SENATE RESOLUTION NO. 1124

WHEREAS, Wilma Bedell Ball came into this world near Great Falls, Montana, on January 5, 1917, and enjoyed a safe and secure childhood provided by her parents who raised her on a farm located on the Current River between the Missouri towns of Van Buren and Doniphan; and

WHEREAS, Wilma received her education in a one-room school house in the Ozarks before graduating from Doniphan High School and embarking upon a new and exciting chapter in her life with her marriage to her beloved Jasper P. Bedell, with whom she shared the love and admiration of four wonderful sons, Allen, Richard, Don, and Tom; and

WHEREAS, Wilma taught at the one-room school house she had attended as a child from 1934 to 1937, and went on to

distinguish herself as an educator in Louisiana where she served as an Elementary School Principal in Evangeline Parish from 1941 through 1949, and was honored as an Outstanding Lady - State of Louisiana and presided over Mardi Gras balls and parades in 1962; and

WHEREAS, Wilma earned distinction as the Executive Director and General Manager of the Southwest Louisiana Fair Association from 1949 to 1962 and entered the insurance business as a partner and manager of an agency in Eunice, Louisiana, in the 1950s, before returning to the Show-Me State following the death of her husband; and

WHEREAS, Wilma was fortunate to find true love once again when she married Kelly Ball, a kind and caring gentleman with whom she made her home in Poplar Bluff, Missouri, where she became a high school English teacher in 1967; and

WHEREAS, it wasn't until 1971 that Wilma became a Licensed Nursing Home Administrator, serving as Administrator for the Clark's Mountain Nursing Home in Piedmont, Missouri, from 1972 to 1985, and accepting the position of Administrator at Riverways Manor in Van Buren, Missouri; and

WHEREAS, a member of various civic, religious, and professional organizations, Wilma Ball continues to serve as the Administrator for Riverways Manor, a sixty-bed, skilled nursing facility where residents look to her for comfort and guidance and sincerely appreciate her genuine concern for them and their well-being:

NOW, THEREFORE, BE IT RESOLVED that we, the members of the Missouri Senate, Ninety-first General Assembly, unanimously join in a thunderous round of applause for Wilma Ball, a remarkable woman of peace and kindness in this world whose tremendous energy and incredible zest for life continue to serve as an inspiration to all those who know and love her; and

BE IT FURTHER RESOLVED that the Secretary of the Senate be instructed to prepare a properly inscribed copy of this resolution for Wilma Bedell Ball of Poplar Bluff, Missouri.

CONCURRENT RESOLUTIONS

Senators Kennedy and Steelman offered the following concurrent resolution:

SENATE CONCURRENT RESOLUTION NO. 52

WHEREAS, Mexico has no nationwide automated system for monitoring the safety history or violation records of Mexican companies and drivers, or a system to verify drivers' licenses, or drug testing for drivers, and it is therefore difficult for Missouri law enforcement personnel to obtain essential safety data; and

WHEREAS, if trucks from Mexico are allowed access to the state of Missouri, verification of foreign insurance policies and access to foreign judicial systems will be very difficult when accidents occur, possibly resulting in the delay of settlements and payments to the injured citizens of this state; and

WHEREAS, Mexico does not have labeling of hazardous or toxic cargo which poses a clear and present danger to the security of the State of Missouri if trucks transporting such cargo enter territory of the state without prior inspection at the border of the United States; and

WHEREAS, large quantities of illegal drugs are smuggled into Missouri from foreign nations, including Mexico; and

WHEREAS, the State of Missouri is promoting a "Customs Harmonization Pilot Project" designed to expedite international cargo movement by eliminating inspections at border crossings because of the North American Free Trade Agreement; and

WHEREAS, the State of Missouri's "Customs Harmonization Pilot Project" threatens to expedite passage of trucks from Mexico into the United States without inspection, and therefore does not adequately address the concerns and safety needs of the citizens of the State of Missouri:

NOW, THEREFORE, BE IT RESOLVED by the Missouri Senate, Ninety-first General Assembly, Second Regular Session, the House of Representatives concurring therein, hereby urge the Governor to oppose any effort to allow trucks to enter the State of Missouri without first being inspected at the border of the United States and Mexico; and

BE IT FURTHER RESOLVED that the members of the General Assembly memorializes the Governor to restrict trucks from Mexico and other foreign nations from entering the State of Missouri until there is full compliance by the owners and drivers of those trucks with all highway safety, environmental and drug enforcement laws; and

BE IT FURTHER RESOLVED that the Secretary of the Senate be instructed to prepare a properly inscribed copy of this resolution for the Governor.
