Each statement filed shall cover the calendar year ending the immediately preceding December thirty-first, provided that the governor, lieutenant governor, any member of the general assembly, or any member of the governing body of a political subdivision may supplement such person's financial interest statement to report additional interests acquired after December thirty-first of the covered year until the date of filing of the financial interest statement.** The [appropriate] **appointed** election authority shall provide to the candidate at the time of filing for [election] **office** written notice of the candidate's obligation to file pursuant to sections 105.483 to 105.492 and the candidate shall sign a statement acknowledging receipt of such notice;

(2) Each person appointed to office, except any person elected for county committee of a political party pursuant to section 115.617, RSMo, and each official or employee described in section 105.483 who is not otherwise covered in this subsection shall file the statement within thirty days of such appointment or employment. **This statement will cover the time period described in subsection 1 of this section;**

(3) [Every other person required by sections 105.483 to 105.492 to file a financial interest statement shall file the statement annually not later than the first day of May and the statement

shall cover the calendar year ending the immediately preceding December thirty-first; provided that the governor, lieutenant governor, any member of the general assembly or any member of the governing body of a political subdivision may supplement such person's financial interest statement to report additional interests acquired after December thirty-first of the covered year until the date of filing of the financial interest statement] **If an individual becomes a candidate for office by nomination of a political caucus, the individual shall file a financial interest statement within ten days of nomination. Such statement shall cover the time period described in subsection 1 of this section;**

(4) The deadline for filing any statement required by sections 105.483 to 105.492 shall be 5:00 p.m. of the last day designated for filing the statement. When the last day of filing falls on a Saturday or Sunday or on an official state holiday, the deadline for filing is extended to 5:00 p.m. on the next day which is not a Saturday or Sunday or official holiday. Any statement required within a specified time shall be deemed to be timely filed if it is postmarked not later than midnight of the day previous to the last day designated for filing the statement.

105.961. 1. Upon receipt of a complaint as described by section 105.957, the commission shall assign the complaint to a special investigator, who may be a commission employee, who shall investigate and determine the merits of the complaint. Within ten days of such assignment, the special investigator shall review such complaint and disclose, in writing, to the commission any conflict of interest which the special investigator has or might have with respect to the investigation and subject thereof. Within one hundred twenty days of receipt of the complaint from the commission, the special investigator shall submit the special investigator's report to the commission. The commission, after review of such report, shall determine:

- (1) That there is reasonable grounds for belief that a violation has occurred; or
- (2) That there are no reasonable grounds for belief that a violation exists and the complaint should be dismissed; or
- (3) That additional time is necessary to complete the investigation, and the status and progress of the investigation to date. The commission, in its discretion, may allow the investigation to proceed for additional successive periods of one hundred twenty days each, pending reports regarding the status and progress of the investigation at the end of each such period.

2. When the commission concludes, based on the report from the special investigator, or based on an audit conducted pursuant to section 105.959, that there are reasonable grounds to believe that a violation of any criminal law has occurred, and if the commission believes that criminal prosecution would be appropriate upon a vote of four members of the commission, the commission shall refer the report to the Missouri office of prosecution services, prosecutors coordinators training council established in section 56.760, RSMo, which shall submit a panel of five attorneys for recommendation to the court having criminal jurisdiction, for appointment of

an attorney to serve as a special prosecutor; except that, the attorney general of Missouri or any assistant attorney general shall not act as such special prosecutor. The court shall then appoint from such panel a special prosecutor pursuant to section 56.110, RSMo, who shall have all the powers provided by section 56.130, RSMo. The court shall allow a reasonable and necessary attorney's fee for the services of the special prosecutor. Such fee shall be assessed as costs if a case is filed, or ordered by the court if no case is filed, and paid together with all other costs in the proceeding by the state, in accordance with rules and regulations promulgated by the state courts administrator, subject to funds appropriated to the office of administration for such purposes. If the commission does not have sufficient funds to pay a special prosecutor, the commission shall refer the case to the prosecutor or prosecutors having criminal jurisdiction. If the prosecutor having criminal jurisdiction is not able to prosecute the case due to a conflict of interest, the court may appoint a special prosecutor, paid from county funds, upon appropriation by the county or the attorney general to investigate and, if appropriate, prosecute the case. The special prosecutor or prosecutor shall commence an action based on the report by the filing of an information or seeking an indictment within sixty days of the date of such prosecutor's appointment, or shall file a written statement with the commission explaining why criminal charges should not be sought. If the special prosecutor or prosecutor fails to take either action required by this subsection, upon request of the commission, a new special prosecutor, who may be the attorney general, shall be appointed. The report may also be referred to the appropriate disciplinary authority over the person who is the subject of the report.

3. When the commission concludes, based on the report from the special investigator or based on an audit conducted pursuant to section 105.959, that there are reasonable grounds to believe that a violation of any law has occurred which is not a violation of criminal law or that criminal prosecution is not appropriate, the commission shall conduct a hearing which shall be a closed meeting and not open to the public. The hearing shall be conducted pursuant to the procedures provided by sections 536.063 to 536.090, RSMo, and shall be considered to be a contested case for purposes of such sections. The commission shall determine, in its discretion, whether or not that there is probable cause that a violation has occurred. If the commission determines, by a vote of at least four members of the commission, that probable cause exists that a violation has occurred, the commission may refer its findings and conclusions to the appropriate disciplinary authority over the person who is the subject of the report, as described in subsection 7 of this section. After the commission determines by a vote of at least four members of the commission that probable cause exists that a violation has occurred, and the commission has referred the findings and conclusions to the appropriate disciplinary authority over the person subject of the report, the subject of the report may appeal the determination of the commission to the administrative hearing commission. Such appeal shall stay the action of the Missouri ethics commission. Such appeal shall be filed not later than the fourteenth day after the subject

of the commission's action receives [actual] notice of the commission's action.

