

Notice of Proposed Rule Change

Notice is hereby given by the Senator from the Fourteenth of the one day's notice pursuant to Rule 97 of intent to put a motion to adopt the following rule change.

**SENATE RESOLUTION NO. 1028**

BE IT RESOLVED by the Senate of the Ninety-first General Assembly, Second Regular Session, that the rules of the Senate be amended to read as follows:

“Rule 50. Referrals of bills and appointments to committee shall be made by the president pro tem; and no bill shall be considered for final passage unless it has been reported on by a committee and printed for the use of the senators. A report of all bills recommended “do pass” by a committee shall be submitted to the senate by the chairman and all committee amendments accompanying the report shall be printed in the Journal.

After a bill has been referred to a committee, one-third of the senators elected has the power to relieve a committee of further consideration of a bill and place it on the calendar for consideration. In any case where a committee has been relieved of further consideration of a bill as herein provided, a majority of the senators present but not less than one-third of the senators elected, may, at any time before final passage thereof, again refer the bill to the same or some other committee for consideration. No bill or resolution shall be reported adversely by any committee until the author of the bill or resolution has been given an opportunity to appear and be heard before the committee to which it is referred.

**One-third of the senators elected may relieve a committee of an appointment and a motion to grant advice and consent of the Senate to that appointment is then in order at any time that a question is not pending or a Senator speaking.”**
