount of fifty dollars per day for each day of post-revocation incarceration. For the purpose of this subsection, the basis of revocation shall be determined by the face of the order of revocation issued by the board of probation and parole or court.”; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

HOUSE AMENDMENT NO. 1

Amend House Committee Substitute for Senate Bill No. 112, Page 1, Section A, Line 3, by inserting after all of said line the following:

“32.115. 1. The department of revenue shall grant a tax credit, to be applied in the following order until used, against:

- (1) The annual tax on gross premium receipts of insurance companies in chapter 148;
- (2) The tax on banks determined pursuant to subdivision (2) of subsection 2 of section 148.030;

- (3) The tax on banks determined in subdivision (1) of subsection 2 of section 148.030;
- (4) The tax on other financial institutions in chapter 148;
- (5) The corporation franchise tax in chapter 147;
- (6) The state income tax in chapter 143; and
- (7) The annual tax on gross receipts of express companies in chapter 153.

2. For proposals approved pursuant to section 32.110:

(1) The amount of the tax credit shall not exceed fifty percent of the total amount contributed during the taxable year by the business firm or, in the case of a financial institution, where applicable, during the relevant income period in programs approved pursuant to section 32.110;

(2) Except as provided in subsection 2 or 5 of this section, a tax credit of up to seventy percent may be allowed for contributions to programs where activities fall within the scope of special program priorities as defined with the approval of the governor in regulations promulgated by the director of the department of economic development;

(3) Except as provided in subsection 2 or 5 of this section, the tax credit allowed for contributions to programs located in any community shall be equal to seventy percent of the total amount contributed where such community is a city, town or village which has fifteen thousand or less inhabitants as of the last decennial census and is located in a county which is either located in:

(a) An area that is not part of a standard metropolitan statistical area;

(b) A standard metropolitan statistical area but such county has only one city, town or village which has more than fifteen thousand inhabitants; or

(c) A standard metropolitan statistical area and a substantial number of persons in such county derive their income from agriculture. Such community may also be in an unincorporated area in such county as provided in subdivision (1), (2) or (3) of this subsection. Except in no case shall the total economic benefit of the combined federal and state tax savings to the taxpayer exceed the amount contributed by the taxpayer during the tax year;

(4) Such tax credit allocation, equal to seventy percent of the total amount contributed, shall not exceed four million dollars in fiscal year 1999 and six million dollars in fiscal year 2000 and any subsequent fiscal year. When the maximum dollar limit on the seventy percent tax credit allocation is committed, the tax credit allocation for such programs shall then be equal to fifty percent credit of the total amount contributed. Regulations establishing special program priorities are to be promulgated during the first month of each fiscal year and at such times during the year as the public interest dictates. Such credit shall not exceed two hundred and fifty thousand dollars annually except as provided in subdivision (5) of this subsection. No tax credit shall be approved for any bank, bank and trust company, insurance company, trust company, national bank, savings association, or building and loan association for activities that are a part of its normal course of business. Any tax credit not used in the period the contribution was made may be carried over the next five succeeding calendar or fiscal years until the full credit has been claimed. Except as otherwise provided for proposals approved pursuant to section 32.111, 32.112 or 32.117, in no event shall the total amount of all other tax credits allowed pursuant to sections 32.100 to 32.125 exceed thirty-two million dollars in any one fiscal year, of which six million shall be credits allowed pursuant to section 135.460. If six million dollars in credits are not approved, then the remaining credits may be used for programs approved pursuant

to sections 32.100 to 32.125;

(5) The credit may exceed two hundred fifty thousand dollars annually and shall not be limited if community services, crime prevention, education, job training, physical revitalization or economic development, as defined by section 32.105, is rendered in an area defined by federal or state law as an impoverished, economically distressed, or blighted area or as a neighborhood experiencing problems endangering its existence as a viable and stable neighborhood, or if the community services, crime prevention, education, job training, physical revitalization or economic development is limited to impoverished persons. **Beginning August 28, 2013, no new tax credits shall be granted for programs under section 32.110. The provisions of this subdivision shall not be construed to limit or impair the ability of any administering agency to issue tax credits authorized prior to August 28, 2013, or the ability of any taxpayer to redeem any such tax credits**

3. For proposals approved pursuant to section 32.111:

(1) The amount of the tax credit shall not exceed fifty-five percent of the total amount invested in affordable housing assistance activities or market rate housing in distressed communities as defined in section 135.530 by a business firm. Whenever such investment is made in the form of an equity investment or a loan, as opposed to a donation alone, tax credits may be claimed only where the loan or equity investment is accompanied by a donation which is eligible for federal income tax charitable deduction, and where the total value of the tax credits herein plus the value of the federal income tax charitable deduction is less than or equal to the value of the donation. Any tax credit not used in the period for which the credit was approved may be carried over the next ten succeeding calendar or fiscal years until the full credit has been allowed. If the affordable housing units or market rate housing units in distressed communities for which a tax is claimed are within a larger structure, parts of which are not the subject of a tax credit claim, then expenditures applicable to the entire structure shall be reduced on a prorated basis in proportion to the ratio of the number of square feet devoted to the affordable housing units or market rate housing units in distressed communities, for purposes of determining the amount of the tax credit. The total amount of tax credit granted for programs approved pursuant to section 32.111 for the fiscal year beginning July 1, 1991, shall not exceed two million dollars, to be increased by no more than two million dollars each succeeding fiscal year, until the total tax credits that may be approved reaches ten million dollars in any fiscal year. **Beginning August 28, 2013, no new tax credits shall be granted for programs under section 32.111. The provisions of this subdivision shall not be construed to limit or impair the ability of any administering agency to issue tax credits authorized prior to August 28, 2013, or the ability of any taxpayer to redeem any such tax credits;**

(2) For any year during the compliance period indicated in the land use restriction agreement, the owner of the affordable housing rental units for which a credit is being claimed shall certify to the commission that all tenants renting claimed units are income eligible for affordable housing units and that the rentals for each claimed unit are in compliance with the provisions of sections 32.100 to 32.125. The commission is authorized, in its discretion, to audit the records and accounts of the owner to verify such certification;

(3) In the case of owner-occupied affordable housing units, the qualifying owner occupant shall, before the end of the first year in which credits are claimed, certify to the commission that the occupant is income eligible during the preceding two years, and at the time of the initial purchase contract, but not thereafter. The qualifying owner occupant shall further certify to the commission, before the end of the first year in which credits are claimed, that during the compliance period indicated in the land use restriction agreement, the cost of the affordable housing unit to the occupant for the claimed unit can reasonably be projected to

be in compliance with the provisions of sections 32.100 to 32.125. Any succeeding owner occupant acquiring the affordable housing unit during the compliance period indicated in the land use restriction agreement shall make the same certification;

(4) If at any time during the compliance period the commission determines a project for which a proposal has been approved is not in compliance with the applicable provisions of sections 32.100 to 32.125 or rules promulgated therefor, the commission may within one hundred fifty days of notice to the owner either seek injunctive enforcement action against the owner, or seek legal damages against the owner representing the value of the tax credits, or foreclose on the lien in the land use restriction agreement, selling the project at a public sale, and paying to the owner the proceeds of the sale, less the costs of the sale and less the value of all tax credits allowed herein. The commission shall remit to the director of revenue the portion of the legal damages collected or the sale proceeds representing the value of the tax credits. However, except in the event of intentional fraud by the taxpayer, the proposal's certificate of eligibility for tax credits shall not be revoked.

4. For proposals approved pursuant to section 32.112, the amount of the tax credit shall not exceed fifty-five percent of the total amount contributed to a neighborhood organization by business firms. Any tax credit not used in the period for which the credit was approved may be carried over the next ten succeeding calendar or fiscal years until the full credit has been allowed. The total amount of tax credit granted for programs approved pursuant to section 32.112 shall not exceed one million dollars for each fiscal year.

5. The total amount of tax credits used for market rate housing in distressed communities pursuant to sections 32.100 to 32.125 shall not exceed thirty percent of the total amount of all tax credits authorized pursuant to sections 32.111 and 32.112.”; and

Further amend said substitute, Pages 3 through 11, Section 99.1205, Lines 1 through 266, by deleting all of said section from the bill and inserting in lieu thereof the following:

which the eligible project area is located. The redevelopment agreement shall include a time line for redevelopment of the eligible project area, **including deadlines for commencement of work and for project completion, and shall provide the municipal authority the right to terminate the rights of the redeveloper under the redevelopment agreement if such deadlines are not met.** The redevelopment agreement shall state that the named developer shall be subject to the provisions of chapter 290.

3. **Subject to the limitations provided in subsection 7 of this section,** any applicant shall be entitled to a tax credit against the taxes imposed under chapters 143, 147, and 148, except for sections 143.191 to 143.265, in an amount equal to fifty percent of the acquisition costs, and one hundred percent of the interest costs incurred for a period of [five] **twelve** years after the acquisition of an eligible parcel. [No tax credits shall be issued under this section until after January 1, 2008.]

4. If the amount of such tax credit exceeds the total tax liability for the year in which the applicant is entitled to receive a tax credit, the amount that exceeds the state tax liability may be carried forward for credit against the taxes imposed under chapters 143, 147, and 148 for the succeeding six years, or until the full credit is used, whichever occurs first. The applicant shall not be entitled to a tax credit for taxes imposed under sections 143.191 to 143.265. Applicants entitled to receive such tax credits may transfer, sell, or assign the tax credits. Tax credits granted to a partnership, a limited liability company taxed as a partnership, or multiple owners of property shall be passed through to the partners, members, or owners respectively pro rata or pursuant to an executed agreement among the partners, members, or owners documenting an alternate distribution method.

5. A purchaser, transferee, or assignee of the tax credits authorized under this section may use acquired tax credits to offset up to one hundred percent of the tax liabilities otherwise imposed under chapters 143, 147, and 148, except for sections 143.191 to 143.265. A seller, transferor, or assignor shall perfect such transfer by notifying the department in writing within thirty calendar days following the effective date of the transfer and shall provide any information as may be required by the department to administer and carry out the provisions of this section.

6. To claim tax credits authorized under this section, an applicant shall submit to the department an application for a certificate. An applicant shall identify the boundaries of the eligible project area in the application. The department shall verify that the applicant has submitted a valid application in the form and format required by the department. The department shall verify that the municipal authority held the requisite hearings and gave the requisite notices for such hearings in accordance with the applicable economic incentive act, and municipal ordinances. On [an annual] **a quarterly** basis, an applicant may file for the tax credit for the acquisition costs, and for the tax credit for the interest costs, subject to the limitations of this section. If an applicant applying for the tax credit meets the criteria required under this section, the department shall issue a certificate in the appropriate amount. If an applicant receives a tax credit for maintenance costs as a part of the applicant's acquisition costs, the department shall post on its internet website the amount and type of maintenance costs and a description of the redevelopment project for which the applicant received a tax credit within thirty days after the department issues the certificate to the applicant.

7. The total aggregate amount of tax credits authorized under this section shall not exceed ninety-five million dollars. At no time shall the annual amount of the tax credits issued under this section exceed twenty million dollars. If the tax credits that are to be issued under this section exceed, in any year, the twenty million dollar limitation, the department shall either:

- (1) Issue tax credits to the applicant in the amount of twenty million dollars, if there is only one

applicant entitled to receive tax credits in that year; or

(2) Issue the tax credits on a pro rata basis to all applicants entitled to receive tax credits in that year **as provided in this subdivision. The department shall determine on an ongoing basis during the course of each calendar year the amount of tax credits that have been issued to each applicant for each eligible project area during such year, and the amount of tax credits remaining available for issuance with respect to such calendar year, if any.** Any amount of tax credits, which an applicant is, or applicants are, entitled to receive on an annual basis and are not issued due to the twenty million dollar limitation, shall be carried forward for the benefit of the applicant or applicants to subsequent years. No tax credits provided under this section shall be authorized after August 28, [2013] **2019**. Any tax credits which have been authorized on or before August 28, [2013] **2019**, but not issued, may be issued, subject to the limitations provided under this subsection, until all such authorized tax credits have been issued.

8. Upon issuance of any tax credits pursuant to this section, the department shall report to the municipal authority the applicant's name and address, the parcel numbers of the eligible parcels for which the tax credits were issued, the itemized acquisition costs and interest costs for which tax credits were issued, and the total value of the tax credits issued. The municipal authority and the state shall not consider the amount of the tax credits as an applicant's cost, but shall include [the] **issued** tax credits in any **subsequent** sources and uses and cost benefit analysis reviewed or created for the purpose of awarding other economic incentives. The amount of the tax credits shall not be considered an applicant's cost in the evaluation of the amount of any award of any other economic incentives, but shall be considered in measuring the reasonableness of the rate of return to the applicant with respect to such award of other economic incentives. The municipal authority shall provide the report to any relevant commission, board, or entity responsible for the evaluation and recommendation or approval of other economic incentives to assist in the redevelopment of the eligible project area. Tax credits authorized under this section shall constitute redevelopment tax credits, as such term is defined under section 135.800, and shall be subject to all provisions applicable to redevelopment tax credits provided under sections 135.800 to 135.830.

9. **Following its initial application for tax credits under this section for eligible costs incurred in 2013 or any following year, and during the period it continues to seek tax credits under this section, an applicant shall submit to the department on a quarterly basis at the end of each calendar quarter a report affirming such applicant's continued qualification as an applicant under this section, describing the applicant's progress toward meeting the deadlines for commencement of work and for project completion established under its redevelopment agreement with the applicable municipal authority, and including copies of any written notices from such municipal authority asserting or threatening a termination of such development agreement due to a breach or default in the performance of such applicant's obligations under such redevelopment agreement. The department shall review annually the eligibility of each applicant to receive tax credits under this section. The department shall not issue to an applicant any tax credits provided under this section after the date upon which the governing body of the municipality, or municipalities, or in the case of any city not within a county, the board of aldermen, makes a finding that the applicant has failed to comply with deadlines regarding project commencement or completion or other material provisions of its redevelopment agreement with an applicant, and in furtherance of such finding the governing body validly adopts an ordinance terminating its redevelopment agreement with the applicant, with the result that such applicant no longer satisfies the requirements of paragraph (b) of subdivision (2) of subsection 2 of this section. The governing body shall notify the department of the governing body's findings and shall deliver to the department a certified copy of the ordinance terminating such**

redevelopment agreement as soon as practicable.

10. The department may promulgate rules to implement the provisions of this section. Any rule or portion of a rule, as that term is defined in section 36.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2007, shall be invalid and void.

“135.484. 1. Beginning January 1, 2000, tax credits shall be allowed pursuant to section 135.481 in an amount not to exceed sixteen million dollars per year. Of this total amount of tax credits in any given year, eight million dollars shall be set aside for projects in areas described in subdivision (6) of section 135.478 and eight million dollars for projects in areas described in subdivision (10) of section 135.478. The maximum tax credit for a project consisting of multiple-unit qualifying residences in a distressed community shall not exceed three million dollars.