4. If the appropriate disciplinary authority receiving a report from the commission pursuant to subsection 3 of this section fails to follow, within sixty days of the receipt of the report, the recommendations contained in the report, or if the commission determines, by a vote of at least four members of the commission that some action other than referral for criminal prosecution or for action by the appropriate disciplinary authority would be appropriate, the commission shall take any one or more of the following actions:

(1) Notify the person to cease and desist violation of any provision of law which the report concludes was violated and that the commission may seek judicial enforcement of its decision pursuant to subsection 5 of this section;

(2) Notify the person of the requirement to file, amend or correct any report, statement, or other document or information required by sections 105.473, 105.483 to 105.492, or chapter 130, RSMo, and that the commission may seek judicial enforcement of its decision pursuant to subsection 5 of this section; and

(3) File the report with the executive director to be maintained as a public document; or

(4) Issue a letter of concern or letter of reprimand to the person, which would be maintained as a public document; or

(5) Issue a letter that no further action shall be taken, which would be maintained as a public document; or

(6) Through reconciliation agreements or civil action, the power to seek fees for violations in an amount not greater than one thousand dollars or double the amount involved in the violation.

5. Upon vote of at least four members, the commission may initiate formal judicial proceedings seeking to obtain any of the following orders:

(1) Cease and desist violation of any provision of sections 105.450 to 105.496, or chapter 130, RSMo, or sections 105.955 to 105.963;

(2) Pay any civil penalties required by sections 105.450 to 105.496 or chapter 130, RSMo;

(3) File any reports, statements, or other documents or information required by sections 105.450 to 105.496, or chapter 130, RSMo; or

(4) Pay restitution for any unjust enrichment the violator obtained as a result of any violation of any criminal statute as described in subsection 6 of this section.

The Missouri ethics commission shall give [actual] notice to the subject of the complaint of the proposed action as set out in this section. The subject of the complaint may appeal the action of the Missouri ethics commission, other than a referral for criminal prosecution, to the administrative hearing commission. Such appeal shall stay the action of the Missouri ethics commission. Such appeal shall be filed no later than fourteen days after the subject of the commission's actions receives actual notice of the commission's actions.

6. In the proceeding in circuit court, the commission may seek restitution against any person who has obtained unjust enrichment as a result of violation of any provision of sections 105.450 to 105.496, or chapter 130, RSMo, and may recover on behalf of the state or political subdivision with which the alleged violator is associated, damages in the amount of any unjust enrichment obtained and costs and attorney's fees as ordered by the court.

7. The appropriate disciplinary authority to whom a report shall be sent pursuant to subsection 2 or 3 of this section shall include, but not be limited to, the following:

(1) In the case of a member of the general assembly, the ethics committee of the house of which the subject of the report is a member;

(2) In the case of a person holding an elective office or an appointive office of the state, if the alleged violation is an impeachable offense, the report shall be referred to the ethics committee of the house of representatives;

(3) In the case of a person holding an elective office of a political subdivision, the report shall be referred to the governing body of the political subdivision;

(4) In the case of any officer or employee of the state or of a political subdivision, the report shall be referred to the person who has immediate supervisory authority over the employment by the state or by the political subdivision of the subject of the report;

(5) In the case of a judge of a court of law, the report shall be referred to the commission on retirement, removal and discipline, or if the inquiry involves an employee of the judiciary to the applicable presiding judge;

(6) In the case of a person holding an appointive office of the state, if the alleged violation is not an impeachable offense, the report shall be referred to the governor;

(7) In the case of a statewide elected official, the report shall be referred to the attorney general;

(8) In a case involving the attorney general, the report shall be referred to the prosecuting attorney of Cole County.

8. The special investigator having a complaint referred to the special investigator by the commission shall have the following powers:

(1) To request and shall be given access to information in the possession of any person or agency which the special investigator deems necessary for the discharge of the special investigator's responsibilities;

(2) To examine the records and documents of any person or agency, unless such examination would violate state or federal law providing for confidentiality;

(3) To administer oaths and affirmations;

(4) Upon refusal by any person to comply with a request for information relevant to an investigation, an investigator may issue a subpoena for any person to appear and give testimony, or for a subpoena duces tecum to produce documentary or other evidence which the investigator

deems relevant to a matter under the investigator's inquiry. The subpoenas and subpoenas duces tecum may be enforced by applying to a judge of the circuit court of Cole County or any county where the person or entity that has been subpoenaed resides or may be found, for an order to show cause why the subpoena or subpoena duces tecum should not be enforced. The order and a copy of the application therefor shall be served in the same manner as a summons in a civil action, and if, after hearing, the court determines that the subpoena or subpoena duces tecum should be sustained and enforced, the court shall enforce the subpoena or subpoena duces tecum in the same manner as if it had been issued by the court in a civil action; and

(5) To request from the commission such investigative, clerical or other staff assistance or advancement of other expenses which are necessary and convenient for the proper completion of an investigation. 11. The provisions of sections 105.957, 105.959 and 105.961 are in addition to other provisions of law under which any remedy or right of appeal or objection is provided for any person, or any procedure provided for inquiry or investigation concerning any matter. The provisions of this section shall not be construed to limit or affect any other remedy or right of appeal or objection.

12. No person shall be required to make or file a complaint to the commission as a prerequisite for exhausting the person's administrative remedies before pursuing any civil cause of action allowed by law.

