AN ACT

To repeal section 50.535, RSMo, and to enact in lieu thereof one new section relating to the county sheriff's revolving fund.

Be it enacted by the General Assembly of the State of Missouri, as follows:

Section A. Section 50.535, RSMo, is repealed and one new section enacted in lieu thereof, to be known as section 50.535, to read as follows:

50.535. 1. Notwithstanding the provisions of sections 50.525 to 50.745, the fee collected pursuant to subsections 10 and 11 of section 571.101, RSMo, shall be deposited by the county treasurer into a separate interest-bearing fund to be known as the "County Sheriff's Revolving Fund" to be expended at the direction of the county or city sheriff or his or her designee as provided in this section.

2. No prior approval of the expenditures from this fund shall be required by the governing body of the county or city not within a county, nor shall any prior audit or encumbrance of the fund be required before any expenditure is made by the sheriff from this fund. This fund shall only be used by law enforcement agencies for the purchase of equipment and to provide training; **and any reasonable expenses related to accepting and processing the application required pursuant to section 571.101, RSMo.** If the moneys collected and deposited into this fund are not totally expended annually, then the unexpended balance shall remain in said fund and the balance shall be kept in said fund to accumulate from year to year. This fund may be audited by the state auditor's office or the appropriate auditing agency.

3. If pursuant to subsection 12 of section 571.101, RSMo, the sheriff of a county of the first classification designates one or more chiefs of police of any

town, city, or municipality within such county to accept and process applications for certificates of qualification to obtain a concealed carry endorsement, then that sheriff shall reimburse such chiefs of police, out of the moneys deposited into this fund, for any reasonable expenses related to accepting and processing such applications.
