

91ST General Assembly

Second Regular Session

MISSOURI SENATE

WEEKLY BILL STATUS REPORT

for week of:

APRIL 1 - APRIL 5, 2002

Prepared by
Divisions of Research and Data Processing

MISSOURI SENATE

BILL STATUS

SENATE BILLS

SB 0631

SCS SB 631

SENATE SPONSOR Schneider

3216S.02C

SCS/SB 631 - This act allows an Administrative Law Judge to appoint an impartial physician to examine, at the request of the State, upon a finding that there is no other adequate medical evidence available and necessary to second injury fund claims. The physician's fee and other reasonable costs may be assessed by the administrative law judge against any party and becomes immediately payable.

The report of a treating or examining physician may be submitted into evidence in a second injury fund claim, provided the physician is made available to the opposing party by deposition.

This act is similar to SB 832 (2002).

SCS SB 642

SENATE SPONSOR Russell

2904S.04P

SCS/SB 642 - This act requires Hepatitis B and sexually transmitted disease (STD) testing of crime victims and prisoners. New Sections 191.224 and 191.660 are substantially similar to current Sections 191.226 and 191.659, RSMo, but relate to Hepatitis B and STD testing, instead of HIV testing. Section 191.224 allows the Department of Health and Senior Services to pay for the cost of Hepatitis B and STD tests for crime victims and Section 191.659, RSMo, requires hepatitis B and STD testing of sex offenders in the custody of the Department of Corrections.

SCS SB 645

SENATE SPONSOR Mathewson

2597S.02P

SCS/SB 645 - Regional jail district commissioners of a district located in Caldwell County, DeKalb County or Daviess County are authorized to place a sales tax on retail sales in the district of 1/8th, 1/4th, 3/8ths, or 1/2 of one percent on the ballot which will provide funding for jail services, jail facilities, court facilities and equipment. The tax requires approval of a majority of voters in the district.

The provisions of this act shall expire on September 30, 2015.

This act is similar to SB 14 (2001) and HB 642 (2001).

SB 0647

SCS SB 647

SENATE SPONSOR Goode

3159S.06C

SCS/SB 647 - This act revises the law regarding seat belt usage and child restraint systems.

USE OF CHILD PASSENGER RESTRAINT SYSTEM/BOOSTER SEAT - This act requires children less than 4 years old, regardless of weight, or children weighing less than 40 pounds, regardless of age, to use an appropriate child passenger restraint system. The act requires children at least 4 years of age but less than 8 years of age or who weigh 40 pounds to 80 pounds to be secured in a child passenger restraint system or a child booster seat. Children 8 years of age or older, or children who are at least 80 pounds, must use a safety belt.

WAIVER OF PENALTY - A person may escape the \$25 penalty by demonstrating that the person obtained a child safety seat prior to or at his or her hearing which is satisfactory to the court or the party responsible for prosecuting the violator's citation.

RENTAL AGENCIES - This act requires car rental agencies doing business in Missouri to inform customers of the requirements of Section 210.104 and to provide an appropriate child passenger safety restraint system for rental.

SEAT BELT REQUIREMENTS - If there are more persons than there are seat belts in the car, then the passengers must sit in the area behind the front seat unless the vehicle is designed only for a front-seated area.

This act has an effective date of January 1, 2003.

This act is substantially similar to SB 549 (2001).

SB 0651

SCS SB 651

SENATE SPONSOR Singleton

2652S.03C

SCS/SB 651 - This act requires a health carrier to allow any health care provider to participate in its network if that person satisfies all of the selection standards. This act will be known as the "Patient Freedom of Choice Act of 2002".

Currently, Section 354.606, RSMo, deals with contracts between health carriers (currently defined as HMOs) and health care professionals (currently defined as physicians or other health care practitioners who provide specific health services). New language clarifies the definition of "health carrier" to mean as defined in Section 376.1350, RSMo, which includes any entity subject to insurance laws in this state, including accident and sickness insurance, HMOs, nonprofit hospitals, and health service corporations, among others. Health carriers may not develop selection criteria in such a way that it will deny a health care professional the opportunity to become a participating provider if that professional meets all of the selection criteria and is willing to abide by all other terms and conditions. Current

language also contains a provision that health carriers do not, however, need to hire more providers than necessary to maintain an adequate network.

This act is similar to SB 121 (2001).
ERIN MOTLEY

SB 0652

SCS/SB 652
SENATE SPONSOR Singleton

2944S.02I

SCS/SB 652 - This act prohibits certain hospitals from preventing any licensed physician from practicing who complies with all hospital rules. Currently, Section 205.300, RSMo, prohibits public hospitals from discriminating against practitioners of any school of medicine and allows them equal privileges to treat patients. Patient choice of practitioner is also addressed. New language prohibits any hospital which provides Medicaid or Medicare services to patients in this state from excluding any physician from practicing who is licensed in Missouri, in good standing, and who complies with hospital rules. No hospital may deny, restrict, or terminate medical staff or privileges for unrelated economic reasons. All medical staff applications shall be given due process.

SB 0659
SENATE SPONSOR House

2784S.01I

SB 659 This act makes many revisions to laws concerning charter schools and public school teachers.

TEACHERS & STAFF - The act allows the Kansas City Missouri School District to hire retired teachers and allows them to continue receiving their pensions while returning to teaching for up to two years (currently available only in City of St Louis). The retirement system shall determine the actuarial cost of such rehiring, and the cost shall be paid by the district. District

teachers employed in charter schools shall retain tenure status and shall retain seniority rights for three years. Charter schools are permitted to hire noncertificated administrators.

CHARTER SCHOOL LOCATIONS - Charter schools may be operated in the currently authorized territories, even if the existing school district no longer exists or includes that territory. The act clarifies that charter schools may be sponsored by a public 4-year college or university in a county containing an eligible school district, even if the college or university is not in the school district.

CONVERSION TO CHARTER SCHOOLS - Increases the number of public school buildings in a school district which may be converted to charter school use from five percent to ten percent, with discretion given to the local school board. The act requires urban school districts to lease buildings to charter schools on substantially equivalent terms and at a price which is substantially equivalent and requires good-faith negotiations by such districts, for fair market value. The requirements regarding lease of buildings shall not apply to contracts in existence on January 1, 2002.

PROCESS FOR CHARTERING A SCHOOL - The act revises the procedure and timeline for chartering a school. A charter school proponent shall provide the local school district and the State Board of Education with copies of the charter school application within five days of submitting the application to the proposed sponsor. A charter application must be provided to a proposed sponsor at least 11 months prior to the proposed starting date for the school. The sponsor's decision of approval or denial must be made within 90 days of filing the proposed charter (rather than the current 60); if the charter is denied, written notice must be served on the State Board of Education within 5 days. The State Board has 60 days to deny or grant a proposed charter and shall provide reasons for denial in writing, if applicable.

GRANT FUNDING FOR SPONSORS OF CHARTER SCHOOLS - The act creates a Charter School Sponsor Oversight Fund, with grant funding administered by the Coordinating Board for Higher Education. Funds shall be transferred annually by the State Treasurer, based upon the number of charter schools and charter school enrollment the previous year. Approved sponsors shall receive, from the fund, \$23,400 per school sponsored the previous year plus 0.5% of per pupil operating revenues for each student enrolled in such school the previous year. Any sponsor may apply and must demonstrate compliance of all requirements of law. Grant funds shall be prorated if necessary when funds are inadequate. Unused funds shall be retained and used to reduce the next year's withholding from charter school revenues.

CHARTER SCHOOL BOARDS Sponsors must perform criminal background checks on the members of the Board of Directors of any nonprofit corporation applying to establish a charter school, prior to granting or renewing a charter. No member of a charter school board may be employed by the charter school nor have a significant interest in any entity employed by or contracting

with the board.

ACCOUNTABILITY FOR PERFORMANCE Sponsors must provide documentation establishing compliance with charter school laws. Sponsors found to have violated the charter school law requirements may have their ability to sponsor new schools suspended for up to four years by the State Board of Education; suspension is mandatory for subsequent violations. Charter schools are required to employ the Missouri Assessment Program (MAP) tests. Charter schools shall provide all information needed to confirm compliance with all requirements of the charter and all charter school laws.

PUBLIC REPORTING Charter schools are required to publish audits and financial reports. Public reporting shall include results of background checks of charter board members. A charter may be revoked for failure to provide necessary compliance information, or the sponsor may require specified remedial action of the school. Charter schools must make available the charter and public report card to the parent of guardian of any pupil eligible to seek to enroll at the school. Reasonable fees may be charged for such copies.

LEGAL LIABILITY Charter school board members, officers and employees who willfully violate charter school laws or neglect to perform any duty in the charter school laws are guilty of a misdemeanor as other public school employees are under current law. A charter school board may participate in the Missouri Public Entity Risk Management Fund to the same extent as a school board.

The act contains penalty provisions.

This act is similar to SB 512 (2001).

SCS/SB 660 - This act prohibits passengers, as well as drivers, from possessing or consuming an open container of an alcoholic beverage in the passenger area of a motor vehicle on a highway or a right-of-way. A person violating this act shall be guilty of an infraction with a penalty not to exceed \$25. This act does not apply to passengers in the passenger area of motor vehicle used to transport persons for compensation or to passengers in the living quarters of a house coach, house trailer or recreational motor vehicle. This act shall also not apply to the possession of an open container behind the last upright seat of a motor vehicle that is not equipped with a trunk.

This act contains a provision similar to one contained in SB 291 (2001).

SCS/SBs 662 & 704 - This act allows a Sheriff to seize property in the possession of a pawnbroker if the Sheriff receives a report from a claimant that the property has been misappropriated and the property is reasonably identifiable as the property of the claimant. If the pawnbroker believes the property is not misappropriated he or she would then be entitled to file a cause of action in small claims court. The prevailing party would be entitled to court costs and attorney's fees.

This act lowers the felony stealing limit from \$750 to \$500, and raises the felony limit for numerous other crimes involving theft from \$150 to \$500. The other criminal statutes affected are: making a false statement to receive health care payment; sale of any species of wildlife; tampering with computer data; tampering with computer equipment; tampering with computer users; determination of value; receiving stolen property; alternation or removal of item numbers with intent to deprive rightful owner; passing bad checks; fraudulently stopping payment on an instrument; fraudulent use of a credit device; library theft; theft of cable television service; failure to return rented personal property; unlawful receipt of food stamps or ATP cards; unlawful conversion of food stamps or ATP cards; unlawful transfer of food stamps or ATP cards; and perjury, committed when obtaining public assistance.

This act is identical to SB 458 (2001) and 622 (2001).

SS/SB 665 This act requires elementary or secondary public schools that provide access to the Internet to either use filtering software, or to purchase Internet service through a provider that filters the material that can be accessed.

This act also creates the Missouri Regional Computer Forensics Laboratory (RCFL). RCFL will be under the control of the Director of the Department of Public Safety. RCFL will combine local, state and federal resources to research and combat computer and Internet-related crimes.

A public library may either use filtering software or otherwise restrict minors' access to the Internet by local rule. Any public school employee, public library employee, officer, or trustee; or Internet service provider who complies with the law shall not be liable if a minor gains access to pornographic material through the use of the school's computer.

Similar provisions were incorporated in the Perfected version of SS#2/SCS/SBs 757 & 602, but were not retained in the Truly Agreed To version of that bill.

This act is identical to SB 42 (2001).

SB 668 - This act establishes a four year, competitive grant program to school districts for improving math curriculum and instruction up to grade 9.

Applications may be made for grant funding for individual schools, a combination of schools or an entire school district. The act specifies certain elements which must be included in any application, including a process of instructional improvement and stated goals for improving student performance. Funding beyond the second year shall be based upon improvement in student performance on the 8th grade mathematics assessment.

Upon conclusion of the grant, the Department of Elementary and Secondary Education may reimburse the local match, based upon improvement in student performance. The Department shall establish standards for student performance improvement needed for continued grant funding and reimbursement of local match.

Funds shall be distributed in equal amounts within geographic areas based proportionately on student population, but may be reallocated from an area if there are not sufficient applications.

This act is the same as SB 97 (2001).

SB 0670

SS SCS SBs 670 & 684
SENATE SPONSOR Sims

2848S.08P

SS/SCS/SBs 670 & 684 - This act makes a number of changes designed to protect the elderly.

Current law outlines procedures for the issuance of a teaching certificate. After September 1, 2004, this act requires the successful completion of a certified CPR course (Section 168.021).

Definitions for elder care terms are modified (Section 187.010). Certain persons are required to report suspected abuse or neglect of facility residents. Anyone failing to make a report within a reasonable time or filing a false report is guilty of a Class A misdemeanor. Immunity is given to reporters, unless they act negligently, recklessly, or in bad faith. The Department of Health and Senior Services must maintain statistics on all deaths over age sixty-five (Section 187.020).

If a report is made about a long-term care resident, certain information must be included in the report. Within 24 hours, the Department of Health and Senior Services must initiate an investigation and notify the resident's family. If a report involves imminent harm, the Department must start an on-site investigation within 24 hours. If an investigation indicates possible abuse or neglect, the resident may be removed from the facility. Reports are confidential, but information may be released to certain persons. Within five working days, the person making the report must be notified of its progress.

Harassment of reporters is prohibited. Any person who knowingly abuses or neglects a resident of a facility is guilty of a Class D felony and will be placed on the employee disqualification list (Section 187.024).

Section 187.028 contains provisions similar to Section 187.024, but for eligible adults not residing in a facility and in-home services clients. If a report is made by a client's physician, then the Department must maintain contact with the physician regarding the investigation. When a report is received, the client's case manager and the department nurse must be notified and the case manager must investigate. The nurse may participate in the investigation as well. If an in-home services employee is found guilty and the provider fails to report it, then the provider may be subject to penalties of \$1000 per violation. The Department must require providers to verify compliance with program standards. Reports are confidential, except in certain situations (Section 187.028). This portion of the act is substantially similar to SB 684.

The Department must investigate reports by using the procedures established in Sections 660.250 to 660.295 and must refer all suspected cases to law enforcement. The Department and law enforcement must require elder abuse training and must develop an investigation checklist (Section 187.030). Immunity from liability is provided to reporters, unless they act in bad faith (Section 187.034).

Section 187.050 contains provisions similar to 187.024, but for the misappropriation of property or falsification of documents of an in-home services client. Any in-home services provider or employee who performs such acts will be guilty of a Class A misdemeanor. Reports are confidential, except in certain situations (Section 187.050).

Any person placed on the employee disqualification list (EDL) must be notified in writing with thirty days to respond or appeal. Certain persons will be automatically listed on the EDL, such as those who intentionally or negligently inflict serious physical injury or death to another. No person on the EDL may be employed by anyone receiving the list. Persons listed on the EDL may request removal once every twelve months (Section 187.080).

Before allowing an employee to have contact with a resident, providers must request a criminal background check and must check the EDL. Failure to disclose will result in a Class A misdemeanor. Failure by a provider to investigate or evidence of a pattern of violation by the provider will result in civil penalties. Providers may use private investigators to do background checks (Section 187.084). All reports of abuse or neglect will be kept confidential, with specific exceptions (Section 187.087).

The Department may require the production of information for investigations or inspections. Failure to comply with any request is ground for refusal, suspension, or revocation of a license or contract (Section 187.090). The Departments of Health

and Senior Services, Social Services, and Mental Health must work cooperatively in the investigation of abuse and neglect, when appropriate (Section 187.102).

The term "financial" is included in the definition of abuse and redefines "medical assistance" as any federal health care program. The term "health care provider" is also clarified as one paid to provide services (Section 191.900).

The Attorney General may serve subpoenas or other process in order to enforce Sections 187.020 - 187.028 and 191.900 - 191.910 (Section 191.910). The provisions of Section 187.020 are included as non-applicable to certain entities, such as hospitals (Section 198.012).

Written notice of facility noncompliance must be copied to the Attorney General (Section 198.029). Every residential care facility I or II, intermediate care facility, or skilled nursing facility must meet or exceed federal requirements for posting deficiencies (Section 198.030). Sections 187.020 - 187.050 are included in the requirement for confidentiality of resident records. The Department must obtain the name and address of the reporter before obtaining abuse and neglect information (Section 198.032).

One state licensure inspection is required of every facility every fifteen months. One or more additional inspections will be required if a facility receives or fails to correct certain deficiencies. A second inspection may be done if a facility changes ownership. This does not prohibit the Department from making other inspections, as necessary (Section 198.033). Penalty provisions are also clarified (Section 198.067).

A new section requires long term care facilities, adult day care facilities, and residential care facilities I and II to provide such immunizations annually or upon admission. Written consent must be obtained from the resident and his or her physician. Adult day care facilities must also inform clients regarding immunization. The Department must develop rules for documenting compliance, including the documentation of residents who refuse the immunization. The Department may not impose a violation on a facility for not making an immunization available if a shortage exists (Section 198.074).

A requirement is added that skilled or intermediate care nursing assistants must complete training within six months of employment. The Department must approve all training (Section 198.082).

Currently, Section 198.526 outlines facility inspection procedures. New language provides for immediate termination and a Class A misdemeanor for any Division employee who discloses an inspection time to a facility (Section 198.526).

Providers or employees of SNFs or Alzheimer's units are prohibited from having sexual contact with residents. Anyone having sexual contact is guilty of a Class B misdemeanor, with

subsequent violations being a Class A misdemeanor. Anyone having sexual intercourse is guilty of a Class D felony, with subsequent violations being a Class C felony. This section does not apply to persons married to a resident (Section 565.200).

The Department of Health and Senior Services is given equal access to information provided by mental health facilities or the Department of Mental Health (Sections 630.140, 630.167).

The Department must provide certain long term care information over its website, including facility survey results (Section 660.051). The Department must consider a facility's compliance history when issuing or renewing a license (Section 660.083).

All Medicaid participation agreements must include a requirement for abuse and neglect training. If Alzheimer's patients are served, then training on the care of such patients shall be required (Section 660.252).

The Department must prepare a notice of management change for a new owner or manager of a facility to distribute to the press and to a resident's legal guardian or family member. Such facility must also post a sign indicating new ownership or management (Section 660.610).

Portions of this act are substantially similar to HB 349 (2001).

SB 672 This act establishes a Legislative Academy within the Division of Legislative Research. The Academy is designed to educate members of the General Assembly about the organization and operation of state government, appropriations and various other aspects of the legislative and executive branches, as well as the state constitution. This session of the Academy may be conducted during the interim of each biennium following the first regular session of each General Assembly. Participants are eligible for per diem and expense allowances comparable to session rates. For Senate members attending the Academy, two weeks will be devoted to Senate procedural rules and related matters.

The Academy also would assume responsibility for coordinating the Freshman Orientation mandated by Section 21.183. Currently, the tours for incoming legislators are scheduled by the Appropriations Chairs of the respective chambers.

Finally, the act establishes an Advisory Committee to the Legislative Academy comprised of nine former legislators chosen by the Speaker and President Pro Tem. Duties of the Committee will primarily focus upon programming for Academy curriculum. The provisions establishing the Legislative Academy shall expire on December 31, 2006.

This act is similar to SB 50 (2001).

that can be charged for services rendered by the secretary of
state.

MUNICIPAL CANDIDATES - (Section 71.005) - The act prohibits any
person from being a candidate for municipal office if such person
has failed to pay municipal taxes or user fees.

DEFINITIONS - (Section 115.013) - The act modifies definitions
for ballot, electronic voting system, and municipality.

BOARD OF ELECTION COMMISSIONERS - (Section 115.027) - Members of
the Board from the major political party which is not the

political party of the Governor shall be appointed by the governor from names submitted by the state party committee. In jurisdictions with a board of election commissioners, a non-voting representative from each major political party can be appointed by the Governor to participate in discussions of the board.

PROPORTIONAL COSTS - (Section 115.062) - The state must, as soon as practicable, pay its proportional costs to election authorities.

GRANT PROGRAMS- The act sets up a number of grant programs, some of which are subject to appropriation from federal funds:

- Election equipment upgrades with priority to jurisdictions with the highest number of residents below the poverty level (115.074);

- Improving accessibility for individuals with disabilities (115.076);

- Increasing the compensation of election judges (Section 115.098);

- Youth voting programs (Section 115.801); and a program to allow election authorities to receive federal grants (Section 115.803).

ELECTION JUDGES - The act changes the number of election judges needed for primary and general elections and non-primary and non-general elections. No party shall have a majority of judges at a polling place. An election authority may appoint judges from other established parties and non-affiliated judges. Any decision shall be made by the major political party judges (Section 115.081).

- In jurisdictions without a board of election commissioners, the parties may submit names of judges to the election authority. County clerks can make the decisions on judges if the clerk serves as the election authority (Section 115.087).

- The act allows boards of election commissioners to compile lists of non-partisan judges (Section 115.089).

- Provisions are included to ensure that no party has a majority of judges (Sections 115.095, 115.097 and 115.099).

EMPLOYEE PROTECTION - (Section 115.102) - Prohibits adverse action against employee by employer for the employee serving as election judge.

TIME OF ELECTIONS - (Section 115.123) - Expands election days in June and August.

ADVANCED VOTING - (Section 115.126) - Election authorities shall establish an advance voting system for use in presidential election years. Voting begins 14 days before election. The polls may be open on Saturday, Sunday and holidays.

INCAPACITATED PERSONS - (Section 115.133) - Technical change so

that persons adjudged incapacitated cannot register to vote.

REGISTRATION - (Sections 115.135 and 115.137) - Technical changes to require person to be registered in jurisdiction where voting.

VOTER REGISTRATION AGENCIES - (Sections 115.151, 115.160, 115.162) - Voter registration agencies are required to transmit all voter registration applications to the appropriate election authority within five business days.

VOTER INFORMATION - (Section 115.157) - Certain individuals are exempted from the public disclosure of their residential addresses.

ABSENTEE BALLOTS - (Section 115.159) - A person cannot vote by absentee ballot until after first voting in person with proper identification, with some exceptions. Persons responsible for the care of incapacitated persons may vote by absentee ballot (Sections 115.277, 115.283). Applications for ballot can be made by fax (Section 115.279). Certain relatives can deliver and return ballots (Section 115.287). Overseas federal personnel can send ballot by fax (Section 115.291).

VOTER CANVASSING - (Sections 115.163, 115.179) - Allows election authority to use postal service to identify incorrect addresses and canvass voters. Before removing a voter from the registration records, a confirmation notice must be sent to the voter's corrected address as identified by the National Change of Address program.

DECEASED, FELONS, INCAPACITATED PERSONS - (Section 115.195) - The Secretary of State is responsible for obtaining monthly information on deceased persons, new felons, and newly adjudged incapacitated persons and submitting that information to election authorities.

COMPUTERIZED VOTING SYSTEMS - (Section 115.225) - The secretary of state shall promulgate rules to allow the use of computerized voting systems. The act makes technical changes to electronic voting laws (Sections 115.233, 115.237).

INTERNATIONAL OBSERVERS - (Section 115.409) - Allows registered international observers to be admitted to polling place.

VOTER INSTRUCTIONS - (Section 115.417) - Voter instructions of a certain size must be posted at each polling place. The Secretary of State can develop multi-lingual voting instructions.

BUTTERFLY BALLOTS - (Section 115.420) - Butterfly ballots are prohibited unless approval is granted by the Secretary of State. The Secretary must act on requests within two business days.

VOTER IDENTIFICATION - (Section 115.427) - Before voting, a person must show an approved form of personal identification issued by some government agency or Missouri post-secondary school. Personal knowledge of the voter by two supervisory election judges is acceptable voter identification.

VOTING PROCEDURES - Provides that the election authority or circuit court won't allow a person to vote unless the person has complied with all registration requirements (Section 115.429). Technical changes to procedure for initialing of ballot by judges (Section 115.433). The Secretary of State must approve form of sticker used on ballot (Section 115.439). Technical change to ballot retention statute (Section 115.493).

VOTER INTENT - (Section 115.453) - Election judges will no longer count ballots based on the voter's intent.

POLITICAL PARTY COMMITTEES - (Section 115.613) - No election will be held if only one candidate for committeeman in a district files prior to the deadline.

SECRETARY OF STATE POWERS - (Section 115.645) -Upon a judicial determination of probable cause, the Secretary is given power to investigate election law violations. The Secretary may request the Attorney General to apply to a circuit judge to issue a subpoena to any witness. The Attorney General will cooperate with any such investigation. Restrictions made on Secretary's ability to investigate when it may affect outcome of election. No subpoena will be issued until after the counting of all ballots and the posting of the election results. The Secretary has the power to subpoena records closed under the sunshine law.

PROVISIONAL VOTING - (Section 1) - The act establishes a system of provisional voting in cases where the eligibility of a voter cannot be immediately established. The system only applies to primary and general elections where candidates and federal offices are nominated or elected and elections where statewide issues are submitted to the voters.

SCS/SB 676 - This act expands the World War II medallion program to include veterans who served in World War II and were legal residents of Missouri either at the time of enlistment, death or application. The time limit for applying for the medal has been removed as well as the language which causes appropriated money to revert at the end of the program.

This act also revises transfers made to the Veterans' Commission Capital Improvement Trust Fund by allocating seven million dollars from the gaming commission fund to the Veterans' Commission Capital Improvement Trust Fund. Current law allocates three million dollars to the veterans' fund.

Further, a five year sunset clause has been added to Section 313.835, RSMo. Section 313.835 concerns the distribution of funds deposited into Gaming Commission Fund.

SCS/SB 680 - This act creates the Missouri Commission on Prevention and Management of Obesity within the Department of Health and Senior Services. The council will exist until August 28, 2004, and duties will include:

- Collecting data regarding obesity in Missouri;
- Listing programs and services available to overweight children and adults;
- Listing funds available for such services;
- Collecting data to demonstrate economic impact of not treating obesity;
- Identifying barriers to prevention and management of obesity;
- Identifying recommendations to increase prevention and management.

The Commission must coordinate with various federal and state departments to ensure a comprehensive approach to obesity prevention and management. A report must be submitted to the Governor and House and Senate appropriations committees by August 28, 2004. The Commission will consist of twenty-one members and must meet by October 1, 2002, and at least quarterly thereafter. The Commission must have an appropriate ethnic and geographic composition. The Director of the Department of Health and Senior Services will be the chair. By January 1, 2003, the Department must establish a resource databank containing information about obesity and related subjects.

In addition the Department must provide technical assistance to school districts to create healthy school nutrition environments, which are defined as those in which nutrition and physical activity are emphasized in school and at home. Districts should include quality school meals based on USDA dietary guidelines, other healthy food options, relaxed eating experiences, nutrition education, and appropriate marketing.

SB 0681

SENATE SPONSOR Stoll

3130S.01I

SB 681 - This act pertains to adjustments in the Outstanding Schools Act state aid formula. The act will yield a more accurate indicator of the true growth of a district's free and reduced lunch population by excluding the desegregation students from the 1997-1998 line 14a calculation. This exclusion will calibrate the artificially inflated 1997-1998 line 14 numbers so any subsequent growth in a district's free and reduced lunch population will be represented in the finance formula.

Also, the act would attempt to repair a "glitch" in the state aid formula. Currently, an unintended consequence of the formula penalizes school districts which set their levies between 2.75 and 2.93 by reducing their share of state funding. This act prescribes that no school district will receive less on line 14 (a&b) than it would if that district's levy was no greater than 2.75. In other words, school districts would not be penalized for raising levies in excess of 2.75.

SCS/SB 686 - This act establishes that certain discovery and settlement documents filed or maintained in product liability cases are open public records unless a court determines the records should be sealed. The act authorizes judges to order that records be sealed if the requesting party can show that the request is narrowly tailored and that no less restrictive means exist to protect disclosure of prejudicial or confidential information and that: (a) the information is a trade secret, (b) the information would cause undue harm to a party, and (c) an interest exists which substantially outweighs the right of public access to the information.

Any portion of an agreement between parties that prohibits a party from disclosing information to a government agency about a defective product is considered void and unenforceable.

SB 0687

SS SB 687
SENATE SPONSOR Gibbons

2635S.03P

SS/SB 687 - This act creates the "Safe Place for Newborns Act of 2001" and modifies provisions relating to foster care.

A new Section 210.566 outlines the rights and responsibilities of foster parents (Section 210.566). This portion of the act is substantially similar to portions of SCS/SBs 923, et al and SB 828.

This act allows foster parents to be automatically registered with the Family Care Safety Registry at no additional

cost (Section 210.906). This portion of the act is similar portions of SCS/SBs 923, et al and SB 876.

Currently, the Division of Family Services makes reasonable efforts to prevent or eliminate the need for removal of the child from a home. This act does not require such effort when a child is abused by a person other than the parent and circumstances indicate the parent knew or should have known about it. Section 211.183, RSMo, currently defines "reasonable efforts" as reasonable diligence and care by the Division of Family Services to utilize all available resources to meet the needs of the juvenile and the family (Section 211.183). This portion is identical to SB 694.

A new Section 210.950 is created to protect parents from liability for leaving a newborn child if:

- The child is left in the custody of a hospital staff member or volunteer;
- The child is no more than 5 days old; and
- The child has not been physically abused by the parent.

