CONCURRENT RESOLUTIONS

Senator Hegeman offered the following concurrent resolution:

SENATE CONCURRENT RESOLUTION NO. 17

Whereas, sports participation has become part of American life ingrained into the consciousness of society; and

Whereas, sports officials act as on-field judges for their respective sports and as neutral participants who have no stake in the outcome of the game; and

Whereas, it is critical that there are a sufficient number of qualified sports officials to enforce the rules of the game and judge potential disputes between participants on the field; and

Whereas, many sports officials volunteer their time or receive only minimal compensation and participate out of a sheer love of the game and to teach children who play the game the valuable lessons that are learned through participating in sports, including sportsmanship, teamwork, and complying with the rules of the game to achieve a common goal; and

Whereas, sports officials deserve our collective respect and must have our collective assistance in creating a safe and secure environment for our children to play; and

Whereas, increasingly, sports officials are subjected to verbal and even physical assault by disgruntled fans as well as certain coaches and players; and

Whereas, although education continues to be important, recent trends point out the need for strong sanctions against those who engage in bad behavior at sporting events; and

Whereas, young people observe both the good and bad behavior of their sports heroes, other athletes, coaches, and fans and often emulate that behavior in either a positive or negative manner; and

Whereas, players, coaches and fans should be deterred from assaulting officials by local authorities handing out more severe penalties to ensure that the fans, especially young children, realize that it is not acceptable to attack an official; and

Whereas, as a society, we must act on the belief that respect for authority is critical to living, working, and playing together in a civil society governed by the rule of law:

Now Therefore Be It Resolved that the members of the Missouri Senate, Ninety-eighth General Assembly, First Regular Session, the House of Representatives concurring therein, hereby call on all school districts, little league programs, high school, college, and recreational programs, along with law enforcement and prosecutors, to do all they can to put an end to the increased threats and assaults on sports officials and to prosecute such criminal acts to the full extent of the law; and

Be It Further Resolved that the Secretary of the Missouri Senate be instructed to prepare properly inscribed copies of this resolution for the Department of Elementary and Secondary Education, the Department of Higher Education, the Attorney General, and the Department of Public Safety.

Senator Schupp offered the following concurrent resolution:

SENATE CONCURRENT RESOLUTION NO. 18

Whereas, Falun Dafa, also known as Falun Gong, is a Chinese practice of gentle exercise and meditation based on the universal principles of truthfulness, compassion, and forbearance; and

Whereas, this practice, which transcends all cultural, social, economic, and national boundaries, has helped millions of practitioners in over 70 countries create and improve personal well-being and become more productive members of society; and

Whereas, in 1999 the government of the People's Republic of China outlawed the practice of Falun Dafa in that nation and created a campaign of persecution and terror against its peaceful adherents; and

Whereas, independent investigations confirmed that the Chinese regime commits forced organ harvesting on Falun Dafa prisoners of conscience that results in their deaths; and

Whereas, this persecution campaign against practitioners of Falun Dafa denies the basic human rights of freedom of belief, assembly and expression:

Now Therefore Be It Resolved that the members of the Missouri Senate, Ninety-eighth General Assembly, First Regular Session, the House of Representatives concurring therein, hereby declare our support for the Falun Dafa movement and its followers and urge the United States government to demonstrate its support for freedom of expression to practice Falun Dafa; and

Be It Further Resolved that the Secretary of the Missouri Senate be instructed to prepare properly inscribed copies of this resolution for each member of the Missouri Congressional delegation.

CONCURRENT RESOLUTIONS

Senator Schaefer offered the following concurrent resolution:

SENATE CONCURRENT RESOLUTION NO. 19

Relating to an application to Congress for the calling of an Article V convention of states to propose certain amendments to the United States Constitution which place limits on the federal government.

Whereas, the Founders of our Constitution empowered state legislators to be guardians of liberty against future abuses of power by the federal government; and

Whereas, the federal government has created a crushing national debt through improper and imprudent spending; and

Whereas, the federal government has invaded the legitimate roles of the states through the manipulative process of federal mandates, most of which are unfunded to a great extent; and

Whereas, the federal government has ceased to live under a proper interpretation of the Constitution of the United States; and

Whereas, it is the solemn duty of the states to protect the liberty of our people - particularly for the generations to come - to propose amendments to the United States Constitution through a convention of states under Article V to place clear restraints on these and related abuses of power:

Now Therefore Be It Resolved that the members of the Missouri Senate, Ninety-eighth General Assembly, First Regular Session, the House of Representatives concurring therein, hereby apply to Congress, under the provisions of Article V of the United States Constitution, for the calling of a convention of the states limited to proposing amendments to the United States Constitution that impose fiscal restraints on the federal government, limit the power and jurisdiction of the federal government, and limit the terms of office for its officials and members of Congress; and

Be It Further Resolved that this application constitutes a continuing application in accordance with Article V of the United States Constitution until the legislatures of at least two-thirds of the several states have made applications on the same subject; and

Be It Further Resolved that the Secretary of the Missouri Senate be instructed to prepare properly inscribed copies of this resolution for the President and Secretary of the United States Senate, the Speaker and Clerk of the United States House of Representatives, each member of the Missouri Congressional delegation, and the presiding officers of each of the legislative houses in the several states requesting their cooperation.
