Mr. President: Your Committee on Financial and Governmental Organization, Veterans' Affairs and Elections, to which was referred **HB 1679**, begs leave to report that it has considered the same and recommends that the Senate Committee Substitute, hereto attached, do pass.

Senator Childers raised the following point of order:

Mr. President, I raise a Point of Order that the Report of the Senate Financial and Governmental Organization, Veterans' Affairs and Elections Committee to recommend that Senate Committee Substitute for House Bill 1679 "do pass" is out of order, because the bill was not properly voted out "do pass" by the committee.

Mr. President there are four reasons why the committee report is out of order.

1. First, on Thursday, April 25, 2002, the committee adopted a Senate Committee Substitute for House Bill 1679. Right after, the committee defeated a motion to “do pass” the bill. The chairman of the committee did not vote on the prevailing side.

On Monday, April 29, 2002, at another hearing of the same committee, a committee member made a motion to reconsider the vote by which Senate Committee Substitute for House Bill 1679 was not voted out “do pass.” That reconsideration motion failed on a 3 to 3 vote. The chairman of the committee did not vote on the prevailing side.

On Thursday, May 2, 2002, at another hearing of the same committee, the chairman of the committee made a motion to again reconsider the vote by which Senate Committee Substitute for House Bill 1679 was not voted out “do pass.” The chairman reported that, on a 4 to 2 vote, the motion to reconsider passed.

This second motion to reconsider should not have been allowed because Missouri Senate Rule 91 states that “[o]nly one motion to reconsider shall be allowed on any question.” The question that was presented to the committee on Thursday, May 2, 2002 for reconsideration was the same question presented to the committee on Monday, April 29, 2002 for reconsideration: a motion to “do pass” Senate Committee Substitute for House Bill 1679.

Missouri Senate Rule 91 applies to committees as well as to practices on the Senate floor pursuant to Missouri Senate Rule 96, which states that “[i]n cases not provided for in these rules, the senate shall be governed by the rules laid down in the practice and procedures adopted by the senate of the United States and Jefferson’s Manual... .”

Rule 26 of the standing rules of the U.S. Senate state that “[e]ach committee shall

adopt rules (not inconsistent with the Rules of the Senate) governing the procedure of such committee.” Thus, Missouri Senate committees are bound to the same limitation on reconsideration as is the Missouri Senate, because the Missouri Senate rules make no specific provisions for committee practice except that such practice shall be governed by the practice of the U.S. Senate and Jefferson’s Manual.

In addition, Missouri Senate Rule 41 states that “[t]he rules and proceedings of the senate shall be observed in Committee of the Whole insofar as they are applicable.” It only makes sense that the standing and statutory committees shall observe the same process and procedures of the Committee of the Whole.

Interestingly, U.S. Senate Rule 13 states that once a reconsideration has been refused, withdrawn, or made and failed, “no further motion to reconsider shall be in order unless by unanimous consent.”

2. Second, Missouri Senate Rule 91 also states that a reconsideration motion must be made within three legislative days. The second purported vote to reconsider on Thursday, May 2, 2002 was four legislative days after Thursday, April 25, 2002 when the motion to “do pass” Senate Committee Substitute for House Bill 1679 failed. Again, committees are bound to the same practice as on the Senate floor.

3. Third, Missouri Senate Rule 91 also states that “[a]ll motions to reconsider shall be decided by a majority vote of the senators elected.” The second purported vote to reconsider on Thursday, May 2, 2002 was by a 4 to 2 vote. Pursuant to Missouri Senate Rule 25, there are nine members on the Senate Financial and Governmental Organization, Veterans’ Affairs and Elections Committee. Thus, five members are needed to successfully reconsider a

question in a nine-member committee, because again committees are bound to the same practice as on the Senate floor.

Stated another way, a vote on the Senate floor to reconsider a question in which, for instance 19 Senators are present, would require 18 of those 19 members to vote in favor of reconsideration because at least 18 votes in favor are needed to obtain a majority vote of the 34 Senators elected.

4. Fourth, Missouri Senate Rule 91 also states that “any senator voting on that side which prevails may move for a reconsideration of the vote... .” The second purported motion to reconsider on Thursday, May 2, 2002 was improperly made by the chairman of the committee, because the chairman had not voted on the prevailing side on Thursday, April 25, 2002 when the original motion to “do pass” Senate Committee Substitute for House Bill 1679 failed. Again, committees are bound to the same practice as on the Senate floor.

Mr. President, if my Point of Order is ruled “not well taken”, then chaos will result in the various Senate committees. No procedures shall be required in committee, which are comparable to the procedures required on the Senate floor. Procedures relating to quorums, roll calls, duties of the committee secretary to keep records, substitute motions, etc. will be thrown out the window or ignored, and the democratic process will suffer and confidence in the legislative branch will decrease.

Mr. President, I request that my Point of Order and my remarks in support of my point of order be read and printed in the Senate Journal.

President Pro Tem Kinder took the point of order under advisement.

Senator Gibbons, Chairman of the Committee on Ways and Means, submitted the following report:

Mr. President: Your Committee on Ways and

Means, to which was referred **HCS** for **HB 1898**, begs leave to report that it has considered the same and recommends that the Senate Committee Substitute, hereto attached, do pass.

Mr. President: Your Committee on Pensions and General Laws, to which was referred **HCS** for **HB 1403**, begs leave to report that it has considered the same and recommends that the Senate Committee Substitute, hereto attached, do pass.

LOUIS CARDINALS, L.P.**, a limited partnership organized and existing under the laws of the State (the "Cardinals"). (Terms capitalized in this Agreement but not otherwise defined herein have the meanings given to them in Article I.)

WITNESSETH:

WHEREAS, the Cardinals have proposed to build a new downtown ballpark suited for Major League Baseball in the City to serve as the home of the St. Louis Cardinals baseball team and to cause the development and construction of certain mixed use facilities adjacent to the Ballpark;

WHEREAS, the Public Participants have found and determined that the economic benefit of Major League Baseball in general and the Cardinals in particular is of critical economic consequence to the State, the City and the County and that without the assistance provided by the Public Participants described herein there is a real and present danger that, as a result of business, economic and competitive conditions affecting the Cardinals and their current ballpark, the State, the City and the County could lose Major League Baseball and the Cardinals and that such loss would pose irreparable harm to the economy of the State, the City and the County;

WHEREAS, Busch Stadium, the current ballpark where the Cardinals play their Home Games, was constructed in 1966 and despite major renovations is projected to become unsuitable for use by the Cardinals, absent substantial and uneconomic repairs and improvements, and the Parties have determined that the most cost-effective means of replacing Busch Stadium is through the construction of the Ballpark Project;

WHEREAS, funds are needed to plan, construct, equip and improve the Ballpark, and the Cardinals have requested that the Public Participants assist in the funding of the costs of the Ballpark Project;

WHEREAS, the Project will significantly benefit the Public Participants by: (a) increasing state and local tax revenues through the creation of new jobs and the retention of existing jobs, (b) increasing state and local tax revenues through increased sales, (c) increasing state and local tax revenues through increased property tax values, (d) increasing state tax revenues through taxes withheld by employers, (e) enhancing regional tourism and (f) creating an environment to stimulate additional private investment in the area where the Project will be located;

WHEREAS, the Cardinals' obligations under this Agreement relating to the development and construction of

Ballpark Village Phase I and Ballpark Village Phase II are a material condition precedent and inducement to the Public Participants' decisions to participate in funding a portion of the costs of the Ballpark Project;

WHEREAS, on June 19, 2001, the State, the City and the County executed a Memorandum of Understanding for New Cardinals Stadium and Ballpark Village with the Cardinals indicating their intention to provide the assistance described therein to the Cardinals, subject to, among other things, the commitments of the Cardinals described therein, the passage of necessary and appropriate State enabling legislation, the execution of necessary and appropriate agreements further detailing the essential terms and economic elements of the transaction outlined therein and final approval by their respective governing bodies;

WHEREAS, the Public Participants have found and determined that it is desirable and in the best interests of the Public Participants to enter into this Agreement for the purpose of setting forth the terms and conditions on which they will assist in the funding of the costs of the Ballpark, subject to the enactment by the State of necessary and appropriate enabling legislation;

WHEREAS, the Cardinals have determined that it is desirable and in their best interest to enter into this Agreement for the purpose of setting forth the terms and conditions on which they will assist in the funding of the costs of the Ballpark Project, construct the Ballpark and lease and operate the Ballpark;

NOW, THEREFORE, in consideration of the premises and the mutual representations, covenants and agreements herein set forth, the State, the City, the County and the Cardinals covenant and agree as follows:

also apply to any such condemnation proceedings:

(a) The Authority, prior to the appointment of appraisal commissioners, shall use its best efforts to obtain the consent of each defendant property owner, subject to reasonable terms and conditions, for the Cardinals to conduct a final survey, environmental tests, soils tests and such other investigations and tests as the Cardinals deem necessary. In the alternative, the Authority may file a motion with the court in which the petition for condemnation of any Acquisition Parcel is filed providing for the inspection of that parcel by the Cardinals on behalf of the Authority, at the Cardinals' cost, subject to reasonable terms and conditions.

(b) The Cardinals shall deliver copies of the foregoing surveys, tests and reports to the Public Participants and the Authority for their review. Notwithstanding any other provision of this Agreement to the contrary, the Authority shall not be required to take ownership of any Acquisition Parcel condemned hereunder unless the Authority shall be provided reasonable evidence that such parcel is free of contamination by Hazardous Materials or that the Cardinals have adopted a plan of remediation and indemnity satisfactory to the Public Participants and the Authority in their reasonable discretion.

(c) Upon the Cardinals' request, the Authority shall file exceptions to any commissioners' report deemed excessive in the Cardinals' judgment. In addition, the Authority may, at its option, file exceptions to any commissioners' report with respect to any parcel if the award stated in such report is greater than the Cardinals' appraisal for such parcel. Upon such request by the Cardinals, and subject to the full funding thereof by the Cardinals, the Authority shall timely file and diligently prosecute such exceptions.

(d) The Cardinals shall have the right to direct that the Authority terminate any condemnation proceeding to effect a settlement of such proceeding. In such event this Agreement shall continue and the Authority shall continue to diligently prosecute any other condemnation proceedings pending at such time.

(e) At the request of the Authority in connection with any condemnation action for any Acquisition Parcel, at least five days prior to the Condemnation Commitment

Date for such parcel the Cardinals shall deposit a letter of credit, cash escrow or other commercially reasonable security acceptable to the Authority in its reasonable discretion, to be held as security for the Cardinals' obligation hereunder to be responsible for all costs of litigation and for payment of damages awarded. The amount of such letter of credit, cash escrow or other security shall be equal to the actual damages awarded, reduced by the amount of any commissioners' award paid in to court in such condemnation action. If, after such letter of credit, cash escrow or other security is established, the condemnee presents a higher appraisal at any trial on exceptions, at the Authority's request the Cardinals shall increase the amount of such letter of credit, cash escrow or other security to equal such appraisal. Such letter of credit, cash escrow or other security shall be held until the final total amount of damages awarded in connection with the acquisition of such parcels by condemnation is finally determined, whether by abandonment, final judgment (subject to no further appeal) of any suit on exceptions or settlement and at such time shall be applied toward the damages awarded in such condemnation suit and the purchase price under any option or purchase contracts, and any remaining amount shall be refunded to the Cardinals. If the Cardinals do not deposit a satisfactory letter of credit, cash escrow or other security at least five days prior to such Condemnation Commitment Date as required hereby, the Authority may dismiss or abandon such condemnation action, in addition to the other remedies available hereunder.

(f) Prior to the payment of damages into the office of the Clerk of the Circuit Court and recording of the commissioners' report in any condemnation action, and prior to the Authority taking title pursuant to a negotiated purchase pursuant to Section 4.2, the Parties and the Authority shall execute and record a nominee agreement stating that the Authority is taking bare legal title through eminent domain as the nominee of the Cardinals in order to carry out the public purposes served by the Project, that the Cardinals hold all beneficial interest, that the Cardinals have sole responsibility for the condition and maintenance of the parcel and that the Cardinals shall indemnify the Public Participants and the Authority against all costs and liabilities in connection with such

parcel. Immediately after the Authority takes title in any such eminent domain suit or negotiated purchase, unencumbered, fee simple title to such property shall be conveyed by the Authority to the Cardinals by quit claim deed, in a form acceptable to the Authority, which shall subject the property to the terms of this Agreement, and the Cardinals shall accept such transfer and arrange for recording such quit claim deed.

