*Be it enacted by the General Assembly of the State of Missouri, as follows:*

Section A. Sections 135.357 and 143.121, RSMo 1994, are repealed and one new section enacted in lieu thereof, to be known as section 143.121, to read as follows:

143.121. 1. The Missouri adjusted gross income of a resident individual shall be **[his] the individual's** federal adjusted gross income subject to the modifications in this section.

2. There shall be added to **[his] the individual's** federal adjusted gross income:

(a) The amount of any federal income tax refund received for a prior year which resulted in a Missouri income tax benefit;

(b) Interest on certain governmental obligations excluded from federal gross income by section 103 of the Internal Revenue Code. The previous sentence shall not apply to interest on obligations of the state of Missouri or any of its political subdivisions or authorities and shall not apply to the interest described in subdivision (a) of subsection 3 of this section. The amount added **[under] pursuant to** this paragraph shall be reduced by the amounts applicable to such interest that would have been deductible in computing the taxable income of the taxpayer except only for the application of section 265 of the Internal Revenue Code. The reduction shall only be made if it is at least five hundred dollars.

3. There shall be subtracted from **[his] the individual's** federal adjusted gross income the following amounts to the extent included in federal adjusted gross income:

(a) Interest or dividends on obligations of the United States and its territories and possessions or of any authority, commission or instrumentality of the United States to the extent exempt from Missouri income taxes **[under] pursuant to** the laws of the United States. The amount subtracted **[under] pursuant to** this paragraph shall be reduced by any interest on

indebtedness incurred to carry the described obligations or securities and by any expenses incurred in the production of interest or dividend income described in this paragraph. The reduction in the previous sentence shall only apply to the extent that such expenses including amortizable bond premiums are deducted in determining [his] **the individual's** federal adjusted gross income or included in [his] **such individual's** Missouri itemized deduction. The reduction shall only be made if the expenses total at least five hundred dollars;

(b) The portion of any gain, from the sale or other disposition of property having a higher adjusted basis to the taxpayer for Missouri income tax purposes than for federal income tax purposes on December 31, 1972, that does not exceed such difference in basis. If a gain is considered a long-term capital gain for federal income tax purposes, the modification shall be limited to one-half of such portion of the gain;

(c) The amount necessary to prevent the taxation [under] **pursuant to** sections 143.011 to 143.996 of any annuity or other amount of income or gain which was properly included in income or gain and was taxed [under] **pursuant to** the laws of Missouri for a taxable year prior to January 1, 1973, to the taxpayer, or to a decedent by reason of whose death the taxpayer acquired the right to receive the income or gain, or to a trust or estate from which the taxpayer received the income or gain;

(d) Accumulation distributions received by a taxpayer as a beneficiary of a trust to the extent that the same are included in federal adjusted gross income;

(e) The amount of any state income tax refund for a prior year which was included in the federal adjusted gross income;

(f) [The portion of capital gain specified in subsection 3 of section 135.357, RSMo, that would otherwise be included in federal adjusted gross income.] **Capital gains from the sale or exchange of a capital asset as defined and calculated pursuant to the Internal Revenue Code, as amended.**

4. There shall be added to or subtracted from [his] **the individual's** federal adjusted gross income the taxpayer's share of the Missouri fiduciary adjustment provided in section 143.351.

5. There shall be added to or subtracted from [his] **the individual's** federal adjusted gross income the modifications provided in section 143.411.

[135.357. A taxpayer shall be allowed to exclude from taxation under chapter 143, RSMo, a portion of the capital gain, as calculated under the Internal Revenue Code of 1986, as amended, that results from the sale of a low-income project subsidized by the federal Department of Housing and Urban Development to a nonprofit or governmental organization, agreeing to preserve or increase the low-income occupancy of the project. For those owners whose low-income project has at least forty percent of its units occupied by persons or families having incomes of sixty percent or less of the median income, the exclusion shall equal twenty-five percent of the capital gain.]

Section B. Section A of this act shall become effective on January 1, 2001, and shall apply to all taxable years beginning after December 31, 2000.