13. If, in the opinion of the commission, the complaining party was motivated by malice or reason contrary to the spirit of any law on which such complaint was based, in filing the complaint without just cause, this finding shall be reported to appropriate law enforcement authorities. Any person who knowingly files a complaint without just cause, or with malice, is guilty of a class A misdemeanor.

14. A respondent party who prevails in a formal judicial action brought by the

commission shall be awarded those reasonable fees and expenses incurred by that party in the formal judicial action, unless the court finds that the position of the commission was substantially justified or that special circumstances make such an award unjust.

15. The special investigator and members and staff of the commission shall maintain confidentiality with respect to all matters concerning a complaint until and if a report is filed with the commission, with the exception of communications with any person which are necessary to the investigation. The report filed with the commission resulting from a complaint acted upon under the provisions of this section shall not contain the name of the complainant or other person providing information to the investigator, if so requested in writing by the complainant or such other person. Such retired judges shall by the tenth day of each month following any month in which the judge provided services pursuant to this section certify to the commission and to the state courts administrator the amount of time engaged in such services by hour or fraction thereof, the dates thereof, and the expenses incurred and allowable pursuant to this section. The commission shall then issue a warrant to the state treasurer for the payment of the salary and expenses to the extent, and within limitations, provided for in this section. The state treasurer upon receipt of such warrant shall pay the same out of any appropriations made for this purpose on the last day of the month during which the warrant was received by the state treasurer.

The executive director shall mail a notice[by registered mail,] to any candidate [and candidate committee treasurer and deputy treasurer] who fails to file such report informing such person of such failure and the fees provided by this section. If the candidate persists in such failure for a period in excess of thirty days beyond receipt of such notice, the amount of the late filing fee shall increase to one hundred dollars for each day that the report is not filed, provided that the total amount of such fees assessed pursuant to this subsection per report shall not exceed three thousand dollars.

2. (1) Any candidate for state or local office who fails to file a campaign disclosure report required pursuant to subdivision (1) of subsection 1 of section 130.046, RSMo, other than a

report required to be filed with a local election authority as provided by section 130.026, RSMo, shall be assessed by the executive director a late filing fee of one hundred dollars for each day that the report is not filed, until the first day after the date of the election. After such election date, the amount of such late filing fee shall accrue at the rate of ten dollars per day that such report remains unfiled, except as provided in subdivision (2) of this subsection.

(2) The executive director shall mail a notice[, by certified mail or other means to give actual notice,] to any candidate [and candidate committee treasurer and deputy treasurer] who fails to file the report described in subdivision (1) of this subsection informing such person of such failure and the fees provided by this section. If the candidate persists in such failure for a period in excess of thirty days beyond receipt of such notice, the amount of the late filing fee shall increase to one hundred dollars for each day that the report is not filed, provided that the total amount of such fees assessed pursuant to this subsection per report shall not exceed six thousand dollars.

3. The executive director shall assess every person required to file a financial interest statement pursuant to sections 105.483 to 105.492 failing to file such a financial interest statement with the commission a late filing fee of ten dollars for each day after such statement is due to the commission. The executive director shall mail a notice[, by certified mail,] to any person who fails to file such statement informing the individual required to file of such failure and the fees provided by this section. If the person persists in such failure for a period in excess of thirty days beyond receipt of such notice, the amount of the late filing fee shall increase to one hundred dollars for each day thereafter that the statement is late, provided that the total amount of such fees assessed pursuant to this subsection per statement shall not exceed six thousand dollars.

4. Any person assessed a late filing fee may seek review of such assessment or the amount of late filing fees assessed, at the person's option, by filing a petition within fourteen days after receiving actual notice of assessment with the administrative hearing commission, or without exhausting the person's administrative remedies may seek review of such issues with the circuit court of Cole County.

5. The executive director of the Missouri ethics commission shall collect such late filing fees as are provided for in this section. Unpaid late filing fees shall be collected by action filed by the commission. The commission shall contract with the appropriate entity to collect such late filing fees after a thirty-day delinquency. If not collected within one hundred twenty days, the Missouri ethics commission shall file a petition in Cole County circuit court to seek a judgment on said fees. All late filing fees collected pursuant to this section shall be transmitted to the state treasurer and deposited to the general revenue fund.

6. The late filing fees provided by this section shall be in addition to any penalty provided by law for violations of sections 105.483 to 105.492 or chapter 130, RSMo.

7. If any candidate fails to file a campaign disclosure report in a timely manner and that candidate is assessed a late filing fee, the candidate, candidate committee treasurer or assistant treasurer may file an appeal of the assessment of the late filing fee with the commission. The commission may forgive the assessment of the late filing fee upon a showing of good cause. Such appeal shall be filed within ten days of the receipt of notice of the assessment of the late filing fee.

130.016. 1. No candidate for statewide elected office, general assembly, judicial office other than municipal judge, or municipal office in a city with a population of more than one hundred thousand shall be required to comply with the requirements to file a statement of organization or disclosure reports of contributions and expenditures for any election in which neither the aggregate of contributions received nor the aggregate of expenditures made on behalf of such candidate exceeds five hundred dollars and no single contributor, other than the candidate, has contributed more than [two hundred fifty dollars] **the amount set out in subdivision (3) of subsection 1 of section 130.032, as increased by subsection 2 of section 130.032**, of the aggregate contributions received, provided that:

(1) The candidate files a sworn exemption statement with the appropriate officer that the candidate does not intend to either receive contributions or make expenditures in the aggregate of more than five hundred dollars or receive contributions from any single contributor, other than himself or herself, that aggregate more than [two hundred fifty dollars] **the amount set out in subdivision (3) of subsection 1 of section 130.032, as increased by subsection 2 of section 130.032**, and that the total of all contributions received or expenditures made by the candidate and all committees or any other person with his knowledge and consent in support of his candidacy will not exceed five hundred dollars and that the aggregate of contributions received from any single contributor will not exceed [two hundred fifty dollars] **the amount set out in subdivision (3) of subsection 1 of section 130.032, as increased by subsection 2 of section 130.032**. Such exemption statement shall be filed no later than the date set forth in

section 130.046 on which a disclosure report would otherwise be required if the candidate does not file the exemption statement. The exemption statement shall be filed on a form furnished to each appropriate officer by the executive director of the Missouri ethics commission. Each appropriate officer shall make the exemption statement available to candidates and shall direct each candidate's attention to the exemption statement and explain its purpose to the candidate; and

(2) The sworn exemption statement includes a statement that the candidate understands that records of contributions and expenditures must be maintained from the time the candidate first receives contributions or makes expenditures and that an exemption from filing a statement of organization or disclosure reports does not exempt the candidate from other provisions of this chapter. Each candidate described in subsection 1 of this section, who files a statement of exemption, shall file a statement of limited activity for each reporting period, described in section 130.046.

2. Any candidate who has filed an exemption statement as provided in subsection 1 of this section shall not accept any contribution or make any expenditure in support of the person's candidacy, either directly or indirectly or by or through any committee or any other person acting with the candidate's knowledge and consent, which would cause such contributions or expenditures to exceed the limits specified in subdivision (1) of subsection 1 of this section unless the candidate later rejects the exemption pursuant to the provisions of subsection 3 of this section. Any contribution received in excess of such limits shall be returned to the donor or transmitted to the state treasurer to escheat to the state.

3. If, after filing the exemption statement provided for in this section, the candidate subsequently determines the candidate wishes to exceed any of the limits in subdivision (1) of subsection 1 of this section, the candidate shall file a notice of rejection of the exemption with the appropriate officer; however, such rejection shall not be filed later than thirty days before election. A notice of rejection of exemption shall be accompanied by a statement of organization as required by section 130.021 and any other statements and reports which would have been required if the candidate had not filed an exemption statement.

4. A primary election and the immediately succeeding general election are separate elections, and restrictions on contributions and expenditures set forth in subsection 2 of this section shall apply to each election; however, if a successful primary candidate has correctly filed an exemption statement prior to the primary election and has not filed a notice of rejection prior to the date on which the first disclosure report applicable to the succeeding general election is required to be filed, the candidate shall not be required to file an exemption statement for that general election if the limitations set forth in subsection 1 of this section apply to the succeeding general election.

5. A candidate who has an existing candidate committee formed for a prior election for

which all statements and reports required by this chapter have been properly filed shall be eligible to file the exemption statement as provided in subsection 1 of this section and shall not be required to file the disclosure reports pertaining to the election for which the candidate is eligible to file the exemption statement if the candidate and the treasurer or deputy treasurer of such existing candidate committee continue to comply with the requirements, limitations and restrictions set forth in subsections 1, 2, 3 and 4 of this section. The exemption permitted by this subsection does not exempt a candidate or the treasurer of the candidate's existing candidate committee from complying with the requirements of subsections 6 and 7 of section 130.046 applicable to a prior election.

6. No nonpartisan candidate for supreme court, circuit court, or associate circuit court, or candidate for political party office, or for county office or municipal office in a city of one hundred thousand or less, or for any special purpose district office shall be required to file an exemption statement pursuant to this section in order to be exempted from forming a committee and filing disclosure reports required of committees pursuant to this chapter if the aggregate of contributions received or expenditures made by the candidate and any other person with the candidate's knowledge and consent in support of the person's candidacy does not exceed one thousand dollars and the aggregate of contributions from any single contributor does not exceed two hundred fifty dollars. No candidate for any office listed in this subsection shall be excused from complying with the provisions of any section of this chapter, other than the filing of an exemption statement under the conditions specified in this subsection.

7. If any candidate for an office listed in subsection 6 of this section exceeds the limits specified in subsection 6 of this section, the candidate shall form a committee no later than thirty days prior to the election for which the contributions were received or expended which shall comply with all provisions of this chapter for committees.

130.021. 1. Every committee shall have a treasurer who, except as provided in subsection 10 of this section, shall be a resident of this state. A committee may also have a deputy treasurer who, except as provided in subsection 10 of this section, shall be a resident of this state, to serve in the capacity of committee treasurer in the event the committee treasurer is unable for any reason to perform the treasurer's duties.

2. Every candidate for offices listed in subsection 1 of section 130.016 who has not filed a statement of exemption pursuant to that subsection and every candidate for offices listed in subsection 6 of section 130.016 who is not excluded from filing a statement of organization and disclosure reports pursuant to subsection 6 shall form a candidate committee and appoint a treasurer. Thereafter, all contributions on hand and all further contributions received by such candidate and any of the candidate's own funds to be used in support of the person's candidacy shall be deposited in a candidate committee depository account established pursuant to the provisions of subsection 4 of this section, and all expenditures shall be made through the

candidate, treasurer or deputy treasurer of the person's candidate committee. Nothing in this chapter shall prevent a candidate from appointing himself or herself as a committee of one and serving as the person's own treasurer, maintaining the candidate's own records and filing all the reports and statements required to be filed by the treasurer of a candidate committee.

3. A candidate who has more than one candidate committee supporting the person's candidacy shall designate one of those candidate committees as the committee responsible for consolidating the aggregate contributions to all such committees under the candidate's control and direction as required by section 130.041.