(g) To the extent permitted by applicable Law, the City, in consultation with the State and the County, shall perform the obligations and undertakings of the Authority under this Section 4.3 until such time as the Authority is created and operating.

Section 4.4 Relocation. As expeditiously as is commercially feasible, the Cardinals shall relocate or cause the relocation of all occupants of and businesses located on the Project Site in accordance with the Relocation Requirements.

Section 4.5 Title Insurance. On or before the Bond Offering Commitment Date, the Cardinals shall cause to be delivered to the Authority and the Public Participants a commitment for the issuance of a title insurance policy (American Land Title Association, Standard Loan Policy Additional Coverage (1992)), in a maximum amount equal to the aggregate principal amount of the Ballpark Project Bonds expected to be issued, insuring that the Authority's interest in the Ballpark Project Site is free and clear of all liens and encumbrances except Permitted Encumbrances, and which shall provide for mechanics' lien coverage, access and zoning coverage and the deletion of all standard exceptions. Promptly following the Closing Date, the Cardinals shall cause to be delivered to the Authority the title policy described in such commitment in an amount which during the time any Ballpark Project Bonds are outstanding shall be not less than the aggregate principal amount of the Ballpark Project Bonds outstanding less any amount then on deposit in the Ballpark Project Construction Fund.

Section 4.6 Conveyance of Project Site to Authority. On the Closing Date, the Cardinals shall donate and convey to the Authority by special warranty deed the Project Site free and clear of all Liens, except Permitted Encumbrances; provided that the Cardinals shall not be required to donate and convey the Busch

Stadium Portion until ____ days following the Closing Date. Notwithstanding the provisions of Article VII hereof, no lease by any Person of the Busch Stadium Portion shall be required until the date on which the Busch Stadium Portion is donated and conveyed to the Authority as provided in this Section 4.6.

DESIGN AND CONSTRUCTION OF THE PROJECT

Section 5.1 Ballpark Project Design and Construction.

(a) The Public Participants hereby select the Cardinals as the developer of the Ballpark Project. The Cardinals pursuant to the Redevelopment Plan and the Redevelopment Contract and the Related Agreements shall cause and shall be responsible for the design and construction of the Ballpark Project (either directly or through an Affiliate), including the development of all plans, designs, schemes, drawings and programs and the selection of Consultants. The Authority and the Public Participants shall have the right to participate collaboratively in, but not the right to approve or disapprove (except as specifically provided in this Article) of any matters with respect to the design and construction of the Ballpark Project, including, but not limited to, preparation of the Ballpark Project Construction Budget, and shall be afforded reasonable access to monitor the overall progress and construction of the Ballpark Project. Nothing in this Agreement shall be deemed to limit the Public Participant's exercise of their general powers of code enforcement and government oversight in the construction of the Ballpark.

(b) The Public Participants hereby approve the Ballpark Project Preliminary Drawings. The Cardinals may further amend, refine and supplement the Ballpark Project Preliminary Drawings, subject to Consultation with the Public Participants, provided that any such amendment, refinement or supplement which constitutes a Major Change shall be subject to the approval of the Public Participants, which approval shall not be unreasonably withheld. Prior to implementing any proposed Major Change to the Ballpark Project Preliminary Drawings, the Cardinals shall deliver copies of the drawings showing such proposed change to the

Public Participants. If the Public Participants disapprove of the proposed Major Change, they shall provide to the Cardinals their written objections with respect thereto within 10 working days after receiving such drawings and, if the Public Participants fail to do so, the proposed Major Change shall be deemed to be approved. Upon receipt of any such objections, the Cardinals and the Public Participants shall seek in good faith to resolve each objection and, if they are unable to do so within 10 working days following the Cardinals' receipt of such objections, then their disagreement shall be settled in accordance with the arbitration procedures set forth in Section 13.4.

(c) Ballpark Project Final Construction Drawings shall be prepared for the Ballpark Project by a licensed architect or engineer and delivered to the Authority and the Public Participants within 10 days following completion and receipt thereof by the Cardinals. The Cardinals shall regularly Consult with the Public Participants during the preparation of the Final Construction Drawings. The Authority and the Public Participants shall have the right to approve the Ballpark Project Final Construction Drawings (provided that such approval shall not be unreasonably withheld, conditioned or delayed) if the Ballpark Project Final Construction Drawings are inconsistent in any material respect with the Ballpark Project Preliminary Drawings, as amended, refined and supplemented hereunder. If the Authority or the Public Participants disapprove of the Ballpark Project Final Construction Drawings they shall provide to the Cardinals written objections with respect thereto within 30 days (10 days if the Cardinals shall have submitted a substantially final version of such Ballpark Project Final Construction Drawings to the Authority and the Public Participants at least 30 days prior to such date and shall be in compliance with the Construction Monitor Agreement) after receiving such Plans and, if they fail to do so the Ballpark Project Final Construction Drawings shall be deemed to be approved. Upon receipt of any such objections, the Cardinals, the Public Participants and the Authority shall seek in good faith to resolve each objection and, if they are unable to do so within 30 days following the Cardinals' receipt of such objections, then their disagreement shall be settled in accordance with the arbitration procedures set forth in Section 13.4.

(d) The Cardinals shall select and hire the Ballpark Contractor (who shall be experienced in the construction of facilities similar to the Ballpark Project) and the other Consultants for the Ballpark Project, provided that the Public Participants may disapprove of any Ballpark Contractor for Good Cause.

(e) The Cardinals shall enter into one or more Ballpark Project GMP Contracts in Consultation with the Public Participants and the Authority. The Public Participants shall have the right to review and suggest changes to the Ballpark Project GMP Contract. Prior to execution of any Ballpark Project GMP Contract, the Cardinals shall provide satisfactory documentation to the Public Participants and the Authority evidencing that no recourse against the Public Participants or the Authority is permitted under such contract to any contractor working on the Ballpark Project.

(f) The Cardinals shall stipulate in the bidding requirements and require in each Ballpark Project GMP Contract that the Ballpark Contractor and any other contractors and subcontractors engaged by the Cardinals for the construction of the Ballpark Project is assured by payment and performance bonds, or equivalent insurance coverage reasonably acceptable to the Public Participants and the Authority, (i) from providers who are listed on U.S. Treasury Circular 570 as approved sureties, (ii) in an amount equal to at least 100% of the contract price to be paid to such contractor under the applicable contract, (iii) in form and substance reasonably acceptable to the Public Participants and the Authority and (iv) that name the Public Participants, the Authority and the Cardinals as co-obligees. Notwithstanding the foregoing, a separate payment or performance bond shall not be required for a Ballpark Contractor if the requirements of this Section 5.1(f) are satisfied with respect to the trade contractors and subcontractors performing construction work on the Ballpark Project for such Ballpark Contractor (that is, redundant or duplicate bonding of contractors and subcontractors with regard to the same portions of the work shall not be required).

(g) The Cardinals shall ensure that all contracts, including but not limited to the Ballpark Project GMP Contracts, entered into between the Cardinals and the Ballpark Contractor and the other Consultants for the

Ballpark Project: (i) expressly state that the Public Participants and the Authority are third-party beneficiaries under such contract and that upon receipt by any party to such contract (other than the Cardinals) of written notice from the Public Participants or the Authority of an Event of Default by the Cardinals hereunder and notice that the Cardinals' rights hereunder have been assigned to the Public Participants or the Authority, such party agrees to attorn to the Public Participants or the Authority with respect to its performance under such contract; (ii) contain dispute resolution provisions; (iii) contain customary provisions regarding retainages acceptable to the Cardinals in their discretion; (iv) expressly state that upon the Consultant's default and a resulting termination of such contract, the Consultant shall deliver to the Cardinals, the Public Participants and the Authority copies of, and assign (or cause to be assigned) to the Cardinals, the Public Participants and the Authority all rights to, any and all designs, drawings, specifications, reports, studies (including seismic, environmental, soils, and other similar reports and studies), and all other materials prepared by (or caused to be prepared by) such Consultant in connection with the Ballpark Project; and (v) provide that any warranties, guarantees or indemnifications provided to the Cardinals shall also be provided to the Public Participants and the Authority.

(h) The Cardinals shall provide the Authority with an electronic or reproducible copy of each as-built drawing for the Ballpark upon receipt of such drawing from a Consultant.

Section 5.2 Change Orders Regarding Ballpark Project.

(a) Subject to the provisions of this Section 5.2, the Cardinals shall be entitled to undertake and effectuate Change Orders for the Ballpark Project without the consent of the Authority or any Public Participant.

(b) The Cardinals shall not undertake or effectuate any Change Order that would result in a Major Change without the prior approval of the Authority and the Public Participants; provided that the prior approval of the Public Participants shall not be required if the Construction Monitor provides the Public Participants with a written report recommending such change and setting forth in

reasonable detail the basis for such recommendation. Prior to effectuating any such Change Order, the Cardinals shall deliver to the Authority and the Public Participants (i) a reasonably detailed description of the change in the work to be performed, including all conceptual drawings, plans and specifications related thereto (including those to be delivered to the appropriate contractor for implementation of such Change Order and (ii) a calculation of the additional costs (or savings, as applicable) resulting from effectuating such Change Order, together with reasonable documentation supporting such calculation. Within 10 working days after receipt by the Authority of such Change Order documents, the Authority shall deliver written notice to the Cardinals approving or disapproving such Change Order and, if such change order is disapproved, specifying the reasons therefor. The Authority shall not unreasonably withhold, condition or delay its approval. If the Authority fails to deliver such written notice within such period, the Authority shall be deemed to have approved such Change Order. If the Cardinals and the Authority are unable to resolve their disagreements with respect to such Change Order within 10 working days after the expiration of such 10-working-day period, their disagreement shall be settled in accordance with the arbitration procedures set forth in Section 13.4.

(c) Any Change Order that would result in a change in the Estimated Ballpark Project Costs shall be certified by a Ballpark Contractor and a copy of such Change Order shall be provided to the Authority and the Public Participants.

(d) Within 30 days after the approval by the Cardinals of any Change Order (including a Change Order resulting from a Major Change) that results in an increase in the Estimated Ballpark Project Costs that would exhaust any remaining contingency line items in the Ballpark Budget, the Cardinals shall deposit cash or a Financial Instrument in a form satisfactory to the Authority and the Public Participants in an amount equal to 100% of such increased cost for deposit into the Ballpark Project Construction Fund.

Section 5.3 Ballpark Project Cost Overruns.

(a) Subject to the funding provisions set forth in this Agreement, the Cardinals hereby guaranty and agree to timely advance all funds necessary (i) to cause the

planning, design, acquisition, construction and equipping of the Ballpark Project to be diligently and continuously prosecuted and to be completed with reasonable dispatch in accordance with the Ballpark Project Final Construction Drawings and within such times as are required under this Agreement, (ii) to pay and to be solely responsible for any construction costs, including all construction cost overruns in connection with the Ballpark Project and for which a budget contingency does not exist in the Ballpark Project Construction Budget and (iii) to pay all sums, in excess of the Net Proceeds of insurance, necessary to remedy any construction defects in connection with the Ballpark Project if such defects are not cured by the Ballpark Contractor within a reasonable time.

(b) In the event that the costs of planning, designing, acquiring, constructing and equipping the Ballpark Project exceed the Estimated Ballpark Project Costs, the Cardinals shall, at their option, either (i) engage in a value engineering process to bring costs within the Estimated Ballpark Project Costs, subject to such approvals from the Authority or the Public Participants as may be required under this Agreement, or (ii) deposit cash into the Ballpark Construction Fund in an amount equal to 100% of such excess cost or provide a Financial Instrument in a form reasonably satisfactory to the Authority and the Public Participants in an amount equal to 100% of such excess cost. The Cardinals shall have 30 days to comply with this requirement on each occasion to which it applies. The requirements of this Section 5.3(b) shall be subject to the provisions of Section 5.2(d) applicable to Change Orders, and in no event shall the Cardinals be required to deposit any funds or provide a Financial Instrument under this Section 5.3(b) that is duplicative of any funds deposited or Financial Instrument provided under Section 5.2(d).

