Medicare Information (800) 392-3070

If you are 65 years of age or on disability for two years, you are also eligible for Medicare to help pay for health care. The hospital part of Medicare (Part A), which pays for a large portion of any hospitalization you may require, is FREE. The medical part (doctor's services, Part B) will cost you \$46.10 per month under current law.

If you begin receiving Social Security money benefits before age 65 (anytime from age 62 to 65), you will not become eligible for Medicare until you reach 65. If, on the other hand, you do not retire at age 65 and do not start collecting money benefits then, you will nevertheless be eligible for Medicare at that time - at age 65.

You may check on Medicare benefits with the Social Security Administration.

Medicaid is a health assistance program administered by the state according to certain federal guidelines. Benefits are available to people who are temporarily or permanently disabled, as well as low-income families and many others.

Medicaid pays for visits to the doctor, immunization for diseases such as measles, tetanus and polio; ambulance services in case of emergency; in-patient hospital care; yearly eye examinations; children's glasses; laboratory and X-ray services; home health care services; family planning services; certain dental work and certain prescriptions.

- Social Security Administration -

www.ssa.gov

Since it was enacted in 1935, Social Security has served as an important method of providing a continuing source of income when family earnings stop or are reduced as a result of retirement, disability or death.

Find out if you are eligible. Contact your Social Security Office if (1) you find yourself unable to work because of an illness or injury that is expected to last at least a year, or (2) you are 62 or older and plan to retire, or (3) you are within 3 months of your 65th birthday, or (4) someone in your family dies.

Almost every American reaching age 65 today is eligible for Social Security benefits. Check your eligibility with your nearest Social Security district office at least 3 months before your 65th birthday. You may apply for these benefits at age 62 if you prefer, but early payment will reduce the monthly benefit amount for the rest of your life. Your Social Security district office can give you specific personal information. Take your Social Security card and proof of your age with you when you visit the Social Security Administration Office. If you have not yet obtained a Social Security card, you can apply for one at your Social Security office.

Voter Registration

Voting is the right and responsibility of all qualified citizens. The only requirements are that you be at least 18 years old and that you be registered. Following is information on how to go about meeting the second requirement - getting registered.

Upon turning 18 or moving to Missouri, anyone desiring to register to vote in the state can do so by taking valid identification to a local registration location. This must be done by the 4th Wednesday prior to any election in order to vote in

that particular election. After registering, you're eligible to vote in any election.

To obtain a list of the registration locations nearest you, contact the **Clay County Board of Election Commissioners at 792-7671**; or check any of the following places in your neighborhood.

- local library
- city hall
- local school district office
- motor vehicle license office

If the need should arise for you to vote by absentee ballot, you can do so by mail or in person or a relative or guardian may apply for you at the county election board office.

Absentee ballots may be obtained if a person is absent from the county on election day, ill or disabled, has religious beliefs or practices preventing voting in person, is employed by an election authority or is in the armed forces.

Once you've applied for and received the absentee ballot, be sure to fill out all information on the envelope provided. The ballot then must be sent by mail or delivered in person to the election authority.