4. (1) Every committee shall have a single official fund depository within this state which shall be a federally or state-chartered bank, a federally or state-chartered savings and loan association, or a federally or state-chartered credit union in which the committee shall open and thereafter maintain at least one official depository account in its own name. An "official depository account" shall be a checking account or some type of negotiable draft or negotiable order of withdrawal account, and the official fund depository shall, regarding an official depository account, be a type of financial institution which provides a record of deposits, canceled checks or other canceled instruments of withdrawal evidencing each transaction by maintaining copies within this state of such instruments and other transactions. All contributions which the committee receives in money, checks and other negotiable instruments shall be deposited in a committee's official depository account. Contributions shall not be accepted and expenditures shall not be made by a committee except by or through an official depository account and the committee treasurer, deputy treasurer or candidate. Contributions received by a committee shall not be commingled with any funds of an agent of the committee, a candidate or any other person, except that contributions from a candidate of the candidate's own funds to the person's candidate committee shall be deposited to an official depository account of the person's candidate committee. No expenditure shall be made by a committee when the office of committee treasurer is vacant except that when the office of a candidate committee treasurer is vacant, the candidate shall be the treasurer until the candidate appoints a new treasurer.

(2) A committee treasurer, deputy treasurer or candidate may withdraw funds from a committee's official depository account and deposit such funds in one or more savings accounts in the committee's name in any bank, savings and loan association or credit union within this state, and may also withdraw funds from an official depository account for investment in the committee's name in any certificate of deposit, bond or security. Proceeds from interest or dividends from a savings account or other investment or proceeds from withdrawals from a savings account or from the sale of an investment shall not be expended or reinvested, except in the case of renewals of certificates of deposit, without first redepositing such proceeds in an official depository account. Investments, other than savings accounts, held outside the committee's official depository account at any time during a reporting period shall be disclosed

by description, amount, any identifying numbers and the name and address of any institution or person in which or through which it is held in an attachment to disclosure reports the committee is required to file. Proceeds from an investment such as interest or dividends or proceeds from its sale, shall be reported by date and amount. In the case of the sale of an investment, the names and addresses of the persons involved in the transaction shall also be stated. Funds held in savings accounts and investments, including interest earned, shall be included in the report of money on hand as required by section 130.041.

5. The treasurer or deputy treasurer acting on behalf of any person or organization or group of persons which is a committee by virtue of the definitions of "committee" in section 130.011 and any candidate who is not excluded from forming a committee in accordance with the provisions of section 130.016 shall file a statement of organization with the appropriate officer within twenty days after the person or organization becomes a committee but no later than the date for filing the first report required pursuant to the provisions of section 130.046. The statement of organization shall contain the following information:

(1) The name, mailing address and telephone number, if any, of the committee filing the statement of organization. If the committee is deemed to be affiliated with a connected organization as provided in subdivision (11) of section 130.011, the name of the connected organization, or a legally registered fictitious name which reasonably identifies the connected organization, shall appear in the name of the committee. If the committee is a candidate committee, the name of the candidate shall be a part of the committee's name;

(2) The name, mailing address and telephone number of the candidate;

(7) Identification of the major nature of the committee such as a candidate committee, campaign committee, continuing committee, political party committee, incumbent committee, or any other committee according to the definition of "committee" in section 130.011;

of each such other committee;

(9) The name and office sought of each candidate supported or opposed by the committee;

(10) The ballot measure concerned, if any, and whether the committee is in favor of or opposed to such measure.

6. A committee may omit the information required in subdivisions (9) and (10) of subsection 5 of this section if, on the date on which it is required to file a statement of organization, the committee has not yet determined the particular candidates or particular ballot measures it will support or oppose. Any contribution received over the allowable contribution limits described in section 130.032 shall be returned to the contributor by the committee within five business days of the declaration of candidacy or position on a candidate or a particular ballot measure of the committee.

7. A committee which has filed a statement of organization and has not terminated shall not be required to file another statement of organization, except that when there is a change in any of the information previously reported as required by subdivisions (1) to (8) of subsection 5 of this section an amended statement of organization shall be filed within twenty days after the change occurs, but no later than the date of the filing of the next report required to be filed by that committee by section 130.046.

The termination statement shall include: the distribution made of any remaining surplus funds and the disposition of any deficits; and the name, mailing address and telephone number of the individual responsible for preserving the committee's records and accounts as required in section 130.036.

9. Any statement required by this section shall be signed and attested by the committee treasurer or deputy treasurer, and by the candidate in the case of a candidate committee.

(2) The aggregate of all contributions and expenditures made to support or oppose candidates and ballot measures in this state exceeds one thousand five hundred dollars in the current calendar year.

11. If a committee domiciled in this state receives a contribution of one thousand five hundred dollars or more from any committee domiciled outside of this state, the committee domiciled in this state shall file a disclosure report with the commission. The report shall disclose

the full name, mailing address, telephone numbers and domicile of the contributing committee and the date and amount of the contribution. The report shall be filed within forty-eight hours of the receipt of such contribution if the contribution is received after the last reporting date before the election.

130.026. 1. For the purpose of this section, the term "election authority" or "local election authority" means the county clerk, except that in a city or county having a board of election commissioners the board of election commissioners shall be the election authority. For any political subdivision or other district which is situated within the jurisdiction of more than one election authority, as defined herein, the election authority is the one in whose jurisdiction the candidate resides or, in the case of ballot measures, the one in whose jurisdiction the most populous portion of the political subdivision or district for which an election is held is situated, except that a county clerk or a county board of election commissioners shall be the election authority for all candidates for elective county offices other than county clerk and for any countywide ballot measures.

7. The term "domicile" or "domiciled" means the address of the committee listed on the statement of organization required to be filed by that committee in accordance with the provisions of section 130.021.

130.042. 1. Each general assembly office committee shall file disclosure reports required by section 130.041 at the following times and for the following periods:

(1) Not later than the fifteenth day following the close of each calendar quarter;

(2) Not later than the eighth day before the general election for a period closing on the twelfth day before the general election.

