Every court having jurisdiction pursuant to the provisions of this subsection shall, within fifteen days after completion of the driver improvement program or motorcycle rider training course by an operator, forward a record of the completion to the director, all other provisions of the law to the contrary notwithstanding. The director shall establish procedures for record keeping and the administration of this subsection.

Unless proof of financial responsibility is filed with the department of revenue, except as provided in subsection 2 of section 302.541, the revocation shall remain in effect for a period of two years from its effective date. The motion shall name the person or entity making the needs assessment as the respondent and a copy of the motion shall be served upon the respondent in any manner allowed by law. Such assessment and compliance with the court determination of the motion shall satisfy the provisions of this section for the purpose of reinstating such person's license to operate a motor vehicle. The respondent's personal appearance at any hearing conducted pursuant to this subsection shall not be necessary unless directed by the court.

15. The fees for the program authorized in subsection 14 of this section, or a portion thereof to be determined by the department of mental health, shall be paid by the person enrolled in the program. Any person who is enrolled in the program shall pay, in addition to any fee charged for the program, a supplemental fee of sixty dollars. The administrator of the program shall remit to the division of alcohol and drug abuse of the department of mental health the supplemental fee for all persons enrolled in the program, less two percent for administrative costs. 302.309. 1. Whenever any license is suspended pursuant to sections 302.302 to 302.309, the director of revenue shall return the license to the operator immediately upon the termination of the period of suspension and upon compliance with the requirements of chapter 303, RSMo.

2. Any operator whose license is revoked pursuant to these sections, upon the termination of the period of revocation, shall apply for a new license in the manner prescribed by law.

3. (1) All circuit courts or the director of revenue shall have jurisdiction to hear applications and make eligibility determinations granting limited driving privileges. Any application may be made in writing to the director of revenue and the person's reasons for requesting the limited driving privilege shall be made therein.

(2) When any court of record having jurisdiction or the director of revenue finds that an operator is required to operate a motor vehicle in connection with any of the following:

- (a) A business, occupation, or employment;
- (b) Seeking medical treatment for such operator;
- (c) Attending school or other institution of higher education;
- (d) Attending alcohol or drug treatment programs; or

(e) Any other circumstance the court or director finds would create an undue hardship on the operator; the court or director may grant such limited driving privilege as the circumstances of the case justify if the court or director finds undue hardship would result to the individual, and while so operating a motor vehicle within the restrictions and limitations of the limited driving privilege the driver shall not be guilty of operating a motor vehicle without a valid license.

(3) An operator may make application to the proper court in the county in which such operator resides or in the county in which is located the operator's principal place of business or employment. Any application for a limited driving privilege made to a circuit court shall name the director as a party defendant and shall be served upon the director prior to the grant of any limited privilege, and shall be accompanied by a copy of the applicant's driving record as certified by the director. Any applicant for a limited driving privilege shall have on file with the department of revenue proof of financial responsibility as required by chapter 303, RSMo. Any application by a person who transports persons or property as classified in section 302.015 may be accompanied by proof of financial responsibility as required by chapter 303, RSMo, but if proof of financial responsibility does not accompany the application, or if the applicant does not have on file with the department of revenue proof of financial responsibility, the court or the director has discretion to grant the limited driving privilege to the person solely for the purpose of operating a vehicle whose owner has complied with chapter 303, RSMo, for that vehicle, and the limited driving privilege must state such restriction. When operating such vehicle under such restriction the person shall carry proof that the owner has complied with chapter 303, RSMo, for that vehicle.

(4) The court order or the director's grant of the limited driving privilege shall indicate the termination date of the privilege, which shall be not later than the end of the period of suspension or revocation. A copy of any court order shall be sent by the clerk of the court to the director, and a copy shall be given to the driver which shall be carried by the driver whenever such driver operates a motor vehicle. The director of revenue upon granting a limited driving privilege shall give a copy of the limited driving privilege to the applicant. The applicant shall carry a copy of the limited driving privilege while operating a motor vehicle. A conviction which results in the assessment of points pursuant to section 302.302, other than a violation of a municipal stop sign ordinance where no accident is involved, against a driver who is operating a vehicle pursuant to a limited driving privilege terminates the privilege, as of the date the points are assessed to the person's driving record. If the date of arrest is prior to the issuance of the limited driving privilege, the privilege shall not be terminated. The director shall notify by ordinary mail the driver whose privilege is so terminated.