Section 5.4 Hazardous Materials.

(a) Prior to conveying the Ballpark Project Site to the Authority, the Cardinals shall remove or remediate or cause to be removed or remediated all Hazardous Materials, on, in, under, or emanating from the Ballpark Project Site, as and to the extent required by, and in conformance with, all applicable federal, state and local Law, regulations and requirements and with reputable contractors appropriately experienced in the work to be performed; provided, however, that, notwithstanding any

other provision of this Agreement, the Cardinals shall have the right to terminate this Agreement, without penalty or other liability to the Authority or the Public Participants, if the Cardinals determine that the costs of such removal or remediation of Hazardous Materials exceeds \$2,000,000 and notify the Public Participants and the Authority in writing of such determination not later than 45 days prior to the Bond Offering Commencement Date .

(b) The Cardinals shall be responsible for the on-site management of all Hazardous Materials generated and used by the Cardinals and their Consultants in the construction of the Ballpark Project. The Cardinals shall be identified to any Governmental Authority as the party responsible for generation, treatment, storage and disposal of all Hazardous Materials generated or used by the Cardinals and their Consultants in the construction of the Ballpark Project or located on the Project Site (and, therefore, shall be designated as the “generator” on all manifests relating to all such Hazardous Materials).

(c) The Cardinals hereby release, indemnify, defend and hold the Authority, the Public Participants and their employees, agents, successors and assigns harmless from and against any and all claims, losses, causes of action, suits, damages, penalties, fines, administrative actions, costs, expenses or liability, including, without limitation, reasonable attorneys' fees and expenses for personal injury to or death of any person, damage to any property, environmental conditions or contamination, caused by or arising from (i) any breach of this Section 5.4 and (ii) any Hazardous Materials on, in, under, or emanating from the Ballpark Project Site on or prior to Final Completion of the Ballpark Project, including the disposal, cleanup or remediation of such Hazardous Materials.

Section 5.5 Local and Minority Participation Goals.

(a) The Cardinals shall use their good faith efforts to maximize the use of local contractors, subcontractors and workers in connection with the planning, design, acquisition, construction and equipping of the Ballpark Project. For the purposes of this Section, the Cardinals shall have been deemed to have acted in “good faith” by considering the cost and quality impacts to the Ballpark Project that would be achieved by using any local and non-local contractors, subcontractors and workers. The Cardinals intend to cause the Ballpark Contractor to enter

into a Project Labor Agreement with the local trades council relating to the construction work for the Ballpark Project.

(b) The Cardinals shall and shall require in each contract entered into with any Consultants and the Ballpark Village Developers, that such Persons shall: (i) not discriminate against any employee or applicant for employment on any basis prohibited by Law, (ii) provide equal opportunity in all employment practices, (iii) comply with the provisions of the City’s Equal Opportunity and Discrimination Guidelines attached hereto as **Exhibit __**, including Executive Order #28 dated July 24, 1997, setting a goal of 25% for minority-owned business participation and 5% for women-owned business participation, (iv) comply with all other applicable federal, state and local Law and executive orders regarding contracting, hiring and employment and (v) permit the City and the State to monitor and review compliance with the equal opportunity employment provisions contained in this Section 5.5.

Section 5.6 Mechanic’s Liens. The Cardinals shall not suffer or permit any Lien to be enforced against the Ballpark Project or the Ballpark Project Site by reason of work done by the Cardinals or caused to be done by the Cardinals in or to the Ballpark Project or on the Ballpark Project Site, including under the Ballpark Project GMP Contract, or by reason of any materials furnished for or in connection with such work. If any mechanic’s or materialmen’s Lien shall be filed against the Ballpark Project or the Ballpark Project Site on account of any such work or materials, then, within 60 days thereafter, the Cardinals shall give to the Authority written notice thereof and either (i) cause the same to be removed of record within 60 days thereafter or (ii) within 60 days thereafter post a bond in the amount of 150% of the amount of such Lien, in form and substance reasonably acceptable to the Authority, unless any foreclosure action to enforce such Liens actually commences, in which case the Cardinals shall cause such Lien to be removed of record or post such bond within five days after the commencement of such

foreclosure action. The Cardinals shall indemnify, defend and hold harmless the Authority and the Public Participants from any costs, expenses or actions in connection with any such Liens.

Section 5.7 Enforcement of Contracts and

Surety Bonds. In the event of a material default of any contractor or subcontractor under any construction contract or any other contract made in connection with the Ballpark Project, or in the event of a material breach of warranty with respect to any materials, workmanship or performance, the Cardinals shall promptly proceed, either separately or in conjunction with others, to pursue diligently the remedies of the Cardinals against the contractor or subcontractor in default and against any surety on a bond securing the performance of such contract, provided that the Cardinals determine, in their sole discretion, that it is commercially reasonable to do so.

Section 5.8 Cooperation of Authority and Public Participants. The Authority and the Public Participants shall cooperate with the Cardinals in all aspects of the predevelopment, design, construction and operation of the Ballpark, the demolition of Busch Stadium and the development and construction of the Transportation Infrastructure Project, including the following: (a) using their best efforts to obtain any and all inspections and expedite the processing and approval of any and all permits, licenses and other entitlements and authorizations, including under applicable environmental laws; and (b) in a commercially reasonable timeframe review, process and approve any and all plans, drawings and other documents and materials.

(b) Commencing April 1, 2006, the Cardinals shall

submit or cause to be submitted on a quarterly basis to the Public Participants a written report on the development of Ballpark Village Phase I.

Agreement including sufficient requirements to assist the Public Participants in tracking and accounting for Economic Activity Taxes and New State Revenues.

(b) Commencing April 1, 2009, the Cardinals shall submit or cause to be submitted on a quarterly basis to the Public Participants a written report on the development of Ballpark Village Phase II.

(c) The Cardinals shall be deemed to have caused the commencement of any Block of Ballpark Village Phase II (or any portion of any Block, based on such allocation as shall be agreed to by the Parties and set forth in the Redevelopment Contract) at such time as any developers of such Block shall have closed on or provided financing with respect to such Block (or portion, as so allocated) in the lesser of: (i) an amount sufficient to fully fund the cost of the project or projects pursuant to the Redevelopment Plan for the respective Block of Ballpark Village Phase II; or (ii) an amount equal to \$66,666,667 for each Block, provided that in the event that any developers shall have closed on or provided financing with respect to any Block in an amount greater than \$66,666,667, such amount shall be reduced for each remaining Block by its pro rata portion of the amount of such excess.

(d) The Cardinals shall have the right for all purposes of this Agreement to substitute at any time any Block included in the Ballpark Village Phase I Site for any Block included in the Ballpark Village Phase II Site; provided that prior to such substitution the Cardinals have caused the Commencement Covenant to be recorded with respect to the Block to be substituted for any Block previously included in the Ballpark Village Phase II Site in a manner which ensures that all financing encumbrances of the Cardinals with respect to such Block are subordinated to the Commencement Covenant.

Section 5.11 Transportation Infrastructure Project Design and Construction. The Public Participants hereby designate the Cardinals as the developer of the Transportation Infrastructure Project. The Cardinals, in conjunction and cooperation with all applicable Governmental Authorities, shall cause and shall be responsible for the design and construction of the Transportation Infrastructure Project, including the development of all plans, designs, schemes, drawings and programs and the selection of Consultants. Promptly following Final Completion of the Ballpark Project, Ballpark Village Phase I, Ballpark Village Phase II, the Transportation Infrastructure Project or any Block or other portion or component (referred to in this Section 5.12 as a "Component") of the Project in accordance with the provisions of this Agreement, the Redevelopment Plan, and the Redevelopment Contract, the Cardinals shall furnish to the Authority a Certificate of Completion with respect to such Component executed by the Cardinals, the principal contractor and the principal architect of such Component. Acceptance of the Certificate of Completion by the Authority shall be a conclusive determination of the satisfaction of the Cardinals' agreements and covenants to acquire, construct and equip such Component. The Certificate of Completion provided for by this Section shall be in a form which will enable recordation in the office of the City Recorder. The Authority shall have the right to refuse to accept such certification if it reasonably believes that such Component has not been completed in accordance with this Agreement and, in such event, the Authority shall, within 30 days after such Certificate has been submitted to the Authority by the Cardinals, provide to the Cardinals a written statement setting forth in detail in what respects the Cardinals have failed so to complete such Component and what measures the Cardinals must take, in the reasonable opinion of the Authority, to cause the Authority to accept such Certificate. If the Authority shall fail to provide such statement within such 30-day period, such Certificate shall be deemed to have been accepted. In the event that the Cardinals and the Authority are unable to resolve any disagreement as to the completion of such Component in accordance with this Agreement, their disagreement shall be settled in accordance with the arbitration procedures set forth in Section 13.4.

Section 5.13 Construction Monitor.

(a) As a condition to the execution of this

Agreement, the Parties shall mutually agree upon the form and substance of a Construction Monitor Agreement, which may: (a) require the Cardinals to Consult with the Construction Monitor and to reasonably provide the Construction Monitor with design and construction drawings, schedules, reports, budgets and other similar information related to the Ballpark Project in lieu of or in conjunction with the information required to be provided to the Public Participants and the Authority hereunder, (b) require the Construction Monitor to provide consulting and other services to the Parties, (c) in an effort to maximize the efficient and timely completion of the Ballpark Project, allow for the reduction of certain timeframes for approvals contained in this Article V, (d) contain a guaranteed maximum fee to be charged for the Construction Monitor's services and (e) contain such other usual and customary terms of agreements for similar projects.

(b) The costs and expenses of the Construction Monitor shall be paid by the State and the City in proportion to the State Financing Amount and the City Financing Amount, respectively, provided that the State shall not be required to pay any such costs and expenses which would result in the aggregate amount payable by the State under this Agreement to exceed \$7,000,000 in any Fiscal Year of the State and the City shall not be required to pay any such costs and expenses which would result in the aggregate amount paid by the City under this Agreement to exceed \$4,200,000 in any Fiscal Year of the City.

ARTICLE VI

The total Ballpark Project Costs shall be set forth as the Estimated Ballpark Project Costs included in the Ballpark Project Construction Budget attached as Exhibit __ hereto. The Estimated Ballpark Project Costs may be changed from time to time in accordance with Article V. (i) State Ballpark Project Bonds shall be issued in an amount sufficient to provide for the deposit in the Ballpark Project Construction Fund of the net sum of \$100,000,000, net of Costs of Issuance, or such lesser net sum as may be necessary to ensure that the State Financing Amount, after taking into account any other amounts required to be paid by the State hereunder, will be sufficient to provide debt service over 30 years for such State Ballpark Project Bonds.

(ii) City Ballpark Project Bonds shall be issued in an amount sufficient to provide for the deposit in the Ballpark Project Construction Fund of the net sum of \$60,000,000, net of Costs of Issuance, or such lesser net sum as may be necessary to ensure that the City Financing Amount, after taking into account any other amounts required to be paid by the City hereunder, will be sufficient to provide debt service over 30 years for such City Ballpark Project Bonds.

(iii) County Ballpark Project Bonds shall be issued in the maximum amount for which the County Financing Amount is expected to be sufficient to provide debt service over 30 years, and the proceeds of such Ballpark Project Bonds, net of Costs of Issuance, shall be deposited in the Ballpark Project Construction Fund.

If the actual disbursement schedule for amounts in the Ballpark Project Construction Fund shall differ from the projected disbursement schedule, the Parties shall take appropriate action to increase or decrease the amount of such deposit, in such manner as shall be agreed to by the Parties and set forth in the Lease.

(d) Pursuant to the Act, the issuer of each issue or series of Ballpark Project Bonds shall duly and punctually pay the principal of, premium, if any, and interest on such Ballpark Project Bonds at the times and the places and in the manner specified in such Ballpark Project Bonds and in the related Indenture, according to the true intent and meaning thereof, but solely out of the sources of funds specified herein, in such Ballpark Project Bonds and the related Indenture.

(e) The issuer of each issue or series of Ballpark Project Bonds shall pay when due all reasonable fees and expenses of any Fiduciaries for services rendered with respect to such Bonds under the applicable Indenture and all reasonable fees and expenses of any paying agent or registrar.

