71.015. 1. Should any city, town, or village, not located in any county of the first classification which has adopted a constitutional charter for its own local government, seek to annex an area to which objection is made, the following shall be satisfied:
(1) Before the governing body of any city, town, or village has adopted a resolution to annex any unincorporated area of land, such city, town, or village shall first as a condition precedent determine that the land to be annexed is contiguous to the existing city, town, or village limits and that the length of the contiguous boundary common to the existing city, town, or village limit and the proposed area to be annexed is at least fifteen percent of the length of the perimeter of the area proposed for annexation.

(2) The governing body of any city, town, or village shall propose an ordinance setting forth the following:

(a) The area to be annexed and affirmatively stating that the boundaries comply with the condition precedent referred to in subdivision (1) above;
(b) That such annexation is reasonable and necessary to the proper development of the city, town, or village;
(c) That the city has developed a plan of intent to provide services to the area proposed for annexation;
(d) That a public hearing shall be held prior to the adoption of the ordinance;
(e) When the annexation is proposed to be effective, the effective date being up to thirty-six months from the date of any election held in conjunction thereto.

(3) The city, town, or village shall fix a date for a public hearing on the ordinance and make a good faith effort to notify all fee owners of record within the area proposed to be annexed by certified mail, not less than thirty nor more than sixty days before the hearing, and notify all residents of the area by publication of notice in a newspaper of general circulation qualified to publish legal matters in the county or counties where the proposed area is located, at least once a week for three consecutive weeks prior to the hearing, with at least one such notice being not more than twenty days and not less than ten days before the hearing.

(4) At the hearing referred to in subdivision (3) of this subsection, the city, town, or village shall present the plan of intent and evidence in support thereof to include:

(a) A list of major services presently provided by the city, town, or village including, but not limited to, police and fire protection, water and sewer systems, street maintenance, parks and recreation, and refuse collection;
(b) A proposed time schedule whereby the city, town, or village plans to provide such services to the residents of the proposed area to be annexed within three years from the date the annexation is to become effective;
(c) The level at which the city, town, or village assesses property and the rate at which it taxes that property;
(d) How the city, town, or village proposes to zone the area to be annexed;
(e) When the proposed annexation shall become effective.
(5) Following the hearing, and either before or after the election held in subdivision (6) of this subsection, should the governing body of the city, town, or village vote favorably by ordinance to annex the area, the governing body of the city, town or village shall file an action in the circuit court of the county in which such unincorporated area is situated, under the provisions of chapter 527, praying for a declaratory judgment authorizing such annexation. The petition in such action shall state facts showing:

(a) The area to be annexed and its conformity with the condition precedent referred to in subdivision (1) of this subsection;

(b) That such annexation is reasonable and necessary to the proper development of the city, town, or village; and

(c) The ability of the city, town, or village to furnish normal municipal services of the city, town, or village to the unincorporated area within a reasonable time not to exceed three years after the annexation is to become effective. Such action shall be a class action against the inhabitants of such unincorporated area under the provisions of section 507.070.

(6) Except as provided in subsection 3 of this section, if the court authorizes the city, town, or village to make an annexation, the legislative body of such city, town, or village shall not have the power to extend the limits of the city, town, or village by such annexation until an election is held at which the proposition for annexation is approved by a majority of the total votes cast in the city, town, or village and by a separate majority of the total votes cast in the unincorporated territory sought to be annexed. However, should less than a majority of the total votes cast in the area proposed to be annexed vote in favor of the proposal, but at least a majority of the total votes cast in the city, town, or village vote in favor of the proposal, then the proposal shall again be voted upon in not more than one hundred sixty days by both the registered voters of the city, town, or village and the registered voters of the area proposed to be annexed. If at least two-thirds of the qualified electors voting thereon are in favor of the annexation, then the city, town, or village may proceed to annex the territory. If the proposal fails to receive the necessary majority, no part of the area sought to be annexed may be the subject of another proposal to annex for a period of two years from the date of the election, except that, during the two-year period, the owners of all fee interests of record in the area or any portion of the area may petition the city, town, or village for the annexation of the land owned by them pursuant to the procedures in section 71.012. The elections shall if authorized be held, except as herein otherwise provided, in accordance with the general state law governing special elections, and the entire cost of the election or elections shall be paid by the city, town, or village proposing to annex the territory.

