SECOND REGULAR SESSION

**THIRTIETH DAY—THURSDAY, FEBRUARY 24, 2000**

The Senate met pursuant to adjournment.

Senator Johnson in the Chair.

The Reverend Carl Gauck offered the following prayer:

“As a man thinks in his heart, so is he.” (Proverbs 23:7)

Creator, Redeemer of this world, hear our prayer this day as we prepare to finish up our work and head home to be with loved ones and family. Let us be mindful that You are the Creator and we are the creature. You have created us so that we might be comforted knowing that we are just men and women, husbands and wives, fathers and mothers called to be interdependent with one another and therefore in need of one another to be made whole by thinking no more of ourselves than we should. Help us use this time for rest and recreation, doing all things in moderation. Amen.

The Pledge of Allegiance to the Flag was recited.

A quorum being established, the Senate proceeded with its business.

### CONCURRENT RESOLUTIONS

#### SENATE CONCURRENT RESOLUTION NO. 28

WHEREAS, a petition is being circulated to radically change Missouri law with respect to the regulation of outdoor advertising signs; and

WHEREAS, every year since 1995, the General Assembly has enacted legislation increasing the restrictions on outdoor advertising signs; and

WHEREAS, after reaching a reasonable compromise agreement that met with the approval of both the advertising industry and citizens interested in scenic beauty, in 1999 the General Assembly made several changes further restricting outdoor advertising signs; and

WHEREAS, outdoor advertising signs have already been reduced from over 40,000 signs in 1968 to approximately 13,500 this year, and will eventually be further reduced under the current statute; and

WHEREAS, the outdoor advertising industry in this state employs 500 people directly, and 5,000 people indirectly; and annually pays over \$17.5 million in payroll and \$12 million in lease payments to landowners; and

WHEREAS, tourism and travel related services use 70% of the outdoor advertising signs; and

WHEREAS, at \$12 billion a year, with over 200,000 employees, Missouri tourism is one of the top three industries in the

state; and

WHEREAS, the proposed petition goes too far and would require the expenditure of millions of tax dollars to condemn and remove signs, and would prevent the routine removal of vegetation growing up in front of existing signs, and would have a deleterious impact on the tourism industry in Missouri, and on rural landowners who depend on lease payments:

NOW, THEREFORE, BE IT RESOLVED by the Missouri Senate, Ninetieth General Assembly, Second Regular Session, the House of Representatives concurring therein, hereby find no justification at this time for further statutory changes related to the outdoor advertising industry in Missouri; and

BE IT FURTHER RESOLVED that the Secretary of the Senate be instructed to prepare properly inscribed copies of this resolution for Karl Kruse, Save Our Scenery 2000 Campaign Committee and the Director of the Missouri Department of Transportation.
