Community Directory
for the
23rd Senatorial District

From Your State Senator

Chuck Gross

Dear Friends,

As your state senator, I receive numerous inquiries about the governmental agencies and independent organizations providing services to the citizens in my district. This directory includes a listing of elected and appointed officials in federal, state and local government.

Our community is fortunate to have many organizations offering assistance to our residents, and I regret that we cannot list every one. Please note that inclusion in this directory does not imply endorsement, nor does any omission imply a lack of endorsement.

I trust that you will receive prompt and courteous assistance from state government employees. If you do not, or your questions remain unanswered, please do not hesitate to contact my assistant Vicky Huesemann at my local district office at 636-949-2323 or my assistant Jean Kempker at my State Capitol office at 573-751-8635.

It is a privilege to represent you in the Missouri legislature. If you have any suggestions for improvements in state government, please let me know.

Sincerely,

A handwritten signature in cursive script that reads "Chuck Gross".

VISITING THE CAPITAL CITY

If you plan to visit Jefferson City, the following tours and attractions are available to the public at no cost. No tours on New Year's Day, Easter, Thanksgiving and Christmas.

You may arrange any of these tours yourself, or if you wish, you may call my office and we will be glad to arrange them for you.

Missouri Capitol

The Missouri Capitol is one of the most beautiful in the nation. For your convenience it is open every day year-round, but the best time to visit is from January to mid-May when the Legislature is in session. While you are there be sure to visit your senator and representative's offices, the Senate and House chambers, and the House Lounge where the famous Thomas Hart Benton murals decorate the walls. Guided tours are available daily on the hour between 8 am and 11 am and 1pm to 4 pm. For more information or to make reservations call 573-751-2854 or 800-537-2900.

Governor's Mansion

The Governor's Mansion is open for tours on Tuesdays and Thursdays from 10 am to noon and 1 to 3 pm. No tours during August and December, except for the traditional Christmas Candlelight Tours which take place on two evenings during the holiday season. Reservations are required for groups of 10 or more persons. Call 573-751-7929, or fax your request to 573-751-9219.

Due to security and preservation concerns, no packages, including backpacks, food, beverages or chewing gum can be brought onto the property. Cameras are welcome. Cell phones should be turned off during tours.

Supreme Court Building

In addition to offices for the judges, the building houses the offices of the clerk of the Supreme Court and the state attorney general. The Court's 2-story library extends the entire length of the building, and contains more than 110,000 volumes. The 3-story, red brick French Renaissance style building contains 2 courtrooms. It is located across from the Capitol Building. Reservations for tours are required and may be arranged from 9 am to 3 pm weekdays, by calling 573-751-4144.

Runge Conservation Nature Center

The nature center, located on Hwy. 179, features 3,000 square feet of exhibits on Missouri's forests, rivers, caves and other habitats. Naturalists offer programs during the day, evenings and on weekends. Five hiking trails, a 200-seat auditorium, a library, 3 classrooms and a wildlife viewing area are available. All programs and facilities are free to the public. The Runge Center is open Monday through Saturday, 8 am to 5 pm, and Sundays noon to 5 pm. Call 573-526-5544 for more information.

Missouri Highway Patrol Safety Education Center and Museum

Lewis & Clark Bicentennial 2003-2006

The new Lewis & Clark Boat House and Nature Center situated right on the Missouri River in St. Charles, Missouri will be a unique teaching facility and tourist attraction. The first level will house the authentic replicas of the Lewis and Clark boats that will be well traveled across the country during the Bicentennial years of 2003-2006. The upper level will contain exhibits and dioramas of the many facets of the expedition and the contribution of St. Charles to western travelers as well as an audio-visual teaching facility and trading post. The new facility will be operational by mid-year 2003 in time for the many Bicentennial celebrations.
