2. A copy of the petition shall be served on the office of the prosecutor in the judicial circuit of original jurisdiction. The petition shall include the person's statement that he or she was under eighteen years of age at the time of the offense, is eligible to petition under this section, and requests that his or her sentence be reviewed.

3. If any of the information required in subsection 2 of this section is missing from the petition, or if proof of service on the prosecuting or circuit attorney is not provided, the parole board shall return the petition to the person and advise him or her that the matter cannot be considered without the missing information.

**5. If the trier at the first stage of the trial finds the person guilty of murder in the first degree, a second stage of the trial shall proceed at which the only issue shall be the punishment to be assessed and declared.**

**6. A person found guilty of murder in the first degree who was under the age of eighteen at the time of the commission of the offense is eligible for a sentence of life without eligibility for probation or parole only if a unanimous jury, or a judge in a jury-waived sentencing, finds beyond a reasonable doubt that:**

#### HOUSE AMENDMENT NO. 3

Amend House Committee Substitute for Senate Substitute for Senate Committee Substitute for Senate Bill No. 663, Page 46, Section 400.9-501, Line 30, by inserting after all of said section and line the following:

“400.9-516. (a) Except as otherwise provided in subsection (b), communication of a record to a filing office and tender of the filing fee or acceptance of the record by the filing office constitutes filing.

(b) Filing does not occur with respect to a record that a filing office refuses to accept because:

(1) The record is not communicated by a method or medium of communication authorized by the filing office;

(2) An amount equal to or greater than the applicable filing fee is not tendered;

(3) The filing office is unable to index the record because:

(A) In the case of an initial financing statement, the record does not provide a name for the debtor;

(B) In the case of an amendment or information statement, the record:

(i) Does not identify the initial financing statement as required by section 400.9-512 or 400.9-518, as applicable; or

(ii) Identifies an initial financing statement whose effectiveness has lapsed under section 400.9-515;

(C) In the case of an initial financing statement that provides the name of a debtor identified as an individual or an amendment that provides a name of a debtor identified as an individual which was not previously provided in the financing statement to which the record relates, the record does not identify the debtor’s surname; or

(D) In the case of a record filed or recorded in the filing office described in section 400.9-501(a)(1), the record does not provide a sufficient description of the real property to which it relates;

(4) In the case of an initial financing statement or an amendment that adds a secured party of record, the record does not provide a name and mailing address for the secured party of record;

(5) In the case of an initial financing statement or an amendment that provides a name of a debtor which was not previously provided in the financing statement to which the amendment relates, the record does not:

(A) Provide a mailing address for the debtor; or

(B) Indicate whether the name provided as the name of the debtor is the name of an individual or an organization;

(6) In the case of an assignment reflected in an initial financing statement under section 400.9-514(a) or an amendment filed under section 400.9-514(b), the record does not provide a name and mailing address for the assignee; **or**

(7) In the case of a continuation statement, the record is not filed within the six-month period prescribed by section 400.9-515(d);

(8) The secretary of state has reasonable cause to believe the record is materially false or fraudulent;  
or

(9) The record on its face reveals, based on factors such as whether the debtor and the secured party are substantially the same person, the individual debtor is a transmitting utility, or whether the collateral described is within the scope of this chapter, that the record is being filed for a purpose other than a transaction that is within the scope of this chapter. This includes a record that asserts a claim against a current or former employee or officer of a federal, state, county, or other local governmental unit that relates to the performance of the officer's or employee's public duties, and for which the filer does not hold a properly executed security agreement or judgment from a court of competent jurisdiction.

(c) For purposes of subsection (b):

(1) A record does not provide information if the filing office is unable to read or decipher the information; **and**

(2) A record that does not indicate that it is an amendment or identify an initial financing statement to which it relates, as required by section 400.9-512, 400.9-514 or 400.9-518, is an initial financing statement; and

(3) A document, instrument, or record shall be presumed to be materially false or fraudulent if the document, instrument, or record is filed by an offender or on behalf of an offender. This presumption may be rebutted by providing the secretary of state the original or a copy of a sworn and notarized document signed by the obligor, debtor, or owner of the property designated as collateral stating that the person entered into a security agreement with the offender and authorized the filing of the instrument as provided in section 400.9-509. For the purposes of this subdivision the term "offender" shall have the same definition as provided in section 217.010, except, it shall only include inmates in the custody of the department of corrections.

(d) A record that is communicated to the filing office with tender of the filing fee, but which the filing office refuses to accept for a reason other than one set forth in subsection (b), is effective as a filed record except as against a purchaser of the collateral which gives value in reasonable reliance upon the absence of the record from the files.

