149 other than a motion to be entered upon the minutes fixing the time and place of
150 the subsequent hearing.

157 to twenty-five years as specified by ordinance under subsection 9 of this section,
158 except to such extent and in such amount as may be imposed upon such real
159 property during such period, as was determined by the assessor of the county in

160 which such real property is located, or, if not located within a county, then by the
161 assessor of such city, in an amount not greater than the amount of taxes due and
162 payable thereon during the calendar year preceding the calendar year during
163 which the urban agricultural zone was designated. The amounts of such tax
164 assessments shall not be increased during such period so long as the real
165 property is used in furtherance of the activities provided under the provisions of
166 subdivision [(13)] **(15)** of subsection 1 of this section. At the conclusion of the
167 period of abatement provided by the ordinance, the property shall then be
168 reassessed. If only a portion of real property is used as an UAZ, then only that
169 portion of real property shall be exempt from assessment or payment of ad
170 valorem taxes on such property, as provided by this section.

171 11. If the water services for the UAZ are provided by the municipality, the
172 municipality may authorize a grower UAZ to pay wholesale water rates[. If
173 available,] for the cost of water consumed on the UAZ [and]. **If available, the**
174 **UAZ may** pay fifty percent of the standard cost to hook onto the water source.

175 12. (1) Any local sales tax revenues received from the sale of agricultural
176 products sold in the UAZ, **or any local sales tax revenues received by a**
177 **mobile unit associated with a vending UAZ selling agricultural products**
178 **in the municipality in which the vending UAZ is located,** shall be
179 deposited in the urban agricultural zone fund established in subdivision (2) of
180 this subsection. An amount equal to one percent shall be retained by the director
181 of revenue for deposit in the general revenue fund to offset the costs of collection.

182 (2) There is hereby created in the state treasury the "Urban Agricultural
183 Zone Fund", which shall consist of money collected under subdivision (1) of this
184 subsection. The state treasurer shall be custodian of the fund. In accordance
185 with sections 30.170 and 30.180, the state treasurer may approve
186 disbursements. The fund shall be a dedicated fund and, upon appropriation, shall
187 be used for the purposes authorized by this section. Notwithstanding the
188 provisions of section 33.080 to the contrary, any moneys remaining in the fund
189 at the end of the biennium shall not revert to the credit of the general revenue
190 fund. The state treasurer shall invest moneys in the fund in the same manner
191 as other funds are invested. Any interest and moneys earned on such
192 investments shall be credited to the fund. **Fifty percent of fund moneys shall**
193 **be made available to school districts. The remaining fifty percent of**
194 **fund moneys shall be allocated to municipalities that have urban**
195 **agricultural zones based upon the municipality's percentage of local**

196 **sales tax revenues deposited into the fund. The municipalities shall,**
197 **upon appropriation, provide fund moneys to urban agricultural zones**
198 **within the municipality for improvements.** School districts may apply to
199 the department for money in the fund to be used for the development of
200 curriculum on or the implementation of urban farming practices under the
201 guidance of the University of Missouri extension service and a certified vocational
202 agricultural instructor. The funds are to be distributed on a competitive basis
203 within the school district or districts in which the UAZ is located pursuant to
204 rules to be promulgated by the department, with special consideration given to
205 the relative number of students eligible for free and reduced-price lunches
206 attending the schools within such district or districts.

207 13. Any rule or portion of a rule, as that term is defined in section
208 536.010, that is created under the authority delegated in this section shall
209 become effective only if it complies with and is subject to all of the provisions of
210 chapter 536 and, if applicable, section 536.028. This section and chapter 536 are
211 nonseverable and if any of the powers vested with the general assembly pursuant
212 to chapter 536 to review, to delay the effective date, or to disapprove and annul
213 a rule are subsequently held unconstitutional, then the grant of rulemaking
214 authority and any rule proposed or adopted after August 28, 2013, shall be
215 invalid and void.

216 14. The provisions of this section shall not apply to any county with a
217 charter form of government and with more than three hundred thousand but
218 fewer than four hundred fifty thousand inhabitants.

275.352. 1. If a national referendum among beef producers passes and a
2 federal assessment on beef producers is adopted pursuant to federal law, no state
3 fees shall be collected under the provisions of this chapter, in excess of a
4 commensurate amount credited against the obligation to pay any such federal
5 assessment. Upon adoption of the federal assessment, beef shall be exempt from
6 the refund provision of section 275.360.

7 **2. Notwithstanding the provisions of subsection 1 of this section**
8 **to the contrary, a beef commodity council may only collect state fees if**
9 **a referendum is approved on or after August 28, 2015, in the manner**
10 **provided under the provisions of subsections 3 to 12 of this section.**

11 **3. A beef commodity council established pursuant to the**
12 **provisions of this chapter may submit to the director a petition**
13 **approved by a two-thirds vote of the council or signed by twenty-five**

14 percent of Missouri beef producers to impose or modify a Missouri beef
15 checkoff fee upon beef producers. Any petition submitted to establish
16 or modify a Missouri beef checkoff fee, and the referendum to follow,
17 shall specify the amount and manner of collection of the fee to be
18 assessed. In no case shall the Missouri beef checkoff fee exceed the
19 amount of the federal assessment on beef. Upon receipt of such
20 petition the director shall:

- 21 (1) Determine the legal sufficiency of the petition;
- 22 (2) Establish a list of beef producers or make any such existing
23 list current;
- 24 (3) Hold a public hearing or hearings on the proposed program;
- 25 (4) Publish a notice to beef producers advising them:
 - 26 (a) That a petition has been filed with the director;
 - 27 (b) The time and place or places of the public hearing or
28 hearings; and
 - 29 (c) That to be eligible to vote in the referendum the producer
30 shall register. The director shall give notice in publications devoted to
31 agriculture which have a total statewide circulation of not less than
32 two hundred twenty-five thousand, at least one month prior to the
33 hearing. The fees for the publication of notice shall be advanced in
34 cash to the director by the beef commodity council and no publication
35 of notice shall be paid for by state funds;
- 36 (5) Provide forms to enable producers to register, which forms
37 shall include the producer's name, mailing address, and the yearly
38 average quantity of beef cattle sold by him or her in the three years
39 preceding the date of the notice, or in such lesser period as a producer
40 has sold beef cattle;
- 41 (6) Approve the petition, in whole or as revised, or disapprove
42 the petition depending upon the determinations made after public
43 hearing;
- 44 (7) After approval of a petition, hold a referendum among the
45 beef producers to determine whether or not the Missouri beef checkoff
46 fee shall be imposed.

47 4. The director shall determine the sufficiency of the petition
48 within twenty-one days after it is submitted to him or her and shall
49 publish notice of the public hearing and registration requirements
50 giving at least ten days' notice prior to public hearing and thirty days'

51 notice to register prior to the referendum.

52 5. If a majority of the votes cast are in favor of adoption, and if
53 those producers voting in favor of adoption represent a majority of the
54 production of all registered producers casting votes, the petition is
55 adopted.

56 6. If the required percentage by number and by production of
57 those voting is in favor of the adoption of the proposal in the petition,
58 the director shall declare the proposal to be adopted.

59 7. A proposal to change the amount of the fee to be collected or
60 to make other changes may be made by a two-thirds vote of the council
61 or by petition of twenty-five percent of the commodity producers. The
62 proposal shall then be submitted to referendum under which the same
63 percentages by number and production shall be required for approval
64 as were required for establishment of the original merchandising
65 program. However, the council, by two-thirds vote, may lower the
66 amount of the fee to be collected, or may thereafter increase the
67 amount of the fee to not more than the rate originally approved without
68 a referendum vote. Such increase or decrease of fees shall not become
69 effective except at the beginning of the next state fiscal year.

70 8. A proposal to terminate the Missouri beef checkoff fee may be
71 made by a majority of the council or by petition of ten percent of the
72 registered beef producers. The proposed termination shall be
73 submitted to referendum under which a simple majority of those voting
74 shall be required for termination.

75 9. No referendum to change the amount of fee, or to make other
76 major changes may be held within twelve months of a referendum
77 conducted for a similar purpose.

78 10. Fees collected pursuant to this section shall be collected in
79 the same manner as that used to collect the federal assessment on
80 beef. The department shall keep and account for the state and federal
81 assessments separately. State fees collected pursuant to this section
82 shall be subject to the refund provision provided under section 275.360.

83 11. Notwithstanding the provisions of section 275.350 to the
84 contrary, fees imposed under this section shall be collected and
85 remitted to the Missouri Beef Industry Council, which shall deposit
86 such fees in a separate account from all other funds. Funds derived
87 from the fees established under this section shall only be used to

88 **research, market, educate, and promote beef products and production.**

89 **12. The department may adopt such rules, statements of policy,**
90 **procedures, forms, and guidelines as may be necessary to carry out the**
91 **provisions of this section. Any rule or portion of a rule, as that term is**
92 **defined in section 536.010 that is created under the authority delegated**
93 **in this section shall become effective only if it complies with and is**
94 **subject to all of the provisions of chapter 536, and, if applicable, section**
95 **536.028. This section and chapter 536 are nonseverable and if any of**
96 **the powers vested with the general assembly pursuant to chapter 536,**
97 **to review, to delay the effective date, or to disapprove and annul a rule**
98 **are subsequently held unconstitutional, then the grant of rulemaking**
99 **authority and any rule proposed or adopted after August 28, 2015, shall**
100 **be invalid and void.**

277.040. 1. Any person engaged in establishing or operating a livestock
2 sale or market for the purpose aforesaid shall file with the state veterinarian of
3 the state department of agriculture an application for a license to transact such
4 business under the provisions of this chapter. The application shall state the
5 nature of the business and the city, township and county, and the complete post
6 office address at which the business is to be conducted, together with any
7 additional information that the state veterinarian requires, and a separate license
8 shall be secured for each place where a sale is to be conducted such as is defined
9 and required to be licensed under the provisions of this chapter.