(7) Failure to comply in providing services to the said area or to zone in compliance with the plan of intent within three years after the effective date of the annexation, unless compliance
is made unreasonable by an act of God, shall give rise to a cause of action for deannexation which may be filed in the circuit court by any resident of the area who was residing in the area at the time the annexation became effective.

(8) No city, town, or village which has filed an action under this section as this section read prior to May 13, 1980, which action is part of an annexation proceeding pending on May 13, 1980, shall be required to comply with subdivision (5) of this subsection in regard to such annexation proceeding.

(9) If the area proposed for annexation includes a public road or highway but does not include all of the land adjoining such road or highway, then such fee owners of record, of the lands adjoining said highway shall be permitted to intervene in the declaratory judgment action described in subdivision (5) of this subsection.

2. Notwithstanding any provision of subsection 1 of this section, for any annexation by any city with a population of three hundred fifty thousand or more inhabitants which is located in more than one county that becomes effective after August 28, 1994, if such city has not provided water and sewer service to such annexed area within three years of the effective date of the annexation, a cause of action shall lie for deannexation, unless the failure to provide such water and sewer service to the annexed area is made unreasonable by an act of God. The cause of action for deannexation may be filed in the circuit court by any resident of the annexed area who is presently residing in the area at the time of the filing of the suit and was a resident of the annexed area at the time the annexation became effective. If the suit for deannexation is successful, the city shall be liable for all court costs and attorney fees.

3. Notwithstanding the provisions of subdivision (6) of subsection 1 of this section, all cities, towns, and villages located in any county of the first classification with a charter form of government with a population of two hundred thousand or more inhabitants which adjoins a county with a population of nine hundred thousand or more inhabitants shall comply with the provisions of this subsection. If the court authorizes any city, town, or village subject to this subsection to make an annexation, the legislative body of such city, town or village shall not have the power to extend the limits of such city, town, or village by such annexation until an election is held at which the proposition for annexation is approved by a majority of the total votes cast in such city, town, or village and by a separate majority of the total votes cast in the unincorporated territory sought to be annexed; except that:

(1) In the case of a proposed annexation in any area which is contiguous to the existing city, town or village and which is within an area designated as flood plain by the Federal Emergency Management Agency and which is inhabited by no more than thirty registered voters and for which a final declaratory judgment has been granted prior to January 1, 1993, approving such annexation and where notarized affidavits expressing approval of the proposed annexation
are obtained from a majority of the registered voters residing in the area to be annexed, the area 
may be annexed by an ordinance duly enacted by the governing body and no elections shall be 
required; and

(2) In the case of a proposed annexation of unincorporated territory in which no qualified 
electors reside, if at least a majority of the qualified electors voting on the proposition are in 
favor of the annexation, the city, town or village may proceed to annex the territory and no 
subsequent election shall be required.

If the proposal fails to receive the necessary separate majorities, no part of the area sought to be 
annexed may be the subject of any other proposal to annex for a period of two years from the 
date of such election, except that, during the two-year period, the owners of all fee interests of 
record in the area or any portion of the area may petition the city, town, or village for the 
annexation of the land owned by them pursuant to the procedures in section 71.012 or 71.014. 
The election shall, if authorized, be held, except as otherwise provided in this section, in 
accordance with the general state laws governing special elections, and the entire cost of the 
election or elections shall be paid by the city, town, or village proposing to annex the territory. 
Failure of the city, town or village to comply in providing services to the area or to zone in 
compliance with the plan of intent within three years after the effective date of the annexation, 
unless compliance is made unreasonable by an act of God, shall give rise to a cause of action for 
deannexation which may be filed in the circuit court not later than four years after the effective 
date of the annexation by any resident of the area who was residing in such area at the time the 
annexation became effective or by any nonresident owner of real property in such area.

