[At the close of business on each day thereafter until the opening day of the session, bills and joint resolutions received during the day shall be assigned numbers in the same manner, that is, by seniority from the total number of measures filed each day, with a limit of three bills or joint resolutions per rotation of the seniority list.]

- (5) In the case of equal continuous and equal prior non-continuous senate service and equal prior house service by members of the same party, seniority shall be determined by the caucus of that party.]

Rule 45. There shall be a senate consent calendar. The sponsor of a senate bill shall first give notice of desire to have a bill placed upon the senate consent calendar by filing in writing, with the chairman of the committee to which the bill was referred, a notice of intent one day prior to a committee hearing. The notice of intent shall set forth the nature of the legislation, the fact that it is not a controversial bill, and a request that the senate committee recommend that the bill be placed upon the consent calendar. **A bill shall not be considered as consent if it increases net expenditures**

of the state by more than one hundred thousand dollars, reduces net revenue of the state by more than one hundred thousand dollars or if it contains penalty provisions. The bill will go to the senate consent calendar if, a quorum being present, it receives a unanimous affirmative vote of do pass by all members present at the senate committee to which the bill was referred, and there is thereafter a motion made and unanimously carried by affirmative vote of all those present that it be placed upon the consent calendar. Any bill approved by committee, for consent, may be reported to the consent calendar at any time the Senate goes to the order of business of committee reports. When a bill is placed upon the consent calendar, third reading shall not commence until the fifth legislative day. During this four-day period, starting with the first day the bill appears on the consent calendar in the Journal any member or the Committee on Rules, Joint Rules and Resolutions may, by filing written objection, direct that it be returned to the senate committee from which it was reported for action in accordance with the rules of the senate. A bill placed upon the senate consent calendar shall not be subject to amendment, except for committee amendments, and after the committee amendments have been disposed of shall be third read as though it had previously been perfected. If returned to committee, the chairman may report the bill to the senate at the next time that order of business is taken up, without further action of the committee. No senate bill may be placed on the consent calendar after March fifteenth and no house bill shall be placed on the consent calendar after April fifteenth.

Rule 48. No bills, other than appropriation bills, shall be introduced in the senate after [March first] **February 15** of any regular session unless consented to by a majority of the elected members of the senate, and no bills other than appropriation bills shall be introduced in the senate after the sixtieth legislative day of any regular session, unless consented to by a majority of the elected members of the house and senate, or the governor requests consideration of the proposed legislation by a special message.