The hospital must provide necessary treatment to protect the child's health or safety and a parent's voluntary delivery of the child to the hospital is implied consent to medical treatment. The hospital must notify the Division of Family Services (DFS) when the child is ready for discharge. Upon notification, DFS must take custody of the child. DFS must provide information about this process on its toll-free number or through brochures and pamphlets.

Currently, Section 568.030, RSMo, creates the crime of abandonment of a child in the first degree. Section 568.045 currently creates the crime of endangering the welfare of a child in the first degree. Section 568.050 creates the crime of endangering the welfare of a child in the second degree. New language to all three of the above sections allows an affirmative defense if the defendant voluntarily delivered the child to a hospital.

SB 0688

SCS SBs 688, 663, 691, 716, 759, 824 & 955
SENATE SPONSOR Gibbons

3199S.04C

SCS/SBs 688, 663, 691, 716, 759, 824 & 925 - This act makes the following modifications to various subjects related to property assessment:

The act divides the roll-back requirement into personal property, taken in the aggregate, and each individual subclass of real property, as those subclasses are defined in the Constitution. Similar language is carried throughout the remainder of Section 137.073, as necessary, to effectuate this change (Section 137.073).

If a county lowers the rate below the rate ceiling, the lower rate becomes the new ceiling (Section 137.073.5).

When reporting to the clerk of the county commission, each taxing authority must report its proposed tax rate calculated to four decimal points (Section 137.073.6).

Section 137.106 of this act, entitled the "The Missouri Homestead Preservation Act," limits the maximum increase to the property tax liability of a homeowner, when compared to the prior assessment period, to five percent. This section provides a 'pop-up' exemption to a portion of the assessed valuation of the property, when the tax liability exceeds the five percent increase cap. The exemption is limited to the amount necessary to stay within the five percent cap. However, calculation the five percent increase shall not include:

- (1) Increases due to new construction or improvements;
- (2) Increases due to any voter approved levy or increase to levy;
- (3) Increases due to a change in the assessed valuation based on a sale of the property.

The state must reimburse the counties for lost revenue due to the cap. A taxpayer can bring suit to enforce any of the provisions of Section 137.106, and receive attorney's fees and expenses if they prevail.

The threshold for requiring a physical inspection of the property is lowered from seventeen percent increased assessed

valuation to fifteen percent (Section 137.115.10).

Before a physical inspection is completed the assessor must notify the property owner of his or her rights regarding the inspection. The property owner can request an interior inspection within thirty days (Section 137.115.11).

The elements of the physical inspection are set forth in greater detail. A mere "drive-by inspection" is not considered sufficient (Section 137.115.12).

A tax collector can accept credit cards as a form of payment for taxes, but shall not add a surcharge in excess of the actual fees charged by the credit card bank (Section 137.115.13).

A taxpayer can bring suit to enforce any of the provisions of Section 137.115, and receive attorney's fees and expenses if they prevail (Section 137.115.14).

When appealing an assessment to the board of equalization, the assessor shall have the burden of proving that the assessment reflects the true market value of the property. If the assessor cannot meet this burden, the property owner shall prevail as a matter of law (Section 138.060.1).

The boards of equalizations in first class charter counties must provide a taxpayer who has appealed an assessment a written finding of facts and conclusions of law (Section 138.100.3).

SCS SB 689
SENATE SPONSOR Gibbons

3180S.02C

SCS/SB 689 - This act creates "Project Exile", a program requiring the state to review certain weapons offense cases for the possibility of federal prosecution, if it appears that federal prosecution is reasonably likely to result in more

restrictive bail, stricter enforcement or greater penalties. The Director of the Department of Public Safety is responsible for administration of the program.

The act is similar to SB 439 (2001).

SB 701 - This act modifies the law regarding the issuance of pilot licenses. Under the current law, it is unlawful for anyone to fly a plane without a pilot's license issued by the Department of Commerce. This statute has not been amended since 1939. The Department of Commerce is no longer the agency responsible for issuing such licenses. Pilot licenses are referred to as airmen certificates under federal law, and the Federal Aviation Administration is the agency responsible for their issuance. This act modifies the law to reflect the current status of the law.

SB 0712

SCS SB 712

SENATE SPONSOR Singleton

3084S.07P

SCS/SB 712 - This act increases state emergency health powers.

The Joint Committee on Terrorism, Bioterrorism, and Homeland Security is created, to be composed of seven members of the House and seven members of the Senate. A new Section 38.050 provides for appointments to continue during the member's term of office. No party may be represented by more than four members from either chamber. The Committee must analyze current efforts, devise a standard reporting system, determine changes needed, and make other recommendations. The Committee must meet within thirty days after its creation and must meet at least quarterly thereafter. A report is due by January 15th of each year. This portion of the act will expire December 31, 2007, and is identical to SB 983 (Section 38.050).

Definitions are provided for related terms, including "bioterrorism" (Section 44.010). Current law outlines the emergency powers of the Governor. This act adds that such powers are allowed when there is a major natural or man-made disaster, an act of biological terrorism, or there exists an imminent threat of a disaster (Section 44.100).

A new section exempts the state and its officers from liability when responding to a state emergency (Section 44.240).

A twelve-month temporary license is currently allowed for a health care practitioner licensed in another state who is acting under military orders and is enrolled in a trauma and disaster response training in this state. This act adds a third category to also allow temporary licensure of a health care practitioner licensed in another state and acting pursuant to a Governor's declaration of a state public health emergency. Temporary licensure for this category will be issued for a two-week period and, after verification of qualifications, may be reissued every two weeks. Licensure information for all three categories may be obtained by any means, including electronic mail. The term "health care professional" means as defined in Section 383.130, RSMo, which includes physicians, dentists, podiatrists, pharmacists, psychologists, or nurses. This portion of the act is identical to SB 714 (Section 190.500).

A new section requires pharmacists to report unusual or increased prescription trends within 24 hours. Out-of-state laboratories which collect specimens within Missouri and in-state labs that send specimens out-of-state must report all cases of illness or health conditions. The Department will define this procedure by rule (Section 192.021).

Current law penalizes persons for leaving a quarantine without permission. This act modifies the language and imposes a Class A misdemeanor on those who:

- Refuse to submit to medical exams or testing;
- Refuse to perform medical exams or testing;
- Refuse to comply with isolation or quarantine orders;
- Knowingly put themselves in contact with an isolated or quarantined person;
- Knowingly fail to report or conceal a dangerous disease;
- Refuse to cooperate with investigations;
- Remove quarantine notices;

If anyone performs any of the above acts during a state health emergency, he or she will be guilty of a Class D felony (Section 192.320).

A new section allows the Department to waive the registration and record keeping requirements regarding narcotic drugs (Section 195.041).

Current law allows probate to begin in certain circumstances when it relates to the estate of an absent persons. New language adds an individual's exposure to a specific peril of death due to an actual or suspected terrorist event to the list of circumstances (Section 473.697). Current law also allows a presumption of death after five years and without proof otherwise. New language provides that it will be sufficient to presume a person dead at any time after that person was exposed to a specific peril of death, even if five years have not yet elapsed (Section 490.620).

This act adds an exemption to Sunshine Law, allowing closure of meetings and records regarding specific information on certain terrorism readiness issues. However, certain information regarding municipal utilities and information regarding costs of security measures shall not be considered closed. This portion of the act is substantially similar to portions contained in SB 854 (Section 610.021).

A new section requires the Department of Mental Health to provide information about mental health support to address the emergency. The Department of Health and Senior Services may assist (Section 630.807).

This act contains an emergency clause.

SB 0713

SENATE SPONSOR Singleton

2660S.01I

SB 713 - This act clarifies the use of non-compete clauses in contracts between physicians and hospitals.

A new Section 334.113 is created and makes covenants not to compete enforceable except when they are part of a physician's contract with a not-for-profit health services corporation as defined in section 354.010. Covenants with other health care facilities are enforceable as long as they:

1. Do not deny the physician access to a list of patients the physician had seen within a year of termination;
2. Provide access to patient medical records with the patient's consent and in an accessible format;
3. Provide for a buy out of the covenant by the physician at a reasonable price; and
4. Provide that the physician will not be prohibited from providing continuing treatment to specific acutely ill patients after the contract has terminated.

This act is similar to SB 558 (2001).

SB 0715

SENATE SPONSOR Rohrbach

3080S.02I

SCS/SB 715 - This act creates the Environmental Regulation Consistency Act. It provides that the Department of Natural Resources and the regulatory commissions within the Department

may adopt rules to ensure the state complies with applicable federal law and regulations. The act revises rulemaking authority in the following areas: air pollution, water pollution and underground storage tanks, hazardous waste, surface mining and land reclamation, drinking water and solid waste.

The rules shall not be stricter than those required under federal law and regulations nor enforced in any part of the state prior to the time required under federal law and regulations, unless the Department or Commission makes specific findings based upon competent and substantial evidence in the administrative record. However, nothing shall prevent the ability of the Clean Air Commission to promulgate rules pursuant to section 643.055.

The findings must include:

- 1) Missouri-specific circumstances may cause harm to human health and the environment; and
- 2) Either:
 - a) The circumstances are not subject to any federal law or regulation; or
 - b) The existing federal law and regulations are not sufficient to adequately protect human health and the environment; and
- 3) A more restrictive rule is necessary to address the circumstances.

The Department or Commission shall publish, in the administrative record and in the Missouri Register, findings of fact regarding the circumstances or conditions causing harm, the nature and scope of harm and health-based or science-based reasons justifying why the more restrictive rule will prevent or alleviate the harm. The fiscal note for the rule shall contain a consideration of the effects on human health and the environment, economics, pollution prevention and the effectiveness and cost of control methods required by the rule.

Any more-restrictive rule promulgated without complying with this act shall be void.

The act also removes general authority for affected parties to appeal decisions of the Director of the Department to the relevant board or commission.

The act is similar to SB 750 (2000) and SB 300 (2001).

SB 0721

SCS SBs 721, 757, 818 & 930

SENATE SPONSOR Westfall

2747S.05P

SCS/SBs 721, 757, 818 & 930 - This act requires drivers to take certain actions, including yielding the right-of-way when possible, when an emergency vehicle is approaching. This provision is contained SB 721 (2002).

Current Missouri law requires drivers to obey traffic-related signals and directions given by members of the Missouri Highway Patrol (Section 43.170, RSMo). Failure to follow such direction is a misdemeanor offense.

This act extends the reach of the current law by also requiring drivers to obey signals and directions given by sheriffs and deputy sheriffs. This provision is identical to provisions contained in SB 237 (2001).

This act creates the "Head Injury Fund" for use by the Missouri Head Injury Advisory Council. A new Section 304.028 creates the Fund for the receipt of judgments, grants, private donations, and other moneys. Such funds will be used for the integration of medical, social, and educational services and for outreach to individuals with traumatic head injury and their families. Unexpended balances will not transfer to general revenue. This section also adds a \$2.00 surcharge for violations of any county ordinance or state criminal or traffic law. Such surcharge will be deposited into the Head Injury Fund. This is substantially similar to SB 757 (2002) and SB 41 (2001).

This act also modifies the language on the Spinal Cord Injury Fund. Instead of a \$25 fee for every intoxicated related offense, a \$2 surcharge will be assessed on every violation of criminal or traffic offense. The money will be deposited in the Spinal Cord Injury Fund.

This act modifies the mental state required of a person who fails to comply with an lawful order of a police officer or fire department official from willfully to knowingly. This act includes blue flashing lights for authorized emergency vehicles. This act removes the requirement that the motorman of a streetcar stop the streetcar upon the approach of an authorized emergency vehicle. This act removes the provision of law regarding written accident reports. This act removes the exclusion that written accident reports shall not be used as evidence in a court proceeding. This act expands the rule that a driver shall not follow an emergency vehicle closer than 500 feet. The current restriction only applies to fire engines. This act removes a provision of law regarding when police officers are authorized to remove motor vehicles. These provisions are contained in SB 818

(2002).

This act requires the Director of the Department of Revenue to issue stickers or signs which bear the words "PERMIT DRIVER" to permit drivers. The sticker or sign may be affixed to the rear window of the motor vehicle by the permit driver. This language is contained in SB 930 (2002).

The act adds resisting or interfering with a detention or stop to the current crime of resisting or interfering with arrest. This act creates the presumption that a person is fleeing a vehicle stop if the person continues to operate a motor vehicle after seeing emergency lights or hearing a siren from the law enforcement vehicle that is pursuing the person. This act makes resisting or interfering with an arrest, detention, or stop is a Class D felony. This language is similar to that contained in SB 807 (2002).

This act authorizes the county engineer to establish weight limits for county roads and bridges without the approval of MoDOT's division engineer (Section 304.220). Current law requires the county highway engineer to receive approval of the state engineer (SA 1).

Under this act, additional court costs and driver's license suspensions will be imposed on any person failing to yield the right-of-way when the violation results in physical injury, serious physical injury, or death to a person. A person violating this act which results in physical injury will be assessed additional court costs of \$200 and have his or driver's license suspended for 30 days. A serious physical injury results, an additional court cost assessment of \$500 and a 90 day license suspension is imposed. If the violation leads to a fatality, an additional court costs of \$1,000 are assessed and six month license suspension is imposed. The additional court costs are deposited in the motorcycle safety trust fund (Clutch's Law - SA 2).

This act modifies the definition of abandoned property to include any motor vehicle involved in an accident whereby the law enforcement official requests such vehicle to be removed from the scene because the operator or owner is unable to arrange for the abandoned property's timely removal (SA 3).

This act expands the commercial zone around Kansas City from 12 miles to 15 miles for truck weight limitation purposes. This is similar to SB 805 (2002)(SA 5).

This act allows electric personal assistive mobility devices (EPAMD) to be operated on streets, highways, sidewalks and bicycle paths and grants operators the rights and duties applicable to pedestrians. Persons under 16 years of age shall not operate an EPAMD, except for an operator with a mobility-related disability. EPAMDs may only be operated on roadways with a speed limit of 45 mph or less. Such devices, however, may be used to cross roadways with higher speed limits. EPAMDs shall be equipped with lamps and red reflectors when operated during the

period from one-half hour after sunset to one-half hour before sunrise. Operators of such devices shall ride the device as near to the right side of the roadway. Any person 17 years of age who violates this act shall be guilty of an infraction with a maximum fine of \$25. If a person under the age of 17 years of age violates this act, the police officer may impound the device for a period not to exceed 5 days. These provisions are similar to SB 1098 and HB 1746 (2002)(SA 6).

This act removes the phrase "under the laws of this state" so that a person operating a motor vehicle with a canceled, suspended or revoked license by any state will be committing the crime of driving while revoked. This was brought to our attention by the Attorney General's Office in response to a Missouri Supreme Court Case, State of Missouri v. Rowe (January 8, 2002) (SA 8).

SB 0722

SCS SB 722

SENATE SPONSOR Bentley

3028S.06P

SCS/SB 722 - This act permits qualified applicants to apply for a temporary administrator certificate with a school district that is willing to employ and sponsor the individual. The temporary administrative certificate is restricted to the employing public school district or accredited nonpublic school. The employing school district of the temporary administrator must develop a mentoring program to ensure that the individual eventually obtains a full administrator certificate. The temporary certificate is valid for a period of one year and may be renewed up to four subsequent times upon demonstration that the individual is making measurable progress toward obtaining a full administrator certificate. The applicant, however, must receive a full administrative certificate within five years.

The State Board of Education will be responsible for establishing standards for the implementation of the temporary certificate program. A qualified applicant is a person who: holds a teacher's license; has a master's degree or is currently enrolled in a master's degree program; and has at least five years of teaching experience. The provisions in the act will expire in ten years.

HOUSE HANDLER Ross

3035S.05T

SCS/SBs 727 & 703 - This act permits the use of sun screening material with a light transmission of 35% or more, plus or minus 3%, and a luminous reflectance of 35% or less, plus or minus 3%, on front windows and sidewing vents located to the left and right of motor vehicles registered in Missouri. The Department of Public Safety may issue a permit to any person to operate a vehicle with sun screening with less light transmission and more luminous reflectance if the person has a serious medical

condition and the sun screening is prescribed by a physician. The permit allows the operation of the motor vehicle by any titleholder or relative within the second degree of consanguinity who resides in the household.

The act does not prohibit the use of labels, stickers, decalcomania, or informational signs on motor vehicles; the application of tinting or solar screening material on recreational vehicles; or factory-installed tinted glass. This act also removes any restrictions on tinting of rear side windows and rear windows. The degree of sun tinting on vehicle windows will no longer be a part of motor vehicle inspections.

The act has an emergency clause.

This act is similar to HCS/HBs 1386 and 1038 (2002).

SB 0735

SCS SB 735

SENATE SPONSOR Steelman

3204S.03C

SCS/SB 735 - This act authorizes a tax credit for contributions to scholarship charities. To qualify, a scholarship charity organization must be considered a charitable organization pursuant to IRC 501(c)(3). The charity must also allocate at least 90% of its annual revenue for educational scholarships to children attending qualified elementary or secondary schools of their choice.

Beginning on or after January 1, 2003, a taxpayer may receive a credit of up to 50% of the taxpayer's contribution to the scholarship charity, not to exceed \$50,000 per taxable year, per taxpayer. The credit is not refundable but may be carried forward for up to four taxable years. The cumulative amount of all scholarship charity tax credits in the state is limited to \$5

million per fiscal year. The Director of the Department of Revenue is the authority authorized to allocate the tax credits.

The act applies only to schools in unaccredited or provisionally accredited school districts and any school in a district where at least one school has been determined to be "academically deficient". The act also limits the students who qualify for this scholarship to those who receive free or reduced lunches. Those students are in families at 185% of the federal poverty level or less.

This act is similar to HB 1278 (2002).

SB 0739

SCS SB 739
SENATE SPONSOR Wiggins

2806S.03C

SCS/SB 739 - This act establishes the "Uniform Athlete Agents Act".

The act requires that all athlete agents operating in Missouri must register with and be certified by the Division of Professional Registration within the Department of Economic Development in a manner prescribed by statute and by the Division of Professional Registration. Fees for registration and renewal shall be set by the Division and the Athlete Agent Fund is created. Registration and certification is valid for a two-year period, and may be renewed indefinitely. The Director may refuse to issue a certificate, or may suspend or revoke a certificate, under certain circumstances, such as:

- (1) If the applicant has been convicted of a crime of moral turpitude;
- (2) The applicant makes false statements on the application;
- (3) The applicant has had a similar license suspended or revoked in any state; or
- (4) The applicant has caused a student-athlete to be suspended from or to be ineligible for any interscholastic or intercollegiate athletic event.

The act requires that all agent-athlete contracts must be

written and must contain certain information, including the basis for the agent's fee and a notice warning the student-athlete about possible loss of eligibility.

SB 0740

SENATE SPONSOR Wiggins

2804L.01P

SB 740 - This act repeals Missouri's Uniform Child Custody Jurisdiction Act and adopts the current version of the Uniform Child Custody Jurisdiction and Enforcement Act. The act does not govern adoption proceedings, proceedings pertaining to the authorization of emergency medical care for a child or proceedings governed by the Indian Child Welfare Act. Courts are required to treat a foreign country as a state of the United States for purposes of applying the Uniform Child Custody Jurisdiction and Enforcement Act, except where the child custody law of the foreign country violates fundamental human rights principles. The act gives limited immunity from service of process to parties participating in proceedings under the act who otherwise are not subject to personal jurisdiction in this state.

Any court of this state that has made a child custody determination pursuant to the Act has exclusive continuing jurisdiction over the determination under certain conditions, and the court is granted temporary emergency jurisdiction to make a child custody determination regarding a child present in this state when such a determination is necessary due to abandonment or abuse. The act itemizes relevant factors which a court may consider before making a determination whether it is an inconvenient forum.

In the enforcement provisions, the act enforces child custody determinations and orders for the return of a child pursuant to the Hague Convention on the Civil Aspects of International Child Abduction. The act also authorizes a court

of this state, without modification, jurisdiction to temporarily enforce visitation ordered by a court in another state, and authorizes registration of a child custody determination issued by a court in another state in the same manner as foreign judgments are registered. Information which must be included in a petition for enforcement of a child custody determination is specified in the act, as well as the procedure for acting upon the child custody determination enforcement petition.

The act authorizes the issuance of a warrant to take physical custody of a child likely to suffer serious imminent physical harm or removal from this state, and requires payment of the prevailing party's costs and expenses by the non-prevailing party. The act does not apply retroactively to motions or other requests for relief initiated before August 28, 2000. Sections 452.700 through 452.895 are substantially similar to SB 603 (2000) and SB 135 (2001).

This act also requires the use of National Medical Support notice to enforce health benefit plan coverage required in child support orders.

Current law requires the Circuit Clerk to send notice to employers when a parent has been ordered to provide health insurance coverage for a child. Current language regarding the contents of the notice is deleted and new language requires the notice to comply with the National Medical Support Notice (NMSN) as required by federal law. The Division of Child Support Enforcement must give notice within two days of notification of the employee's hire and must also promptly notify employers when an order for medical support is no longer in effect. The notice must contain certain information and is binding on current and subsequent employers (Section 454.606).

The clerk must currently send a notice to the obligor. This act requires the inclusion of a statement that the parent may contest the notice within 30 days. The parent may contest based on mistake of fact or because the parent obtained other insurance prior to issue of the withholding order (Section 454.609).

Currently, the employer is to transfer the notice to the health insurer upon receipt. This act requires such transfer within 20 business days. Within forty business days, the health plan administrator must notify the agency to verify the child is covered, the effective date of the coverage, and provide forms regarding the coverage (Section 454.615).

Current law outlines steps the employer must take to enroll the child in the health benefit plan. This act clarifies that the employer must withhold the amount necessary to cover the child and send it to the health plan. The child must be enrolled in the least costly plan if a plan is not already designated. If the notice is a NMSN, the health plan must provide plan descriptions and the agency and the custodial parent will select a plan for the child. If the agency does not select a plan within 20 days, the health plan must enroll the child in its default option, if possible (Section 454.618).

Procedures are currently outlined for the termination of an obligor's employment. This act requires the employer to notify the Division or agency of the obligor's location and new employer, if known (Section 454.627)

COBRA coverage is currently required, if necessary. This act prohibits the child from being terminated from coverage unless the insurer is given evidence that the order is no longer in effect, the child is or will be enrolled in a comparable plan, the employer eliminated health care coverage for all employees, or continuation of coverage is not chosen (Section 454.700). Sections 454.606 through 454.700 are identical to SB 1160 and HB 1780 (2002).

SB 0741

SCS SBs 741, 929 & 871
SENATE SPONSOR Wiggins

2805S.04P

SCS/SBs 741, 929, & 871 - This act modifies the law relating to organ donation and procurement.

New terms are added to define "donee", "hospital designee", and "OPO" or "organ procurement organizations". Organ procurement organizations are added as recipients (Section 194.210).

Current law outlines the procedure for making an anatomical donation. New language allows minors age 16 or older to make an anatomical donation with parental consent. The consent must be

noted on the minor's donor card, application, driver's license, or other gift document (Sections 194.220 and 194.230).

Portions of Section 194.233, RSMo, regarding hospital procedure during organ procurement are deleted. New language requires hospitals to comply with OPO requirements. This act also allows OPOs to engage procurement coordinators to assist in the recovery of donated organs (Sections 194.233 and 194.240).

Current law creates the "Organ Donor Program Fund" for the purpose of organ donation awareness programs, as directed by the Organ Donation Advisory Committee. This act allows the Fund to receive gifts, grants, contributions, and other sources. Current law designates how money in the fund will be expended. This act adds promotion of the registry, organ donation programs, and minority or ethnic organ donation as allowable expenditures (Sections 194.297 and 194.299).

This act adds to the Advisory Committee two representatives from any federally certified OPO, one representative of an eye bank, one member of the hospital industry, the Director of the Department of Health and Senior Services or a designee and one representative of the Department of Revenue. Appointed terms are clarified. The Department of Health and Senior Services must provide internet access to the organ donor registry for authorized personnel. A report is due on the subject by January 15, 2003 (Section 194.300 and 194.302).

Current law outlines vehicle registration requirements. New language is added to allow applicants for registration to make a donation of \$1 to promote an organ donor program. The new language will become effective on July 1, 2003 (Section 301.020).

The procedure individuals must follow when applying for a Missouri driver's license is outlined in current law. This act provides that, upon renewal, the Department must ask if the applicant is interested in being on the organ donor registry and must inform the applicant about the ability to consent to organ donation on his or her driver's license. The Director must provide by rule the procedure and format for an applicant to indicate an anatomical gift on the back of a nondriver's license card (Sections 302.171 and 302.181).

SCS/SBs 766, 1120 and 1121 - This act establishes certain requirements for committees formed to receive contributions or make expenditures for inaugural activities on behalf of a person elected to serve in a state-wide office.

Such committees must file various reports with the Missouri Ethics Committee for the duration of the committee's existence. Committees must file a statement of organization, disclosure reports which itemize receipts, expenditures, and indebtedness incurred by the committee, and a termination statement upon dissolution.

Committees shall maintain detailed and accurate records and accounts. Disclosure reports shall be filed within thirty days after the statement of organization is filed. Subsequent reports shall be filed every six months.

This act establishes certain requirements for committees formed to receive contributions or make expenditures with the

purpose of influencing the Congressional apportionment decisions.

Such committees must file various reports with the Missouri Ethics Commission for the duration of the committee's existence. Committees must file a statement of organization, disclosure reports which itemize receipts, expenditures, and indebtedness incurred by the committee, and a termination statement upon dissolution.

Committees shall maintain detailed and accurate records and accounts. Disclosure reports shall be filed within thirty days after the statement of organization is filed. Subsequent reports shall be filed every thirty days.

This act removes the requirement that a candidate who files a statement of exemption from certain campaign finance organization and disclosure requirements must also file a statement of limited activity for each reporting period.

The act also authorizes debt service committees to exist for the length of the term office for which the individual was a candidate. Under current law, a debt service committee can only exist for 18 months.

An additional disclosure report is not required for committees accepting contributions or making expenditures for candidates seeking office in a special election occurring after January 1, 1999.

SB 0810

SCS SB 810

SENATE SPONSOR Dougherty

2809S.05P

SCS/SB 810 - This act expands the Utilicare program for
elderly, disabled and other qualifying individuals.

Currently, Sections 660.100 through 660.136, RSMo, establish
the Utilicare program to provide financial assistance for the
heating and cooling of elderly, disabled and qualifying
households. This act modifies these two sections by changing the
definition of "qualified individual household" and, thus,
expanding program eligibility. Eligibility will be based on a
household income of less than or equal to 150 percent, rather
than 110 percent, of the current federal poverty level or 60
percent of the state median income (Sections 660.100, 660.105).

Current law requires the Department of Social Services to
coordinate all federal heating assistance programs along with the
Utilicare program. This act requires the Department to
coordinate all federal programs into the Utilicare program
(Section 660.110).

Current law allows a payment of \$150 to each eligible

household from the Utilicare fund for heating and cooling. This act increases that amount to \$600. Language limiting program expenditures is also deleted (Section 660.115). Section 660.120 is repealed.

Currently, funds may be used to pay for reconnecting or maintaining service of eligible households. New eligibility language is again added for qualified households. Language limiting program expenditures is also deleted (Section 660.122).

Section 660.135, RSMo, specifies the amount of appropriations allowed for the program at five million dollars and includes a cost of living adjustment allowance. The Department may currently combine funds with the Department of Natural Resources' low-income weatherization assistance program.

The law established the "Utilicare Stabilization Fund". New language provides that funds may come from any source, including federal funds under the Community Opportunities Accountability and Training and Educational Services Act. Existing language regarding the investment of such funds is removed and new language requires all funds to be used for Utilicare and LIHEAP (Section 660.136).

The fund will be invested by the state treasurer in a manner provided by law. The Fire Safety Fund will receive annual transfers of .5% of the amount of premium taxes collected. The Fire Safety Fund will be divided

such that 40% of the money will go to the fire department grants fund and 20% of the money will be spent on fire education programs. The remaining funds will be used at the discretion of the Missouri Fire Safety Commission and will be used to fund the five fire consultants. No more than 5% of the fund may be used for administrative purposes.

The Fire Safety Commission is created. The members will include the State Fire Marshall, the State Forester and five members appointed by the Governor with the advice and consent to the Senate. No more than half of the members shall be from a single political party and no more than one member shall be from a single Congressional district. A maximum of five FTE fire consultants will be employed by the Division of Fire Safety and work in regions across the state as determined by the Commission. The fire consultants will work with local fire departments to improve fire protection. Funding for the fire consultants will come from the Fire Safety Fund.

The Fire Safety Grants Fund is established and will consist of 40% of the transfers made to the Fire Safety Fund. Grants may be made from this account to fund requests for fire departments, associations or districts serving an area with a population of less than 10,000. The Fire Safety Commission shall administer the grant program and is authorized to promulgate rules to implement the grant program.

SENATE SPONSOR Gross

3455S.08P

SS/SCS/SBs 817, 978 & 700 - This act revises the dram shop liability statute. The act provides that a cause of action may be brought against a person licensed to sell intoxicating liquor by the drink when it is proven by clear and convincing evidence that the seller knew or should have known that intoxicating liquor was sold to a person under 21 or was knowingly served to a visibly intoxicated person.

