**(1) The name and residence of each petitioner and the location of the real property owned by the petitioner;**

(2) A specific description of the proposed district boundaries, including a map illustrating the boundaries; and

(3) The name of the proposed district.

3. Upon the filing of a petition pursuant to this section, the governing body of any county described in this section may, by resolution, approve the creation of a district. Any resolution to establish such a district shall be adopted by the governing body of each county located within the proposed district, and shall contain the following information:

(1) A description of the boundaries of the proposed district;

(2) The time and place of a hearing to be held to consider establishment of the proposed district;

(3) The proposed sales tax rate to be voted on within the proposed district; and

6. There is hereby created a board of trustees to administer any district created and the expenditure of revenue generated pursuant to this section, consisting of no more than twelve members. After adoption of the order creating the district, the governing body of each county located within the district shall appoint four residents

of the portion of the district within the county to represent the district on the board of trustees. Each trustee shall be at least twenty-five years of age. Of the initial trustees appointed, two shall hold office for two years, and two shall hold office for four years. Trustees appointed after expiration of the initial terms shall be appointed to a four-year term by the governing body of the county the trustee represents, with the initially appointed trustee to remain in office until a successor is appointed, and shall take office upon being appointed. Each trustee may be reappointed. Vacancies shall be filled in the same manner in which the trustee vacating the office was originally appointed. The trustees shall not receive compensation for their services, but may be reimbursed for their actual and necessary expenses. - (4) To borrow money and incur indebtedness and evidence the same by certificates, notes, or debentures, to issue bonds and use any one or more lawful funding methods the district may obtain for its purposes at such rates of interest as the district may determine. Any bonds, notes, and other obligations issued or delivered by the district may be secured by mortgage, pledge, or deed of trust of any or all of the property and income of the district. The district shall not mortgage, pledge, or give a deed of trust on any real property or interests which it acquired from the state or any agency or political subdivision thereof. Every issue of such bonds, notes, or other obligations shall be payable out of property and revenues of the district, and may be further secured by other property of the district which may be pledged, assigned, mortgaged, or a security interest granted for such payment, without preference or priority of the first bonds issued, subject to any agreement with the holders of any other bonds pledging any specified property or revenues. Such bonds, notes, or other obligations shall be authorized by resolution of the district board, and shall bear such date or dates, and shall mature at such time or times, but not in

(7) To have the management, control, and supervision of all the business and affairs of the district, and the construction, installation, operation, and maintenance of district improvements therein; to collect rentals, fees, and other charges in connection with its services or for the use of any of its facilities;

(8) To hire and retain agents, employees, engineers, and attorneys;

(9) To receive and accept by bequest, gift, or donation any kind of property;

(10) To adopt and amend bylaws and any other rules and regulations not in conflict with the constitution and laws of this state, necessary for the carrying on of the business, objects, and affairs of the board and of the district; and

(11) To have and exercise all rights and powers necessary or incidental to or implied from the specific powers granted herein.

8. A district established pursuant to this section may, at a general, primary, or special election, submit to the qualified voters within the district boundaries a sales tax not to exceed one-half of one percent on all retail sales within the district which are subject to taxation pursuant to sections 144.010 to 144.525, RSMo, to fund the acquisition, construction, maintenance, operation, improvement, and promotion of an exhibition center and recreational facilities. The ballot of submission shall be in substantially the following form:

Shall the ..... (name of district) impose a sales tax of ..... (insert rate) to fund the acquisition, construction, maintenance, operation, improvement, and promotion of an exhibition center and recreational facilities?

☐ YES

☐ NO

If you are in favor of the question, place an "X" in the box opposite "YES". If you are opposed to the question, place an "X" in the box opposite "NO".

If a majority of the votes cast favor the proposal, then the sales tax shall become effective on the first day of the second calendar quarter immediately following the election. If a majority of the votes cast oppose the proposal, then the district shall not impose the sales tax authorized in this section until after the district has submitted another such sales tax proposal and the proposal is approved by a majority of the qualified voters voting thereon. However, if a sales tax proposal is not approved, the district shall not resubmit a proposal to the voters pursuant to this section sooner than twelve months from the date of the last proposal submitted pursuant to this section.

