All fees and charges under this section shall be fair and reasonable, shall be subject to regulation by the division or the commission and shall be limited to such as are fair and reasonable for similar service to persons of a like standard of living. The division or the commission shall also have jurisdiction to hear and determine all disputes as to the charges. If the deceased employee leaves no dependents, the death benefit in this subdivision provided shall be the limit of the liability of the employer under this chapter on account of the death, except as herein provided for burial expenses and except as provided in section 287.140; provided that in all cases when the employer admits or does not deny liability for the burial expense, it shall be paid within thirty days after written notice, that the service has been rendered, has been delivered to the employer. The notice may be sent by registered mail, return receipt requested, or may be made by personal delivery;

(2) The employer shall also pay to the [total] dependents of the employee a death benefit based on the employee's average weekly earnings during the year immediately preceding the injury that results in the death of the employee, as provided in section 287.250. The amount of compensation for death, which shall be paid in installments in the same manner that compensation is required to be paid under this chapter, shall be computed as follows:

(a) If the injury which caused the death occurred on or after September 28, 1983, but before September 28, 1986, the weekly compensation shall be an amount equal to sixty-six and two-thirds percent of the employee's average weekly earnings during the year immediately preceding the injury; provided that the weekly compensation paid under this paragraph shall not exceed an amount equal to seventy percent of the state average weekly wage, as such wage is determined by the division of employment security, as of the July first immediately preceding the date of injury]. If there is a total dependent, no death benefits shall be payable to partial dependents or any other persons except as provided in subdivision (1) of this section];

(b) If the injury which caused the death occurred on or after September 28, 1986, but before August 28, 1990, the weekly compensation shall be an amount equal to sixty-six and two-thirds percent of the employee's average weekly earnings during the year immediately preceding the injury; provided that the weekly compensation paid under this paragraph shall not exceed an amount equal to seventy-five percent of the state average weekly wage, as such wage is determined by the division of employment security, as of the July first immediately preceding the date of injury]. (4) The word “dependent” as used in this chapter shall [be construed to] mean [a relative by blood or marriage of a deceased employee, who is actually dependent for support, in whole or in part, upon his or her wages at the time of the injury. The following persons shall be conclusively presumed to be totally dependent for support upon a deceased employee, and any death benefit shall be payable to them to the exclusion of other total dependents]:

(a) A wife upon a husband with whom she lives or who is legally liable for her support, and a husband upon a wife with whom he lives or who is legally liable for his support; provided that on the death or remarriage of a widow or widower, the death benefit shall cease unless there be other [total] dependents entitled to any death benefits under this chapter. In the event of remarriage, a lump sum payment equal in amount to the benefits due for a period of two years shall be paid to the widow or widower. In all other cases questions of [total or partial] **the degree of dependency** shall be determined in accordance with the facts at the time of the injury, and in such other cases if there is more than one person wholly dependent the death benefit shall be divided equally among them. The payment of death benefits to a child or other dependent as provided in this paragraph shall cease when the dependent dies, attains the age of eighteen years, or becomes physically and mentally capable of wage earning over that age, or until twenty-two years of age if the child of the deceased is in attendance and remains as a full-time student in any accredited educational institution, or if at eighteen years of age the dependent child is a member of the Armed Forces of the United States on active duty; provided, however, that such dependent child shall be entitled to compensation during four years of full-time attendance at a fully accredited educational institution to commence prior to twenty-three years of age and immediately upon cessation of his **or her** active duty in the Armed Forces, unless there are other [total] dependents entitled to the death benefit under this chapter;

[5] (4) The division or the commission may, in its discretion, order or award the share of compensation of any such child to be paid to the parent, grandparent, or other adult next of kin or conservator of the child for the latter’s support, maintenance and education, which order or award upon notice to the parties may

be modified from time to time by the commission in its discretion with respect to the person to whom shall be paid the amount of the order or award remaining unpaid at the time of the modification;

[(6)] (5) The payments of compensation by the employer in accordance with the order or award of the division or the commission shall discharge the employer from all further obligations as to the compensation;

[(7)] (6) All death benefits in this chapter shall be paid in installments in the same manner as provided for disability compensation;

[(8)] (7) Every employer shall keep a record of the correct names and addresses of the dependents of each of his **or her** employees, and upon the death of an employee by accident arising out of and in the course of his **or her** employment shall so far as possible immediately furnish the division with such names and addresses;

[(9)] (8) Dependents receiving death benefits under the provisions of this chapter shall annually report to the division as to marital status in the case of a widow or widower or age and physical or mental condition of a dependent child. The division shall provide forms for the making of such reports.”; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

In which the concurrence of the Senate is respectfully requested.