Being "visibly intoxicated" is when the person's impairment is shown by significantly uncoordinated physical action or significant physical dysfunction. A person's blood alcohol content will not constitute prima facie evidence to establish "visible intoxication" but may be admissible as relevant evidence.

The person who became intoxicated may not sustain such a lawsuit unless the person is under 21.

If a seller demanded and the drivers license or official state or federal personal identification card appearing to be genuine which showed that the minor was at least 21, it will be relevant in determining relative fault of the seller. Sellers shall have the right of contribution for damages against the intoxicated person.

No employer may discharge an employee for refusing service to a visibly intoxicated person. All servers of liquor by the drink shall receive training to recognize visibly intoxicated persons.

Insurance companies selling dram shop liability insurance must report all costs associated with coverage to the Department of Insurance. Rates will be governed by Section 379.889, RSMo.

This act is similar to HS/HCS/HB 1532 (2002).

SS/SCS/SBs 837, 866, 972 & 1072 - This act allows tax credits from the Agricultural Product Utilization Contributor Tax Credit or the New Generation Cooperative Incentive Tax Credit to be claimed either as a credit against the tax or the estimated quarterly tax. This act allows available tax credits to include "eligible new generation processing entities".

This act creates the "Missouri Qualified Biodiesel Producer Incentive Fund", which provides incentives for qualified biodiesel producers.

This act removes Section 414.032, RSMo, from current law. This section is related to sellers labeling fuels at the gas pump.

This act also allows the Missouri Qualified Fuel Ethanol Producer Incentive Fund to be administered on a fiscal year. If ethanol producers fail to receive all grants earned during the 60 consecutive month period of qualification due to lack of appropriations, they shall receive the full amount from the fund for which they were eligible. Producers shall continue to be eligible for up to 24 additional months or until they have

received the maximum amount of funding that they were eligible for during the original 60-month period.

SB 840 - This act revises the statute of limitations and
adds economic loss damages for home improvements. The ten-year
statute of limitations remains the same. Currently, the time
period begins to run at completion of the improvement.
"Completion" is not defined in the statute.

This act changes the starting date of the time limit to
"substantial completion" and sets forth a definition of
substantial completion. The act also adds economic loss to the
list of damages restricted by the ten-year time limit.

This act requires the plaintiff, in an action against a
architect, engineer or surveyor, to file an affidavit with the
court stating that the plaintiff obtained the written opinion of
a legally qualified like licensed professional. The statement
made by the licensed professional should state that the defendant
licensed professional failed to use such care as a reasonably
prudent and careful licensed professional would have under
similar circumstances. The affidavit should be filed within
ninety-five days of the filing of the petition. The case may be
dismissed if the plaintiff or his attorney fails to file such
affidavit. This act does not apply to actions filed in small
claims court.

This act is similar to SCS/SBs 253 & 260.

SB 0843

SS SCS SBs 843 & 658
SENATE SPONSOR Stoll

3266S.05P

SS/SCS/SBs 843 & 658 - This act requires mobile home park landlords to provide tenants who own their homes 120 days notice when the landlord requires them to move due to a change in use. During this period, the landlord shall not increase the rent except for a rent increase based upon increased property taxes.

Under this act, a manufactured home dealer may have his or her license suspended or revoked for failing to provide notice to a purchaser of a used manufactured home that the Public Service Commission does not regulate setup of used manufactured homes.

This act allows owners of manufactured homes who own the home as joint tenants with the right of survivorship or as tenants by the entirety to receive a certificate of ownership in beneficiary form from the Director of the Department of Revenue. The owner may request the director to transfer the certificate to the beneficiaries. During the lifetime of the owners, the signature of the beneficiary shall not be required for transactions relating to the manufactured home. The owner may revoke the certificate of ownership or change beneficiaries before the death of the owner under certain conditions (1. Sale of ownership in home with proper assignment of certificate or 2. Reissuance of certificate or redesignation of beneficiary with the Director). A beneficiary's interest in the home shall be subject to security interests which the owner accrued during his or her lifetime. A beneficiary interest in a certificate of ownership may not be changed or revoked by will or other instruments. The Director shall issue a new certificate of ownership to the surviving owners or beneficiaries upon proof of death.

This act sets forth what a notice of lien must contain (name, address, etc.) and lists the requirements for perfecting a lien on future advances. This act requires the Director to establish a security procedure for verifying electronic notice of liens on manufactured homes.

This act allows a lienholder to elect the Director of Revenue to retain possession of an electronic certificate of ownership. If a lienholder has elected for the Director to retain possession of an electronic certificate of ownership, the lienholder authorize the director to add a subordinate lienholder to the certificate. If the certificate of ownership is being electronically retained by the Director, an original lienholder may deliver a notice of assignment of the lien to the director. The director shall note such assignment upon the electronic certificate. This act requires a lienholder to notify the director within 10 business days of any release of a lien if the electronic certificate is being held by the director. The director shall note the release on the electronic certificate and deliver the certificate free of any lien to the owner if no other lien exists.

This act requires persons who hold a security interest in manufactured homes to verify to the Department of Revenue that he or she has paid the landowner in which the manufactured home was repossessed from all past due rent that the holder is obligated to pay under this act. Under this act, a manufactured home situated upon land of another person pursuant to a rental agreement shall be deemed abandoned if the property owner reasonably believes the homeowner has vacated the premises and does not intend to return and the rent is past due for 30 days and the homeowner has failed to respond to the landowner's notice or has failed to contest a petition regarding the issue of abandonment.

Under this act, a landowner shall have a lien against an abandoned manufactured home for unpaid rent. The process for enforcing the lien on unpaid rent is modified under the act. The landowner must provide the manufactured home owner notice before enforcing the lien. The landowner must give the home owner opportunity to redeem the home by paying all unpaid rent. The notice must also advise the home owner of his or her legal rights and that the home owner may contest the lien filing by filing a petition to that affect in the county circuit court in which the home is located. If the home owner does not redeem the home within 30 days of the notice or the home owner does not contest the lien within 10 days of receiving the notice, the title to the home will be transferred to the land owner. The land owner must apply for a certificate of title with the Department of Revenue. If the Director of the Department of Revenue is satisfied with the contents of the application, a certificate of title to the manufactured home will be issued to the land owner (captioned "lien title").

Upon receipt of the lien title, the holder shall within 30 days begin proceedings to sell the home. The owner of the home must be given at least 20 days notice of the sale of the home. The owner of the home may redeem the home by paying all past due rent and expenses. If not redeemed, the landowner may sale the home. The act sets forth how the proceeds of the sale are to be distributed. Any excess proceeds shall be paid to the homeowner. If the homeowner cannot be located within 30 days of the sale, the excess proceeds shall be deposited with the county treasurer. The county treasurer shall credit the excess to the county's general revenue fund, subject to the right of the homeowner to reclaim the excess within 3 years of its deposit. A landowner who follows the requirements of this section shall be absolved from any liability resulting from the taking of possession of the home.

The manufactured homeowner may, within 10 days of the mailing of the notice, may contest the real property owner's lien in the home. If the owner contests the lien in circuit court, he or she will have to post a bond for the unpaid rent in order to have the home released. Once the bond is posted, the court will direct the land owner to release the home to the home owner. The court will also determine whether unpaid rent is due. The court may direct that the rent be paid from the posted bond or grant

the landowner a security interest in the home.

If a manufactured home is abandoned on a real property owner's land which is subject to another lien which is in default, the real property owner must give notice to the manufactured home owner and the party holding the lien. The notice must contain a statement that if the rent is not paid within 30 days from the mailing of the notice and the lien is not contested, the real property owner will have a lien against the home which will be superior to the other party's perfected lien. The homeowner and the perfected lienholder shall not remove the home from the property until the landlord is paid for past due rent. The perfected lienholder is not entitled to a certificate of title from the Department of Revenue until the lienholder has paid all rent it is obligated to pay under this act. The owner of the abandoned home or the perfected lienholder may file a petition, within 10 days of the mailing of the notice, to contest the real property owner's lien.

SCS SB 851

SENATE SPONSOR Westfall

3067S.02I

SCS/SB 851 - This act makes various changes to Missouri's
billboard law.

COMPLIANCE WITH FEDERAL LAW - Current state law applies to federal primaries and interstates and does not specifically cover former primary or interstate highways. Federal law now specifically requires states to regulate any federal aid primary or interstate or highway which was a federal aid primary or interstate as of June 1, 1991 (section 226.540).

LIGHTING REGULATIONS - This act updates specifically allows Tri-vision, projection and changeable message signs to be subject to MoDOT lighting regulations.

CUTOUTS, EXTENSION, AND STACKING - This act allows cutouts and extensions on nonconforming signs and makes existing stacked signs legal nonconforming (section 226.540(2)(a)).

ZONED AREAS - This act requires that commercially zoned areas have a commercial business within 600 feet before outdoor advertising is permitted (section 226.540(6)). This act requires businesses to have the presence of an owner or employee on the premises for at least 20 hours per week to be considered a valid business when determining whether a property is commercial or industrial.

PERMIT FEES - This act increases original permit fee to erect a billboard from \$28.50 to \$200 and increases biennial inspection fees to \$50 on August 28, 2002, \$75 on August 28, 2003, and \$100 on August 28, 2004. This act also encourages the commission to adopt a renewal system in which all permits of a particular highway are renewed in the same month.

REMOVAL OF BILLBOARDS - This act allows for the non-compensated removal of billboards for failing to pay fees over 12 months (section 226.580). This act increases the amount of time to cure a billboard violation from 30 to 60 days and requires actual notice of a violation before the Department of Transportation can remove a sign.

VEGETATION PERMITS - This act requires vegetation permits to be

issued according to current MoDOT rules and regulations. The act also allows certain utility companies to remove and trim vegetation without a permit.

This act contains an emergency clause for certain sections.

This act is similar to SB 247 (2001).

SENATE SPONSOR Dougherty

3626S.01I

SCS/SB 857 - This act creates provisions for consumer protection from price gouging during a state of emergency. During a declared state of emergency, a person commits price gouging if he or she charges an excessive price for necessities in connection with an advertised price or sale.

The person has an affirmative defense if he or she can provide written documentation that the price of the necessity increase was due to an increase in the cost to obtain the necessity that was beyond the person's control. This affirmative defense is not an absolute bar if the person fails to provide written documentation after the attorney general or prosecuting attorney requests it.

A person engaging in price gouging is liable for restitution to any consumer against whom the price gouging was committing and a civil penalty equal to the greater of \$5,000 or twice the amount unlawfully gained in the transaction.

SENATE SPONSOR Dougherty

3451S.01I

SB 858 - This act provides metropolitan school districts (the Board of St. Louis Public Schools) the power to raise the compulsory attendance age to seventeen, whereas in all other school districts the compulsory attendance age is sixteen. Such a resolution changing the compulsory attendance age can only take effect after the school year during which the resolution is passed. The act also allows school boards to raise the mandatory age for part-time attendance from fifteen to sixteen.

The act also exempts the parents of home school students above the age of sixteen in the city of St. Louis from the requirements that specify hours of instruction and maintaining certain records (i.e. written record, academic samples, evaluations). Further, the act allows home school educators of students over sixteen in the city of St. Louis to only supply a written statement that the pupil is attending home school as a

defense against any prosecution for educational neglect or violation of the compulsory attendance law.

SCS SB 878
SENATE SPONSOR Sims

3194S.04C

SCS/SB 878 - This act modifies the law relating to the
rights of persons with service animals.

Definitions are provided relating to service animals
(Section 209.200). Persons are prohibited from refusing to rent
or sell a dwelling because a service animal will reside there.
Reasonable modifications should be made. Landlords may require
proof of a disability and proof of service animal status. No
restriction on property or a real estate transaction will be
enforceable if it prohibits service animals. Restrictions on
pets will not apply to service animals (Section 209.202).

Discrimination by an employer against a person with a
disability is prohibited if it involves that person's use of a
service animal. Employers may require proof of a disability or
of service animal status. No employer may prohibit the presence
of a service animal, unless the presence of the animal creates a

direct threat or fundamental alteration to the business (Section 209.204).

Places of lodging are prohibited from requiring additional charges or denying equal services to a person using a service animal. Evidence of disability or service animal status may be required. A service animal may be restricted if its presence poses a direct threat or fundamental alteration to the business. Any person who violates this section may be subject to criminal prosecution or a complaint with the Human Rights Commission (Section 209.206).

Public transportation operations are prohibited from refusing service or charging additional fees to a person using a service animal. Violators may be subject to prosecution or a Commission complaint (Section 209.208).

Motor vehicle drivers and persons using service animals must both take necessary safety precautions. Any driver failing to do so will be liable for actual damages. Any person who intentionally causes an accident or injury to a person using a service animal or animal itself will be guilty of a Class B misdemeanor (Section 209.210).

Section 209.212 contains the following provisions for violations against service animals, but does not include lawful acts of humane societies, animal control or shelters:

1. Intentional destruction or injury, unless for humane purposes is a Class C felony.
2. Intentional deprivation or frauds is a Class A misdemeanor or theft/possession of stolen property.
3. Negligent or malicious killing or injury will entail civil liability to the user for \$1000 + fees.
4. Willful or malicious injury is a Class C felony.
5. Sale or transfer of a stolen animal is a Class C felony.
6. Willful or negligent injury or destruction will entail civil liability for value of animal and related costs.

Any person misrepresenting an animal as a service animal is guilty of a Class B misdemeanor (Section 209.214).

The owner of a service animal will be liable for any damages caused by the animal. Owners must keep service animals restrained while in use or be subject to civil liability for any damages. Service animals must be identifiable by their restraint method or other identifier (Section 209.216).

The Human Rights Commission will have jurisdiction over the violation of specified sections. Upon a showing that a complaint has been filed with the Commission, a prosecutor may withdraw any pending action on the same violations. This act does not exclude existing civil or criminal remedies (Section 209.218).

This act contains a severability clause.

SB 881 - This act creates the Environmental Hearing Commission which shall be located in Jefferson City. The Environmental Hearing Commission will consist of three Commissioners who are appointed by the Governor with the advice and consent of the Senate. The Commissioners shall have staggered terms of six years with no limitation on the number of terms to which they may be appointed. The Commissioners shall be attorneys licensed to practice in the Missouri with an interest and knowledge of environmental law. Commissioners will be compensated \$91,636 per year.

The Environmental Hearing Commission will hear appeals of findings of the Director of the Department of Natural Resources (DNR), the Hazardous Waste Management Commission, the State Soil and Water Districts Commission, the Petroleum Storage Tank Insurance Fund Board, the Land Reclamation Commission, the Safe Drinking Water Commission, the Air Conservation Commission and the Clean Water Commission. Timing for filing appeals with and hearing by the Environmental Hearing Commission is provided. The Environmental Hearing Commission may promulgate rules and regulations to provide for electronic filing of documents. Matters heard by the Environmental Hearing Commission will be governed by the provisions of Chapter 536, RSMo.

The Environmental Hearing Commission may stay or suspend any action of the subject entities. All final decisions by the Environmental Hearing Commission will be subject to judicial review. In all matters heard by the Environmental Hearing Commission the burden of proof shall be on DNR or the Commission initially making the finding or decision. However, in appeals involving the denial of a permit, license or registration, the burden of proof shall be on the applicant.

SB 0887

SENATE SPONSOR Sims

3751S.01I

SB 887 - This act requires municipalities to provide additional notice about industrial development projects.

Current law provides definitions related to industrial development projects. New definitions are given for "revenue bonds" and "taxing district" (Section 100.010).

Current law requires any municipality which desires an industrial development project to prepare plans. This act requires the municipality to prepare a written plan first that sets forth the activities the municipality will undertake. Any plan involving the issuance of revenue bonds or conveyance of a property interest to the municipality must be approved by a majority of its governing body. Prior to approval, the municipality must supply each taxing district with a copy of the plan and must accept comments (Section 100.040).

Under current law, certain information must be included in the plan. After approval by majority vote in Section 100.040, this act requires the municipality to approve a specific plan by ordinance that is consistent with that which was approved by vote. Additional information must be included in any plan involving the issuance of revenue bonds or the conveyance of property to the municipality (Section 100.050).

A new section lists specific requirements for projects involving the issuance of revenue bonds or property conveyance to a municipality. The governing body must provide written hearing notices to taxing districts, written statements of impact on property, hold public hearings, and give notice of changes to the plan. The notice of hearing must be given within 15 days before the hearing and must include specific information. Notice of the plan must be provided to taxing districts at least 30 days before the public hearing and comments must be solicited (Section 100.162).

Current law requires municipalities to file a report with the Department of Economic Development. This act requires municipalities to include a list of any property purchased with bond proceeds in the report. If a municipality undertakes a project involving the issuance of revenue bonds or conveyance of

property, then it must provide a report to affected taxing districts (Section 100.105).

3684S.03I

Increases the maximum upper limit income for senior citizens property tax relief

012202 Hearing Conducted S Ways & Means Committee

SB 0902

SCS SB 902

SENATE SPONSOR Goode

3721S.02I

SCS/SB 902 - This act will enable senior citizens sixty-two years or older to delay paying property taxes on their residences. The taxes plus interest, must be paid when the owner dies or sells the property, moves, or the property changes ownership. The income limit to qualify for the deferral is thirty-two thousand dollars. Beyond that amount, the amount the owner can defer is phased out at a rate of fifty cents per dollar made over thirty-two thousand dollars, until their income reaches twice this limit.

A senior citizen who has qualified for and deferred his or her property tax in a prior year who for some reason fails to defer a property tax due in a subsequent year can apply for a refund, if done so in a timely manner.

If a senior citizen's income exceeds the limit of thirty-two thousand dollars, but not twice that limit, that portion of tax which they are not able to defer which resulted from an increase in their property tax beginning in the calendar year after their sixty second birthday will be eligible for deferral. However,

this provision of the act is not retroactive and seniors currently over the age of sixty-two who qualify may defer the increased amount based on their property tax level beginning in the calendar year after the passage of this act.

The act establishes eligibility criteria for the taxpayer and the property for participating in the deferral.

All deferrals of tax will result in a lien to be held by the Department of Revenue against the property of the taxpayer. The lien will be for the amount of the property tax as estimated by the Department of Revenue plus interest to accrue at six percent per annum.

2636S.01I

SB 910 - This act authorizes the Department of Revenue (DOR)
and the Administrative Hearing Commission (AHC) to abate all or
part of the tax liability of a taxpayer in certain situations,
including those situations in which:

1. The taxpayer fails to collect, account for or pay a tax which others in the same industry or occupation also failed to pay, perhaps due to miscommunication between DOR and a specific industry or profession about the taxability of a certain event or transaction;
2. The taxpayer does not have sufficient ability to pay the entire amount of the tax due; or
3. Collection of the tax would undermine compliance with the tax laws.

The act directs that in situations where DOR or the AHC

grant this type of relief to a taxpayer, the application of the tax at issue shall be prospective for that taxpayer, such that the taxability of the event or transaction begins after the DOR or AHC decision on the issue. In order to qualify for whole or partial abatement, a taxpayer must agree to several conditions set forth in the act, such as paying his or her own attorney fees and expenses. The taxpayer has a right to rely upon agreements made by the Department of Revenue pursuant to the act.

SB 0911

SENATE SPONSOR Foster

3533S.01I

SB 911 - This act allows owners in private building contracts to retain a portion of payment due to a contractor in order to ensure the proper performance of the contract. Such retainage shall not exceed five percent of the payment due pursuant to the contract or agreement unless the contractor's performance is not in accordance with the contract, in which case the owner may retain additional sums in any amount. Contractors may tender substitute security to an owner, after which the contractor may receive cash payments of retainage already withheld or may avoid withholding of retainage. Subcontractors may likewise tender substitute security to the contractor and either recover or avoid withheld retainage. Acceptable substitute security shall include CDs from a bank within Missouri, a retainage bond, or an irrevocable and unconditional letter of credit from a Missouri bank.

A contractor may not withhold retainage from subcontractor in a percentage greater than their own retainage unless the performance is not in accordance with the subcontract. Upon a release of retainage, contractors are to promptly pay subcontractors their ratable share of the retainage released.

If a subcontractor's performance is satisfactorily completed, the subcontractor may be released prior to substantial completion of the entire project. Within 30 days of reaching substantial completion, all retainage must be released by the owner less 150% of the cost of remaining items to complete. Thereafter the contractor must pay subcontractors within 7 days. Substantial completion is defined as the earlier of the issuance of a certificate of completion; the date an occupancy permit is issued; or the date the owner begins or could have begun use of the project for its intended purpose.

If retainage is withheld wrongfully a court may award interest on the amount at 1 1/2% per month plus attorney's fees. This act will apply to certain contracts entered after August 28, 2002. Agreements formed after August 28, 2002, will be unenforceable to the extent that their provisions conflict with this act.

This act is similar to SB 482(2001).

SB 0912

SCS SB 912

SENATE SPONSOR Mathewson

3571S.02C

SCS/SB 912 - This act allows resorts located in Miller, Morgan and Camden counties to apply for a special permit from the Supervisor of Liquor Control to remain open and sell liquor by the drink until 3:00 a.m. each day of the week and to open at 11:00 a.m. on Sunday.

The applicant must have had gross sales of \$100,000 or more in the preceding year and must be a resort. A resort is defined as "any establishment having at least seventy-five rooms for the overnight accommodation of transient guests, having at least three thousand square feet of meeting space and having a restaurant located on the premises".

Any resort holding a special permit must ensure that only overnight guests of the resort are sold liquor between 1:30 a.m. and 3:00 a.m.

This act is similar to SB 311 (2001).

SB 0915

SCS SBs 915, 710 & 907

SENATE SPONSOR Westfall

3541S.05C

SCS/SBs 915, 710 & 907 - This act raises various fees to
fund transportation projects and imposes a 5-year moratorium on
the closing of state maintenance sheds.

MOTOR FUEL TAX - The act repeals the gas tax sunset clause and
increases the tax by 6 cents.

SALES TAX - The act raises the general sales tax by 3/8 percent.
Twenty percent of the revenue derived from the 3/8 sales tax
shall be credited to the state transportation fund for multimodal
purposes. The remainder of the sales tax would be credited to
general revenue to replace moneys diverted from other agencies
and the loss of motor vehicle sales tax revenues which currently
go to the general revenue fund.

AGENCY DIVERSION - The act eliminates revenues that currently go
to other agencies from the state highways and transportation
department fund. The Highway Patrol and the Division of Motor
Carrier and Railroad Safety will continue to receive funding from
this fund. This section will take effect the first fiscal year
following voter approval of the act.

MOTOR VEHICLE SALES TAX - Under current law, half of the sales
tax on motor vehicles goes to fund transportation projects and
the other half is deposited in the general revenue fund. This
act diverts the portion going to general revenue to the state
road fund.

REFERENDUM - This act must be submitted to a vote of the people on the first Tuesday of August 2002. If approved this act will become effective on January 1, 2003. Additional revenues not subject to Hancock restrictions. This act also requires another election in 2012 to determine whether voters want the new taxes to continue. If not, the rates will return to the level existing on January 1, 2002.

SCS SB 916

SENATE SPONSOR Dougherty

3797S.02P

SB 916 - This act removes the sunset clause from Section 488.445, RSMo, and allows counties to pass ordinances to impose fees on the issue of marriage licenses and surcharges upon civil cases. Currently, this statute required ordinances to be passed before January 1, 2001.

The fees collected from these fees will be deposited in a special fund to provide financial assistance to domestic violence shelters.

Similar provisions are contained in the introduced version of SB 267 (2001).

SENATE SPONSOR Sims

3862S.02C

SCS/SBs 923, 828, 876, 694 and 736 - This act modifies various provisions relating to foster care. A new section is created to outline the following rights:

- The state must treat foster parents, children, birth parents, and the child welfare team with courtesy, respect, and consideration;
- The state must provide foster parents with training and support, information, visits, and accessible respite care;
- Foster parents must keep information confidential, participate in pre-placement visits, and follow appropriate respite care procedures;
- Foster parents must be allowed to make daily decisions for the child and plan visitation with the biological family;
- Foster parents must respect a child's culture, values, and needs and must administer discipline in a sensitive manner;
- The state must provide to foster parents information about a child's progress after leaving foster care, notice before a child is removed from a foster home, and first consideration for adoption;
- Foster parents must inform a caseworker of their interest in a child who has re-entered the system and of their desire to adopt; if they do not choose to adopt, they should encourage permanent placement; reasonable advance notice should be given if parents want to request removal;
- Foster parents must be informed in a timely manner of all court hearings and must have timely access to the child placement agency's appeals process. This portion is substantially similar to SB 828. (Section 210.566).

This act also allows foster parents to be automatically registered with the Family Care Safety Registry at no additional cost (Section 210.906). This portion is identical to SB 876.

Currently, the Division of Family Services makes reasonable efforts to prevent or eliminate the need for removal of the child from a home. This act does not require such effort when a child is abused by a person other than the parent and circumstances indicate the parent knew or should have known about it. Section 211.183, RSMo, currently defines "reasonable efforts" as reasonable diligence and care by the Division of Family Services to utilize all available resources to meet the needs of the juvenile and the family (Section 211.183). This portion is identical to SB 694.

Current law requires the Department of Mental Health to establish a placement program for affected individuals. New language allows the Department of Social Services or the court to refer a child to the Department of Mental Health for assessment. If the assessment indicates a mental disorder or addiction, then the Department shall not refuse appropriate care including residential treatment services to that child, if required (Section 630.605). This portion is identical to SB 736.

SB 0924

SCS SB 924

SENATE SPONSOR Sims

3901S.02C

SCS/SB 924 - This act regulates not-for-profit corporations providing dental services.

Current law allows the Dental Board to investigate dental offices along with their records, labs, and equipment for violations of the chapter. This act allows the Board to also investigate not-for-profit corporations licensed to practice dentistry (Section 332.051).

Section 332.071, RSMo, currently defines the practice of dentistry. This act adds to the definition the review of exam findings, x-rays, or other patient data in order to decide about the dental care of a patient (Section 332.071).

Current law prohibits any person from practicing dentistry without a license. This act prohibits corporations or entities from practicing without a license as well. Only 501(c)(3) corporations under Chapters 355 or 356, RSMo, will be allowed to practice dentistry. Such corporations must only provide dental services to Medicaid recipients and to those persons with income under 300 percent of the federal poverty level and such patients must make up 90 percent of the corporation's practice. They must only employ Missouri-licensed dentists, dental hygienists, and dental assistants. The corporation must be organized for health purposes only. No 501(c)(3) corporation under Chapter 355, RSMo, may interfere with a licensed dentist's professional judgment. Such corporations may apply for a license to practice dentistry in Missouri. Licensed corporations will be subject to all

disciplinary and license approval procedures (Section 332.081).

Corporations and entities are added to current law which imposes a Class A misdemeanor on persons who practice without a license and allows injunctions or restraining orders to prevent further unauthorized practice.

This act is similar to HB 1420 (2002).

SB 0926

SCS SB 926

SENATE SPONSOR Kenney

3248S.05C

SCS/SB 926 - This act transfers many regulatory duties over motor vehicle dealers, boat dealers, powersport dealers, and recreational vehicle dealers from the Department of Revenue to the Missouri Motor Vehicle Board within the Department of Economic Development Division of Professional Registration. Regulation of manufacturers will remain with the Department of Revenue. The Missouri Motor Vehicle Board is created and is responsible for licensing of all motor vehicle dealers, boat dealers, recreational vehicle dealers, wholesale motor vehicle auctions, public motor vehicle auctions and wholesale motor

vehicle dealers. The Board is composed of nine members one of whom will be a public member. Members of the board will be appointed by the Governor with the advice and consent of the Senate for staggered terms and will meet at least quarterly.

The Missouri Motor Vehicle Board is vested with rulemaking authority and the following powers: establishing qualifications for applications, examining and licensing applicants, establishing fees for licensure and renewal, discipline of licensees, investigating complaints, and establishing committees. The Missouri Motor Vehicle Board Fund is created and provisions for its use are established. Members of the Board will be immune from personal civil liability for acts performed in the scope of their official duties. The Board will employ an Executive Director who will be an attorney. The duties of the Executive Director are set forth in the act.

It shall be unlawful for persons to act as a dealer without a license. Such violations may be reported to the county prosecuting attorney for investigation and prosecution. Licenses will be issued for either 12 or 24 months. The Board will administer an examination for new licensees. Current licensees are grandfathered. Once licensed a dealer or auction may not cease business unless they provide at least 30 days notice to the Board. The Board may promulgate regulations concerning additional training.

This act sets requirements for applications and multi-location permits. Guidelines for the amounts of license and renewal fees are provided. Provisions relating to the issuance of Dealer license plates are revised. Dealers will be limited on the number of dealer plates they may have by the number of cars they have sold and the number of employees they have. It is unlawful to use or permit the use of a dealer's license plate on any vehicle for which there is no automobile liability insurance coverage.

Complaints will be heard by the administrative hearing commission and disciplinary actions, procedures and penalties are specified.

