SENATE CONCURRENT RESOLUTION NO. 67

WHEREAS, Echostar Communications Corporation proposes to acquire Hughes Electronics; and

WHEREAS, through their services known as Dish Network and DirecTV, the two companies together control virtually one hundred percent of the market for direct broadcast satellite services (DBS); and

WHEREAS, a significant portion of Missourians have no option for multi-channel programming services other than through satellite services; and

WHEREAS, Echostar's acquisition of DirecTV would result in the consolidation of the DBS industry to one DBS provider; and

WHEREAS, there is no reliable mechanism to enforce the

commitments by EchoStar and DirecTV to provide a national pricing plan, rural broadband and local television stations into the local television markets; and

WHEREAS, competition is the best way to ensure innovation, quality service and a fair price to consumers; and

WHEREAS, the companies have made application to the Federal Communications Commission asking that they be allowed to transfer licenses to complete the merger; and

WHEREAS, the companies have notified the Department of Justice, as required by federal law, of their intent to merge:

NOW, THEREFORE, BE IT RESOLVED by the members of the Senate of the Ninety-first General Assembly, Second Regular Session, the House of Representatives concurring therein, that the state of Missouri believes that continued competition in the marketplace by retaining independent DBS companies is the best way to provide continued pricing incentives, technological innovations and more choices for consumers, and

BE IT FURTHER RESOLVED that the state of Missouri does not believe it to be in the best interest of consumers for this merger to be approved; and

BE IT FURTHER RESOLVED that the Secretary of the Senate be instructed to prepare a properly inscribed copy of this resolution for the Federal Communications Commission and the Department of Justice.

WHEREAS, Dominick Wright has earned recognition as a valuable asset to Senator Goode and the entire Missouri Legislature through the application of knowledge and skills acquired prior to his tenure as an Intern and a variety of visible new skills which will be of tremendous value in the job market:

NOW, THEREFORE, BE IT RESOLVED that we, the members of the Missouri Senate, Ninety-first General Assembly, hereby proudly join the Honorable Wayne Goode in commending Dominick Wright for his many important contributions to our State Legislature during the current session, and further extend to him our very best wishes for continued success and happiness in all future endeavors; and

WHEREAS, this event is held in a place in which other hotel guests may be exposed to the activities of the convention; and

WHEREAS, event materials promise "dungeon parties" with "flogging and cutting", suggesting a "tarp or drop cloth" be used for "messy blood scenes and other bodily fluids"; and

WHEREAS, sadomasochist behavior of this kind spreads disease; and

WHEREAS, engaging in deviant sexual behavior and

experimentation is widely recognized by experts to lead to more extreme behavior, particularly the victimization of women and children who are not "consenting"; and

WHEREAS, by allowing the "Beat Me in St. Louis" gathering to be held at their hotel, the Howard Johnson hoteliers are contributing to the overall risk to the health and welfare of their other patrons and the public:

NOW, THEREFORE, BE IT RESOLVED that the members of the Missouri Senate, Ninety-first General Assembly, Second Regular Session, hereby condemn the Howard Johnson Hotel chain and urge no other hotel chain in this state to host events that encourage activities which are dangerous to the public health and welfare; and

SENATE SUBSTITUTE NO. 2 FOR SENATE BILL NO. 1191

An Act to amend chapter 8, RSMo, by adding thereto twenty-three new sections relating to the Missouri tobacco settlement authority act, with an emergency clause.

2. Public funds shall not be expended, paid or granted to directly or indirectly to subsidize abortion services or administrative expenses. In order to ensure that support is not lent in any

A research project that receives an award of public funds shall not share costs with another research project, person or entity not qualified to receive public funds; provided, however, the research project that receives an award of public funds may pay facilities and administrative costs directly allocable to such research project. A research project that receives an award of public funds shall maintain financial records that demonstrate strict compliance with this section. Any audit conducted pursuant to the provisions of any grant or contract awarding public funds shall also certify compliance with this section.

4. Any taxpayer of this state or its political subdivisions shall have standing to bring suit against the state of Missouri or any official, department, division or agency of the state in any circuit court with jurisdiction to enforce the provisions of this section.

5. This section shall not be construed to permit or make lawful any conduct that is otherwise unlawful pursuant to the laws of this state.

6. Any provision of this section is not severable from the all other provisions of this section and from any appropriations expressly

made subject to this section or any appropriation declared by any court to be subject to this section. If any provision of this section is found to be invalid, unenforceable or unconstitutional, then all of the provisions of this section and any appropriation expressly made subject to this section or any appropriation declared by any court to be subject to this section shall be invalid and unenforceable.”; and

Further amend the title and enacting clause of said bill accordingly.

Senator Klarich moved that the above substitute amendment be adopted.

Senator Jacob raised the point of order that **SSA 1** for **SA 1** is out of order in that the amendment goes beyond the scope and purpose of the bill and is therefore not germane.

The point of order was referred to the President Pro Tem, who took it under advisement which placed **SB 1191**, with **SS No. 2**, **SA 1** and **SSA 1** for **SA 1** (pending) on the Informal Calendar.

An excursion boat licensee shall pay to the commission an admission fee of two dollars **and fifty cents** for each person embarking on an excursion gambling boat with a ticket of admission. One dollar of such fee shall be deposited to the credit of the gaming commission fund as authorized pursuant to section 313.835, and one dollar of such fee shall not be considered state funds and shall be paid to the home dock city or county. **The remainder of such fee shall be utilized in FY04 for a two percent state employee pay raise. For all fiscal years thereafter, the remainder of such fee shall only be utilized for state employee compensation.** Subject to appropriation, one cent of such fee deposited to the credit of the gaming commission fund may be deposited to the credit of the compulsive gamblers fund created pursuant to the provisions of section 313.842. Nothing in this section shall preclude any licensee from charging

any amount deemed necessary for a ticket of admission to any person embarking on an excursion gambling boat. If tickets are issued which are good for more than one excursion, the admission fee shall be paid to the commission for each person using the ticket on each excursion that the ticket is used. If free passes or complimentary admission tickets are issued, the excursion boat licensee shall pay to the commission the same fee upon these passes or complimentary tickets as if they were sold at the regular and usual admission rate; however, the excursion boat licensee may issue fee-free passes to actual and necessary officials and employees of the licensee or other persons actually working on the excursion gambling boat. The issuance of fee-free passes is subject to the rules of the commission, and a list of all persons to whom the fee-free passes are issued shall be filed with the commission.

2. All licensees are subject to all income taxes, sales taxes, earnings taxes, use taxes, property taxes or any other tax or fee now or hereafter lawfully levied by any political subdivision; however, no other license tax, permit tax, occupation tax, excursion fee, or taxes or fees shall be imposed, levied or assessed exclusively upon licensees by a political subdivision. All state taxes not connected directly to gambling games shall be collected by the department of revenue. Notwithstanding the provisions of section 32.057, RSMo, to the contrary, the department of revenue may furnish and the commission may receive tax information to determine if applicants or licensees are complying with the tax laws of this state; however, any tax information acquired by the commission shall not become public record and shall be used exclusively for commission business.”; and
