Any district [in a city with a population of at least four hundred thousand located in more than one county] **formed as a political subdivision** may impose by resolution a district sales and use tax on all retail sales made in such district which are subject to taxation pursuant to sections 144.010 to 144.525, RSMo, except sales of motor vehicles, trailers, boats or outboard motors and sales to public utilities. If a majority of the votes cast by the qualified voters on the proposed sales tax are in favor of the sales tax, then the resolution is adopted. If a majority of the votes cast by the qualified voters are opposed to the sales tax, then the resolution is void.

2. The ballot shall be substantially in the following form:

3. Within ten days after the qualified voters have approved the imposition of the sales and use tax, the district shall, in accordance with section 32.097, RSMo, notify the director of the department of revenue. The sales and use tax authorized by this section shall become effective on the first day of the second calendar quarter after the director of the department of revenue receives notice of the adoption of such tax.

4. The director of the department of revenue shall collect any tax adopted pursuant to this section pursuant to section 32.087, RSMo.

5. In each district in which a sales and use tax is imposed pursuant to this section, every retailer shall add such additional tax imposed by the district to such retailer's sale price, and when so added such tax shall constitute a part of the purchase price, shall be a debt of the purchaser to the retailer until paid and shall be recoverable at law in the same manner as the purchase price.

8. All revenue received by the district from a sales and use tax imposed pursuant to this section which is designated for a specific purpose shall be deposited into a special trust fund and expended solely for such purpose. Upon the expiration of any sales and use tax adopted pursuant to this section, all funds remaining in the special trust fund shall continue to be used solely for the specific purpose designated in the resolution adopted by the qualified voters. Any funds in such special trust fund which are not needed for current expenditures may be invested by the board of directors pursuant to applicable laws relating to the investment of other district funds.

9. A district may repeal by resolution any sales and use tax imposed pursuant to this section before the expiration date of such sales and use tax unless the repeal of such sales and use tax will impair the district's ability to repay any liabilities the district has incurred, moneys the district has borrowed or obligation the district has issued to finance any

improvements or services rendered for the district.