(e) In the alternative to the provisions of sections 428.105 through 428.135, if an information statement filed with the secretary of state under section 400.9-518 alleges that a previously filed record was wrongfully filed, the secretary of state shall, without undue delay, determine whether the contested record was wrongfully filed. To determine whether the record was wrongfully filed, the secretary of state may require the person who filed the information statement or the secured party to provide any additional relevant information, including an original or copy of wrongfully filed, the secretary of state shall terminate the record and the record shall be void and ineffective. The secretary of state shall notify the secured party named in the contested record of the termination."; and

**3. The secretary of state shall promulgate rules to implement the provisions of this section. [2.] **3.** The indentations made by the seal embosser or printed by the black inked rubber stamp seal shall not be applied on the notarial certificate or document to be notarized in a manner that will render illegible

or incapable of photographic reproduction any of the printed marks or writing on the certificate or document.

[3.] **4.** Every notary shall keep an official notarial seal that is the exclusive property of the notary and the seal may not be used by any other person or surrendered to an employer upon termination of employment.

486.305. **1.** Any notary public who loses or misplaces his **or her** journal of notarial acts or official seal shall [forthwith mail or deliver] **immediately provide written** notice of the fact to the secretary of state. **For a lost or misplaced official seal, upon receipt of the written notice, the secretary of state shall issue the notary a new commission number for the notary to order a new seal. The secretary of state may post notice on the secretary of state’s website notifying the general public that the lost or misplaced notary seal and commission number of such notary is invalid and is not an acceptable notary commission number.**

**2. If a notary public’s official seal is destroyed, broken, damaged, or otherwise rendered inoperable, the notary shall immediately provide written notice of that fact to the secretary of state.**

486.310. **1.** If any notary public no longer desires to be a notary public, he or she shall forthwith mail or deliver to the secretary of state a letter of resignation **and his or her notary seal**, and his or her commission shall thereupon cease to be in effect. **The secretary of state may post notice on the secretary of state’s website notifying the general public that the notary is no longer a commissioned notary public in the state of Missouri.** If a notary public resigns following the receipt of a complaint by the secretary of state regarding the notary public’s conduct, the secretary of state may deny any future applications by such person for appointment and commission as a notary public.

**2. If any notary public seeks to amend his or her commission, he or she shall forthwith mail or deliver to the secretary of state his or her notary seal unless a person, business, or manufacturer alters the existing seal in compliance with subsection 4 of section 486.285.**

486.375. Any person who acts as, or otherwise willfully impersonates, a notary public while not lawfully appointed and commissioned to perform notarial acts is guilty of a misdemeanor and punishable upon conviction by a fine not exceeding five hundred dollars or by imprisonment for not more than six months or both, **unless such act results in a fraudulent act involving property, such person shall be guilty of a class E felony .”**; and

Relating to the designation of certain awareness months.

Whereas, cystic fibrosis, commonly referred to as "CF", is a genetic disease affecting approximately 30,000 children and adults in the United States and nearly 70,000 children and adults worldwide, 717 of whom live in Missouri; and

Whereas, a defective gene causes the body to produce an abnormally thick, sticky mucus that clogs the lungs, and these secretions produce life-threatening lung infections and obstruct the pancreas, preventing digestive enzymes from reaching the intestines to help break down and absorb food; and

Whereas, more than 10 million Americans are symptomless carriers of the defective CF gene, and CF occurs in approximately one of every 3,500 live births in the United States; and

Whereas, the median age of survival for a person with CF is 39.3 years; and

Whereas, with advances in the treatment of CF, the number of adults with CF has steadily grown, and approximately 900 new cases of CF are diagnosed each year; and

Whereas, fifty percent of the CF population is 18 years of age and older, and people with CF have a variety of symptoms attributed to the more than 1,800 mutations of the CF gene; and

Whereas, infant blood screening to detect genetic defects is the most reliable and least costly method to identify persons likely to have CF; and

Whereas, early diagnosis of CF permits early treatment and enhances quality of life and longevity and the treatment of CF depends on the stage of the disease and the organs involved; and

Whereas, clearing mucus from the lungs is an important part of the daily CF treatment regimen, and other types of treatments include inhaled antibiotics and pancreatic enzymes, among others; and

Whereas, there are 8 world-class treatment centers in Missouri which specialize in the diagnosis of CF and the care of persons with CF; and

Whereas, a critical component of treating patients with CF includes access to innovative treatments, which can play a crucial role in the lives of patients with CF; and

Whereas, improving the length and quality of life for people with CF starts with awareness; and

Whereas, the brachial plexus is a network of nerves that conducts signals from the spine to the shoulder, arm, and hand; and

Whereas, injury to these nerves can result in lack of muscle control or feeling in the arm or hand, including Erb's palsy:

Now Therefore Be It Resolved that the members of the House of Representatives of the Ninety-eighth General Assembly, Second Regular Session, the Senate concurring therein, hereby designate the month of May of each year as "Cystic Fibrosis Awareness Month" and the month of October of each year as "Brachial Plexus Awareness Month in Missouri.

BE IT FURTHER RESOLVED that the Chief Clerk of the Missouri House of Representatives be instructed to send a properly inscribed copy of this resolution to the Governor for his approval or rejection pursuant to the Missouri Constitution.
