AN ACT

To amend chapter 301, RSMo, by adding thereto one new section relating to special license plates.

Be it enacted by the General Assembly of the State of Missouri, as follows:

Section A. Chapter 301, RSMo, is amended by adding thereto one new section, to be known as section 301.3133, to read as follows:

301.3133. 1. Any vehicle owner, after an annual contribution to the Missouri Travel Council, may receive special license plates commemorating the bicentennial anniversary of the Lewis and Clark expedition for any vehicle the member owns, either solely or jointly, other than an apportioned motor vehicle or a commercial motor vehicle licensed in excess of eighteen thousand pounds gross weight. The Missouri Travel Council, in conjunction with the department of revenue, shall design the Lewis and Clark bicentennial special license plate.

2. Upon making a ten dollar contribution to the Missouri Travel Council, the motor vehicle owner may apply for the special license plate commemorating the bicentennial anniversary of the Lewis and Clark expedition. If the contribution is made directly to the Missouri Travel Council, the Missouri Travel Council shall issue the individual making the contribution a receipt, verifying the contribution, that may be used to apply for the Lewis and Clark special license plate. If the contribution is made directly to the director of revenue pursuant to section 301.3031, the director shall note the contribution and the owner may then apply for the Lewis and Clark plate. The applicant for such special license plate must pay a fifteen dollar fee in addition to the regular registration fees and present any other documentation required by law for each set of Lewis and Clark plates issued pursuant to this section. Notwithstanding the provisions of section 301.144, no additional fee shall be charged for the personalization of license plates issued pursuant to this section. Such license plates shall be made with fully reflective

material with a common color scheme and design, shall be clearly visible at night, and shall be aesthetically attractive, as prescribed by section 301.130.

3. The director of revenue may promulgate rules and regulations for the administration of this section. Any rule or portion of a rule, as that term is defined in section 536.010, RSMo, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536, RSMo, and, if applicable, section 536.028, RSMo. This section and chapter 536, RSMo, are nonseverable, and if any of the powers vested with the general assembly pursuant to chapter 536, RSMo, to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2004, shall be invalid and void.

4. A vehicle owner who was previously issued a Lewis and Clark special license plate pursuant to this section, but does not provide a receipt evidencing a contribution to the Missouri Travel Council or make a contribution directly to the department of revenue at a subsequent time of registration, shall be issued a new license plate which does not commemorate the bicentennial anniversary of the Lewis and Clark expedition. The director of revenue shall make necessary rules and regulations for the enforcement of this section, and shall design all necessary forms required by this section.