2. Candidates for the office of president pro tem of the Missouri senate, speaker of the house of representatives and speaker pro tem of the Missouri house of representatives may accept a contribution equal to the contribution set out in

5. A general assembly office committee cannot make any political contributions to the candidate committee of the candidate who controls the general assembly office committee, nor purchase any political advertising for such individual.

130.046. 1. The disclosure reports required by section 130.041 for all committees shall be filed at the following times and for the following periods:

(1) Not later than the eighth day before an election for the period closing on the twelfth day before the election if the committee has made any contribution or expenditure either in support or opposition to any candidate or ballot measure;

(2) Not later than the thirtieth day after an election for a period closing on the twenty-fifth day after the election, if the committee has made any contribution or expenditure either in support of or opposition to any candidate or ballot measure; except that, a successful candidate who takes office prior to the twenty-fifth day after the election shall have complied with the report requirement of this subdivision if a disclosure report is filed by such candidate and any candidate committee under the candidate's control before such candidate takes office, and such report shall be for the period closing on the day before taking office; and

(3) Not later than the fifteenth day following the close of each calendar quarter. Notwithstanding the provisions of this subsection, if any committee accepts contributions or makes expenditures in support of or in opposition to a ballot measure or a candidate, and the report required by this subsection for the most recent calendar quarter is filed prior to the fortieth day before the election on the measure or candidate, the committee shall file an additional disclosure report not later than the fortieth day before the election for the period closing on the forty-fifth day before the election.

2. In the case of a ballot measure to be qualified to be on the ballot by initiative petition or referendum petition, or a recall petition seeking to remove an incumbent from office, disclosure reports relating to the time for filing such petitions shall be made as follows:

(1) In addition to the disclosure reports required to be filed pursuant to subsection 1 of this section the treasurer of a committee, other than a continuing committee, supporting or

opposing a petition effort to qualify a measure to appear on the ballot or to remove an incumbent from office shall file an initial disclosure report fifteen days after the committee begins the process of raising or spending money. After such initial report, the committee shall file quarterly disclosure reports as required by subdivision (3) of subsection 1 of this section until such time as the reports required by subdivisions (1) and (2) of subsection 1 of this section are to be filed. In addition the committee shall file a second disclosure report no later than the fifteenth day after the deadline date for submitting such petition. The period covered in the initial report shall begin on the day the committee first accepted contributions or made expenditures to support or oppose the petition effort for qualification of the measure and shall close on the fifth day prior to the date of the report;

(2) If the measure has qualified to be on the ballot in an election and if a committee subject to the requirements of subdivision (1) of this subsection is also required to file a preelection disclosure report for such election any time within thirty days after the date on which disclosure reports are required to be filed in accordance with subdivision (1) of this subsection, the treasurer of such committee shall not be required to file the report required by subdivision (1) of this subsection, but shall include in the committee's preelection report all information which would otherwise have been required by subdivision (1) of this subsection.

3. The candidate, if applicable, treasurer or deputy treasurer of a committee shall file disclosure reports pursuant to this section, except for any calendar quarter in which the contributions received by the committee or the expenditures or contributions made by the committee do not exceed five hundred dollars. The reporting dates and periods covered for such quarterly reports shall not be later than the fifteenth day of January, April, July and October for periods closing on the thirty-first day of December, the thirty-first day of March, the thirtieth day of June and the thirtieth day of September. No candidate, treasurer or deputy treasurer shall be required to file the quarterly disclosure report required not later than the fifteenth day of any January immediately following a November election, provided that such candidate, treasurer or deputy treasurer shall file the information required on such quarterly report on the quarterly report to be filed not later than the fifteenth day of April immediately following such November election. Each report by such committee shall be cumulative from the date of the last report. In the case of the continuing committee's first report, the report shall be cumulative from the date of the continuing committee's organization. Every candidate, treasurer or deputy treasurer shall file, at a minimum, the campaign disclosure reports covering the quarter immediately preceding the date of the election and those required by subdivisions (1) and (2) of subsection 1 of this section. A continuing committee shall submit additional reports if it makes aggregate expenditures, other than contributions to a committee, of five hundred dollars or more, within the reporting period at the following times for the following periods:

(1) Not later than the eighth day before an election for the period closing on the twelfth

day before the election;

(2) Not later than forty-eight hours after aggregate expenditures of five hundred dollars or more are made after the twelfth day before the election; and

(3) Not later than the thirtieth day after an election for a period closing on the twenty-fifth day after the election.

4. The reports required to be filed no later than the thirtieth day after an election and any subsequently required report shall be cumulative so as to reflect the total receipts and disbursements of the reporting committee for the entire election campaign in question. The period covered by each disclosure report shall begin on the day after the closing date of the most recent disclosure report filed and end on the closing date for the period covered. If the committee has not previously filed a disclosure report, the period covered begins on the date the committee was formed; except that in the case of a candidate committee, the period covered begins on the date the candidate became a candidate according to the definition of the term candidate in section 130.011.

