

Journal of the Senate

FIRST REGULAR SESSION

THIRTY-FOURTH DAY—THURSDAY, MARCH 1, 2001

The Senate met pursuant to adjournment.

President Maxwell in the Chair.

Reverend Carl Gauck offered the following prayer:

“Saying “Yes” to God’s gift of love and life primarily and above all else means choosing love as a life principle.” (John Powell)

God of love, as we complete this day and journey back to those we love, we are so thankful for teaching us the meaning of loving imperfect people as ourselves so that we may learn to overlook the flaws of those whom You have given us to love and who love us. Help us make love our “life principle” and express it in the varied and many relationships we have and in Your presence this weekend make it known unto You. Amen.

The Pledge of Allegiance to the Flag was recited.

A quorum being established, the Senate proceeded with its business.

The Journal of the previous day was read and approved.

CONCURRENT RESOLUTIONS

Senator DePasco offered the following concurrent resolution:

SENATE CONCURRENT RESOLUTION NO. 23

WHEREAS, the current crisis in the domestic steel industry which began in 1997 has led fourteen steel companies to file for bankruptcy, and now led to the bankruptcy of GS Industries and the announced closure of GST Steel in Kansas City which will cause job losses at GST and for vendors around the state resulting in hardship in those communities across the state of Missouri; and

WHEREAS, this crisis has been generated by surges in United States imports of steel, both from countries whose currencies have depreciated and from steel producing countries that are no longer able to export steel to the countries in economic crisis; and

WHEREAS, foreign government trade restrictions and private restraints of trade distort international trade and investment patterns and result in burdens on United States commerce, including absorption of a disproportionate share of diverted steel trade, which ultimately have a detrimental effect on this state's economy; and

WHEREAS, there is a well-recognized need for improvements in the enforcement of United States trade laws to provide an effective response to these situations:

NOW THEREFORE BE IT RESOLVED that the members of the Missouri Senate, Ninety-First General Assembly, First Regular Session, the House of Representatives concurring therein, hereby requests the President of the United States to commence immediate action to determine the entry into the customs territory of the United States of all steel products that are the product of or manufactured in Australia, China, South Africa, Ukraine, Kazakhstan, Indonesia, India, Japan, Russia, South Korea, Mexico or Brazil to determine whether the governments of those countries are abiding by the spirit and letter of international trade agreements with respect to imports of steel products into the United States, and take all actions necessary to enforce applicable trade agreements and laws of the United States pertaining to steel imports; and

BE IT FURTHER RESOLVED that the Missouri General Assembly requests the President of the United States to immediately impose a one-year ban on imports of all steel products of or are manufactured in Australia, China, South Africa, Ukraine,

Kazakhstan, Indonesia, India, Japan, Russia, South Korea, Mexico or Brazil if the President finds that the governments of those countries are not abiding by the spirit and letter of international trade agreements with respect to imports of steel products into the United States; and

NOW, THEREFORE, BE IT RESOLVED by the members of the Missouri Senate, Ninety-first General Assembly, First Regular Session, the House of Representatives concurring therein, that a joint legislative committee on Energy Resources be created to be composed of seven members of the Senate, to be appointed by the President Pro Tem of the Senate, and seven members of the House of Representatives, to be appointed by the Speaker of the House of Representatives; and