(5) Except as provided in subdivision (6) of this subsection, no person is eligible to receive a limited driving privilege who at the time of application for a limited driving privilege has previously been granted such a privilege within the immediately preceding five years, or whose license has been suspended or revoked for the following reasons:

(a) A conviction of violating the provisions of section 577.010 or 577.012, RSMo, or any similar provision of any federal or state law, or a municipal or county law where the judge in such case was an attorney and the defendant was represented by or waived the right to an attorney in writing, until the person has completed the first thirty days of a suspension or revocation imposed pursuant to this chapter;

(b) A conviction of any felony in the commission of which a motor vehicle was used;

(c) Ineligibility for a license because of the provisions of subdivision (1), (2), (4), (5), (6), (7), (8), (9), (10) [or], (11) **or (12)** of section 302.060;

(d) Because of operating a motor vehicle under the influence of narcotic drugs, a controlled substance as defined in chapter 195, RSMo, or having left the scene of an accident as provided in section 577.060, RSMo;

(e) Due to a revocation for the first time for failure to submit to a chemical test pursuant to section 577.041, RSMo, or due to a refusal to submit to a chemical test in any other state, if such person has not completed the first ninety days of such revocation;

(f) Violation more than once of the provisions of section 577.041, RSMo, or a similar implied consent law of any other state;

(g) Disqualification of a commercial driver's license pursuant to sections 302.700 to 302.780, however, nothing in this subsection shall prevent a person holding a commercial driver's license who is suspended or revoked as a result of an action occurring while not driving a commercial motor vehicle or driving for pay, but while driving in an individual capacity as an

operator of a personal vehicle from applying for a limited driving privilege to operate a commercial vehicle, if otherwise eligible for such limited privilege; or

(6) (a) Provided that pursuant to the provisions of this section, the applicant is not otherwise ineligible for a limited driving privilege, a circuit court or the director may, in the manner prescribed in this subsection, allow a person who has had such person's license to operate a motor vehicle revoked where that person cannot obtain a new license for a period of ten years, as prescribed in subdivision (9) of section 302.060, to apply for a limited driving privilege pursuant to this subsection if such person has served at least three years of such disqualification or revocation, **unless the period of license denial relates to aggravated driving with excessive blood alcohol content.** Such person shall present evidence satisfactory to the court or the director that such person has not been convicted of any offense related to alcohol, controlled substances or drugs during the preceding three years and that the person's habits and conduct show that the person no longer poses a threat to the public safety of this state.

Such person shall present evidence satisfactory to the court or the director that such person has not been convicted of any offense related to alcohol, controlled substances or drugs during the preceding two years and that the person's habits and conduct show that the person no longer poses a threat to the public safety of this state. by the director of revenue may make a request for a review of the director's determination in the circuit court of the county in which the person resides or the county in which is located the person's principal place of business or employment within thirty days of the date of mailing of the notice of denial. Such review shall be based upon the records of the department of revenue and other competent evidence and shall be limited to a review of whether the applicant was statutorily entitled to the limited driving privilege.

5. The director of revenue shall promulgate rules and regulations necessary to carry out the provisions of this section.

302.505. 1. The department shall suspend or revoke the license of any person upon its determination that the person was arrested upon probable cause to believe such person was driving a motor vehicle while the alcohol concentration in the person's blood, breath, or urine was ten-hundredths of one percent or more by weight, based on the definition of alcohol concentration in section 302.500, or where such person was less than twenty-one years of age when stopped and was stopped upon probable cause to believe such person was driving while intoxicated in violation of section 577.010, RSMo, or driving with excessive blood alcohol content in violation of section 577.012, RSMo, **or aggravated driving with excessive blood alcohol content in violation of section 577.015, RSMo**, or upon probable cause to believe such person violated a state, county or municipal traffic offense and such person was driving with a blood alcohol content of two-hundredths of one percent or more by weight.

