## SENATE CONCURRENT RESOLUTION NO. 22

Whereas, the population of illegal aliens in this country has more than tripled since 1982; and

Whereas, the specter of terrorism has increased the need for security from aliens who are illegally present in Missouri as well as the United States; and

Whereas, the resources of the State of Missouri are wrongfully drained by the unlawful influx of illegal aliens present in this state; and

Whereas, it is contrary to the rule of law for the federal government to require states to grant legal residence to individuals unlawfully present in this country; and

Whereas, it is contrary to the rule of law for the federal government to require states to provide benefits to illegal aliens; and

Whereas, the President of the United States has blatantly and flagrantly violated the rule of law by seeking to implement the "Deferred Action for Parents of Americans and Lawful Permanent Residents" program; and

Whereas, the deferred action program violates the rule of law by providing legal residence to over four million individuals who are currently in this country illegally; and

Whereas, the granting of legal status would enable illegal aliens to wrongfully take advantage of benefits provided by the State of Missouri; and

Whereas, the United States District Court for the Southern District of Texas granted a preliminary injunction enjoining the implementation of the deferred action program; and

Whereas, twenty-six states have sought such injunctive relief against the United States to prevent implementation of the deferred action program due to its blatant and flagrant violation of the rule of law of the United States; and

Whereas, it is the duty of the Attorney General of this state to defend and protect the rule of law of Missouri and of the United States:

Now Therefore Be It Resolved that the members of the Missouri Senate, Ninety-eighth General Assembly, First Regular Session, the House of Representatives concurring therein, hereby directs the Attorney General of Missouri to join in the pending legal action brought by the state of Texas against the implementation of the "Deferred Action for Parents of Americans and Lawful Permanent Residents" program by the President of the United States; and

Be It Further Resolved that the Secretary of the Senate be instructed to prepare a properly inscribed copy of this resolution for the Attorney General of Missouri.

**Senator Schmitt offered the following concurrent resolution:**

## SENATE CONCURRENT RESOLUTION NO. 23

Relating to an application to Congress for the calling of an Article V convention of states to propose certain amendments to the United States Constitution which place limits on the federal government.

Whereas, the Founders of our Constitution empowered state legislators to be guardians of liberty against future abuses of power by the federal government; and

Whereas, the federal government has created a crushing national debt through improper and imprudent spending; and

Whereas, the federal government has invaded the legitimate roles of the states through the manipulative process of federal mandates, most of which are unfunded to a great extent; and

Whereas, the federal government has ceased to live under a proper interpretation of the Constitution of the United States; and

Whereas, it is the solemn duty of the states to protect the liberty of our people - particularly for the generations to come - to propose amendments to the United States Constitution through a convention of states under Article V to place clear restraints on these and related abuses of power:

Now Therefore Be It Resolved that the members of the Missouri Senate, Ninety-eighth General Assembly, First Regular Session, the House of Representatives concurring therein, hereby apply to Congress, under the provisions of Article V of the United States Constitution, for the calling of a convention of the states limited to proposing amendments to the United States Constitution that impose fiscal restraints on the federal government, limit the power and jurisdiction of the federal government, and limit the terms of office for its officials and members of Congress; and

Be It Further Resolved that this application constitutes a continuing application in accordance with Article V of the United States Constitution until the legislatures of at least two-thirds of the several states have made applications on the same subject; and

Be It Further Resolved that the Secretary of the Missouri Senate be instructed to prepare properly inscribed copies of this resolution for the President and Secretary of the United States Senate, the Speaker and Clerk of the United States House of Representatives, each member of the Missouri Congressional delegation, and the presiding officers of each of the legislative houses in the several states requesting their cooperation.

The following messages were received from the House of Representatives through its Chief Clerk:

Mr. President: I am instructed by the House of Representatives to inform the Senate that the House has taken up and passed **HCR 12**.

