AN ACT

To repeal sections 190.335 and 190.339, RSMo, and to enact in lieu thereof two new sections relating to emergency service boards.

Be it enacted by the General Assembly of the State of Missouri, as follows:

Section A. Sections 190.335 and 190.339, RSMo, are repealed and two new sections enacted in lieu thereof, to be known as sections 190.335 and 190.339, to read as follows:

190.335. 1. In lieu of the tax levy authorized under section 190.305 for emergency telephone services, the county commission of any county may impose a county sales tax for the provision of central dispatching of fire protection, including law enforcement agencies, emergency ambulance service or any other emergency services, including emergency telephone services, which shall be collectively referred to herein as "emergency services", and which may also include the purchase and maintenance of communications and emergency equipment, including the operational costs associated therein, in accordance with the provisions of this section.

2. Such county commission may, by a majority vote of its members, submit to the voters of the county, at a public election, a proposal to authorize the county commission to impose a tax under the provisions of this section. If the residents of the county present a petition signed by a number of residents equal to ten percent of those in the county who voted in the most recent gubernatorial election, then the commission shall submit such a proposal to the voters of the county.

3. The ballot of submission shall be in substantially the following form:

Shall the county of ............... (insert name of county) impose a county sales tax of ............ (insert rate of percent) percent for the purpose of providing central dispatching of fire protection, emergency ambulance service, including emergency telephone services, and other emergency services?

☐ YES  ☐ NO
If a majority of the votes cast on the proposal by the qualified voters voting thereon are in favor of the proposal, then the ordinance shall be in effect as provided herein. If a majority of the votes cast by the qualified voters voting are opposed to the proposal, then the county commission shall have no power to impose the tax authorized by this section unless and until the county commission shall again have submitted another proposal to authorize the county commission to impose the tax under the provisions of this section, and such proposal is approved by a majority of the qualified voters voting thereon.

4. The sales tax may be imposed at a rate not to exceed one percent on the receipts from the sale at retail of all tangible personal property or taxable services at retail within any county adopting such tax, if such property and services are subject to taxation by the state of Missouri under the provisions of sections 144.010 to 144.525. The sales tax shall not be collected prior to thirty-six months before operation of the central dispatching of emergency services.

5. Except as modified in this section, all provisions of sections 32.085 and 32.087 shall apply to the tax imposed under this section.

6. Any tax imposed pursuant to section 190.305 shall terminate at the end of the tax year in which the tax imposed pursuant to this section for emergency services is certified by the board to be fully operational. Any revenues collected from the tax authorized under section 190.305 shall be credited for the purposes for which they were intended.

7. At least once each calendar year, the board shall establish a tax rate, not to exceed the amount authorized, that together with any surplus revenues carried forward will produce sufficient revenues to fund the expenditures authorized by this act. Amounts collected in excess of that necessary within a given year shall be carried forward to subsequent years. The board shall make its determination of such tax rate each year no later than September first and shall fix the new rate which shall be collected as provided in this act. Immediately upon making its determination and fixing the rate, the board shall publish in its minutes the new rate, and it shall notify every retailer by mail of the new rate.

8. Immediately upon the affirmative vote of voters of such a county on the ballot proposal to establish a county sales tax pursuant to the provisions of this section, the county commission shall appoint the initial members of a board to administer the funds and oversee the provision of emergency services in the county. Beginning with the general election in 1994, all board members shall be elected according to this section and other applicable laws of this state. At the time of the appointment of the initial members of the board, the commission shall
relinquish and no longer exercise the duties prescribed in this chapter with
regard to the provision of emergency services and such duties shall be exercised
by the board.

9. The initial board shall consist of seven members appointed without
regard to political affiliation, who shall be selected from, and who shall represent,
the fire protection districts, ambulance districts, sheriff’s department,
municipalities, any other emergency services and the general public. This initial
board shall serve until its successor board is duly elected and installed in
office. The commission shall ensure geographic representation of the county by
appointing no more than four members from each district of the county
commission.

10. Beginning in 1994, three members shall be elected from each district
of the county commission and one member shall be elected at large, such member
to be the chairman of the board. Of those first elected, four members from
districts of the county commission shall be elected for terms of two years and two
members from districts of the county commission and the member at large shall
be elected for terms of four years. In 1996, and thereafter, all terms of office
shall be four years. Notwithstanding any other provision of law, if there is no
candidate for an open position on the board, then no election shall be held for
that position and it shall be considered vacant, to be filled pursuant to the
provisions of section 190.339, and, if there is only one candidate for each open
position, no election shall be held and the candidate or candidates shall assume
office at the same time and in the same manner as if elected.

11. Notwithstanding the provisions of subsections 8 to 10 of this section
to the contrary, in any county of the first classification with more than two
hundred forty thousand three hundred but fewer than two hundred forty
thousand four hundred inhabitants, any emergency telephone service 911 board
appointed by the county under section 190.309 which is in existence on the date
the voters approve a sales tax under this section shall continue to exist and shall
have the powers set forth under section 190.339. Such boards which existed
prior to August 25, 2010 shall not be considered a body corporate and
a political subdivision of the state for any purpose, unless and until an
order is entered upon an unanimous vote of the commissioners of the
county in which such board is established reclassifying such board as
a corporate body and political subdivision of the state. The order shall
approve the transfer of the assets and liabilities related to the
operation of the emergency service 911 system to the new entity
created by the reclassification of the board.

6. The board may accept any gift of property or money for the use and benefit of the central dispatching of emergency services, and the board is authorized to sell or exchange any such property which it believes would be to the benefit of the service so long as the proceeds are used exclusively for central dispatching of emergency services. The board shall have exclusive control of all gifts, property or money it may accept; of all interest of other proceeds which may accrue from the investment of such gifts or money or from the sale of such property; of all tax revenues collected by the county on behalf of the central dispatching of emergency services; and of all other funds granted, appropriated or loaned to it by the federal government, the state or its political subdivisions so long as such resources are used solely to benefit the central dispatching of emergency services.