Ballpark, except Permitted Encumbrances.

Section 6.4 Ballpark Project Construction Fund.

(a) On the Closing Date, there shall be established a fund to be known as the "Ballpark Project Construction Fund", which shall be held for the benefit of the Authority by a Fiduciary. There shall be deposited in the Ballpark Project Construction Fund the Cardinals' contribution specified in Section 6.3, the proceeds of the Ballpark Project Bonds specified in Section 6.3 and any other amounts designated to be deposited therein for the purpose of paying Ballpark Project Costs. Amounts in the Ballpark Project Construction Fund shall be segregated by source of deposit and invested as shall be agreed to by the Authority, the Public Participants or the Cardinals (in each case with respect to the moneys contributed by such source), and as set forth in the Indentures and in accordance with applicable Law.

(b) The Cardinals shall have the right to withdraw funds from the Ballpark Project Construction Fund in accordance with the Act, this Agreement and the applicable Indenture upon delivery to the Authority or the Fiduciary of a requisition in substantially the form set forth in **Exhibit 1**. Amounts in the Ballpark Project Construction Fund shall be used and expended solely and exclusively to pay Ballpark Project Costs and, to the extent not otherwise paid, Costs of Issuance and any rebateable arbitrage or any necessary reserves therefor. All withdrawals shall be funded on a pro rata basis equal to the respective contributions of the Cardinals and the Public Participants. If upon Final Completion or abandonment of the Ballpark Project any amounts remain in the Ballpark Project Construction Fund (including any amounts available to be drawn under a Financial Instrument) such amounts shall be paid to the Public Participants and the Cardinals pro rata based upon the amounts contributed by the Public Participants and the Cardinals to the Ballpark Project Construction Fund; provided that no amounts shall be distributed in a manner which would violate applicable Law or would adversely impact the exemption from federal income taxes of the interest on any Ballpark Project Bonds.

(c) No amount shall be withdrawn from the Ballpark Project Construction Fund so long as an Event of Default by the Cardinals exists under this Agreement and

until the Authority and the Public Participants have received (i) copies of the executed Ballpark Project GMP Contract satisfying all of the requirements set forth in this Agreement, (ii) an updated copy of the Estimated Ballpark Project Costs, (iii) evidence that sufficient money is on deposit in the Ballpark Project Construction Fund to complete construction of the Ballpark Project in accordance with the most recent Estimated Ballpark Project Costs, (iv) an executed copy of the Lease in form and substance acceptable to the Authority, the Public Participants and the Cardinals, (v) federal or state funding for the balance of the Transportation Infrastructure Project Costs or satisfactory evidence that such funding has been obtained and (vi) such other documents and certifications as may be set forth in the Lease and the Related Agreements.

(d) Subject to the last sentence of this Section 6.4(d), the Cardinals agree that the Ballpark Project shall constitute a “public works” project within the meaning of Section 290.210, RSMo. Upon request, the Cardinals shall provide evidence to the Authority and the Public Participants of the Cardinals’ compliance with the State wage and hour statutes. All contracts for the construction of the Ballpark Project shall include the “wage determination” provisions contained in Section 290.250, RSMo. Notwithstanding Sections 8.250, 8.285 to 8.291, 8.675 to 8.687, and 107.170, RSMo, and subject to the terms of the Redevelopment Contracts and the Construction Monitor Agreement, this Agreement establishes the systems and procedures for the design and construction of the Project.

(e) No later than 30 days after the end of each calendar year during acquisition, construction and equipping of the Ballpark Project, commencing with 2003, the Cardinals shall submit, or cause to be submitted, to the Public Participants a report, which may be based on information obtained from the Trustees for the Ballpark Project Bonds and the Authority, containing a summary of all transactions and disbursements from the Ballpark Project Construction Fund and the Transportation Infrastructure Project Fund for such calendar year.

Section 6.5 Public Participants’ Financing Amounts and Requests for Appropriations.

(a) *State Covenant.* The Office of Administration

covenants and agrees (a) to request that it be included in the Governor’s budget submitted to the General Assembly during the Term, so long as the State Financing Amount is payable in respect of any State Ballpark Project Bonds, a request or requests for the State Financing Amount during the next succeeding Fiscal Year, and (b) to take such further action (or cause the same to be taken) as may be necessary or desirable, and within the authority of the Office of Administration, to assure the availability of moneys appropriated to pay the State Financing Amount. The first such request shall be submitted under applicable Law for the Fiscal Year of the State commencing July 1, 2005 (or such later Fiscal Year as may be agreed to by the Authority, the other Public Participants and the Cardinals), and subsequent requests for appropriations shall be made in each Fiscal Year thereafter so that the State Financing Amount to be paid during the succeeding Fiscal Year will be available for such purposes. It is the intention of the State that the decision to appropriate the State Financing Amount to provide financing for the Ballpark Project pursuant to this Agreement shall be made solely by the Missouri General Assembly and not by any other official of the State except pursuant to the exercise of the power of the Governor of the State to approve or disapprove such appropriation. The State presently expects, in each Fiscal Year of the State during the Term, to appropriate funds for the State Financing Amount so that the State Financing Amount to be paid during the succeeding Fiscal Year will be available for such purposes. Notwithstanding the foregoing, the Office of Administration intends to submit a request for a “\$1E (E is for estimated) placeholder” appropriation or a contingent appropriation to evidence the future obligations of the State hereunder and nothing in this Agreement shall restrict the right of the Office of Administration to do so.

(b) *City Covenant.* The City covenants and agrees, and the City’s Budget Director or any other officer at any time charged with responsibility of formulating budget proposals is hereby directed, to include in the budget proposals submitted to the Board of Estimate and Apportionment, and to the extent permitted by Law, to the Board of Aldermen of the City, during the Term, so long as the City Financing Amount is payable in respect of any City Ballpark Project Bonds, a request or requests for the

City Financing Amount. The first such request shall be submitted and appropriated under applicable Law for the Fiscal Year of the City commencing July 1, 2005 (or such later Fiscal Year as may be agreed to by the Authority, the other Public Participants and the Cardinals), and subsequent requests for appropriations shall be made in each Fiscal Year thereafter so that the City Financing Amount to be paid during the succeeding Fiscal Year will be available for such purposes. It is the intention of the City that the decision to appropriate the City Financing Amount to provide financing for the Ballpark Project pursuant to is Agreement shall be made solely by the Board of Aldermen and not by any other official of the City except pursuant to the exercise of power of the Mayor of the City to approve or disapprove ordinances. The City presently expects, in each Fiscal Year of the City during the Term, to appropriate funds for the City Financing Amount so that the City Financing Amount to be paid during the succeeding Fiscal Year will be available for such purposes.

(c) *County Covenant.* The County covenants and agrees, and the County Executive or any other officer at any time charged with responsibility of formulating budget proposals is hereby directed, to include in the budget proposals submitted to the County Council, in any year during the Term, so long as the County Financing Amount is payable in respect of any County Ballpark Project Bonds, a request or requests for the County Financing Amount. The first such request shall be submitted and appropriated under applicable Law for the Fiscal Year of the County commencing January 1, 2003 (or such later Fiscal Year as may be agreed to by the Authority, the other Public Participants and the Cardinals) and subsequent requests for appropriations shall be made in each Fiscal Year thereafter so that the County Financing Amount to be paid during the succeeding Fiscal Year will be available for such purposes. It is the intention of the County that the decision to appropriate the County Financing Amount to provide financing for the Ballpark Project pursuant to this Agreement shall be made solely by the County Council and not by any other official of the County except pursuant to the exercise and power of the County Executive of the County to approve or disapprove ordinances. The County presently expects, in each Fiscal Year of the County during

the Term, to appropriate funds for the County Financing Amount so that the County Financing Amount to be paid during the succeeding Fiscal Year will be available for such purposes. The maximum amount of the County Financing Amount (that is, without regard to any rental and other payments that may be required to be made related to the Edward Jones Dome) is set forth in Addendum 3. On or before the Closing Date there shall be set forth as Addendum 4 to this Agreement a certificate of the County setting forth all required rental payments and other payments of fees and charges owed by the County pursuant to the existing terms of any lease, sublease or financing of any kind relating to the Edward Jones Dome, together with, to the best of the County's knowledge, a description of those factors that could cause such payments to change during the period during which the County Financing Amount is payable.

Section 6.6 Limited Obligations. The obligations of the Public Participants under this Agreement are subject to annual appropriation as provided herein. Neither the obligations of the State, the City or the County with respect to such payments nor the Ballpark Project Bonds shall constitute a debt or liability of the State, the City, or the County or of any agency or political subdivision of any of them within the meaning of any State constitutional provision or statutory limitation and the Office of Administration, the State, the City, the County and any agency or political subdivision of any of them shall not be obligated, directly or indirectly, to levy any form of taxation therefor or to make any payments beyond those appropriated pursuant to this Agreement for each respective Public Participant's then current Fiscal Year.

Section 6.7 Assignment of Public Participants' Financing Amounts and Rights. The Public Participants' Financing Amounts and other obligations of the Public Participants under this Agreement may be assigned as security for the Ballpark Project Bonds, including to the Trustees under one or more Indentures. Any such Trustee shall have the right to enforce either jointly with the Authority or separately the performance of the obligations of the Public Participants under this Agreement, and may require that payments required by the Public Participants hereunder be made directly to such Trustee.

Section 6.8 Event of Non-Appropriation. If any one or more of the following events shall occur and be continuing with respect to a Public Participant, it shall constitute an Event of Non-Appropriation with respect to such Public Participant under this Agreement:

(a) Failure of the Missouri General Assembly to budget and appropriate, specifically with respect to this Agreement, on or before the last day of a Fiscal Year, the State Financing Amount for the next succeeding Fiscal Year; or

(b) Failure of the Board of Aldermen of the City to budget and appropriate, specifically with respect to this Agreement, on or before the last day of a Fiscal Year, the City Financing Amount for the next succeeding Fiscal Year; or

(c) Failure of the County Council of the County to budget and appropriate, specifically with respect to this Agreement, on or before the last day of a Fiscal Year, the County Financing Amount for the next succeeding Fiscal Year.

Any Public Participant which has not appropriated the funds required to be appropriated by such Public Participant under Section 6.5, shall immediately notify the other Parties and the Authority of the occurrence of an Event of Non-Appropriation with respect to such Public Participant.

Section 6.9 Obligations of Public Participants Absolute and Unconditional.

(a) Subject to the limitations of this Agreement and all applicable Law, the obligations of the Public Participants under this Agreement to make Public Participant Payments during the Term on or before the date the same become due, and to perform all of their respective other obligations, covenants and agreements hereunder shall, subject to the provisions of (b) below, be absolute and unconditional, without notice or demand, and without abatement, deduction, set-off, counterclaim, recoupment or defense whatsoever, whether now existing or hereafter arising, and irrespective of whether the Project shall have been started or completed, or whether the Authority's title thereto or to any part thereof is defective or nonexistent, or whether any other Public Participant or the Authority is in default or has failed to perform any obligations hereunder, and notwithstanding any damage

to, loss, theft or destruction of the Project or any part thereof, any failure of consideration, the taking by eminent domain of title to or of the right of temporary use of all or any part of the Project, legal curtailment of such Public Participant's or any other Public Participant's use thereof, the eviction or constructive eviction of such Public Participant or any other Public Participant, any change in the tax or other Law of the United States of America, the State or any political subdivision thereof, any change in the Authority's legal organization or status, or any default of the Authority or any Public Participant hereunder, and regardless of the invalidity of any action of the Authority or any Public Participant, and regardless of the invalidity of any portion of this Agreement.

(b) Notwithstanding any provision or covenant contained in the Indentures or the Ballpark Project Bonds, no Public Participant shall be obligated to appropriate moneys, or to make Public Participant Payments beyond the end of the Fiscal Year in effect at a given time with respect to such Public Participant. No Public Participant shall be under any obligation to levy any taxes in order to raise revenues to make such Public Participant Payments. In no event shall any Public Participant be obligated to levy any tax in excess of the maximum levy permitted by Law.