This act creates advertising standards for dealers.

Provisions are created for dealers to sell a motor vehicle "as is" in certain circumstances.

This act also eliminates lienholder possession on motor vehicle certificates of title. The owner of the motor vehicle is required to list the lienholder on the application for title and failure to do so is a Class C felony. The process for perfection of and releases of liens for lienholders and subordinate lienholders is specified.

Provisions regarding certificates of title are similar to SB 1264.

SCS SB 931
SENATE SPONSOR Klarich

3681S.06P

SS/SCS/SB 931 - This act modifies and adds various provisions pertaining to business and commerce. A summary of the provisions follows:

COUNTY CIRCUIT CLERKS AND RECORDERS - (Section 59.040 and 59.042)
- Allows for the combination or separation of the offices of county circuit clerk and county recorder in third class counties, upon voter approval

DISSOLUTION OF DEADLOCKED LIMITED LIABILITY COMPANY - (Section 347.143) - This act provides for judicial dissolution of a limited liability company in the event the members are deadlocked.

PLEADING AND BURDEN OF PROOF - (Section 351.055)- This act provides that on a motion to dismiss, a person challenging an exculpation provision must plead facts with particularity and on a motion for summary judgement has the burden of proving the provision is inapplicable.

BONDHOLDER'S POWER TO VOTE - (Section 351.056) - This act provides that a corporation may confer the power to vote upon holders of bonds, debentures or other obligations.

ANNUAL CORPORATE REGISTRATION REPORTS - (Sections 351.120, 351.140, 351.145, 351.150 and 351.155) - This act revises the process for a corporation to file its annual report to the Secretary of State

STOCK OPTIONS - (Section 351.182) - This act provides that under certain circumstances, the board of directors may delegate to officers the right to grant stock options.

CORPORATE REQUIREMENTS - (Section 351.247) - Allows a corporation which has elected to not be governed by the close corporation provisions of Chapter 351 to modify, by shareholder agreement, various corporate requirements. This act does not affect corporations which have elected to operate pursuant to the close

corporation provisions, and is retroactive.

RENUNCIATION OF BUSINESS OPPORTUNITIES - (Section 351.385) - This act allows a corporation to adopt a provision in its articles renouncing any interest in specified business opportunities.

DISPOSITION OF ASSETS - (Section 351.400) - This act provides for disposition of corporate assets on the terms and conditions determined by the board of directors, without shareholder approval.

ABANDONMENT OF MERGER OR CONSOLIDATION - (Section 351.431) - This act allows a corporation to abandon an approved merger or consolidation prior to the merger or consolidation becoming effective.

DEMAND FOR VALUE OF SHARES - (Section 351.455) - This act provides that a shareholder with voting shares who objects to a merger or consolidation has the right to appraisal if the objection is filed prior to the meeting of shareholders.

NOT-FOR-PROFIT CORPORATIONS - (Section 355.856) - This act revises the process for a not-for-profit corporation to file its annual registration report with the Secretary of State.

PROFESSIONAL CORPORATIONS - (Section 356.211) - This act revises the process for a professional corporation to file its annual registration report with the Secretary of State.

UNIFORM COMMERCIAL CODE, ARTICLE 9 - SECURED TRANSACTIONS

DEFINITIONS - (Section 400.9-102) - This act revises the definition of "chattel paper", deletes the definition of "notice" and limits the applicability of the definitions for "original debtor" and "proceeds."

SCOPE - (Section 400.9-109) - This act revises the applicability of UCC, Article 9 to areas covered by other statute statutes and certain other rights and transfers.

LIENS - (Section 400.9-303) - This act provides that Sections 700.350 to 700.390, govern the perfection, nonperfection and priority of liens relating to mobile homes.

PERFECTION OF SECURITY INTEREST SUBJECT TO STATE REGULATION - (Section 400.9-311) - This act limits the applicability of this section to certain property held as collateral.

PERFECTION OF SECURITY INTEREST BY DELIVERY - (Section 400.9-313) - This act provides that section 400.9-301, not section 400.8-301, shall govern the perfection of security interests of certificated securities taken by delivery.

PRIORITY OF CERTAIN LIENS - (Section 400.9-317) - This act revises the priority of certain security interests and agricultural liens.

FUTURE ADVANCES - (Section 400.9-323) - This act revises the priority of lien creditor where the security interest secures an advance.

ASSIGNMENT OR TRANSFER OF SECURITY INTEREST - (Sections 400.9-406, 400.9-407, 400.9-408, 400.9-409) - This act provides that certain rules regarding security interests shall also apply if the interests are assigned or transferred.

INDICATION OF COLLATERAL - (Section 400.9-504) - Technical change to ensure that a financing statement will be sufficient to indicate collateral it covers if it meets certain requirements.

FILING STATEMENTS - (Section 400.9-509) - This act provides that a debtor authorizes the filing of a finance statement by the acquisition of certain interests and liens.

TERMINATION STATEMENTS - (Section 400.9-513) - This act revises the process for the filing of certain termination statements.

FILING FEES - (Section 400.9-525) - This act provides that the Department of Revenue, not the Secretary of State, shall administer the "Uniform Commercial Code Transition Fee Trust Fund," revises the duties of Secretary of State with regard to the fund, and provides that the moneys in the fund shall be deemed non-state funds.

WAIVER OF DEFAULT RULES - (Section 400.9-602) - This act revises the rules which may not be waived by certain debtors.

NOTIFICATION BEFORE DISPOSITION OF COLLATERAL - A technical change is made regarding parties to be sent notification (Section 400.9-611) and to the contents of the notification. (Section 400.9-613).

PROCEEDS OF DISPOSITION - (Section 400.9-615). An intersectional reference is added.

REMEDIES - (Section 400.9-628) - This act provides that a secured party which fails to comply with explanation requirements pursuant to Section 400.9-616 cannot be held liable for the remedy specified in Section 400.9-625(c)(2), relating to failure to comply with Article 9 provisions.

FORMER ARTICLE 9 RECORDS - (Section 400.9-710) - This act limits the records to be accepted by a local filing office and extends the date for each local filing office to maintain former Article 9 records.

FICTITIOUS CORPORATE NAME - (Section 417.210) - This act requires a corporation to make a declaration under penalty to the Secretary of State within five business days of beginning a business using a fictitious name. Current law required the corporation to submit a notarized statement.

CRIME OF MAKING A FALSE DECLARATION - (Section 575.060) - This act provides that the word "written" as used in this Section

shall include filings submitted in electronic or other Secretary of State-approved formats.

SENATE SPONSOR Yeckel

3800S.01I

SB 933 - This act requires amusement machine operators to obtain licenses from the Director of the Division of Professional Registration within the Department of Economic Development. Fees to obtain a license to operate amusement machines will be set by the Director at no more than \$1,500 for a 2-year license. License fees to operate amusement machines used specifically at

carnivals, local or county fairs, or at the state fair will be set by the director. Persons operating amusement machines without a license will be fined \$100 for each machine found in their possession.

The act outlines the qualifications for an amusement machine operator license. Applicants must be at least 21 years of age, a Missouri resident for at least one year, and provide proof that they have paid Missouri sales tax on all previous business transactions conducted in this state. The residency requirement does not apply to operators of amusement machines at carnivals, circuses, local or county fairs, or at the state fair.

The rewards from amusement machines are defined as non-cash prizes, toys, items of merchandise, novelties, or a representation of value (tickets, coupons) redeemable for these items on the premises where the machine is played. The value of the award is limited to the greater of the cost of a single play or the wholesale value of five dollars. The rewards shall not be cash, gift certificates, alcohol or tobacco products.

The Director will require all licensed amusement machine operators to prominently display on their machines decals which will contain the license number of the operator and any other information deemed necessary by the Director.

The act further authorizes the Director to make rules; issue warnings and probation; assess penalties; suspend and revoke licenses; prescribe forms, applications, and licenses; and conduct examinations.

The act allows any aggrieved party to appeal to the Administrative Hearing Commission.

The act creates within the Department the Amusement Machine Operator License Fund. All moneys collected will be deposited within the fund for the purpose of paying expenditures incurred by the Department.

SCS/SB 948 - This act requires the disclosure of the transfer or use of human fetal parts.

This act defines "human fetal parts" as any deceased fetus or child who has been delivered by means of induced or spontaneous abortion or any tissue or organ of such fetus or child. "Valuable consideration" is also defined to include methods of payment or debt incurrence associated with the transfer of human fetal parts.

With the exception of those who receive human fetal parts by donations, this act prohibits any person or entity from transferring human fetal parts for valuable consideration without properly disclosing the information surrounding the transfer to the Department of Health and Senior Services. Reasonable shipping costs need not be disclosed. The act also prohibits the shipping of human fetal parts by any person or entity without full disclosure of the contents to the shipping carrier.

This act will not apply to the unpaid transfer of human fetal tissue by a family to a pathologist for testing or to the transfer of human fetal parts for burial or cremation. Any individual violating this section will be guilty of a Class A misdemeanor.

This act is similar to SB 581 and HB 564 (2001).

SCS SB 966

SENATE SPONSOR Kennedy

3978S.03P

SCS/SB 966 - This act allows for a special license plate bearing the St. Louis College of Pharmacy emblem. To obtain the plate, a person must get a use authorization statement (for a \$25 contribution) from the St. Louis College of Pharmacy and present the statement along with any other documents which may be required and payment of a \$15 fee in addition to the regular registration fees to the Department of Revenue. The fee for personalized license plates will not be required.

This act is identical to HB 156 (2001).

SB 0969

SS SCS SBs 969, 673 & 855
SENATE SPONSOR Westfall

3880S.09P

SS/SCS/SBs 969, 673 & 855 - This act allows the Highway Patrol to search the sex offender registry when conducting background checks for potential employees of day cares, residential care facilities and youth services agency. The Highway Patrol will inform the agency or provider of the address and the offenses of the applicant.

This act also adds attempted forcible rape and attempted forcible sodomy as dangerous felonies to Missouri statutes.

Parole boards are allowed to consider information listed on the juvenile sex offenders registry if the offender being considered for parole is less than twenty-one years old.

This act creates the crime of enticement of a child. A person commits the crime of enticement if he or she is at least twenty-one years old and persuades, solicits, coaxes, entices or lures any person who is less than fifteen years of age for the purpose of engaging in sexual conduct. Attempting to entice a child is a Class D felony. Enticement of a child is a Class C felony unless a person has been found guilty of previous sexual offenses, then it is a Class B felony.

This act creates the Class C felony of sexual contact with an inmate. A person who is an employee of or assigned to work in any correctional facility who has sexual intercourse or deviate sexual intercourse with an inmate or resident of the facility is guilty of the crime.

This act creates the Missouri Regional Computer Forensics Laboratory (RCFL). RCFL combines local, state and federal

resources to research and combat computer and Internet-related crimes. RCFL will be under the control of the Department of Public Safety.

A person who may meet the criteria of a sexually violent predator will be evaluated by either a psychiatrist or a psychologist as to whether or not the person meets the definition of a sexually violent predator.

Persons required to register as sex offenders under current law must register with county officials within 10 days of moving to another county or being released from custody. A person required to register must register by September 10, 2002 with the chief law enforcement official of the county in which they reside.

The act allows for community notification regarding certain registered sex offenders. The act provides immunity for release of information by law enforcement and by employees of the Departments of Corrections, Public Safety, and Social Services. Prior to releasing a sex offender, the Department of Corrections is required to perform a risk assessment of any offender required to register as a sex offender. The act tailors the extent of any community notification to the assessment results.

SB 0970

SS SS SCS SBs 970, 968, 921, 867, 868 & 738
SENATE SPONSOR Westfall

3307S.09P

SS/SS/SCS/SBs 970, 968, 921, 867, 868 & 738 - This act removes the 2008 sunset on the 6-cent gas tax (Section 142.803) and eliminates the requirement that road projects be bid in sections not to exceed 10 miles (Section 227.100).

The act also authorizes MoDOT to enter into three pilot design-build projects (Section 227.107). The design-build projects shall be selected from 1992 fifteen year plan projects. The authority to enter into such projects shall expire on July 1, 2012, unless extended (SA 14).

This act removes the cap on the amount of aviation jet tax revenues which may be deposited in the Aviation Trust Fund. Current law only permits \$5 million of the aviation jet fuel tax revenues to be placed in the fund. This act also extends the sunset on the aviation jet fuel tax section to December 31, 2008 (Section 144.805). Under current law, the commission may match state funds at a 80% level and locals at a 20% level. This is changed to a 90/10 formula (section 305.230). This act also modifies the language regarding the deposit of unclaimed aviation fuel refunds. The current law states that "If any person fails to apply for a refund as provided in Chapter 142, RSMo, he makes a gift of his refund to the Aviation Trust Fund." The new language simply states that the refund amount will be deposited in such fund.

This act prohibits persons from transporting hazardous materials through highway tunnels. This act also prohibits parking vehicles containing hazardous materials within 300 feet of a highway tunnel unless allowed by federal regulations. Violation of this act is a Class B misdemeanor for the first offense, and a Class A misdemeanor for a second or subsequent offense (section 304.370).

This act requires applicants for commercial driver's licenses to comply with the requirements of the U.S. Patriot Act of 2001 (SA 2).

This act expands the commercial zone around Kansas City from 12 miles to 15 miles for truck weight limitation purposes. This is similar to SB 805 (2002)(SA 7).

This act authorizes the General Assembly to appropriate up to \$1 million annually from General Revenues to upgrade nonstate highway system bridges. The Department of Transportation shall administer the project. MoDOT shall utilize one of the innovation centers authorized by Section 348.271, RSMo, as the contracting organization for the project. Moneys from the fund shall be used for the analysis and reinforcement of existing nonstate highway bridges that require strengthening to eliminate load posting. Bridges which are currently under the responsibility for repair or maintenance by MoDOT shall not be

eligible for the project. The project shall utilize the Center for Infrastructure Engineering Studies at the University of Missouri - Rolla for the selection of bridges that can be strengthened by the use of technology that has been developed there. The center shall also create and lead an industry consortium to perform the structural analysis and technology application required for the strengthening of the selected bridges. The University of Missouri - Rolla shall match every \$2 appropriated with \$1 from its operating funds (SA 11).

This act modifies the definition of abandoned property to include any motor vehicle involved in an accident whereby the law enforcement official requests such vehicle to be removed from the scene because the operator or owner is unable to arrange for the abandoned property's timely removal (SA 12).

This act allows the Department of Transportation to contract with private individuals to mow and maintain the rights-of-way.

This act increases the fees collected by non-Department of Revenue offices for biennial licenses issued and for six year licenses. The fees for licenses renewed biennially are increased from \$4.00 to \$5.00 beginning August 28, 2002. Beginning July 1, 2003, licenses renewed annually are increased from \$2.50 to \$3.50 and biennial licenses are increased from \$5.00 to \$7.50. Beginning July 1, 2003, fees for six-year driver's licenses are increased from \$4 to \$5. Beginning July 1, 2003, this act requires all Department of Revenue branch offices to collect the same fees charged by fee offices.

BILLBOARD REVISIONS - This act updates requirements of federal law to include primaries as of June 1, 1991. This act specifically allows Tri-vision, projection and changeable message signs to be subject to MoDOT regulations. This act allows cutouts and extensions on nonconforming signs. This act makes existing stacked signs legal nonconforming. When stacked signs were prohibited in 1999, the statute provided that existing signs were not conforming which meant they could be rebuilt. By making existing signs legal nonconforming, the signs could be phased out over time as they need replacing. This act adopts a minimum of 1,400 feet (up from 500 feet) spacing between signs on all primary and interstate highways. This act modifies the definition of "unzoned commercial and industrial land" by expanding the commercial activity area from 600 feet to 750 feet on either side of a qualifying business. This act allows billboards in areas zoned agricultural if they meet certain requirements (SA 18). This act eliminates the opposite side of the road as part of the unzoned commercial areas on primaries and interstates.

The act requires business to have the presence of an owner or employee on the premises for at least 20 hours per week to be considered a valid business when determining whether a property is commercial or industrial. This act increases original permit fee to erect a billboard from \$28.50 to \$200. This act increases biennial inspection fees to \$50 on August 28, 2002, \$75 on August 28, 2003, and \$100 on August 28, 2004. This act allows for the

non-compensated removal of billboards for failing to pay fees over 12 months. This act increases the amount of time to cure a billboard violation from 30 to 60 days. This act requires actual notice of a violation before removal of a sign. This act requires vegetation permits to be issued according to current MoDOT rules and regulations and allows certain utility companies to remove and trim vegetation without a permit.

SB 0971

SCS SB 971

SENATE SPONSOR Klindt

3771S.04C

SCS/SB 971 - This act requires all regulations promulgated by the Department of Natural Resources, hazardous Waste Management Commission, State Soil and Water Districts Commission, Petroleum Storage Tank Insurance Fund Board, Land Reclamation Commission, Safe Drinking Water Commission, Air Conservation Commission, and Clean Water Commission to be based on sound science. The Department of Natural Resources is required to prepare a risk assessment and cost-benefit analysis for all rules promulgated by the referenced agencies.

The risk assessment and the cost-benefit analysis must include specific components which are covered in the act and must be developed using scientifically objective and unbiased standards. The assessments and analyses must be made available to the public via the Internet and DNR must allow for and respond to comments from the public. The assessment, analysis, testimony and comments must be considered by the department or the commission in promulgating the regulation. The failure of the department to conduct the risk assessment and the cost-benefit analysis will be considered grounds for vacating the regulation. The risk assessment is also required to be filed with the Joint Committee on Administrative Rules at the time the proposed rules

are filed pursuant to §536.024 RSMo.

A provision is included to allow for the promulgation of regulations without conducting a risk assessment and a cost-benefit analysis if the director believes that the action is immediately necessary to protect the public health and welfare. However, the director must justify these actions in writing and the Department would then have the responsibility to complete the risk assessment and cost-benefit analysis within 45 days.

In proceedings challenging rules promulgated by the Department of Natural Resources, hazardous Waste Management Commission, State Soil and Water Districts Commission, Petroleum Storage Tank Insurance Fund Board, Land Reclamation Commission, Safe Drinking Water Commission, and Clean Water Commission the burden of proof shifts to the department or commission promulgating the rule to prove that the rule is necessary to prevent specific circumstances of conditions causing harm to human health and the environment.

SB 973 - This act creates the "Missouri Biomass Technology Commission". The Commission is set to have seven members. The Commission is responsible for:

- 1) Collecting data for the development and use of alternative energy as a source of electricity;
- 2) Evaluating existing incentive programs that promote the development and use of alternative energy;
- 3) Creating new incentives and programs to promote alternative energy use; and
- 4) Making recommendations to the Legislature on program developments and uses for alternative energy.

The council will develop a comprehensive guide to alternative energy development, production and use. This guide will be submitted to the Legislature.

This act expires on June 30, 2005.

SCS SB 980

SENATE SPONSOR Singleton

3691S.03P

SCS/SB 980 - The act revises the licensure procedures for physical therapist applicants who are licensed in another state. The act removes the requirement that the laws of the state in which the applicant is already licensed must be substantially equal to or greater than the licensure laws of Missouri.

Currently, the Board must deny licensure to any applicant who has failed any physical therapist licensing examination three or more times. This act allows the Board to waive such provisions if the applicant has passed a licensing exam, is licensed, and has practiced for two years in another state or territory.

SCS/SB 982 - This act creates a tax credit for individuals within certain income ranges who incur costs for the purpose of making all or any portion of such taxpayer's home accessible to an individual with a disability. The credit reimbursement rate is graduated based on income level. The maximum credit per taxpayer, per year, is two thousand five hundred dollars. The maximum aggregate amount of tax credits which can be issued is ninety-five thousand dollars. The credits are issued on a first-come, first-serve basis.

The act takes effect on January 1, 2003 and expires December 31, 2008.

SCS/SBs 984 & 985 - This act extends the drinking water primacy fee to September 1, 2007. This portion of the act is similar to HB 1748 (2002).

This act also changes the date for authorizations for bonding for water sewer and stormwater projects. Current law authorizes the Board of Fund Commissioners to issue bonds for grants and loans pursuant to several sections in Article III of the Missouri Constitution which are administered by the Clean Water Commission and relate to water, sewer and stormwater projects. Current law states the authorizations are in addition to amounts authorized prior to August 28, 2002. This act changes the date to August 28, 2003.

SS SCS SB 1009

SENATE SPONSOR Rohrbach

2551S.04P

SS/SCS/SB 1009 - The act modifies Missouri law relating to the permissible investments of insurance companies in derivative instruments for hedging, income generation, and replication transactions, and in investment pools by non-insurance affiliates. The purpose of these proposals is to update Missouri investment laws so that Missouri insurance companies can remain competitive.

The proposed changes to Section 375.345, RSMo, are a comprehensive update to Missouri's existing law on derivatives based upon the NAIC Model law and Illinois law. Under the definitions, limitations and conditions contained in the proposed law, derivative transactions can only be used for prudent reduction of risk and not to increase risk or for speculative purposes.

This act defines the various types of derivative transactions including a "hedging transaction" (used to protect against changes in value of assets and liabilities or to generate income or enhance return - Section 375.345.1 (12)), and "replication transaction" (used to replicate the investment characteristics of another investment - Section 375.345.1(18)).

The most common type of derivative transaction is hedging, which is used to protect against changes in the interest rates or values associated with another asset held by the company. Under this act, to engage in derivative transactions, an insurance company must be prepared to:

- (1) Demonstrate to the Director the intended hedging characteristics and effectiveness of the derivative transaction;
- (2) Maintain its position in any outstanding derivative transaction for as long as the hedging transaction continues to be effective;
- (3) Include all counterparty exposure amounts in compliance with the single-entity investment limitations contained in Missouri law;
- (4) Comply with any additional conditions imposed by the Director by regulation; and
- (5) Have the policies and record-keeping procedures approved by its Board of Directors (Section 375.345.2)

As an additional safeguard, Section 375.345.2(3), (4) and (5) contain the following quantitative limits on the ownership of derivatives:

(1) With respect to hedging transactions: purchased options, caps, floors and warrants can not exceed 7 1/2 percent of admitted assets; written options, caps and floors can not exceed 3 percent of admitted assets; and collars swaps, forwards and futures can not exceed 6 1/2 percent of admitted assets;

(2) With respect to income generation transactions, the limit of 10% of admitted assets; and

(3) With respect to replication transactions the limits are the same as those that apply to the replicated asset or investment.

The proposed change to Section 376.311, RSMo, authorizes a business entity affiliated with an insurer to invest in qualified investment pools under the same conditions that apply to the insurer. Under the current law only affiliated insurers can invest in qualified investment pools. This change is consistent with the current NAIC Model Law.

SB 1010

SENATE SPONSOR Sims

3965S.02I

SB 1010 - This act makes several modifications to the statutes governing horse racing and pari-mutuel wagering in Missouri.

This act authorizes the Governor to remove a member of the Missouri Horse Racing Commission for malfeasance or neglect of duty in office and to appoint the chair of the Commission. The Commission is authorized to hire an executive director and other employees and to enact rules and regulations necessary to carry

out its duties. Employees may be restricted from wagering on horse races.

The expenses of the Commission are to be paid out of the existing Missouri Horse Racing Fund. Excess moneys in that fund each year go to the newly created "School Building Revolving Fund". Certain moneys made by Commission licensees must be paid to the Missouri Breeder's Fund to encourage and reward the owners and breeders of Missouri bred horses that win horse races in Missouri.

This act broadens the authority of the Commission to include such things as: imposing civil penalties up to \$5,000 against occupational licensees and up to \$10,000 against licensees who operate race tracks or pari-mutuel wagering systems; investigating applicants for suitability; restricting, suspending or revoking any license issued by the Commission; adopting standards for pari-mutuel wagering; requiring removal from race grounds of any law violator; entering race grounds and other places without a search warrant; and requiring disclosure of financial records. Licensees are subject to discipline for such things as: failing to follow the rules and regulations of the Commission; associating with persons or notorious or unsavory reputation; employing cheats; or engaging in fraud, misrepresentation, bribery, threats, extortion or dishonesty in any area governed by the Commission. This act prohibits the use of public funds or tax increment financing (TIF) benefits to construct, operate or maintain a race track.

This act sets the license application fee at \$50,000 for a race track or pari-mutuel wagering operator's license. The Commission may require licensees to implement an affirmative action plan and to prove financial responsibility and suitability. Licensees shall conduct at least 20 days of racing in the 18 months following licensure, at least 30 days of racing in the next 12-month period and 50 days of live racing in Missouri each year thereafter. Licensees shall make a capital investment in Missouri in excess of \$25 million within the first year of operation, or risk loss of license. The Commission is authorized to waive these requirements. Pari-mutuel wagering systems used in Missouri must be approved by the Commission. This act sets forth minimum requirements for approval of such a system.

Licensees are required to pay a \$2 admission fee to the state for each person entering the race grounds, with resulting revenue going to the "School Building Revolving Fund". Licensees may contract outside Missouri for simulcasting the licensee's live races and out-of-state pari-mutuel wagering is permitted.

The act makes the following acts Class A misdemeanors: operating a pari-mutuel wagering system in Missouri without a license from the Commission; and operating a pari-mutuel wagering system in a manner other than permitted by law and by Commission rules and regulations.

This act is similar to SCS/HS/HB 882 and SB 599 (2001).

SB 1013

SCS SB 1013

SENATE SPONSOR Steelman

4268S.01I

SCS/SB 1013 - This act allows Kansas City Power and Light to transfer existing generating facilities to an affiliated entity.

An IOU must receive approval for the transfer assets to an affiliated entity from the Public Service Commission (PSC). The IOU must enter a purchase power agreement (PPA) with the affiliated entity. The PPA provide for provision of power to meet the retail load of the IOU at cost-of-service rates regulated by FERC and provide for operation and maintenance for the transferred facilities. If FERC no longer regulates the rates established under the PPA the PSC will have authority to review and establish the cost-of-service rates in the PPA.

The act details certain information which must be included in its application to transfer assets which is filed with the PSC. The PSC is required to approve the asset transfer if certain findings are made. The PSC must approve or disapprove the transaction within 120 days. If there are to be any changes to the PPA the IOU must file information regarding the proposed changes with the PSC at least 180 days before the changes are to go into effect.

Subsequent transfers of assets must be approved in the same manner as the initial transfer of assets. The affiliated entities are require to hire a sufficient number of nonsupervisory employees to operate and maintain the stations, division or unit and offers of employment must first be made to the current employees of the IOU and under substantially the same terms of employment and continue such employment and terms for 30 months.

Nuclear decommissioning costs shall be recovered through unbundled charges or bundled rates.

Any transferred assets shall continue to be treated as property of the IOU for purposes of assessment and taxation. The State Tax Commission shall adopt rules to ensure the property transferred are valued and allocated in manner that is used for distributable property in effect August 28, 2002.

SENATE SPONSOR Foster

4062S.05P

SCS/SB 1015 - This act revises provisions relating to state parks. This act prohibits the Department of Natural Resources (DNR) from entering into or renewing a contract for a period exceeding 10 years unless the Director determines the extended contract period is necessary to allow the contractor to make substantial improvements to the site and the improvements are of sufficient value to necessitate the longer contract.

The Arrow Rock State Historic Site Endowment Fund is created. The initial deposit in the fund will be the bequest in the amount of \$21,965.92 from the Bill and Cora Lee Miller

estate. The Arrow Rock State Historic Site Endowment Fund may only be used for the enhancement of Arrow Rock State Historic Site's public interpretive programs. The state treasurer may invest the monies in the fund in a manner as provided by law. Until 2100, DNR may annually only expend one-half the interest earned by the fund. Thereafter, all of the interest earned by the preceding year may be expended. Funds may only be expended upon appropriation. Any funds appropriated but not spent will revert back to the fund.

DNR is given authority to enter into agreements with private, not-for-profit organizations organized solely to further the interpretive, educational, and maintenance functions at the state parks. Proceeds from sales of publications and materials by these organizations shall be retained by the organization for use in furthering their functions.

SCS SBs 1023 & 1117
SENATE SPONSOR Bentley

3774S.03I

SCS/SBs 1023 & 1117 - This act makes various changes to economic development programs relating to distressed communities and small business investment tax credits.

The act:

- (1) Changes the definition of a community development corporation to stress industrial, economic, entrepreneurial, commercial and civic development of projects that benefit low-income individuals and communities;
- (2) Lowers the investment requirement of principal owners of Missouri small businesses eligible for investment from 50% of the business to 35% of the business;
- (3) Eliminates the designation of a "target area" for purposes of identifying areas of poverty by the Department of Social Services;
- (4) Increases the maximum percentage of investment ownership allowed in a small business to qualify for a tax credit from 50%

to 65%;

(5) Reduces the time period requirement for investment in a small business from 5 years to 3 years and excludes any sale, change of control, or the going public of a business from the minimum period of time for investment for purposes of the small business investment tax credit program;

(6) Reduces the percentage of employees required to be located at a business contained within distressed communities from 75% to 60% and increases the maximum number of employees at a business contained within a distressed community from 100 to 150 to qualify for the distressed communities tax credit program;

(7) Allows the leasing of certain technology equipment to qualify as an expense for purposes of obtaining a tax credit;

(8) Increases the allowable tax credit percentage of the amount of qualified contribution to a qualified fund for purposes of tax credits for contributions to innovation centers from 50% to 75%;

(9) Allows any unused credits for these tax credit programs from the previous year to be added to any statewide caps for these programs in future years;

(10) Expands the availability of follow-up capital to include businesses which have previously received follow-up capital within the last 3 years for purposes of tax credits for contributions to innovation centers;

(11) Requires the Department of Economic Development to pursue a revocation of the tax credits only from the original applicant for the tax credit.

