Be it enacted by the General Assembly of the State of Missouri, as follows:

Section A. Section 143.121, RSMo, is repealed and ten new sections enacted in lieu thereof, to be known as sections 143.121, 285.400, 285.405, 285.410, 285.415, 285.420, 285.425, 285.430, 285.435, and 285.440, to read as follows:

143.121. 1. The Missouri adjusted gross income of a resident individual shall be the taxpayer's federal adjusted gross income subject to the modifications in this section.

2. There shall be added to the taxpayer's federal adjusted gross income:

   (1) The amount of any federal income tax refund received for a prior year which resulted in a Missouri income tax benefit;

   (2) Interest on certain governmental obligations excluded from federal gross income by Section 103 of the Internal Revenue Code. The previous sentence shall not apply to interest on obligations of the state of Missouri or any of its political subdivisions or authorities and shall not apply to the interest described in subdivision (1) of subsection 3 of this section. The amount added pursuant to this subdivision shall be reduced by the amounts applicable to such interest that would have been deductible in computing the taxable income of the taxpayer except only for the application of Section 265 of the Internal Revenue Code. The reduction shall only be made if it is at least five hundred dollars;

   (3) The amount of any deduction that is included in the computation of federal taxable income pursuant to Section 168 of the Internal Revenue Code as

EXPLANATION—Matter enclosed in bold-faced brackets [thus] in this bill is not enacted and is intended to be omitted in the law.
amended by the Job Creation and Worker Assistance Act of 2002 to the extent the
amount deducted relates to property purchased on or after July 1, 2002, but
before July 1, 2003, and to the extent the amount deducted exceeds the amount
that would have been deductible pursuant to Section 168 of the Internal Revenue
Code of 1986 as in effect on January 1, 2002;
(4) The amount of any deduction that is included in the computation of
federal taxable income for net operating loss allowed by Section 172 of the
Internal Revenue Code of 1986, as amended, other than the deduction allowed by
Section [172(b)(1)(G)] 172(b)(1)(F) and Section [172(I)] 172(h) of the Internal
Revenue Code of 1986, as amended, for a net operating loss the taxpayer claims
in the tax year in which the net operating loss occurred or carries forward for a
period of more than twenty years and carries backward for more than two
years. Any amount of net operating loss taken against federal taxable income but
disallowed for Missouri income tax purposes pursuant to this subdivision after
June 18, 2002, may be carried forward and taken against any income on the
Missouri income tax return for a period of not more than twenty years from the
year of the initial loss; and
(5) For nonresident individuals in all taxable years ending on or after
December 31, 2006, the amount of any property taxes paid to another state or a
political subdivision of another state for which a deduction was allowed on such
nonresident's federal return in the taxable year unless such state, political
subdivision of a state, or the District of Columbia allows a subtraction from
income for property taxes paid to this state for purposes of calculating income for
the income tax for such state, political subdivision of a state, or the District of
Columbia.
3. There shall be subtracted from the taxpayer's federal adjusted gross
income the following amounts to the extent included in federal adjusted gross
income:
(1) Interest or dividends on obligations of the United States and its
territories and possessions or of any authority, commission or instrumentality of
the United States to the extent exempt from Missouri income taxes pursuant to
the laws of the United States. The amount subtracted pursuant to this
subdivision shall be reduced by any interest on indebtedness incurred to carry the
described obligations or securities and by any expenses incurred in the production
of interest or dividend income described in this subdivision. The reduction in the
previous sentence shall only apply to the extent that such expenses including
amortizable bond premiums are deducted in determining the taxpayer's federal adjusted gross income or included in the taxpayer's Missouri itemized deduction. The reduction shall only be made if the expenses total at least five hundred dollars;

(2) The portion of any gain, from the sale or other disposition of property having a higher adjusted basis to the taxpayer for Missouri income tax purposes than for federal income tax purposes on December 31, 1972, that does not exceed such difference in basis. If a gain is considered a long-term capital gain for federal income tax purposes, the modification shall be limited to one-half of such portion of the gain;

(3) The amount necessary to prevent the taxation pursuant to this chapter of any annuity or other amount of income or gain which was properly included in income or gain and was taxed pursuant to the laws of Missouri for a taxable year prior to January 1, 1973, to the taxpayer, or to a decedent by reason of whose death the taxpayer acquired the right to receive the income or gain, or to a trust or estate from which the taxpayer received the income or gain;

