AN ACT

To repeal section 173.670, RSMo, and to enact in lieu thereof one new section relating to the science, technology, engineering and mathematics (STEM) initiative.

Be it enacted by the General Assembly of the State of Missouri, as follows:

Section A. Section 173.670, RSMo, is repealed and one new section enacted in lieu thereof, to be known as section 173.670, to read as follows:

173.670. 1. There is hereby established within the department of higher education the "Missouri Science, Technology, Engineering and Mathematics Initiative". The department of higher education may award matching funds through this initiative to public institutions of higher education as part of the annual appropriations process.

2. The purpose of the initiative shall be to provide support to increase interest among elementary, secondary, and university students in fields of study related to science, technology, engineering, and mathematics and to increase the number of Missouri graduates in these fields at Missouri's public two- and four-year institutions of higher education.

3. As used in this section, the following terms mean:

   (1) "Educational benefits", the funds provided by an employer to a qualified individual or to an accredited educational institution for a period of up to five years to pay any portion of the tuition or fees for a qualified individual pursuing an advanced certificate, associate's degree, bachelor's degree, master's degree, or doctorate degree in a field of study related to health care, engineering, or information technology related programs;

   (2) "Full-time position", an occupation lasting at least one year

EXPLANATION—Matter enclosed in bold-faced brackets [thus] in this bill is not enacted and is intended to be omitted in the law.
that consists of at least thirty hours of work per week;

(3) "Internship", a program lasting at least eight weeks that consists of at least fifteen hours of work per week;

(4) "State tax liability", any liability incurred by a taxpayer under the provisions of chapter 143, excluding withholding tax imposed by sections 143.191 to 143.265, or the tax imposed in chapter 147, 148, or 153;

(5) "STEM field", a field involving science, technology, engineering, or mathematics.

4. There is hereby created a "Science, Technology, Engineering and Mathematics Fund", which shall consist of money collected under this section. The state treasurer shall be custodian of the fund and may approve disbursements from the fund in accordance with sections 30.170 and 30.180. Upon appropriation, money in the fund shall be used solely for the administration of this section. Any moneys remaining in the fund at the end of the biennium shall not revert to the credit of the general revenue fund. The state treasurer shall invest moneys in the fund in the same manner as other funds are invested. Any interest and moneys earned on such investments shall be credited to the fund.

[4.] 5. As part of the initiative, the department of higher education shall develop a process to award grants to Missouri public two- and four-year institutions of higher education and school districts that have entered into articulation agreements to offer information technology certification through technical course work leading to postsecondary academic credit through the program established in section 173.675.

[5.] 6. The general assembly may appropriate funds to the science, technology, engineering[,] and mathematics fund to match institution funds to support the following programs, as recommended by the department of higher education:

(1) [Endowed teaching professor programs, which provide funds to support faculty who teach undergraduate courses in science, technology, engineering, or mathematics fields at public institutions of higher education;]

(2) Scholarship programs, which provide financial aid or loan forgiveness awards to Missouri students who study in the science, technology, engineering, or mathematics fields or who plan to enter the teaching field in Missouri with an emphasis on science, technology, engineering, and mathematics areas; and
(3) (2) Experiential youth programs [at public colleges or universities,]
designed to provide Missouri middle school, junior high, and high school students
with the opportunity to experience science, technology, engineering, and
mathematics fields through camps or other educational offerings;

(4) Career enhancement programs for current elementary and secondary
teachers and professors at Missouri public and private colleges and universities
in the science, technology, engineering, or mathematics fields to improve the
quality of teaching).

7. Any taxpayer in the state of Missouri who provides
educational benefits or selects a student majoring in a STEM field who
is attending a two-year or four-year public or private Missouri college
or university for an internship located in the state of Missouri, or who
selects a student who recently graduated with a degree in a STEM field
from any two-year or four-year public or private Missouri college or
university for a full-time position in a STEM field located in the state
of Missouri, may apply to have ten thousand dollars of the taxpayer's
state tax liability transferred from the general revenue fund and placed
in the science, technology, engineering and mathematics fund
established in subsection 4 of this section, upon approval by the
department of higher education and appropriation by the general
assembly. The department of higher education shall establish a
procedure for approving applications under this section. For purposes
of this subsection, the taxpayer's state tax liability shall be paid before
a transfer under this subsection occurs. The cumulative amount of
taxes transferred to the science, technology, engineering and
mathematics fund under this subsection shall not exceed an annual
total of two hundred thousand dollars from all participating taxpayers
in tax year 2019, with such amount adjusted annually for inflation as
determined by the Consumer Price Index for all Urban Consumers for
the United States as reported by the Bureau of Labor Statistics, or its
successor index. In the event a donation is made to the fund from a
third party, that donation shall not count towards such annual limit.

8. The department of higher education may promulgate all
necessary rules and regulations for the administration of this
section. Any rule or portion of a rule, as that term is defined in section
536.010 that is created under the authority delegated in this section
shall become effective only if it complies with and is subject to all of
the provisions of chapter 536, and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536, to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2018, shall be invalid and void.