2. The department shall make a determination of these facts on the basis of the report of a law enforcement officer required in section 302.510, and this determination shall be final unless a hearing is requested and held. If a hearing is held, the department shall review the matter and make a final determination on the basis of evidence received at the hearing.

3. The determination of these facts by the department is independent of the determination of the same or similar facts in the adjudication of any criminal charges arising out of the same occurrence. The disposition of those criminal charges shall not affect any suspension or revocation under this section.

302.540. 1. No person who has had a license to operate a motor vehicle suspended or revoked under the provisions of sections 302.500 to 302.540 shall have that license reinstated until such person has participated in and successfully completed a substance abuse traffic offender program **or a substance abuse traffic offenders program for serious or repeat offenders** defined in section 302.010, except the department may waive such requirement upon completion of a comparable program or upon good cause shown or the court may waive such requirement upon good cause shown. The court in making this determination shall consider the person's driving record, the circumstances surrounding the offense and the likelihood of the person committing a like offense in the future. Assignment recommendations, based upon the needs assessment as described in subdivision (21) of section 302.010, shall be delivered in writing to the person with

written notice that the person is entitled to have such assignment recommendations reviewed by the court if the person objects to the recommendations. The person may file a motion in the associate division of the circuit court, on a printed form provided by the state courts administrator, to have the court hear and determine such motion pursuant to the provisions of chapter 517, RSMo, after reviewing such assessment. The motion shall name the person or entity making the needs assessment as the respondent and a copy of the motion shall be served upon the respondent in any manner allowed by law. Such assessment and compliance with the court determination of the motion shall satisfy the provisions of this section for the purpose of reinstating such person's license to operate a motor vehicle. The respondent's personal appearance at any hearing conducted pursuant to this subsection shall not be necessary unless directed by the court.

2. The fees for [the] **any** program authorized in subsection 1 of this section, or a portion thereof to be determined by the division of alcohol and drug abuse of the department of mental health, shall be paid by the person enrolled in the program. **The court shall order the offender to pay restitution to the state in the amount of any fee or portion of any fee paid by the state on behalf of the offender.** Any person who is enrolled in the program shall pay, in addition to any fee charged for the program, a supplemental fee of sixty dollars. The administrator of the program shall remit to the division of alcohol and drug abuse of the department of mental health the supplemental fee for all persons enrolled in the program, less two percent for administrative costs. The supplemental fees received by the department of mental health pursuant to this section shall be deposited in the mental health earnings fund which is created in section 630.053, RSMo.

3. Court-ordered participation in a substance abuse traffic offender program **or a substance abuse traffic offenders program for serious or repeat offenders**, pursuant to section 577.049, RSMo, shall satisfy the requirements of this section if the court action arose out of the same occurrence that resulted in a person's license being administratively suspended or revoked.

4. In order to determine the appropriate content for a substance abuse traffic offender program, the division of alcohol and drug abuse of the department of mental health shall conduct an annual review of programs offered in other states to treat serious or repeat offenders. The division shall also annually review its program for serious or repeat offenders and issue a report to the general assembly and the governor regarding the effectiveness and cost-efficiency of the program during the preceding year, as well as the factors used in determining the conclusions of the division.

Such expungement shall be performed by the department of revenue without need of a court order. No records shall be expunged if the person was found guilty or pled guilty to operating a commercial motor vehicle, as defined in section 302.700, with a blood alcohol content of at least four-hundredths of one percent.

2. The provisions of this section shall not apply to any person whose license is suspended or revoked for a second or subsequent time pursuant to subsection 1 of this section or who is convicted of any alcohol-related driving offense before the age of twenty-one including, but not limited to:
