313.805. The commission shall have full jurisdiction over and shall supervise all gambling operations governed by sections 313.800 to 313.850. The commission shall have the following powers and shall promulgate rules and regulations to implement sections 313.800 to 313.850:

(1) To investigate applicants and determine the priority and eligibility of applicants for a license and to select among competing applicants for a license the applicant which best serves the interests of the citizens of Missouri;

(2) To license the operators of excursion gambling boats and operators of gambling games within such boats, to identify occupations within the excursion gambling boat operations which require licensing, and adopt standards for licensing the occupations including establishing fees for the occupational licenses and to license suppliers;

- (3) To adopt standards under which all excursion gambling boat operations shall be held

and standards for the facilities within which the gambling operations are to be held. Notwithstanding the provisions of chapter 311, RSMo, to the contrary, the commission may authorize the operation of gambling games on an excursion gambling boat which is also licensed to sell or serve alcoholic beverages, wine, or beer. The commission shall regulate the wagering structure for gambling excursions including providing a maximum loss of five hundred dollars per individual player per gambling excursion;

(4) To enter the premises of excursion gambling boats, facilities, or other places of business of a licensee within this state to determine compliance with sections 313.800 to 313.850;

(5) To investigate alleged violations of sections 313.800 to 313.850 or the commission rules, orders, or final decisions;

(6) To assess any appropriate administrative penalty against a licensee, including, but not limited to, suspension, revocation, and penalties of an amount as determined by the commission up to three times the highest daily amount of gross receipts derived from wagering on the gambling games, whether unauthorized or authorized, conducted during the previous twelve months as well as confiscation and forfeiture of all gambling game equipment used in the conduct of unauthorized gambling games. (7) To require a licensee, an employee of a licensee or holder of an occupational license to remove a person violating a provision of sections 313.800 to 313.850 or the commission rules, orders, or final orders, or other person deemed to be undesirable from the excursion gambling boat or adjacent facilities;

(8) To require the removal from the premises of a licensee, an employee of a licensee, or a holder of an occupational license for a violation of sections 313.800 to 313.850 or a commission rule or engaging in a fraudulent practice;

(13) To require all licensees of gambling game operations to use a cashless wagering system whereby all players' money is converted to **physical or electronic** tokens, electronic cards, or chips which only can be used for wagering on the excursion gambling boat;

(14) Determine which of the authorized gambling games will be permitted on any licensed excursion gambling boat;

(15) Excursion gambling boats shall cruise, unless the commission finds that the best interest of Missouri and the safety of the public indicate the need for continuous docking of the excursion gambling boat in any city or county authorized [under] **pursuant to** subsection 10 of section 313.812. The commission shall base its decision to allow continuously docked excursion gambling boats on any of the following criteria: the docking location or the excursion cruise could cause danger to the boat's passengers, violate federal law or the law of another state, or cause disruption of interstate commerce or possible interference with railway or barge transportation. In addition, the commission shall consider economic feasibility or impact that would benefit land-based development and permanent job creation. The commission shall not discriminate among applicants for continuous docking excursion gambling that are similarly situated with respect to the criteria set forth in this section;

(16) The commission shall render a finding concerning the possibility of continuous docking, as described in subdivision (15) of this section, within thirty days after a hearing on any request from an applicant or licensee. Such hearing may be held prior to any final action on licensing to assist an applicant and any city or county in the finalizing of their economic development plan;

(17) To require any applicant for a license or renewal of a license to operate an excursion gambling boat to provide an affirmative action plan which has as its goals use of best efforts to achieve maximum employment of African-Americans and other minorities and maximum participation in the procurement of contractual purchases of goods and services. This provision shall be administered in accordance with all federal and state employment laws; including Title VII of the Civil Rights Act of 1964, as amended by the Civil Rights Act of 1991. At license renewal, the licensee will report on the effectiveness of the plan. The commission shall include the licensee's reported information in its annual report to the joint committee on gaming and wagering;

[(17)] **(18)** To take any other action as may be reasonable or appropriate to enforce sections 313.800 to 313.850 and the commission rules.