5. Notwithstanding any other provisions of this chapter to the contrary:

(1) Certain disclosure reports pertaining to any candidate who receives nomination in a primary election and thereby seeks election in the immediately succeeding general election shall not be required in the following cases:

(a) If there are less than fifty days between a primary election and the immediately succeeding general election, the disclosure report required to be filed quarterly; provided that, any other report required to be filed prior to the primary election and all other reports required to be filed not later than the eighth day before the general election are filed no later than the final dates for filing such reports;

(b) If there are less than eighty-five days between a primary election and the immediately succeeding general election, the disclosure report required to be filed not later than the thirtieth day after the primary election need not be filed; provided that any report required to be filed prior to the primary election and any other report required to be filed prior to the general election are filed no later than the final dates for filing such reports; and

(2) No disclosure report needs to be filed for any reporting period if during that reporting period the committee has neither received contributions aggregating more than five hundred dollars nor made expenditure aggregating more than five hundred dollars and has not received contributions aggregating more than [three hundred dollars] **the amount set out in subdivision (3) of subsection 1 of section 130.032, as increased by subsection 2 of section 130.032**, from any single contributor and if the committee's treasurer files a statement with the appropriate officer that the committee has not exceeded the identified thresholds in the reporting period. Any contributions received or expenditures made which are not reported because this statement is filed in lieu of a disclosure report shall be included in the next

disclosure report filed by the committee. This statement shall not be filed in lieu of the report for two or more consecutive disclosure periods if either the contributions received or expenditures made in the aggregate during those reporting periods exceed five hundred dollars. This statement shall not be filed, in lieu of the report, later than the thirtieth day after an election if that report would show a deficit of more than one thousand dollars.

6. (1) If the disclosure report required to be filed by a committee not later than the thirtieth day after an election shows a deficit of unpaid loans and other outstanding obligations in excess of five thousand dollars, semiannual supplemental disclosure reports shall be filed with the appropriate officer for each succeeding semiannual period until the deficit is reported in a disclosure report as being reduced to five thousand dollars or less; except that, a supplemental semiannual report shall not be required for any semiannual period which includes the closing date for the reporting period covered in any regular disclosure report which the committee is required to file in connection with an election. The reporting dates and periods covered for semiannual reports shall be not later than the fifteenth day of January and July for periods closing on the thirty-first day of December and the thirtieth day of June;

(2) Committees required to file reports pursuant to subsection 2 or 3 of this section which are not otherwise required to file disclosure reports for an election shall file semiannual reports as required by this subsection if their last required disclosure report shows a total of unpaid loans and other outstanding obligations in excess of five thousand dollars.

7. In the case of a committee which disbands and is required to file a termination statement pursuant to the provisions of section 130.021 with the appropriate officer not later than the tenth day after the committee was dissolved, the candidate, committee treasurer or deputy treasurer shall attach to the termination statement a complete disclosure report for the period closing on the date of dissolution. A committee shall not utilize the provisions of subsection 8 of section 130.021 or the provisions of this subsection to circumvent or otherwise avoid the reporting requirements of subsection 6 or 7 of this section.

8. Disclosure reports shall be filed with the appropriate officer not later than 5:00 p.m. prevailing local time of the day designated for the filing of the report and a report postmarked not later than midnight of the day previous to the day designated for filing the report shall be deemed to have been filed in a timely manner. The appropriate officer may establish a policy whereby disclosure reports may be filed by facsimile transmission.

130.049. 1. An out-of-state committee which according to the provisions of subsection 10 of section 130.021 is not required to file a statement of organization and is not required to file the full disclosure reports required by section 130.041 shall file reports with the Missouri ethics commission according to the provisions of [such sections] **this subsection** if the committee makes contributions or expenditures in support of or in opposition to candidates or ballot measures in this state in any election covered by this chapter or makes contributions to any committee

domiciled in this state. An initial report shall be filed no later than fourteen days prior to the date such out-of-state committee first makes a contribution or expenditure in this state **and thereafter reports shall be filed at the times and for the reporting periods prescribed in subsection 1 of section 130.046.** [Such initial report shall state the name and address of the committee receiving such contributions or expenditures.] The contributions or expenditures shall be made no later than thirty days prior to the election. [The out-of-state committee thereafter shall file copies of the campaign disclosure report required to be filed in the domicile of the committee with the Missouri ethics commission as required by subsections 1 to 3 of section 130.046.] No candidate or committee may accept any contribution made by a committee domiciled outside this state unless the provisions of this section are met.

2. Each out-of-state committee report shall contain:

(1) The full name, address, and domicile of the committee making the report and the name, residential, and business addresses, domicile, and telephone numbers of the committee's treasurer;

(2) The name and address of any entity such as a labor union, trade or business or professional association, club, or other organization, or any business entity with which the committee is affiliated;

(3) A statement of the total dollar amount of all funds received by the committee in the current calendar year and a statement of the total contributions in the same period from persons domiciled in this state and a list by name, address, date, and amount of each Missouri resident who contributed an aggregate of more than two hundred dollars in the current calendar year;

(4) A list by name, address, date, and amount regarding any contributor to the out-of-state committee, regardless of state of residency, who made a contribution during the reporting period which was restricted or designated in whole or in part for use in supporting or opposing a candidate, ballot measure, or committee in this state or was restricted for use in this state at the committee's discretion, or a statement that no such contributions were received;

(5) A statement as to whether the committee is required to file reports with the Federal Election Commission, and a listing of agencies in other states with which the committee files reports, if any;

(6) A separate listing showing contributions made in support of or opposition to each candidate or ballot measure in this state, together with the date and amount of each contribution;

(7) A separate listing showing contributions made to any committee domiciled in this state with the date and amount of each contribution.