(12) expands the definition of a "distressed community" relating to tax credits for investment in or relocating a business to a distressed community. A distressed community will include areas within metropolitan statistical areas that are designated as either a federal empowerment zone, a federal enhanced enterprise community, or state enterprise zones designated prior to January 1, 1986, but will not include the expansion of those zones done after March 16, 1988.

This act contains an emergency clause.

This act is similar to HB 215 (2001).

 SB 1029

SCS SBs 1029 & 1047
 SENATE SPONSOR Sims

4205S.02I

SCS/SBs 1029 & 1047 - This act modifies the certificate of need law.

This act revises the definition for "expenditure minimum" to extend the zero expenditure minimum to January 1, 2008. Current law imposes a moratorium on the issuance of a certificate of need (CON) for certain facilities. This act extends the moratorium until January 1, 2008 (Section 197.317).

Certain facilities are currently exempted from CON. The provision removing the expenditure minimum for certain facilities is deleted. The time limits are changed from 18 to 12 months for facilities to make an effort to purchase beds before applying to increase licensed bed capacity. Current language is deleted and replaced with new language allowing a facility to increase its licensed bed capacity by:

- Submitting a letter of intent to the Department and the Committee;
- Certifying that the facility has no class I deficiencies and has maintained a 90% average occupancy rate for the last 6 quarters;
- Showing it has made an effort to purchase for 12 months following the letter of intent;
- The term "effort to purchase" is revised to mean an offer to purchase beds in the same license category or an offer to purchase beds in another licensure category.

A facility may purchase, transfer, or sell beds to facilities satisfying the above requirements. Any facility which sells or transfers beds may not expand its bed capacity within that licensure category for five years from the date of relinquishment. If an agreement is reached by the selling and purchasing facilities, then a CON should be issued upon surrender of a seller's license. If an agreement is not reached, the Committee must permit an expansion as follows:

- A facility may expand its bed capacity within the same licensure category by 25%;

- A facility may expand its bed capacity in a different licensure category by up to 10%.

Any licensed RCF or SNF may relocate licensed beds to another facility if both facilities are under the same ownership. An independent living facility may apply to buy beds by submitting a plan the Division of Health Standards and Licensure; obtaining a temporary license; obtaining authorization based on need; working with the Committee to identify a seller; obtaining a CON; and applying for licensure of the purchased beds.

A definition is provided for "independent living facility" (Section 197.318).

Currently, the Department of Health and Senior Services must inspect long term care facilities twice per year. This act lowers that number to one unannounced inspection per year, unless violations occur (Section 198.022).

SB 1035

SENATE SPONSOR Yeckel

4072S.01I

SB 1035 This Act revises a number of provisions relating to lobbyists, the Missouri Ethics Commission and campaign finance disclosure.

Lobbyists shall no longer be required to include expenditure categories for printing and publication expenses, media and other advertising expenses, and honoraria on their monthly reports (Section 105.473).

Lobbyist expenditure reports shall not include any payment to public officials, their families or staff if it is compensation for employment in addition to employment as a public official (Section 105.473). The act repeals the law making lobbyist requirements inapplicable to union members not acting as lobbyists for the union (Section 105.475).

After a finding of probable cause, the Ethics Commission may settle certain non-criminal complaint cases without a hearing for a fee of not more than \$1,000. Currently, after a finding of probable cause, the Commission must hold a hearing (Section 105.961).

The act changes the amount from \$250 to \$275 that an individual may contribute to a candidate or committee before certain disclosure laws apply (Sections 130.011 and 130.016). A committee or candidate may file its statement of organization within 30 days of the election (Section 130.021).

Current law provides that a continuing committee must file required disclosure reports no later than the seventh day before an election. This act changes the filing date to no later than the eighth day before an election. When no disclosure reports are required, a committee treasurer must file a statement indicating that the committee has no exceeded thresholds for that reporting period (Section 130.046).

As a technical matter, the act moves the provisions regarding nominee compliance and late fees from Section 130.050, RSMo, to Sections 130.062 and 130.063. The act also moves provisions related to out-of-state committee contribution or expenditure reports from Section 130.050 to Section 130.049.

Any fees collected for the late filing of campaign disclosure reports must be deposited to the credit of the county school fund pursuant to Section 166.131, RSMo (Section 130.056). Current law provides that a person must "purposely" violate the provisions of Chapter 130, RSMo, to be guilty of a Class A misdemeanor. This act changes the standard to "knowingly" (Section 130.081).

This act is identical to HB 1326 (2002).

SB 1039 - This act revises the composition and selection of the Kansas City Housing Commission. Beginning January 1, 2003, the Kansas City Housing Authority shall be composed of seven members (6 appointed members and 1 elected from the tenants of housing authority). The appointed members will be nominated by a committee and appointed by the mayor. The Tenant Commissioner election will be conducted by a resident organization. Each commissioner shall serve a term of 4 years. At the beginning, the appointed members will serve staggered terms. Each commissioner will receive a stipend of \$200 per month in addition to costs. A quorum shall consist of a minimum of four members.

SCS/SB 1040 - This act requires approval of a plan of development by majority vote of the governing body of a municipality when revenue bonds are to be issued for an industrial development project.

Such project plan shall include, in addition to the current law, the following information:

- (1) A statement identifying each taxing district affected by such project;
- (2) The most recent equalized assessed valuation of the real property and personal property included in the project, and an estimate as to the equalized assessed valuation of real

property and personal property included in the project after development;

(3) An analysis of the costs and benefits of the project on each taxing district; and

(4) Identification of any payments in lieu of taxes, contributions, grants or other payments of any nature whatsoever expected to be made by any lessee of the project, and the disposition of any such payments by the municipality.

The act requires a public hearing, with notice provisions, to hear and consider the proposed plans and any objections.

Industrial development projects are considered new construction for the purposes of Section 137.073, relating to property tax assessments.

SCS/SB 1046 - Under this act, The Missouri-St. Louis Metropolitan Airport Authority is given the responsibility for operation of the Lambert-St. Louis International Airport beginning on January 1, 2005. The existing Airport Authority members' terms will have expired by the time the authority assumes responsibility for operation of the airport in 2005. The City of St. Louis shall continue to own the airport. The members of the Authority shall represent St. Louis City and St. Louis, Jefferson, Franklin and St. Charles Counties on the basis of population, one member for each 130,000 residents. The authority shall honor all bonds, debts and employee pension plans of the former airport authority.

This act also states that the City of St. Louis may continue taxing businesses conducting activities within its airport. This act requires the authority and the city of St. Louis to enter into negotiations regarding certain employee issues beginning April 1, 2005.

This act is similar to SB 469 (2001).

This act has an effective date.

 SB 1052

SCS SB 1052

SENATE SPONSOR Sims

4144S.09C

SCS/SB 1052 - This act defines and regulates assisted living
 facilities in the state.

A notwithstanding clause is added to change the term
 "residential care facility" I or II to "assisted living facility"
 I or II (Section 198.005).

New definitions are added relating to Alzheimer's disease
 and assisted or independent living (Section 198.006). Section
 198.014, RSMo, is repealed. Current law requires licensure of
 long term care facilities and allows a license to be issued for
 up to two years. This act reduces that time period to eighteen
 months (Section 198.015).

A new section allows continuing care retirement community
 residents to request assistance with medications, which must be
 stored in the resident's room. The Department may develop rules
 for the administration of medication. Within the rules, the
 Department must ensure that assisted living programs promote
 resident independence. Programs must ensure general supervision
 of residents. Supportive services may be provided by the
 facility or the resident may contract with other providers
 (Section 198.016).

Currently, Section 198.073, RSMo, imposes a pathway to
 safety law for Alzheimer's patients in assisted living facilities
 I and II (ALF). This act removes provisions which prohibit ALFs
 from admitting or retaining individuals who are incapable of
 negotiating a pathway to safety. New language allows an
 individual to be a resident of a ALF I or II if the facility:

- Provides for appropriate services;
- Employs the appropriate number of 24-hour staff at the appropriate skill level;
- Has a written plan for the protection of residents in the event of a disaster; and
- Has written verification from the resident or his or her representative and the resident's physician that the facility will meet that resident's needs.

Certain references to pathway to safety are removed. Assisted living facilities may continue to care for individuals with dementia if the facility:

- Adheres to fire codes;
- Takes measures that allow the resident to explore the facility;
- Counts as three residents each resident with dementia who requires physical assistance of two people;
- Assesses every resident with dementia with a community-based services assessment tool
- Develops an individualized service plan for the resident with dementia;
- Uses a personal electronic monitoring device for such residents;
- Complies with training requirements;
- Make activity programs available; and
- Develop a plan to protect.

SB 1056 - This act requires informed consent at least twenty-four hours before an abortion. The current language of Section 188.039, RSMo, regarding consent is deleted. Except in an emergency, new language requires a physician to confer with the patient at least twenty-four hours before an abortion regarding the benefits and risks of the procedure. For an abortion induced by drugs, the conference must take place at least twenty-four hours before prescribing the drugs. The patient must be screened for risk factors prior to or during the conference. As the conference concludes, the physician and patient must sign a consent form, certifying the screening and discussion. The form will become part of the patient's medical file and will remain confidential. The Director of the Department of Health and Senior Services must develop a model consent form for physicians, however, lack of a model form will not affect the physician's duties to obtain consent.

This act is identical to HB 913 (2001).

4150S.05C

SS/SCS/SB 1059 - This act grants administrative rule waivers for performance schools and augments accountability standards for priority schools.

SECTION 160.720 - The section states that the Governor will recognize schools (as identified by DESE) that demonstrate high student achievement and designate such institutions as 'performance' schools. Said performance schools (or districts) will be eligible for waivers of certain administrative rules.

The Department of Elementary and Secondary Education will identify as 'priority' schools, or school districts, those that are either: academically deficient; unaccredited; provisionally accredited; or not meeting any of the accreditation standards on student performance based upon the statewide assessment system. In order to address these areas of deficiency, the Board of Education of any priority school district will submit an accountability compliance statement to DESE on or before August 15 that: identifies and analyzes areas of deficiency in student performance by school, grade and academic content area; provides a comprehensive strategy for addressing these areas of deficiency; and assures disclosure of deficiency areas in the school accountability report card.

The comprehensive strategy for addressing these areas of deficiency will include: aligning curriculums to address areas of deficiency; focusing professional development funds on the areas of greatest academic need; establishing school accountability councils; developing a resource reallocation plan

for the district while considering the need to implement applicable strategies for the feeder schools of said priority districts; and creating programs to improve teacher and administrator effectiveness. Further, the comprehensive strategies will develop for any student who is not already receiving special education services and is performing at the lowest level of proficiency in any subject area under the statewide assessment an individual performance plan in that subject area which will: be developed by teachers in consultation with the child's parents or guardian; outline responsibilities for the student, parent or guardian, teachers and administrators in implementing the plan; and require those students performing at the lowest levels of proficiency in any subject area be provided with additional instruction time before they retake the assessment.

School districts shall include in any program for improvement of teacher and administrator effectiveness, policies that require participation in one of the following professional development programs: an appropriate mentoring program or supervision by an individual previously designated by DESE as a regional resource teacher; successful completion of a training program for certification as a scorer under the statewide assessment program; enrollment and making adequate progress toward national board certification. One additional year of intensive professional development assistance shall be offered to teachers and administrators who do not complete or make adequate progress in the aforementioned professional development activities. Exempt from this process are individuals who either: hold qualifying scores in the appropriate professional assessment or elect to take and receive a qualifying score on that assessment; hold national board certification; are certified as a scorer under the statewide assessment program; are designated by DESE as a regional resource teacher; serve as a mentor teacher for one school year in a program meeting standards adopted by the state board of education; or complete successfully an appropriate administrator academy program.

Any resource reallocation plan must include at least one of the following elements: reduction in class size for areas of academic concern; establishment of full-day kindergarten or preschool programs; establishment of after-school, tutoring and other programs offering extended time for learning; employment of national board-certified teachers or regional resource teachers, along with appropriate salary enhancements for such teachers; establishment of programs of teacher home visitation; or the creation of "school within a school" programs to achieve smaller learning communities within priority schools.

The Department of Elementary and Secondary Education will develop a program of administrator mentoring which focuses on the needs of priority schools and priority school districts.

The Department of Elementary and Secondary Education will withhold state funding to any district until that district submits an accountability compliance statement.

SECTIONS 160.011, 160.051, 160.051, 160.530, 161.092 and 166.260 allow public schools to establish family literacy programs. Additionally, the act adds funding for family literacy programs to the priority list of "statewide areas of critical need for learning and development" and makes family literacy personnel eligible to receive a portion of the funds already allocated to address said statewide areas of critical need for learning and development. Also, this act allows local boards of education to include family literacy programs in the "child at-risk in education programs" which utilize moneys already distributed to school districts by means of the state aid formula.

The act mandates that, starting in fiscal year 2005, a portion of the state school aid appropriation to the Department of Elementary and Secondary Education (DESE) shall be distributed by DESE to establish and fund family literacy programs in school attendance centers declared academically deficient or school districts declared unaccredited or provisionally accredited. This amount shall be the lesser of either:

5% of any increase from the total line 14 revenue compared to the total line 14 revenue amount distributed to all school districts in fiscal year 2004; or

1.5% percent of the total line 14 distribution.

DESE will promulgate rules for the distribution of these family literacy funds.

Additionally, the act requires the State Board of Education to make an annual report to the General Assembly and the Governor concerning coordination with other agencies and departments of government that support family literacy programs.

DONALD THALHUBER

SA 1 - ALLOWS THE ST. LOUIS CITY DISTRICT, WHICH HAS A DESEGREGATION SETTLEMENT ACADEMIC IMPROVEMENT PLAN, TO SUBMIT THAT PLAN FOR REVIEW SO THAT ELEMENTS THAT OCCUR IN THE ACCOUNTABILITY COMPLIANCE PLAN AND THE DESEGREGATION ACADEMIC IMPROVEMENT PLAN CAN BE REVIEWED BY THE DEPARTMENT TO PREVENT DUPLICATION OF EFFORT.

SA 5 - PRESCRIBES THAT ALL PUBLIC SCHOOLS OFFER EXPLICIT SYSTEMATIC PHONICS INSTRUCTION IN GRADES KINDERGARTEN THROUGH THREE AS A SIGNIFICANT COMPONENT OF THEIR READING PROGRAM AND ALSO ASSERTS THAT NO TEACHER SHALL BE CERTIFIED (ON AND AFTER JULY 1, 2005) TO TEACH READING IN PUBLIC SCHOOLS IN GRADES KINDERGARTEN THROUGH THREE, EITHER AS A READING SPECIALIST OR AS A CLASSROOM TEACHER, UNLESS THE TEACHER HAS SUCCESSFULLY COMPLETED INSTRUCTION IN EXPLICIT SYSTEMATIC PHONICS AT THE UNIVERSITY OR COLLEGE LEVEL.

SENATE SPONSOR Westfall

4139S.03C

SCS/SB 1060 - This act revises the fees to be collected by certain county collectors for all current and delinquent taxes collected as compensation for mailing the statement and receipts. County collectors in counties not having a township organization are also authorized to collect a certain percentage of fees for the collection of taxes on behalf of the county. The act increases the additional fee from five to seven percent for collection of delinquent and back taxes to be collected from the taxpayer in all counties except St. Louis, St. Charles and Jackson counties and the City of St. Louis. A county collector can accept credit cards as a form of payment for taxes, but shall not add a surcharge in excess of the actual fees charged by the credit card bank.

In all counties except St. Louis, St. Charles and Jackson and the City of St. Louis, the county shall establish a "Tax Maintenance Fund". Two percent of the fee collected for delinquent and back taxes shall be deposited in the fund and shall be used by the collector to fund additional costs and expenses incurred by the county collector. The act provides limits on the amount of money that can remain in the fund at the end of each fiscal year. Any money in excess of that limit shall be transferred to the general revenue fund of the county.

A similar "Tax Maintenance Fund" shall be created in third and fourth class counties adopting a township organization that have a county treasurer ex officio collector.

SENATE SPONSOR Rohrbach

4204S.09P

SCS/SBs 1061 & 1062 - This act holds that whenever a health service corporation submits a policy form to the Director of Insurance, and the Director does not disapprove the form within 45 days (up from 30 days), the form is deemed approved and is not subject to disapproval for 12 months. If during the 12-month period the Director determines that any provision of the policy is contrary to statute, the Director shall notify the HMO of the specific provision that is contrary to statute and request that it file an amendment within 30 days to modify the provision so that it conforms with the statute. Upon approval of the amendment by the Director, the HMO shall issue a copy of the amendment to each individual or entity in which the deemed policy form was previously issued. Such amendment have the force and effect as if the amendment was in the original filing or policy. This procedure shall also be followed when an HMO files certain documents (pertaining to its certificate of authority with the Department of Insurance) (Section 354.405).

NETWORK ADEQUACY - This act deems a managed care plan's network as adequate if the managed care plan is:

(1) A Medicare + Choice coordinated care plan offered by the health carrier pursuant to a contract with the federal centers for medicare and medicaid services;

(2) A managed care plan that has been accredited by National Committee for Quality Assurance (NCQA), and such accreditation is in effect at the time the access plan is filed;
or

(3) The managed care plan's network has been accredited by the Joint Commission on the Accreditation of Health Organizations at a level of accreditation without type I recommendations or better. If the accreditation applies only to a portion of the managed care plan's network, only the accredited portion will be deemed adequate.

INTERNET FORMS - This act allows any managed care entity to provide documents and materials to an enrollee via the entity's Internet site, instead of in printed form, upon securing a waiver from the enrollee. The enrollee may revoke the waiver at any time. This portion of the act is identical to SB 1004 (2002).

EXPANDED ACCESS TO DATA - This act repeals the portion of the law which prohibits the Department of Health from disclosing the data submitted by hospitals and ambulatory surgical centers to the public. Under the current law, this raw data is not accessible to the public. The public can only receive reports or studies based upon this data. This data will now be public information in a format known as a public use data file subject to individual privacy laws.

PROSPECTIVE PRICING INFORMATION - This act also requires hospitals and ambulatory surgical centers to provide prospective pricing information regarding their most health care services to the Department of Health. The pricing data must be submitted in a format that is understandable to lay persons so that health care consumers can compare prices of future health care services.

MANDATED BENEFIT REVIEW COMMISSION - This act establishes the Mandated Benefit Review Commission within the Department of Insurance. The Commission will be comprised of the Director of

the Department of Insurance, the Director of the Department of Health, 4 members of the General Assembly (2 Senate/2 House - nonvoting advisory capacity), and 6 individuals appointed by the governor with the advice and consent of the Senate (2 health insurance purchasers, 2 employers (small and large), and 2 employees who pay a percentage of their employer sponsored health insurance. The Commission must be established by October 1, 2002 (Sections 376.1575 -376.1596).

Once the Commission has been established, it must review all existing state mandated benefits and issue a report to the General Assembly by the tenth legislative day in January 2004. The report shall discuss the projected costs of all state and federal mandates and the Commission shall recommend to the General Assembly which mandated benefits should be repealed from state law.

The Commission shall also review all mandated benefits proposed by member of the General Assembly. Whenever a bill containing a mandated benefit is proposed, the Committee having jurisdiction over the proposal shall determine whether the Committee favors the proposed mandate or not. If the Committee is in favor of the mandate, the Committee may refer the matter to the Commission for its review. The Committee must review the proposed mandate and issue a report to the committee. The report must contain the social impact of mandating the benefit (see section 376.1590 for factors), the financial impact of mandating the benefit, the medical efficacy of mandating the benefit, and the effects of balancing the social, economic and medical efficacy considerations. Once a review and evaluation of the mandated benefit has been made by the commission, the committee shall review the commission's findings. No proposed mandate may be enacted into law unless the commission has reviewed the mandate.

CHARITABLE CARE BY NONPROFIT HOSPITALS - This act requires nonprofit hospitals to adopt a community benefits plan which will evaluate how nonprofit hospitals provide community benefits and charitable care. This must be conducted by January 1, 2004. Beginning April 1, 2004, the nonprofit hospitals must submit community benefit reports to the Department of Health outlining how their institution provides community benefits. The Department of Health is authorized to assess a \$200 per day civil penalty against nonprofit hospitals who fail to submit a report. With this information, the Department of Health is required to submit an annual report to the General Assembly beginning December 1, 2004. This act authorizes the Department of Health to develop a minimum standard for the provision of charity care and community benefits by nonprofit hospitals. This minimum standard will be used to assess whether nonprofit hospitals are eligible for MoHEFA bonds, appropriations from the tobacco fund, and appropriations from the Missouri disproportionate-share hospital program (§§192.1050 - 192.1062).

THE MISSOURI HEALTH CARE COST ANTITRUST TASK FORCE - This act establishes the Missouri Health Care Cost Antitrust Task Force. The task force shall be comprised of: the Director of the

Department of Insurance, the Attorney General, the Director of the Department of Health, a member representing the interests of hospitals, a member representing the interests of health carriers, and two members representing the interests of health care consumers. The task force shall conduct a study of the current status of market concentration of health care plans and hospitals in the state. The task force shall study the effect of how the consolidation of health carriers and hospitals in Missouri has translated into higher costs for health care consumers. The task force shall also study whether such consolidation has decreased access to health care consumers in various regions of the state. At the completion of the study, the task force shall submit a report of the findings of the study and recommendations for changes to the governor and the General Assembly. The report shall include recommendations for possible legislative proposals which would help ensure that there is competition amongst Missouri's health carriers and hospitals and to ensure that such markets forces provide an environment for affordable health care for Missouri's citizens. The report required by this section shall be submitted no later than April 1, 2003.

CANCER CLINICAL TRIALS - This act requires health insurance companies to provide coverage for routine patient care costs incurred as the result of phase III or IV of clinical trials undertaken to treat cancer. Entities providing clinical trial treatment must have sufficient expertise and training to treat a sufficient number of patients. There must be equal to or superior non-investigational treatments alternatives available before providing clinical trial treatment. Clinical trial coverage shall include coverage for drugs and devices approved by the FDA, whether or not the FDA has approved the drug or device for the patient's particular condition (SB 827) (Section 376.429).

The clinical trials will only be covered if they are approved or funded by the following entities:

- 1) One of the National Institutes of Health (NIH);
- 2) An NIH Cooperative Group of Center;
- 3) The FDA in the form of an investigational new drug application;
- 4) The federal Department of Veteran's Affairs of Defense;
- 5) A Missouri institutional review board which has a multiple project assurance contract approved by the Office of Protection for the Research Risks of the NIH; or
- 6) Research entities that meet the criteria for NIH Center support grant eligibility.

Providers participating in clinical trials shall obtain the patient's informed consent for participating in the clinical trial.

COVENANTS NOT TO COMPETE - This act clarifies the use of non-compete clauses in contracts between physicians and hospitals. A new section 334.113 is created and makes covenants not to compete enforceable except when they are part of a physician's contract

with a not-for-profit health services corporation as defined in section 354.010. Covenants with other health care facilities are enforceable as long as they:

1. Do not deny the physician access to a list of patients the physician had seen within a year of termination;
 2. Provide access to patient medical records with the patient's consent and in an accessible format;
 3. Provide for a buy out of the covenant by the physician at a reasonable price; and
 4. Provide that the physician will not be prohibited from providing continuing treatment to specific acutely ill patients after the contract has terminated (SB 713) (Section 334.113).

2600S.03I

SCS/SB 1072 - This act revises provisions relating to water permitting for aquaculture. Aquaculture is defined as the controlled propagation, growth, and harvest of aquatic organisms.

Prior to issuing a general permit or permit by rule the Director of the Department of Natural Resources must hold meetings with permit holders, applicants and the public to evaluate pollution impacts of pollutants. After the meetings the Director would draft the permit considering the comments of the meeting and post it for public comment. The Director must also concurrently post an explanation with the draft permit which shall identify types of facilities which are subject to the permit. A hearing may be requested on the draft permit.

After consideration of the comments the final permit would be issued. The time between the request for the hearing and the hearing date will not be calculated for purposed of the time frames in which a permit must be issued.

Unless requested by the facility, aquaculture facilities will not be required to obtain site-specific permits but will obtain general permits. However, facilities which materially violate the conditions and requirements of the general permit may be required to obtain a site-specific permit. The fee for aquaculture facilities is capped at \$250.

SB 1087

SCS SB 1087

SENATE SPONSOR Gibbons

4179S.02C

SCS/SB 1087 - This act modifies the Certificate of Need statutes. The current certificate of need (CON) sections 197.300-197.367 are repealed and new sections 197.805 - 197.851 regarding "review certification" are enacted.

This act may be cited as the "Missouri Health Facilities Review Law" and states the purpose of the Office of Health Facilities Review. Revised definitions are provided, as well (Sections 197.805, 197.808, and 197.812).

The Missouri Health Facilities Review Committee is established, consisting of eleven members. The Committee must meet at least twice per year. The duties of the Committee are outlined, including the review and approval or disapproval of all applications for review certification (Sections 197.815 and 197.818).

Procedures for application submission are outlined. A letter of intent should be submitted thirty days before filing an application and a fee must accompany the application. Applicants have the right to appeal the Committee's decision (Sections 197.821 and 197.824).

Any person proposing a new institutional health service, first-time service, the addition of newly licensed beds, renovations over a certain amount, or MOHEFA financing must obtain a non-transferable review certification. Certification will be granted to those meeting the health needs of the community. If costs exceed 10 percent of the approved amount, the Committee must consent to the increase. Applicants must submit periodic reports and the Committee may revoke certification in certain situations. A review certification may be forfeited for failure to spend 20 percent of the total approved cost within twelve months. State agencies may not license, certify, or provide funds without a person or facility first obtaining review certification, if required to do so. Review certifications may not be denied for failure to provide abortion-related services. A review certification will not be required for new medical technology to be used in clinical trials (Section 197.827).

An application for review certification will not be required for previously certified facilities which are run by the state, facilities operated for the purpose of treating AIDS patients, and other nonreviewable projects (Section 197.830).

Review certification will not be issued for additional RCF I or II, ICF, or SNF beds or for hospital beds which are reallocated to nursing care beds, with the exception of beds located in counties with no existing nursing facilities. No review certification will be issued for the reallocation of nursing beds used for the mentally retarded. After January 1,

2003, however, the Committee will not be prohibited from issuing a review certification for additional beds in existing facilities or new beds in new facilities if construction does not begin before January 1, 2004. The Committee must utilize social and economic data in considering applications for new institutional long term care facilities (Section 197.833).

The provisions of Section 197.833 will not apply to RCFs I or II, ICF, or SNFs if the Department finds a need for additional beds. Its determination must be based on occupancy within a county exceeding 90 percent for at least four consecutive quarters within a fifteen-mile radius of the proposed facility. The Committee may consider ethnic or religious composition of a facility when making its decision. Until January 1, 2003, there will be no expenditure minimum for certain facilities, beds, or services listed in Section 197.833. The provisions of Section 197.833 will not apply to facilities with special dietary standards. This act does not apply to litigation pending on or before April 1, 1996.

A facility may expand its licensed bed capacity by submitting a letter of intent to the Department and the Committee; certifying that the facility has no class I deficiencies and has maintained a 90 percent average occupancy rate for the last six quarters; showing it has made an effort to purchase for eighteen months following the letter of intent. The term "effort to purchase" is revised to mean an offer to purchase beds in the same license category from another licensed facility. A review certification will then be issued upon agreement of the buyer and seller. If no agreement is reached, the Committee must permit an expansion for:

A facility with over 40 beds and 93% average occupancy in the last 6 quarters = may expand by the greater of 25% or 30 beds;

A facility with less than 40 beds and 92% average occupancy in the last 6 quarters = may expand by the greater of 25% or 10 beds.

Any beds sold must remain unlicensed and unused for five years. Beds purchased must remain in the inventory for two years. An RCF may relocate beds of the same licensure within six miles of each other. A facility may transfer or sell beds, but may not expand for five years after the date licensure is relinquished. An existing facility may replace one-half of its beds within thirty miles if it is only operating at 50 percent capacity for four quarters. This section does not prohibit a facility from being completely replaced within fifteen miles of its existing location if it retains the same owners and is not for long term care services (Section 197.836).

Any person paid to support or oppose a project must register with the Committee. Persons regulated by Chapters 197 or 198, RSMo, are prohibited from soliciting Committee members while an application is pending (Section 197.839).

Reimbursement for new institutional health service project costs over 10 percent of the initial estimate will not be paid for the first three years that a facility receives payment for services through Medicaid. A review certification must be granted before payment for excess project costs will be made (Section 197.842).