Section 6.10 Ballpark Village Project Costs and Funds. The Public Participants and the Authority shall not be required to obtain or provide any financing or funding for the development or construction of the Ballpark Village Project. The Public Participants agree to use their best efforts to assist the Cardinals in obtaining funding for the development of the Ballpark Village Project, and the financing and funding for the Ballpark Project shall not be structured or implemented so as to cause tax increment or other development financing provided for pursuant to State or local Law (including any New State Revenues and Economic Activity Taxes) to be unavailable for the funding of the Ballpark Village Project. Notwithstanding the foregoing or any provision of Law to the contrary, the Cardinals agree that any State development incentives for the Ballpark Village Project, whether discretionary or non-discretionary, shall be subject to a cost-benefit analysis in accordance with the applicable statutes as determined by the State Department of Economic Development. Such cost-

benefit analysis shall be conducted on a fair and equitable basis and shall not take into account in any respect any remedies or penalties which may be available to the Public Participants or the Authority under Section 3.6 (relating to commencement and completion of the Ballpark Village Project); and the Cardinals shall not be required in connection with any such State development incentives to contribute land or any other property at less than its fair market value. Should such cost-benefit analysis show an insufficient economic benefit to the State, the requested incentive shall not be available for financing or funding of the Ballpark Village Project. Any use of New State Revenues in connection with tax increment or other development financing for the Project shall result in a reduction of such revenues for purposes of Section 8.6 hereof.

Section 6.11 Transportation Infrastructure Project Costs and Funds.

(a) On the Closing Date, there shall be established a fund to be known as the "Transportation Infrastructure Project Fund", which shall be held for the benefit of the Authority by a Fiduciary. There shall be deposited or caused to be deposited in the Transportation Infrastructure Project Fund on the Closing Date by the Cardinals, in a separate account therein, the amount of \$6,250,000 (which is equal to one-half of the current estimate of the Transportation Infrastructure Project Costs). The Public Participants agree to use their best efforts to secure federal or state funding for the balance of the Transportation Infrastructure Project Costs, which funding shall be deposited in a separate account in the Transportation Infrastructure Project Fund or otherwise committed to the Project in accordance with customary procedures for funding such projects. In lieu of a cash contribution to the Transportation Infrastructure Project Fund, the Cardinals may substitute a Financial Instrument.

(b) The Cardinals shall have the right to withdraw funds from the Transportation Infrastructure Project Fund in accordance with the Act and this Agreement upon delivery to the Authority or the Fiduciary of a requisition in substantially the form set forth in Exhibit __. Amounts in the Transportation Infrastructure Project Fund shall be used and expended solely and exclusively to pay Transportation Infrastructure Project Costs.

(c) In the event that timely federal or state funding or satisfactory evidence of such funding for the balance of the Transportation Infrastructure Project Costs over the amount to be deposited by the Cardinals under Section 6.11(a) is not obtained by the Bond Offering Commitment Date, the Cardinals shall have the right to terminate this Agreement. If the Public Participants are able to obtain federal or State of Illinois funding for greater than their share of the Transportation Infrastructure Project Costs, the amounts which the Cardinals are obligated to contribute pursuant to Section 6.11(a) herein shall be reduced thereby dollar for dollar.

Section 6.12 Cooperation Regarding Financing. Subject to the terms of this Agreement and without creating any new obligations or reducing any rights afforded to any Party in this Agreement, the Parties agree to cooperate with each other in (a) the issuance of the Ballpark Project Bonds, including, but not limited to, provision of access to any and all records, construction monitoring and the acceptance of other reasonable non-economic requests of any underwriter or other financial advisor associated with the Ballpark Project Bonds which are not inconsistent with such Parties' current practices and (b) the Cardinals obtaining financing for those portions of the Ballpark Project Costs which are to be funded or provided by the Cardinals (provided that the Authority and the Public Participants shall under no circumstances be obligated to provide any of their own funds or lend their credit for such purpose).

Section 6.13 Ballpark Project Bonds.

(a) The State shall have no obligation to issue or cause to be issued the State Ballpark Project Bonds unless the following requirements are satisfied:

(i) The interest on the State Ballpark Project Bonds shall be excluded from gross income for federal income tax purposes, except to the extent that the State in its sole judgment shall have determined that such exclusion is not necessary or required.

(ii) The method by which the State Ballpark Project Bonds are sold shall be acceptable to the State.

(iii) The maximum financial liability of the State under this Agreement and with respect to the State Ballpark Project Bonds (including but not limited to costs of administration, paying agents, trustees, Fiduciaries,

arbitrators, court costs and annual rebate calculations) shall be \$7,000,000 per Fiscal Year of the State, and such liability shall be subject to annual appropriation.

(iv) Arbitrage rebate shall be calculated annually and shall be deducted from interest earnings and deposited annually into a segregated fund held by the applicable Trustee.

(v) The proceeds of the State Ballpark Project Bonds shall be segregated and invested separately from all other moneys.

(vi) All investment of the proceeds of the State Ballpark Project Bonds shall be approved by the State.

(vii) The proceeds of the State Ballpark Project Bonds shall be used only for Ballpark Project Costs and Costs of Issuance of the State Ballpark Project Bonds.

(viii) The Parties shall have agreed upon the forms of the Redevelopment Plan and the Redevelopment Contract, and the Construction Monitor Agreement shall be in force and effect.

(b) The City shall have no obligation to issue or cause to be issued the City Ballpark Project Bonds unless the following requirements are satisfied:

(i) The interest on the City Ballpark Project Bonds shall be excluded from gross income for federal income tax purposes, except to the extent that the City in its sole judgment shall have determined that such exclusion is not necessary or required.

(ii) The method by which the City Ballpark Project Bonds are sold shall be acceptable to the City.

(iii) The maximum financial liability of the City under this Agreement and with respect to the City Ballpark Project Bonds (including but not limited to costs of administration, paying agents, trustees, Fiduciaries, arbitrators, court costs and annual rebate calculations) shall be \$4,200,000 per Fiscal Year of the City, and such liability shall be subject to annual appropriation.

(iv) Arbitrage rebate shall be calculated annually and shall be deducted from interest earnings and deposited annually into a segregated fund held by the applicable Trustee.

(v) The proceeds of the City Ballpark Project Bonds shall be segregated and invested separately from all other moneys.

(vi) All investment of the proceeds of the City

Ballpark Project Bonds shall be approved by the City.

(vii) The proceeds of the City Ballpark Project Bonds shall be used only for Ballpark Project Costs and Costs of Issuance of the City Ballpark Project Bonds.

(viii) The Parties shall have agreed upon the forms of the Redevelopment Plan and the Redevelopment Contract, and the Construction Monitor Agreement shall be in force and effect.

(c) The County shall have no obligation to issue or cause to be issued the County Ballpark Project Bonds unless the following requirements are satisfied:

(i) The interest on the County Ballpark Project Bonds shall be excluded from gross income for federal income tax purposes, except to the extent that the County in its sole judgment shall have determined that such exclusion is not necessary or required.

(ii) The method by which the County Ballpark Project Bonds are sold shall be acceptable to the County.

(iii) The financial liability of the County under this Agreement and with respect to the County Ballpark Project Bonds (including but not limited to costs of administration, paying agents, trustees, Fiduciaries, arbitrators, court costs and annual rebate calculations) shall not exceed the County Financing Amount per Fiscal Year of the County, and such liability shall be subject to annual appropriation.

(iv) Arbitrage rebate shall be calculated annually and shall be deducted from interest earnings and deposited annually into a segregated fund held by the applicable Trustee.

(v) The proceeds of the County Ballpark Project Bonds shall be segregated and invested separately from all other moneys.

(vi) All investment of the proceeds of the County Ballpark Project Bonds shall be approved by the Court.

(vii) The proceeds of the County Ballpark Project Bonds shall be used only for Ballpark Project Costs and Costs of Issuance of the County Ballpark Project Bonds.

(viii) The Parties shall have agreed upon the forms of the Redevelopment Plan and the Redevelopment Contract, and the Construction Monitor Agreement shall be in force and effect.

ARTICLE VII

OPERATION AND USE OF THE BALLPARK

Section 7.1 Lease of Ballpark to Public Participants. On the Closing Date, the Authority shall rent, lease and let the Ballpark to the Public Participants, and the Public Participants shall rent, lease and hire the Ballpark from the Authority, upon and subject to the terms and conditions herein contained and upon such other terms and conditions as may be agreed upon by the Public Participants and the Authority.

Section 7.2 Sublease of Ballpark to Authority. On the Closing Date, the Public Participants shall rent, sublease and relet the Ballpark to the Authority, and the Authority shall rent, sublease and rehire the Ballpark from the Public Participants, upon and subject to the terms and conditions herein contained and upon such other terms and conditions as may be agreed upon by the Public Participants and the Authority.

Section 7.3 Sublease of Ballpark to Cardinals. At Closing the Authority shall rent, sublease and sublet the Ballpark to the Cardinals, and the Cardinals shall rent, sublease and sublet the Ballpark from the Authority, pursuant to a Lease consistent with and subject to the terms and provisions of this Agreement and containing usual and customary terms and provisions governing commercial leases (the "Lease").

Section 7.4 Lease Term.

(a) The initial term of the Lease shall commence on the Closing Date and shall terminate on the date that is 35 years after the Closing Date, provided that if such scheduled termination date occurs during a Major League Baseball Season, the Lease shall terminate at the end of that Season.

(b) So long as the Cardinals are not then in default under any of the provisions of this Agreement or the Lease, the Cardinals may elect to extend the initial term of the Lease for up to three consecutive extension terms of five years each, by providing to the Authority written notice of any such election not less than one year prior to the then scheduled termination date of the Lease. Upon such election, such extension term shall be included in the Lease Term, and during such extension term all of the terms and conditions contained or incorporated in the Lease shall remain in effect.

Section 7.5 Rent. The Cardinals shall pay rent ("Rent") to the Authority for the Ballpark in the amounts set forth in Exhibit _____.

Section 7.6 Use of Ballpark. The Cardinals shall be entitled to full and exclusive possession and use of the Ballpark, subject to any specific limitations and conditions imposed on the Cardinals by this Agreement. The Cardinals shall be entitled to use the Ballpark for such events and activities as are permitted by Law including any and all activities which are associated with, are customarily conducted in connection with or are related to the conduct of the business of a Major League Baseball team. Notwithstanding the foregoing or any other provisions of this Agreement, the Cardinals' possession and use of the Ballpark shall be subject to the following limitations:

(a) The Cardinals shall not occupy or use the Ballpark (or permit the use or occupancy of the Ballpark) for any purpose or in any manner that violates: (i) any applicable Law; (ii) this Agreement; (iii) the Lease or any Related Agreement; or (iv) any easement, covenant, restriction or other instrument to which this Agreement and the Ballpark Project Site are subject or bound as of the Closing Date or to which the Cardinals have given their written consent.

(b) The Cardinals shall not hold or sponsor any event the conduct of which would present a clear and present danger of material damage to the Ballpark, as demonstrated by damage caused at other Major League Baseball parks or comparable large public or private facilities as a result of the conduct of similar events, provided that the refusal to hold or sponsor such event would not expose the Cardinals to liability for violation of Law.

(c) The Cardinals shall not hold or sponsor any professional football games at the Ballpark which would result in the violation or breach by any Public Participant or any other governmental authority located in the City or the County of any existing contractual obligation or agreement of such entity, without the prior written consent of such entity.

