AN ACT

To repeal section 302.171, RSMo, and to enact in lieu thereof one new section relating to drivers' licenses for certain individuals.

Be it enacted by the General Assembly of the State of Missouri, as follows:

Section A. Section 302.171, RSMo, is repealed and one new section enacted in lieu thereof, to be known as section 302.171, to read as follows:

302.171. 1. Application for a license shall be made upon an approved form furnished by the director. Every application shall state the full name, Social Security number **or individual taxpayer identification number (ITIN)**, age, height, weight, color of eyes, sex, residence, mailing address of the applicant, and the classification for which the applicant has been licensed, and, if so, when and by what state, and whether or not such license has ever been suspended, revoked, or disqualified, and, if revoked, suspended or disqualified, the date and reason for such suspension, revocation or disqualification and whether the applicant is making a one-dollar donation to promote an organ donation program as prescribed in subsection 2 of this section. The application shall also contain such information as the director may require to enable the director to determine the applicant's qualification for driving a motor vehicle; and shall state whether or not the applicant has been convicted in this or any other state for violating the laws of this or any other state or any ordinance of any municipality, relating to driving without a license, careless driving, or driving while intoxicated, or failing to stop after an accident and disclosing the applicant's identity, or driving a motor vehicle without the owner's consent. The application shall contain a certification by the applicant as to the truth of the facts stated therein. Every person who applies for a license to operate a motor vehicle who is less than twenty-one years of age shall be provided with educational materials relating to the hazards of driving while

intoxicated, including information on penalties imposed by law for violation of the intoxication-related offenses of the state. Beginning January 1, 2001, if the applicant is less than eighteen years of age, the applicant must comply with all requirements for the issuance of an intermediate driver's license pursuant to section 302.178.

2. An applicant for a license may make a donation of one dollar to promote an organ donor program. The director of revenue shall collect the donations and deposit all such donations in the state treasury to the credit of the organ donor program fund established in sections 194.297 to 194.304, RSMo. Moneys in the organ donor program fund shall be used solely for the purposes established in sections 194.297 to 194.304, RSMo, except that the department of revenue shall retain no more than one percent for its administrative costs. The donation prescribed in this subsection is voluntary and may be refused by the applicant for the license at the time of issuance or renewal of the license. The director shall make available an informational booklet or other informational sources on the importance of organ donations to applicants for licensure as designed by the organ donation advisory committee established in sections 194.297 to 194.304, RSMo. The director shall inquire of each applicant at the time the licensee presents the completed application to the director whether the applicant is interested in making the one-dollar donation prescribed in this subsection and whether the applicant is interested in making an organ donation and shall also specifically inform the licensee of the ability to make an organ donation by completing the form on the reverse of the license that the applicant will receive in the manner prescribed by subsection 6 of section 194.240, RSMo. The director shall notify the department of health and senior services of information obtained from applicants who indicate to the director that they are interested in making organ donations, and the department of health and senior services shall enter the complete name, address, date of birth, race, gender and a unique personal identifier in the registry established in subsection 1 of section 194.304, RSMo.

3. An applicant for a license may make a donation of one dollar to promote a blindness education, screening and treatment program. The director of revenue shall collect the donations and deposit all such donations in the state treasury to the credit of the blindness education, screening and treatment program fund established in section 192.935, RSMo. Moneys in the blindness education, screening and treatment program fund shall be used solely for the purposes established in section 192.935, RSMo, except that the department of revenue shall retain no more than one percent for its administrative costs. The donation prescribed in this subsection is voluntary and may be refused by the applicant for the license at the time of issuance or renewal of the license. The director shall inquire of each applicant at the time the licensee presents the completed application to the director whether the applicant is interested in making the one-dollar donation prescribed in this subsection.

4. Any alien, as that term is defined in section 442.566, RSMo, may apply for a

driver's license pursuant to this section provided he or she complies with the requirements set forth in subsection 1 of this section. The director may also require such applicant to provide a translated and notarized copy of a birth certificate in addition to all other required information. The director shall promulgate all rules and regulations necessary for the administration of this section. Any rule or portion of a rule, as that term is defined in section 536.010, RSMo, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536, RSMo, and, if applicable, section 536.028, RSMo. This section and chapter 536, RSMo, are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536, RSMo, to review, to delay the effective date or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2003, shall be invalid and void.