#### HOUSE CONCURRENT RESOLUTION NO. 12

WHEREAS, Attorneys General or the Governors of seventeen states sued the federal government on December 3, 2014, claiming that President Barack Obama's order to the Department of Homeland Security to legalize the presence of approximately forty percent of the known undocumented immigrant population and afford them certain rights and benefits is unconstitutional; and

WHEREAS, the lawsuit includes and asserts a Take Care Clause claim and claims of both procedural and substantive violations of the Administrative Procedures Act; and

WHEREAS, the lawsuit seeks to uphold the rule of law, affirm limits on presidential power, and enforce the structural limits of the Constitution of the United States; and

WHEREAS, President Obama has candidly admitted that he unilaterally rewrote immigration law by stating, "I just took an action to change the law"; and

WHEREAS, President Obama's order has now been implemented via a directive issued by the Secretary of the Department of Homeland Security entitled the Jeh Charles Johnson Memorandum, *Exercising Prosecutorial Discretion with Respect to Individuals Who Came to the United States as Children and with Respect to Certain Individuals Whose Parents are U.S. Citizens or Permanent Residents* (Nov. 20, 2014); and

WHEREAS, the states engaged in the lawsuit point to the act that "At the most basic level, the directive is a promise to openly tolerate entire classes of undocumented immigrants."; and

WHEREAS, the states engaged in the lawsuit consider it highly likely that the removal of a federal deportation threat combined with inducements to remain in the United States such as work authorization, Social Security, and Medicare, will trigger a new wave of undocumented immigration, exacerbate an existing humanitarian crisis along the Texas-Mexico border, increase human trafficking undertaken by drug cartels, and result in substantial expenditures of state funds for law enforcement, healthcare, and education; and

WHEREAS, the states engaged in the lawsuit consider it imperative to protect the right of the Congress of the United States to enact laws regarding immigration and to have such federal laws fully enforced and not rewritten or undermined under the guise of executive discretion; and

WHEREAS, the majority of citizens of this state do not support exempting certain classes of undocumented immigrants from the operation of federal law by executive order and also oppose the provision of costly state benefits to persons who are not citizens of the United States:

NOW, THEREFORE, BE IT RESOLVED that the members of the House of Representatives of the Ninety-eighth General Assembly, First Regular Session, the Senate concurring therein, hereby call on Missouri Attorney General Chris Koster to file an independent lawsuit or join the seventeen other state Attorneys General from across the nation in challenging the validity of President Barack Obama's unilateral orders and their implementation in the Secretary of the Department of Homeland Security's directive; and

BE IT FURTHER RESOLVED that the Chief Clerk of the Missouri House of Representatives be instructed to prepare a properly inscribed copy of this resolution for Missouri Attorney General Chris Koster.

In which the concurrence of the Senate is respectfully requested.

Also,

Mr. President: I am instructed by the House of Representatives to inform the Senate that the House has taken up and passed **HCR 15**.

#### HOUSE CONCURRENT RESOLUTION NO. 15

WHEREAS, high oil prices are having a major detrimental impact on families, farms, and businesses in Missouri and are likely to undercut the prospects for an economic recovery; and

WHEREAS, the United States currently imports almost half of its oil and petroleum products, making it dependent on foreign sources and subject to interruptions and price fluctuations stemming from geopolitical forces; and

WHEREAS, such instability has damaging consequences both for our economy and our national security; and

WHEREAS, the United States Geological Survey estimates a resource of up to 27 billion barrels of oil in the Chukchi and Beaufort seas of Alaska, providing a vast domestic oil reserve, but opposition and regulatory hurdles are keeping energy producers from accessing these resources; and

WHEREAS, the TransCanada Keystone XL pipeline project seeks to link expanded oil production from the Canadian oil sands to refineries in the United States and to facilitate the flow of oil from the Dakotas to the Gulf Coast, thereby decreasing our dependence on oil from outside of North America; and

WHEREAS, Canada is a close friend and ally, with whom we share links of infrastructure and energy networks and other ties, so that dollars spent on Canadian oil will likely contribute to the success of the American economy; and

WHEREAS, the TransCanada pipeline project is projected to create construction and manufacturing jobs in the United States, adding billions of dollars to the United States economy:

NOW, THEREFORE, BE IT RESOLVED that the members of the House of Representatives of the Ninety-eighth General Assembly, First Regular Session, the Senate concurring therein, hereby call upon President Barack Obama and administration officials to:

(1) Support the increased importation of oil from Canadian oil sands and to approve the newly routed TransCanada Keystone XL pipeline to reduce our oil dependency on unstable governments, strengthen ties with an important ally, and create jobs for American workers;

(2) Support and facilitate permitting for oil production off the northern coast of Alaska to decrease our dependence on foreign oil and spur investment in the American economy; and

BE IT FURTHER RESOLVED that the Chief Clerk of the Missouri House of Representatives be instructed to prepare properly inscribed copies of this resolution for President Barack Obama, Vice President Joe Biden, Secretary of State John Kerry, United States House of Representatives Speaker John Boehner, and each member of the Missouri Congressional delegation.
