To repeal section 171.033, RSMo, and to enact in lieu thereof one new section relating to exceptions to mandatory hours of school attendance, with an emergency clause.

---

*Be it enacted by the General Assembly of the State of Missouri, as follows:*

Section A. Section 171.033, RSMo, is repealed and one new section enacted in lieu thereof, to be known as section 171.033, to read as follows:

171.033. 1. Except as provided in subsections 3 and 4 of this section, no school district shall be exempt from any requirement to make up any days of school lost or canceled due to inclement weather **or outbreak of influenza**, unless that school district schedules at least two-thirds as many make-up days for a school year as were lost in the previous school year, which days shall be in addition to the school calendar days required for a school term by section 171.031.

2. If, after using the make-up days referred to in subsection 1, a district does not meet the requirement for a term of one hundred seventy-four days of actual pupil attendance, it shall be required to make up no more than eight additional days of school lost or canceled due to inclement weather **or outbreak of influenza** and half the number of days lost or canceled in excess of eight days.

3. In the [2000-01] **2002-2003** school year, a school district may be exempt from the requirement to make up days of school lost or canceled due to inclement weather **or outbreak of influenza** occurring after November 20, [2000] **2002**, in the school district, but such reduction of the minimum number of school days shall not exceed five days when a district has missed

**EXPLANATION**—Matter enclosed in bold-faced brackets [thus] in this bill is not enacted and is intended to be omitted in the law.

more than seven days overall, such reduction to be taken as follows: one day for eight days missed, two days for nine days missed, three days for ten days missed, four days for eleven days missed, and five days for twelve or more days missed. The requirement for scheduling two-thirds of the missed days into the next year's calendar pursuant to subsection 1 of this section shall be waived for the [2001-02] **2003-2004** school year. [A school district which held class for a full school day during the 2000-01 school year and after November 20, 2000, on a day in which at least one adjoining school district or at least one other district headquartered in the same county canceled classes due to inclement weather may report its daily attendance for such day, for the purposes of determining state school aid pursuant to section 163.031, RSMo, based upon the district's average daily attendance for the preceding school year, provided that no district may report attendance pursuant to this subsection for more than five school days during the 2000-01 school year.]

4. The commissioner of education may provide, for any school district in which schools are in session for twelve months of each calendar year that cannot meet the minimum school calendar requirement of at least one hundred seventy-four days and one thousand forty-four hours of actual pupil attendance, upon request, a waiver to be excused from such requirement. This waiver shall be requested from the commissioner of education and may be granted if the school was closed due to circumstances beyond school district control, including inclement weather, flooding [or], fire, **or outbreak of influenza**.

Section B. Because immediate action is necessary to clarify potential school scheduling and funding problems, section A of this act is deemed necessary for the immediate preservation of the public health, welfare, peace and safety, and is hereby declared to be an emergency act within the meaning of the constitution, and section A of this act shall be in full force and effect upon its passage and approval.