2. Any amount of credit which exceeds the tax liability of a taxpayer for the tax year in which the credit is first claimed may be carried back to any of the taxpayer’s three prior tax years and carried forward to any of the taxpayer’s five subsequent tax years. A certificate of tax credit issued to a taxpayer by the department may be assigned, transferred, sold or otherwise conveyed. Whenever a certificate of tax credit is assigned, transferred, sold or otherwise conveyed, a notarized endorsement shall be filed with the department specifying the name and address of the new owner of the tax credit and the value of the credit.

3. The tax credits allowed pursuant to sections 135.475 to 135.487 may not be claimed in addition to any other state tax credits, with the exception of the historic structures rehabilitation tax credit authorized pursuant to sections 253.545 to 253.559, which insofar as sections 135.475 to 135.487 are concerned may be claimed only in conjunction with the tax credit allowed pursuant to subsection 4 of section 135.481. In order for a taxpayer eligible for the historic structures rehabilitation tax credit to claim the tax credit allowed pursuant to subsection 4 of section 135.481, the taxpayer must comply with the requirements of sections 253.545 to 253.559, and in such cases, the amount of the tax credit pursuant to subsection 4 of section 135.481 shall be limited to the lesser of twenty percent of the taxpayer’s eligible costs or forty thousand dollars.

4. No tax credits provided under sections 135.475 to 135.487 shall be authorized on or after the effective date of this act. The provisions of this subsection shall not be construed to limit or in any way impair the department’s ability to issue tax credits authorized prior to the effective date of this act, or a taxpayer’s ability to redeem such tax credits.”; and

Further amend said substitute, Pages 20 through 27, Section 144.810, Lines 1 through 242, by deleting all of said section from the bill and inserting in lieu thereof the following:

“135.1550. 1. Sections 135.1550 to 135.1575 shall be known and may be cited as the “Missouri Export Incentive Act”.

2. As used in sections 135.1550 to 135.1575, unless the context clearly requires otherwise, the following terms shall mean:

(7) “Freight forwarder”, a person who assumes responsibility in the ordinary course of business for the transportation of cargo from the place of receipt to the place of destination, including the utilization of a qualifying outbound flight;

(8) “Qualifying outbound flight”, a direct international aircraft flight that carries either all cargo or a mix of passengers and cargo from the airport to an international destination.

135.1555. 1. For all fiscal years beginning on or after July 1, 2013, a claiming freight forwarder shall be entitled to an air export tax credit for the shipment of cargo on a qualifying outbound flight in an amount equal to forty cents per chargeable kilo.

2. The department shall index, and the secretary of state shall publish in the Missouri Register, the amount of the air export tax credits to adjust each year depending upon fluctuations in the cost of fuel for over-the-road transportation.

135.1560. 1. To receive benefits provided under section 135.1555, a claiming freight forwarder shall file an application with the department within one hundred twenty calendar days of the date of shipment. The documentation to be presented by the claiming freight forwarder in such an application shall consist of the master airway bill for the shipment on the qualifying outbound flight for which the claiming freight forwarder is seeking air export tax credits. The department shall establish procedures to allow claiming freight forwarders that file applications for air export tax credits to receive such tax credits within twenty business days of the filing of the application.

2. If the fiscal year cap on the issuance of air export tax credits provided under section 135.1565 is met in a given fiscal year, then the amount of such tax credits that have been authorized, but remain unissued, shall be carried forward and issued in the subsequent fiscal year.

3. No tax credits provided under this section shall be authorized after June 30, 2021. Any tax credits authorized on or before June 30, 2021, but not issued, may be issued until all such authorized tax credits have been issued.

135.1565. The total aggregate amount for air export tax credits authorized under section 135.1555 shall not exceed sixty million dollars. The amount of the air export tax credits issued under section 135.1555 shall not exceed seven million five hundred thousand dollars for each fiscal year beginning on or after July 1, 2013, unless authorized by the department. Any amount issued exceeding seven million five hundred thousand dollars in a fiscal year shall be reduced first from the authorized amount for the fiscal year ending June 30, 2021, and then the preceding fiscal years, until all such

authorized credits have been issued.

135.1570. If the amount of any tax credit authorized under sections 135.1550 to 135.1575 exceeds the total tax liability for the year in which the applicant is entitled to receive a tax credit, the amount that exceeds the state tax liability may be carried forward for credit against the taxes imposed under chapters 143, 147, and 148, except those in sections 143.191 to 143.265, for the succeeding six years, or until the full credit is used, whichever occurs first. Tax credits authorized under the provisions of sections 135.1550 to 135.1575 may be transferred, sold, or otherwise assigned. Tax credits granted to a partnership, a limited liability company taxed as a partnership, or multiple owners of property shall be passed through to the partners, members, or owners respectively pro rata or pursuant to an executed agreement among the partners, members, or owners documenting an alternate distribution method.

135.1575. 1. The department may promulgate rules to implement the provisions of sections 135.1550 to 135.1575. Any rule or portion of a rule, as that term is defined in section 536.010 that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536, and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536, to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after the effective date of this act, shall be invalid and void.

2. The provisions of section 23.253 of the Missouri sunset act notwithstanding:

(1) The provisions of the new programs authorized under sections 135.1550 to 135.1575 shall automatically sunset eight years after the effective date of this act, unless reauthorized by an act of the general assembly;

(2) If such program is reauthorized, the program authorized under this section shall automatically sunset eight years after the effective date of the reauthorization of this section; and

(3) This section shall terminate on September first of the calendar year immediately following the calendar year in which the programs authorized under sections 135.1550 to 135.1575 sunset.

144.810. 1. As used in this section, unless the context clearly indicates otherwise, the following terms mean:

(4) “Data storage center” or “facility”, a facility constructed, extended, improved, or operating under this section, provided that such business facility is engaged primarily in:

(a) Data processing, hosting, and related services (NAICS 518210);

An expanding facility shall continue to be an expanding facility regardless of a subsequent change in or addition of operating taxpayers or constructing taxpayers;

(7) “Expanding facility project” or “expanding data storage center project”, the construction, extension, improvement, equipping, and operation of an expanding facility;

If more than one taxpayer is responsible for a project, the investment requirement may be met by an operating taxpayer, a constructing taxpayer, or a combination of constructing taxpayers and operating taxpayers;

In the event the expanding data storage center facility has not been in operation for a full twelve-month period at the time of the submission of a project plan, the average number of full-time employees for the number of months the expanding data storage center facility has been in operation prior to the date of the submission of the project plan;

(13) “Notice of intent”, a form developed by the department of economic development, completed by the project taxpayer, and submitted to the department, which states the project taxpayer’s intent to construct or expand a data center and requests the exemptions under this program;

(17) “Taxpayer”, the purchaser of tangible personal property or a service that is subject to state or local sales or use tax and from whom state or local sales or use tax is owed. Taxpayer shall not mean the seller charged by law with collecting the sales tax from the purchaser.

2. In addition to the exemptions granted under chapter 144, project taxpayers for a new data storage center project shall be entitled, for a project period not to exceed fifteen years from the date of conditional approval under this section and subject to the requirements of subsection 3 of this

section, to an exemption of one hundred percent of the state and local sales and use taxes defined, levied, or calculated under section 32.085, sections 144.010 to 144.525, sections 144.600 to 144.761, or section 238.235, limited to the net fiscal benefit of the state calculated over a ten year period, on:

- (1) All electrical energy, gas, water, and other utilities including telecommunication and internet services used in a new data storage center;
- (2) All machinery, equipment, and computers used in any new data storage center; and
- (3) All sales at retail of tangible personal property and materials for the purpose of constructing any new data storage center.

The amount of any exemption provided under this subsection shall not exceed the projected net fiscal benefit to the state over a period of ten years, as determined by the department of economic development using the Regional Economic Modeling, Inc. dataset or comparable data.

3. (1) Any data storage center project seeking a tax exemption under subsection 2 of this section shall submit a notice of intent and a project plan to the department of economic development, which shall identify each known constructing taxpayer and known operating taxpayer for the project and include any additional information the department of economic development may require to determine eligibility for the exemption. The department of economic development shall review the project plan and determine whether the project is eligible for the exemption under subsection 2 of this section, conditional upon subsequent verification by the department that the project meets the requirements in subsection 1 of this section for a new facility project. The department shall make such conditional determination within thirty days of submission by the operating taxpayer. Failure of the department to respond within thirty days shall result in a project plan being deemed conditionally approved.

(2) The department of economic development shall convey conditional approvals to the department of revenue and the identified project taxpayers. After a conditionally approved new facility has met the requirements in subsection 1 of this section for a new facility and the execution of the agreement specified in subsection 6 of this section, the project taxpayers shall provide proof of the same to the department of economic development. Upon verification of such proof, the department of economic development shall certify the new facility to the department of revenue as being eligible for the exemption dating retroactively to the first day of construction on the new facility. The department of revenue, upon receipt of adequate proof of the amount of sales taxes paid since the first day of construction, shall issue a refund of taxes paid but eligible for exemption under subsection 2 of this section to each operating taxpayer and each constructing taxpayer and issue a certificate of exemption to each new project taxpayer for ongoing exemptions under subsection 2 of this section. The department of revenue shall issue such a refund within thirty days of receipt of certification from the department of economic development.

(3) Any project that does not meet the minimum investment or new job requirements of subsection 1 of this section may still be eligible for the exemption under subsection 2 of this section, as long as the exemptions for such project plan do not exceed the projected net fiscal benefit to the state over a period of ten years.

(4) The commencement of the exemption period may be delayed at the option of the operating taxpayer, but not more than twenty-four months after the execution of the agreement required under subsection 6 of this section.

4. In addition to the exemptions granted under chapter 144, upon approval by the department of economic development, project taxpayers for expanding data center projects may, for a period not to exceed ten years, be specifically exempted from state and local sales and use taxes defined, levied, or calculated under section 32.085, sections 144.010 to 144.525, sections 144.600 to 144.761, or section 238.235 on:

(1) All electrical energy, gas, water, and other utilities including telecommunication and internet services used in an expanding data storage center which, on an annual basis, exceeds the amount of electrical energy, gas, water, and other utilities including telecommunication and internet services used in the existing facility or the replaced facility prior to the expansion. For purposes of this subdivision only, “amount” shall be measured in kilowatt hours, gallons, cubic feet, or other measures applicable to a utility service as opposed to in dollars, to account for increases in utility rates;

(2) All machinery, equipment, and computers used in any expanding data storage center; and

(3) All sales at retail of tangible personal property and materials for the purpose of constructing, repairing, or remodeling any expanding data storage center.

The amount of any exemption provided under this subsection shall not exceed the projected net fiscal benefit to the state over a period of ten years, as determined by the department of economic development.

5. (1) Any data storage center project seeking a tax exemption under subsection 4 of this section shall submit a notice of intent and a project plan to the department of economic development, which shall identify each known constructing taxpayer and each known operating taxpayer for the project and include any additional information the department of economic development may reasonably require to determine eligibility for the exemption. The department of economic development shall review the project plan and determine whether the project is eligible for the exemption under subsection 4 of this section, conditional upon subsequent verification by the department that the project meets the requirements in subsection 1 of this section for an expanding facility project and the execution of the agreement specified in subsection 6 of this section. The department shall make such conditional determination within thirty days of submission by the operating taxpayer. Failure of the department to respond within thirty days shall result in a project plan being deemed conditionally approved.

(2) The department of economic development shall convey such conditional approval to the department of revenue and the identified project taxpayers. After a conditional approved facility has met the requirements in subsection 1 of this section, the project taxpayers shall provide proof of the same to the department of economic development. Upon verification of such proof, the department of economic development shall certify the project to the department of revenue as being eligible for the exemption dating retroactively to the first day of the expansion of the facility. The department of revenue, upon receipt of adequate proof of the amount of sales taxes paid since the first day of the expansion of the facility, shall issue a refund of taxes paid but eligible for exemption under subsection 4 of this section to any applicable project taxpayer and issue a certificate of exemption to any applicable project taxpayer for ongoing exemptions under subsection 4 of this section. The department of revenue shall issue such a refund within thirty days of receipt of certification from the department of economic development.

(3) Any project that does not meet the minimum investment or new job requirements of subsection

1 of this section may still be eligible for the exemption under subsection 4 of this section, as long as the exemptions for such project plan do not exceed the projected net fiscal benefit to the state over a period of ten years.

(4) The commencement of the exemption period may be delayed at the option of the operating taxpayer, but not more than twenty-four months after the execution of the agreement required under subsection 6 of this section.

6. (1) The exemptions in subsections 2 and 4 of this section shall be tied to the new or expanding facility project. A certificate of exemption in the hands of a taxpayer that is no longer an operating or constructing taxpayer of the new or expanding facility project shall be invalid as of the date the taxpayer was no longer an operating or constructing taxpayer of the new or expanding facility project. New certificates of exemption shall be issued to successor constructing taxpayers and operating taxpayers at such new or expanding facility projects. The right to the exemption by successor taxpayers shall exist without regard to subsequent levels of investment in the new or expanding facility by successor taxpayers.

(2) As a condition of receiving an exemption under subsection 2 or 4 of this section, the project taxpayers shall enter into an agreement with the department of economic development providing for repayment penalties in the event the data storage center project fails to comply with any of the requirements of this section.

(3) The department of revenue shall credit any amounts remitted by the project taxpayers under this subsection to the fund to which the sales and use taxes exempted would have otherwise been credited.

7. The department of economic development and the department of revenue shall cooperate in conducting random audits to ensure that the intent of this section is followed.

8. Notwithstanding any other provision of law to the contrary, no recipient of an exemption pursuant to this section shall be eligible for benefits under any business recruitment tax credit, as defined in section 135.800.

9. The department of economic development and the department of revenue shall jointly prescribe such rules and regulations necessary to carry out the provisions of this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2013, shall be invalid and void.