(4) Accumulation distributions received by a taxpayer as a beneficiary of a trust to the extent that the same are included in federal adjusted gross income;

(5) The amount of any state income tax refund for a prior year which was included in the federal adjusted gross income;

(6) The portion of capital gain specified in section 135.357 that would otherwise be included in federal adjusted gross income;

(7) The amount that would have been deducted in the computation of federal taxable income pursuant to Section 168 of the Internal Revenue Code as in effect on January 1, 2002, to the extent that amount relates to property purchased on or after July 1, 2002, but before July 1, 2003, and to the extent that amount exceeds the amount actually deducted pursuant to Section 168 of the Internal Revenue Code as amended by the Job Creation and Worker Assistance Act of 2002;

(8) For all tax years beginning on or after January 1, 2005, the amount of any income received for military service while the taxpayer serves in a combat zone which is included in federal adjusted gross income and not otherwise excluded therefrom. As used in this section, "combat zone" means any area which the President of the United States by Executive Order designates as an area in which Armed Forces of the United States are or have engaged in combat. Service is performed in a combat zone only if performed on or after the date designated
by the President by Executive Order as the date of the commencing of combat activities in such zone, and on or before the date designated by the President by Executive Order as the date of the termination of combatant activities in such zone;

(9) For all tax years ending on or after July 1, 2002, with respect to qualified property that is sold or otherwise disposed of during a taxable year by a taxpayer and for which an additional modification was made under subdivision (3) of subsection 2 of this section, the amount by which additional modification made under subdivision (3) of subsection 2 of this section on qualified property has not been recovered through the additional subtractions provided in subdivision (7) of this subsection; and

(10) The amount contributed to the Missouri earned family and medical leave fund established under section 285.435;

(11) For all tax years beginning on or after January 1, 2014, the amount of any income received as payment from any program which provides compensation to agricultural producers who have suffered a loss as the result of a disaster or emergency, including the:

(a) Livestock Forage Disaster Program;
(b) Livestock Indemnity Program;
(c) Emergency Assistance for Livestock, Honeybees, and Farm-Raised Fish;
(d) Emergency Conservation Program;
(e) Noninsured Crop Disaster Assistance Program;
(f) Pasture, Rangeland, Forage Pilot Insurance Program;
(g) Annual Forage Pilot Program;
(h) Livestock Risk Protection Insurance Plan; and
(i) Livestock Gross Margin insurance plan.

4. There shall be added to or subtracted from the taxpayer's federal adjusted gross income the taxpayer's share of the Missouri fiduciary adjustment provided in section 143.351.

5. There shall be added to or subtracted from the taxpayer's federal adjusted gross income the modifications provided in section 143.411.

6. In addition to the modifications to a taxpayer's federal adjusted gross income in this section, to calculate Missouri adjusted gross income there shall be subtracted from the taxpayer's federal adjusted gross income any gain recognized pursuant to Section 1033 of the Internal Revenue Code of 1986, as amended,
arising from compulsory or involuntary conversion of property as a result of
condemnation or the imminence thereof.

7. (1) As used in this subsection, "qualified health insurance premium"
means the amount paid during the tax year by such taxpayer for any insurance
policy primarily providing health care coverage for the taxpayer, the taxpayer's
spouse, or the taxpayer's dependents.

(2) In addition to the subtractions in subsection 3 of this section, one
hundred percent of the amount of qualified health insurance premiums shall be
subtracted from the taxpayer's federal adjusted gross income to the extent the
amount paid for such premiums is included in federal taxable income. The
taxpayer shall provide the department of revenue with proof of the amount of
qualified health insurance premiums paid.

8. (1) Beginning January 1, 2014, in addition to the subtractions provided
in this section, one hundred percent of the cost incurred by a taxpayer for a home
energy audit conducted by an entity certified by the department of natural
resources under section 640.153 or the implementation of any energy efficiency
recommendations made in such an audit shall be subtracted from the taxpayer's
federal adjusted gross income to the extent the amount paid for any such activity
is included in federal taxable income. The taxpayer shall provide the department
of revenue with a summary of any recommendations made in a qualified home
energy audit, the name and certification number of the qualified home energy
auditor who conducted the audit, and proof of the amount paid for any activities
under this subsection for which a deduction is claimed. The taxpayer shall also
provide a copy of the summary of any recommendations made in a qualified home
energy audit to the department of natural resources.