The Committee must submit an annual report to the Governor and General Assembly regarding approved, disapproved, or pending projects. The Committee is given rule authority to enforce these sections. The Committee has rule making authority (Sections 197.845 and 197.848).

Notwithstanding Section 197.812(5), after December 31, 2004, the term "health care facilities" will refer only to long term care facilities or new hospital construction (Section 197.851).

SCS/SB 1088 - This act changes the procedures for the licensing of auctioneers. Current law provides for the licensing of auctioneers by counties. This act creates a State Board of Auctioneers in the Division of Professional Registration within the Department of Economic Development. The Board oversees the examination and licensing of persons engaged in the practice of auctioneering.

The act will not apply to certain persons listed in Section 343.395, RSMo. The Board collects fees that will be deposited into the State Board of Auctioneers Fund for administrative purposes. The Board will annually collect a fee of fifty dollars from each applicant and licensee to fund a subaccount of the Board. The subaccount will be used to compensate individuals aggrieved by the actions of a licensee.

SB 1089 - This act creates a Life Sciences Research Program within the Department of Health. A nine member Life Sciences Research Board shall distribute grants to increase the capacity and infrastructure for, and improve the quantity and quality of, life science research in the state. The Board may make provisions for peer review panels to research and review grant proposals.

Grant recipients shall have the duty to ensure timely disclosure of their research findings to the scientific community, and to promote public availability of their inventions and other intellectual property developed in the performance of research funded by a grant award. Institutions or organizations receiving grant awards shall retain intellectual property rights, but the Life Sciences Board is authorized to adopt reasonable regulations to insure that intellectual property rights are utilized in the public interest.

The act prohibits grant moneys from being used for human cloning, abortion services, other than to save the life of the mother, or destructive human research, including the taking of organs of a living child, when the intended result is to cause serious harm to the child. "Child" is defined as a human at any stage of biological development of an unborn child from conception onward. The research projects include research and development into product safety and preventative care technologies.

This act is similar to SB 226 (2001).

SB 1091 - This act establishes the "Open Contracting Act" which prohibits public agencies from imposing certain labor requirements as conditions for performing public works.

Public entities procuring products or services or entering into contracts for manufacture of public works shall ensure that their agreements do not bind the other parties to such agreement to labor organizations. Public entities shall not discriminate against such parties who refuse to adhere to agreements with labor organizations. Public entities shall not require such parties to make their employees join or pay dues or fees to a labor organization in excess of costs already paid.

Public entities shall not issue grants or contract for construction projects requiring another party's employees join, become affiliated with, or pay more money to a labor organization. Such entities may exercise authority, as required, to prevent such action by a grant recipient or party to a contract.

Any interested party has standing to challenge agreements that violate these provisions.

SCS/SB 1093 - This act revises the language regarding the registration of historic motor vehicles. Any person wishing to register a plate which is over 25 years of age and is consistent with the year of manufacture of the motor vehicle, may register the plate as an historic vehicle plate. The plate must not contain a configuration of letters or numbers already issued to another vehicle owner. The owner of the historic vehicle must keep the certificate of registration in the vehicle at all times. The Director of Revenue shall develop a sticker or decal which the owner of the motor vehicle shall affix to the plate.

SB 1095

SCS SBs 1095 & 1195

SENATE SPONSOR Cauthorn

4359S.06C

SCS/SBs 1095 & 1195 - This act creates the Missouri Sheriffs' Methamphetamine Relief Team (MoSMART). MoSMART is established under the Department of Public Safety for the purpose of distributing grants to law enforcement agencies and task forces to eliminate methamphetamine labs within Missouri. MoSMART will consist of a five member panel, elected by the Missouri Sheriff's Board of Directors for a two year terms. The applications shall be reviewed by and the funds distributed by the panel. Grants will be awarded in order of set priorities, and are limited to distributions of \$100,000 per year for no more than three consecutive years.

This act also creates the "County Crime Reduction Fund" which allows county commissions to create a fund to be expended for the following purposes: 1) Narcotics investigation, prevention, and intervention; 2) Purchase of law enforcement equipment and supplies for the sheriff's office; 3) Matching funds for federal or state law enforcement grants; 4) Funding for the reporting of all state and federal crime statistics or information; and (5) Any law enforcement related expense reasonably related to investigation, preparation, trial and disposition of criminal cases.

This act also provides that courts may consider ordering restorative justice methods if the imposition or execution of a misdemeanor sentence is suspended, and may order payment of up to \$1,000.00 to the County Crime Reduction Fund. The court may also order such a payment as a condition of probation.

SCS/SB 1098 - This act allows electric personal assistive mobility devices (EPAMD) to be operated on streets, highways, sidewalks and bicycle paths and grants operators the rights and duties applicable to pedestrians.

Persons under 16 years of age shall not operate an EPAMD, except for an operator with a mobility-related disability.

EPAMDs may only be operated on roadways with a speed limit of 45 mph or less. Such devices, however, may be used to cross roadways with higher speed limits.

EPMADs shall equipped with lamps and red reflectors when operated during the period from one-half hour after sunset to one-half hour before sunrise.

Operators of such devices shall ride the device as near to the right side of the roadway.

Any person 17 years of age who violates this act shall be guilty of an infraction with a maximum fine of \$25. If a person

under the age of 17 years of age violates this act, the police officer may impound the device for a period not to exceed 5 days.

This act is similar to HB 1746 (2002).

SB 1107

SCS SB 1107

SENATE SPONSOR Childers

3922S.04C

SCS/SB 1107 - This act revises the requirements to be a candidate for Ambulance District Director (Section 190.050). Procedures for changes in the number of directors in a district and the recall of directors are created (Sections 190.051 to 190.054). Any person or entity that owns an automated external defibrillator used outside of a health care facility must have a physician review all protocols (Section 190.092). The definition of "first responder" is deleted (Section 190.092).

With certain exceptions, each ground ambulance must be staffed by two licensed emergency medical technicians (Section 190.105). Owners of a ground or air ambulance service must notify the Department of Health and Senior Services within 30 days of the sale of the service and the Department shall conduct an inspection of the service to ensure compliance with licensure standards (Sections 190.105 and 190.108). Application requirements for an ambulance license are revised (Sections 190.109 and 190.120).

Provided the person meets other current requirements for a temporary license, a person not currently licensed as an Emergency Medical Technician in Missouri may be issued a 90-day temporary license (Section 190.143). Additional causes for discipline of an ambulance license are created. Any individual whose license has been revoked twice in ten years shall not be eligible for a new license (Section 190.165).

Any settlement agreement in a contested case against a licensee must be submitted to the administrative hearing commission for its approval. Any person directly harmed by the actions of a licensee may submit an impact statement to the Commission (Section 190.172).

A patient care document must be given to ambulance personnel by a health care facility for any transfer of the patient to a different facility (Section 190.175).

Requirements regarding the reporting of certain felonies by licensees to the Department are created (Section 190.196).

The act creates procedures for the issuance and discipline of a new license category for stretcher van services to transport persons in a supine position who do not require medical

monitoring or treatment other than self-administered oxygen (Sections 190.525 to 190.537). Any person who violates the provisions of Sections 190.525 to 190.527 shall be guilty of a Class B misdemeanor. The Attorney General and the local prosecuting attorney shall have concurrent jurisdiction to prosecute violations of Sections 190.525 to 190.537 and the Attorney General shall have injunctive power (Section 190.534).

Section 190.044, RSMo, has been deleted. This section relieved a taxpayer of the obligation to pay property taxes for ground ambulance service to both an ambulance district and a fire protection district unless certain conditions were met.

This act is similar to SB 486 and SB 422 (2001).

SB 1112

SCS SBs 1112 & 854

SENATE SPONSOR Caskey

3660S.06C

SCS/SBs 1112 & 854 This act contains provisions relating to terrorism.

JOINT COMMITTEE ON TERRORISM, BIOTERRORISM AND HOMELAND SECURITY (Section 38.050) - The Joint Committee on Terrorism, Bioterrorism and Homeland Security is created. The Joint Committee will consist of seven members each from the House and Senate. Duties of the Committee are provided. The Committee must file a report annually, beginning on January 15, 2003, with the General Assembly. The Joint Committee will expire on December 31, 2007.

EMERGENCY VOLUNTEER PROGRAM (Section 44.023, RSMo) This allows the Emergency Management Agency to activate the State Emergency Volunteer Program in the event of a disaster. Current language required an "earthquake or other natural disaster" to occur before this program could be activated.

WATER CONTAMINATION (Section 569.072, RSMo) - This act also creates the crime of water contamination. Criminal water contamination occurs if a person knowingly introduces any dangerous agent or substance into any public or private waters of the state or any water supply with the purpose of causing death or serious injury.

HAZARDOUS MATERIALS (Section 304.370, RSMo) This section prohibits the transportation of hazardous materials through a tunnel. Violation of this section is a Class B misdemeanor. Second and subsequent violations will be a Class A misdemeanor.

WIRETAPPING (Sections 542.400-542.422) - The act also revises the wiretapping provisions to allow prosecutors to apply for an order authorizing a wiretap in a situation related to terrorism.

THEFT (Section 570.030) This section is amended to include ammonium nitrate to the list of property in this statute. This section also provides that any amount of ammonium nitrate stolen is a Class C felony.

BOMB AND BOMB MAKING MATERIALS (Section 571.020, RSMo) This section expands the list of Class C felony offenses to include an "explosive, incendiary or poison substance or material with the purpose to possess, manufacture or sell an explosive weapon.

TERRORIST THREAT (Section 574.115, RSMo) A terrorist threat is made if a person communicates a threat to "cause an incident or condition involving a danger to life" which disturbs ten or more people and for the purpose of creating an evacuation. This is treated as a Class C felony, unless an evacuation of a building is caused by a reckless disregard, then it becomes a Class D felony. Criminal negligence has been added for a standards and carries a Class A misdemeanor penalty.

SUPPORTING TERRORISM (Section 576.080, RSMo) This section creates the crime of supporting terrorism if a person knowingly provides or solicits material support for any organization designated as a foreign terrorist organization pursuant to 8 U.S.C. 1189. This is a Class C felony.

AGROTERRORISM (Section 578.008, RSMo) Agroterrorism is committed if a person purposely spreads any type of disease among crops, livestock and poultry. This is a Class D felony, unless damage exceeds ten million dollars, then it becomes a Class B felony. There is an exemption for scientific research.

CLOSING WATERWAYS (Section 306.124, RSMo) This section grants authority to the Missouri State Water Patrol, with the consent of the Director of the Department of Public Safety to close waterways in the event of any "actual or imminent man-made or natural disaster".

SUNSHINE LAW (Section 610.021) - This act adds an exemption to Sunshine Law, allowing closure of meetings and records regarding specific information on certain terrorism readiness issues. However, information regarding total costs of security measures shall not be considered closed.

SCS SB 1113

SENATE SPONSOR Caskey

4486S.03P

SCS/SB 1113 - The act revises provisions related to coroner's inquests. After notification of a dead body, a coroner has the discretion to issue a warrant to the local Sheriff to summon a jury for a coroner's inquest. Current law requires that a coroner issue such a warrant.

Currently, jurors are responsible for determining if a person died as the result of a felony. This act would also require jurors to determine if the felonious act was justified. Coroners are empowered to issue summons for evidence, documents and materials of substance. The jury may view the dead body by photographic, electronic or other means.

SCS SBs 1115 & 849

SENATE SPONSOR Dougherty

4415S.02I

SCS/SBs 1115 & 849 - This act created the crime of luring a child. A person is considered to have lured a child if:

- (1) The solicitor is 21 years old or older;
- (2) Has the intent to lure; and
- (3) Solicits a child that is under 17 or the solicitor believes the child is under 17.

There is no affirmative defense if the person solicited was a peace officer masquerading as a minor. This crime is a Class D felony. The crime becomes a Class C felony if the solicitor believes the child is less than 14 years old.

This act also creates the crime of "enticement of a child" when a person uses words, action, electronic mail, or the Internet in attempting to persuade any person less than sixteen years of age to leave home or school or persuade a child to enter an enclosed area to conceal the child from public view for the purposes of engaging in lewd, illicit or criminal conduct with the child. The penalty for enticement of a child is a Class A misdemeanor. If the person has either pled guilty or been found guilty of violating the provisions of this act, Section 568.045, 568.050 or 568.060, RSMo or provisions of Chapter 566, RSMo, the violation becomes a Class D felony.

SB 1123 - This act creates a definition for "racing shell"
and "water skiing".

This act states that a penalty fee or cancellation may only imposed upon a person who documented a vessel with the U.S. Coast Guard prior to August 28, 1994, if that person received at least 30 days notice that his or her vessel is required to be registered.

This act requires all watercraft, regardless of length, to have one wearable personal flotation device on board for each person on board, except canoes 16 feet or more in length. This act requires the mandatory wearing of personal flotation devices in watercraft under 18 feet between October 15 and March 15 in certain locations.

This act authorizes the use of a urine sample to test for alcohol or drugs. The current boating laws only authorizes the use of blood, breath or saliva.

This act authorizes the Water Patrol to temporarily close state waterways in the event of a natural or manmade disaster.

This act clarifies the ski flag law by stating that the displaying of flag is optional when the watercraft is in the

process of towing a person engaged in water skiing, tubing or similar activity. It also holds that no operator shall knowingly operate a watercraft within 100 feet (changed from fifty feet) of watercraft displaying such a flag.

This act authorizes the Water Patrol to arrest persons on probable cause, anywhere in the state, for a criminal violation under investigation which occurred within the Water Patrol's jurisdiction.

This act deletes the reference to 600 hours of instruction a water patrol officer must receive and replaces it with language referring to training pursuant to chapter 590.

This act requires a person to report a watercraft accident if the damage to property exceeds \$500 (up from \$200).

This provision has an emergency clause.

SENATE SPONSOR Gross

4443S.04C

SB 1133 - This act modifies provisions relating to the Missouri State Employees' Retirement System (MSEP), the Highway Employees and Highway Patrol Retirement System (HEHPRS) and the Judicial Plan.

HEHPRS: Employee leave taken by an employee without compensation pursuant to the Family Medical Leave Act may be counted as continuous service. The board is authorized to contract for provision of disability benefits to members.

The act modifies payments and method of calculation to survivors, including surviving spouses and children under the age of twenty-one.

The act clarifies that any payments from the HEHPRS retirement system shall be subject to the collection of child support or spousal maintenance. The Highway Commission may contract with others for the provision of health and death benefits.

MSEP and MSEP 2000: Employees who have forfeited credited service may restore the forfeited service upon continuous employment for one year. The act clarifies the allowance of service credit for employees who have taken leave pursuant to the Family Medical Leave Act.

The act revises provisions relating to reemployment of retired members. Benefits would cease upon being hired in a position requiring at least 1000 hours per year. Retirees rehired prior to September 1, 2001, would receive creditable service. Retirees rehired after September 1, 2002, would not be allowed to receive creditable service for such employment or life insurance, except for retiree life insurance then in effect. Benefit restrictions for rehired retirees who are rehired between August 28, 2001, and September 1, 2002, are specified.

Eligible members who terminate employment and retire within 60 days are eligible for \$5,000 life insurance. Beneficiaries are allowed to assign life insurance proceeds. Reporting of sick leave is clarified for reporting to MOSERS. Members are allowed to designate a beneficiary for a final payment of a retirement benefit.

MSEP: Members who terminate employment on or after September 1, 2002, will no longer have the option of cashing out of the system.

MSEP 2000: The act defines responsibilities and obligations for persons employed by the Board to administer disability benefits and establishes appeals procedures. Employees may not receive creditable service in MSEP or MSEP 2000 for period in which the employee participated in a defined contribution plan of a college or university.

The beneficiary of any member who purchased creditable service shall receive a refund upon the members death and the method for calculation of the refund is provided.

JUDGES: Any judge who was a Commissioner or Deputy Commissioner of a Circuit Court prior to August 28, 1999, who has creditable service in MSEP and the judicial plan may consolidate the service under either plan or draw separate retirement benefits from each.

SB 1137

SCS SB 1137

SENATE SPONSOR Bentley

4511S.03P

SCS/SB 1137 - This act allows electronic creation and access to birth and death records.

Current law allows the State Registrar to appoint local registrars and deputies and clarifies the duties of deputies by allowing them to carry out some or all of the duties of the local registrar (Section 193.065).

Currently, a birth certificate must be filed for each live birth in this state. This act allows the individual who files the birth certificate to do so either manually or by an approved electronic process. The birth certificate of a surrogate child must list the mother and contain the personal data of the woman who physically carried the child. Upon receipt of a court order that another woman is the biological mother, the Department will issue a new certificate stating such information. The original certificate and the court order will not be subject to inspection, except upon court order (Section 193.085).

Technical changes are made in Section 193.087, RSMo. This act modifies Sections 193.115 and 193.125, RSMo, to allow forms either prescribed or approved, thus allowing for electronic filing.

Currently, a death certificate must be filed for each death in this state. This act allows those who provide medical certification to attest to the certificate by signature or by an approved electronic process (Section 193.145).

Current law allows the State Registrar to keep vital records in a variety of formats. This act requires appropriate reproduction standards. This act also allows the release of birth and death records to the state archives after a certain amount of time (Section 193.225).

Currently the inspection of vital records without permission is prohibited. This act allows the disclosure upon request of birth records over ninety years old and death records over fifty years old. The Department must make such records available over the Internet by December 31, 2004 (Section 193.245).

Currently, the fee for copies of vital records is \$10. This act raises the fee to \$13 after August 28, 2002. Allocation of the fee to the Missouri Public Health Services Fund is raised to \$3. Money deposited into the latter Fund must be used to improve the vital records system, provide Internet access to records and Internet application and registration. The Internet birth and death registration must be implemented by December 31, 2005 (Section 193.265).

Current law allows probate to begin in certain circumstances when it relates to the estate of an absent person. This act adds an individual's exposure to a specific peril of death due to an actual or suspected terrorist event to the list of circumstances. Current law also allows a presumption of death after five years and without proof otherwise. This act provides that it will be sufficient to presume a person dead at any time after that person was exposed to a specific peril of death, even if five years have not yet elapsed (Sections 473.697 and 490.620).

SB 1138

SENATE SPONSOR Childers

2505S.02I

SB 1138 - This act allows the governing body of an ambulance or a fire protection district, except for those in counties of the first class with over 200,000 inhabitants, to impose an up to one-half of one percent sales tax on all retail sales within the

district following voters' approval.

The Department of Revenue will collect and distribute the revenue from the district sales tax monthly at the cost of one percent the total revenue collected. After collecting and distributing the sales tax, the board of the ambulance or fire protection district will determine its budget for the year and determine the amount of property tax necessary to fund the district. The district may then reduce the tax rate by an amount which reduces the property tax revenue by an amount equal to fifty percent of the previous fiscal year's sales tax receipts.

When the governing body of the ambulance or fire protection district receives a petition signed by at least twenty percent of the qualified voters that voted in the last gubernatorial election, calling for an election to repeal the sales tax, the governing body will submit the question to the voters.

This act is similar to SB 534 (2001).

SB 1152

SCS SB 1152

SENATE SPONSOR Klarich

4097S.06C

SCS/SB 1152 - This act revises various court administrative sections, including the following:

SALARY COMMISSION - (Section 50.333) - The act provides that the county clerk, not the circuit clerk, shall serve as the temporary chair of the salary commission.

DEFINITION OF STATE AGENCY - (Section 143.782) - For purposes of set-offs, the definition of state agency includes the state supreme court, courts of appeal and any circuit court of this state.

MECHANICS' and MATERIALMEN'S LIENS - (Sections 429.032, 429.080, 429.090, 429.120, 429.160, 429.270 to 429.460) - The act provides for mechanic's liens to be filed directly with the recorder of deeds office. Currently, such a lien must be filed with the clerk of the circuit court. The act deletes section 478.725 concerning the filing of mechanics' liens in Marion County.

LIENS AGAINST RAILROADS - (Section 429.470, 429.490 and 429.540) - The act transfers duties regarding filing of liens to the recorder of deeds. Judgement creditors are responsible for forwarding copy of judgment to secretary of state.

CHILD SUPPORT ENFORCEMENT AWARDS - (Section 454.505) - The act deletes the requirement that the Division of Family Services must file all income withholding orders with the circuit clerk in child support cases.

PROTECTIVE ORDERS - (Section 455.027 and 455.504) - No filing fees will be assessed to a petitioner in an action seeking a protective order. The act provides that only the petitioner can terminate an order of protection. If the order granted child custody to the respondent, then the act provides procedures for both parties to agree or object to a request for termination. (Section 455.060)

FOREIGN ORDER OF PROTECTION - (Section 455.067) - The act provides that foreign orders of protection will be enforceable in state courts. The foreign order may be filed in the circuit court having jurisdiction. No fee or cost may be charged for the filing of the foreign order.

LEGAL FEES - (Section 455.075) - If a full order of protection is granted, a respondent may be ordered to pay petitioner's attorney fees.

UNIFORM PROTECTIVE ORDER FORMS - (Section 455.504) - The clerk of the court shall make the uniform forms adopted by the supreme court available to petitioners. Section 455.508 is deleted based on changes to section 455.504.

NOTIFICATION OF CHILD ADVOCATE - (Section 455.504) - The clerk must notify the guardian ad litem of appointment immediately and give the guardian the names of the parties within 24 hours.

STATE COURT ADMINISTRATION REVOLVING FUND - (Section 476.058) - Any moneys received in connection with preparation of court transcripts shall be deposited in the fund.

FOREIGN LANGUAGE INTERPRETERS/TRANSLATORS - (Section 476.061) - The act provides that interpreters and translators cannot be compelled to testify to information that is otherwise attorney-client privileged. The interpreter/translator shall be allowed a reasonable fee and the act provides when that fee shall be paid by OSCA.

EXECUTIVE COUNCIL OF THE JUDICIAL CONFERENCE - (Section 476.340) - The act amends the process for filling vacancies of any unexpired term.

FINE COLLECTION CENTER - (Section 476.385) - This expands the Fine Collection Center to accept tickets for littering and to clarify how notice is sent to the party.

ELIMINATION OF CERTAIN COURT COSTS - (Section 488.012) - Certain fees for the filing of liens and for additional summons are deleted.

COLLECTION OF COURT COSTS THROUGH SET-OFF - (Section 488.020) - Allows a court to collect unpaid court costs in excess of \$25 by seeking a set-off of the person's tax refund.

FAMILY SERVICES AND JUSTICE FUND - (Section 488.2300) - The act provides that the judgment collected in juvenile proceedings is payable to the fund.

CRIME VICTIM'S COMPENSATION JUDGEMENT AND COUNTY FEE - (Sections 488.4014 and 595.045) - The fee payable in felony and nonfelony criminal violations shall be paid upon the plea of guilty or upon a finding of guilt. Exceptions are made for certain misdemeanors.

TIME PAYMENT FEE - (Section 488.5021) - The act creates the time payment fee. Courts may impose such a fee on all fines, fees or sanctions not paid in full within 30 days. The act provides for distribution of the fee to the local court, court automation fund and drug court fund.

INTERPRETER FEES - (Section 491.300) - Interpreter fees for witnesses shall be allowed in juvenile proceedings and domestic violence actions.

MASTER JURY LIST - (Section 494.410) - The master jury list shall be created from source lists. Names of potential jurors on the master jury list shall be a public record.

QUALIFIED JURY LIST - (Sections 494.415 and 494.420) - The qualified jury list and petit jury list shall only be disclosed

by local rule.

JUDGEMENTS - (Sections 511.350 and 517.151) - The act provides that judgments entered by associate courts shall be liens on real estate without the filing of a transcript judgement. The act provides that the clerks, not just circuit clerks, may furnish and enter abstracts. (Section 511.510). The act deletes section 517.141 related to the treatment of transcript judgements by the clerk of the court.

REPORTABLE DWI INFORMATION - (Section 577.051) - The act clarifies what information must be reported to the Missouri State Highway Patrol for DWI cases.

DOUBLE-ENACTED STATUTES - The act deletes sections 57.290 and 67.133 that were moved to different statute numbers.

SB 1154 - This act creates the "Simplified Sales Tax Administration" in Missouri. The administration shall consist of five members, one of which will be selected by the Governor, and one selected from each the majority and minority of the House and Senate.

The administration will have the duty of entering into multistate discussions for the purposes of reviewing and amending a multistate agreement concerning simplified sales and use tax processes. The administration shall report to the committee charged with reviewing tax issues annually.

The authority of the delegates to review and amend or accept multistate agreements will have no effect on the laws or obligations of this state. The approval of the General Assembly and the Governor will be required before any law of this state shall be effected by a multistate agreement.

SCS SB 1157

SENATE SPONSOR Klindt

4706S.02C

SCS/SB 1157 - This act makes any information collected in the course of an insurance compliance audit or contained in an insurance compliance self-evaluative document privileged information unless an exception applies.

Audit documents submitted to the Director of Insurance remain property of the insurer and are not subject to disclosure under the Sunshine Law. Persons preparing the audit documents shall not be examined in civil, criminal or administrative

hearings unless the documents are not privileged. The information is not admissible as evidence in any legal action, unless the insurer expressly waives the privilege, a court requires disclosure after in camera review, or the information shows that the insurer failed to undertake action to correct noncompliance within a reasonable time. The privilege does not extend to any information that is already required to be provided to a regulatory agency or to any information that is independently obtained. A court may order disclosure of the privileged information for a criminal proceeding under certain conditions. An insurer may voluntarily submit the audit to the Department of Insurance without waiving the privilege. The privilege is deemed to be waived by the insurer 14 days after receiving a request for disclosure of a self-evaluative audit by the department or a prosecutor, unless the insurer files a petition for an in camera examination. Any compelled disclosure of an audit will not make the audit a public document.

This act is similar to HB 927 (2001).

SB 1160

SCS SB 1160

SENATE SPONSOR Sims

4604S.01I

SCS/SB 1160 - This act requires the use of National Medical Support notice to enforce health benefit plan coverage required in child support orders.

Current law requires the Circuit Clerk to send notice to employers when a parent has been ordered to provide health insurance coverage for a child. Current language is deleted regarding the contents of the notice and new language requires the notice to comply with the National Medical Support Notice (NMSN) as required by federal law. All employers, unions, and plan administrators must also comply with the NMSN. The Division of Child Support Enforcement must give notice within two days of notification of the employee's hire and must also promptly notify employers when an order for medical support is no longer in effect. The notice must contain certain information and is binding on current and subsequent employers. Withholdings may not be held pending the outcome of a hearing (Section 454.606).

Currently, the clerk must also send a notice to the obligor/parent. This act requires the inclusion of a statement that the parent may contest the notice within thirty days. The parent may contest based on mistake of fact or because the parent obtained other insurance prior to issue of the withholding order (Section 454.609).

The employer must currently transfer the notice to the health insurer upon receipt. This act requires such transfer within twenty business days. Within forty business days, the health plan administrator must notify the agency whether the child is covered, the effective date of the coverage, and provide forms regarding the coverage (Section 454.615).

Currently, there are certain steps the employer must take to enroll the child in the health benefit plan. This act clarifies that the employer must withhold the amount necessary to cover the child and send it to the health plan. The child must be enrolled in the least costly plan if a plan is not already designated. If the notice is a NMSN, the health plan must provide plan descriptions and the agency and the custodial parent will select a plan for the child. If the agency does not select a plan

within twenty days, the health plan must enroll the child in its default option, if possible (Section 454.618).

Current law outlines procedures at the termination of an obligor's employment. This act requires the employer to notify the Division or agency of the obligor's location and new employer, if known (Section 454.627).

Current law also outlines procedures for COBRA coverage. This act prohibits the child from being terminated from coverage unless the insurer is given evidence that the order is no longer in effect, the child is or will be enrolled in a comparable plan, the employer eliminated health care coverage for all employees, or continuation of coverage is not chosen (Section 454.700).

This act is contained in the perfected version of SB 740 (2002).

SB 1167 - This act provides that any fire protection or emergency services district that provides emergency services to a redevelopment area shall be entitled to reimbursement from the special allocation fund in an amount of between 50% and 100% of the district's tax increment. Currently, the district must provide evidence to the municipality that any costs incurred by the district are directly attributable to the operation of the redevelopment project. Current law also provides that the district must demonstrate that the increased revenues the district receives from the project are insufficient to cover their costs to provide such services. This act removes both of these current requirements.

****SB 1180****

SENATE SPONSOR Jacob

4803S.01I

SB 1180 - This act makes several changes to the long-term care insurance law. This act clarifies that the term "long-term care insurance" to include any insurance policy that meets the requirements of a "qualified long-term care insurance contract", as defined in Section 7702B of the Internal Revenue Code. This act requires the issuer of a long-term care contract to state clearly in its enrollment materials whether the contract is intended to be tax-qualified, pursuant to Section 7702B. This act requires the issuer to deliver the certificate of insurance to the applicant no later than 30 days after the date of

approval. This act requires the long-term care policy summary to include a statement that any long-term care inflation protection option that may be required by the laws of Missouri is not available under the policy.