10. This section shall terminate on September 1, 2019. The termination of this section shall not be construed to limit or in any way impair the exemption for any project approved prior to the termination of this section.”; and

Further amend said substitute, Page 36, Section 348.274, Line 134, by inserting after all of said line the following:

“447.708. 1. For eligible projects, the director of the department of economic development, with notice

to the directors of the departments of natural resources and revenue, and subject to the other provisions of sections 447.700 to 447.718, may not create a new enterprise zone but may decide that a prospective operator of a facility being remedied and renovated pursuant to sections 447.700 to 447.718 may receive the tax credits and exemptions pursuant to sections 135.100 to 135.150 and sections 135.200 to 135.257. The tax credits allowed pursuant to this subsection shall be used to offset the tax imposed by chapter 143, excluding withholding tax imposed by sections 143.191 to 143.265, or the tax otherwise imposed by chapter 147, or the tax otherwise imposed by chapter 148. For purposes of this subsection:

(1) For receipt of the ad valorem tax abatement pursuant to section 135.215, the eligible project must create at least ten new jobs or retain businesses which supply at least twenty-five existing jobs. The city, or county if the eligible project is not located in a city, must provide ad valorem tax abatement of at least fifty percent for a period not less than ten years and not more than twenty-five years;

(2) For receipt of the income tax exemption pursuant to section 135.220 and tax credit for new or expanded business facilities pursuant to sections 135.100 to 135.150, and 135.225, the eligible project must create at least ten new jobs or retain businesses which supply at least twenty-five existing jobs, or combination thereof. For purposes of sections 447.700 to 447.718, the tax credits described in section 135.225 are modified as follows: the tax credit shall be four hundred dollars per employee per year, an additional four hundred dollars per year for each employee exceeding the minimum employment thresholds of ten and twenty-five jobs for new and existing businesses, respectively, an additional four hundred dollars per year for each person who is a person difficult to employ as defined by section 135.240, and investment tax credits at the same amounts and levels as provided in subdivision (4) of subsection 1 of section 135.225;

(3) For eligibility to receive the income tax refund pursuant to section 135.245, the eligible project must create at least ten new jobs or retain businesses which supply at least twenty-five existing jobs, or combination thereof, and otherwise comply with the provisions of section 135.245 for application and use of the refund and the eligibility requirements of this section;

(4) The eligible project operates in compliance with applicable environmental laws and regulations, including permitting and registration requirements, of this state as well as the federal and local requirements;

(5) The eligible project operator shall file such reports as may be required by the director of economic development or the director's designee;

(6) The taxpayer may claim the state tax credits authorized by this subsection and the state income exemption for a period not in excess of ten consecutive tax years. For the purpose of this section, "taxpayer" means an individual proprietorship, partnership or corporation described in section 143.441 or 143.471 who operates an eligible project. The director shall determine the number of years the taxpayer may claim the state tax credits and the state income exemption based on the projected net state economic benefits attributed to the eligible project;

(7) For the purpose of meeting the new job requirement prescribed in subdivisions (1), (2) and (3) of this subsection, it shall be required that at least ten new jobs be created and maintained during the taxpayer's tax period for which the credits are earned, in the case of an eligible project that does not replace a similar facility in Missouri. "New job" means a person who was not previously employed by the taxpayer or related taxpayer within the twelve-month period immediately preceding the time the person was employed by that taxpayer to work at, or in connection with, the eligible project on a full-time basis. "Full-time basis" means the employee works an average of at least thirty-five hours per week during the taxpayer's tax period for

which the tax credits are earned. For the purposes of this section, related taxpayer has the same meaning as defined in subdivision (9) of section 135.100;

(8) For the purpose of meeting the existing job retention requirement, if the eligible project replaces a similar facility that closed elsewhere in Missouri prior to the end of the taxpayer's tax period in which the tax credits are earned, it shall be required that at least twenty-five existing jobs be retained at, and in connection with the eligible project, on a full-time basis during the taxpayer's tax period for which the credits are earned. "Retained job" means a person who was previously employed by the taxpayer or related taxpayer, at a facility similar to the eligible project that closed elsewhere in Missouri prior to the end of the taxpayer's tax period in which the tax credits are earned, within the tax period immediately preceding the time the person was employed by the taxpayer to work at, or in connection with, the eligible project on a full-time basis. "Full-time basis" means the employee works an average of at least thirty-five hours per week during the taxpayer's tax period for which the tax credits are earned;

(9) In the case where an eligible project replaces a similar facility that closed elsewhere in Missouri prior to the end of the taxpayer's tax period in which the tax credits are earned, the owner and operator of the eligible project shall provide the director with a written statement explaining the reason for discontinuing operations at the closed facility. The statement shall include a comparison of the activities performed at the closed facility prior to the date the facility ceased operating, to the activities performed at the eligible project, and a detailed account describing the need and rationale for relocating to the eligible project. If the director finds the relocation to the eligible project significantly impaired the economic stability of the area in which the closed facility was located, and that such move was detrimental to the overall economic development efforts of the state, the director may deny the taxpayer's request to claim tax benefits;

(10) Notwithstanding any provision of law to the contrary, for the purpose of this section, the number of new jobs created and maintained, the number of existing jobs retained, and the value of new qualified investment used at the eligible project during any tax year shall be determined by dividing by twelve, in the case of jobs, the sum of the number of individuals employed at the eligible project, or in the case of new qualified investment, the value of new qualified investment used at the eligible project, on the last business day of each full calendar month of the tax year. If the eligible project is in operation for less than the entire tax year, the number of new jobs created and maintained, the number of existing jobs retained, and the value of new qualified investment created at the eligible project during any tax year shall be determined by dividing the sum of the number of individuals employed at the eligible project, or in the case of new qualified investment, the value of new qualified investment used at the eligible project, on the last business day of each full calendar month during the portion of the tax year during which the eligible project was in operation, by the number of full calendar months during such period;

(11) For the purpose of this section, "new qualified investment" means new business facility investment as defined and as determined in subdivision (7) of section 135.100 which is used at and in connection with the eligible project. "New qualified investment" shall not include small tools, supplies and inventory. "Small tools" means tools that are portable and can be hand held.

2. The determination of the director of economic development pursuant to subsection 1 of this section shall not affect requirements for the prospective purchaser to obtain the approval of the granting of real property tax abatement by the municipal or county government where the eligible project is located.

3. (1) The director of the department of economic development, with the approval of the director of the department of natural resources, may, [in addition to the tax credits allowed in subsection 1 of this section,] grant a remediation tax credit to the applicant for up to one hundred percent of the costs of materials,

supplies, equipment, labor, professional engineering, consulting and architectural fees, permitting fees and expenses, demolition, asbestos abatement, and direct utility charges for performing the voluntary remediation activities for the preexisting hazardous substance contamination and releases, including, but not limited to, the costs of performing operation and maintenance of the remediation equipment at the property beyond the year in which the systems and equipment are built and installed at the eligible project and the costs of performing the voluntary remediation activities over a period not in excess of four tax years following the taxpayer's tax year in which the system and equipment were first put into use at the eligible project, provided the remediation activities are the subject of a plan submitted to, and approved by, the director of natural resources pursuant to sections 260.565 to 260.575. The tax credit may also include up to one hundred percent of the costs of demolition that are not directly part of the remediation activities, provided that the demolition is on the property where the voluntary remediation activities are occurring, the demolition is necessary to accomplish the planned use of the facility where the remediation activities are occurring, and the demolition is part of a redevelopment plan approved by the municipal or county government and the department of economic development. The demolition may occur on an adjacent property if the project is located in a municipality which has a population less than twenty thousand and the above conditions are otherwise met. The adjacent property shall independently qualify as abandoned or underutilized. The amount of the credit available for demolition not associated with remediation cannot exceed the total amount of credits approved for remediation including demolition required for remediation.

(2) The amount of remediation tax credits issued shall be limited to the least amount necessary to cause the project to occur, as determined by the director of the department of economic development.

(3) The director may, with the approval of the director of natural resources, extend the tax credits allowed for performing voluntary remediation maintenance activities, in increments of three-year periods, not to exceed five consecutive three-year periods. The tax credits allowed in this subsection shall be used to offset the tax imposed by chapter 143, excluding withholding tax imposed by sections 143.191 to 143.265, or the tax otherwise imposed by chapter 147, or the tax otherwise imposed by chapter 148. The remediation tax credit may be taken in the same tax year in which the tax credits are received or may be taken over a period not to exceed twenty years.

(4) The project facility shall be projected to create at least ten new jobs or at least twenty-five retained jobs, or a combination thereof, as determined by the department of economic development, to be eligible for tax credits pursuant to this section.

(5) No more than seventy-five percent of earned remediation tax credits may be issued when the remediation costs were paid, and the remaining percentage may be issued when the department of natural resources issues a letter of completion letter or covenant not to sue following completion of the voluntary remediation activities. It shall not include any costs associated with ongoing operational environmental compliance of the facility or remediation costs arising out of spills, leaks, or other releases arising out of the ongoing business operations of the facility. In the event the department of natural resources issues a letter of completion for a portion of a property, an impacted media such as soil or groundwater, or for a site or a portion of a site improvement, a prorated amount of the remaining percentage may be released based on the percentage of the total site receiving a letter of completion.

4. In the exercise of the sound discretion of the director of the department of economic development or the director's designee, the tax credits and exemptions described in this section may be terminated, suspended or revoked, if the eligible project fails to continue to meet the conditions set forth in this section. In making such a determination, the director shall consider the severity of the condition violation, actions

taken to correct the violation, the frequency of any condition violations and whether the actions exhibit a pattern of conduct by the eligible facility owner and operator. The director shall also consider changes in general economic conditions and the recommendation of the director of the department of natural resources, or his or her designee, concerning the severity, scope, nature, frequency and extent of any violations of the environmental compliance conditions. The taxpayer or person claiming the tax credits or exemptions may appeal the decision regarding termination, suspension or revocation of any tax credit or exemption in accordance with the procedures outlined in subsections 4 to 6 of section 135.250. The director of the department of economic development shall notify the directors of the departments of natural resources and revenue of the termination, suspension or revocation of any tax credits as determined in this section or pursuant to the provisions of section 447.716.

5. Notwithstanding any provision of law to the contrary, no taxpayer shall earn the tax credits, exemptions or refund otherwise allowed in subdivisions (2), (3) and (4) of subsection 1 of this section and the tax credits otherwise allowed in section 135.110, or the tax credits, exemptions and refund otherwise allowed in sections 135.215, 135.220, 135.225 and 135.245, respectively, for the same facility for the same tax period.

6. The total amount of the tax credits allowed in subsection 1 of this section may not exceed the greater of:

(1) That portion of the taxpayer's income attributed to the eligible project; or

(2) One hundred percent of the total business' income tax if the eligible facility does not replace a similar facility that closed elsewhere in Missouri prior to the end of the taxpayer's tax period in which the tax credits are earned, and further provided the taxpayer does not operate any other facilities besides the eligible project in Missouri; fifty percent of the total business' income tax if the eligible facility replaces a similar facility that closed elsewhere in Missouri prior to the end of the taxpayer's tax period in which the credits are earned, and further provided the taxpayer does not operate any other facilities besides the eligible project in Missouri; or twenty-five percent of the total business income if the taxpayer operates, in addition to the eligible facility, any other facilities in Missouri. In no case shall a taxpayer operating more than one eligible project in Missouri be allowed to offset more than twenty-five percent of the taxpayer's business income in any tax period. That portion of the taxpayer's income attributed to the eligible project as referenced in subdivision (1) of this subsection, for which the credits allowed in sections 135.110 and 135.225 and subsection 3 of this section, may apply, shall be determined in the same manner as prescribed in subdivision (6) of section 135.100. That portion of the taxpayer's franchise tax attributed to the eligible project for which the remediation tax credit may offset, shall be determined in the same manner as prescribed in paragraph (a) of subdivision (6) of section 135.100.

7. Taxpayers claiming the state tax benefits allowed in subdivisions (2) and (3) of subsection 1 of this section shall be required to file all applicable tax credit applications, forms and schedules prescribed by the director during the taxpayer's tax period immediately after the tax period in which the eligible project was first put into use. Otherwise, the taxpayer's right to claim such state tax benefits shall be forfeited. Unused business facility and enterprise zone tax credits shall not be carried forward but shall be initially claimed for the tax period during which the eligible project was first capable of being used, and during any applicable subsequent tax periods.

8. Taxpayers claiming the remediation tax credit allowed in subsection 3 of this section shall be required to file all applicable tax credit applications, forms and schedules prescribed by the director during the taxpayer's tax period immediately after the tax period in which the eligible project was first put into use,

or during the taxpayer's tax period immediately after the tax period in which the voluntary remediation activities were performed.

9. The recipient of remediation tax credits, for the purpose of this subsection referred to as assignor, may assign, sell or transfer, in whole or in part, the remediation tax credit allowed in subsection 3 of this section to any other person, for the purpose of this subsection referred to as assignee. To perfect the transfer, the assignor shall provide written notice to the director of the assignor's intent to transfer the tax credits to the assignee, the date the transfer is effective, the assignee's name, address and the assignee's tax period and the amount of tax credits to be transferred. The number of tax periods during which the assignee may subsequently claim the tax credits shall not exceed twenty tax periods, less the number of tax periods the assignor previously claimed the credits before the transfer occurred.

10. In the case where an operator and assignor of an eligible project has been certified to claim state tax benefits allowed in subdivisions (2) and (3) of subsection 1 of this section, and sells or otherwise transfers title of the eligible project to another taxpayer or assignee who continues the same or substantially similar operations at the eligible project, the director shall allow the assignee to claim the credits for a period of time to be determined by the director; except that, the total number of tax periods the tax credits may be earned by the assignor and the assignee shall not exceed ten. To perfect the transfer, the assignor shall provide written notice to the director of the assignor's intent to transfer the tax credits to the assignee, the date the transfer is effective, the assignee's name, address, and the assignee's tax period, and the amount of tax credits to be transferred.

11. For the purpose of the state tax benefits described in this section, in the case of a corporation described in section 143.471 or partnership, in computing Missouri's tax liability, such state benefits shall be allowed to the following:

- (1) The shareholders of the corporation described in section 143.471;
- (2) The partners of the partnership.

The credit provided in this subsection shall be apportioned to the entities described in subdivisions (1) and (2) of this subsection in proportion to their share of ownership on the last day of the taxpayer's tax period.

12. For each fiscal year beginning on or after July 1, 2014, no more than twenty-five million dollars in tax credits shall be authorized under the provisions of section 447.700 to 447.718. Of the twenty-five million dollars authorized under this subsection, no more than five million dollars shall be available to projects qualified to receive benefits under section 99.1205.”; and

A self-employed taxpayer, as such term is used in the federal internal revenue code, who is otherwise ineligible for the federal income tax health insurance deduction under Section 162 of the federal internal revenue code shall be entitled to a credit against the tax otherwise due under this chapter, excluding withholding tax imposed by sections 143.191 to 143.265, in an amount equal to the portion of such taxpayer's federal tax liability incurred due to such taxpayer's inclusion of such payments in federal adjusted gross income. The tax credits authorized under this section shall be nontransferable. To the extent tax credit issued under this section exceeds a taxpayer's state income tax liability, such excess shall be considered an overpayment of tax and shall be refunded to the taxpayer.

2. The director of the department of revenue shall promulgate rules and regulations to administer the provisions of this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2007, shall be invalid and void.]; and

4. The limitations on tax credit authorization provided under the provisions of subsections 2 and 3 of this section shall not apply to:

(1) Any application submitted by a taxpayer, which has received approval from the department prior to January 1, 2010; or

(2) Any taxpayer applying for tax credits, provided under this section, which, on or before January 1, 2010, has filed an application with the department evidencing that such taxpayer:

(1) Any application submitted by a taxpayer, which has received approval from the department prior to July 1, 2014; or

(2) Any application for tax credits provided under this section for a project, which on or before July 1, 2014:

8. For each fiscal year beginning on or after July 1, 2014, the department of economic development shall not approve applications for projects to receive less than two hundred seventy-five thousand dollars in tax credits which, in the aggregate, exceed ten million dollars, increased by any amount of tax credits for which approval shall be rescinded under the provisions of section 253.559. 253.557. 1. If the amount of such credit exceeds the total tax liability for the year in which the rehabilitated property is placed in service, the amount that exceeds the state tax liability may be carried back

to any of the three preceding years and carried forward for credit against the taxes imposed pursuant to chapter 143 and chapter 148, except for sections 143.191 to 143.265 for the succeeding ten years, or until the full credit is used, whichever occurs first. Any taxpayer that receives state tax credits under the provisions of sections 135.350 to 135.363 for a project that is not financed through tax exempt bonds issuance shall be ineligible for the state tax credits authorized under sections 253.545 to 253.559 for the same project.** Taxpayers eligible for such tax credits may transfer, sell or assign the credits. Credits granted to a partnership, a limited liability company taxed as a partnership or multiple owners of property shall be passed through to the partners, members or owners respectively pro rata or pursuant to an executed agreement among the partners, members or owners documenting an alternate distribution method.