(d) The Authority shall have the non-transferable right to use or sponsor the use of the Ballpark for a minimum of five Community Events during each calendar

year of the Lease Term. A Community Event may be sponsored only for the benefit of nonprofit organizations, such as non-commercial not-for-profit youth athletic events, or not-for-profit civic celebrations. Community Events shall be scheduled only on dates approved by the Cardinals, and the Authority shall provide not less than 90 days written notice to the Cardinals of any date on which it desires to schedule use of the Ballpark for a Community Event. Such notice shall include the date, time, length and a general description of such Event. Community Events may not be scheduled on dates scheduled by the Cardinals for any other use of the Ballpark (including any Team practice date), and any scheduled Community Event shall be moved to another date if the Ballpark is required for a Home Game or other event or activity held or sponsored by the Cardinals. No Community Event shall be permitted that, in the judgment of the Cardinals, would result in damage to or unreasonable use of the Ballpark including, without limitation, the playing surface of the Ballpark. The Cardinals shall not unreasonably withhold their consent to the use of the Ballpark as provided in this paragraph. The Cardinals shall not charge any rent or license, use or other fee for use of the Ballpark for a Community Event, but shall be reimbursed for expenses incurred by the Cardinals in connection with such Event, including additional utilities, insurance, security, personnel and maintenance and repair costs, that would not have been incurred but for such Event. Payments for such expenses shall be made to the Cardinals within 30 days after submission of an invoice by the Cardinals to the Authority stating the expenses incurred. The Authority shall provide or cause to be provided to the Cardinals written evidence of general liability and such other insurance as the Cardinals reasonably require with respect to such Community Event. The Authority shall comply and shall cause all other users of the Ballpark in connection with any Community Event to comply with the rules, regulations and other requirements developed by the Cardinals with respect to the Ballpark. Upon request of the Authority, the Cardinals shall provide to the Authority an estimate of the costs which the Authority will be required to reimburse in connection with such Community Event.

Section 7.7 Management and Operation of

Ballpark.

(a) The Cardinals shall exclusively manage and operate all aspects of the Ballpark including, without limitation, the selection and hiring of all vendors, concessionaires and other contractors that provide services or materials related to the Ballpark.

(b) The Cardinals shall do all things, take all actions and expend such funds as may be necessary or desirable in their judgment for the operation of the Ballpark in accordance with this Agreement and the Lease during the Lease Term. Without limiting the foregoing, the Cardinals, at all times during the Lease Term, shall:

(i) Commence, defend and settle any legal actions or proceedings concerning the operation of the Ballpark as may be necessary or required in the opinion of the Cardinals; retain counsel in connection with any such legal actions and proceedings; and notify the Authority in writing of the commencement of any such legal action or proceeding and, if requested by the Authority, advise the Authority of the progress of any such legal action or proceeding and send to the Authority copies of all material legal documentation relating to such legal actions and proceedings.

(ii) Employ, train, pay and supervise personnel and engage such independent contractors as the Cardinals determine in their sole discretion to be necessary for the operation of the Ballpark. None of the personnel employed or engaged by the Cardinals for the management and operation of the Ballpark shall be deemed to be employees of the Authority or the Public Participants.

(iii) Maintain or cause to be maintained all necessary licenses, permits, approvals and authorizations required by any Governmental Authority for the operation of the Ballpark.

(iv) The Cardinals shall comply and shall contractually obligate their concessionaires to comply with the provisions of the City's Equal Opportunity and Discrimination Guidelines attached hereto and incorporated herein as Exhibit ___ including Executive Order #28 dated July 24, 1997 setting a goal of 25% for minority-owned business participation and 5% for women-owned business participation. The Cardinals shall provide to the City such information as may reasonably be required to enable the City to monitor compliance.

Section 7.8 Compliance with Law. The Cardinals shall comply with all Law which may be applicable to them or to the Ballpark. Notwithstanding the foregoing, the Cardinals shall have the right to contest or cause review by legal or other appropriate procedures the validity, legality or application of any such Law and during such contest or review the Cardinals may refrain from complying therewith, provided that such contest or review does not materially impair the ability of the Cardinals to perform their obligations under this Agreement.

Section 7.9 Revenues from Ballpark. The Cardinals shall be entitled to receive and retain all revenues and other amounts received from all events held in or about the Ballpark, and from all sales, uses and other transactions and activities in or relating to the Ballpark or the Team, except as may otherwise be specifically set forth in this Agreement.

Section 7.10 Operating Budget and Annual Report. (a) On or before the first day of each Ballpark Operating Period, the Cardinals shall submit to the Authority a Ballpark Operating Budget for the succeeding Ballpark Operating Period. The Ballpark Operating Budget shall set forth the amount expected to be paid during the succeeding Ballpark Operating Period for, among other things, Ballpark Operating Repairs and Maintenance, Ballpark Capital Repairs and Improvements and each significant item of operating expenses for the Ballpark, together with the amounts proposed to be paid by the Cardinals for such purposes.

(b) Not later than 150 days following the end of each Ballpark Operating Period, the Cardinals shall submit to the Authority and the Public Participants an audited report setting forth all expenditures and reserves of the Cardinals with respect to the leasing and operation of the Ballpark for such Ballpark Operating Period.

Section 7.11 Occupancy of Ballpark by Subtenants. The occupancy of the Ballpark by concessionaires, subtenants or other persons or entities under authorization of the Cardinals shall not extend beyond the Lease Term.

Section 7.12 Taxes, Assessments and Other Governmental Charges

(a) The Cardinals shall promptly pay and discharge, as the same become due, all taxes and

assessments, general and special, and other governmental charges of any kind whatsoever that may be lawfully taxed, charged, levied, assessed or imposed upon or against or be payable for or in respect of the Ballpark Project, the activities therein and the income therefrom and for or in respect of the Public Participants' Financing Amounts and other amounts payable under this Agreement, including any new taxes and assessments not of the kind enumerated above to the extent that the same are lawfully made, levied or assessed in lieu of or in addition to taxes or assessments now customarily levied against real or personal property, and further including all utility charges, assessments and other general governmental charges and impositions whatsoever, foreseen or unforeseen, which if not paid when due would encumber the Authority's title to the Ballpark.

(b) Subject to the provision of Section 12.5(e), the Cardinals shall be responsible for (i) all taxes and assessments, general and special, and other governmental charges of any kind whatsoever that may be lawfully taxed, charged, levied, assessed or imposed upon or against or be payable for any leasehold interest with respect to the Ballpark Project Site, the Ballpark or any buildings, improvements, machinery and equipment at any time installed on the Ballpark Project Site and (ii) any tax or assessment of any kind whatsoever that is imposed by any legislation, rule, regulation or other Law enacted after the date of this Agreement and that by its terms or its effect is substantially a replacement for or substitution of the changes in taxes made by the Admissions Tax Amendment or is substantially a tax only on sports-related tickets or admissions.

Section 7.13 Utilities. The Cardinals shall be solely responsible for and shall promptly pay or cause to be paid all charges or taxes for heat, water, sewer, gas, electricity, telephone, communications and any other utilities and services rendered to or used on or about the Ballpark, including all costs of maintenance, repair, pest control, security, waste removal and janitorial, elevator and escalator services.

Section 7.14 Right of Inspection. In addition to other inspections permitted by applicable Law, the Cardinals shall permit the Public Participants, the Authority and the Trustees to visit and inspect the Ballpark at reasonable times and with reasonable

frequency, upon not less than 72 hours prior written notice to the Cardinals, provided that such visits and inspections shall not cause any delay, interruption or interference in the construction or operation of the Ballpark.

Section 7.15 Authority Office. The Authority shall be furnished with a private office and reception area for its use, which shall (a) be at a location within the Ballpark in reasonable proximity to the Cardinals' offices, (b) contain approximately 200 square feet and (c) be delivered in a finished condition (excluding furnishings) suitable for use as a business office. Such office space shall be furnished at no cost to the Authority. The Authority shall also have non-exclusive access to a conference room where it shall conduct the meetings of its commissioners. The Authority shall pay no rent or utilities for such office space or conference room, except the cost of telephone and communications services. Cleaning and routine maintenance, including periodic painting and replacement of carpeting, shall be provided by the Cardinals and paid for by the Authority.

Section 7.16 Maintenance of Existence. At all times during the Lease Term the Cardinals shall maintain their existence as an entity organized under the laws of the State or any other state of the United States, and shall not dissolve or liquidate without the prior written consent of the Public Participants and the Authority; provided that the Cardinals may dissolve or liquidate (including in connection with any merger, consolidation or other organizational transaction) without such consent provided that the obligations of the Cardinals under this Agreement, the Lease and the Related Agreements shall have been assigned in accordance with Section 13.6 of this Agreement.

Section 7.17 Maintenance of Franchise. ARTICLE VIII

CERTAIN TAXPAYER PROTECTION AND RELATED PROVISIONS

Section 8.1 Agreement to Play and Not to Relocate. The Cardinals acknowledge that their commitment to play all of their Home Games at the Ballpark is a material inducement for the Public Participants and the Authority to undertake the development of the Ballpark Project and to enter into this Agreement and the Lease. The Authority shall submit any proposed name for the Ballpark to the Cardinals and the Public Participants in writing and no name shall be used or allowed to be used to which the Cardinals or the Public Participants have objected in writing within 30 days of their receipt of such proposed name. Notwithstanding the foregoing, at such time as no State Ballpark Project

Bonds are outstanding, all amounts in the State Naming Rights Fund shall be transferred to the Ballpark Capital Reserve Fund.

(j) Notwithstanding any other provision of this Section 8.6, if, in the opinion of Bond Counsel, any particular deposit of funds into the State Naming Rights Fund or the City Naming Rights Fund called for by this Section 8.6 would adversely affect the exclusion from gross income for federal income tax purposes of the interest on any Ballpark Project Bonds, then such funds shall instead be deposited in the Ballpark Capital Reserve Fund or, if, in the opinion of Bond Counsel such deposit would also adversely affect such exclusion, be used in such other manner for the benefit of the Ballpark as shall be agreed to by Parties and the Authority.

Section 12.1 Events of Default by the Cardinals. The term "Event of Default," wherever used in this Agreement, means, with respect to the Cardinals, any one of the following events (whatever the reason for such event and whether it is voluntary or involuntary or effected by operation of Law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body):

(a) default in the payment by the Cardinals of any material amount due under this Agreement when such amount becomes due and payable and continuance of such default for a period of 30 days following receipt by the Cardinals of written notice that such amount was not paid when due; or

(b) default in the performance, or breach, of any material covenant or agreement of the Cardinals in this Agreement (other than a covenant or agreement a default in the performance or breach of which is specifically dealt with elsewhere in this Agreement, including any covenant or agreement under Sections 3.3, 3.4, 5.9, 5.10, 5.12 or 8.1), and continuance of such default or breach for a period of 60 days after there has been given to the Cardinals by any Public Participant or the Authority a written notice specifying such default or breach and requiring it to be remedied; provided that if such default cannot be fully remedied within such 60-day period, but can reasonably be expected to be fully remedied, such default shall not constitute an Event of Default if the Cardinals shall immediately upon receipt of such notice commence the curing of such default and shall thereafter prosecute and complete the same with due diligence and dispatch; or

(c) any representation or warranty made by the Cardinals in this Agreement proves untrue in any material respect as of the date of the issuance or making thereof and

shall not be corrected or brought into compliance within 60 days after there has been given to the Cardinals a written notice specifying such default or breach and requiring it to be remedied; provided that if such default cannot be fully remedied within such 60-day period, but can reasonably be expected to be fully remedied, such default shall not constitute an Event of Default if the Cardinals shall immediately upon receipt of such notice commence the curing of such default and shall thereafter prosecute and complete the same with due diligence and dispatch; or

(d) a material default by the Cardinals under the Lease (after taking into account any applicable grace or cure period therein).

Section 12.2 Remedies of Public Participants.

Except as otherwise provided herein, and subject to the provisions of Section 12.6, upon the occurrence and continuance of any Event of Default with respect to the Cardinals under this Agreement, unless the same is waived as provided in this Agreement, the Public Participants shall have the following rights and remedies, in addition to any other rights and remedies provided under this Agreement or by Law:

(a) The Public Participants may pursue any available remedy at Law or in equity by suit, action, mandamus or other proceeding to enforce the payment of the amounts due under this Agreement and the Lease, to realize on any of the Public Participants' interests in the Project under this Agreement and the Lease, to enforce and compel the performance of the duties and obligations of the Cardinals as set forth in this Agreement and the Lease and to enforce or preserve any other rights or interests of the Public Participants under this Agreement and the Lease with respect to the Project or otherwise existing at Law or in equity.

(b) The Public Participants may terminate all (but not less than all) of this Agreement, the Lease and the Related Agreements (including the Cardinals right of possession of the Ballpark), and may re-enter and take possession of the Ballpark. In such event, this Agreement, the Lease and the Related Agreements and the term and estate granted hereby and thereby shall terminate.

(c) The Public Participants shall be entitled to collect from the Cardinals, and the Cardinals shall be liable for, any damages which may be due or sustained by the

Public Participants or the Authority prior to or as a result of such Event of Default, together with all costs, fees and expenses (including reasonable attorneys' fees, brokerage fees and expenses incurred in placing the Ballpark in rentable condition) incurred by any Public Participant in pursuing any remedies under this Article XII.

