The plates shall be clearly visible at night, and shall be aesthetically attractive.** Special plates for qualified disabled veterans will have the "DISABLED VETERAN" wording on the license plates in preference to the words "SHOW-ME STATE" and special plates for members of the national guard will have the "NATIONAL GUARD" wording in preference to the words "SHOW-ME STATE".

3. [The background of all license plates, or the letters and numerals thereof, shall be coated with a material which will reflect the lights of other vehicles. The nature and specifications of this material shall be determined after a public hearing by the director of revenue, director of prison industries, and superintendent of the state highway patrol, and shall meet the standards established by the state transportation department.

4. Figures on license plates, except those which may be used to designate gross weights for which commercial motor vehicles are registered, shall not be less than three inches in height and the strokes thereof not less than five-sixteenths of an inch in width. In the case of motorcycles and motortricycles, the letters and figures shall be not less than one inch in height and the strokes thereof one-eighth of an inch in width. The director may provide for the arrangement of the numbers in groups or otherwise, and for other distinguishing marks on the plates.

5.] All property-carrying commercial motor vehicles to be registered at a gross weight in excess of twelve thousand pounds, all passenger-carrying commercial motor vehicles, local transit buses, school buses, trailers, semitrailers, motorcycles, motortricycles, motorscooters and driveaway vehicles shall be registered with the director of revenue as provided for in subsection 3 of section 301.030, but only one license plate shall be issued for each such vehicle **except as provided in this subsection. The applicant for registration of any property-carrying commercial motor vehicle may request and be issued two license plates for such vehicle, and if such plates are issued the director of revenue may assess and collect an additional charge from the applicant in an amount not to exceed the fee prescribed for personalized license plates in subsection 1 of section 301.144.**

[6.] 4. The plates issued to manufacturers and dealers shall bear the letter "D" preceding the number, and the director may place upon the plates other letters or marks to distinguish commercial motor vehicles and trailers and other types of motor vehicles.

[7.] 5. Each such plate shall be securely fastened to the motor vehicle in a manner so that all parts thereof shall be plainly visible and reasonably clean so that the reflective qualities thereof are not impaired. [8.] **6.** (1) The director of revenue shall issue annually a tab or set of tabs as evidence of the annual payment of registration fees and the current registration of a vehicle in lieu of the set of plates[; except that the director shall annually issue a new license plate or set of plates as provided in this section for vehicles registered pursuant to subsection 2 of section 301.277, commercial motor vehicles in excess of twelve thousand pounds, trailers, buses and dealers].

(2) The vehicle owner to whom a tab or set of tabs is issued shall affix and display such tab or tabs [on the middle] **in the designated area** of the license plate, no more than one per plate.

(3) A tab or set of tabs issued by the director when attached to a vehicle in the prescribed manner shall be prima facie evidence that the registration fee for such vehicle has been paid.

(4) Except as provided in subdivision (1) of this subsection, the director of revenue shall issue plates for a period of at least five years.

(5) For those commercial motor vehicles and trailers registered pursuant to section 301.041, the plate issued by the director of revenue shall be a permanent nonexpiring license plate for which no tabs shall be issued. Nothing in this section shall relieve the owner of any vehicle permanently registered pursuant to this section from the obligation to pay the annual registration fee due for the vehicle. The permanent nonexpiring license plate shall be returned to the director of revenue upon the sale or disposal of the vehicle by the owner to whom the permanent nonexpiring license plate is issued, or the plate may be transferred to a replacement commercial motor vehicle when the owner files a supplemental application with the Missouri highway reciprocity commission for the registration of such replacement commercial motor vehicle. Upon payment of the annual registration fee, the director of revenue shall issue a certificate of registration or other suitable evidence of payment of the annual fee, and such evidence of payment shall be carried at all times in the vehicle for which it is issued.

(6) Upon the sale or disposal of any vehicle permanently registered under this section, or upon the termination of a lease of any such vehicle, the permanent nonexpiring plate issued for such vehicle shall be returned to the director and shall not be valid for operation of such vehicle, or the plate may be transferred to a replacement vehicle when the owner files a supplemental application with the Missouri highway reciprocity commission for the registration of such replacement vehicle. If a vehicle which is permanently registered under this section is

sold, wrecked or otherwise disposed of, or the lease terminated, the registrant shall be given credit for any unused portion of the annual registration fee when the vehicle is replaced by the purchase or lease of another vehicle during the registration year.

[9.] 7. The director of revenue may prescribe rules and regulations for the effective administration of this section. No rule or portion of a rule promulgated under the authority of this section shall become effective unless it has been promulgated pursuant to the provisions of section 536.024, RSMo.

8. Notwithstanding the provisions of any other law to the contrary, owners of motor vehicles other than apportioned motor vehicles or commercial motor vehicles licensed in excess of eighteen thousand pounds gross weight may apply for special personalized license plates. Vehicles licensed for eighteen thousand pounds that display special personalized license plates shall be subject to the provisions of subsections 1 and 2 of section 301.030.