10 2. The state veterinarian shall then issue to the applicant a license upon
11 payment of an annual license fee to be fixed by rule or regulation entitling the
12 applicant to conduct a livestock sale or market for the period of the license year
13 or for any unexpired portion thereof, unless the license is revoked as herein
14 provided.

15 3. All license fees collected under this chapter **shall not yield revenue**
16 **greater than the total cost of administering this chapter during the**
17 **ensuing year. All license fees collected** shall be made payable to the order
18 of the state treasurer and deposited with him to the credit of the "Livestock Sales
19 and Markets Fees Fund" hereby created, subject to appropriation by the general
20 assembly, to inure to the use and benefit of the animal health division of the
21 department of agriculture.

22 4. No business entity, whether a proprietorship, partnership or
23 corporation shall be issued a livestock market license if any such proprietor,

24 partner or, if a corporation, any officer or major shareholder thereof, participated
25 in the violation of any provision of this chapter within the preceding five years,
26 which resulted in the revocation of a livestock market license.

281.065. 1. The director shall not issue a certified commercial applicator's
2 license until the applicant or the employer of the applicant has furnished
3 evidence of financial responsibility with the director consisting either of a surety
4 bond or a liability insurance policy or certification thereof, protecting persons who
5 may suffer legal damages as a result of the operations of the applicant; except
6 that, such surety bond or liability insurance policy need not apply to damages or
7 injury to crops, plants or land being worked upon by the applicant. **Following**
8 **the receipt of the initial license, the certified commercial applicator**
9 **shall not be required to furnish evidence of financial responsibility to**
10 **the department for the purpose of license renewal unless upon**
11 **request. Annual renewals for surety bonds or liability insurance shall**
12 **be maintained at the business location from which the certified**
13 **commercial applicator is licensed. Valid surety bonds or liability**
14 **insurance certificates shall be available for inspection by the director**
15 **or his or her designee at a reasonable time during regular business**
16 **hours or, upon a request in writing, the director shall be furnished a**
17 **copy of the surety bond or liability insurance certificate within ten**
18 **working days of receipt of the request.**

19 2. The amount of the surety bond or liability insurance required by this
20 section shall be not less than [twenty-five] **fifty** thousand dollars [for property
21 damage and bodily injury insurance, each separately and] for each
22 occurrence. Such surety bond or liability insurance shall be maintained at not
23 less than that sum at all times during the licensed period. The director shall be
24 notified **by the surety or insurer** within twenty days prior to any
25 **cancellation or** reduction [at the request of the bond- or policyholder or any
26 cancellation of such] **of the** surety bond or liability insurance [by the surety or
27 insurer, as long as the total and aggregate of the surety and insurer for all claims
28 shall be limited to the face of the bond or liability insurance policy]. If the surety
29 bond or liability insurance policy which provides the financial responsibility for
30 the [applicant] **certified commercial applicator** is provided by the employer
31 of the [applicant] **certified commercial applicator**, the employer of the
32 [applicant] **certified commercial applicator** shall immediately notify the
33 director upon the termination of the employment of the [applicant] **certified**

34 **commercial applicator** or when a condition exists under which the [applicant]
35 **certified commercial applicator** is no longer provided bond or insurance
36 coverage by the employer. The [applicant] **certified commercial applicator**
37 shall then immediately execute a surety bond or an insurance policy to cover the
38 financial responsibility requirements of this section and [shall furnish the
39 director with evidence of financial responsibility as required by this section] **the**
40 **certified commercial applicator or the applicator's employer shall**
41 **maintain the surety bond or liability insurance certificate at the**
42 **business location from which the certified commercial applicator is**
43 **licensed.** The director may accept a liability insurance policy or surety bond in
44 the proper sum which has a deductible clause in an amount not exceeding one
45 thousand dollars; except that, if the bond- or policyholder has not satisfied the
46 requirement of the deductible amount in any prior legal claim, such deductible
47 clause shall not be accepted by the director unless the bond- or policyholder
48 [furnishes the director with] **executes and maintains** a surety bond or liability
49 insurance which shall satisfy the amount of the deductible as to all claims that
50 may arise in his **or her** application of pesticides.

51 3. If the surety [furnished] becomes unsatisfactory, the bond- or
52 policyholder shall[, upon notice,] immediately execute a new bond or insurance
53 **policy and maintain the surety bond or liability insurance certificate at**
54 **the business location from which the certified commercial applicator**
55 **is licensed, and** if he **or she** fails to do so, the director shall cancel his **or her**
56 license, or deny the license of an applicant, and give him **or her** notice of
57 cancellation or denial, and it shall be unlawful thereafter for the applicant to
58 engage in the business of using pesticides until the bond or insurance is brought
59 into compliance with the requirements of subsection 1 of this section. If the bond-
60 or policyholder does not execute a new bond or insurance policy within sixty days
61 of expiration of such bond or policy, the licensee shall be required to satisfy all
62 the requirements for licensure as if never before licensed.

63 4. Nothing in sections 281.010 to 281.115 shall be construed to relieve any
64 person from liability for any damage to the person or lands of another caused by
65 the use of pesticides even though such use conforms to the rules and regulations
66 of the director.

304.180. 1. No vehicle or combination of vehicles shall be moved or