2. The assignee of the tax credits, hereinafter the assignee for purposes of this subsection, may use acquired credits to offset up to one hundred percent of the tax liabilities otherwise imposed pursuant to chapter 143 and chapter 148, except for sections 143.191 to 143.265. The assignor shall perfect such transfer by notifying the department of economic development in writing within thirty calendar days following the effective date of the transfer and shall provide any information as may be required by the department of economic development to administer and carry out the provisions of this section.

253.559. 1. To obtain approval for tax credits allowed under sections 253.545 to 253.559, a taxpayer shall submit an application for tax credits to the department of economic development. Each application for approval, including any applications received for supplemental allocations of tax credits as provided under subsection 8 of this section, shall be prioritized for review and approval, in the order of the date on which the application was postmarked, with the oldest postmarked date receiving priority. Applications postmarked on the same day shall go through a lottery process to determine the order in which such applications shall be reviewed.

2. Each application shall be reviewed by the department of economic development for approval. In order to receive approval, an application, other than applications submitted under the provisions of subsection 8 of this section, shall include:

(1) Proof of ownership or site control. Proof of ownership shall include evidence that the taxpayer is the fee simple owner of the eligible property, such as a warranty deed or a closing statement. Proof of site control may be evidenced by a leasehold interest or an option to acquire such an interest. If the taxpayer is in the process of acquiring fee simple ownership, proof of site control shall include an executed sales contract or an executed option to purchase the eligible property;

(2) Floor plans of the existing structure, architectural plans, and, where applicable, plans of the proposed alterations to the structure, as well as proposed additions;

(3) The estimated cost of rehabilitation, the anticipated total costs of the project, the actual basis of the property, as shown by proof of actual acquisition costs, the anticipated total labor costs, the estimated project start date, and the estimated project completion date;

(4) Proof that the property is an eligible property and a certified historic structure or a structure in a certified historic district, **or evidence that the taxpayer has submitted the necessary documentation to qualify the property as an eligible property and a certified historic structure or as a structure in a certified historic district. A final determination of such qualifications shall not be a prerequisite for**

approval of the application or the incurrence of eligible costs; and

(5) Any other information which the department of economic development may reasonably require to review the project for approval. Only the property for which a property address is provided in the application shall be reviewed for approval. Once selected for review, a taxpayer shall not be permitted to request the review of another property for approval in the place of the property contained in such application. Any disapproved application shall be removed from the review process. If an application is removed from the review process, the department of economic development shall notify the taxpayer in writing of the decision to remove such application. Disapproved applications shall lose priority in the review process. A disapproved application, which is removed from the review process, may be resubmitted, but shall be deemed to be a new submission for purposes of the priority procedures described in this section.

3. If the department of economic development deems the application sufficient, the taxpayer shall be notified in writing of the approval for an amount of tax credits equal to the amount provided under section 253.550 less any amount of tax credits previously approved. Such approvals shall be granted to applications in the order of priority established under this section and shall require full compliance thereafter with all other requirements of law as a condition to any claim for such credits. **Notwithstanding any provision of law to the contrary, a determination of the department of economic development, in consultation with the department of natural resources, whether the completed rehabilitation meets the standards of the Secretary of the United States Department of the Interior for rehabilitation as determined by the state historic preservation officer of the department of natural resources under subsection 7 of this section, shall not be required for the department of economic development to approve an application under this subsection.**

4. Following approval of an application, the identity of the taxpayer contained in such application shall not be modified except:

(1) The taxpayer may add partners, members, or shareholders as part of the ownership structure, so long as the principal remains the same, provided however, that subsequent to the commencement of renovation and the expenditure of at least ten percent of the proposed rehabilitation budget, removal of the principal for failure to perform duties and the appointment of a new principal thereafter shall not constitute a change of the principal; or

(2) Where the ownership of the project is changed due to a foreclosure, deed in lieu of a foreclosure or voluntary conveyance, or a transfer in bankruptcy. **Upon any such change in ownership, the taxpayer contained in such application, or any successor owner of the project, shall notify the department of such change.**

5. In the event that the department of economic development grants approval for tax credits equal to the **applicable** total amount available under subsection 2 **or** 5 of section 253.550, or sufficient that when totaled with all other approvals, the **applicable** amount available under subsection 2 **or** 5 of section 253.550 is exhausted, all taxpayers with applications then awaiting approval or thereafter submitted for approval shall be notified by the department of economic development that no additional approvals shall be granted during the fiscal year and shall be notified of the priority given to such taxpayer's application then awaiting approval. Such applications shall be kept on file by the department of economic development and shall be considered for approval for tax credits in the order established in this section in the event that additional credits become available due to the rescission of approvals or when a new fiscal year's allocation of credits becomes available for approval.

6. All taxpayers with applications receiving approval on or after the effective date of this act shall commence rehabilitation within two years of the date of issuance of the letter from the department of economic development granting the approval for tax credits. "Commencement of rehabilitation" shall mean that as of the date in which actual physical work, contemplated by the architectural plans submitted with the application, has begun, the taxpayer has incurred no less than ten percent of the estimated costs of rehabilitation provided in the application. Taxpayers with approval of a project shall submit evidence of compliance with the provisions of this subsection. If the department of economic development determines that a taxpayer has failed to comply with the requirements provided under this section, the approval for the amount of tax credits for such taxpayer shall be rescinded and such amount of tax credits shall then be included in the **applicable** total amount of tax credits, provided under subsection 2 or 5 of section 253.550, from which approvals may be granted. Any taxpayer whose approval shall be subject to rescission shall be notified of such from the department of economic development and, upon receipt of such notice, may submit a new application for the project.

7. To claim the credit authorized under sections 253.550 to 253.559, a taxpayer with approval shall apply for final approval and issuance of tax credits from the department of economic development [which,] **. Such application for final approval and issuance of tax credits shall include a cost and expense certification, prepared by a licensed certified public accountant that is not an affiliate of the applicant, certifying the total costs and expenses of rehabilitation and the total amount of tax credits for which such taxpayer is eligible under sections 253.550 to 253.559. Cost and expense certifications required under this section shall separately state any accrued developer fees. No later than forty-five calendar days following receipt of a taxpayer's application for final approval and issuance of tax credits, the department of economic development shall determine, in consultation with the department of natural resources, [shall determine the final amount of eligible rehabilitation costs and expenses and] whether the completed rehabilitation meets the standards of the Secretary of the United States Department of the Interior for rehabilitation [as determined by the state historic preservation officer of the Missouri department of natural resources]. If the completed rehabilitation meets such standards, the department of economic development shall, within forty-five calendar days following the receipt of the taxpayer's application for final approval and tax credit issuance, inform such taxpayer of its initial determination by letter and issue such taxpayer an initial tax credit issuance. A taxpayer receiving an initial tax credit issuance shall receive tax credit certificates in an amount equal to the lesser of seventy-five percent of the total amount of tax credits for which the taxpayer is eligible under sections 253.550 to 253.559, as certified in the cost and expense certification, or the amount of tax credits approved for such project under subsection 3 of this section. Within one hundred and twenty calendar days following receipt of a taxpayer's application for final approval and tax credit issuance, the department shall determine the final amount of eligible rehabilitation costs and expenses. For a taxpayer receiving an initial tax credit issuance, no later than one hundred and twenty calendar days following receipt of such taxpayer's application for final aproval and tax credit issuance, the department shall notify such taxpayer of its final determination by letter and issue such taxpayer tax credit certificates in an amount equal to the lesser of the remaining amount of tax credits for which such taxpayer is eligible to receive under sections 253.550 to 253.559, as determined by the department, or the remaining amount of tax credits for which such taxpayer was approved under subsection 3 of this section, but not issued under the initial tax credit issuance. If the department of economic development determines that the amount of tax credits issued to a taxpayer in the initial tax credit issuance is in excess of the total amount of tax credits such taxpayer is eligible to receive under sections 253.550 to 253.559, the department shall notify such taxpayer and such taxpayer shall repay the state an amount equal to**

such excess. For financial institutions credits authorized pursuant to sections 253.550 to [253.561] **253.559** shall be deemed to be economic development credits for purposes of section 148.064. The approval of all applications and the issuing of certificates of eligible credits to taxpayers shall be performed by the department of economic development. [The department of economic development shall inform a taxpayer of final approval by letter and shall issue, to the taxpayer, tax credit certificates.] The taxpayer shall attach the certificate to all Missouri income tax returns on which the credit is claimed. **Taxpayers which receive tax credit certificates under sections 253.550 to 253.559, attributable to accrued developer fees shall, within six years of completion of rehabilitation, submit an additional cost and expense certification verifying the total amount of developer fees actually accrued and paid. To the extent the amount of developer fees contained in a taxpayer's cost and expense certification included with such taxpayers application for final approval and tax credit issuance exceeds the amount of developer fees actually accrued and paid, as evidenced by the additional cost and expense certification, such taxpayer shall repay to the state an amount equal to twenty-five percent of such excess.**

8. Except as expressly provided in this subsection, tax credit certificates shall be issued in the final year that costs and expenses of rehabilitation of the project are incurred, or within the twelve-month period immediately following the conclusion of such rehabilitation. In the event the amount of eligible rehabilitation costs and expenses incurred by a taxpayer would result in the issuance of an amount of tax credits in excess of the amount provided under such taxpayer's approval granted under subsection 3 of this section, such taxpayer may apply to the department for issuance of tax credits in an amount equal to such excess. Applications for issuance of tax credits in excess of the amount provided under a taxpayer's application shall be made on a form prescribed by the department **and shall be substantially in the form of the department of economic development form titled "Historic Preservation Tax Credit Program - Request for Additional Credits" in effect by the effective date of this act.** Such applications shall be subject to all provisions regarding priority provided under subsection 1 of this section.

Such appeals under this section shall constitute an administrative review of the decision appealed from and shall not be conducted as an adjudicative proceeding.

(2) Appeals shall be submitted to the designated appeals officer in writing within thirty days of receipt by the taxpayer or the taxpayer's duly authorized representative of the decision that is the subject of the appeal, and shall include all information the appellant wishes the appeals officer to consider in deciding the appeal.

The department or the department of natural resources may submit a written response to the appeal within thirty days.

(4) The appellant shall be entitled to one meeting with the appeals officer to discuss the appeal, but the appeals officer may schedule additional meetings at the officer's discretion. The department

or the department of natural resources may appear at all meetings.

(5) The appeals officer shall consider the record of the decision in question, any further written submissions by the appellant and the department or the department of natural resources, and other available information, and shall deliver a written decision to all parties as promptly as circumstances permit, but not later than ninety days after the initial receipt of an appeal by the appeals officer.

11. By no later than January 1, 2014, the department shall propose rules to implement the provisions of sections 253.550 to 253.559. Prior to proposing such rules, the department shall conduct a stakeholder process designed to solicit input from interested parties. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated herein shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2013, shall be invalid and void.”; and

Each regional SBTDC shall establish a regional committee consisting of no fewer than three but no more than five persons for the purpose of reviewing applications from businesses requesting designation as a qualified Missouri business and allocating the amount of available tax credits among the qualified Missouri businesses. The department shall establish its own rules of procedure, including the form and substance of applications to be used by each regional SBTDC and the criteria to be considered by each regional SBTDC when evaluating a qualified Missouri business, such applications and criteria to be not less than the minimum requirements set forth in subsection 5 of this section. The department shall issue tax credits to qualified investors that make cash investments in qualified Missouri businesses that have been allocated available tax credits by a regional SBTDC.

The credit shall be in a total amount equal to fifty percent of such investor’s cash investment in any qualified Missouri business, subject to the limitations set forth in

this subsection. This tax credit may be used in its entirety in the taxable year in which the cash investment is made except that no tax credit shall be allowed in a year prior to the year beginning January 1, 2014. If the amount by which that portion of the credit allowed by this section exceeds the investor's liability in any one taxable year, the remaining portion of the credit may be carried forward five years or until the total amount of the credit is used, whichever occurs first. If the investor is a permitted entity investor, the credit provided by this section shall be claimed by the owners of the permitted entity investor in proportion to their equity investment in the permitted entity investor.

(2) A cash investment in a qualified security shall be deemed to have been made on the date of acquisition of the qualified security, as such date is determined in accordance with the provisions of the Internal Revenue Code of 1986, as amended.

The total amount of tax credits allocated under this section shall not exceed six million dollars per year.

(4) At the beginning of each calendar year, the department shall equally designate the tax credits available during that year to each regional SBTDC. At the beginning of each calendar quarter, the department shall allocate to each regional SBTDC one-fourth of the total tax credits designated to such regional SBTDC for the calendar year such that the regional SBTDC can allocate tax credits among the qualified Missouri businesses. The department shall then issue tax credits to qualified investors for cash investments in such qualified Missouri businesses during that calendar quarter.

(5) At the end of each calendar quarter, each regional SBTDC shall report to the department any unallocated tax credits for the preceding quarter. Such report shall meet the requirements set forth in section 348.274. The department shall aggregate all such tax credits and reallocate them equally among the regional SBTDCs as soon as possible during the next consecutive calendar quarter. Each regional SBTDC shall receive such reallocation in addition to the new allocation of designated tax credits for such quarter.

(6) During the fourth calendar quarter, a regional SBTDC in need of additional tax credits for transactions closing in the fourth calendar quarter may request that another regional SBTDC with unallocated tax credits permit such unallocated tax credits to be allocated by the requesting SBTDC. No regional SBTDC shall be required to grant such request. When a granting SBTDC transfers the allocation of the unallocated tax credits to a requesting SBTDC under this subdivision, the granting SBTDC shall provide to the requesting SBTDC a written confirmation authorizing such transfer, the granting SBTDC shall include a copy of such written confirmation in its reports provided under section 348.274, and the requesting SBTDC shall include a copy of such written confirmation in its reports provided under section 348.274.

5. - (f) Such other information as the regional SBTDC or the department may reasonably request.**

(3) The designation of a business as a qualified Missouri business shall be made by the regional SBTDC, and such designation shall be renewed annually. A business shall be so designated if the regional SBTDC determines, based upon the application submitted by the business and any additional investigation the regional SBTDC shall make, that such business meets the criteria established by the department. Such criteria shall include at least the following:

- (a) The business shall not have had annual gross revenues of more than five million dollars in the most recent tax year of the business;**
- (b) Businesses that are not bioscience businesses shall have been in operation for less than five years, and bioscience businesses shall have been in operation for less than ten years;**

- (d) The business shall not have ownership interests including, but not limited to, common or preferred shares of stock, that can be traded via a public stock exchange before the date that a qualifying investment is made;**

This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536, to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2013, shall be invalid and void.

