

# Journal of the Senate

FIRST REGULAR SESSION

**TWENTY-EIGHTH DAY—TUESDAY, FEBRUARY 20, 2001**

The Senate met pursuant to adjournment.

President Maxwell in the Chair.

Reverend Carl Gauck offered the following prayer:

“To discover God in the smallest and most ordinary things, as well as in the greatest, is to possess a rare and sublime faith.” (Jean-Pierre De Caussade)

Almighty God, You know how we can become so preoccupied that we miss only the biggest of things going on around us. Help us to also be aware of small things such as small acts of kindness and courtesy, caring and joy. Help us to embrace all that is about us there for our joy and happiness to comfort and support us. Let us not be so taken with ourselves so that we have little room for others about us who need what only we may be able to provide and therefore miss our opportunity to serve you Oh God. Amen.

The Pledge of Allegiance to the Flag was recited.

A quorum being established, the Senate proceeded with its business.

6. The director may adopt rules and regulations necessary to carry out the provisions of this section.

302.178. 1. Beginning January 1, 2001, any person between the ages of sixteen and eighteen years who is qualified to obtain a license pursuant to sections 302.010 to 302.340, may apply for, and the director shall issue, an intermediate driver's license entitling the applicant, while having such license in his or her possession, to operate a motor vehicle of the appropriate class upon the highways of this state in conjunction with the requirements of this section. An intermediate driver's license shall

be readily distinguishable from a license issued to those over the age of eighteen. All applicants for an intermediate driver's license shall:

(1) Successfully complete the examination required by section 302.173;

(2) Pay the fee required by subsection 3 of this section;

(3) Have had a temporary instruction permit issued pursuant to subsection 1 of section 302.130 for at least a six-month period or a valid license from another state; and

(4) Have a parent, grandparent or legal guardian sign the application stating that the applicant has **either completed a driver training program taught by a driver training instructor holding a valid driver education endorsement on a teaching certificate issued by the department of elementary and secondary education, or by a qualified instructor of a private drivers' education program**, or at least twenty hours of supervised driving experience under a temporary instruction permit issued pursuant to subsection 1 of section 302.130, or, if the applicant is an emancipated minor, the person over twenty-one years of age who supervised such driving. For purposes of this section, the term "emancipated minor" means a person who is at least sixteen years of age, but less than eighteen years of age, who:

(a) Marries with the consent of the legal custodial parent or legal guardian pursuant to section 451.080, RSMo;

(b) Has been declared emancipated by a court of competent jurisdiction;

(c) Enters active duty in the armed forces;

(d) Has written consent to the emancipation from the custodial parent or legal guardian; or

(e) Through employment or other means provides for such person's own food, shelter and other cost-of-living expenses;

(5) Have had no alcohol-related enforcement contacts as defined in section 302.525 during the preceding twelve months; and

(6) Have no nonalcoholic traffic convictions

for which points are assessed pursuant to section 302.302, within the preceding six months.

2. An intermediate driver's license grants the licensee the same privileges to operate that classification of motor vehicle as a license issued pursuant to section 302.177, except that no person shall operate a motor vehicle on the highways of this state under such an intermediate driver's license between the hours of 1:00 a.m. and 5:00 a.m. unless accompanied by a person described in subsection 1 of section 302.130; except the licensee may operate a motor vehicle without being accompanied if the travel is to or from a school or educational program or activity, a regular place of employment or in emergency situations as defined by the director by regulation. Each intermediate driver's license shall be restricted by requiring that the driver and all passengers in the licensee's vehicle wear safety belts at all times. This safety belt restriction shall not apply to a person operating a motorcycle.

3. Notwithstanding the provisions of section 302.177 to the contrary, the fee for an intermediate driver's license shall be five dollars and such license shall be valid for a period of two years.

4. Any intermediate driver's licensee accumulating six or more points in a twelve-month period may be required to participate in and successfully complete a driver-improvement program approved by the director of the department of public safety. The driver-improvement program ordered by the director of revenue shall not be used in lieu of point assessment.

