AN ACT

To amend chapters 41 and 301, RSMo, by adding thereto two new sections relating to antiterrorism.

Be it enacted by the General Assembly of the State of Missouri, as follows:

Section A. Chapters 41 and 301, RSMo, are amended by adding thereto two new sections, to be known as sections 41.033 and 301.3123, to read as follows:

41.033. 1. There is hereby created within the Missouri disaster fund established pursuant to section 44.032, RSMo, a subaccount known as the "Antiterrorism Fund". All contributions derived from section 301.3123, RSMo, private donations, federal grants, or any appropriations made by the general assembly, shall be placed in the antiterrorism fund. Notwithstanding the provisions of section 33.080, RSMo, to the contrary, moneys in the antiterrorism fund shall not revert to the general revenue fund. Interest accruing to the antiterrorism fund shall be part of the fund.

2. The antiterrorism fund shall, upon appropriation, be used by the Missouri office of homeland security for antiterrorism activities. Expenditures from the fund shall be made upon the direction of the governor for antiterrorism activities. As used in this section, the term "antiterrorism activities" means activities related to the prevention, detection, and emergency response to terrorism that are undertaken by state and local law enforcement, fire protection, and public health agencies. The funds provided for these activities, to the extent that funds are available, shall be used exclusively for purposes directly related to fighting terrorism. Eligible activities include, but are not limited to, hiring support staff to perform administrative tasks, hiring and training additional law enforcement, fire protection, and public health

personnel, response training for existing and additional law enforcement, fire protection, and public health personnel, and hazardous materials and other equipment expenditures.

301.3123. 1. Any vehicle owner may apply for "FIGHT TERRORISM" license plates for any motor vehicle the person owns, either solely or jointly, other than an apportioned motor vehicle or a commercial motor vehicle licensed in excess of eighteen thousand pounds gross weight. Upon making an annual twenty-five dollar contribution to the antiterrorism fund established pursuant to section 41.033, RSMo, the vehicle owner may apply for the "FIGHT TERRORISM" plate. If the contribution is made directly to the Missouri office of homeland security it shall issue the individual making the contribution a receipt, verifying the contribution, that may be used to apply for the "FIGHT TERRORISM" license plate. If the contribution is made directly to the director of revenue pursuant to section 301.3031, the director shall note the contribution and the owner may then apply for the "FIGHT TERRORISM" plate. The applicant for such plate must pay a fifteen-dollar fee in addition to the regular registration fees and present any other documentation required by law for each set of "FIGHT TERRORISM" plates issued pursuant to this section. Notwithstanding the provisions of section 301.144, no additional fee shall be charged for the personalization of license plates issued pursuant to this section. The "FIGHT TERRORISM" plate shall bear an emblem prescribed by the director of revenue and shall have the words "FIGHT TERRORISM" in place of the words "SHOW-ME STATE". Such license plates shall be made with fully reflective material with a common color scheme and design, shall be clearly visible at night, and shall be aesthetically attractive, as prescribed by section 301.130.

2. A vehicle owner, who was previously issued a "FIGHT TERRORISM" license plate authorized by this section but who does not provide proof of the annual contribution at a subsequent time of registration, shall be issued a new plate which does not bear the emblem or motto "FIGHT TERRORISM", as otherwise provided by law.

3. The director of revenue may promulgate rules and regulations for the administration of this section, and shall design all necessary forms required by this section. Any rule or portion of a rule, as that term is defined in section 536.010, RSMo, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536, RSMo, and, if applicable, section 536.028, RSMo. This section and chapter 536, RSMo, are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536, RSMo, to review, to delay the effective date or to disapprove and annul

a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2003, shall be invalid and void.