(2) At no time shall a deduction claimed under this subsection by an
individual taxpayer or taxpayers filing combined returns exceed one thousand
dollars per year for individual taxpayers or cumulatively exceed two thousand
dollars per year for taxpayers filing combined returns.

(3) Any deduction claimed under this subsection shall be claimed for the
tax year in which the qualified home energy audit was conducted or in which the
implementation of the energy efficiency recommendations occurred. If
implementation of the energy efficiency recommendations occurred during more
than one year, the deduction may be claimed in more than one year, subject to the
limitations provided under subdivision (2) of this subsection.

(4) A deduction shall not be claimed for any otherwise eligible activity
under this subsection if such activity qualified for and received any rebate or other incentive through a state-sponsored energy program or through an electric corporation, gas corporation, electric cooperative, or municipally owned utility.

9. The provisions of subsection 8 of this section shall expire on December 31, 2020.

2. An employee shall be eligible to receive Missouri earned family or medical leave program benefits equal to one hundred percent of his or her average weekly pay for each full week during which he or she has taken family or medical leave. An employee may take family or medical leave for a partial week and shall only be eligible to receive the fraction of the average weekly pay which is equal to the number of days of leave taken divided by the number of days for which such employee would have otherwise worked in the respective week had the employee not taken family or medical leave. Any leave taken shall be in full-day increments.

3. No more than six weeks of Missouri earned family and medical leave benefits shall be paid to an employee within any fifty-two week period.
4. An employee shall file a claim for Missouri earned family and medical leave benefits with the department not later than the forty-first consecutive day following the first compensable day with respect to which the claim is made for benefits, which time shall be extended by the department upon a showing of good cause. If a first claim is not complete, the claim form shall be returned to the employee for completion, and it shall be completed and returned not later than the tenth consecutive day after the date it was verifiably sent by the department to the employee, except that such time shall be extended by the department upon a showing of good cause.

8. The first payment of Missouri earned family and medical leave benefits shall be made to an employee within two weeks after the completed claim is received by the department or the day the family or medical leave began, whichever is later. Subsequent payments shall be made bimonthly.

285.410. 1. (1) An employee shall establish eligibility for each uninterrupted family or medical care leave period by filing a first claim for benefits supported by the certificate of a treating physician or health care provider that establishes the serious health condition of the family member that warrants the care of the employee, or that establishes the serious health condition of the employee. For subsequent periods of uninterrupted leave after the period covered by
the initial certificate or any preceding continued claim, a claimant shall file a continued claim for those benefits supported by the certificate of a treating physician or health care provider.

(2) For employees seeking leave in order to assume a familial responsibility due to a spouse, child, or parent being on active duty in the uniformed services, eligibility for leave shall be established by providing, in a manner satisfactory to the department, proof of the family member being on active duty.

(3) For employees seeking leave due to a serious health condition related to seeking medical attention, services, or counseling for victims of stalking, domestic violence, abuse, or sexual assault, as such terms are defined in section 455.010, or victims of trafficking for purposes of sexual exploitation as described in section 566.209, the certificate required by subdivision (1) of this section may be provided by any of the following:

2. The certificates required under subsection 1 of this section shall be developed by the department. In order to establish medical eligibility of the serious health condition of the family member that warrants the care of the employee, or to establish medical eligibility of the serious health condition of the employee, the information on the certificate shall be within the physician's or health care provider's knowledge and shall be based on a physical examination and documented medical history of the family member or employee. The certificate shall contain all of the following:

(1) A diagnosis and diagnostic code prescribed in the International Classification of Diseases or, if no diagnosis has yet been obtained, a detailed statement of symptoms;

(2) The date, if known, on which the condition commenced;

(3) The probable duration of the condition;
(4) An estimate of the amount of time that the physician or health care provider believes the employee needs to care for the family member or himself or herself; and

(5) If applicable, a statement that the serious health condition warrants the participation of the employee to provide care for his or her family member.