313.807. 1. A person may apply to the commission for a license to conduct gambling games on an excursion gambling boat or to operate an excursion gambling boat as provided in sections 313.800 to 313.850. The application for such licenses shall be filed with the commission and shall identify the excursion gambling boat upon which gambling games will be authorized, shall specify the exact location where the excursion gambling boat will be docked, shall specify the extent of the land-based economic development or impact and an affirmative action plan for ownership, contracting and recruiting, training and hiring of minorities and women in all employment classifications for that area, a lease with a home dock city or county, or in lieu thereof a resolution

adopted by a city or county supporting or opposing the docking and land-based economic development or impact plan of the operator, and shall be in a form and contain information as the commission prescribes. If a city or county fails to pass a resolution, such action shall not adversely affect the application which shall be deemed complete. The applicant for such license shall file with the application a nonrefundable fee of fifty thousand dollars or fifteen thousand dollars for each person to be investigated, whichever amount is greater. The applicant shall be responsible for the total cost of the investigation. If the cost of the investigation exceeds the total amount of fees filed by the applicant in this subsection, the commission may assess additional fees as it deems appropriate; however, if the applicant is denied a license, the applicant shall be entitled to a refund of the difference between the application fee and the actual cost of the investigation. The initial license [and first subsequent license renewal] of an excursion gambling boat operator shall be for a period of one year. Thereafter, license renewal periods shall be [two years. However,] **no less than two years and no more than three years as determined by the commission, and** the commission may reopen licensing hearings at any time. The annual fee for anyone licensed [under] **pursuant to** this subsection shall be set by the commission at a minimum of twenty-five thousand dollars.

2. A person may apply to the commission for a license to conduct an occupation within excursion gambling boat operations which the commission has identified as requiring a license. The commission shall establish and charge holders of occupational licenses an annual license fee for each occupation in amounts determined appropriate by the commission and shall be charged each year the license is in effect. The commission shall set a nonrefundable filing fee to cover the cost of any investigation. Each applicant for a license [under] **pursuant to** this subsection shall annually file for a license.

3. A supplier shall annually apply for a license. The application fee shall be a nonrefundable amount set by the commission to cover the cost of any investigation. The annual fee for such license shall be set by the commission. The commission shall set all standards for equipment and supplies.

4. A licensee licensed to conduct gambling games shall acquire all gambling games or implements of gambling from a licensed supplier **or from a person or entity approved by the commission.** A licensee shall not sell or give gambling games or implements of gambling to another licensee **without the commission's prior written approval.** Any licensed supplier shall have a registered agent within this state.

5. The commission may issue a limited license to operate an excursion gambling boat as defined [under] **pursuant to** subdivision (7) of section 313.800 at a dock other than its home dock, if such city or county where such dock is located has approved gambling games on excursion gambling boats pursuant to subsection 10 of section 313.812.

313.812. 1. The commission may issue licenses pursuant to subsection 1 of section 313.807

when it is satisfied that the applicant has complied with all rules and regulations, including an update of all information provided to the commission in the licensee's initial application. The commission shall decide the number, location and type of excursion gambling boat in a city or county under subsection 10 of this section. The license shall set forth the name of the licensee, the type of license granted, the place where the excursion gambling boat will operate and dock, including the docking of an excursion gambling boat which is continuously docked, and other information the commission deems appropriate. The commission shall have the ultimate responsibility of deciding the number, location, and type of excursion gambling boats licensed in a city or county; however, any city or county which has complied with the provisions of subsection 10 of this section shall submit to the commission a plan outlining the following:

- (1) The recommended number of licensed excursion gambling boats operating in such city or county;
- (2) The recommended licensee or licensees operating in such city or county;
- (3) The community's economic development or impact and affirmative action plan concerning minorities' and women's ownership, contracting and employment for the waterfront development;
- (4) The city or county proposed sharing of revenue with any other municipality;
- (5) Any other information such city or county deems necessary; and
- (6) Any other information the commission may determine is necessary. The commission shall provide for due dates for receiving such plan from the city or county.

2. A license to operate an excursion gambling boat shall only be granted to an applicant upon the express conditions that:

- (1) The applicant shall not, by a lease, contract, understanding, or arrangement of any kind, grant, assign, or turn over to a person the operation of an excursion gambling boat licensed under this section or of the system of wagering described in section 313.817. This section does not prohibit a management contract with a person licensed by the commission; and

- (2) The applicant shall not in any manner permit a person other than the licensee and the management licensee to have a share, percentage, or proportion of the money received for admissions to the excursion gambling boat.

3. The commission shall require, as a condition of granting a license, that an applicant operate an excursion gambling boat which, as nearly as practicable, resembles or is a part of Missouri's or the home dock city's or county's riverboat history.

4. The commission shall encourage through its rules and regulations the use of Missouri resources, goods and services in the operation of any excursion gambling boat.

5. The excursion gambling boat shall provide for nongaming areas, food service and a Missouri theme gift shop. The amount of space used for gaming shall be determined in accordance with all rules and regulations of the commission and the United States Coast Guard safety

regulations.

6. A license to operate gambling games or to operate an excursion gambling boat shall not be granted unless the applicant has, through clear and convincing evidence, demonstrated financial responsibility sufficient to meet adequately the requirements of the proposed enterprise.

