SENATE RESOLUTION NO. 186

WHEREAS, the members of the Missouri Senate always welcome the opportunity to acknowledge notable achievements in the professional careers of former Show-Me State high school athletes who have subsequently attained fame on national and international fields of competition; and

WHEREAS, Kyle Davis Richardson played defensive back, punter, kicker, and receiver as a three-year starter and All-conference/All-region member of the football team at Farmington High School in Missouri's St. Francois County where he also garnered basketball and track honors; and

WHEREAS, a walk-on player at Arkansas State University his freshman year, Kyle Richardson walked off four years later with the most punts, 274, and most yards, 10,917, in school history; and

WHEREAS, playing with the Rhein Fire of the World League for the 1996 season, Kyle Richardson entered the National Football League (NFL) when he signed with Miami on September 3, 1997, and then with Seattle on November 14; and

WHEREAS, Kyle Richardson saw action in five games while on the Miami and Seattle teams during which time he established greater-than-forty-yard averages and demonstrated his propensity for dropping punts inside the 20-yard line; and

WHEREAS, joining the Baltimore Ravens squad as a free agent for the 1998 season, Kyle Richardson immediately got down to work setting seven Ravens punting records and landing nearly one-third of his punts inside the 20, much to the consternation of opposing receivers who often opted for fair catches rather than attempt the herculean task of gaining ground from such a miserable position; and

WHEREAS, leading the NFL in 2000 for the second straight year with 35 punts inside the 20, Kyle Richardson continues to demonstrate a tremendous tenacity and the ability to scramble successfully after poor hikes and to perform wonderfully under less-than-ideal conditions in mud and rain:

NOW, THEREFORE, BE IT RESOLVED that we, the members of the Missouri Senate, Ninety-first General Assembly, join unanimously to applaud the exceptional athletic record of native Missourian Kyle Richardson and to convey to him this legislative body's tremendous pride in his accomplishments in the world of professional football together with our best wishes for continued success; and

BE IT FURTHER RESOLVED that the Secretary of the Senate be instructed to prepare a properly inscribed copy of this resolution in honor of Baltimore Ravens Kyle Davis Richardson.

Senator Kenney offered the following resolution:

SENATE RESOLUTION NO. 187

Notice of Proposed Rule Change

BE IT RESOLVED by the Senate of the Ninety-First General Assembly, First Regular Session, that Senate Rule 45 be amended to read as follows:

"Rule 45. There shall be a senate consent calendar. The sponsor of a senate bill shall first give notice of desire to have a bill placed upon the senate consent calendar by filing in writing, with the chairman of the committee to which the bill was referred, a notice of intent one day prior to a committee hearing. The notice of intent shall set forth the nature of the legislation, the fact that it is not a controversial bill, and a request that the senate committee recommend that the bill be placed upon the consent calendar. A bill shall not be considered as consent if it increases net expenditures of the state by more than \$100,000, reduces net revenue of the state by

more than \$100,000 [or if it contains penalty provisions], **increases an existing civil or criminal penalty or if it creates a new civil or criminal penalty.** The bill will go to the senate consent calendar if, a quorum being present, it receives a unanimous affirmative vote of do pass by all members present at the senate committee to which the bill was referred, and there is thereafter a motion made and unanimously carried by affirmative vote of all those present that it be placed upon the consent calendar. Any bill approved by committee, for consent, may be reported to the consent calendar at any time the Senate goes to the order of business of committee reports. When a bill is placed upon the consent calendar, third reading shall not commence until the fifth legislative day. During this four-day period, starting with the first day the bill appears on the consent calendar in the Journal any member or the Committee on Rules, Joint Rules and Resolutions may, by filing written objection, direct that it be returned to the senate committee from which it was reported for action in accordance with the rules of the senate. A bill placed upon the senate consent calendar shall not be subject to amendment, except for committee amendments, and after the committee amendments have been disposed of shall be third read as though it had previously been perfected. If returned to committee, the chairman may report the bill to the senate at the next time that order of business is taken up, without further action of the committee. No senate bill may be placed on the consent calendar after March fifteenth and no house bill shall be placed on the consent calendar after April fifteenth.”.