4. Except for a cause of action for deannexation under subdivision (2) of subsection 3 
of this section, any action of any kind seeking to deannex from any city, town, or village any area 
annexed under this section, or seeking in any way to reverse, invalidate, set aside, or otherwise 
challenge such annexation or oust such city, town, or village from jurisdiction over such annexed 
area shall be brought within five years of the date of the adoption of the annexation ordinance.

The tax authorized in this section may be imposed in an amount of up to one-half of one percent, and shall be imposed solely for the purpose of improving the public safety for such city, including but not limited to expenditures on equipment, city employee salaries and benefits, and facilities for police, fire and emergency medical providers. The tax authorized in this section shall be in addition to all other sales taxes imposed by law, and shall be stated separately from all other charges and taxes. The order or ordinance imposing a sales tax under this section shall not become effective unless the governing body of the city submits to the voters residing within the city, at a county or state general, primary, or special election, a proposal to authorize the governing body of the city to impose a tax under this section.

2. The ballot of submission for the tax authorized in this section shall be in substantially the following form:

☐ YES ☐ NO

If you are in favor of the question, place an "X" in the box opposite "YES". If you are opposed to the question, place an "X" in the box opposite "NO". If a majority of the votes cast on the proposal by the qualified voters voting thereon are in favor of the proposal, then the ordinance or order and any amendments to the order or ordinance shall become effective on the first day of the second calendar quarter after the director of revenue receives notice of the adoption of the sales tax. If a majority of the votes cast on the proposal by the qualified voters voting thereon are opposed to the proposal, then the tax shall not become effective unless the proposal is resubmitted under this section to the qualified voters and such proposal is approved by a majority of the qualified voters voting on the proposal. However, in no event shall a proposal under this section be submitted to the voters sooner than twelve months from the date of the last proposal under this section.
3. Any sales tax imposed under this section shall be administered, collected, enforced, and operated as required in section 32.087. All sales taxes collected by the director of the department of revenue under this section on behalf of any city, less one percent for cost of collection which shall be deposited in the state's general revenue fund after payment of premiums for surety bonds as provided in section 32.087, shall be deposited in a special trust fund, which is hereby created in the state treasury, to be known as the "City Public Safety Sales Tax Trust Fund". The moneys in the trust fund shall not be deemed to be state funds and shall not be commingled with any funds of the state. The provisions of section 33.080 to the contrary notwithstanding, money in this fund shall not be transferred and placed to the credit of the general revenue fund. The director shall keep accurate records of the amount of money in the trust fund and which was collected in each city imposing a sales tax under this section, and the records shall be open to the inspection of officers of the city and the public. Expenditures may be made from the fund for any functions authorized in the ordinance or order adopted by the governing body submitting the tax to the voters. If the tax is repealed, all funds remaining in the special trust fund shall continue to be used solely for the designated purposes. Any funds in the special trust fund which are not needed for current expenditures shall be invested in the same manner as other funds are invested. Any interest and moneys earned on such investments shall be credited to the fund.

4. The director of the department of revenue may authorize the state treasurer to make refunds from the amounts in the trust fund and credited to any city for erroneous payments and overpayments made, and may redeem dishonored checks and drafts deposited to the credit of such cities. If any city abolishes the tax, the city shall notify the director of the action at least ninety days before the effective date of the repeal, and the director may order retention in the trust fund, for a period of one year, of two percent of the amount collected after receipt of such notice to cover possible refunds or overpayment of the tax and to redeem dishonored checks and drafts deposited to the credit of such accounts. After one year has elapsed after the effective date of abolition of the tax in such city, the director shall remit the balance in the account to the city and close the account of that city. The director shall notify each city of each instance of any amount refunded or any check redeemed from receipts due the city.

