boat which is also licensed to sell or serve alcoholic beverages, wine, or beer. The commission shall regulate the wagering structure for gambling excursions [including providing a maximum loss of five hundred dollars per individual player per gambling excursion], **provided that the commission shall not establish any maximum loss limit;**

(4) To enter the premises of excursion gambling boats, facilities, or other places of business of a licensee within this state to determine compliance with sections 313.800 to 313.850;

(5) To investigate alleged violations of sections 313.800 to 313.850 or the commission rules, orders, or final decisions;

(6) To assess any appropriate administrative penalty against a licensee, including, but not limited to, suspension, revocation, and penalties of an amount as determined by the commission up to three times the highest daily amount of gross receipts derived from wagering on the gambling games, whether unauthorized or authorized, conducted during the previous twelve months as well as confiscation and forfeiture of all gambling game equipment used in the conduct of unauthorized gambling games. Forfeitures pursuant to this section shall be enforced as provided in sections 513.600 to 513.645, RSMo;

(7) To require a licensee, an employee of a licensee or holder of an occupational license to remove a person violating a provision of sections 313.800 to 313.850 or the commission rules, orders, or final orders, or other person deemed to be undesirable from the excursion gambling boat or adjacent facilities;

(9) To require all licensees to file all financial reports required by rules and regulations of the commission;

(10) To issue subpoenas for the attendance of witnesses and subpoenas duces tecum for the production of books, records, and other pertinent documents, and to administer oaths and affirmations to the witnesses, when, in the judgment of the commission, it is necessary to enforce sections 313.800 to 313.850 or the commission rules;

(11) To keep accurate and complete records of its proceedings and to certify the records as may be appropriate;

(12) To ensure that the gambling games are conducted fairly. No gambling device shall be set to pay out less than eighty percent of all wagers;

(13) To require all licensees of gambling game operations to use a cashless wagering system whereby all players' money is converted to physical or electronic tokens, electronic cards, or chips which only can be used for wagering on the excursion gambling

boat;

(14) To require excursion gambling boat licensees to develop a system, approved by the commission, that allows patrons the option to prohibit the excursion gambling boat licensee from using identifying information for marketing purposes. The provisions of this subdivision shall apply only to patrons giving identifying information for the first time. Such system shall be submitted to the commission by October 1, 2000, and approved by the commission by January 1, 2001. The excursion gambling boat licensee shall use identifying information obtained from patrons who have elected to have marketing blocked under the provisions of this section only for the purposes of enforcing the requirements contained in sections 313.800 to 313.850. This section shall not prohibit the commission from accessing identifying information for the purposes of enforcing section 313.004 and sections 313.800 to 313.850;

(15) To determine which of the authorized gambling games will be permitted on any licensed excursion gambling boat;

(16) Excursion gambling boats shall cruise, unless the commission finds that the best interest of Missouri and the safety of the public indicate the need for continuous docking of the excursion gambling boat in any city or county authorized pursuant to subsection 10 of section 313.812. The commission shall base its decision to allow continuously docked excursion gambling boats on any of the following criteria: the docking location or the excursion cruise could cause danger to the boat's passengers, violate federal law or the law of another state, or cause disruption of interstate commerce or possible interference with railway or barge transportation. In addition, the commission shall consider economic feasibility or impact that would benefit land-based development and permanent job creation. The commission shall not discriminate among applicants for continuous-docking excursion gambling that are similarly situated with respect to the criteria set forth in this section;

(17) The commission shall render a finding concerning the possibility of continuous docking, as described in subdivision (15) of this section, within thirty days after a hearing on any request from an applicant or licensee. Such hearing may be held prior to any final action on licensing to assist an applicant and any city or county in the finalizing of their economic development plan;

(18) To require any applicant for a license or renewal of a license to operate an excursion gambling boat to provide an affirmative action plan which has as its goal the use of best efforts to achieve maximum employment of African-Americans and other minorities and maximum participation in the procurement of contractual purchases of goods and services. This provision shall be administered in accordance with all federal and state employment laws, including Title VII of the Civil Rights Act of 1964, as

amended by the Civil Rights Act of 1991. At license renewal, the licensee will report on the effectiveness of the plan. The commission shall include the licensee's reported information in its annual report to the joint committee on gaming and wagering;

(19) To take any other action as may be reasonable or appropriate to enforce sections 313.800 to 313.850 and the commission rules.

313.822. A tax is imposed on the adjusted gross receipts received from gambling games authorized pursuant to sections 313.800 to 313.850 at the rate of twenty percent; **for licensees with adjusted gross receipts of greater than twenty million dollars an additional tax at a rate of one percent shall be imposed upon the amount of adjusted gross receipts in excess of thirty million dollars.** The taxes imposed by this section shall be returned to the commission in accordance with the commission's rules and regulations who shall transfer such taxes to the director of revenue. All checks and drafts remitted for payment of these taxes and fees shall be made payable to the director of revenue. If the commission is not satisfied with the return or payment made by any licensee, it is hereby authorized and empowered to make an assessment of the amount due based upon any information within its possession or that shall come into its possession. Any licensee against whom an assessment is made by the commission may petition for a reassessment. The request for reassessment shall be made within twenty days from the date the assessment was mailed or delivered to the licensee, whichever is earlier. Whereupon the commission shall give notice of a hearing for reassessment and fix the date upon which the hearing shall be held. The assessment shall become final if a request for reassessment is not received by the commission within the twenty days. Except as provided in this section, on and after April 29, 1993, all functions incident to the administration, collection, enforcement, and operation of the tax imposed by sections 144.010 to 144.525, RSMo, shall be applicable to the taxes and fees imposed by this section.

(1) Each excursion gambling boat shall designate a city or county as its home dock. The home dock city or county may enter into agreements with other cities or counties authorized pursuant to subsection 10 of section 313.812 to share revenue obtained pursuant to this section. The home dock city or county shall receive ten percent of the adjusted gross receipts tax collections, as levied pursuant to this section, for use in providing services necessary for the safety of the public visiting an excursion gambling boat. Such home dock city or county shall annually submit to the commission a shared revenue agreement with any other city or county. All moneys owed the home dock city or county shall be deposited and distributed to such city or county in accordance with rules and regulations of the commission. All revenues provided for in this section to be transferred to the governing body of any city not within a county and any city with a

population of over three hundred fifty thousand inhabitants shall not be considered state funds and shall be deposited in such city's general revenue fund to be expended as provided for in this section.

(2) The remaining amount of the adjusted gross receipts tax shall be deposited in the state treasury to the credit of the "Gaming Proceeds for Education Fund" which is hereby created in the state treasury. Moneys deposited in this fund shall be considered the proceeds of excursion boat gambling and state funds pursuant to article IV, section 15 of the Missouri Constitution. All interest received on the gaming proceeds for education fund shall be credited to the gaming proceeds for education fund. Appropriation of the moneys deposited into the gaming proceeds for education fund shall be pursuant to state law.

Section B. Section A of this act is hereby submitted to the qualified voters of this state for approval or rejection at an election which is hereby ordered and which shall be held and conducted on the first Tuesday in August, 2003, or at a special election to be called by the governor for that purpose, pursuant to the laws and constitutional provisions of this state for the submission of referendum measures by the general assembly, and this act shall become effective when approved by a majority of the votes cast thereon at such election and not otherwise.