7. [The] **Each** applicant shall establish by clear and convincing evidence its fitness to be licensed [if]. **Without limitation, the commission may deny a license based solely on the fact that** there is evidence that any of the following apply:

(1) The applicant has been suspended from operating an excursion gambling boat or a game of chance or gambling operation in another jurisdiction by a board or commission of that jurisdiction;

(2) The applicant is not the true owner of the enterprise proposed;

(3) The applicant is not the sole owner, and other persons have ownership in the enterprise, which fact has not been disclosed;

(4) The applicant is a corporation that is not publicly traded and ten percent or more of the stock of the corporation is subject to a contract or option to purchase at any time during the period for which the license is to be issued unless the contract or option was disclosed to the commission and the commission approved the sale or transfer during the period of the license;

(5) The applicant has knowingly made a false statement of a material fact to the commission; or

(6) The applicant has failed to meet a valid, bona fide monetary obligation in connection with an excursion gambling boat.

8. A license shall not be granted if the applicant has not established his good repute and moral character or if the applicant has pled guilty to, or has been convicted of, a felony. No licensee shall employ or contract with any person who has pled guilty to, or has been convicted of, a felony to perform any duties directly connected with the licensee's privileges under a license granted pursuant to this section, except that employees performing nongaming related occupations as determined by the commission shall be exempt from the requirements of this subsection.

9. A licensee shall not lend to any person money or any other thing of value for the purpose of permitting that person to wager on any gambling game authorized by law. This does not prohibit credit card or debit card transactions or cashing of checks. Any check cashed must be deposited within twenty-four hours. The commission may require licensees to verify a sufficient account balance exists before cashing any check. Any licensee who violates the provisions of this subsection shall be subject to an administrative penalty of five thousand dollars for each violation. Such administrative penalties shall be assessed and collected by the commission.

10. Gambling excursions including the operation of gambling games on an excursion gambling boat which is not continuously docked shall be allowed only on the Mississippi River and the Missouri River. No license to conduct gambling games on an excursion gambling boat in a city

or county shall be issued unless and until the qualified voters of the city or county approve such activities pursuant to this subsection. The question shall be submitted to the qualified voters of the city or county at a general, primary or special election upon the motion of the governing body of the city or county or upon the petition of fifteen percent of the qualified voters of the city or county determined on the basis of the number of votes cast for governor in the city or county at the last election held prior to the filing of the petition. The question shall be submitted in substantially the following form:

Shall the City (County) of allow the licensing of excursion gambling boats or floating facilities as now or hereafter provided by Missouri gaming law in the city (county)?

YES

NO

If a majority of the votes cast on the question by the qualified voters voting thereon are in favor of the question, then the commission may license excursion gambling boats in that city or county and such boats may operate on the Mississippi River and the Missouri River. If a majority of the votes cast on the question by the qualified voters voting thereon are opposed to the question, then the commission shall not license such excursion gambling boats in such city or county unless and until the question is again submitted to and approved by a majority of the qualified voters of the city or county at a later election. Excursion gambling boats may only dock in a city or unincorporated area of a county which approves licensing of such excursion gambling boats pursuant to this subsection, but gambling operations may be conducted at any point on the Mississippi River or the Missouri River during an excursion. Those cities and counties which have approved by election pursuant to this subsection, except those cities or counties which have subsequently rejected by election, the licensing of any type of excursion gambling boats in the city or county prior to April 6, 1994, are exempt from any local election requirement of this section as such previous election shall have the same effect as if held after May 20, 1994.

11. If a docking fee is charged by a city or a county, a licensee operating an excursion gambling boat shall pay the docking fee prior to the start of the excursion season.

12. Any licensee shall not be delinquent in the payment of property taxes or other taxes or fees or in the payment of any other contractual obligation or debt due or owed to the state or a political subdivision of the state.

13. An excursion gambling boat licensed by the state shall meet all of the requirements of chapter 306, RSMo, and is subject to an inspection of its sanitary facilities to protect the environment and water quality by the commission or its designee before a license to operate an excursion gambling boat is issued by the commission. Licensed excursion gambling boats shall also be subject to such inspections during the period of the license as may be deemed necessary by the commission. The cost of such inspections shall be paid by the licensee.