(d) Upon the filing of a suit or other commencement of judicial proceedings to enforce the rights of the Public Participants under this Agreement, the Public Participants shall be entitled as a matter of right to the appointment of a receiver or receivers of any money or other property receivable or collectible by the Public Participants or the Authority under this Agreement and the Lease, pending such proceedings, with such powers as the court making such appointment shall confer.

Section 12.3 Certain Equitable or Liquidated Damages.

(a) The Parties acknowledge and agree that (i) the Ballpark Project is being constructed, and the Ballpark Project Bonds are being issued, to enable the Cardinals and the Team to remain in the City and to enable the Team to play its Home Games in the Ballpark and (ii) Section 8.1 of this Agreement is intended to ensure, among other things, that the Cardinals will not relocate the Team.

(b) The Parties acknowledge and agree that (i) particular and highly unique circumstances have given rise to this Agreement, (ii) the Public Participants and the Authority will be immediately, uniquely and irreparably harmed by any violation by the Cardinals of Section 8.1 of this Agreement, (iii) monetary damages could not be calculated to compensate the Public Participants and the Authority for any breach by the Cardinals of Section 8.1 of this Agreement and (iv) the Public Participants and the Authority do not have an adequate remedy at law for the breach by the Cardinals of Section 8.1 of this Agreement.

(c) The Parties acknowledge and agree that the economic, financial, civic and social benefits to the Public Participants and the Authority from the presence of the Cardinals and the Team and the playing by the Team of its Home Games in the City are great, but that the precise value of those benefits is difficult to quantify due to the number of citizens and businesses that rely upon and benefit from the presence of the Cardinals and the Team in the City. Accordingly, the magnitude of the damages that

would result from the loss of those benefits due to a violation by the Cardinals of Section 8.1 of this Agreement would be significant in size but difficult to quantify.

(d) The Parties agree that in the event of a material default, violation or breach, or threatened material default, violation or breach, by the Cardinals of any provision of Section 8.1, the sole and exclusive remedy of the Public Participants shall be any one, but not both, of the remedies specified in (i) and (ii) below:

(i) the Public Participants may, without the necessity of posting any bond or other security and without any further showing of irreparable harm, balance of harms, consideration of the public interest or inadequacy of money damages, be entitled to seek and obtain an injunction, specific performance or any other preliminary or permanent equitable relief from any court of competent jurisdiction to prevent such violation or breach, and the Cardinals agree and stipulate that the rights of the Public Participants to equitable relief pursuant to this Section 12.3 shall not constitute a “claim” pursuant to Section 101(5) of the United States Bankruptcy Code and shall not be subject to discharge or restraint of any nature in any bankruptcy proceeding involving the Cardinals; or

(ii) the Public Participants shall be entitled to terminate this Agreement, the Lease and the Related Agreements and receive, and the Cardinals shall pay, liquidated damages in the applicable amount (“Liquidated Damages Amount”), determined as follows based upon the year of the Lease Term in which the violation or breach of Section 8.1 occurs: during the first year of the Lease Term, the Liquidated Damages Amount shall be equal to the actual proceeds of Ballpark Project Bonds deposited into the Ballpark Project Construction Fund hereunder (“Initial Liquidated Damages Amount”), and, on the first day of each year during the Lease Term thereafter, the Liquidated Damages Amount shall be reduced by 1/35 of the Initial Liquidated Damages Amount. The Parties acknowledge that they have negotiated the above amounts in an attempt to make a good faith effort to quantify the amount of damages that would result from a violation of Section 8.1 despite the difficulty in making such determination. Accordingly, in the event the Public Participants, the Authority or any other Person shall collect the above-described liquidated damages, then the

Public Participants, the Authority and any such other Person shall not have, and hereby waive, the right to collect additional monetary or any other damages for breach of Section 8.1, whether for lost or prospective profits, or for special, indirect, incidental, consequential, exemplary or punitive damages, or for any other loss or consequence.

Section 12.4 Events of Default by Public Participants. The term “Event of Default,” wherever used in this Agreement, means, with respect to the Public Participants, any one of the following events (whatever the reason for such event and whether it is voluntary or involuntary or effected by operation of law or pursuant to any judgment, decree or order of any court or any order, rule or regulation of any administrative or governmental body):

(a) default in the payment by any Public Participant of any material amount due under this Agreement when such amount becomes due and payable and continuance of such default for a period of 30 days following receipt by such Public Participant of written notice that such amount was not paid when due; or

(b) default in the performance, or breach, of any material covenant or agreement of any Public Participant in this Agreement (other than a covenant or agreement a default the performance or breach of which is specifically dealt with elsewhere in this Agreement) and continuance of such default or breach for a period of 60 days after there has been given to such Public Participant by the Cardinals a written notice specifying such default or breach and requiring it to be remedied; provided that if such default cannot be fully remedied within such 60-day period, but can reasonably be expected to be fully remedied, such default shall not constitute an Event of Default if such Public Participant shall immediately upon receipt of such notice commence the curing of such default and shall thereafter prosecute and complete the same with due diligence and dispatch; or

(c) any representation or warranty made by any Public Participant in this Agreement proves untrue in any material respect as of the date of the issuance or making thereof and shall not be corrected or brought into compliance with 60 days after there has been given to such Public Participant a written notice specifying such default

or breach and requiring it to be remedied; provided that if such default cannot be fully remedied within such 60-day period, but can reasonably be expected to be fully remedied, such default shall not constitute an Event of Default if such Public Participant shall immediately upon receipt of such notice commence the curing of such default and shall thereafter prosecute and complete the same with due diligence and dispatch; or

(d) a material default by any Public Participant or the Authority under the Lease (after taking into account any applicable grace or cure period therein); or

(e) any Public Participant or the Authority shall interfere with the use, possession and enjoyment of the Ballpark by the Cardinals and the Team as permitted by this Agreement and the Lease.

Section 12.5 Remedies of the Cardinals.

Subject to the provisions of Section 12.6, upon the occurrence and continuance of any Event of Default with respect to any Public Participant under this Agreement (unless the same is waived as provided in this Agreement), or if a tax or assessment of any kind specified in Section 7.12(b) is levied against or passed through to the Cardinals or any Affiliate of the Cardinals, the Cardinals shall have the following rights and remedies, in addition to any other rights and remedies provided under this Agreement or by Law:

(a) The Cardinals may pursue any available remedy at Law or in equity by suit, action, mandamus or other proceeding to enforce the payment of any amounts due under this Agreement and the Lease, to realize on any of the Cardinals' interests in the Project under this Agreement and the Lease, to enforce and compel the performance of the duties and obligations of the Public Participants as set forth in this Agreement and the Lease and to enforce or preserve any other rights or interests of the Cardinals under this Agreement and the Lease with respect to the Project or otherwise existing at Law or in equity.

(b) The Cardinals may take such action at Law or in equity as may be necessary or appropriate to preserve and ensure the Cardinals' use, possession and enjoyment of the Ballpark in accordance with this Agreement and the Lease.

(c) The Cardinals shall have the right to terminate

this Agreement and the Lease (and the Related Agreements, if applicable), to cease making payments hereunder and thereunder and to vacate the Ballpark, or to take any one or more of the foregoing actions.

(d) The Cardinals shall be entitled to collect from the Public Participants, and the Public Participants shall be liable for, any damages which may be due or sustained by the Cardinals prior to or as a result of such Event of Default, together with all costs, fees and expenses incurred by the Cardinals in pursuing any remedies under this Article XII.

(e) The Cardinals shall be entitled to offset the amount of any such tax or assessment, dollar for dollar, against any and all amounts payable hereunder to a Public Participant levying a tax or assessment specified in Section 7.12(b) (including, without limitation, against the corresponding amounts payable under Sections 3.6, 8.7 and 12.3(d)) and against the taxes referred to in Section 13.2(b); provided that the Cardinals shall be entitled to such offset only against such amounts payable to the Public Participant levying such tax or assessment.

Section 12.6 Limited Termination Rights.

(a) Notwithstanding anything to the contrary herein, the Cardinals shall not have any right to terminate this Agreement or the Lease (or Related Agreements, if applicable) following the Closing Date unless (i) any Public Participant or the Authority has taken any action under this Agreement or the Lease (or Related Agreements, if applicable) which materially interferes with the Cardinals' rights of possession and use of the Ballpark pursuant to this Agreement or the Lease or (ii) the Parties shall have failed to fund their share of Extraordinary Capital Costs pursuant to Section 10.3. Any dispute as to whether a Public Participant or the Authority has interfered with the Cardinals' right of possession and use of the Ballpark pursuant to this Agreement or the Lease shall be submitted for judicial determination in St. Louis County, Missouri. If the court finds that (x) a Public Participant or the Authority has interfered with such rights, and (y) the nature and magnitude of such interference is of such extent that termination of this Agreement and the Lease (and, if applicable, any Related Agreements) is an appropriate and just remedy for the Cardinals, and the interfering Party thereafter fails to cease such interference within 30 days

after the court's decision, then the Cardinals shall have the right to terminate this Agreement and the Lease; provided, however, that such termination shall not be allowed so long as the Public Participant or the Authority has promptly commenced a cure for such material interference, diligently proceeds in a reasonable manner to complete the same thereafter, and effectuates such cure as soon reasonably practicable. If the court does not find material interference, then the Cardinals shall have no right to terminate this Agreement or the Lease; however, such determination shall not affect the Cardinals' other rights or remedies under this Agreement.

(b) Notwithstanding anything to the contrary herein, in the event of a dispute between any of the Parties as to whether an Event of Default by the Cardinals has occurred or has been cured under this Agreement or the Lease, including as to the materiality of any representation, warranty or covenant made by the Cardinals hereunder or under the Lease, the Parties agree that, prior to the Public Participants' exercising any right to terminate this Agreement or the Lease (or Related Agreements, if applicable), such dispute shall be submitted to judicial determination in St. Louis County, Missouri. If the court finds that (i) there is an uncured Event of Default on the part of the Cardinals and (ii) the nature and magnitude of the Event of Default is of such extent that termination of this Agreement and the Lease (and, if applicable, any Related Agreements) is an appropriate and just remedy, and the Cardinals thereafter fail to cure such Event of Default within 30 days after the court's decision, then an Event of Default shall be deemed to have occurred and the Public Participants or the Authority (as the case may be) shall have the right to terminate this Agreement and the Lease; provided, however, that such termination shall not be allowed so long as the Cardinals have promptly commenced a cure for such Event of Default, diligently proceed in a reasonable manner to complete the same thereafter, and effectuate such cure as soon reasonably practicable. If the court does not find an uncured Event of Default, then there shall be no right of the Public Participants or the Authority to terminate this Agreement or the Lease; however, such determination shall not affect the Parties' other rights or remedies under this Agreement.

Section 12.7 Default Rate. If any party shall

fail to make any payment of any amount payable under this Agreement or the Lease on the date due, which failure shall continue for 30 days after notice of such failure, then such payment shall bear interest thereafter at the Default Rate.

Section 12.8 Rights and Remedies Cumulative. No right or remedy herein conferred upon or reserved to any Party is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by Law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not prevent the concurrent assertion or employment of any other appropriate right or remedy. No delay or omission of any Party to exercise any right or remedy accruing upon an Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Every right and remedy given by this Article or by Law may be exercised from time to time, and as often as may be deemed expedient.

Section 12.9 Waiver of Past Defaults. Before any judgment or decree for payment of money due has been obtained by any Party as provided in this Article XII, the non-defaulting Parties may, by written notice delivered to the other Party or Parties, waive any past default hereunder and its consequence. Upon any such waiver, such default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured, for every purpose of this Agreement, but no such waiver shall extend to or affect any subsequent or other default or impair any right or remedy consequent thereon.

Section 12.10 Consolidation of Actions. The Parties agree that any lawsuits, arbitrations, claims or other legal proceedings relating to substantially the same subject matter under this Agreement shall be consolidated into a single proceeding to the fullest extent permitted by applicable Law, except to the extent that such consolidation would materially impair the rights, claims or defenses of any Party.

