20 equivalency certificate.

21 5. Every public school, charter school, private school except
22 private trade schools, and the department of elementary and secondary
23 education shall certify that a student has taken and received a passing
24 grade on the test.

25 6. Each school district shall adopt a policy to permit the waiver
26 of the requirements of this section for any student with a disability if
27 recommended by the student's IEP committee. For purposes of this
28 subsection, "IEP" means individualized education program.