5. The governing body of any city that has adopted the sales tax authorized in this section may submit the question of repeal of the tax to the voters on any date available for elections for the city. The ballot of submission shall be in substantially the following form:

If a majority of the votes cast on the question by the qualified voters voting thereon are in favor of the repeal, that repeal shall become effective on December thirty-first of the calendar year in which such repeal was approved. If a majority of the votes cast on the question by the qualified voters voting thereon are opposed to the repeal, then the tax shall remain effective until the question is resubmitted under this section to the qualified voters and the repeal is approved by a majority of the qualified voters voting on the question.

on the Wednesday prior to the election. The election authority may accept an application for
a military-overseas ballot if received no later than 7:00 p.m. on the day of the election if the
election authority determines that circumstances warrant such acceptance. An application
for a military-overseas ballot for a primary election, whether or not timely, shall be effective as
an application for a military-overseas ballot for the general election.

116.332. 1. Before a constitutional amendment petition, a statutory initiative petition,
or a referendum petition may be circulated for signatures, with the exception of sponsoring
signatures under section 116.333, a sample sheet must be submitted to the secretary of state
in the form in which it will be circulated. When a person submits a sample sheet of a petition
he or she shall designate to the secretary of state the name and address of the person to whom
any notices shall be sent pursuant to sections 116.140 and 116.180 and, if a committee or person,
except the individual submitting the sample sheet, is funding any portion of the drafting or
submitting of the sample sheet, the person submitting the sample sheet shall submit a copy of
the filed statement of committee organization required under subsection 5 of section 130.021
showing the date the statement was filed. The secretary of state shall refer a copy of the petition
sheet to the attorney general for his approval and to the state auditor for purposes of preparing
a fiscal note and fiscal note summary. The secretary of state and attorney general must each
review the petition for sufficiency as to form and approve or reject the form of the petition,
stating the reasons for rejection, if any.

2. Within two business days of receipt of any such sample sheet, the office of the
secretary of state shall conspicuously post on its website the text of the proposed measure, a
disclaimer stating that such text may not constitute the full and correct text as required under
section 116.050, and the name of the person or organization submitting the sample sheet. The
secretary of state's failure to comply with such posting shall be considered a violation of chapter
610 and subject to the penalties provided under subsection 3 of section 610.027. The posting
shall be removed within three days of either the withdrawal of the petition under section 116.115
or the rejection for any reason of the petition.

3. Upon receipt of a petition from the office of the secretary of state, the attorney general
shall examine the petition as to form. If the petition is rejected as to form, the attorney general
shall forward his or her comments to the secretary of state within ten days after receipt of the
petition by the attorney general. If the petition is approved as to form, the attorney general shall
forward his or her approval as to form to the secretary of state within ten days after receipt of the
petition by the attorney general.

4. The secretary of state shall review the comments and statements of the attorney
general as to form and make a final decision as to the approval or rejection of the form of the
petition. The secretary of state shall send written notice to the person who submitted the petition
sheet of the approval within fifteen days after submission of the petition sheet. The secretary of
state shall send written notice if the petition has been rejected, together with reasons for
rejection, within fifteen days after submission of the petition sheet.

116.333. 1. Persons submitting a sample sheet under section 116.332 shall also
submit, with the sample sheet, five thousand sponsoring signatures of registered voters of
the state in support of the initiative. If such person fails to submit sponsoring signatures
pursuant to the provisions of this section, the secretary of state shall send notice that the
petition has been rejected.

2. For the purposes of this section:

(1) Sponsoring signatures shall be gathered and submitted on pages in the form
that shall be submitted for approval by the secretary of state under section 116.040 and
116.332, except that each signature page shall contain the following statement:
We, the undersigned, registered voters of the state of Missouri and .......... County (or city of St. Louis), respectfully request that the following proposed law (or amendment to the constitution) shall be submitted to the Secretary of State for certification of an Official Ballot Title, and each for himself or herself says: I have personally signed this petition; I am a registered voter of the state of Missouri and ....... County (or city of St. Louis); my registered voting address and the name of the city, town, or village in which I live are correctly written after my name.

