AN ACT

To repeal section 303.041 as enacted in house bill no. 1797 by the ninetieth general assembly, second regular session and as enacted in senate bill no. 19 by the ninetieth general assembly, first regular session, relating to administrative procedure, and to enact in lieu thereof one new section relating to the same subject.

Be it enacted by the General Assembly of the State of Missouri, as follows:

Section A. Section 303.041 as enacted in house bill no. 1797 by the ninetieth general assembly, second regular session and as enacted in senate bill no. 19 by the ninetieth general assembly, first regular session, are repealed and one new section enacted in lieu thereof, to be known as section 303.041, to read as follows:

303.041. 1. If the director determines that as a result of a verification sample or accident report that the owner of a motor vehicle has not maintained financial responsibility, or if the director determines as a result of an order of [court] supervision that the operator of a motor vehicle has not maintained the financial responsibility as required in this chapter, the director shall thirty-three days after mailing notice, suspend the driving privilege of the owner or operator and/or the registration of the vehicle failing to meet such requirement. The notice of suspension shall be mailed to the person at the last known address shown on the department's records. The notice of suspension is deemed received three days after mailing. The notice of suspension shall clearly specify the reason and statutory grounds for the suspension and the effective date of the suspension, the right of the person to request a hearing, the procedure for requesting a hearing, and the date by which that request for a hearing must be made. If the request for a hearing is received by the department prior to the effective date of the suspension, the effective date of the suspension will be stayed until a final order is issued following the hearing.

EXPLANATION--Matter enclosed in bold-faced brackets [thus] in this bill is not enacted and is intended to be omitted in the law.

2. Neither the fact that subsequent to the date of verification or conviction, the owner acquired the required liability insurance policy nor the fact that the owner terminated ownership of the motor vehicle, shall have any bearing upon the director's decision to suspend. Until it is terminated, the suspension shall remain in force after the registration is renewed or a new registration is acquired for the motor vehicle. The suspension also shall apply to any motor vehicle to which the owner transfers the registration. Effective January 1, 2000, the department shall not extend any suspension for failure to pay a delinquent late surrender fee pursuant to this subsection.