This act requires issuers to provide a written explanation for a denial of coverage within 60 days of receiving a written request for an explanation from the applicant. The issuer must provide all information directly related to the denial. This act allows insurers to rescind long-term care contracts upon a showing of misrepresentation. The degree of misrepresentation that must be proven will vary, depending on the length of time the policy has been in effect (Section 376.1124). This act prohibits a long-term care contract to be field issued based on medical or health status. This act prohibits an insurer from recovering benefits paid to the policyholder when the issuer rescinds the policy. This act requires insurers to offer a policy that includes a nonforfeiture benefit. If that benefit is declined, the issuer must then offer a contingent benefit upon lapse that will be available for a specified period of time following a substantial increase in premium rates. This act requires the Department of Insurance to promulgate rules creating the standards for nonforfeiture benefits, contingent benefits upon lapse, the length of time these benefits must run, and the extent to which premiums may be increased. The Department of Insurance must also promulgate rules regarding marketing practices, agent compensation, agent testing, penalties, and reporting practices for long-term care insurance. This act allows insurers or agents in violation of long-term care insurance requirements to be fined \$10,000 or three times the commission paid for each policy involved, whichever is greater.

SCS SB 1182

SENATE SPONSOR Singleton

4308S.04P

SCS/SB 1182 - This act modifies the law relating to health care professionals under the Board of Registration for the Healing Arts.

A new Section allows persons licensed under Chapter 334, RSMo, to apply to the Board for inactive status. Upon approval, the licensee will be placed on an inactive status list. An inactive licensee or one who has retired from the profession may not practice, except on him or herself or on immediate family but may not prescribe controlled substances. An inactive licensee may, however, continue to use his or her professional title. During an inactive period, a licensee will not be required to comply with continuing education requirements. A licensee may return to active status by notifying the Board, paying fees, and completing reinstatement requirements (Section 334.002).

Current law allows physicians to enter into collaborative practice agreements with registered professional nurses, but prohibits the Board from taking action against a physician for acts arising out of such an agreement. This act allows the Board to take action against a physician for health care services delegated to a nurse. Language allowing for the expungement of records is also clarified (Section 334.104).

SB 1193 - This act establishes a District Attorney System. District attorneys shall be elected at the 2006 general election in each judicial circuit for counties that elect to be part of the system, and serve for four year terms. The District Attorney of each circuit shall receive the same annual salary as a Circuit Judge, paid by the state.

District attorneys shall prosecute all criminal actions for the circuits in which they serve. They may appoint full and part time assistants, investigators and clerical staff, who shall be paid by the county and serve at the pleasure of the District Attorney.

The act contains a schedule for reimbursement by the state for the budget of offices in the District Attorney System, ranging from 5 percent in 2007 to 50 percent in 2016 for circuits consisting of one county, and from 10 percent in 2007 to 50 percent in 2011 for circuits consisting of more than one participating county. District Attorneys shall devote full time to their offices and shall not engage in the practice of law. The act specifies a procedure for counties not having a charter form of government to join the system.

The act also revises the retirement provision to provide for Prosecuting or Circuit Attorneys in counties that elect to become part of the District Attorney System.

This act is similar to SB 592 (2001)

4670S.09P

SCS/SB 1202 - This act transfers various agencies or powers to a newly created Motor Carrier Services Unit within the Department of Transportation. This act is created to implement the Governor's Executive Order 02-03 (February 7, 2002) which transfers these agencies to the Department of Transportation so that commercial truck drivers can obtain licenses and other

services from one Department. The concept is often referred to as a "One-Stop Shop".

This act transfers the motor carrier and railroad functions of the various entities (Division of Motor Carrier Services, Highway Reciprocity, and DNR (licensing of transporting hazardous waste) to the Department of Transportation by a Type I transfer. The Division of Motor Carrier and Railroad Safety and the Highway Reciprocity Commission are abolished. The personnel of those respective entities are transferred to the Department of Transportation. The substitute also transfers the Motor Carrier Administrative Law Judge to the Administrative Hearing Commission (AHC) and extends jurisdiction to the AHC to conduct administrative hearings on motor carrier and railroad matters.

This act also allows employees transferred to the Department of Transportation who are currently under the MOSERS retirement system to elect into the MoDOT retirement system. This election must occur within 90 days of the effective date of this act. Any election to choose the MoDOT retirement system plan will result in the forfeiture of any rights or benefits in the MOSERS plan. If the employees choose not to elect this option, the employees will remain in MOSERS plan (Section 104.805). MOSERS shall pay to the MoDOT retirement plan an amount actuarially determined to equal the liability transferred from the MOSERS plan. No employee shall receive service credit for the same period of service under more than one retirement system.

This act also has an emergency clause and shall be effective upon passage and approval, or July 1, 2002, whichever later occurs.

4899S.01I

SB 1205 - This act requires state agencies which are
proposing rules to consider alternative compliance methods for
small businesses and to prepare a small business impact
statements.

The act creates the Small Business Regulatory Fairness
Board. The Department of Economic Development will provide staff
for the Board. The Board shall provide agencies with input
regarding proposed rules, consider requests from small business
owners for review of agency rules, review agency rules and make
recommendations to the agency and general assembly regarding the
need for a rule or legislation, conduct hearings and solicit
input from regulated small businesses and prepare an annual
evaluation report to the Governor.

The Board shall consist of two members appointed by the
Governor, one member appointed by the Lieutenant Governor, two
members appointed by the House of Representatives, two members
appointed by the senate, one member appointed by the speaker of
the House and one member appointed by the President Pro Tempore
of the Senate.

Small business owners may petition an agency objecting to
any rule, and the agency shall forward the petition to the Board

and the Joint Committee on Administrative Rules. The agency must determine whether its impact statement or public hearing addressed the actual impact on small business and will submit a written response to the Board. The agency may determine the petition warrants adoption of amended or new rules, or may determine no additional action is necessary. A small business may seek review of the agency's decision by the Board. The Board shall report its findings to the Governor and General Assembly, which may take action as appropriate.

This act is identical to HB 1753.

SB 1232 This act authorizes the filing of a petition by residents within a road district in Jasper County seeking the dissolution of the road district. If signed by a majority of the residents within the district, the county commission shall have the authority, if dissolution is felt to advance the public good, to dissolve the road. The act provides that notice of the proposed dissolution must be published in a newspaper of general circulation in the county.

If the petition is signed by at least 50 registered voters within the district, then the petition is submitted to the voters for their approval. If approved by a majority of the voters within the district, then the district shall be dissolved.

All assets and equipment of the road district shall revert to the county and any taxes levied for the district shall no longer be assessed.

This act is similar to HB 1720 (2002).

4724S.02P

SCS/SBs 1241, 1253 & 1189 - This act allows persons to receive "Breast Cancer Awareness" license plates after making an annual \$25 contribution to the Friends of the Missouri Women's Council. The contribution may be only used for breast cancer services. In addition to the \$25 contribution, the person must pay \$15 plus regular registration fees. No additional fee shall be assessed for the personalization of such plates.

This act also allows persons to receive "Delta Sigma Theta" or "Omega Psi Phi" Greek organization license plates after making an annual \$25 contribution to those organizations. In addition to the \$25 contribution, the person must pay \$15 plus regular registration fees. No additional fee shall be assessed for the personalization of such plates.

This act allows members of the Kingdom of Calontir and the Missouri Civil War Reenactors Association to receive special license plates. To obtain the plate, a person must get a use authorization statement (\$25 contribution) from the respective organizations and present the statement to the Department of Revenue at the time of registration along with a \$15 fee in addition to the registration fee and other documents required by law. Revenue collected from authorization contributions, minus any reasonable administrative cost, will be used solely for the purposes of the respective organizations. This portion of the act is similar to HB 1778 (2002).

This act prohibits the Director of the Department of Revenue from issuing specialized license plates for sponsoring organizations which raise revenues from the use of their emblems on such plates unless the organization is a governmental entity or a not-for-profit organization. Current organizations shall have until January 1, 2004, to comply with the provisions of this section. The Director shall require such organizations to verify their eligibility status.

SB 1248 - This act modifies various provisions of law for the purpose of funding the "Schools of the Future Fund". The act:

(1) Allows the State Treasurer to make certain money market mutual fund investments as a part of the Treasurer's investment policy;

(2) Includes in the list of securities to be approved by the Governor and State Auditor, general obligation bonds of any political subdivision in the US rated in the highest category by at least one rating agency;

(3) Revises the Treasurer's method of calculating interest, and such method is to be used by the director of revenue by January 1, 2003;

(4) Modifies the repayment of refunds or overpayments to taxpayers in that no interest shall be applied to a repayment that is made within 120 days of the date of the return or the last day for filing;

(5) Requires that amnesty shall be granted for all interest and additions to tax with respect to unpaid taxes that are paid in full between August 1, 2002, and September 30, 2002; such amnesty shall not apply to persons involved in a criminal or

civil litigation related to the tax liability nor to persons involved in an appeal to the Administrative Hearing Commission or a protest with the department of revenue regarding such tax liability; certain other requirements must be met and a collection fee may be imposed;

(6) Modifies multistate allocation of corporate income for Missouri corporate income tax purposes to apply multistate apportionment principles to the same;

(7) Creates a new section with respect to affiliated groups and related entities; with respect to those parties, the act modifies the way losses and operating expenses are deducted among such parties for various types of property, including intellectual property; minimum standards are established regarding what connections among various corporate entities constitute related parties and affiliated groups for multistate corporate income purposes;

(8) Modifies the carry-back of overpayments to tax with respect to tax credits which are retroactively claimed by a taxpayer by amended return so that such taxpayer will not receive the benefit of retroactive interest for such claimed overpayment;

(9) Permits overcollected or overpaid sales taxes to be credited to a retailer only if the retailer can demonstrate to the satisfaction of the director of revenue that the amounts refunded were or will be returned to the party who originally paid the tax;

(10) Repeals the loss limit on excursion gambling boats;
and

(11) Increases the admission fee for embarking on a gambling boat to five dollars from two dollars, of which one dollar will be deposited in the fund listed below.

All additional revenues accrued by any of the above listed modifications or changes to policy shall be deposited in the Schools of the Future Fund, which is created in the act. Money in the fund shall be appropriated solely for the purpose of fully funding state aid to public schools.

4657S.10C

SCS/SBs 1279, 1162 & 1164 - This act creates several community development projects.

KANSAS AND MISSOURI METROPOLITAN CULTURAL DISTRICT - This act authorizes annual appropriations of up to \$9.8 million to fund projects undertaken and partially funded by a retail sales tax relating to the Kansas and Missouri Metropolitan Cultural District. Appropriated moneys shall only be used if the cumulative annual sales tax revenue generated exceeds the cumulative annual appropriation. No moneys shall be appropriated until the cultural district retail sales tax is renewed or extended.

ST. LOUIS CARDINALS BALLPARK AND BALLPARK VILLAGE - This act creates the "The Sports Center Redevelopment Authority Act".

St. Louis may establish a "Sports Center Redevelopment Authority". The Authority will consist of a nine-member board of commissioners. Members must be Missouri residents, and the members shall elect the chair of the Authority. The Authority is granted the power of eminent domain.

When a sports center redevelopment plan is adopted by the city and the authority, for a period not to exceed thirty-five years, economic activity taxes generated within the sports center redevelopment area shall be deposited into the special allocation fund of the city for the purposes enumerated, including paying project costs and obligations.

The maximum state appropriation shall not exceed \$7 million per year for a maximum of 30 years, for debt service financing that will provide a net sum not to exceed \$100 million.

Prior to bonds being issued all parties must deposit funds or financial instruments necessary to complete the construction of the stadium into a construction fund. The awarding authority may not discriminate against bidders based on their becoming or refusing to become signatories with one or more labor organizations.

SPRINGFIELD - Allows for the annual appropriation for funding of an exposition center in Springfield. Beginning in FY 2005, the state shall annually appropriate one half of the new state revenues from the redevelopment area. However, in no event shall the aggregate contribution of the state exceed \$18 million and the amount of debt financed shall not exceed \$9 million.

BRANSON - Allows for the annual appropriation for funding of a convention center and arena in Branson. Beginning in FY 2005, the state shall annually appropriate one half of the new state revenues from the redevelopment area. However, in no event shall the aggregate contribution of the state exceed \$32 million and shall not exceed a \$1.4 million appropriation over 23 years.

LOCAL ECONOMIC OPPORTUNITIES FUND - One half of the increased state revenues from sales taxes and income taxes withheld in certain development areas less the debt service obligations will be deposited in the Local Economic Opportunities Fund. The fund is then further subdivided into four regional funds and the regions are established. Funds from the regional subaccounts may be appropriated for infrastructure improvements and economic stimulus projects. Certain political subdivisions receiving funding are excluded from appropriations from the regional subaccounts. The Department of Economic Development shall establish an application and prioritization process. Political subdivisions shall not receive more than 25% of a subaccount and may not receive appropriations for more than five consecutive years.

MISSOURI DOWNTOWN ECONOMIC STIMULUS ACT - Establishes a Missouri Downtown Economic Stimulus Act Joint Legislative Committee which will consist of eight members of the General Assembly, four from each body.

A Downtown Economic Stimulus Authority is created in each municipality upon the enact of an ordinance establishing a development area in accordance with the act. Each Authority will be governed by a Board of Commissioners which will consist of between 3 and 13 members with staggered terms of 3 years. Commissioners will be appointed by the mayor or chief executive.

The powers of the Authority shall be exercised by its Board of Commissioners and powers of the authority are specified. The Authority shall be a public body corporate and politic. Powers granted to the authority are specified, including the right to acquire property by eminent domain within the development area.

Certain information must be included in a development plan.

Prior to the adoption of the ordinance designating the development area, adopting a development plan or adopting a development project, the authority must hold a public hearing.

A municipality may adopt development financing for the development project area and a special allocation fund for the deposit of certain taxes from the development area to be apportioned or diverted pursuant to the Real Property Tax Increment Allocation Redevelopment Act if all or a part of the development project area becomes subject to tax increment financing.

The municipality may submit the development plan to the Missouri Development Finance Board for approval of the use of tax increment financing and if submitted must contain certain information. The Missouri Development Finance Board may only approve five projects for tax increment financing.

The Authority must make a report to the Director of the Department of Economic Development by the end of February each year. The Director shall then compile a report for submission to the Governor and General Assembly.

Every five years after the establishment of a development plan, the governing body of the authority must hold a public hearing. The Director of the Department of Economic Development shall provide information and technical assistance as requested by any municipality.

JACKSON COUNTY RESEARCH PARK - The Curators of the University of Missouri are authorized to establish a research, development and office park in Jackson County to foster life sciences related business development.

SCR 51 - This resolution asserts that the Veterans' Commission Capital Improvement Trust Fund shall be utilized with the utmost efficiency. To achieve this end, the Missouri State Auditor is requested to conduct a performance review, on an annual basis, pertaining to the efficiency in the administration of the Missouri Veterans' Commission Capital Improvement Trust Fund.

The resolution also requires the director of the Missouri Veterans Commission to report, on an annual basis, to the General Assembly the status concerning the adequacy and solvency of the Missouri Veterans' Commission Capital Improvement Trust Fund.

The resolution states that the Missouri Veterans' Commission shall neither expand upon existing programs nor further obligate the Missouri Veterans' Commission Capital Improvement Trust Fund

without first considering the impact on the future solvency of the fund.

4777S.01I

SCS/SJRs 37 & 33 - This proposed constitutional amendment allows the Highways and Transportation Commission to conduct feasibility studies, fund, design, acquire, construct, maintain and operate toll facilities. The Commission shall fix and collect tolls for the use of all toll facilities. After the costs of paying a toll road has been paid off, the facility shall discontinue collecting fees and the facility shall become part of the state system.

The Commission may issue toll facility revenue refunding bonds for the construction of toll roads. The bonds are to be paid off from toll fees and if necessary from the state road fund. The bonds may be sold at either public or private sale. The proceeds of the bonds shall be deposited in the appropriate toll facility fund. The resolution allows the Commission to transfer moneys from the state road fund to a toll facility fund to finance the feasibility studies if there are funds available. The moneys from the state road fund shall be repaid with interest.

The Commission may enter into contracts with other entities in order to construct the toll roads. To obtain authorization from the General Assembly for any proposed toll facility, other than on interstate highway, the commission must submit a plan describing the location of the proposed toll facility along with a feasibility study. The plan shall not become effective unless the General Assembly approves it by a concurrent resolution within 45 days of the plan's submission. If no concurrent resolution is introduced within 14 calendar days of the submission of the plan, the plan shall not become effective.

Revenue generated from the toll roads shall not be included as a part of total state revenue for the purposes of the Hancock Amendment.

This resolution is similar to HJR 7 (2001).

P E R F E C T E D

HB 1075 -- ABANDONED VEHICLES (Nordwald)

This bill establishes a process by which land owners may secure title to vehicles, vessels, watercraft, or outboard motors found abandoned on their land. The bill requires law enforcement officials to determine whether the item has been reported stolen or if it is subject to any liens. The application for title must be accompanied by a copy of a certified mail receipt of the notice provided to any lienholders. Vehicles must be inspected and the inspection report included with the application for title. Upon receiving an application for title, the Department of Revenue must perform a record search to verify the name and address of any owners and lienholders and, if evidence suggests, inquire of another state about the vehicle's owners and lienholders. Owners and lienholders have 30 days upon receipt of the notice to protest the application and file a petition to recover the vehicle. The department may issue titles noting whether or not a vehicle was in a salvaged or rebuilt condition.

FISCAL NOTE: No impact on state funds.

HB 1094

HOUSE SPONSOR Relford

3232L.01P

HB 1094 - This act allows for a special license plate for members of the Missouri Coroners' and Medical Examiners' Association. To obtain this plate, a person must get an emblem-use authorization statement by contributing \$25 to the Missouri Coroners' and Medical Examiners' Association and present this statement to the Department of Revenue at the time of registration. Upon presentation of the annual authorization statement and payment of a \$15 fee in addition to the regular registration fees and other document requirements, the Department will issue a license plate bearing the emblem of the Missouri Coroners' and Medical Examiners' Association, the five-point star symbol universally recognized for law enforcement, and the words "CORONERS' OFFICE" in place of the words "SHOW-ME STATE".

The revenue obtained from contributions will be used for the purpose of promoting and supporting the objectives of the Missouri Coroners' and Medical Examiners' Association.

HB 1134

HCS HBS 1134, 1100 & 1559

HOUSE SPONSOR Relford

2694L.02P

HCS/HBs 1134, 1100 & 1559 - This act creates a cost-share incentive program to promote sustainable forestry practices on tracts of at least 40 acres for up to 50% of the costs of the forest management activities, such as protecting water quality, ensuring efficient use and availability of forest resources. This program is limited to \$5,000 per year for each individual enrolled in the program. Lands designated as forest croplands are not eligible.

The act also makes it a Class A misdemeanor to knowingly release swine to live in a wild state, public or unfenced private land. Hogs not conspicuously identified by ear tags may be killed without liability on public lands or on private lands with the permission of the landowner.

This act also requires anyone convicted of illegally taking or possessing an antlered deer to remit to the Conservation Commission an amount ranging from \$1,500 to \$7,500, depending on the deer's Boone & Crockett score. Resident landowners on their own property and individuals guilty of minor tagging or checking violations are exempt. The commission may allocate up to 25% of the funds for grants that promote anti-poaching activities. Courts are required to notify the commission if anyone fails to appear at a hearing or pay a fine for taking wildlife illegally. The commission may consider this information in permit suspension, revocation, or denial actions.

HB 1148

HOUSE SPONSOR Ross

2986L.01P

HB 1148 - This act provides that operators of certain religious cemeteries may establish a scatter garden for the purpose of scattering human cremains. Cremains are the ashes that remain after the cremation of a human corpse.

The cemetery operator is responsible for maintain of the garden and for keeping certain records about the cremains in the garden, including the name, date of death and social security number of each person whose cremains were scattered.

HB 1150

HCS HBs 1150, 1237 & 1327

HOUSE SPONSOR Bray

2610L.03P

HCS/HBs 1150, 1237 & 1327 - This act authorizes the Department of Revenue and the Administrative Hearing Commission to negotiate the tax liability of a taxpayer with the taxpayer or agent thereof in certain situations.

A tax amnesty program is authorized by the act for penalties, additions to tax, and interest on delinquencies which occurred prior to December 31, 2001. To be eligible for the program, a taxpayer must submit and pay all unpaid taxes due between August 1, 2002, and September 30, 2002. All new revenues resulting from the tax amnesty program will be deposited in the State School Moneys Fund, unless otherwise earmarked by the Missouri Constitution, or unless they are revenues not belonging to the state. The tax amnesty program is subject to an emergency clause.

HB 1194 -- LIENS ON REAL PROPERTY (Gambaro)

This bill allows the City of St. Louis to have a lien on real property when it has ordered a person to demolish a dangerous building on that property and it has paid the person for the work within 120 days of completing the work.

The bill also requires architects, professional engineers, land surveyors, and their corporations to be licensed when performing

services directly connected with the erection or repair of a building or the abatement of dangerous buildings. Current law requires architects, professional engineers, and land surveyors to be registered.

FISCAL NOTE: No impact on state funds.

Smith, Philip

P E R F E C T E D

HCS HB 1202 -- SALES/USE TAX: REFUND OF TAX (Smith)

This substitute requires that any request for a refund of sales taxes by a person who collects and remits the tax will only be granted if the person demonstrates to the satisfaction of the Director of the Department of Revenue that the amount will be refunded or credited to the person who originally paid the sales tax. The restriction will not apply if the person seeking the refund shows to the director's satisfaction that he or she originally paid the tax and that it was not collected from the purchasers or if the amount of refund or credit request does not exceed \$1,000 in the aggregate over any five-year period.

The substitute also allows a retailer to submit a plan to the Department of Revenue to provide a process for refund that generally distributes any refund that cannot be returned to the original purchaser through a fixed value coupon to future customers.

All additional revenues generated from the substitute will be deposited in the State School Moneys Trust Fund.

FISCAL NOTE: Estimated Net Effect on General Revenue Fund of \$0 in FY 2003, FY 2004, and FY 2005. Total Estimated Net Effect on School District Trust Fund of \$0 in FY 2003, FY 2004, and FY 2005.

HB 1313 -- PHYSICAL THERAPY (Burton)

This bill contains provisions regarding the licensing of physical therapists and physical therapist assistants. The bill:

- (1) Provides for reciprocal, provisional, and temporary licenses;
- (2) Allows additional examination sittings for individuals who meet criteria established in the bill;
- (3) Requires provisional licensed physical therapists to practice under the direct supervision of a licensed physical therapist;

(4) Permits issuance of temporary licenses to those failing the licensing exam. The duration of the first temporary license will be six months and can only be renewed once. This renewal may only be issued if the licensee, after showing good cause, fails to sit for the next scheduled examination. Temporary licenses may be issued to students in their last semester of physical therapy school; and

(5) Requires that applicants only sit for the licensing exam three times. Upon failing the state exam for the second time, an applicant must complete a program of remediation before sitting for the third exam.

FISCAL NOTE: No impact on state funds.

HB 1338

HOUSE SPONSOR Relford

3349L.01P

HB 1338 - This act makes several changes to the process by which disciplinary action may be imposed on the holder of a certificate of license to teach or when teachers' licenses may be denied. The act adds new reasons for denial of a license or for discretionary revocation including:

- (1) Deception in obtaining a license;
- (2) Disciplinary action on an existing license from another jurisdiction;

The act adds furnishing child pornography to a minor to the list of offenses that require license revocation.

The act clarifies that the State Board of Education as well as the school district may file certain licensure charges, that cases may be settled informally by agreements or voluntary surrender of license, and that licensure decisions are subject to judicial review. The State Board of Education may refuse to issue or renew a license or may suspend or revoke a license of a person who has surrendered his or her license or has failed to renew it, for any of the grounds mentioned in this act.

HB 1344

HCS HBs 1344 & 1944

HOUSE SPONSOR Crump

2838L.06P

HCS/HBs 1344 & 1944 - This act provides that certain aspects of the crime of unlawful use of a weapon do not apply to all on or off duty peace officers, any retired peace officer holding a valid permit to carry a concealed firearm, and any person 21 years of age or older transporting a validly possessed concealed weapon anywhere in the passenger compartment of a motor vehicle.

The crime of unlawful possession of a concealed firearm is changed to the crime of unlawful possession of a firearm.

The act establishes a permit system for retired peace officers to carry concealed weapons. The permit is issued by the local sheriff. The applicant must meet the following requirements: a citizen of this country and a resident of this state for six months; never convicted of a felony; not a fugitive from justice; not dishonorably discharged from the military; not publicly known to be habitually in a intoxicated or drugged condition; not mentally incompetent; a retired peace officer in good standing who has completed 15 years of service; not convicted of domestic assault; and not subject to a full order of protection that prohibits the applicant from possessing a firearm. The applicant must also submit documentation from a physician that the applicant is in good physical and mental health.

The permit shall be issued for three years and can be renewed for three years. Before the permit is issued or renewed, the sheriff must conduct a criminal background check. The sheriff must issue or renew the permit within seven business days of receiving the application. The sheriff must collect a fee of \$25 for each new and renewed permit. The sheriff may deny a permit application. The act provides that the applicant may appeal the denial to small claims court. If a court rules in favor of the applicant, no costs shall be assessed against the sheriff.

Violation of any provision of the concealed weapon permit system is a Class A misdemeanor.

The act also establishes "Project Exile". This program requires state law enforcement agencies to review certain weapons offense cases for the possibility of federal prosecution, if it appears that federal prosecution is reasonably likely to result in more restrictive bail, stricter enforcement or greater penalties.

This act is similar to SB 689 (2002).

HB 1386

HCS HBs 1386 & 1038

SENATE HANDLER Yeckel

HOUSE SPONSOR O'Connor

3338L.02T

HCS/HBs 1386 & 1038 - This act permits the use of sun screening material with a light transmission of 35% or more, plus or minus 3%, and a luminous reflectance of 35% or less, plus or minus 3%, on front windows and sidewing vents located to the left and right of motor vehicles registered in Missouri. The Department of Public Safety may issue a permit to any person to operate a vehicle with sun screening with less light transmission and more luminous reflectance if the person has a serious medical condition and the sun screening is prescribed by a physician. The permit allows the operation of the motor vehicle by any titleholder or relative within the second degree of consanguinity who resides in the household.

The act does not prohibit the use of labels, stickers, decalcomania, or informational signs on motor vehicles; the application of tinting or solar screening material on recreational vehicles; or factory-installed tinted glass. This act also removes any restrictions on tinting of rear side windows and rear windows. The degree of sun tinting on vehicle windows will no longer be a part of motor vehicle inspections.

The act has an emergency clause.

This act is similar to SCS/SBs 727 & 703 (2002).

HOUSE SPONSOR Green

3503L.02P

HCS/HB 1403 - This act provides that after August 28, 2002, private construction contracts shall not require retainage in excess of ten percent of the contract price, which shall be placed in trust by the owner.

A contractor may request release of the retainage in return for substitute security, which may consist of certificates of deposit, retainage bonds or letters of credit. Withing thirty days of substantial completion, the retainage or substitute security shall be released to the contractor, less one hundred fifty percent of the anticipated completion costs. Within seven days of receipt thereof, the contractor shall release to each subcontractor that subcontractor's share of the retainage. Upon a subcontractor's completion of work, the contractor shall request an adjustment in retainage as necessary to pay the subcontractor in full. These provision apply to subcontractors and sub-subcontractors of every tier. The provisions do not apply to owner-occupied, single-family residential construction or other owner-occupied residential construction consisting of less than five units.

 HB 1418

HOUSE SPONSOR Relford

3755L.01P

HB 1418 - This act revises provisions relating to state parks. This act prohibits the Department of Natural Resources (DNR) from entering into or renewing a contract for a period exceeding 10 years unless the Director determines the extended contract period is necessary to allow the contractor to make substantial improvements to the site and the improvements are of sufficient value to necessitate the longer contract.

The Arrow Rock State Historic Site Endowment Fund is created. The initial deposit in the fund will be the bequest in the amount of \$21,965.92 from the Bill and Cora Lee Miller estate. The Arrow Rock State Historic Site Endowment Fund may only be used for the enhancement of Arrow Rock State Historic Site's public interpretive programs. The State Treasurer may invest the monies in the fund in a manner as provided by law. Until 2100, DNR may annually only expend one-half the interest earned by the fund. Thereafter, all of the interest earned by the preceding year may be expended. Funds may only be expended upon appropriation. Any funds appropriated but not spent will revert back to the fund.

DNR is given authority to enter into agreements with private, not-for-profit organizations organized solely to further the interpretive, educational, and maintenance functions at the state parks. Proceeds from sales of publications and materials by these organizations shall be retained by the organization for use in furthering their functions.

HB 1425

HCS HB 1425

HOUSE SPONSOR Smith (011)

3810L.02P

HCS/HB 1425 - This act prohibits the disclosure of non-public health information. A new Section 191.890 is created to define terms such as "federal privacy rules", "health information", and "nonpublic personal health information".