348.274. 1. (1) Each regional SBTDC is authorized to allocate tax credits to qualified Missouri businesses. The department is authorized to issue tax credits to qualified investors in such qualified Missouri businesses. Such tax credits shall be allocated to those qualified Missouri businesses which, as determined by the regional SBTDC, are most likely to provide the greatest economic benefit to the

region, the state, or both. The regional SBTDC may allocate, and the department may issue, whole or partial tax credits based on the regional SBTDC's assessment of the qualified Missouri businesses. The regional SBTDC may consider numerous factors in such assessment, including but not limited to, the quality and experience of the management team, the size of the estimated market opportunity, the risk from current or future competition, the ability to defend intellectual property, the quality and utility of the business model, and the quality and reasonableness of financial projections for the business.

(2) Each qualified Missouri business for which a regional SBTDC has allocated tax credits such that the department can issue tax credits to the qualified investors of such qualified Missouri business shall submit to the regional SBTDC a report before such tax credits are issued. The regional SBTDC shall provide copies of this report to the department. Such report shall include the following:

(a) The name, address, and taxpayer identification number of each investor who has made cash investment in the qualified securities of the qualified Missouri business;

(b) Proof of such investment, including copies of the securities purchase agreements and cancelled checks or wire transfer receipts; and

(2) Each qualified Missouri business shall have the obligation to notify the regional SBTDC that allocated tax credits to the qualified Missouri business and the department in a timely manner of any changes in the qualifications of the business or in the eligibility of investors to claim a tax credit for cash investment in a qualified security.

(3) The department shall provide the information specified in subdivision (3) of subsection 4 of this section to the department of revenue on an annual basis. The department shall conduct an annual review of the activities undertaken under this section and section 348.273 to ensure that tax credits issued under this section and section 348.273 are issued in compliance with the provisions of this section and section 348.273 or rules and regulations promulgated by each regional SBTDC or the department with respect to this section and section 348.273.

(4) If the department determines that a business is not in substantial compliance with the requirements of this section and section 348.273 to maintain its designation, the department, by written notice, shall inform the business that such business will lose its designation as a qualified Missouri business one hundred twenty days from the date of mailing of the notice unless such business corrects the deficiencies and is once again in compliance with the requirements for designation.

(5) At the end of the one hundred twenty-day period, if the qualified Missouri business is still not in substantial compliance, the department shall send a notice of loss of designation to the business, each regional SBTDC, the director of the department of revenue and to all known investors in the business.

(6) A business shall lose its designation as a qualified Missouri business under this section and section 348.273 by moving its operations outside Missouri within ten years after receiving financial assistance under this section and section 348.273.

(7) In the event that a business loses its designation as a qualified Missouri business, such business shall be precluded from being issued any additional tax credits with respect to the business, shall be precluded from being approved as a qualified Missouri business and shall repay any financial assistance to the regional SBTDC, in an amount to be determined by the regional SBTDC. Each qualified Missouri business that loses its designation as a qualified Missouri business shall enter into a repayment agreement with the regional SBTDC specifying the terms of such repayment obligation.

(8) Investors in a qualified Missouri business shall be entitled to keep all of the tax credits properly issued to such investors under this section and section 348.273.

(9) The portions of documents and other materials submitted to any regional SBTDC or the department that contain trade secrets shall be kept confidential and shall be maintained in a secured environment by the regional SBTDC and the department, as applicable. For the purposes of this section and section 348.273, “trade secrets” means any customer lists, formula, compound, production data, or compilation of information that will allow individuals within a commercial concern using such information the means to fabricate, produce, or compound an article of trade or perform any service having commercial value, which gives the user an opportunity to obtain a business advantage over competitors who do not know or use such service.

(10) Each regional SBTDC and the department may prepare and adopt procedures concerning the performance of the duties placed upon each respective entity by this section and section 348.273.

3. Any qualified investor who makes a cash investment in a qualified security of a qualified Missouri business may transfer the tax credits such qualified investor may receive under subsection 4 of section 348.273 to any natural person. Such transferee may claim the tax credit against the transferee’s Missouri income tax liability as provided in subdivision (1) of subsection 4 of section 348.273, subject to all restrictions and limitations set forth in this section and section 348.273. SENATE AMENDMENT NO. 1

Amend House Committee Substitute for House Bill No. 128, Page 1, In the Title, Line 3, by striking “property tax bills” and inserting in lieu thereof the following: “taxation”; and

Further amend said bill, page 2, section 52.240, line 27, by inserting immediately after said line the following:

“143.451. 1. Missouri taxable income of a corporation shall include all income derived from sources within this state.

2. A corporation described in subdivision (1) of subsection 1 of section 143.441 shall include in its Missouri taxable income all income from sources within this state, including that from the transaction of business in this state and that from the transaction of business partly done in this state and partly done in another state or states. However:

(1) Where income results from a transaction partially in this state and partially in another state or states, and income and deductions of the portion in the state cannot be segregated, then such portions of income and deductions shall be allocated in this state and the other state or states as will distribute to this state a portion based upon the portion of the transaction in this state and the portion in such other state or states.

(2) The taxpayer may elect to compute the portion of income from all sources in this state in the following manner, **or the manner set forth in subdivision (3) of this subsection**:

(a) The income from all sources shall be determined as provided, excluding therefrom the figures for the operation of any bridge connecting this state with another state.

(b) The amount of sales which are transactions wholly in this state shall be added to one-half of the amount of sales which are transactions partly within this state and partly without this state, and the amount thus obtained shall be divided by the total sales or in cases where sales do not express the volume of business, the amount of business transacted wholly in this state shall be added to one-half of the amount of business transacted partly in this state and partly outside this state and the amount thus obtained shall be divided by the total amount of business transacted, and the net income shall be multiplied by the fraction thus obtained, to determine the proportion of income to be used to arrive at the amount of Missouri taxable income. The investment or reinvestment of its own funds, or sale of any such investment or reinvestment, shall not be considered as sales or other business transacted for the determination of said fraction.

[(3)] (c) For the purposes of this [section] **subdivision**, a transaction involving the sale of tangible property is:

[(a)] **a.** “Wholly in this state” if both the seller’s shipping point and the purchaser’s destination point are in this state;

[(b)] **b.** “Partly within this state and partly without this state” if the seller’s shipping point is in this state and the purchaser’s destination point is outside this state, or the seller’s shipping point is outside this state and the purchaser’s destination point is in this state;

[(c)] **c.** Not “wholly in this state” or not “partly within this state and partly without this state” only if both the seller’s shipping point and the purchaser’s destination point are outside this state[;].

(d) For purposes of this subdivision:

a. The purchaser’s destination point shall be determined without regard to the FOB point or other

conditions of the sale[.]; and

b. The seller's shipping point is determined without regard to the location of the seller's principle office or place of business.

(3) The taxpayer may elect to compute the portion of income from all sources in this state in the following manner:

(a) The income from all sources shall be determined as provided, excluding therefrom the figures for the operation of any bridge connecting this state with another state;

(b) The amount of sales which are transactions in this state shall be divided by the total sales, and the net income shall be multiplied by the fraction thus obtained, to determine the proportion of income to be used to arrive at the amount of Missouri taxable income. The investment or reinvestment of its own funds, or sale of any such investment or reinvestment, shall not be considered as sales or other business transacted for the determination of said fraction;

(c) For the purposes of this subdivision, a transaction involving the sale of tangible property is:

a. "In this state" if the purchaser's destination point is in this state;

b. Not "in this state" if the purchaser's destination point is outside this state;

(d) For purposes of this subdivision, the purchaser's destination point shall be determined without regard to the FOB point or other conditions of the sale and shall not be in this state if the purchaser received the tangible personal property from the seller in this state for delivery to the purchaser's location outside this state.

(4) For purposes of this subsection, the following words shall, unless the context otherwise requires, have the following meaning:

(a) "Administration services" include, but are not limited to, clerical, fund or shareholder accounting, participant record keeping, transfer agency, bookkeeping, data processing, custodial, internal auditing, legal and tax services performed for an investment company;

(b) "Affiliate", the meaning as set forth in 15 U.S.C. Section 80a-2(a)(3)(C), as may be amended from time to time;

(c) "Distribution services" include, but are not limited to, the services of advertising, servicing, marketing, underwriting or selling shares of an investment company, but, in the case of advertising, servicing or marketing shares, only where such service is performed by a person who is, or in the case of a closed end company, was, either engaged in the services of underwriting or selling investment company shares or affiliated with a person that is engaged in the service of underwriting or selling investment company shares. In the case of an open end company, such service of underwriting or selling shares must be performed pursuant to a contract entered into pursuant to 15 U.S.C. Section 80a-15(b), as from time to time amended;

(d) "Investment company", any person registered under the federal Investment Company Act of 1940, as amended from time to time, (the act) or a company which would be required to register as an investment company under the act except that such person is exempt to such registration pursuant to Section 80a-3(c)(1) of the act;

(e) "Investment funds service corporation" includes any corporation or S corporation doing business in the state which derives more than fifty percent of its gross income in the ordinary course of business from

the provision directly or indirectly of management, distribution or administration services to or on behalf of an investment company or from trustees, sponsors and participants of employee benefit plans which have accounts in an investment company. An investment funds service corporation shall include any corporation or S corporation providing management services as an investment advisory firm registered under Section 203 of the Investment Advisors Act of 1940, as amended from time to time, regardless of the percentage of gross revenues consisting of fees from management services provided to or on behalf of an investment company;

(f) “Management services” include but are not limited to, the rendering of investment advice directly or indirectly to an investment company making determinations as to when sales and purchases of securities are to be made on behalf of the investment company, or the selling or purchasing of securities constituting assets of an investment company, and related activities, but only where such activity or activities are performed:

a. Pursuant to a contract with the investment company entered into pursuant to 15 U.S.C. Section 80a-15(a), as from time to time amended;

b. For a person that has entered into such contract with the investment company; or

c. For a person that is affiliated with a person that has entered into such contract with an investment company;

(g) “Qualifying sales”, gross income derived from the provision directly or indirectly of management, distribution or administration services to or on behalf of an investment company or from trustees, sponsors and participants of employee benefit plans which have accounts in an investment company. For purposes of this section, gross income is defined as that amount of income earned from qualifying sources without deduction of expenses related to the generation of such income;

(h) “Residence”, presumptively the fund shareholder’s mailing address on the records of the investment company. If, however, the investment company or the investment funds service corporation has actual knowledge that the fund shareholder’s primary residence or principal place of business is different than the fund shareholder’s mailing address such presumption shall not control. To the extent an investment funds service corporation does not have access to the records of the investment company, the investment funds service corporation may employ reasonable methods to determine the investment company fund shareholder’s residence.

(5) Notwithstanding other provisions of law to the contrary, qualifying sales of an investment funds service corporation, or S corporation, shall be considered wholly in this state only to the extent that the fund shareholders of the investment companies, to which the investment funds service corporation, or S corporation, provide services, are resided in this state. Wholly in this state qualifying sales of an investment funds service corporation, or S corporation, shall be determined as follows:

(a) By multiplying the investment funds service corporation’s total dollar amount of qualifying sales from services provided to each investment company by a fraction, the numerator of which shall be the average of the number of shares owned by the investment company’s fund shareholders resided in this state at the beginning of and at the end of the investment company’s taxable year that ends with or within the investment funds service corporation’s taxable year, and the denominator of which shall be the average of the number of shares owned by the investment company’s fund shareholders everywhere at the beginning of and at the end of the investment company’s taxable year that ends with or within the investment funds service corporation’s taxable year;

(b) A separate computation shall be made to determine the wholly in this state qualifying sales from each investment company. The qualifying sales for each investment company shall be multiplied by the respective percentage of each fund, as calculated pursuant to paragraph (a) of this subdivision. The product of this equation shall result in the wholly in this state qualifying sales. The qualifying sales for each investment company which are not wholly in this state will be considered wholly without this state;

(c) To the extent an investment funds service corporation has sales which are not qualifying sales, those nonqualified sales shall be apportioned to this state based on the methodology utilized by the investment funds service corporation without regard to this subdivision.

3. Any corporation described in subdivision (1) of subsection 1 of section 143.441 organized in this state or granted a permit to operate in this state for the transportation or care of passengers shall report its gross earnings within the state on intrastate business and shall also report its gross earnings on all interstate business done in this state which report shall be subject to inquiry for the purpose of determining the amount of income to be included in Missouri taxable income. The previous sentence shall not apply to a railroad.

4. A corporation described in subdivision (2) of subsection 1 of section 143.441 shall include in its Missouri taxable income all income arising from all sources in this state and all income from each transportation service wholly within this state, from each service where the only lines of such corporation used are those in this state, and such proportion of revenue from each service where the facilities of such corporation in this state and in another state or states are used, as the mileage used over the lines of such corporation in the state shall bear to the total mileage used over the lines of such corporation. The taxpayer may elect to compute the portion of income from all sources within this state in the following manner:

(1) The income from all sources shall be determined as provided;

(2) The amount of investment of such corporation on December thirty-first of each year in this state in fixed transportation facilities, real estate and improvements, plus the value on December thirty-first of each year of any fixed transportation facilities, real estate and improvements in this state leased from any other railroad shall be divided by the sum of the total amount of investment of such corporation on December thirty-first of each year in fixed transportation facilities, real estate and improvements, plus the value on December thirty-first of each year, of any fixed transportation facilities, real estate and improvements leased from any other railroad. Where any fixed transportation facilities, real estate or improvements are leased by more than one railroad, such portion of the value shall be used by each railroad as the rental paid by each shall bear to the rental paid by all lessees. The income shall be multiplied by the fraction thus obtained to determine the proportion to be used to arrive at the amount of Missouri taxable income.

5. A corporation described in subdivision (3) of subsection 1 of section 143.441 shall include in its Missouri taxable income one-half of the net income from the operation of a bridge between this and another state. If any such bridge is owned or operated by a railroad corporation or corporations, or by a corporation owning a railroad corporation using such bridge, then the figures for operation of such bridge may be included in the return of such railroad or railroads; or if such bridge is owned or operated by any other corporation which may now or hereafter be required to file an income tax return, one-half of the income or loss to such corporation from such bridge may be included in such return by adding or subtracting same to or from another net income or loss shown by the return.

6. A corporation described in subdivision (4) of subsection 1 of section 143.441 shall include in its Missouri taxable income all income arising from all sources within this state. Income shall include revenue from each telephonic or telegraphic service rendered wholly within this state; from each service rendered

for which the only facilities of such corporation used are those in this state; and from each service rendered over the facilities of such corporation in this state and in other state or states, such proportion of such revenue as the mileage involved in this state shall bear to the total mileage involved over the lines of said company in all states. The taxpayer may elect to compute the portion of income from all sources within this state in the following manner:

(1) The income from all sources shall be determined as provided;

(2) The amount of investment of such corporation on December thirty-first of each year in this state in telephonic or telegraphic facilities, real estate and improvements thereon, shall be divided by the amount of the total investment of such corporation on December thirty-first of each year in telephonic or telegraphic facilities, real estate and improvements. The income of the taxpayer shall be multiplied by fraction thus obtained to determine the proportion to be used to arrive at the amount of Missouri taxable income.