(2) Each petition page shall contain sponsoring signatures of voters from only one county, which shall be designated in the upper right-hand corner of the page. All pages shall be submitted at one time and shall be in order and numbered sequentially by county. Sponsoring signatures on pages that do not comply with these requirements shall not be counted as valid.

(3) Each person gathering sponsoring signatures shall meet the requirements of section 116.080.

(4) The sponsoring signatures required by this section may be obtained at any time after the deadline for filing of petition in article III, section 50 of the Constitution of Missouri for the general election immediately preceding the general election for which the petition pages with the sponsoring signatures are seeking to place the proposed initiative. No such sponsoring signatures may be collected more than two years and six months prior to any general election for which the initiative petition may be voted upon by the electors of the state.

3. Within five days of receipt of sponsoring signature pages under this section, the secretary of state may send copies of the pages to election authorities to verify that the persons whose names are listed as sponsoring signers to the petition are registered voters. Such verification may either be of each signature or by random sampling as provided in section 116.120, as the secretary shall direct. Each election authority shall check the signatures against voter registration records in the election authority's jurisdiction pursuant to the rules adopted by the secretary of state under subsection 5 of section 116.130.

4. Such verification shall be completed and certified to the secretary of state not later than fifteen days from the date the election authority receives the sponsoring signature pages.

5. The only challenge which may be made to a sample sheet of an initiative petition prior to the certification of the official ballot title, as provided for in Section 116.190, is an
action regarding the validity of the sponsoring signatures required by this section. Such a challenge shall be fully and finally adjudicated by all courts in no less than forty-five days from the date of filing or such action shall be extinguished. All costs, including attorney fees of all defending parties, shall be assessed against the party bringing such action if such action is extinguished or dismissed.

116.334. 1. If the petition form is approved and five thousand sponsoring signatures are verified as registered voters, within three days of the receipt of such certification, the secretary of state shall make a copy of the sample petition available on the secretary of state's website. For a period of fifteen days after the petition is approved as to form, the secretary of state shall accept public comments regarding the proposed measure and provide copies of such comments upon request. Within twenty-three days of receipt of such approval, the secretary of state shall prepare and transmit to the attorney general a summary statement of the measure which shall be a concise statement not exceeding one hundred words. This statement shall be in the form of a question using language neither intentionally argumentative nor likely to create prejudice either for or against the proposed measure. The attorney general shall within ten days approve the legal content and form of the proposed statement.

2. [Signatures obtained prior to the date the official ballot title is certified by the secretary of state shall not be counted.] If the election authority certifies that fewer than five thousand sponsoring signatures have been verified as registered voters, within three days of receipt of the certification from the election authority, the secretary of state shall notify the person who submitted the signatures that the petition has been rejected.

3. Signatures for statutory initiative petitions shall be filed not later than six months prior to the general election during which the petition's ballot measure is submitted for a vote, and shall also be collected not earlier than the day after the day upon which the previous general election was held.

Section B. The repeal and reenactment of sections 115.013 and 115.317 of this act shall become effective on December 31, 2016.

Section C. Because immediate action is necessary to allow the provisions of sections 115.227 and 115.283 of this act to apply to election procedures before August 28, 2014, in order to protect the security needs of victims of domestic violence, rape, sexual assault, or stalking, sections 115.277 and 115.283 of this act are deemed necessary for the immediate preservation of the public health, welfare, peace, and safety, and are hereby declared to be an emergency act within the meaning of the constitution, and sections 115.277 and 115.283 of this act shall be in full force and effect upon July 1, 2014, or upon its passage and approval, whichever first occurs.
