Section A. Chapter 171, RSMo, is amended by adding thereto one new section, to be known as section 171.425, to read as follows:

**171.425. 1. For the purposes of this section "biological sex" means the physical condition of being male or female, which is determined by a person's chromosomes, and is identified at birth by a person's anatomy and indicated on their birth certificate.**

**2. In every public school setting in which a student may be in a state of undress in the presence of other students, school personnel shall provide separate, distinct areas designated for use by students based on their biological sex to ensure the personal privacy and safety of students.**

**3. Such accommodations shall not include the use of**