SENATE AMENDMENT NO. 4

Amend Senate Substitute for Senate Committee Substitute for House Committee Substitute for House Bill Nos. 302 and 228, Page 28, Section 590.1040, Line 5, by inserting after all of said line the following:

“650.055. 1. Every individual who:

(1) Is found guilty of a felony or any offense under chapter 566; or

(2) Is seventeen years of age or older and arrested for [burglary in the first degree under section 569.160, or burglary in the second degree under section 569.170, or] a felony offense [under chapter 565, 566, 567, 568, or 573]; or

(3) Has been determined to be a sexually violent predator pursuant to sections 632.480 to 632.513; or

(4) Is an individual required to register as a sexual offender under sections 589.400 to 589.425;

shall have a fingerprint and blood or scientifically accepted biological sample collected for purposes of DNA profiling analysis.

2. Any individual subject to DNA collection and profiling analysis under this section shall provide a DNA sample:

(1) Upon booking at a county jail or detention facility; or

(2) Upon entering or before release from the department of corrections reception and diagnostic centers;
or

(3) Upon entering or before release from a county jail or detention facility, state correctional facility, or any other detention facility or institution, whether operated by a private, local, or state agency, or any mental health facility if committed as a sexually violent predator pursuant to sections 632.480 to 632.513;
or

(4) When the state accepts a person from another state under any interstate compact, or under any other reciprocal agreement with any county, state, or federal agency, or any other provision of law, whether or not the person is confined or released, the acceptance is conditional on the person providing a DNA sample if the person was found guilty of a felony offense in any other jurisdiction; or

(5) If such individual is under the jurisdiction of the department of corrections. Such jurisdiction includes persons currently incarcerated, persons on probation, as defined in section 217.650, and on parole,

as also defined in section 217.650; or

(6) At the time of registering as a sex offender under sections 589.400 to 589.425.

3. The Missouri state highway patrol and department of corrections shall be responsible for ensuring adherence to the law. Any person required to provide a DNA sample pursuant to this section shall be required to provide such sample, without the right of refusal, at a collection site designated by the Missouri state highway patrol and the department of corrections. Authorized personnel collecting or assisting in the collection of samples shall not be liable in any civil or criminal action when the act is performed in a reasonable manner. Such force may be used as necessary to the effectual carrying out and application of such processes and operations. The enforcement of these provisions by the authorities in charge of state correctional institutions and others having custody or jurisdiction over individuals included in subsection 1 of this section which shall not be set aside or reversed is hereby made mandatory. The board of probation or parole shall recommend that an individual on probation or parole who refuses to provide a DNA sample have his or her probation or parole revoked. In the event that a person's DNA sample is not adequate for any reason, the person shall provide another sample for analysis.

4. The procedure and rules for the collection, analysis, storage, expungement, use of DNA database records and privacy concerns shall not conflict with procedures and rules applicable to the Missouri DNA profiling system and the Federal Bureau of Investigation's DNA databank system.

5. Unauthorized use or dissemination of individually identifiable DNA information in a database for purposes other than criminal justice or law enforcement is a class A misdemeanor.

6. Implementation of sections 650.050 to 650.100 shall be subject to future appropriations to keep Missouri's DNA system compatible with the Federal Bureau of Investigation's DNA databank system.