14. A holder of any license shall be subject to imposition of penalties, suspension or revocation of such license, or [other action] **if the person is an applicant for licensure, have**

the person's application denied, for any act or failure to act by himself or his agents or employees, that is injurious to the public health, safety, morals, good order and general welfare of the people of the state of Missouri, or that would discredit or tend to discredit the Missouri gaming industry or the state of Missouri unless the licensee proves by clear and convincing evidence that it is not guilty of such action. The commission shall take appropriate action against any licensee who violates the law or the rules and regulations of the commission. Without limiting other provisions of this subsection, the following acts or omissions may be grounds for such discipline:

(1) Failing to comply with or make provision for compliance with sections 313.800 to 313.850, the rules and regulations of the commission or any federal, state or local law or regulation;

(2) Failing to comply with any rule, order or ruling of the commission or its agents pertaining to gaming;

(9) Incompetence, misconduct, gross negligence, fraud, misrepresentation or dishonesty in the performance of the functions or duties regulated by sections 313.800 to 313.850.

313.815. A licensee licensed to operate gambling games under sections 313.800 to 313.850 shall post a bond or other form of surety from a firm licensed to conduct a surety business in this state, as approved by the commission, to the state of Missouri before the license is issued in a sum as the commission shall fix, with sureties approved by the commission. The bond or other form of surety approved by the commission shall be used to guarantee that the licensee faithfully makes the payments, keeps its books and records and makes reports, and conducts its gambling games

in conformity with sections 313.800 to 313.850 and the rules adopted by the commission. **The bond or other form of surety may be used to guarantee the completion of any expansion or modification of a gaming facility in a time period which shall be the later of the time period approved by the commission or four years from the effective date of this act. Failure to complete an approved expansion or modification of a gaming facility within such time period as aforesaid may be considered sufficient grounds for not renewing the license for that gaming facility.** The bond or other form of surety approved by the commission shall not be canceled by a surety on less than thirty days' notice in writing to the commission. If a bond or other form of surety approved by the commission is canceled and the licensee fails to file a new bond or other form of surety approved by the commission with the commission in the required amount on or before the effective date of cancellation, the licensee's license shall be revoked. The licensee shall exchange the [gambling] tokens, chips, or other forms of wagering credit for money at the request of the wagerer.

4. A person under twenty-one years of age shall not make a wager on an excursion gambling boat and shall not be allowed in the area of the excursion boat where gambling is being conducted; provided that employees of the licensed operator of the excursion gambling boat who have attained eighteen years of age shall be permitted in the area in which gambling is being conducted when performing employment-related duties, except that no one under twenty-one years of age may be employed as a dealer or accept a wager on an excursion gambling boat. The governing body of a home dock city or county may restrict the age of entrance onto an excursion gambling boat by passage of a local ordinance.

5. A licensee shall only allow wagering and conduct gambling games at the times allowed by the commission.

313.822. A tax is imposed on the adjusted gross receipts received from gambling games authorized [under] **pursuant to** sections 313.800 to 313.850 at the rate of twenty percent. The taxes imposed by this section shall be returned to the commission in accordance with the commission's rules and regulations who shall transfer such taxes to the director of revenue. All checks and drafts remitted for payment of these taxes and fees shall be made payable to the

director of revenue. If the commission is not satisfied with the return or payment made by any licensee, it is hereby authorized and empowered to make an assessment of the amount due based upon any information within its possession or that shall come into its possession. Any licensee against whom an assessment is made by the commission may petition for a reassessment. The request for reassessment shall be made within **[ten] twenty** days from the date the assessment was mailed or delivered to the licensee, whichever is earlier. Whereupon the commission shall give notice of a hearing for reassessment and fix the date upon which the hearing shall be held. The assessment shall become final if a request for reassessment is not received by the commission within the **[ten] twenty** days. Except as provided in this section, on and after April 29, 1993, all functions incident to the administration, collection, enforcement, and operation of the tax imposed by sections 144.010 to 144.525, RSMo, shall be applicable to the taxes and fees imposed by this section.

The home dock city or county shall receive ten percent of the adjusted gross receipts tax collections, as levied **[under] pursuant to** this section, for use in providing services necessary for the safety of the public visiting an excursion gambling boat. Such home dock city or county shall annually submit to the commission a shared revenue agreement with any other city or county. All moneys owed the home dock city or county shall be deposited and distributed to such city or county in accordance with rules and regulations of the commission. All revenues provided for in this section to be transferred to the governing body of any city not within a county and any city with a population of over three hundred fifty thousand inhabitants shall not be considered state funds and shall be deposited in such city's general revenue fund to be expended as provided for in this section.

(2) The remaining amount of the adjusted gross receipts tax shall be deposited in the state treasury to the credit of the "Gaming Proceeds for Education Fund" which is hereby created in the state treasury. Moneys deposited in this fund shall be considered the proceeds of excursion boat gambling and state funds pursuant to article IV, section 15 of the Missouri Constitution. All interest received on the gaming proceeds for education fund shall be credited to the gaming proceeds for education fund.