3. The department shall develop a certificate form that is separate and distinct from the certificate required in subsection 1 of this section for an employee taking leave to bond with a minor child within the first year of the child's birth or placement in connection with foster care or adoption.

4. Any claim of an individual who obtains care and treatment outside the state shall be supported by a certificate of a treating physician or health care provider duly licensed or certified by the state or foreign country in which the claimant is receiving care and treatment.

5. Nothing in this section shall be construed to preclude the department from requesting additional medical evidence to supplement any claim. Any cost incurred for procuring additional medical evidence shall be paid by the employee. The department may require that the additional evidence include any or all of the following:

      (c) An examining physician or other representative of the department;
   (4) An affidavit from an employee averring that the employee or such employee's spouse gave birth to a child or has adopted or received a child in connection with foster care.
notice to their employer before family and medical leave is to begin if
the need for the leave is foreseeable. If thirty days notice is not
practicable, notice shall be given to the employer as soon as
practicable.

285.420. 1. Except as provided in subsection 4 of this section, an
employee may file a notice of appeal from any determination of
eligibility for benefits made by the department by mail or in person
within thirty days after the date on which a copy of the department's
decision was received by the employee. Upon receipt of the notice of
appeal, the department shall request the assignment of an
administrative law judge in accordance with chapter 536 to conduct a
hearing and issue a proposed decision and order. The hearing shall be
conducted in accordance with chapter 536.

2. The administrative law judge's proposed decision and order
shall be final and not subject to further appeal, unless within thirty
days after the decision is served on the interested parties, a party files
a petition for judicial review as provided in chapter 536.

3. A determination of the amount of benefits payable under
sections 285.400 to 285.440 shall not serve as a basis for appeal under
this section. However, the determination shall be subject to request by
the employee on family or medical leave for redetermination by the
department at any time within one year from the date of delivery or
mailing of such determination, or any redetermination thereof. A
redetermination shall be furnished to the individual in writing.

4. A denial of benefits shall become final in the absence of timely
appeal therefrom. The department may redetermine a denial of
benefits at any time within one year from delivery or mailing of such
denial to correct an error in identity, omission of fact, or
misapplication of law with respect to the facts.

5. A determination of allowance of benefits shall become final in
the absence of timely appeal therefrom. The department may
redetermine such allowance at any time within two years following the
application year in which such allowance was made in order to recover
any benefits for which recovery is provided under this section.

6. A redetermination of benefits may be made at any time for any
of the following reasons:

(1) To conform to a final court decision applicable to either an
initial determination or a determination of denial or allowance of benefits;

(2) In the event of a back pay award or settlement affecting the allowance of benefits; or

(3) In the case of misrepresentation or willful failure to report a material fact.

Written notice of any such redetermination shall be promptly given by mail or delivered to such interested parties as were notified of the initial determination of denial or allowance of benefits and any new interested party or parties who, under such rule as the department may adopt, would be an interested party.

285.425. 1. Notwithstanding any provision of law to the contrary, it shall be unlawful for any person to discharge or in any other manner discriminate against an employee because the employee has made a claim for, indicated an intent to make a claim for, or received Missouri earned family and medical leave benefits.

2. (1) Any person who violates the provisions of subsection 1 of this section shall be liable to any employee of such person who is affected by the violation for such equitable relief as may be appropriate including employment, reinstatement, or promotion and for damages equal to the sum of:

   a. Any wages, salary, employment benefits, or other compensation denied or lost to such individual by reason of the violation; or

   b. In a case in which wages, salary, employment benefits, or other compensation have not been denied or lost to the individual, any actual monetary losses sustained by the individual as a direct result of the violation, such as the cost of providing care, up to a sum equal to sixty calendar days of wages or salary for the individual;

(b) The interest on the amount described in paragraph (a) of this subdivision, such interest rate being equal to the market rate as determined by the director of the division of finance under section 408.030; and

(c) An additional amount as liquidated damages equal to the sum of the amount described in paragraph (a) of this subdivision and the interest described in paragraph (b) of this subdivision, except that if a
person who has violated subsection 1 of this section proves to the
satisfaction of the court that the act or omission was in good faith and
that the person had reasonable grounds for believing that the act or
omission was not a violation, such court may reduce the amount of such
liquidated damages.