7. From the income determined in subsections 2, 3, 4, 5 and 6 of this section to be from all sources within this state shall be deducted such of the deductions for expenses in determining Missouri taxable income as were incurred in this state to produce such income and all losses actually sustained in this state in the business of the corporation.

8. If a corporation derives only part of its income from sources within Missouri, its Missouri taxable income shall only reflect the effect of the following listed deductions to the extent applicable to Missouri. The deductions are: (a) its deduction for federal income taxes pursuant to section 143.171, and (b) the effect on Missouri taxable income of the deduction for net operating loss allowed by Section 172 of the Internal Revenue Code. The extent applicable to Missouri shall be determined by multiplying the amount that would otherwise affect Missouri taxable income by the ratio for the year of the Missouri taxable income of the corporation for the year divided by the Missouri taxable income for the year as though the corporation had derived all of its income from sources within Missouri. For the purpose of the preceding sentence, Missouri taxable income shall not reflect the listed deductions.

9. Any investment funds service corporation organized as a corporation or S corporation which has any shareholders resided in this state shall be subject to Missouri income tax as provided in this chapter.”; and

Further amend the title and enacting clause accordingly.

Senator Wallingford moved that the above amendment be adopted, which motion prevailed.

Senator Schmitt offered **SA 2**:

SENATE AMENDMENT NO. 2

Amend House Committee Substitute for House Bill No. 128, Page 2, Section 52.240, Line 27, by inserting after all of said line the following:

“99.845. 1. A municipality, either at the time a redevelopment project is approved or, in the event a municipality has undertaken acts establishing a redevelopment plan and redevelopment project and has designated a redevelopment area after the passage and approval of sections 99.800 to 99.865 but prior to August 13, 1982, which acts are in conformance with the procedures of sections 99.800 to 99.865, may adopt tax increment allocation financing by passing an ordinance providing that after the total equalized assessed valuation of the taxable real property in a redevelopment project exceeds the certified total initial equalized assessed valuation of the taxable real property in the redevelopment project, the ad valorem taxes, and payments in lieu of taxes, if any, arising from the levies upon taxable real property in such

redevelopment project by taxing districts and tax rates determined in the manner provided in subsection 2 of section 99.855 each year after the effective date of the ordinance until redevelopment costs have been paid shall be divided as follows:

(1) That portion of taxes, penalties and interest levied upon each taxable lot, block, tract, or parcel of real property which is attributable to the initial equalized assessed value of each such taxable lot, block, tract, or parcel of real property in the area selected for the redevelopment project shall be allocated to and, when collected, shall be paid by the county collector to the respective affected taxing districts in the manner required by law in the absence of the adoption of tax increment allocation financing;

(2) (a) Payments in lieu of taxes attributable to the increase in the current equalized assessed valuation of each taxable lot, block, tract, or parcel of real property in the area selected for the redevelopment project and any applicable penalty and interest over and above the initial equalized assessed value of each such unit of property in the area selected for the redevelopment project shall be allocated to and, when collected, shall be paid to the municipal treasurer who shall deposit such payment in lieu of taxes into a special fund called the "Special Allocation Fund" of the municipality for the purpose of paying redevelopment costs and obligations incurred in the payment thereof. Payments in lieu of taxes which are due and owing shall constitute a lien against the real estate of the redevelopment project from which they are derived and shall be collected in the same manner as the real property tax, including the assessment of penalties and interest where applicable. The municipality may, in the ordinance, pledge the funds in the special allocation fund for the payment of such costs and obligations and provide for the collection of payments in lieu of taxes, the lien of which may be foreclosed in the same manner as a special assessment lien as provided in section 88.861. No part of the current equalized assessed valuation of each lot, block, tract, or parcel of property in the area selected for the redevelopment project attributable to any increase above the total initial equalized assessed value of such properties shall be used in calculating the general state school aid formula provided for in section 163.031 until such time as all redevelopment costs have been paid as provided for in this section and section 99.850;

(b) Notwithstanding any provisions of this section to the contrary, for purposes of determining the limitation on indebtedness of local government pursuant to article VI, section 26(b) of the Missouri Constitution, the current equalized assessed value of the property in an area selected for redevelopment attributable to the increase above the total initial equalized assessed valuation shall be included in the value of taxable tangible property as shown on the last completed assessment for state or county purposes;

(c) The county assessor shall include the current assessed value of all property within the taxing district in the aggregate valuation of assessed property entered upon the assessor's book and verified pursuant to section 137.245, and such value shall be utilized for the purpose of the debt limitation on local government pursuant to article VI, section 26(b) of the Missouri Constitution;

(3) For purposes of this section, "levies upon taxable real property in such redevelopment project by taxing districts" shall not include the blind pension fund tax levied under the authority of article III, section 38(b) of the Missouri Constitution, or the merchants' and manufacturers' inventory replacement tax levied under the authority of subsection 2 of section 6 of article X of the Missouri Constitution, except in redevelopment project areas in which tax increment financing has been adopted by ordinance pursuant to a plan approved by vote of the governing body of the municipality taken after August 13, 1982, and before January 1, 1998.

2. In addition to the payments in lieu of taxes described in subdivision (2) of subsection 1 of this section, for redevelopment plans and projects adopted or redevelopment projects approved by ordinance after July

12, 1990, and prior to August 31, 1991, fifty percent of the total additional revenue from taxes, penalties and interest imposed by the municipality, or other taxing districts, which are generated by economic activities within the area of the redevelopment project over the amount of such taxes generated by economic activities within the area of the redevelopment project in the calendar year prior to the adoption of the redevelopment project by ordinance, while tax increment financing remains in effect, but excluding taxes imposed on sales or charges for sleeping rooms paid by transient guests of hotels and motels, taxes levied pursuant to section 70.500, licenses, fees or special assessments other than payments in lieu of taxes and any penalty and interest thereon, or, effective January 1, 1998, taxes levied pursuant to section 94.660, for the purpose of public transportation, shall be allocated to, and paid by the local political subdivision collecting officer to the treasurer or other designated financial officer of the municipality, who shall deposit such funds in a separate segregated account within the special allocation fund. Any provision of an agreement, contract or covenant entered into prior to July 12, 1990, between a municipality and any other political subdivision which provides for an appropriation of other municipal revenues to the special allocation fund shall be and remain enforceable.

3. In addition to the payments in lieu of taxes described in subdivision (2) of subsection 1 of this section, for redevelopment plans and projects adopted or redevelopment projects approved by ordinance after August 31, 1991, fifty percent of the total additional revenue from taxes, penalties and interest which are imposed by the municipality or other taxing districts, and which are generated by economic activities within the area of the redevelopment project over the amount of such taxes generated by economic activities within the area of the redevelopment project in the calendar year prior to the adoption of the redevelopment project by ordinance, while tax increment financing remains in effect, but excluding personal property taxes, taxes imposed on sales or charges for sleeping rooms paid by transient guests of hotels and motels, taxes levied pursuant to section 70.500, taxes levied for the purpose of public transportation pursuant to section 94.660, **taxes imposed on sales pursuant to subsection 2 of section 67.1712 for the purpose of operating and maintaining a metropolitan park and recreation district**, licenses, fees or special assessments other than payments in lieu of taxes and penalties and interest thereon, [or] any sales tax imposed by a county with a charter form of government and with more than six hundred thousand but fewer than seven hundred thousand inhabitants, for the purpose of sports stadium improvement or levied by such county under section 238.410 for the purpose of the county transit authority operating transportation facilities, **or for redevelopment plans and projects adopted or redevelopment projects approved by ordinance after August 28, 2013, taxes imposed on sales pursuant to section 650.399 for the purpose of emergency communication systems**, shall be allocated to, and paid by the local political subdivision collecting officer to the treasurer or other designated financial officer of the municipality, who shall deposit such funds in a separate segregated account within the special allocation fund.

4. Beginning January 1, 1998, for redevelopment plans and projects adopted or redevelopment projects approved by ordinance and which have complied with subsections 4 to 12 of this section, in addition to the payments in lieu of taxes and economic activity taxes described in subsections 1, 2 and 3 of this section, up to fifty percent of the new state revenues, as defined in subsection 8 of this section, estimated for the businesses within the project area and identified by the municipality in the application required by subsection 10 of this section, over and above the amount of such taxes reported by businesses within the project area as identified by the municipality in their application prior to the approval of the redevelopment project by ordinance, while tax increment financing remains in effect, may be available for appropriation by the general assembly as provided in subsection 10 of this section to the department of economic development supplemental tax increment financing fund, from the general revenue fund, for distribution

to the treasurer or other designated financial officer of the municipality with approved plans or projects.

5. The treasurer or other designated financial officer of the municipality with approved plans or projects shall deposit such funds in a separate segregated account within the special allocation fund established pursuant to section 99.805.

6. No transfer from the general revenue fund to the Missouri supplemental tax increment financing fund shall be made unless an appropriation is made from the general revenue fund for that purpose. No municipality shall commit any state revenues prior to an appropriation being made for that project. For all redevelopment plans or projects adopted or approved after December 23, 1997, appropriations from the new state revenues shall not be distributed from the Missouri supplemental tax increment financing fund into the special allocation fund unless the municipality's redevelopment plan ensures that one hundred percent of payments in lieu of taxes and fifty percent of economic activity taxes generated by the project shall be used for eligible redevelopment project costs while tax increment financing remains in effect. This account shall be separate from the account into which payments in lieu of taxes are deposited, and separate from the account into which economic activity taxes are deposited.

7. In order for the redevelopment plan or project to be eligible to receive the revenue described in subsection 4 of this section, the municipality shall comply with the requirements of subsection 10 of this section prior to the time the project or plan is adopted or approved by ordinance. The director of the department of economic development and the commissioner of the office of administration may waive the requirement that the municipality's application be submitted prior to the redevelopment plan's or project's adoption or the redevelopment plan's or project's approval by ordinance.

8. For purposes of this section, "new state revenues" means:

(1) The incremental increase in the general revenue portion of state sales tax revenues received pursuant to section 144.020, excluding sales taxes that are constitutionally dedicated, taxes deposited to the school district trust fund in accordance with section 144.701, sales and use taxes on motor vehicles, trailers, boats and outboard motors and future sales taxes earmarked by law. In no event shall the incremental increase include any amounts attributable to retail sales unless the municipality or authority has proven to the Missouri development finance board and the department of economic development and such entities have made a finding that the sales tax increment attributable to retail sales is from new sources which did not exist in the state during the baseline year. The state income tax withholding allowed by this section shall be the municipality's estimate of the amount of state income tax withheld by the employer within the redevelopment area for new employees who fill new jobs directly created by the tax increment financing project.

(1) Suffered from generally declining population or property taxes over the twenty-year period immediately preceding the area's designation as a project area by ordinance; or

(2) Was a historic hotel located in a county of the first classification without a charter form of government with a population according to the most recent federal decennial census in excess of one hundred fifty thousand and containing a portion of a city with a population according to the most recent federal decennial census in excess of three hundred fifty thousand.

10. The initial appropriation of up to fifty percent of the new state revenues authorized pursuant to subsections 4 and 5 of this section shall not be made to or distributed by the department of economic development to a municipality until all of the following conditions have been satisfied:

The municipality shall include in the application the following items in addition to the items in section 99.810:

The department of economic development may request the appropriation following application approval;

(3) The appropriation shall be either a portion of the estimate of the incremental increase in the general revenue portion of state sales tax revenues in the redevelopment area or a portion of the estimate of the state income tax withheld by the employer on behalf of new employees who fill new jobs created in the redevelopment area as indicated in the municipality's application, approved by the director of the department of economic development or his or her designee and the commissioner of the office of administration or his or her designee. 14. For redevelopment plans or projects approved by ordinance that result in net new jobs from the relocation of a national headquarters from another state to the area of the redevelopment project, the economic activity taxes and new state tax revenues shall not be based on a calculation of the incremental increase in taxes as compared to the base year or prior calendar year for such redevelopment project, rather the incremental increase shall be the amount of total taxes generated from the net new jobs brought in by the national headquarters from another state. (b) “Course of conduct” means a pattern of conduct composed of repeated acts over a period of time, however short, that serves no legitimate purpose. Such conduct may include, but is not limited to, following the other person or unwanted communication or unwanted contact; and

(c) “Repeated” means two or more incidents evidencing a continuity of purpose.

455.015. The petition shall be filed in the county where the petitioner resides, where the alleged incident of [abuse] **domestic violence** occurred, or where the respondent may be served.

455.020. 1. Any [adult] **person** who has been subject to domestic violence by a present or former family or household member, or who has been the victim of stalking, may seek relief under sections 455.010 to 455.085 by filing a verified petition alleging such domestic violence or stalking by the respondent.

2. [An adult’s] **A person’s** right to relief under sections 455.010 to 455.085 shall not be affected by [his] **the person** leaving the residence or household to avoid domestic violence.

3. Any protection order issued pursuant to sections 455.010 to 455.085 shall be effective throughout the state in all cities and counties.

455.030. 1. When the court is unavailable after business hours or on holidays or weekends, a verified petition for protection from [abuse] **domestic violence** or a motion for hearing on violation of any order of protection under sections 455.010 to 455.085 may be filed before any available court in the city or county having jurisdiction to hear the petition pursuant to the guidelines developed pursuant to subsection 4 of this section. An ex parte order may be granted pursuant to section 455.035.

2. All papers in connection with the filing of a petition or the granting of an ex parte order of protection or a motion for a hearing on a violation of an order of protection under this section shall be certified by such court or the clerk within the next regular business day to the circuit court having jurisdiction to hear the petition.

3. A petitioner seeking a protection order shall not be required to reveal any current address or place of residence except to the court in camera for the purpose of determining jurisdiction and venue. The petitioner may be required to provide a mailing address unless the petitioner alleges that he or she would be endangered by such disclosure, or that other family or household members would be endangered by such disclosure. Effective January 1, 2004, a petitioner shall not be required to provide his or her Social Security number on any petition or document filed in connection with a protection order; except that, the court may require that a petitioner’s Social Security number be retained on a confidential case sheet or other confidential record maintained in conjunction with the administration of the case.

4. The supreme court shall develop guidelines which ensure that a verified petition may be filed on holidays, evenings and weekends.

455.032. In addition to any other jurisdictional grounds provided by law, a court shall have jurisdiction to enter an order of protection restraining or enjoining the respondent from [abusing, threatening to abuse] **committing or threatening to commit domestic violence, stalking**, molesting or disturbing the peace of petitioner, pursuant to sections 455.010 to 455.085, if the petitioner is present, whether permanently or on a temporary basis within the state of Missouri and if the respondent’s actions constituting [abuse] **domestic violence** have occurred, have been attempted or have been or are threatened within the state of Missouri. For purposes of this section, if the petitioner has been the subject of [abuse] **domestic violence** within or outside of the state of Missouri, such evidence shall be admissible to demonstrate the need for protection in Missouri.

