

# Journal of the Senate

SECOND REGULAR SESSION

TWENTY-EIGHTH DAY—TUESDAY, FEBRUARY 22, 2000

The Senate met pursuant to adjournment.

President Pro Tem Quick in the Chair.

The Reverend Carl Gauck offered the following prayer:

In a dark time during the period of the Reformation, Martin Luther entered a melancholy mood, to wit his wife Kate put on mourning clothes. When Luther asked her why his wife Kate responded: "Why, I thought that God had died, the way that you've been acting; and so I thought it proper that I should go into mourning."

Gracious God, You know how often we plod along our pathways as though Your house was empty, as though there were no living and loving Father there to care for us, guide us, and shield us with His might and mercy. Help us to have the faith and trust in You that lightens our steps and strengthens our resolve so that we may use the gifts You have given us to complete the work You have given us to do. In Your Holy Name we pray. Amen.

The Pledge of Allegiance to the Flag was recited.

A quorum being established, the Senate proceeded with its business.

The Journal of the previous day was read and approved.

The following Senators were present during the day's proceedings:

WHEREAS, Missouri producers must have readily available markets in order to remain competitive in the agriculture industry; and

WHEREAS, the ongoing trend of consolidation and mergers in American agriculture economy is having an adverse impact on Missouri farmers and ranchers; and

WHEREAS, farmers' and ranchers' concerns are highlighted by the recent court injunction on the purchase of Murphy Family Farms, Inc. assets in Missouri by Smithfield Foods, Inc.; and

WHEREAS, other Midwestern states have raised similar concerns about the same transaction and have received similar court rulings; and

WHEREAS, this transaction is but one example of the level of interest in antitrust issues particularly within the agricultural sector of the economy; and

WHEREAS, competition remains critical for agricultural producers for the inputs they purchase and the products they sell; and

WHEREAS, the absence of competitive markets not only hurts farmers but ultimately will hurt consumers as well; and

WHEREAS, these anti-competitive forces are not targeted at specific states, but are more regional, national and in some cases, international in nature; and

WHEREAS, the Missouri legislature believes Congress, the United States Department of Agriculture and the United States Department of Justice should do more on consolidation and concentration issues in the agricultural sector; and

WHEREAS, in the absence of action by Congress, several state legislatures are pursuing ways to combat the anti-competitive forces currently at work in the agriculture markets; and

WHEREAS, Missouri lawmakers' concerns are heightened by the importance of agriculture to Missouri's rural communities; and

WHEREAS, Missouri lawmakers believe that consolidation and concentration issues of this magnitude demand prompt attention by lawmakers and regulators at the federal level:

NOW THEREFORE BE IT RESOLVED that the members of the Senate of the Ninetieth General Assembly, Second Regular Session, the House of Representatives concurring therein, hereby call upon the 106th Congress of the United States to immediately:

1. Expand the United States Department of Agriculture's role in evaluating agribusiness mergers and acquisitions;
2. Encourage the appointment of an Assistant Attorney General at the Department of Justice with the sole responsibility of

handling agriculture mergers and acquisition;

3. Provide additional resources to expand the capability of the Grain Inspection, Packers and Stockyards Administration (GIPSA) to monitor, investigate and pursue the competitive implications of structural changes in the meat packing industry;

4. Support an increase in the staff of the Transportation, Energy and Agriculture section of the Department of Justice;

5. Prohibit the enforcement of confidentiality clauses in livestock production contracts and grain production contracts except to the extent that a legitimate trade secret is being protected;

6. Allow GIPSA to seek reparations for producers when a packer is found to be engaged in predatory or unfair practices;

7. Provide contract poultry growers the same protections as livestock producers by extending the powers of GIPSA to cover live poultry dealers;

8. Authorize a statutory trust for the protection of cash sellers to livestock dealers; and

9. Consider any other measure that will lead to greater competition within the United States' agricultural sector; and

BE IT FURTHER RESOLVED that the Secretary of the Senate be instructed to prepare properly inscribed copies of this resolution for the Missouri Congressional delegation, the United States Department of Agriculture, and the United States Department of Justice.

Mr. President: I am instructed by the House of Representatives to inform the Senate that the House has taken up and adopted and third read **HCR 10**:

### HOUSE CONCURRENT RESOLUTION NO. 10

WHEREAS, the legislature determines it is advisable to promote uniformity among the methods used by insurers of this state to value life insurance policies; and

WHEREAS, the National Association of Insurance Commissioners have adopted model regulations for the valuation of life insurance policies which, if used by insurers in this state, would unify the valuation of life insurance policies in this state; and

NOW, THEREFORE, BE IT RESOLVED that the members of the Missouri House of Representatives of the Ninetieth General Assembly, Second Regular Session, the Senate concurring therein, hereby direct the department of insurance to promulgate regulations governing the valuation of life insurance policies and hereby

recommend that the department of insurance adopt the "Valuation of Life Insurance Policies Model Regulation" adopted by the National Association of Insurance Commissioners.

In which the concurrence of the Senate is respectfully requested.

Also,

Mr. President: I am instructed by the House of Representatives to inform the Senate that the House has taken up and adopted and third read **HCR 17**:

### HOUSE CONCURRENT RESOLUTION NO. 17

Whereas, Derrick Thomas' immense talent on the football field was matched by his caring and generous spirit in the Kansas City community; and

Whereas, in his eleven year career as a Kansas City Chief, Derrick Thomas established himself as one of the NFL's most dominant defensive players and feared pass rushers, and firmly etched his place in history as one of the Kansas City Chiefs best linebackers; and

Whereas, Derrick Thomas made nine Pro Bowl appearances, the most of any player in the illustrious history of the Kansas City Chiefs; established team career records for sacks, safeties and fumble recoveries during his career; and his twenty sacks in 1990 set a Chiefs single-season mark, with his seven-sack game in 1990 setting an NFL single-game record; and

Whereas, Derrick Thomas was named the Chiefs Most Valuable Player following the 1991 and 1994 seasons, won the 1994 Genuine Heroes Award and received the league's two most prestigious humanitarian awards: the 1993 NFL Man of the Year and the 1995 Byron "Whizzer" White Humanitarian Award for service to team, community and country; and

Whereas, as the son of an Air Force Captain, Derrick Thomas was five years old when his father's plane was shot down while it was returning from a mission in Vietnam on December 17, 1972. With his father declared legally dead in 1980 as a Vietnam MIA, Derrick Thomas had a special relationship with veterans. He delivered the keynote address at the Vietnam Veterans Memorial during the Memorial Day ceremony in 1993 and volunteered regularly at Kansas City's veterans' hospital; and

Whereas, the notable achievements of Derrick Thomas off the football field were equally remarkable to his achievements on the football field. Derrick started an inner-city reading program with his "Third and Long Foundation" ten years ago and as its founder read to children at local libraries each home Saturday during football season; he was the Kansas City Chief's United Way spokesperson; and he was designated by former President George Bush as the "832nd point of light" in the President's Thousand Points of Light campaign;

Now, therefore, be it resolved that the members of the House of Representatives of the Ninetieth General Assembly, Second Regular Session, the Senate concurring therein, do hereby instruct

the State Highways and Transportation Commission and the Department of Transportation to take action immediately to name a section of Interstate 70 from Blue Ridge Cut Off at the George Brett Bridge on the west to Highway 291 on the east, the "Derrick Thomas Memorial Highway".

Be it further resolved that the Chief Clerk of the Missouri House of Representatives be instructed to prepare properly inscribed copies of this resolution for the State Highways and Transportation Commission and the director of the Department of Transportation.

In which the concurrence of the Senate is respectfully requested.