(2) The court may additionally require reasonable attorney's
fees, expert witness fees, and other courts costs to be paid by a
defendant.

3. An action to recover the relief prescribed in subsection 2 of
this section may be maintained against any person in any court of
competent jurisdiction by the employee affected.

4. The department may bring an action seeking relief on behalf
of an employee under this section. The right to bring an action
provided under subsection 3 of this section shall terminate upon the
filing of a complaint by the department. If any damages are recovered
in such action, such damages shall be held in a special deposit account
and paid directly to each employee affected.

5. An action may be brought under this section not later than
three years after the date of the alleged violation for which the action
is brought. An action brought under this section shall be considered to
be commenced on the date when the complaint is filed.

285.430. 1. The department shall develop and implement an
outreach program to ensure that employees who may be eligible to
receive Missouri earned family and medical leave benefits under
sections 285.400 to 285.440 are made aware of such benefits. Outreach
information shall easily explain eligibility requirements, the claims
process, weekly benefit amounts, maximum benefits payable, notice and
medical certification requirements, reinstatement and
nondiscrimination rights, confidentiality, and the relationship between
employment protection, leave from employment, wage replacement
benefits, and other laws, collective bargaining agreements, and
employer policies.

2. Not later than three years after the effective date of sections
285.400 to 285.440, the state auditor shall submit to the general
assembly a report on the Missouri earned family and medical leave
benefits paid for any month during the one-year period beginning on
the effective date of sections 285.400 to 285.416. The report shall
include the following:

(1) An identification of the total number of applications for such benefits filed, and the average number of days between when an application is received and when a determination is made;

(2) An identification of the total number of requests for review of an initial adverse determination of eligibility for such benefits made, and the average number of days between when such review is requested and when a final determination of eligibility is made; and

(3) An identification of the total number of monthly benefit claim reports for such benefits filed, and the average number of days between the date such report is received and the date on which the initial determination of eligibility with respect to the claim report is made.

285.435. 1. (1) There is hereby created in the state treasury the "Missouri Earned Family and Medical Leave Fund", which shall consist of money collected under this section. The state treasurer shall be custodian of the fund. In accordance with sections 30.170 and 30.180, the state treasurer may approve disbursements. The fund shall be a dedicated fund and money in the fund shall be used solely by the department of labor and industrial relations for the purpose of distributing Missouri earned family and medical leave program benefits.

(2) The state treasurer shall invest moneys in the fund in the same manner as other funds are invested. Any interest and moneys earned on such investments shall be credited to the fund.

2. (1) In order to provide funding to implement the provisions of sections 285.400 to 285.440, employees shall contribute one quarter of one percent of their average weekly pay to the Missouri earned family and medical leave fund beginning January 1, 2019.

(2) For purposes of this section, in determining the average weekly pay of an employee, the total wages of an employee shall not exceed the contribution and benefit base established by the Commissioner of Social Security Administration under 42 U.S.C. 430.

(3) Notwithstanding the provisions of section 285.405 to the contrary, if there is not sufficient resources in the fund, the department may, at its discretion, reduce the benefit amount each employee is eligible to receive. If the benefit amount is reduced, each employee shall receive the same percent of his or her average weekly wage.
26 (4) No employee shall receive benefits from the fund until

285.440. Any rule or portion of a rule, as that term is defined in
2 section 536.010 that is created under the authority delegated in sections
3 285.400 to 285.435 shall become effective only if it complies with and is
4 subject to all of the provisions of chapter 536, and, if applicable, section
5 536.028. This section and chapter 536 are nonseverable and if any of
6 the powers vested with the general assembly pursuant to chapter 536,
7 to review, to delay the effective date, or to disapprove and annul a rule
8 are subsequently held unconstitutional, then the grant of rulemaking
9 authority and any rule proposed or adopted after November 7, 2018, shall be invalid and void.

Section B. This act is hereby submitted to the qualified voters of this state
2 for approval or rejection at an election which is hereby ordered and which shall

4 submission of referendum measures by the general assembly, and this act shall
5 become effective when approved by a majority of the votes cast thereon at such
6 election and not otherwise.
