2862S.011

AN ACT

To amend chapter 281, RSMo, by adding thereto one new section relating to pesticide application in public buildings.

Be it enacted by the General Assembly of the State of Missouri, as follows:

Section A. Chapter 281, RSMo, is amended by adding thereto one new section, to be known as section 281.087, to read as follows:

281.087. Notice of the application of any pesticide, insecticide or herbicide in or around a public building shall be conspicuously posted in such building forty-eight hours prior to such application. The application of pesticides, insecticides or herbicides in public buildings shall, whenever possible, be conducted after normal business hours at night or on the weekend to reduce the number of persons present in the building during such application.