455.035. 1. Upon the filing of a verified petition pursuant to sections 455.010 to 455.085 and for good cause shown in the petition, the court may immediately issue an ex parte order of protection. An immediate and present danger of [abuse] **domestic violence** to the petitioner **or the child on whose behalf the petition**

is filed shall constitute good cause for purposes of this section. An ex parte order of protection entered by the court shall take effect when entered and shall remain in effect until there is valid service of process and a hearing is held on the motion. **The court shall deny the ex parte order and dismiss the petition if the petitioner is not authorized to seek relief pursuant to section 455.020.**

2. Failure to serve an ex parte order of protection on the respondent shall not affect the validity or enforceability of such order. If the respondent is less than seventeen years of age, unless otherwise emancipated, service of process shall be made upon a **custodial** parent or guardian of the respondent, or upon a guardian ad litem appointed by the court, **requiring that the person appear and bring the respondent before the court at the time and place stated.**

3. If an ex parte order is entered and [the allegations in the petition would give rise to jurisdiction under section 211.031 because] the respondent is less than seventeen years of age, the court shall transfer the case to juvenile court for a hearing on a full order of protection. The court shall appoint a guardian ad litem for any such respondent not represented by a parent or guardian.

455.040. 1. Not later than fifteen days after the filing of a petition [pursuant to sections 455.010 to 455.085] **that meets the requirements of section 455.020**, a hearing shall be held unless the court deems, for good cause shown, that a continuance should be granted. At the hearing, if the petitioner has proved the allegation of [abuse] **domestic violence** or stalking by a preponderance of the evidence, **and the respondent cannot show that his or her actions alleged to constitute abuse were otherwise justified under the law**, the court shall issue a full order of protection for a period of time the court deems appropriate, except that the protective order shall be valid for at least one hundred eighty days and not more than one year. Upon motion by the petitioner, and after a hearing by the court, the full order of protection may be renewed for a period of time the court deems appropriate, except that the protective order shall be valid for at least one hundred eighty days and not more than one year from the expiration date of the originally issued full order of protection. The court may, upon finding that it is in the best interest of the parties, include a provision that any full order of protection for one year shall automatically renew unless the respondent requests a hearing by thirty days prior to the expiration of the order. If for good cause a hearing cannot be held on the motion to renew or the objection to an automatic renewal of the full order of protection prior to the expiration date of the originally issued full order of protection, an ex parte order of protection may be issued until a hearing is held on the motion. When an automatic renewal is not authorized, upon motion by the petitioner, and after a hearing by the court, the second full order of protection may be renewed for an additional period of time the court deems appropriate, except that the protective order shall be valid for at least one hundred eighty days and not more than one year. For purposes of this subsection, a finding by the court of a subsequent act of [abuse] **domestic violence or stalking** is not required for a renewal order of protection.

2. The court shall cause a copy of the petition and notice of the date set for the hearing on such petition and any ex parte order of protection to be served upon the respondent as provided by law or by any sheriff or police officer at least three days prior to such hearing. [Such notice shall be served at the earliest time, and service of such notice shall take priority over service in other actions, except those of a similar emergency nature.] The court shall cause a copy of any full order of protection to be served upon or mailed by certified mail to the respondent at the respondent's last known address. **Notice of an ex parte or full order of protection shall be served at the earliest time, and service of such notice shall take priority over service in other actions, except those of a similar emergency nature.** Failure to serve or mail a copy of the full order of protection to the respondent shall not affect the validity or enforceability of a full order of protection.

3. A copy of any order of protection granted pursuant to sections 455.010 to 455.085 shall be issued to the petitioner and to the local law enforcement agency in the jurisdiction where the petitioner resides. The clerk shall also issue a copy of any order of protection to the local law enforcement agency responsible for maintaining the Missouri uniform law enforcement system or any other comparable law enforcement system the same day the order is granted. The law enforcement agency responsible for maintaining MULES shall, for purposes of verification, within twenty-four hours from the time the order is granted, enter information contained in the order including but not limited to any orders regarding child custody or visitation and all specifics as to times and dates of custody or visitation that are provided in the order. A notice of expiration or of termination of any order of protection or any change in child custody or visitation within that order shall be issued to the local law enforcement agency and to the law enforcement agency responsible for maintaining MULES or any other comparable law enforcement system. The law enforcement agency responsible for maintaining the applicable law enforcement system shall enter such information in the system within twenty-four hours of receipt of information evidencing such expiration or termination. The information contained in an order of protection may be entered in the Missouri uniform law enforcement system or comparable law enforcement system using a direct automated data transfer from the court automated system to the law enforcement system.

4. The court shall cause a copy of any objection filed by the respondent and notice of the date set for the hearing on such objection to an automatic renewal of a full order of protection for a period of one year to be personally served upon the petitioner by personal process server as provided by law or by a sheriff or police officer at least three days prior to such hearing. Such service of process shall be served at the earliest time and shall take priority over service in other actions except those of a similar emergency nature.

455.045. Any ex parte order of protection granted pursuant to sections 455.010 to 455.085 shall be to protect the petitioner from [abuse] **domestic violence** or stalking and may include:

(1) Restraining the respondent from [abusing, threatening to abuse] **committing or threatening to commit domestic violence**, molesting, stalking or disturbing the peace of the petitioner;

(2) Restraining the respondent from entering the premises of the dwelling unit of petitioner when the dwelling unit is:

(a) Jointly owned, leased or rented or jointly occupied by both parties; or

(b) Owned, leased, rented or occupied by petitioner individually; or

(c) Jointly owned, leased or rented by petitioner and a person other than respondent; provided, however, no spouse shall be denied relief pursuant to this section by reason of the absence of a property interest in the dwelling unit; or

(d) Jointly occupied by the petitioner and a person other than the respondent; provided that the respondent has no property interest in the dwelling unit;

(3) Restraining the respondent from communicating with the petitioner in any manner or through any medium;

(4) A temporary order of custody of minor children where appropriate.

455.050. 1. Any full or ex parte order of protection granted pursuant to sections 455.010 to 455.085 shall be to protect the petitioner from domestic violence and may include such terms as the court reasonably deems necessary to ensure the petitioner's safety, including but not limited to:

(1) Temporarily enjoining the respondent from [abusing, threatening to abuse] **committing or threatening to commit domestic violence**, molesting, stalking or disturbing the peace of the petitioner;

(2) Temporarily enjoining the respondent from entering the premises of the dwelling unit of the petitioner when the dwelling unit is:

(a) Jointly owned, leased or rented or jointly occupied by both parties; or

(b) Owned, leased, rented or occupied by petitioner individually; or

(c) Jointly owned, leased, rented or occupied by petitioner and a person other than respondent; provided, however, no spouse shall be denied relief pursuant to this section by reason of the absence of a property interest in the dwelling unit; or

(d) Jointly occupied by the petitioner and a person other than respondent; provided that the respondent has no property interest in the dwelling unit; or

(3) Temporarily enjoining the respondent from communicating with the petitioner in any manner or through any medium.

2. Mutual orders of protection are prohibited unless both parties have properly filed written petitions and proper service has been made in accordance with sections 455.010 to 455.085.

3. When the court has, after a hearing for any full order of protection, issued an order of protection, it may, in addition:

(1) Award custody of any minor child born to or adopted by the parties when the court has jurisdiction over such child and no prior order regarding custody is pending or has been made, and the best interests of the child require such order be issued;

(2) Establish a visitation schedule that is in the best interests of the child;

(3) Award child support in accordance with supreme court rule 88.01 and chapter 452;

(4) Award maintenance to petitioner when petitioner and respondent are lawfully married in accordance with chapter 452;

(5) Order respondent to make or to continue to make rent or mortgage payments on a residence occupied by the petitioner if the respondent is found to have a duty to support the petitioner or other dependent household members;

(6) Order the respondent to pay the petitioner's rent at a residence other than the one previously shared by the parties if the respondent is found to have a duty to support the petitioner and the petitioner requests alternative housing;

(7) Order that the petitioner be given temporary possession of specified personal property, such as automobiles, checkbooks, keys, and other personal effects;

(8) Prohibit the respondent from transferring, encumbering, or otherwise disposing of specified property mutually owned or leased by the parties;

(9) Order the respondent to participate in a court-approved counseling program designed to help batterers stop violent behavior or to participate in a substance abuse treatment program;

(10) Order the respondent to pay a reasonable fee for housing and other services that have been provided or that are being provided to the petitioner by a shelter for victims of domestic violence;

(11) Order the respondent to pay court costs;

(12) Order the respondent to pay the cost of medical treatment and services that have been provided or that are being provided to the petitioner as a result of injuries sustained to the petitioner by an act of domestic violence committed by the respondent.

4. A verified petition seeking orders for maintenance, support, custody, visitation, payment of rent, payment of monetary compensation, possession of personal property, prohibiting the transfer, encumbrance, or disposal of property, or payment for services of a shelter for victims of domestic violence, shall contain allegations relating to those orders and shall pray for the orders desired.

5. In making an award of custody, the court shall consider all relevant factors including the presumption that the best interests of the child will be served by placing the child in the custody and care of the nonabusive parent, unless there is evidence that both parents have engaged in abusive behavior, in which case the court shall not consider this presumption but may appoint a guardian ad litem or a court-appointed special advocate to represent the children in accordance with chapter 452 and shall consider all other factors in accordance with chapter 452.

6. The court shall grant to the noncustodial parent rights to visitation with any minor child born to or adopted by the parties, unless the court finds, after hearing, that visitation would endanger the child's physical health, impair the child's emotional development or would otherwise conflict with the best interests of the child, or that no visitation can be arranged which would sufficiently protect the custodial parent from further [abuse] **domestic violence**. The court may appoint a guardian ad litem or court-appointed special advocate to represent the minor child in accordance with chapter 452 whenever the custodial parent alleges that visitation with the noncustodial parent will damage the minor child.

7. The court shall make an order requiring the noncustodial party to pay an amount reasonable and necessary for the support of any child to whom the party owes a duty of support when no prior order of support is outstanding and after all relevant factors have been considered, in accordance with Missouri supreme court rule 88.01 and chapter 452.

8. The court may grant a maintenance order to a party for a period of time, not to exceed one hundred eighty days. Any maintenance ordered by the court shall be in accordance with chapter 452.

455.060. 1. After notice and hearing, the court may modify an order of protection at any time, upon subsequent motion filed by the guardian ad litem, the court-appointed special advocate or by either party together with an affidavit showing a change in circumstances sufficient to warrant the modification. All full orders of protection shall be final orders and appealable and shall be for a fixed period of time as provided in section 455.040.

2. Any order for child support, custody, temporary custody, visitation or maintenance entered under sections 455.010 to 455.085 shall terminate prior to the time fixed in the order upon the issuance of a subsequent order pursuant to chapter 452 or any other Missouri statute.

3. No order entered pursuant to sections 455.010 to 455.085 shall be res judicata to any subsequent proceeding, including, but not limited to, any action brought under chapter 452[, RSMo 1978, as amended].

4. All provisions of an order of protection shall terminate upon entry of a decree of dissolution of marriage or legal separation except as to those provisions which require the respondent to participate in a court-approved counseling program or enjoin the respondent from [abusing, molesting, stalking or disturbing the peace of] **committing an act of domestic violence against** the petitioner and which enjoin

the respondent from entering the premises of the dwelling unit of the petitioner as described in the order of protection when the petitioner continues to reside in that dwelling unit unless the respondent is awarded possession of the dwelling unit pursuant to a decree of dissolution of marriage or legal separation.

5. Any order of protection or order for child support, custody, temporary custody, visitation or maintenance entered under sections 455.010 to 455.085 shall terminate upon the order of the court granting a motion to terminate the order of protection by the petitioner. [The court shall set the motion to dismiss for hearing and both parties shall have an opportunity to be heard.] Prior to terminating any order of protection, the court may [examine the circumstances of the motion to dismiss and may] inquire of the petitioner or others in order to [assist the court in determining if] **determine whether the** dismissal is voluntary.

6. The order of protection may not change the custody of children when an action for dissolution of marriage has been filed or the custody has previously been awarded by a court of competent jurisdiction.

455.080. 1. Law enforcement agencies may establish procedures to ensure that dispatchers and officers at the scene of an alleged incident of [abuse] **domestic violence or stalking** or violation of an order of protection can be informed of any recorded prior incident of [abuse] **domestic violence or stalking** involving the abused party and can verify the effective dates and terms of any recorded order of protection.

2. The law enforcement agency shall apply the same standard for response to an alleged incident of [abuse] **domestic violence or stalking** or a violation of any order of protection as applied to any like offense involving strangers, except as otherwise provided by law. Law enforcement agencies shall not assign lower priority to calls involving alleged incidents of [abuse] **domestic violence or stalking** or violation of protection orders than is assigned in responding to offenses involving strangers. Existence of any of the following factors shall be interpreted as indicating a need for immediate response:

- (1) The caller indicates that violence is imminent or in progress; or
- (2) A protection order is in effect; or
- (3) The caller indicates that incidents of domestic violence have occurred previously between the parties.

3. Law enforcement agencies may establish domestic crisis teams or, if the agency has fewer than five officers whose responsibility it is to respond to calls of this nature, individual officers trained in methods of dealing with [family and household quarrels] **domestic violence**. Such teams or individuals may be supplemented by social workers, ministers or other persons trained in counseling or crisis intervention. When an alleged incident of [family or household abuse] **domestic violence** is reported, the agency may dispatch a crisis team or specially trained officer, if available, to the scene of the incident.

4. The officer at the scene of an alleged incident of [abuse] **domestic violence or stalking** shall inform the abused party of available judicial remedies for relief from [adult abuse] **domestic violence** and of available shelters for victims of domestic violence.

5. Law enforcement officials at the scene shall provide or arrange transportation for the abused party to a medical facility for treatment of injuries or to a place of shelter or safety.

455.085. 1. When a law enforcement officer has probable cause to believe a party has committed a violation of law amounting to [abuse or assault] **domestic violence**, as defined in section 455.010, against a family or household member, the officer may arrest the offending party whether or not the violation occurred in the presence of the arresting officer. When the officer declines to make arrest pursuant to this subsection, the officer shall make a written report of the incident completely describing the offending party, giving the victim's name, time, address, reason why no arrest was made and any other pertinent information.

Any law enforcement officer subsequently called to the same address within a twelve-hour period, who shall find probable cause to believe the same offender has again committed a violation as stated in this subsection against the same or any other family or household member, shall arrest the offending party for this subsequent offense. The primary report of nonarrest in the preceding twelve-hour period may be considered as evidence of the defendant's intent in the violation for which arrest occurred. The refusal of the victim to sign an official complaint against the violator shall not prevent an arrest under this subsection.

2. When a law enforcement officer has probable cause to believe that a party, against whom a protective order has been entered and who has notice of such order entered, has committed an act of abuse in violation of such order, the officer shall arrest the offending party-respondent whether or not the violation occurred in the presence of the arresting officer. Refusal of the victim to sign an official complaint against the violator shall not prevent an arrest under this subsection.

3. When an officer makes an arrest [he], **the officer** is not required to arrest two parties involved in an assault when both parties claim to have been assaulted. The arresting officer shall attempt to identify and shall arrest the party [he] **the officer** believes is the primary physical aggressor. The term "primary physical aggressor" is defined as the most significant, rather than the first, aggressor. The law enforcement officer shall consider any or all of the following in determining the primary physical aggressor:

(1) The intent of the law to protect victims [of domestic violence] from continuing [abuse] **domestic violence**;

(2) The comparative extent of injuries inflicted or serious threats creating fear of physical injury;

(3) The history of domestic violence between the persons involved.