5. (1) An intermediate driver's licensee who has, for the preceding twelve-month period, had no alcohol-related enforcement contacts, as defined in section 302.525 and no traffic convictions for which points are assessed, upon reaching the age of eighteen years may apply for and receive without further examination, other than a vision test as prescribed by section 302.173, a license issued pursuant to this chapter granting full driving privileges. Such person shall pay the required fee for such license as prescribed in section 302.177.

(2) The director of revenue shall deny an application for a full driver's license until the

person has had no traffic convictions for which points are assessed for a period of twelve months prior to the date of application for license or until the person is eligible to apply for a six-year driver's license as provided for in section 302.177, provided the applicant is otherwise eligible for full driving privileges. An intermediate driver's license shall expire when the licensee is eligible and receives a full driver's license as prescribed in subdivision (1) of this section.

6. No person upon reaching the age of eighteen years whose intermediate driver's license and driving privilege is denied, suspended, canceled or revoked in this state or any other state, for any reason may apply for a full driver's license until such license or driving privilege is fully reinstated. Any such person whose intermediate driver's license has been revoked pursuant to the provisions of sections 302.010 to 302.540 shall, upon receipt of reinstatement of the revocation from the director, pass the complete driver examination, apply for a new license, and pay the proper fee before again operating a motor vehicle upon the highways of this state.

7. A person shall be exempt from the intermediate licensing requirements if the person has reached the age of eighteen years and meets all other licensing requirements.

8. Any rule or portion of a rule, as that term is defined in section 536.010, RSMo, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536, RSMo, and, if applicable, section 536.028, RSMo. This section and chapter 536, RSMo, are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536, RSMo, to review, to delay the effective date or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2000, shall be invalid and void."; and

Further amend the title and enacting clause accordingly.

Senator Gross moved that the above amendment be adopted, which motion prevailed.

The license suspension or revocation shall become effective fifteen days after the subject person has received the notice of suspension or revocation as provided in section 302.520, or is deemed to have received the notice of suspension or revocation by mail as provided in section 302.515. If a request for a hearing is received by or postmarked to the department within that fifteen-day period, the effective date of the suspension or revocation shall be stayed until a final order is issued following the hearing; provided, that any delay in the hearing which is caused or requested by the subject person or counsel representing that person without good cause shown shall not result in a stay of the suspension or revocation during the period of delay.

2. The period of license suspension or revocation under this section shall be as follows:

(1) If the person's driving record shows no prior

alcohol related enforcement contacts during the immediately preceding five years:

(a) The period of suspension, **where the blood alcohol content is eight-hundredths of one percent by weight up to ten hundredths of one percent by weight, or no proof of blood alcohol content is available**, shall be thirty days after the effective date of suspension, followed by a sixty-day period of restricted driving privilege issued by the director of revenue for the limited purpose of driving in connection with the person's business, occupation, or employment, and to and from an alcohol education or treatment program;

(c) The period of suspension, **where the blood alcohol content, if available, is thirteen-hundredths of one percent by weight up to fifteen-hundredths of one percent by weight, shall be sixty days after the effective date of suspension, followed by a thirty-day period of restricted driving privilege issued by the director of revenue for the limited purpose of driving in connection with the person's business, occupation, or employment, and to and from an alcohol education or treatment program;**

or section 302.535 until the person has completed the [first thirty days] **initial duration** of [a] suspension under this section;

(2) The period of revocation shall be one year if the person's driving record shows one or more prior alcohol related enforcement contacts during the immediately preceding five years.

3. For purposes of this section, "alcohol related enforcement contacts" shall include any suspension or revocation under sections 302.500 to 302.540, any suspension or revocation entered in this or any other state for a refusal to submit to chemical testing under an implied consent law, and any conviction in this or any other state for a violation which involves driving a vehicle while having an unlawful alcohol concentration.

4. Where a license is suspended or revoked under this section and the person is also convicted on charges arising out of the same occurrence for a violation of section 577.010 or 577.012, RSMo, or for a violation of any county or municipal ordinance prohibiting driving while intoxicated or alcohol related traffic offense, both the suspension or revocation under this section and any other suspension or revocation under this chapter shall be imposed, but the period of suspension or revocation under sections 302.500 to 302.540 shall be credited against any other suspension or revocation imposed under this chapter, and the total period of suspension or revocation shall not exceed the longer of the two suspension or revocation periods."; and
