

Journal of the Senate

SECOND REGULAR SESSION

FIFTY-SIXTH DAY—THURSDAY, APRIL 21, 2016

The Senate met pursuant to adjournment.

President Kinder in the Chair.

Reverend Carl Gauck offered the following prayer:

“O give thanks to the lord for he is good for his steadfast love endures forever.” (Psalm 136:1)

Blessed Lord, we do thank You for all You do for us and pray that as we finish this day You will watch over our traveling. Keep us mindful of our responsibilities as we drive and encounter others on the road. Control our disposition so another’s foolishness or rage does not have us respond in kind. And we ask that You bring us safely home to those we love. In Your Holy Name we pray. Amen.

The Pledge of Allegiance to the Flag was recited.

A quorum being established, the Senate proceeded with its business.

MESSAGES FROM THE HOUSE

The following messages were received from the House of Representatives through its Chief Clerk:

Mr. President: I am instructed by the House of Representatives to inform the Senate that the House has taken up and passed **HCS for HCR 57**, entitled:

HOUSE COMMITTEE SUBSTITUTE FOR HOUSE CONCURRENT RESOLUTION NO. 57

Relating to an application to Congress for the calling of an Article V convention of states to propose certain amendments to the United States Constitution which place limits on the federal government.

WHEREAS, the Founders of our Constitution empowered state legislators to be guardians of liberty against future abuses of power by the federal government; and

WHEREAS, the federal government has created a crushing national debt through improper and imprudent spending; and

WHEREAS, the federal government has invaded the legitimate roles of the states through the manipulative process of federal mandates, most of which are unfunded to a great extent; and

WHEREAS, the federal government has ceased to live under a proper interpretation of the Constitution of the United States; and

WHEREAS, it is the solemn duty of the states to protect the liberty of our people - particularly for the generations to come - to propose amendments to the United States Constitution through a convention of states under Article V to place clear restraints on these and related abuses of power:

NOW THEREFORE BE IT RESOLVED that the members of the House of Representatives of the Ninety-eighth General Assembly, Second Regular Session, the Senate concurring therein, hereby apply to Congress, under the provisions of Article V of the United States Constitution, for the calling of a convention of the states limited to proposing amendments to the United States Constitution that impose fiscal restraints on the federal government, limit the power and jurisdiction of the federal government, and limit the terms of office for its officials and members of Congress; and

BE IT FURTHER RESOLVED that the General Assembly adopts this application with the following understandings (as the term “understandings” is used within the context of “reservations, understandings, and declarations”):

(1) An application to Congress for an Article V convention confers no power on Congress other than to perform a ministerial function to “call” for a convention;

(2) This ministerial duty shall be performed by Congress only when Article V applications for substantially the same purpose are received from two-thirds of the legislatures of the several states;

(3) The power of Congress to “call” a convention solely consists of the authority to name a reasonable time and place for the initial meeting of the convention;

(4) Congress possesses no power whatsoever to name delegates to the convention, as this power remains exclusively within the authority of the legislatures of the several states;

(5) Congress possesses no power to set the number of delegates to be sent by any states;

(6) Congress possesses no power whatsoever to determine any rules for such convention;

(7) By definition, a Convention of States means that states vote on the basis of one state, one vote;

(8) A Convention of States convened pursuant to this application is limited to consideration of topics specified herein and no other;

(9) The General Assembly of Missouri may recall its delegates at any time for breach of their duties or violations of their instructions;

(10) Pursuant to the text of Article V, Congress may determine whether proposed amendments shall be ratified by the legislatures of the several states or by special state ratification conventions. The General Assembly of Missouri recommends that Congress specify its choice on ratification methodology contemporaneously with the call for the convention;

(11) Congress possesses no power whatsoever with regard to the Article V convention beyond the two powers acknowledged herein;

(12) Missouri places express reliance on prior legal and judicial determinations that Congress possesses no power under Article I relative to the Article V process, and that Congress must act only as expressly specified in Article V; and

BE IT FURTHER RESOLVED that this application shall expire five (5) years after the passage of this resolution; and

BE IT FURTHER RESOLVED that the Chief Clerk of the Missouri House of Representatives be instructed to prepare properly inscribed copies of this resolution for the President and Secretary of the United States Senate, the Speaker and Clerk of the United States House of Representatives, each member of the Missouri Congressional delegation, and the presiding officers of each of the legislative houses in the several states requesting their cooperation.

Read 1st time.