9. There is hereby created the "Exhibition Center and Recreational Facility District Sales Tax Trust Fund", which shall consist of all revenue collected pursuant to this section. The director of revenue shall be custodian of the trust fund, and moneys in the trust fund shall be used solely for the purposes authorized in this section. Moneys in the trust fund shall be considered nonstate funds pursuant to section 15, article IV, Constitution of Missouri. The director of revenue shall invest moneys in the trust fund in the same manner as other funds are invested. Any interest and moneys earned on such investments shall be credited to the trust fund. All sales taxes collected by the director of revenue pursuant to this section on behalf of the district, less one percent for the cost of collection which shall be deposited in the state's general revenue fund after payment of premiums for surety bonds as provided in section 32.087, RSMo, shall be deposited in the trust fund. The director of revenue shall keep accurate records of the amount of moneys in the trust fund which was collected in the district imposing a sales tax pursuant to this section, and the records shall be open to the inspection of the officers of each district and the general public. Not later than the tenth day of each month, the director of revenue shall distribute all moneys deposited in the trust fund during the preceding month to the district. The director of revenue may authorize refunds from the amounts in the trust fund and credited to the district for erroneous payments and overpayments made, and may redeem dishonored checks and drafts deposited to the credit of the district.

10. The sales tax authorized by this section is in addition to all other sales taxes allowed by law. Except as modified in this section, all provisions of sections 32.085 and 32.087, RSMo, apply to the sales tax imposed pursuant to this section.

11. Any sales tax imposed pursuant to this section shall reduce to a rate of one-tenth of one percent twenty-five years from the effective date of the sales tax unless

an extension of the sales tax is submitted to and approved by the qualified voters in each district in the manner provided in this section. Each extension of the sales tax shall be for a period not to exceed twenty years. The ballot of submission for the extension shall be in substantially the following form:

Shall the ..... (name of district) extend the sales tax of ..... (insert rate) for a period of ..... (insert number of years) years to fund the acquisition, construction, maintenance, operation, improvement, and promotion of an exhibition center and recreational facilities?

☐ YES

☐ NO

If you are in favor of the question, place an "X" in the box opposite "YES". If you are opposed to the question, place an "X" in the box opposite "NO".

If a majority of the votes cast favor the extension, then the sales tax shall remain in effect at the rate and for the time period approved by the voters. If a majority of the votes cast oppose the extension, then the district shall reduce the sales tax rate to one-tenth of one percent.

If a sales tax extension is not approved, the district may submit another sales tax proposal as authorized in this section, but the district shall not submit such a proposal to the voters sooner than twelve months from the date of the last extension submitted.

12. Once the sales tax authorized by this section is abolished or terminated by any means, all funds remaining in the trust fund shall be used solely for the purposes approved in the ballot question authorizing the sales tax. The sales tax shall not be abolished or terminated while the district has any financing or other obligations outstanding. Any funds in the trust fund which are not needed for current expenditures may be invested by the district in the securities described in subdivisions (1) to (12) of subsection 1 of section 30.270, RSMo, or repurchase agreements secured by such securities. If the district abolishes the sales tax, the district shall notify the director of revenue of the action at least ninety days before the effective date of the repeal, and the director of revenue may order retention in the trust fund, for a period of one year, of two percent of the amount collected after receipt of such notice to cover possible refunds or overpayment of the sales tax and to redeem dishonored checks and drafts deposited to the credit of such accounts. After one year has elapsed after the effective date of abolition of the sales tax in the district, the director of revenue shall remit the balance in the account to the district and close the account of the district. The director of revenue shall notify the district of each instance of any amount refunded or any check redeemed from receipts due the district.

Section B. Because of the urgent need to secure financing of certain public facilities in

a timely fashion and to promote economic development, section A of this act is deemed necessary for the immediate preservation of the public health, welfare, peace and safety, and is hereby declared to be an emergency act within the meaning of the constitution, and section A of this act shall be in full force and effect upon its passage and approval.