No law enforcement officer investigating an incident of [family] **domestic violence** shall threaten the arrest of all parties for the purpose of discouraging requests or law enforcement intervention by any party. Where complaints are received from two or more opposing parties, the officer shall evaluate each complaint separately to determine whether [he] **the officer** should seek a warrant for an arrest.

4. In an arrest in which a law enforcement officer acted in good faith reliance on this section, the arresting and assisting law enforcement officers and their employing entities and superiors shall be immune from liability in any civil action alleging false arrest, false imprisonment or malicious prosecution.

5. When a person against whom an order of protection has been entered fails to surrender custody of minor children to the person to whom custody was awarded in an order of protection, the law enforcement officer shall arrest the respondent, and shall turn the minor children over to the care and custody of the party to whom such care and custody was awarded.

6. The same procedures, including those designed to protect constitutional rights, shall be applied to the respondent as those applied to any individual detained in police custody.

7. A violation of the terms and conditions, with regard to [abuse] **domestic violence**, stalking, child custody, communication initiated by the respondent or entrance upon the premises of the petitioner's dwelling unit or place of employment or school, or being within a certain distance of the petitioner or a child of the petitioner, of an ex parte order of protection of which the respondent has notice, shall be a class A misdemeanor unless the respondent has previously pleaded guilty to or has been found guilty in any division of the circuit court of violating an ex parte order of protection or a full order of protection within five years of the date of the subsequent violation, in which case the subsequent violation shall be a class D felony. Evidence of prior pleas of guilty or findings of guilt shall be heard by the court out of the presence of the

jury prior to submission of the case to the jury. If the court finds the existence of such prior pleas of guilty or finding of guilt beyond a reasonable doubt, the court shall decide the extent or duration of sentence or other disposition and shall not instruct the jury as to the range of punishment or allow the jury to assess and declare the punishment as a part of its verdict.

8. A violation of the terms and conditions, with regard to [abuse] **domestic violence**, stalking, child custody, communication initiated by the respondent or entrance upon the premises of the petitioner's dwelling unit or place of employment or school, or being within a certain distance of the petitioner or a child of the petitioner, of a full order of protection shall be a class A misdemeanor, unless the respondent has previously pleaded guilty to or has been found guilty in any division of the circuit court of violating an ex parte order of protection or a full order of protection within five years of the date of the subsequent violation, in which case the subsequent violation shall be a class D felony. Evidence of prior pleas of guilty or findings of guilt shall be heard by the court out of the presence of the jury prior to submission of the case to the jury. If the court finds the existence of such prior plea of guilty or finding of guilt beyond a reasonable doubt, the court shall decide the extent or duration of the sentence or other disposition and shall not instruct the jury as to the range of punishment or allow the jury to assess and declare the punishment as a part of its verdict. For the purposes of this subsection, in addition to the notice provided by actual service of the order, a party is deemed to have notice of an order of protection if the law enforcement officer responding to a call of a reported incident of [abuse] **domestic violence, stalking**, or violation of an order of protection presented a copy of the order of protection to the respondent.

9. Good faith attempts to effect a reconciliation of a marriage shall not be deemed tampering with a witness or victim tampering under section 575.270.

10. Nothing in this section shall be interpreted as creating a private cause of action for damages to enforce the provisions set forth herein.

455.503. 1. A petition for an order of protection for a child shall be filed in the county where the child resides, where the alleged incident of [abuse] **domestic violence or stalking** occurred, or where the respondent may be served.

2. Such petition may be filed by any of the following:

- (1) A parent or guardian of the victim;
- (2) A guardian ad litem or court-appointed special advocate appointed for the victim; or
- (3) The juvenile officer.

455.505. 1. An order of protection for a child who has been subject to domestic violence by a present or former [adult] household member or person stalking the child may be sought under sections 455.500 to 455.538 by the filing of a verified petition alleging such domestic violence **or stalking** by the respondent.

2. A child's right to relief under sections 455.500 to 455.538 shall not be affected by [his] **the child's** leaving the residence or household to avoid domestic violence.

3. Any protection order issued pursuant to sections 455.500 to 455.538 shall be effective throughout the state in all cities and counties.

455.513. 1. Upon the filing of a verified petition under sections 455.500 to 455.538, for good cause shown in the petition, and upon finding that no prior order regarding custody is pending or has been made or that the respondent is less than seventeen years of age, the court may immediately issue an ex parte order

of protection. An immediate and present danger of [abuse] **domestic violence or stalking** to a child shall constitute good cause for purposes of this section. An ex parte order of protection entered by the court shall be in effect until the time of the hearing. **The court shall deny the ex parte order and dismiss the petition if the petitioner is not authorized to seek relief pursuant to section 455.505.**

2. Upon the entry of the ex parte order of protection, the court shall enter its order appointing a guardian ad litem or court-appointed special advocate to represent the child victim.

3. If the allegations in the petition would give rise to jurisdiction under section 211.031, the court may direct the children's division to conduct an investigation and to provide appropriate services. The division shall submit a written investigative report to the court and to the juvenile officer within thirty days of being ordered to do so. The report shall be made available to the parties and the guardian ad litem or court-appointed special advocate.

4. If [an ex parte order is entered and] the allegations in the petition would give rise to jurisdiction under section 211.031 because the respondent is less than seventeen years of age, the court **may issue an ex parte order and** shall transfer the case to juvenile court for a hearing on a full order of protection. Service of process shall be made pursuant to section 455.035.

455.520. 1. Any ex parte order of protection granted under sections 455.500 to 455.538 shall be to protect the victim from domestic violence **or stalking** and may include such terms as the court reasonably deems necessary to ensure the [petitioner's] **victim's** safety, including but not limited to:

(1) Restraining the respondent from [abusing, threatening to abuse] **committing or threatening to commit domestic violence, stalking**, molesting, or disturbing the peace of the victim;

(2) Restraining the respondent from entering the family home of the victim except as specifically authorized by the court;

(3) Restraining the respondent from communicating with the victim in any manner or through any medium, except as specifically authorized by the court;

(4) A temporary order of custody of minor children.

2. No ex parte order of protection excluding the respondent from the family home shall be issued unless the court finds that:

(1) The order is in the best interests of the child or children remaining in the home;

(2) The verified allegations of domestic violence present a substantial risk to the child or children unless the respondent is excluded; and

(3) A remaining adult family or household member is able to care adequately for the child or children in the absence of the excluded party.

455.523. 1. Any full order of protection granted under sections 455.500 to 455.538 shall be to protect the victim from domestic violence and **stalking** may include such terms as the court reasonably deems necessary to ensure the petitioner's safety, including but not limited to:

(1) Temporarily enjoining the respondent from [abusing] **committing domestic violence**, threatening to [abuse] **commit domestic violence, stalking**, molesting, or disturbing the peace of the victim;

(2) Temporarily enjoining the respondent from entering the family home of the victim, except as specifically authorized by the court;

(3) Temporarily enjoining the respondent from communicating with the victim in any manner or through any medium, except as specifically authorized by the court.

2. When the court has, after hearing for any full order of protection, issued an order of protection, it may, in addition:

(1) Award custody of any minor child born to or adopted by the parties when the court has jurisdiction over such child and no prior order regarding custody is pending or has been made, and the best interests of the child require such order be issued;

(2) Award visitation;

(3) Award child support in accordance with supreme court rule 88.01 and chapter 452;

(4) Award maintenance to petitioner when petitioner and respondent are lawfully married in accordance with chapter 452;

(5) Order respondent to make or to continue to make rent or mortgage payments on a residence occupied by the victim if the respondent is found to have a duty to support the victim or other dependent household members;

(6) Order the respondent to participate in a court-approved counseling program designed to help [child abusers] stop violent behavior or to treat substance abuse;

(7) Order the respondent to pay, to the extent that he or she is able, the costs of his or her treatment, together with the treatment costs incurred by the victim;

(8) Order the respondent to pay a reasonable fee for housing and other services that have been provided or that are being provided to the victim by a shelter for victims of domestic violence.

455.538. 1. When a law enforcement officer has probable cause to believe that a party, against whom a protective order for a child has been entered, has committed an act [of abuse] in violation of that order, [he] **the officer** shall have the authority to arrest the respondent whether or not the violation occurred in the presence of the arresting officer.

2. When a person, against whom an order of protection for a child has been entered, fails to surrender custody of minor children to the person to whom custody was awarded in an order of protection, the law enforcement officer shall arrest the respondent, and shall turn the minor children over to the care and custody of the party to whom such care and custody was awarded.

3. The same procedures, including those designed to protect constitutional rights, shall be applied to the respondent as those applied to any individual detained in police custody.

4. (1) Violation of the terms and conditions of an ex parte or full order of protection with regard to [abuse] **domestic violence, stalking**, child custody, communication initiated by the respondent, or entrance upon the premises of the victim's dwelling unit or place of employment or school, or being within a certain distance of the petitioner or a child of the petitioner, of which the respondent has notice, shall be a class A misdemeanor, unless the respondent has previously pleaded guilty to or has been found guilty in any division of the circuit court of violating an ex parte order of protection or a full order of protection within five years of the date of the subsequent violation, in which case the subsequent violation shall be a class D felony. Evidence of a prior plea of guilty or finding of guilt shall be heard by the court out of the presence of the jury prior to submission of the case to the jury. If the court finds the existence of a prior plea of guilty or finding of guilt beyond a reasonable doubt, the court shall decide the extent or duration of sentence or

other disposition and shall not instruct the jury as to the range of punishment or allow the jury to assess and declare the punishment as a part of its verdict.

(2) For purposes of this subsection, in addition to the notice provided by actual service of the order, a party is deemed to have notice of an order of protection for a child if the law enforcement officer responding to a call of a reported incident of [abuse] **domestic violence or stalking** or violation of an order of protection for a child presents a copy of the order of protection to the respondent.

5. The fact that an act by a respondent is a violation of a valid order of protection for a child shall not preclude prosecution of the respondent for other crimes arising out of the incident in which the protection order is alleged to have been violated.

527.290. 1. Public notice of such a change of name shall be given at least three times in a newspaper published in the county where such person is residing, within twenty days after the order of court is made, and if no newspaper is published in [his] **the person's** or any adjacent county, then such notice shall be given in a newspaper published in the City of St. Louis, or at the seat of government.

2. Public notice of such name change through publication as required in subsection 1 of this section shall not be required, **and any system operated by the judiciary that is designed to provide public case information electronically shall not post the name change**, if the petitioner is:

(1) The victim of a crime, the underlying factual basis of which is found by the court on the record to include an act of domestic violence, as defined in section 455.010;

(2) The victim of child abuse, as defined in section 210.110; or

(3) The victim of [abuse] **domestic violence** by a family or household member, as defined in section 455.010.”; and

Further amend the title and enacting clause accordingly.

Senator Justus moved that the above amendment be adopted, which motion prevailed.

Senator Dixon offered **SA 2**:

SENATE AMENDMENT NO. 2

Amend Senate Substitute for Senate Committee Substitute for House Committee Substitute for House Bill No. 215, Page 94, Section 559.117, Line 1 of said page, by inserting immediately after said line the following:

“565.020. 1. A person commits the [crime] **offense** of murder in the first degree if he **or she** knowingly causes the death of another person after deliberation upon the matter.

2. **The offense of** murder in the first degree is a class A felony, and **, if a person is eighteen years of age or older at the time of the crime**, the punishment shall be either death or imprisonment for life without eligibility for probation or parole, or release except by act of the governor; except that, if a person has not reached his **or her** [sixteenth] **eighteenth** birthday at the time of the commission of the crime, the punishment shall be **either** imprisonment for life without eligibility for probation or parole, or release except by act of the governor, **or imprisonment for life with eligibility for parole after such person has served fifty years in prison.**

565.033. 1. When a person is charged with first degree murder who was less than eighteen years of age at the time of the offense, the prosecuting or circuit attorney may file a notice of his or her

intent to seek a punishment of imprisonment for life without eligibility for parole. If the notice is filed, the trial shall proceed in two stages before the same trier. At the first stage the trier shall decide only whether the defendant is guilty of any submitted offense. If the person is found guilty of first degree murder, a second stage of the trial shall then proceed at which the only issue shall be the punishment to be assessed and declared. Evidence in aggravation and mitigation of punishment, including but not limited to evidence supporting any of the aggravating or mitigating circumstances listed in subsection 2 or 3 of section 565.032, may be presented subject to the rules of evidence at criminal trials. Rebuttal and surrebuttal evidence may be presented. The state shall be the first to proceed. If the trier is a jury, it shall be instructed on the law. The attorneys may then argue the issue of punishment to the jury, and the state shall have the right to open and close the argument. The trier shall assess and declare the punishment and, if the trier declares the punishment to be imprisonment for life without parole, the trier shall set out in writing in its findings or verdict the aggravating circumstances or mitigating circumstances it considered and the reasons supporting the sentence imposed.

2. If the prosecuting or circuit attorney does not seek a punishment of imprisonment for life without eligibility for parole, the submission to the trier and all subsequent proceedings in the case shall proceed with a single stage trial and, if the person is found guilty of first degree murder, the punishment shall be imprisonment for life with eligibility for parole after the person has served fifty years in prison. If the person is found guilty of a lesser homicide offense, the procedure for the punishment phase shall be the same as provided under subsection 3 of section 565.030.

3. The procedures provided under this section shall not apply to any case that is final for purposes of appeal on or before the effective date of this section. A case is final for purposes of appeal when the time for filing an appeal in the Missouri Court of Appeals has expired; if an appeal was filed in the Missouri Court of Appeals, when the time for filing an application for transfer in the Missouri Supreme Court has expired; if an application was filed for transfer to the Missouri Supreme Court, when the application for transfer was denied or when a timely filed motion for rehearing was denied; or if the Missouri Supreme Court granted transfer, when the Missouri Supreme Court rendered its decision or when a timely-filed motion for rehearing was denied.

4. Any person sentenced to imprisonment for life without the eligibility for parole before the effective date of this section for an offense committed when the person was less than eighteen years of age may file a motion in the sentencing court for a sentencing hearing within six months of the effective date of this section. Such sentencing hearing shall be heard by the judge. The sole purpose of the sentencing hearing shall be to determine if the sentence of imprisonment for life without eligibility for parole that was originally imposed shall remain or be amended to imprisonment for life with eligibility for parole after the person has served fifty years in prison.”; and

Further amend said bill, page 136, section B, lines 1-2 of said page, by striking “section 600.062” and inserting in lieu thereof the following: “sections 565.033 and 600.062”; and further amend line 2 of said page, by striking “section 632.480” and inserting in lieu thereof the following: “sections 565.020 and 632.480”; and further amend line 6 of said page, by striking “section 600.062” and inserting in lieu thereof the following: “sections 565.033 and 600.062”; and further amend line 7 of said page, by striking “section 632.480” and inserting in lieu thereof the following: “sections 565.020 and 632.480”; and

Further amend the title and enacting clause accordingly.