130.050. [1. An out-of-state committee which, according to the provisions of subsection

10 of section 130.021, is not required to file a statement of organization and is not required to file the full disclosure reports required by section 130.041 shall file reports with the Missouri ethics commission according to the provisions of this subsection if the committee makes contributions or expenditures in support of or in opposition to candidates or ballot measures in this state in any election covered by this chapter or makes contributions to any committee domiciled in this state. An initial report shall be filed on or within fourteen days prior to the date such out-of-state committee first makes a contribution or expenditure in this state, and thereafter reports shall be filed at the times and for the reporting periods prescribed in subsection 1 of section 130.046. Each report shall contain:

(1) The full name, address and domicile of the committee making the report and the name, residential and business addresses, domicile and telephone numbers of the committee's treasurer;

(2) The name and address of any entity such as a labor union, trade or business or professional association, club or other organization or any business entity with which the committee is affiliated;

(4) A list by name, address, date and amount regarding any contributor to the out-of-state committee, regardless of state of residency, who made a contribution during the reporting period which was restricted or designated in whole or in part for use in supporting or opposing a candidate, ballot measure or committee in this state or was restricted for use in this state at the committee's discretion, or a statement that no such contributions were received;

(5) A statement as to whether the committee is required to file reports with the Federal Election Commission, and a listing of agencies in other states with which the committee files reports, if any;

(6) A separate listing showing contributions made in support of or opposition to each candidate or ballot measure in this state, together with the date and amount of each contribution;

(7) A separate listing showing contributions made to any committee domiciled in this state with the date and amount of each contribution.

2. In the case of a political party committee's selection of an individual to be the party's nominee for public office in an election covered by this chapter, any individual who seeks such nomination and who is a candidate according to the definition of the term candidate in section 130.011 shall be required to comply with all requirements of this chapter; except that, for the purposes of this subsection, the reporting dates and reporting periods in section 130.046 shall not

apply, and the first reporting date shall be no later than the fifteenth day after the date on which a nomination covered by this subsection was made and for the period beginning on the date the individual became a candidate, as the term candidate is defined in section 130.011, and closing on the tenth day after the date the nomination was made, with subsequent reports being made as closely as practicable to the times required in section 130.046.

3.] The receipt of any late contribution or loan of more than two hundred fifty dollars by a candidate committee supporting a candidate for statewide office or by any other committee shall be reported to the appropriate officer no later than forty-eight hours after receipt. For purposes of this subsection the term "late contribution or loan" means a contribution or loan received after the closing date of the last disclosure report required to be filed before an election but received prior to the date of the election itself. The disclosure report of a late contribution may be made by any written means of communication, setting forth the name and address of the contributor or lender and the amount of the contribution or loan and need not contain the signatures and certification required for a full disclosure report described in section 130.041. A late contribution or loan shall be included in subsequent disclosure reports without regard to any special reports filed pursuant to this subsection.

130.057. 1. In order for candidates for election and public officials to more easily file reports required by law and to access information contained in such reports, and for the Missouri ethics commission to receive and store reports in an efficient and economical method, and for the general public and news media to access information contained in such reports, the commission shall establish and maintain an electronic reporting system pursuant to this section.

2. The ethics commission may establish for elections in 1996 and shall establish for elections and all required reporting beginning in 1998 and maintain thereafter a state campaign finance and financial interest disclosure electronic reporting system pursuant to this section for all candidates required to file. The system may be used for the collection, filing and dissemination of all reports, including monthly lobbying reports filed by law, and all reports filed with the commission pursuant to this chapter and chapter 105, RSMo. The system may be established and used for all reports required to be filed for the primary and general elections in 1996 and all elections thereafter, except that the system may require maintenance of a paper backup system for the primary and general elections in 1996. The reports shall be maintained and secured in the electronic format by the commission.

3. When the commission determines that the electronic reporting system has been properly implemented, the commission shall certify to all candidates and committees required to file pursuant to this chapter that such electronic reporting system has been established and implemented. Beginning with the primary and general elections in 2000, or the next primary or general election in which the commission has made certification pursuant to this subsection, whichever is later, candidates and all other committees shall file reports by using either the

electronic format prescribed by the commission or paper forms provided by the commission for that purpose. Continuing committees shall file reports by electronic format prescribed by the commission, except continuing committees which make contributions equal to or less than [fifteen] **five** thousand dollars in the applicable calendar year. Any continuing committee which makes contributions in support of or opposition to any measure or candidate equal to or less than [fifteen] **five** thousand dollars in the applicable calendar year shall file reports on paper forms provided by the commission for that purpose or by electronic format prescribed by the commission, whichever reporting method the continuing committee chooses. The commission shall supply a computer program which shall be used for filing by modem or by a common magnetic media chosen by the commission. In the event that filings are performed electronically, the candidate shall file a signed original written copy within five working days; except that, if a means becomes available which will allow a verifiable electronic signature, the commission may also accept this in lieu of a written statement.

4. Beginning January 1, 2000, or on the date the commission makes the certification pursuant to subsection 3 of this section, whichever is later, all reports filed with the commission by any candidate for a statewide office, or such candidate's committee, shall be filed in electronic format as prescribed by the commission; provided however, that if a candidate for statewide office, or such candidate's committee receives or spends five thousand dollars or less for any reporting period, the report for that reporting period shall not be required to be filed electronically.

5. A copy of all reports filed in the state campaign finance electronic reporting system shall be placed on a public electronic access system so that the general public may have open access to the reports filed pursuant to this section. The access system shall be organized and maintained in such a manner to allow an individual to obtain information concerning all contributions made to or on behalf of, and all expenditures made on behalf of, any public official described in subsection 2 of this section in formats that will include both written and electronically readable formats.

6. All records that are in electronic format, not otherwise closed by law, shall be available in electronic format to the public. The commission shall maintain and provide for public inspection, a listing of all reports with a complete description for each field contained on the report, that has been used to extract information from their database files. The commission shall develop a report or reports which contain every field in each database.

7. Annually, the commission shall provide, without cost, a system-wide dump of information contained in the commission's electronic database files to the general assembly. The information is to be copied onto a medium specified by the general assembly. Such information shall not contain records otherwise closed by law. It is the intent of the general assembly to provide open access to the commission's records.