7. All DNA records and biological materials retained in the DNA profiling system are considered closed records pursuant to chapter 610. All records containing any information held or maintained by any person or by any agency, department, or political subdivision of the state concerning an individual's DNA profile shall be strictly confidential and shall not be disclosed, except to:

(1) Peace officers, as defined in section 590.010, and other employees of law enforcement agencies who need to obtain such records to perform their public duties;

(2) The attorney general or any assistant attorneys general acting on his or her behalf, as defined in chapter 27;

(3) Prosecuting attorneys or circuit attorneys as defined in chapter 56, and their employees who need to obtain such records to perform their public duties;

(4) The individual whose DNA sample has been collected, or his or her attorney; or

(5) Associate circuit judges, circuit judges, judges of the courts of appeals, supreme court judges, and their employees who need to obtain such records to perform their public duties.

8. Any person who obtains records pursuant to the provisions of this section shall use such records only for investigative and prosecutorial purposes, including but not limited to use at any criminal trial, hearing, or proceeding; or for law enforcement identification purposes, including identification of human remains. Such records shall be considered strictly confidential and shall only be released as authorized by this section.

9. An individual may request expungement of his or her DNA sample and DNA profile through the court issuing the reversal or dismissal. A certified copy of the court order establishing that such conviction has been reversed or guilty plea has been set aside shall be sent to the Missouri state highway patrol crime laboratory. Upon receipt of the court order, the laboratory will determine that the requesting individual has no other qualifying offense as a result of any separate plea or conviction and no other qualifying arrest prior to expungement.

(1) A person whose DNA record or DNA profile has been included in the state DNA database in accordance with this section and sections 650.050, 650.052, and 650.100 may request expungement on the grounds that the conviction has been reversed, or the guilty plea on which the authority for including that person's DNA record or DNA profile was based has been set aside.

(2) Upon receipt of a written request for expungement, a certified copy of the final court order reversing the conviction or setting aside the plea and any other information necessary to ascertain the validity of the request, the Missouri state highway patrol crime laboratory shall expunge all DNA records and identifiable information in the state DNA database pertaining to the person and destroy the DNA sample of the person, unless the Missouri state highway patrol determines that the person is otherwise obligated to submit a DNA sample. Within thirty days after the receipt of the court order, the Missouri state highway patrol shall notify the individual that it has expunged his or her DNA sample and DNA profile, or the basis for its determination that the person is otherwise obligated to submit a DNA sample.

(3) The Missouri state highway patrol is not required to destroy any item of physical evidence obtained from a DNA sample if evidence relating to another person would thereby be destroyed.

(4) Any identification, warrant, arrest, or evidentiary use of a DNA match derived from the database shall not be excluded or suppressed from evidence, nor shall any conviction be invalidated or reversed or plea set aside due to the failure to expunge or a delay in expunging DNA records.

10. When a DNA sample is taken from an individual pursuant to subdivision (2) of subsection 1 of this section and the prosecutor declines prosecution and notifies the arresting agency of that decision, the arresting agency shall notify the Missouri state highway patrol crime laboratory within ninety days of receiving such notification. Within thirty days of being notified by the arresting agency that the prosecutor has declined prosecution, the Missouri state highway patrol crime laboratory shall determine whether the individual has any other qualifying offenses or arrests that would require a DNA sample to be taken and retained. If the individual has no other qualifying offenses or arrests, the crime laboratory shall expunge all DNA records in the database taken at the arrest for which the prosecution was declined pertaining to the person and destroy the DNA sample of such person.

11. When a DNA sample is taken of an arrestee for any offense listed under subsection 1 of this section and charges are filed:

(1) If the charges are later withdrawn, the prosecutor shall notify the state highway patrol crime laboratory that such charges have been withdrawn;

(2) If the case is dismissed, the court shall notify the state highway patrol crime laboratory of such dismissal;

(3) If the court finds at the preliminary hearing that there is no probable cause that the defendant committed the offense, the court shall notify the state highway patrol crime laboratory of such finding;

(4) If the defendant is found not guilty, the court shall notify the state highway patrol crime laboratory of such verdict. If the state highway patrol crime laboratory receives notice under this subsection, such crime laboratory shall determine, within thirty days, whether the individual has any other qualifying offenses or arrests that would require a DNA sample to be taken. If the individual has no other qualifying arrests or offenses, the crime laboratory shall expunge all DNA records in the database pertaining to such person and destroy the person's DNA sample.”; and

Further amend the title and enacting clause accordingly.

Senator Sifton moved that the above amendment be adopted, which motion prevailed.