Section 12.11 Certain Limitations. Notwithstanding any other provision of this Agreement

(a) The Parties agree that the sole and exclusive

remedies for failure to comply with the provisions of this Agreement with respect to the commencement or completion of the Ballpark Village Project, including with respect to any generation of New State Revenues or Economic Activity Taxes therefrom, as referred to in Section 2.2(k) and Section 8.8(a) herein or in any other provision of this Agreement, are set forth in Section 3.6(c) and Section 3.6(d).

(b) The sole remedies for a breach or violation by the Cardinals of any provision of Section 3.2 shall be as set forth in the Lease and the Redevelopment Contract.

ARTICLE XIII

MISCELLANEOUS PROVISIONS

Section 13.1 Term of Agreement.

(a) The term of this Agreement (the "Term") shall commence, and this Agreement shall become effective (notwithstanding the date hereof), on the Effective Date of this Agreement, and shall terminate on the first to occur of:

(i) the first date following the Closing Date on which no Ballpark Project Bonds are outstanding and the Lease is not in effect; or

(ii) the date on which this Agreement is terminated by one of the Parties in accordance with (b) below; or

(iii) the date on which this Agreement is terminated in accordance with Section 12.2 or Section 12.5; or

(iv) the date on which this Agreement is terminated by the Cardinals pursuant to Section 5.4, 6.11 or 10.3.

(b) This Agreement may be terminated by any Party at any time prior to the Closing Date or, in the case of (iii) below, the Bond Offering Commitment Date, by written notice to the other Parties in the event that, as a result of unforeseen circumstances, financial market or economic conditions, unanticipated costs, threatened or pending legal proceedings or any other occurrence or circumstance, in the reasonable judgment of such Party:

(i) there is a significant risk that any material provision of this Agreement is or may be unconstitutional or unlawful or impossible of performance, as evidenced by an opinion of counsel addressed to all of the Parties;

(ii) the aggregate amount of Ballpark Project Bonds issuable in accordance with this Agreement is less

than \$205,000,000 plus all Costs of Issuance;

(iii) the Ballpark Project Costs are expected to be substantially in excess of the amount contemplated by this Agreement (or cannot be confidently estimated) or the amount to be deposited by the Cardinals in the Ballpark Construction Fund is expected to be in excess of \$108,500,000; or

(iv) the acquisition, construction, equipping and improvement of the Project has for any reason become financially or economically infeasible.

Section 13.2 Certain Taxes.

(a) The Public Participants acknowledge and agree that the taxes paid and to be paid by the Cardinals have a substantial impact on the operations of the Cardinals, are a significant element of the feasibility of the Project and will be an essential part of the consideration to the Cardinals under this Agreement, the Lease and any Related Agreements.

(b) Subject to applicable Law, the City agrees that it will initiate legislation to reduce the rate of the entertainment license tax levied and collected by the City pursuant to Chapter 8.08 of the City Code (which is presently collected at the rate of 5% on the cost of admission) to the rate of 1.5% with respect to the total gross receipts admissions charges collected at the Ballpark in any year in excess of \$85,000,000. In the event that such legislation is enacted, the Cardinals will thereafter be responsible for all such entertainment license taxes levied in respect of the Ballpark in accordance with the provisions of such legislation.

(c) The Public Participants covenant and agree, to the extent within their power and permitted by applicable Law, not to initiate any legislation, rule or regulation which would levy a non-uniform or disproportionate tax against the Cardinals, the Ballpark or the Ballpark Project Site in relation to the general public or other businesses after the date of this Agreement.

Section 13.3 Tax Covenants. The Parties represent and agree that it is their intention, to the fullest extent possible, that the interest on the Ballpark Project Bonds shall be excluded from gross income for federal income tax purposes. To that end, the Parties agree that this Agreement shall be construed and applied to the fullest extent possible not to require any action or cause

any event that would adversely affect such exclusion. The Parties further agree that they will use their best efforts to amend this Agreement, the Lease and the Related Agreements, consistent with the economic terms hereof, in such manner as may be necessary to establish or maintain the exclusion of the interest on the Ballpark Project Bonds from gross income for federal income tax purposes. In furtherance and without limitation of the foregoing, each of the Parties agrees that it will, and will use its best to cause the Authority (or the applicable issuer of any bonds) to: (a) comply with all applicable provisions of the Code, including Sections 103 and 141 through 150, necessary to maintain the exclusion from gross income for federal income tax purposes of the interest on the Ballpark Project Bonds, (b) not use or permit the use of any proceeds of any Ballpark Project Bonds or any other funds, or take or permit any other action, or fail to take any action, if any such action or failure to take action would adversely affect the exclusion from gross income for federal income tax purposes of the interest on the Ballpark Project Bonds, (c) adopt such ordinances or resolutions and take such other actions as may be necessary to comply with the Code and with all other applicable future laws, regulations, published rulings and judicial decisions, in order to ensure that the interest on the Ballpark Project Bonds will remain excluded from federal gross income, to the extent any such actions can be taken by it, (d) use the proceeds of the Ballpark Project Bonds as soon as practicable and with all reasonable dispatch for the purposes for which the Ballpark Project Bonds are issued, (e) not invest or directly or indirectly use or permit the use of any proceeds of the Ballpark Project Bonds or any other funds in any manner, or take or omit to take any action, that would cause the Ballpark Project Bonds to be “arbitrage bonds” within the meaning of Section 148(a) of the Code, (f) pay or cause the payment from time to time of all rebate amounts required to be paid to the United States pursuant to Section 148(f) of the Code and any Treasury Regulations applicable to the Ballpark Project Bonds from time to time and (g) not use or allow the use of any portion of the proceeds of the Ballpark Project Bonds, including any investment income earned on such proceeds, directly or indirectly, in a manner that would cause any Ballpark Project Bond to be a “private activity bond” within the meaning of Section 141(a) of the

Code.

Section 13.4 Arbitration. All disputes, disagreements, controversies or claims which under the specific terms of this Agreement the Parties have agreed to submit to arbitration shall be exclusively and finally settled by binding arbitration conducted before three arbitrators in accordance with the Commercial Arbitration Rules of the American Arbitration Association, and judgment on the award rendered by the arbitrators may be entered in any court having jurisdiction thereof. In any arbitration, the parties shall be entitled to conduct discovery in accordance with the applicable rules of the Federal Rules of Civil Procedure, with such modifications thereto as may be mutually agreeable to the parties unless the arbitrators appointed to hear the case rule that discovery should be limited in light of the particular dispute. In the event the parties are unable to agree on the three arbitrators, the parties shall select the three arbitrators by striking alternatively (the first to strike being chosen by lot) from a list of 13 arbitrators designated by the American Arbitration Association. Each of the parties to the arbitration shall bear the cost of the arbitration (including reasonable attorneys’ fees) on such basis as the arbitrators of the matter shall determine. The arbitrators shall be further authorized to take whatever interim or temporary measures deemed necessary, including injunctive relief and measures for the protection or conservation of property. Such interim relief may take the form of an interim award, and the arbitrators may require security for the costs of such measures.

Section 13.5 The Act. The enactment and effectiveness of the Act is required in connection with this Agreement and the issuance of the Ballpark Project Bonds. The Parties agree to use their absolute best efforts to obtain passage by the General Assembly and signature thereafter by the Governor of the Act at the earliest possible time.

Section 13.6 Assignment. Except as provided herein, none of the Parties shall assign or transfer their rights or obligations under this Agreement, the Lease or the Related Agreements without the written consent of the other Parties, which consent shall not be unreasonably withheld, conditioned or delayed. Notwithstanding the foregoing, the Cardinals may, without the necessity of

obtaining the consent of the other Parties, assign any or all of its rights under this Agreement, the Lease and the Related Agreements to a person, firm, corporation or entity which acquires the Team pursuant to a Sale and in accordance with applicable Major League Baseball Rules and Regulations, provided that (a) the assignee assumes all of the obligations of the Cardinals pursuant to this Agreement, the Lease and the Related Agreements and to be bound by all of the terms, conditions and provisions thereof pursuant to an instrument of assignment in form and substance reasonably acceptable to the Authority and the Public Participants and (b) if the assignment involves the transfer of more than 50% of the Cardinals ownership and is prior to the Final Completion of the Ballpark Project, the Cardinals shall continue to be liable for their obligations under Section 5.3(a)(ii) unless the Public Participants shall be reasonably satisfied with the financial condition of the assignee. The Cardinals may, without the necessity of obtaining the consent of the other Parties, assign any or all of their rights under this Agreement, the Lease and the Related Agreements to (a) an Affiliate or (b) a third party entity for the sole purpose of the Cardinals (or an Affiliate of the Cardinals) entering into a lease or similar financing arrangement with such third party entity, provided that the Cardinals remain liable for the obligations of the Cardinals hereunder, and any such assignee shall agree to be bound by the provisions of this Agreement, jointly and severally with the Cardinals, in a written instrument executed by such assignee and delivered to the Parties.

Section 13.7 Performance by Affiliates. The Cardinals shall have the right to perform or cause the performance of any of their obligations under this Agreement, including to enter into any contracts and execute any documents required hereby, by or through an Affiliate, and so doing shall not limit or reduce the liability of the Cardinals to the other Parties under this Agreement.

Section 13.9 No Pecuniary Liability. No provision, covenant or agreement contained in this

Agreement, the Lease, the Indentures, the Ballpark Project Bonds or any Related Agreement, or any obligation herein or therein imposed upon the Authority or the Public Participants, or the breach thereof, shall constitute or give rise to or impose upon the Authority or the Public Participants a pecuniary liability or a charge upon the general credit or taxing powers of the Authority or of the Public Participants.

Section 13.10 No Power to Bind. No provision, covenant or agreement contained in this Agreement, the Lease, the Indentures, the Ballpark Project Bonds or any Related Agreement shall give the Cardinals the power to bind the Public Participants or the Authority, except as may be specifically approved in writing in advance by the Public Participants or the Authority.

Section 13.15 Severability. If for any reason any provision of this Agreement shall be determined to be invalid or unenforceable, the validity and enforceability of the other provisions hereof shall not be affected thereby.

Section 13.16 Execution in Counterparts. This Agreement may be executed in several counterparts, each of which shall be deemed to be an original and all of which shall constitute one and the same instrument.

Section 13.17 Exculpation. No Commissioner of the Authority, no public official and no officer or

employee of the Authority or of any Public Participant shall have any personal liability for payment of any claim or for the performance of any duty, obligation or undertaking arising under this Agreement.

Section 13.18 Nondiscrimination. The Cardinals agree that, as an independent covenant running with the Project Site forever, to the extent within the Cardinals' control, there shall be no discrimination upon the basis of race, creed, color, national origin, sex, age, marital status, physical handicap or sexual orientation in the sale, lease, rental, occupancy or use of any of the facilities under the Cardinals' control in the Project Area or any portion thereof and said covenant may be enforced by the Public Participants, the Authority or the United States of America or any of their respective agencies. The Cardinals further agree that a provision containing the covenants in this paragraph shall be included in all agreements pertaining to the lease or conveyance or transfer (by any means) of all or a portion of the Project Site.

Section 13.19 Cooperation. The Parties shall lend friendly assistance and use all reasonable efforts to cooperate in the performance of their responsibilities under this Agreement.

Section 13.20 Sovereign Immunity. Except to the extent specifically waived by the Public Participants or the Authority in this Agreement or the Lease or in any Related Agreement and except to the extent such rights have been waived pursuant to applicable Law or otherwise as a consequence of the execution of this Agreement, nothing contained in this Agreement or the Lease shall be in any manner whatsoever construed as a waiver of rights of sovereign immunity possessed by the Public Participants or the Authority as instrumentalities of the State.

THIS AGREEMENT CONTAINS A BINDING ARBITRATION PROVISION WHICH MAY BE ENFORCED BY THE PARTIES.

IN WITNESS WHEREOF, the Parties have caused this Agreement to be executed in their respective names and caused their respective seals to be affixed thereto, and attested as to the date first above written.

Subject to the foregoing, the Ballpark Village Project is presently planned to include:

1. 1,850 parking spaces
2. 400 residential units
3. 470,000 square feet of office space
4. 110,000 square feet of street level, commercial/retail space (ie., restaurant, bookstore, bank branch food mart, daycare, etc.)