This act prohibits the disclosure of personal health information for the following purposes:

- for profit;
- for marketing of goods or services;
- to aid in an employment decision;
- for decisions regarding a persons' credit;
- to deliberately or maliciously cause harm to the person to whom the information pertains.

Any person who knowingly violates the provisions of this section will be charged an administrative penalty of up to \$500

and may be civilly liable. The Director of the Department of Insurance shall enforce this act.

Licensees (insurance companies) complying with HIPAA privacy rules will be deemed in compliance with this act. Until April 14, 2003, non-licensees subject to federal law will be in compliance with this act upon a showing of good faith. Personal health information, however, may not be disclosed for marketing purposes even if compliance is established. Licensees complying with the model regulation, "Privacy of Consumer Financial and Health Information Regulation", will also be deemed in compliance.

This act does not apply to information disclosed in for the following purposes:

- if prior written consent is given;
- if disclosure is pursuant to state or federal law;
- for consumer reporting purposes;
- in connection with the transfer of a business, operating unit, or loans if the disclosure is not the primary reason for the transfer.

This act is identical to SB 1171 (2002).

HB 1432

HOUSE SPONSOR Foley

3532L.01P

HB 1432 - The act provides new definitions regarding emergency communications. Counties may establish an emergency communications commission composed of seven members. Such counties may levy an additional property tax or sales tax, upon voter approval in order to operate the system. All moneys collected must be deposited in the Emergency Communications System Fund. Obligations by the county may be paid out of the fund or by the issuance of bonds.

This act is similar to SB 795 (2002).

HB 1440
HS HCS HB 1440

HOUSE SPONSOR Wilson

3113L.05P

HS/HCS/HB 1440 - This act requires health carriers that offer health benefit plans in this state on or after January 1, 2003, to provide coverage for mental health conditions. Mental health conditions are defined as those listed in the most recent edition of the Diagnostic and Statistical Manual of Mental Disorders. Coverage for mental health conditions cannot have rates, terms, or conditions that place a greater financial burden on an insured for mental health condition than for physical health condition. This mandated benefit shall not apply to supplemental insurance policies, life care contracts, accident-only policies, specified disease policies or other specific policies.

The act also modifies some of the standards for chemical dependency coverage and repeals several sections relating to mental illness and addictive disorders. The sections repealed include current exceptions to the requirement that health insurers who cover services for mental illness and addictive disorders provide the same coverage as they do for physical illness. These provisions include exceptions that allow insurers to limit inpatient hospital treatment for mental illness to 90 days per year (Section 376.811.2), place annual and lifetime limits on alcohol and drug abuse treatment services (Section 376.827), and exclude or apply different limits to certain specified services (Section 376.833).

HB 1492

HOUSE SPONSOR Seigfreid

3793L.01P

HB 1492 - Current law provides that a continuing committee must file required disclosure reports no later than the seventh day before an election. This act changes the filing date to no later than the eighth day before an election. When no disclosure reports are required, a committee treasurer must file a statement indicating that the committee has not exceeded thresholds for that reporting period.

The act changes the aggregate amount that may be contributed by one person from \$250 to \$275 before certain campaign finance disclosure reports must be filed.

HB 1496
HS HB 1496

HOUSE SPONSOR Green

3817L.02P

HS/HB 1496 - This act defines the following new terms in the Real Property Tax Increment Allocation Redevelopment Act: "eligible employee," "high unemployment," "low-fiscal capacity," "moderate income," "new job," "public subsidy," "redevelopment project of regional significance," and "unfair competition."

The act changes criteria used to evaluate primarily retail redevelopment projects funded by tax increment financing in the City of St. Louis and in St. Louis, Jefferson, Warren, St. Charles, Franklin, Lincoln, St. Francois, and Ste. Genevieve counties.

The act requires approved project areas to have high unemployment, low fiscal capacity, and moderate income; to be a redevelopment project of regional significance; to avoid unfair competition with existing businesses; and to meet other criteria showing economic decline. The act also limits the maximum amount of public funding for approved TIF projects to 30% of the total project costs, unless the redevelopment is occurring in certain specified areas.

The act does not allow TIF to be used to develop sites where 25% or more of the area is vacant and has not been previously developed, qualifies as "open space" as defined in Section 67.900, RSMo, or is presently being used for agricultural or horticultural purposes, except in certain cases.

The act requires an economic feasibility analysis indicating the return on investment of the proposed development and a study verifying that the proposed redevelopment property has not previously been developed through private enterprise. It allows sharing of payments in lieu of taxes among affected political subdivisions. TIF projects must be approved by all affected political subdivisions.

The act also requires the above named counties and the City of St. Louis to create regional tax increment financing review authorities for the purpose of determining whether projects meet

the criteria as provided in the act and approving or rejecting the projects.

The act has an effective date of July 1, 2003.

HB 1498
HS HB 1498

HOUSE SPONSOR Johnson

3976L.03P

HS/HB 1498 - This act makes sexual contact with a resident of a skilled nursing facility or Alzheimer facility a class B misdemeanor. Second and subsequent violations are class A misdemeanors. Sexual intercourse or deviant sexual intercourse with residence of a skilled nursing facility or an Alzheimer facility is a class D felony. Second and subsequent violations are a class C felony. Consent is not a defense for either sexual misconduct or sexual intercourse.

This act prohibits the act of bestiality. A person committing an act of bestiality is guilty of a class D felony. If a person commits the act of bestiality in the presence of a minor or causes any animal serious injury shall be guilty of a class C felony. In addition to the penalty, the defendant may be prohibited from harboring animals, may be required to relinquish and forfeit all animals to an animal shelter or humane society and may undergo psychological evaluation and counseling.

This act also creates the crime of sexual conduct with an inmate. This prohibits employees of a jail, prison or correctional facility from engaging in sexual intercourse or deviate sexual intercourse with an inmate. Sexual conduct with an inmate is a class D felony. Consent of the victim is not a defense.

HB 1532

HS HCS HB 1532

HOUSE SPONSOR Hoppe

3984L.03P

HS/HCS/HB 1532 - This act revises the dram shop liability statute. The act provides that a cause of action may be brought against a person licensed to sell intoxicating liquor by the drink when it is proven by clear and convincing evidence that the seller knew or should have known that intoxicating liquor was sold to a person under 21 or was knowingly served to a visibly intoxicated person.

Being "visibly intoxicated" is when the person's impairment is shown by significantly uncoordinated physical action or significant physical dysfunction. A person's blood alcohol content will not constitute prima facie evidence to establish "visible intoxication" but may be admissible as relevant evidence.

The person who became intoxicated may not sustain such a lawsuit unless the person is under 21.

If a seller demanded and the drivers license or official state or federal personal identification card appearing to be genuine which showed that the minor was at least 21, it will be relevant in determining relative fault of the seller. Sellers shall have the right of contribution for damages against the intoxicated person.

This act is similar to SS/SCS/SBs 817, 978 & 700 (2002).

HB 1548 -- HEARING SCREENING FOR NEWBORNS (Barry)

This bill revises a provision pertaining to hearing screening for newborns.

Effective January 1, 2002, any facility which transfers a newborn to a different facility for further acute care prior to the completion of the newborn hearing screening is required to notify the receiving facility of the current status of the hearing screening. If the hearing screening is incomplete, the receiving facility is responsible for completing the hearing screening for newborns.

Currently, hospitals or ambulatory surgical centers are required to perform the hearing screening for newborns delivered in their facilities prior to discharge.

HB 1556
HCS HB 1556

HOUSE SPONSOR Rizzo

4067L.04P

HCS/HB 1556 - This act requires the Director of the Department of Economic Development to determine whether or not an investment funds service corporation or S corporation not currently headquartered in Missouri would, if it were to relocate its principal business headquarters to Missouri, be able to take advantage of the annual election to determine its taxable income in one of two ways, as set forth in subdivision 5 of subsection 2 of Section 143.451, RSMo. That subdivision of Chapter 143, RSMo, considers qualifying sales of such corporations to be considered wholly within Missouri only to the extent that the fund shareholders of the investment companies reside in Missouri.

The determination rendered by the Director would be binding if the business did relocate and if the business still met the requirements.

The act has an emergency clause.

EFFECTIVE : August 28, 2002

HB 1689

HCS HB 1689

HOUSE SPONSOR Treadway

3595L.04P

HCS/HB 1689 - This act modifies numerous provisions regarding certain professional licenses.

RECIPROCITY AND INACTIVE STATUS - If the licensing board deems another state to have substantially equivalent licensing requirements, then any person licensed as a geologist, massage therapist, interior designer, barber, cosmetologist, chiropractor, dentist, optometrist, real estate agent, veterinarian, or hearing aid dealer or fitter in such state may obtain a license in this state, regardless of any minimum age requirement in such state.

Any licensed geologist, massage therapist, interior

designer, barber, cosmetologist, chiropractor, dentist, optometrist, psychologist, professional counselor, social worker, marriage and family therapist, real estate agent, veterinarian, or hearing aid fitter and dealer, may apply for an inactive license. Requirements for an inactive license shall be established by the board by rule. An inactive licensee may return to active status by notifying the appropriate board and meeting certain other requirements. If an inactive license lapses for less than five years, the person may return the license to active status by notifying the board, paying fees and meeting established licensure requirements except for the licensing examination.

Persons possessing temporary licenses as interior designers, barbers, cosmetologists, chiropractors, dentists, optometrists, real estate agents, veterinarians, or hearing aid dealers and fitters, may place their license on inactive status until the licensee is able to complete requirements for permanent licensure.

GEOLOGISTS - Licensed professional engineers who have obtained certain course work, educational degree and work in certain areas may perform the practice of geology without a license.

PRIVATE INVESTIGATORS - The act creates the Board of Private Investigator Examiners within the division of professional registration. The board shall comprise five members, all of whom shall be private investigators. It shall be unlawful for a person to provide private investigative services without first obtaining a license.

The act contains provisions concerning the creation of a board fund, persons exempted from licensure, application, training and examination requirements, certification of private investigator trainers, background checks on applicants, grounds for denial, suspension or revocation of a license, fees, forms and display of license, renewal of license and reciprocity.

Information acquired by a licensee concerning a criminal offense may be disclosed to the board, any law enforcement agency, a prosecutor or the licensee's representative. Licensees are prohibited from creating false reports, manufacturing evidence, or presenting themselves as state or federal officers. Provisions regarding recordkeeping of employee information and advertising requirements are included in the act.

Records of business transactions must be kept for seven years. Under certain circumstances, such records may be examined by the board.

A first violation of any provision of Sections 324.1100 to 324.1140 shall be a Class A misdemeanor. Subsequent violations shall be a Class D felony. Any person who knowingly falsifies information that is required to be submitted by Sections 324.1100 to 324.1140 shall be guilty of a Class D felony.

ACCOUNTANTS - This act allows temporary practice in this state by

accountants from an outside state whose work in this state is incidental to their regular representation of a client.

The higher competency requirements for supervising attest services are separated from the requirements for supervising review and compilation services by the act. The requirement of a peer review of an accountant's license is also limited by the act to accounting firms, as is the issuance of review and compilation services.

The act allows the board to act by rule to permit licensed accountants to perform certain services on a contingency fee basis.

ARCHITECTS, ENGINEERS, LAND SURVEYORS AND LANDSCAPE ARCHITECTS - This act changes the name of the Missouri Board for Architects, Professional Engineers, Professional Land Surveyors and Landscape Architects to the Missouri Board for Architects, Engineers, Land Surveyors and Landscape Architects.

DENTISTS - The act permits the dental board to investigate alleged violations of the practice act by not-for-profit corporations licensed to practice dentistry in this state. The definition of dentistry includes the review of exam findings, x-rays, or other patient data in order to decide about the dental care of a patient.

Current law prohibits any person from practicing dentistry without a license. This act prohibits corporations or entities from practicing without a license as well. Only 501(c)(3) corporations under Chapters 355 or 356, RSMo, will be allowed to practice dentistry. Such corporations must only provide dental services to Medicaid recipients and to those persons with income under 200 percent of the federal poverty level and such patients must make up 90 percent of the corporation's practice. They must only employ Missouri-licensed dentists, dental hygienists, and dental assistants. The corporation must be organized for health purposes only. No 501(c)(3) corporation under Chapter 355, RSMo, may interfere with a licensed dentist's professional judgment. Such corporations may apply for a license to practice dentistry in Missouri. Licensed corporations will be subject to all disciplinary and license approval procedures (Section 332.081).

Corporations and entities are added to current law which imposes a Class A misdemeanor on persons who practice without a license and allows injunctions or restraining orders to prevent further unauthorized practice.

The dental board may enter into diversion agreements with licensees in lieu of pursuing formal disciplinary action. The licensee must agree to be referred to a dental well-being committee for a period of not more than five years. The board cannot enter into more than two diversion agreements with a licensee.

The act provides that all dentists and dental hygienists must document completion of required continuing education hours

before the board can renew their licenses.

The board is granted the authority to administer oaths, issue and enforce subpoenas, and require the production of documents in response to subpoenas.

The act deletes a section concerning the filing of complaints against licensees by individuals and entities.

COLLABORATIVE PRACTICE AGREEMENTS - The State Board of Registration for the Healing Arts is authorized to discipline physicians who supervise nurse practitioners without having entered into a collaborative practice agreement.

PHYSICIAN ASSISTANTS - The definition of "supervision" is modified to allow supervising physicians to be available via telecommunications for consultation, assistance or intervention. Physician assistants must practice within 30 miles of the supervising physician. In federally designated health professional shortage areas, the physician assistant must practice within 50 miles of the supervising physician. The supervising physician must be personally present at least 20% of the clinic's hours if using a physician assistant.

All applicants for physician assistant licensure who complete their training after January 1, 2005 must have certain health-related master's degree.

No physician can supervise more than three full-time physician assistants. A physician assistant must practice under the direct supervision of the physician for at least one month before practicing at a location where the supervising physician is not present.

BOARD OF NURSING - The act removes the requirement that the executive director of the board of nursing must be a nurse.

REAL ESTATE DISCLOSURE - The act creates definitions for "commercial real estate" and "residential real estate" as pertaining to limited and dual real estate agents and designated real estate brokers and agents. The act removes disclosure requirements relating to adverse material facts in commercial real estate transactions.

Portions of this act are similar to SB 896 (2002) and SB 924 (2002).

HB 1701

HOUSE SPONSOR Luetkenhaus

4296L.01P

HB 1701 - This act makes several changes to the long-term care insurance law. This act clarifies that the term "long-term care insurance" to include any insurance policy that meets the requirements of a "qualified long-term care insurance contract", as defined in Section 7702B of the Internal Revenue Code. This act requires the issuer of a long-term care contract to state clearly in its enrollment materials whether the contract is intended to be tax-qualified, pursuant to Section 7702B.

This act requires the issuer to deliver the certificate of insurance to the applicant no later than 30 days after the date of approval. This act requires the long-term care policy summary to include a statement that any long-term care inflation protection option that may be required by the laws of Missouri is not available under the policy.

This act requires issuers to provide a written explanation for a denial of coverage within 60 days of receiving a written request for an explanation from the applicant. The issuer must provide all information directly related to the denial. This act allows insurers to rescind long-term care contracts upon a showing of misrepresentation. The degree of misrepresentation that must be proven will vary, depending on the length of time the policy has been in effect (Section 376.1124). This act prohibits a long-term care contract to be field issued based on medical or health status.

This act prohibits an insurer from recovering benefits paid to the policyholder when the issuer rescinds the policy. This act requires insurers to offer a policy that includes a nonforfeiture benefit. If that benefit is declined, the issuer must then offer a contingent benefit upon lapse that will be available for a specified period of time following a substantial increase in premium rates. This act requires the Department of Insurance to promulgate rules creating the standards for nonforfeiture benefits, contingent benefits upon lapse, the length of time these benefits must run, and the extent to which premiums may be increased.

The Department of Insurance must also promulgate rules regarding marketing practices, agent testing, penalties, and reporting practices for long-term care insurance. This act allows insurers or agents in violation of long-term care insurance requirements to be fined \$10,000 or three times the

commission paid for each policy involved, whichever is greater.

This act is substantially similar to SB 1180 (2002).

HB 1814

HOUSE SPONSOR Monaco

4487L.01P

HB 1814 - This act modifies provisions relating to orders of protection.

No filing fees, court costs or bond will be assessed in an action seeking a protective order. Only the petitioner can file a motion to terminate an order of protection. If the order granted child custody to the respondent, then the act provides procedures for both parties to agree or object to a request for termination.

The act provides that foreign orders of protection will be enforceable in state courts. The foreign order may be filed in the circuit court having jurisdiction. No fee or cost may be charged for the filing of the foreign order.

A court may order a party to pay a reasonable amount to the other party for attorney's fees in actions seeking a protective order. Current law allows the court to order a party to pay a reasonable amount for the cost to the other party of maintaining or defending the suit, as well as for attorney's fees.

The clerk of the court shall make the uniform forms adopted by the supreme court available to petitioners. Section 455.508 is deleted based on changes to Section 455.504.

The clerk must notify the guardian ad litem of appointment immediately and give the guardian the names of the parties within 24 hours.

This act is similar to portions of SB 1152 (2002).

HB 1817
HCS HB 1817

HOUSE SPONSOR Franklin

4190L.05P

HCS/HB 1817 - The act states that the Governor will recognize schools, as identified by the Department of Elementary and Secondary Education (DESE), that demonstrate high student achievement and designate such institutions as 'performance' schools. Said performance schools (or districts) will be eligible for waivers of certain administrative rules that will result in a meaningful reduction in administrative burden for said districts.

DESE will identify as 'priority' schools, or school districts, that are either: academically deficient; unaccredited; provisionally accredited; or not meeting any of the accreditation standards on student performance based upon the statewide assessment system. In order to address these areas of deficiency, the board of education of any priority school district will submit an accountability compliance statement to DESE on or before August 15 that: identifies and analyzes areas of deficiency in student performance by school, grade and academic content area; provides a comprehensive strategy for addressing these areas of deficiency; and assures disclosure of deficiency areas in the school accountability report card. Further, these schools must enforce their discipline policies.

The act allows the St. Louis City district, which has a desegregation settlement academic improvement plan, to submit that plan for review so that elements that occur in the accountability compliance plan and the desegregation academic improvement plan can be reviewed by the department to prevent duplication of effort.

The strategy for addressing these areas of deficiency will include: aligning curriculums to address areas of deficiency; focusing professional development funds on the areas of greatest academic need; establishing school accountability councils; developing a resource reallocation plan for the district; and creating programs to improve teacher and administrator effectiveness. Further, the comprehensive strategies will develop for any student who is not already receiving special education services and is performing at the lowest level of proficiency in any subject area under the statewide assessment an academic agreement in that subject area which will: be developed by teachers in consultation with the child's parents, guardian or other adult who takes educational responsibility and require that person make a good faith effort to meet with the teacher, who is given the authority to call for a review of the agreement when necessary; outline responsibilities for the student, parent or guardian, teachers and administrators in implementing the plan; and require those students performing at the lowest levels of proficiency in any subject area be provided with additional instruction time and require such students in grades 9 to 11 to retake the assessment.

Plans to improve teacher and administrator effectiveness exempt individuals who meet any of several requirements, including national board certification, mentors in approved programs, and those who achieve qualifying scores in professional assessments. Nonexempt individuals must complete a mentoring program, a training program for assessment scorers, or work toward national board certification.

Any resource reallocation plan must include at least one of the following elements: reduction in class size for areas of academic concern; establishment of full-day kindergarten or preschool programs; establishment of after-school, tutoring and other programs offering extended time for learning; employment of national board-certified teachers or regional resource teachers, along with appropriate salary enhancements for such teachers; establishment of programs of teacher home visitation; or the creation of "school within a school" programs to achieve smaller learning communities within priority schools.

DESE will develop a program of administrator mentoring which focuses on the needs of priority schools and priority school districts.

DESE shall withhold funds to be paid to the school district until such time as the district submits an accountability compliance statement meeting the standards authorized pursuant to this section within the timelines established.

Enforcement of the portion of the act relating to priority schools and school districts depends upon full funding of the school aid formula.

4051L.01P

HB 1851 - This act revises the composition and selection of the Kansas City Housing Commission. Under current law, all seven commissioners are appointed by the mayor and must be residents of the city for the past five years. The act provides that the Kansas City Housing Authority shall be composed of seven members (6 appointed members and 1 elected from the tenants of housing authority). The appointed members will be nominated by a committee and appointed by the mayor with the advice and consent of the city council. Each commissioner must be a resident of the

city for one year. The tenant commissioner election will be conducted by a resident organization. Each commissioner shall serve a term of 4 years. At the beginning, the appointed members will serve staggered terms. Each commissioner will receive a stipend of \$200 per month in addition to costs. A quorum shall consist of a minimum of four members.

This act is similar to SB 1039 (2002).

This act contains an emergency clause.

HB 1877
HS HCS HB 1877

HOUSE SPONSOR Foley

4425L.07P

HS/HCS/HB 1877 - This act modifies various provisions of the law to establish additional funding for schools. The act:

- (1) Authorizes a tax amnesty program allowing taxpayers to pay various back taxes owed prior to December 31, 2001, without penalty, additions to tax, or interest if the tax liability is paid in full during the period of August 1, 2002, through September 30, 2002;
- (2) Eliminates the timely filing allowance for employers who submit withholding tax;
- (3) Allows interest to be paid on state tax refunds only if payment is delayed for more than 120 days;
- (4) Eliminates interest on tax credit carrybacks;
- (5) Disallows non-Missouri source income for corporate income tax;
- (6) Requires the State Treasurer each calendar quarter to calculate an annual rate of interest equal to the average rate of return on all funds invested by the State Treasurer. This calculated interest rate is forwarded to the Department of Revenue and other applicable agencies to be applied to situations for which the State of Missouri pays interest to entities on various overpayments received by the state;
- (7) Allows the use of certain regulated money market mutual funds for investment of funds by the State Treasurer;
- (8) Expands the rate of interest required to be payed by banking institutions on time deposits of state moneys;
- (9) Allows the State Treasurer to temporarily exchange certain investment obligations acquired by the State Treasurer into cash;
- (10) Increases the admission fee charged against an excursion gambling boat for each patron from \$2 to \$3; and
- (11) Increases the adjusted gross receipts tax paid by excursion gambling boats from 20% to 22%. All revenues resulting from these changes will be deposited in the Schools of the Future Fund, created in the substitute. All moneys in the fund will be used solely for the purpose of fully funding state aid to public schools.

HB 1898
HCS HB 1898

HOUSE SPONSOR Campbell
4589L.02P

HCS/HB 1898 - This act imposes a tax upon licensed retail pharmacies in Missouri for the privilege of providing outpatient prescription drugs. The tax rate of up to will be based on monthly gross retail prescription receipts of pharmacies, not to exceed 6%.

The Department of Social Services will notify each individual pharmacy of the amount of quarterly tax due. The Department of Revenue will promulgate rules to carry-out the provisions of the act.

The act provides for a credit against the tax on pharmacies

for certain taxes paid to the federal government and provides for offsets against any Medicaid payment due the pharmacy from the state.

All revenues from the tax will be deposited in the Pharmacy Tax Fund, created in the act. Moneys in the fund will be used to provide payments for services related to the Medicaid pharmacy program.

The act contains an emergency clause and a sunset of June 30, 2003.

This act is similar to SB 1238 (2002).

HB 1906
HS HCS HB 1906

HOUSE SPONSOR Green

4682L.04P

HB 1906 - This act provides that in any fiscal year where a state fund has an excess unobligated cash balance, the legislature may transfer all or part of the balance to general revenue.

Beginning in fiscal year 2004, the House Budget Committee and the Senate Appropriations Committee shall review the cash balance of all state funds. Any balance in a dedicated fund must be used before additional general revenue appropriations.

Certain funds are exempt from transfer, including the following: constitutional funds; statutory funds approved by the voters; federal funds; funds created specifically to receive donations and bequests; Missouri arts council trust fund; funds that if transferred would violate the terms of an existing trust; and professional registration funds.

The Commissioner of Administration must develop a methodology to charge state funds for the cost of state services. Reimbursement for state services is subject to appropriation and must be deposited in the general revenue fund. Federal funds are exempted from the cost of state services.

The act contains an emergency clause.

HB 1964

HOUSE SPONSOR Gambaro

4595L.01P

HB 1964 - This act specifically excludes neighborhood associations within the definition of "real estate broker" for the purposes of certain provisions of Chapter 339, RSMo. This act allows neighborhood associations, acting without compensation, to participate in real estate transactions by providing prospective buyers with information regarding real estate located within the geographical area which the association represents. A neighborhood association is any group organized for the sole purpose of improving a particular geographic area within a municipality.

Farnen, Ted et al

P E R F E C T E D

HB 1986 -- GOVERNING BOARDS (Hosmer)

This bill authorizes a faculty representative as a nonvoting member of the governing boards of four-year public higher

education institutions. The faculty representative to each institution's governing board will be appointed by the Governor, with the advice and consent of the Senate. The faculty representative, who is to serve a single term of two years, must be a U.S. citizen; a Missouri resident; and a full-time, tenured member of the faculty. The faculty representative is authorized to receive the same reimbursement for expenses as other board members, must attend all meetings of the board, and has all of the powers of the other board members, except the right to vote. Technical changes to accommodate the addition of a nonvoting faculty representative are made to several sections of law. The bill permits the institutions to close meetings to the faculty representative and requires all board members at these institutions to observe confidentiality. The provisions concerning the student representative at each institution are revised to require the selection of a replacement to occur within 90 days of a vacancy.

FISCAL NOTE: No impact on state funds.

HB2002
Farnen, Ted
Naeger, Patrick A.

P E R F E C T E D

HB 2002 -- CORONER'S INQUEST (Farnen)

This bill makes the issuance of a coroner's warrant to a sheriff discretionary. Under current law, a coroner must issue a warrant to the sheriff to summon a jury for a coroner's inquest when a death has been caused by violence or casualty.

Under current law, jurors are responsible for determining if a person died as a result of a felony. The bill requires jurors to also determine if the felonious act was justified. Coroners are empowered to issue summons for evidence, documents, and materials of substance. The jury may view the dead body by photographic, electronic, or other means.

FISCAL NOTE: No impact on state funds.

HB 2023

HOUSE SPONSOR Franklin

3746L.01P

HB 2023 - This act relates to due process hearing rights for parents of a child with an individual education plan. Current law allows such parents to request an expedited hearing to contest the disciplinary placement of the child to a provisional alternative setting or to challenge a manifestation determination connected with a disciplinary action involving an interim placement for weapons, drugs, or if the child poses a danger to other students or to him/herself. An educational agency may also request such a hearing to seek placement of a violent or dangerous student.

The act substitutes the specific reasons for the disciplinary placement with language that permits a parent to request a hearing on any disciplinary change of placement. Further, the act revises the appeal procedure for the hearing panel decision, which currently permits appeals pursuant to the administrative procedures laws. Instead, the act specifies that a court will hear the case without a jury upon the record filed as the resolution conference statutes provide and limits the court's review to a determination of whether the agency's action: violates the constitution; is made upon unlawful procedures; is arbitrary, capricious, or unreasonable; or involves an abuse of discretion.

HB 2025 -- SPECIAL LICENSE PLATE (Walton)

This bill allows for a special license plate for members or alumni Greek organizations Kappa Alpha Psi, Iota Phi Theta, Sigma Gamma Rho, Alpha Phi Alpha, Alpha Kappa Alpha, Zeta Phi Beta, and Phi Beta Sigma.

To obtain the plate, a person must get a use authorization statement (\$25 contribution) from the respective organizations and present the statement to the Department of Revenue at the time of registration along with a \$15 fee in addition to the registration fee and other documents required by law.

Revenue collected from authorization contributions, minus any reasonable administrative cost, will be used solely for the purposes of these Greek organizations.

FISCAL NOTE: No impact on state funds.

Villa, Thomas et al

P E R F E C T E D

HB 2064 -- TAX FORECLOSURE SALES (Walton)

This bill authorizes a recording fee for a sheriff's deed given under the St. Louis Municipal Land Reutilization Law. The recording fee must be assessed and collected from the purchaser of the property at the same time the proceeds from the sale are collected. All deeds must be recorded within two months after the sheriff's deed is given.

FISCAL NOTE: No impact on state funds.

HB 2080

HOUSE SPONSOR Britt

4870L.02P

HB 2080 - This act provides that in counties that, after August 28, 2001, elect to have a full-time prosecuting attorney may at any time elect to have that position qualify for the same benefit as counties of the first classification. The election must be made by a majority vote of the county commission and once made is irrevocable. The election may be made retroactive. Reporting requirements and financial obligations resulting from the election are specified.

HB 2123

HOUSE SPONSOR Barry

2530L.01P

HB 2123 - This act allows for a special license plate for the Friends of the Missouri Women's Council. To obtain the plate, a person must get a use authorization statement (\$25 contribution) from the Friends of the Missouri Women's Council and present the statement to the Department of Revenue at the time of registration along with a \$15 fee in addition to the registration fee and other documents required by law. Revenue collected from authorization contributions, minus any reasonable administrative cost, will be used solely for the purposes of providing breast cancer services, including but not limited to screening, treatment, staging, and follow-up services.
